Cross Walks
 Communities Remembering Jesus' Trek To Calvary

Cross Walks - silent walks commemorating the walk of Jesus on Good Friday - will be held in Cooleemee and Advance this year.

The walk in Cooleemee begins at 9:30 a.m. at Refuge Baptist Church in the shopping center, and ends at First Baptist Church on Marginal Street.

"Help celebrate Easter in this special way. Walk with Jesus to the cross," said Bobby West.

The first Advance Community Cross Walk will begin at 5:30 p.m. at Shady Grove Elementary School, walk past the old fire station to Underpass Road, turn right and walk to NC 801, turn right and walk to Advance Methodist (one mile).

There will have a van at the rear of the walkers for those who cannot walk the whole way. This is a community event, so invite everyone, all denominations, non-churchgoers, children ... anybody.

The walk begins with a reading of the events of Jesus' arrest and trial; then walk in silence; and conclude with the reading of Jesus' crucifixion and time for participants to share any thoughts or reflections.

"This is a powerful way to reflect on what Christ has done for us," said Angela Burton, Advance United Methodist secretary.

Area churches and groups have several Easter services and events planned. Read about them in this issue.

North Cooleemee Property Annexed

By Mike Barnhardt
 Enterprise Record

COOLEEMEE - Town board members here unanimously approved the satellite annexation of a lot at 195 Neely St. in what was once known as North Cooleemee. It is a satellite annexation because no part of the property

is contiguous with the current town limits.

Warren and Steve Fleming had asked for the annexation so they could get the property re-zoned to allow a business there. Their mother once operated a beauty shop there.

The property was zoned by the town as "office/institutional."

While Warren said at the beginning of the hearing that 100 people could be hired, his brother later said it would be one person inside the building. It would serve as a call center for electronic repairs. The call comes in, the operator links the location with a worker (veterans trained by the company)

and sends them to complete the work.

It would be open from 9-5 daily with little in and out traffic, Steve said.

Most people in the neighborhood spoke in favor of the annexation and zoning at the public hearing.

Please See Annex - Page 3

Drug Use Suspected In Fatal Wreck

A Harmony man died from injuries sustained in a head-on collision on Bear Creek Church Road March 17.

Zachari Daniel Cochran, 37, of Whispering Drive, was driving a 2002 Chevrolet Monte Carlo west near the Iredell County line around 3:55 p.m. when he crossed left of center and collided with a 2004 Freightliner tractor-trailer driven by Timothy David Peele, 27, of Linwood.

According to NC Highway Patrol Trooper C.D. Hall, after the vehicles collided Cochran's car went off the road to the right and he was ejected. He was not wearing a seat belt, Hall said.

The tractor-trailer went off

the road and jackknifed, but Peele was not injured. Hall estimated the speed of Cochran's car at impact to have been 60 mph, and the tractor-trailer's speed at 45 mph. The speed limit in that area is 55 mph.

Hall said there is a slight curve before where the wreck occurred but the road is straight where the vehicles collided.

"We suspect there was drug impairment involved in the accident, based on evidence collected at the scene and in Mr. Cochran's personal belongings," Hall said.

That evidence included cocaine, a pipe suspected of use for cocaine, and Xanax, a prescription medication used to treat anxiety and panic dis-

orders. Hall said when Cochran's family was told it was suspected he had been using cocaine, they "were adamant it was meth (crystal metham-

phetamine)," not cocaine, that Cochran was using.

Cochran was transported to the hospital and died on the way there or at the hospital,

Hall said.

Four troopers responded to the accident call, as well as the rescue squad and the William R. Davie fire department.

The man driving this car died after colliding head-on with a tractor trailer.

Fast-Talking Grandson Has Eyes On Wallet

I've had a lot of hucksters try to get in my wallet over the years, but there's a fast-talking 3-year-old at home this week trying to relieve me of the entire wallet — the leather, the plastic cards and folding cash.

His mother gave him one of her old billfolds, and he must sense that it's unmanly, unsuitable for a youth of his stature. My ratty old tri-fold is anything but feminine.

Grandson Sam wants to swap, and he's badgered the fool out of me. He climbs out of bed in the morning talking about my wallet. He greets me when I return home from work with a renewed pitch, and he goes to bed talking about the virtues of the trade.

It's spring break in Decatur, Ill., and in Round Hill, Va. There are six grandchildren in town this week. We've had Easter egg hunts every day. We have ridden tricycles. Set up the tent in the backyard. Cooked hotdogs and operated a circus of entertainment for the week.

At mid-week, Elizabeth and I are exhausted. But I've still got my wallet.

Sam's negotiating skills are amazing. He has pointed to the sleek lines of his billfold, noting it is larger and capable of holding more money. Trading would be an upgrade ... for me, he contends.

I have countered that his billfold is much too big for a pick pocket. It would jut out, making it easy prey for a pick pocket.

He melted into tears and fell onto the floor when I refused, employing the crying tactic.

Then he turned to religion. "God is about sharing," he said. "God wants us to share."

He's breaking me down.

Tea Drinkers

I've never fancied myself a tea drinker. Sure, I've had a few cups here and there, but I've never acquired the taste for hot tea.

Patriotic Americans have drunk coffee since that problem in the Boston Harbor.

But Martha Isenberg of Winston-Salem made tea drinking sound like the smartest thing to do when she presented "Tea 101" at the Clemmons Library on Monday.

Certain teas are good for high blood pressure, the heart, blood veins, bones and cancer fighting. Some teas calm your nerves before bed. Others jazz you up in the morning. African athletes drink rooibos teas like Gatorade, she said.

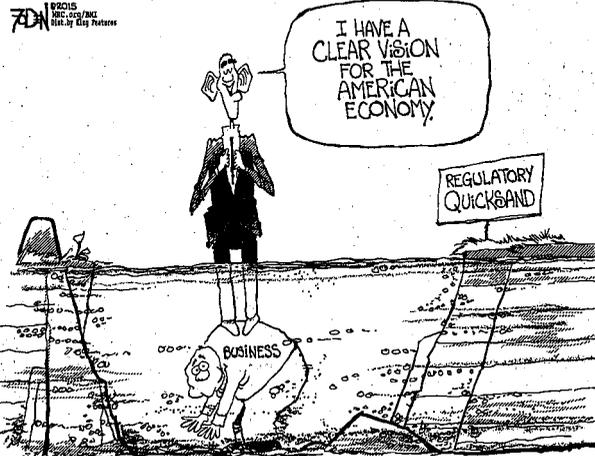

While the health benefits may not be guaranteed, tea drinkers can certainly find another benefit.

"It's a very pleasurable thing to do. It's a very social thing to do," she said.

I'll give her that. The Boston patriots were very social when they got together and raided the British ship, dumping the tea into the harbor.

I was fascinated by her tracing iced tea back to the 1904 World's Fair in St. Louis. The story goes that the hot tea booth was beside the ice booth. On a very hot day, the two merchants combined their products to produce iced tea.

Somebody perfected it by adding sugar.

In The Mail ...

Cooleemee Decision Not Progress

To the editor:

It's unthinkable to us how a group of people can go around dictating and deciding what people can and can't have on their property. According to the paper last week, the mayor of Cooleemee claiming "progress", stated "Good Law", that only took us a year. Yes, Rumley, in our opinion, you did good, for it only took you a year to enforce tyranny in Cooleemee ... all under the guise of looks and public good. It is because of people like you that our nation is in the crisis it's in.

You folks with your do-gooder committees should consider actually doing some good instead of promoting laws that restrict people of their rights. Instead of demanding laws and permits, why don't you spend your time helping your neighbors. And if it's such a sore eye to your elite thinking, why don't you offer to help erect a fence to your liking. Oh, there might be a problem, not everyone likes what you like. And if they don't like what you like, you see to it that they get fined. And if those fines won't work, what next? Let's just throw them into jail.

My goodness, this is called progress? No, people, this is called the beginning of anarchy. And just in case the definition of anarchy slips your mind, let me help you. Anarchy - Want of government; a state of society, when there is no law or supreme power, or when the laws are not efficient, and individuals do what they please with impunity; political confusion."

As any public official, it is your job to protect your community's property rights, not violate them. If, indeed as it seems, it is your approach, to limit, dictate, and enforce people in their daily lives, then perhaps you officials should consider moving to a private community, in which people agree on restricting individual rights.

It is our opinion, in every way, the Cooleemee Town Council has violated the people of that community with an unjust and unconstitutional ordinance. Property rights are the cornerstone of who we are as Americans. Please consider what a few of many of our founding fathers said about Property Rights. All quotes (and more) can be found at wallbuilders.org.

John Jay - "It is the undoubted right and unalienable privilege of a [citizen] not to be divested or interrupted in the innocent use of ... property. ... This is the Cornerstone of every free Constitution."

Charles Montesquieu - "Let us therefore lay down a certain maxim: that whenever the public good happens to be the matter in question, it is not for the advantage of the public to deprive an individual of his property - or even to retrench the least part of it by a law or a political regulation."

William Blackstone - "So great moreover is the regard of the law for private property that it will not authorize the least violation of it - no, not even for the general good of the whole community."

John Locke - "...the preservation of property [is] the reason for which men enter into society" and that "government ... can never have a power to take to themselves the whole or any part of the subject's property without their own consent, for this would be in effect to leave them no property at all."

Samuel Adams - "first, a right to life; secondly, to liberty; thirdly, to property - together with the right to support and defend them."

John Adams - "The moment the idea is admitted into society that property is not as sacred as the law of God, and that there is not a force of law and public justice to protect it, anarchy and tyranny commence" and that "Property is surely a right of mankind as really as liberty."

Adam Smith - "As soon as the land of any country

has all become private property, the landlords [e.g., the governments], like all other men, love to reap where they never sowed, and demand a rent even for its natural produce"

James Madison - "Government is instituted to protect property. ... This being the end of government, that alone is a just government which impartially secures to every man whatever is his own. ... That is not a just government, nor is property secure under it, where arbitrary restrictions [i.e., restrictive zoning requirements], exemptions, and monopolies deny to part of its citizens that free use of their [own] faculties."

Fisher Ames - "The chief duty and care of all governments is to protect the rights of property."

James Wilson - "to acquire a new security for the possession or the recovery of those rights to ... which we were previously entitled by the immediate gift or by the unerring law of our all-wise and all-beneficent Creator," including the right of property, and that "every government which has not this in view as its principal object is not a government of the legitimate kind."

Thomas Jefferson - "is to declare and enforce only our natural [inalienable, God-given] rights and duties and to take none of them from us," including the right to own, use, and enjoy one's own private property."

Common Law, directly incorporated into the U. S. Constitution by the Seventh Amendment, establishes that an "absolute right ... is that of property. ... So great moreover is the regard of the law for private property that ... in vain may it be urged that the good of the individual ought to yield to that of the community; for it would be dangerous to allow any private man, or even any public tribunal [governmental body], to be the judge of this common good and to decide whether it be expedient or no [how to use that property]"

All three branches of American government at federal and state levels preserve the ownership and personal use of private property as an inalienable, inalienable, natural right, acknowledging that government can neither encroach nor usurp such vested rights, immunities or privileges.

All interpretations and applications of zoning ordinances should be examined and applied so as to recognize and preserve the inalienable, inviolable principles of private property usage and that such individual rights may be infringed only if it is clearly proven that they directly injure or harm the same rights of another citizen.

Again, it is unthinkable to us how a group of people can sit around and discuss over a period of a year what type of fence people can and cannot have in their yard and on top of that charge them a fee to erect it.
God help America.

Letters Welcome

The Enterprise Record welcomes letters from its readers on topics of local, state, national or international issues. An effort will be made to print all letters, provided they are not libelous, vulgar or in poor taste. The editor reserves the right to edit letters for grammar and for space.

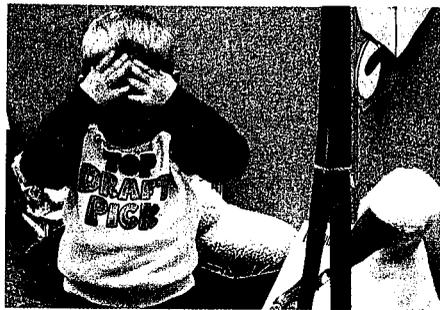

All letters should include the name and address of the writer, including a signature. A telephone number, not to be published, is also requested. Please have letters in the newspaper office no later than 4 p.m. Monday of the week to be published. Davie County Enterprise Record P.O. Box, 99, Mocksville, davie3@centurylink.net.

Busted!

Yes, there are stories being told. Yes, Mrs. Bunny is visiting with the children. But there's an egg! Peyton Wogatzke, 2, couldn't wait for the egg hunt and began collecting eggs inside the Davie County Public Library Saturday morning. Then, he got caught. But if he can't see you, maybe you can't figure out who did it.

Annex ...

Continued From Page 1

Barry Melton, president of the Concerned Citizens of North Cooleemee, asked how it would affect the neighborhood, and if any jobs would go to people in the area. "It's not going to affect the neighborhood," Steve Fleming said.

Johnny Rice was concerned about a possible cell tower. Fleming said that would not happen on the small lot. "The only thing you will see is maybe a fence and the grass gets growing."

"That site has always

been commercial," said neighbor, Bessie Wilson. "This annexation would produce needed jobs."

"These brothers - they are helping to clean up the neighborhood," said Marvin Sullivan.

Sue Correll urged the board to deny the request, saying it would set a precedent. The property will not provide much property tax revenue and only one job, she said. "I think you will hang your heads in shame if you approve this."

Charles Deese said the Flemings are trying to improve the neighborhood. "Don't stop progress. That area down there needs to change. It needs to be cleaned up."

"This would be a bigger opportunity for our community," said Kathy Clement.

KC Smith said the annexation could help with pride in the community. "It will be a ripple effect of being better. The past is in the past. We're very fortunate for them to even consider this."

Mayor Lynn Rumley said: "When somebody takes an initiative in Cooleemee, we should support prove the neighborhood. it."

Learn About Home Schooling April 9

Are you home schooling and want more interaction and fellowship for your family?

Are you interested in home schooling beyond elementary?

Join an information meeting on how to home school throughout high school within a Christian Classical Community. Classical Conversations offers Christian community and resources using the classical method of learning for students grades K-12.

At Classical Conversations, the parent drives the

curriculum at home while the student meets once a week in the community for conversations and active skill-building adventures under the guide of a trained home school mentor.

Learn more at Blaise Baptist Church, 134 Blaise Church Road, Mocksville, on April 9 from 7-8 p.m.

Charge Dismissed In Property Exchange Argument

They were married less than four years, but last week, Tim and Linda Koroll faced each other in court, after she accused him of domestic criminal trespass.

The Advance couple separated last October.

On Nov. 1, when Tim, 48, went to the home off Windsor Circle to collect his belongings, he met all the moving day restrictions Linda placed, including how many people he could have with him, who he could not have with him, and the hours he was allowed to be on the property, according to testimony.

Davie Sheriff's Cpl. Travis McDougal had been

hired off duty to oversee the move and keep things calm, he testified in front of Judge Mary Covington. There that was Linda, her son and his sister, and Tim and his brother. McDougal said Linda told him Tim was not allowed to have any weapons on the property and McDougal asked Tim to remove the knife from his person and put it away, and he complied.

There were no other issues, and McDougal said, "By about 11, the last of the property had been loaded, and my service ended."

He drove away, the movers and truck were pulling

out, and Tim and his brother were in separate vehicles and preparing to leave, he said.

Linda testified Tim arrived at the house around 8 a.m.

"He was told he could be there with one friend and not his girlfriend, or two professional movers. His brother came and I allowed him to help," she said.

Tim and his helpers removed all of his belongings, he paid McDougal and McDougal left. The movers were pulling out of the driveway, Tim was in his truck and his brother

was in his own truck, when Tim got out of his truck and

began running across the property and to the back of the house, she said.

"I yelled, 'Tim Koroll, you are trespassing. Leave my property now.' I was just standing there screaming at him. There are 10 no trespassing signs in my yard. He was charging at me. He ran to the other side of the house. He completely ignored me, ran past me and said something about a water hose," Linda testified.

Her son called 911 but by the time officers arrived at the home, Tim and his brother were gone.

Covington asked Linda, "What exact harm did you

receive when he didn't leave?" and Linda answered, "I was in fear for McDougal left," he said.

Koontz-Stockert asked him if he was aware one of the details of the agreement was that Tim was allowed to be on the property until noon that day, and he said he was not aware of that. Statements given to him by Koroll and another that day were time-stamped 11:35 and 11:45 a.m., he said.

Koontz-Stockert made a motion to dismiss the charge against Tim, and Covington allowed the dismissal.

"He never left the property. He was allowed to be on the property and he never left," Covington said.

advised Tim had gone back onto the property after Cpl. McDougal left," he said.

She read aloud that he was running across her property. Deputy Drew Renegar had checked in at the house a few times during the morning, at McDougal's request, and he was the officer who was sent after Linda's son called 911.

"I spoke with Mrs. Koroll and others, and they

Raleigh Report

Taxes, Tax Credits Debated Among Legislature

By Julia C. Howard
NC House of Representatives

The Senate unveiled a new sales tax distribution proposal, which would shift sales tax revenues away from municipalities like Raleigh, Charlotte, and Durham and towards rural populations and counties. The House passed a bill that would reinstate the Historic Preservation Tax Credit. Finally, both chambers revealed their compromise plan on future gas and diesel taxes, which is set for a vote.

The tax credit for expenses related to rehabilitating historic properties expired on Jan. 1, after the House and Senate allowed it to expire as part of the larger tax reform that the House and Senate began in 2013. The bill was used to revitalize downtown

properties, such as main street building facades, and develop larger historic properties into income-generating commercial districts, like the tobacco campus in Durham. However, the credit was criticized for its use by private homeowners for simple home renovations and its concentration in wealthy, tier three counties.

The new proposal reinstates the tax credit as the Historic Rehabilitation Tax Credit. Finally, both chambers revealed their compromise plan on future gas and diesel taxes, which is set for a vote.

The tax credit for expenses related to rehabilitating historic properties expired on Jan. 1, after the House and Senate allowed it to expire as part of the larger tax reform that the House and Senate began in 2013. The bill was used to revitalize downtown

properties, such as main street building facades, and develop larger historic properties into income-generating commercial districts, like the tobacco campus in Durham. However, the credit was criticized for its use by private homeowners for simple home renovations and its concentration in wealthy, tier three counties.

included in this extension. Projects are no longer able to apply for that credit and all eligible projects will no longer receive the credit for expenditures after Jan. 1, 2023.

This bill passed the House on Thursday and has been received by the Senate.

Over the interim, the Revenue Laws Study Committee, which I chaired, was ordered to study the collection of taxes by rental intermediary companies such as Air B&B. These companies allow homeowners to rent rooms in their house for a short period of time through their system. Air B&B is part of what economists have named "the sharing economy," which empowers non-commercial entities to collect fees for simple services. Another example of a sharing economy

and are used exclusively for county and municipality tourism-related expenses. This tax is already collected by commercial entities like hotels and bed and breakfasts, and would apply to homeowners as well. Sales taxes apply to middle-men services provided through companies like Hotels.com, which serve an equivalent function with Air B&B.

This bill doesn't impose or increase any tax or fee, it simply clarifies that these new companies are liable to collect taxes that already apply to their industry. It ensures that the short-term rental market is fair and free from harmful and unequal taxation.

It is important to encourage innovation and allow new businesses to thrive. Uber drivers and Air B&B renters are able to supplement their income and provide for their families through these new systems. Still, taxes should be collected when lawfully applicable. This week I filed HB 379 which would clarify that Occupancy and Sales taxes should apply to Air B&B. Occupancy taxes apply to short-term rentals

District Court

The following cases were disposed of during Davie District Court March 19. Presiding: Judge Mary F. Covington. Prosecuting: Karen Biernacki and Wendy J. Terry, assistant DA.

Zachary Steven Adams, DWI, sentenced to 12 months, 48 hours community service, surrender license, not operate vehicle until licensed, obtain substance abuse assessment/treatment, \$200, cost, \$100 DWI fee, \$225 attorney fee; speeding 60 in a 45, dismissed per plea.

Lamont D. Bethea, speeding 93 in a 70, prayer for judgment continued, cost; reckless driving to endanger.

Shelby B. Bradford, hit/run failure to stop after causing property damage, reduced to unsafe movement, prayer for judgment continued, cost.

Katrina D. Burroughs, no license, failure to maintain lane control, dismissed per plea; DWI, sentenced to 90 days, suspended 12 months, 48 hours community service, surrender license, not operate vehicle until licensed, obtain substance abuse assessment/treatment, \$200, cost, \$100 DWI fee, \$280 attorney fee.

Xavian Gerrod Byers, driving while license revoked not DWI, reduced to failure to notify DMV of address change, cost.

Jeffrey L. Campbell, speeding 61 in a 45, reduced to improper equipment, \$100, cost, \$50 improper equipment fee.

Antonio Yuwan Clement, simple assault, deferred prosecution, 12 months supervised probation, 24 hours community service, obtain mental health assessment/treatment, attend school every day and maintain passing grades, \$170 attorney fee, if in compliance charges may be dismissed in 12 months.

Joseph Brady Cook, assault by pointing a gun, dismissed, mediated.

Eve Danielle Crook, failure to maintain lane control, cost.

Zachary Lewis Durham, possession of marijuana up

to one-half ounce, possession of drug paraphernalia, deferred prosecution, 12 months supervised probation, 24 hours community service, obtain substance abuse assessment/treatment, remain of good behavior, not violate laws, cost, \$225 attorney fee, if in compliance charges may be dismissed in 12 months.

Kellie Lynn Etzenga, failure to return rental property, \$750 restitution to victim, cost.

Michael G. Enevold, speeding 57 in a 45, dismissed per plea; driving while license revoked DWI revocation, sentenced to 45 days, suspended 21 months, not operate vehicle until licensed, remain in treatment facility until released, \$225 attorney fee.

Erica Jo Fleming, speeding 64 in a 45, prayer for judgment continued, cost.

Tony Foster, speeding 60 in a 45, reduced to improper equipment, \$100, cost, \$50 improper equipment fee.

Lisa Layton Futral, canceled/revoked/suspended certificate/tag, driving while license revoked DWI revocation, dismissed, defendant is serving lengthy prison sentence.

Andrew A. Gonzalez, possession of drug paraphernalia, dismissed, insufficient evidence.

Wade Emery Gough, assault on a female, dismissed, mediated.

Jeffrey Daran Hayes, assault on a female, dismissed, mediated.

Yulaisy Herrera, communicating threats, dismissed at request of prosecuting witness.

Joshua Paul Hicks, possession of drug paraphernalia, simple possession schedule VI controlled substance, prayer for judgment continued, evidence ordered destroyed.

Jacob Dean Hinton, speeding 91 in a 65, reduced to 74 in a 65, \$100, cost, expired registration, dismissed per plea.

Shaunte O'Brian Holmes, DWI, sentenced to 90 days, suspended 12 months, credit for 48 hours

in custody, surrender license, not operate vehicle until licensed, obtain substance abuse assessment/treatment, \$200, cost, \$100 DWI fee, \$390 attorney fee; driving while license revoked, dismissed per plea.

Dewey Vann Hudson, speeding 89 in a 70, reduced to 79 in a 70, cost.

Delance M. Jackson, unsafe movement, dismissed, civil settlement.

James Nathan Johnson, felony cruelty to animals, reduced to misdemeanor animal cruelty, sentenced to 45 days, suspended 18 months, 48 hours community service, obtain substance abuse assessment/treatment, have no contact with prosecuting witness or his girlfriend.

Kenneth Alan Johnson, shoplifting concealment of goods, sentenced to 15 days, suspended 12 months, do not go to Wal Mart for one year, \$25, restitution to Wal Mart, cost, \$170 attorney fee.

Corey Duncan Lea, speeding 93 in a 70, reduced to careless and reckless driving, \$100, cost.

Ryan Tyler Livengood, probation violation, probation revoked, sentenced to 45 days, credit for 79 days; cost; probation violation, probation revoked, sentenced to 45 days, credit for 66 days.

Lary Wayne Lucas, speeding 87 in a 55, no motorcycle endorsement, dismissed per plea; reckless driving to endanger, \$1,000, cost.

Cesar Martinez Lugo, no license, reduced to failure to notify DMV of address change, cost.

Carl Antwan Miller, driving while license revoked not DWI, reduced to failure to notify DMV of address change, not operate vehicle until licensed, cost.

Steven Allan Parker, hit/run failure to stop after causing property damage, improper backing, dismissed, civil settlement.

Timothy W. Poindexter, speeding 86 in a 70, dismissed per plea; driving while license revoked DWI revocation, sentenced to 36 hours active, not operate vehicle until licensed, \$197.50

attorney fee.

David Raldon Purkey, misdemeanor larceny, sentenced to 60 days, suspended 18 months, have no contact with victim, CBI classes, \$100 restitution to victim, cost, \$225 attorney fee; injury to personal property, sentenced to 60 days at expiration of previous sentence, suspended 18 months, write letter of apology to victim, not commit similar offenses. Appealed.

Reid Joshua Raisig, DWI, sentenced to 60 days, suspended 12 months, credit for 24 hours in custody, probation violation, not operate vehicle until licensed, obtain substance abuse assessment/treatment, \$200, cost, \$100 DWI fee, \$200 install fee, if in compliance charges may be dismissed in 12 months.

Louise A. Sherrill, giving false report to police station, sentenced to 10 days, suspended 12 months, not commit similar offenses, cost, \$225 attorney fee.

Keenan Lee Shoffer, failure to stop at stop sign/flashing red light, prayer for judgment continued, cost.

David Allen Simpson, speeding 86 in a 55, reduced to 64 in a 55, \$25, cost; reckless driving to endanger, dismissed per plea.

Heather Lauren Smith, simple assault, dismissed, prosecuting witness under subpoena failed to prosecute.

Kristina Marie Smith, DWI, sentenced to 60 days, suspended 12 months, credit for 28 days inpatient treatment, surrender license, not operate vehicle until licensed, credit for substance abuse assessment/treatment, \$100, cost, \$100 DWI fee; reckless driving to endanger, \$45, dismissed per plea.

TOWN OF MOCKSVILLE

News Update April - June, 2015

Special Events and Information of Interest for Mocksville Citizens

Can we help you?

The town hall staff continuously strives to provide better services to our customers...

Are you aware your water bills may be drafted? This procedure is very simple. All you have to do is stop by town hall, complete a form and provide us with a voided check. You will continue to receive a bi-monthly bill. This bill will inform you of the amount that will be drafted and the date it will be drafted.

Payments must reach the town hall by the 20th of the month or a penalty will be added. If you use the addressed envelope provided, please allow 5 to 7 business days for the payment to be processed.

A drop box is located beside the front door where payments may be dropped off 24/7. As always, we will be glad to accept your payment at the town hall.

COLOR DOWNTOWN 2015

Saturday, May 2, 2015 • 9:00 a.m.
 Historic Downtown Mocksville, NC • South Main Street
 Share the Happiness! • Share the Fun!
 Share the spirit of "Color Downtown!"

Over 150 color fun run participants in an event the whole family will enjoy. Dance and walk with your kids, hop, skip, run or walk your way through downtown Mocksville and be transformed into a colorful work of art with each color station you pass. It's all about having a good time and creating lasting memories with family and friends. The spirit of "Color Downtown" will emerge brighter and bolder on the town square as we release bags of colored powder in epic proportions to create the grand finale!

Manager's Corner

Welcome Spring! The town is blooming with new construction and activity in several locations. Main Street continues to have improvements and on the north side of town, we welcome Gilman Yarns, Waffle House and additional new retail space. The landscape planing agreement with NCDOT has begun and approximately 152 new trees have been planted. Be sure to check the calendar and website for events and other news.

We need your help to educate and remind citizens of their civic responsibility to protect the environment. Littering is a costly problem. We need everyone to help keep our town litter free. Littering is against the law. Help local residents, retailers, business owners and downtown residents keep their sidewalks and outdoor space free from litter, including cigarette butts. Cigarette butts contain artificial fibers that are not biodegradable and harbor toxic chemicals. Every cigarette butt thrown on the ground is considered littering, and stays there until someone picks it up! Cigarette butts and waste receptacles are placed throughout the downtown and other areas, so please remember to use the receptacles and encourage others to do the same. The Swat-A-Litterbug Program is an educational effort administered by the North Carolina Department of Transportation Office of Beautification Programs. Littering on any streets or roadways in North Carolina is not an acceptable behavior - never has been! Drivers may be fined up to \$1,000 for the first offense and up to \$2,000 for the second offense and may also result in a penalties added to your driver's license.

In order to communicate to motorists who litter (throughout), we are asking every citizen to assist us in our educational effort to ensure a cleaner and safer North Carolina roadway system. You may report a litterbug to the Office of Beautification Programs through the Swat-A-Litterbug process by calling 1-877-DOT-4YOU (1-877-368-4968) or emailing http://www.ncdot.gov/doh/operations/dp_chief_eng/roadside/beautification/litterbug.html or fb@dotbch1483100410.com

You will need to report license plate number, date, time, location and type of litter.

Upon receipt of the litterbug information, a notification signed by the Colonel of the North Carolina State Highway Patrol, informing the owner of the offense and the penalties will be sent.

The Swat-A-Litterbug Program provides every citizen an opportunity to be an active participant in ensuring the roadways of North Carolina are kept clean, beautiful, and safe.

Please Do Not Attach Objects to Utility Poles, this is prohibited. Although signs advertising yard sales, work-at-home promotions, sale items, and political ads frequently are attached to utility poles, this is strictly prohibited. Sharp objects such as nails, tacks, and staples can puncture rubber gloves and other safety equipment, making line crew workers vulnerable to electrocution.

Spring trends to produce yard sales more frequently. Remember, any temporary signs placed in any location must be removed immediately once the event has ended.

Thank you for all you do to help keep our town beautiful, clean and safe.
 Best Regards,
 Christine W. Bradley
 Town Manager - Mocksville
 "Time Well Spent"

Man Gets 100 Days In Jail

A Mocksville man who was accused of assaulting his grandfather and failing to tell his probation officer his new address will spend the next 100 days in jail.

Joshua Andrew Cleary, 25, has been charged twice with assaulting his grandfather, with whom he lived on Hobson Drive. The first charge was on May 1, 2014, and part of his sentence included probation. One of the requirements of his probation was to get pre-authorized from his probation officer, Brad Anderson, if he changed residences.

On Jan. 20, Cleary was again charged with assaulting his grandfather. His attorney, Lori Hamilton, told Judge Mary Covington Cleary was "forced to leave" his grandfather's home immediately after being charged.

Anderson told Covington Cleary was over \$600 in arrears on the monetary requirement of his probation, and because part of his first sentence was that he not assault, threaten or harass his grandfather, and he was charged with that a second time, that was also a violation of his probation.

Covington said, "What I have is a gap in time where the probation officer didn't know his client's whereabouts, and that's the same as absconding."

She found Cleary in violation, and activated his 150-day sentence, giving him credit for the 50 days he had been in jail awaiting his court date.

After a brief consultation with his attorney, Cleary pleaded no contest to the second assault charge, and Covington sentenced him to 60 days, to run concurrent with his previous sentence. Attorney and jail fees are his judicialgments.

Apply For Conversation Workshop

The Davie Soil and Water Conservation District will sponsor a student from Davie County to attend the Resource Conservation Workshop June 21-26 at N.C. State University.

The workshop is a week-long intensive study and hands-on conservation workshop teaching students about natural resources and their management in today's environment. Students are housed in campus dormitories under the guidance of live-in counselors.

Students who are eligible include rising sophomores, juniors and seniors, including home-schooled students. High school graduates are not eligible.

Students may participate one time in this workshop. The intent is to seek students who have not made up their minds about attending college. The Davie Soil and Water Conservation District will pay for the registration, as well as provide directly the student enough money for meals. The district may also be able to assist in the transportation.

The student will be expected to report to the district board before and after the workshop.

To apply stop by the office at 180 S. Main St. (beside the courthouse) in Mocksville or call 751-5011.

Violets Against Teen Violence - Public Awareness - Public Art

In honor of Teen Dating Violence Awareness, the Visual Arts Department is excited to announce a "never before" art installation. Working alongside the Town of Mocksville, we will have 1,000 ceramic violets on display in the town square April 16th.

This has been a labor of love for everyone involved in creating these beautiful and meaningful art pieces, and we thank you in advance for your support. Violets are \$10 each and proceeds will go to Davie Domestic Violence Services and to the DHS Visual Arts Department.

Violets will be available for pickup at Davie High School beginning Monday, May 4th. For more information contact: Jessica Allen, DHS Art Teacher by email: allen@davie.k12.nc.us

Spring Cleanup Day

The annual Spring Cleanup Day for the Town of Mocksville residents is Saturday, May 16, 2015, 7am-12 noon.

Items accepted include: furniture, appliances, old lumber, metal, tires off the rim, etc. WE CANNOT ACCEPT PAINT, PESTICIDES AND OTHER LIQUIDS.

Inkjet and laser printer cartridges and cell phones will be accepted and taken to the Davie County Cooperative Extension Services for recycling.

Cell phones will also be accepted and taken to Davie Domestic Violence Services.

As spring continues to bud and bloom, residents should keep shrubs and trees neatly trimmed from intersections and sidewalks to make driving and walking safer for everyone. Remember the yard waste site at Rich Park is open the 1st and 3rd Saturday of the month from until noon.

Davie County Cooperative Extension Horticulture Upcoming Events

April 21 - Master Gardener Spring Garden Series Program, "Community Gardening - Trending in Davie County". Free program but pre-registration required; email karen_robertson@ncsu.edu by April 17th.

April 25 - Electronics Collection at the Davie County Landfill, 360 Dalton Road, Mocksville, 730AM-Noon. For a complete list of accepted items, please call the Extension Center at 336-753-6100 or Davie Public Utilities at 336-753-6691.

April 29 - Broccoli Variety Workshop, Piedmont Research Station, 8530 Sherrills Ford Rd, Salisbury, NC 28147. Come see and taste different broccoli varieties adapted to our growing area. Free program. Time to be announced. For more information, call Pam Jones at 336-753-6100.

May 1 - Davie County Master Gardener Annual Spring Plant Sale, 6:00AM-1:00PM, parking lot of 222 S. Main Street, next to the Davie County Cooperative Extension Center. Reasonably priced annuals, perennials, shrubs and trees and expert advice on their care. Also other gardening-related items and Atlas gardening gloves for sale.

May 5 - Davie County Pesticide Collection Day, 10:00AM-2:00PM, Masonic Picnic Grounds, Mocksville. Pesticide containers, empty or partially filled, with or without labels will be accepted for safe disposal. Save labels if at all possible though. No paint cans. No charges.

May 19 - Master Gardener Spring Garden Series Program, "Community Gardening - Trending in Davie County". 6:30PM-8:00PM. Bring a lawn chair and join us for a presentation on Community Gardens, the hottest trend in towns and cities. After the presentation, tour the Clement St. Deep Woods Mocksville Community Garden with Deep Roots volunteers. In May there should be lots to see in the garden. You can ask questions about your existing or planned home vegetable garden.

June 22-26 - Junior Master Gardener Day Camp, 8:00AM-3:00PM, Targeted for 3rd-5th graders, youth will experience the importance of the plants and natural resources in our daily lives. Field trips and hands-on activities turn this important subject into fun-filled days of learning.

FOR MORE INFO ON THESE PROGRAMS CONTACT: Pam Faulkner Jones, Horticulture Extension Agent, Davie County Extension Center, 180 S. Main St., Suite 210 Mocksville, NC 27028 Phone: 336-753-6100 Email: pam_jones@ncsu.edu

FOG Alert

FATS, OILS AND GREASE ACCUMULATIONS CAN BLOCK YOUR PRIVATE PLUMBING SYSTEM AS WELL AS PUBLIC SEWERS. Both residential and business customers can help prevent wastewater overflows by minimizing the amount of FOG disposed of through plumbing drains. Inside a sewer, fats, oils and grease change to a plaster-like consistency and can block the pipes, causing an overflow of untreated wastewater.

At home, you can dispose of normal cooking oil and grease by putting it in a container as part of your solid waste rather than through your sink and plumbing drain. Wiping and scraping pots, pans and other utensils before washing them are important steps in proper grease disposal.

If your business generates waste grease, fats, or oil, you should have a grease interception system that works effectively. A company that recycles fats, oils and grease should regularly clean out the grease trap.

Street Light Outages

Struggling Bats Doom Varsity War Eagles

By Brian Pitts
Davie Enterprise Record

With Davie's baseball team facing highly-ranked Reynolds twice last week, the War Eagles got the pitching they wanted and for the most part they got the defense they needed.

They just didn't get the hitting. Twice they made the favorite sweat. But twice they came away empty-handed, losing 2-0 at Reynolds and 1-0 at home to the Demons.

The running score through seven games is 15 runs for Davie and 15 runs for opponents. Davie (3-4,

1-4 Central Piedmont Conference) is averaging 2.1 runs on an average of 4.1 hits.

"Whenever the door opens, there's going to be a flood," coach Bobby Byerly said. "We're that close, that close, to being 7-0. We're that close to being really, really good. We're doing two of the three things that it takes to being a good team. We've just got to start hitting the ball. How many times have you heard of a team going 0-2 against the No. 5 team in the state after giving up three runs and one earned?"

At Reynolds, Davie starter Isaac Campbell held up his end of the

bargain by allowing two runs (one earned) on five hits in five innings. Nathan Harrell struck out two in a scoreless inning of relief.

Reynolds' first run came in the fourth when cleanup man Lance Orr homered. Reynolds' fifth-inning run was unearned as the leadoff man singled with one out, stole second and scored on a two-out error. The miscue was Davie's first in four games.

"Campbell threw a whale of a game," Byerly said after Campbell and Harrell combined on a six-hitter. "He got a pitch up to the Orr kid."

Davie's one error was one more

than Reynolds had behind senior pitcher Logan Welch, who is headed to North Carolina. Welch showed why he's bound for Chapel Hill, holding Davie to three hits, striking out nine and running his record to 4-0.

"There's a reason he's going to Carolina to play," Byerly said. "When he drops down (sidearm), it's nasty. We swung at two or three pitches that were in the left-handed batter's box when we made an attempt to hit it. He's just hard-nosed and tough. He made adjustments to us when we didn't make adjustments to him. That was the difference."

Davie's hits came from Mitchell McGee (1 for 2), Brandon Lankford (1-3) and Paul Davenport (1-3). "We just can not string anything together," he said.

Davie pitcher Colby Cranfill stood eyeball to eyeball with Reynolds' Ben Cassteveas. Cranfill gave up five hits and one unearned run, and Cassteveas allowed four hits in a pair of complete games.

Cranfill's mammoth effort was wasted in a 1-0 decision, Davie's third shutout loss in four games. Reynolds remained in first

Wheels Fall Off Against Unbeaten W. Forsyth

By Brian Pitts
Davie Enterprise Record

In a showdown against visiting West Forsyth, we got a glimpse of the Davie softball team's potential as it took a 1-0 lead into the top of the fourth inning against an unbeaten opponent.

A glimpse was it, however. The War Eagles crumbled in the fourth, allowing seven runs, and lost 8-3. It was 0-0 after two innings. Davie grabbed the lead in the bottom of the third. At that point, the contest had the tense feel of a playoff game. But West scored seven fourth-inning runs on six hits, three walks and an error and it was suddenly all but over.

"The wheels fell off and fell off hard," coach Dawn Lowery said. "We made a couple critical errors at bad times. I feel like a broken record, but we can't beat teams that call their making errors like that and getting out-hit that bad. Plain and simple, they were better than us on March 23. It doesn't mean that's going to be the case come April 17. We will learn from our mistakes and move on."

West improved to 8-0 overall and 3-0 in the CPC. Davie fell to 4-2, 1-2.

Sophomore pitcher Olivia Boger blanked West in the first, second and third, and leadoff batter Anna Devereaux sparked a third-inning rally with a single. After McKenzie Barneyeast advanced her with a bunt, Devereaux scored on a two-out hit by McKenzie Smith.

"I was pleased with the intensity and fire we came out with," Lowery said. "We didn't back down the entire game. Boger was bringing it the first few innings. She struck out some of their best hitters (including one headed to Appalachian State

"I've got to be giving me everything they've got."

JV Softball Loses In 7th Inning

By Brian Pitts
Davie Enterprise Record

Davie's junior varsity softball team had the West Forsyth Titans where it wanted them in the seventh inning. Davie was ahead 1-0 and was three outs from a big win.

But the ending was like oral surgery without anesthesia. Visiting West scored two runs in the seventh to hand Davie a heartbreaking 2-1 defeat.

Both teams had 10 hits. Both teams had two errors. But Davie slipped to 4-2 overall and 1-2 in the Central Piedmont Conference. It scored two runs in losses to North Davidson and W. Forsyth. It has outscored the other four opponents

42-13. "We played a good game," coach Morgan Wyatt said. "They strung their hits together. We always say hits are contagious, and we've got to learn to string them together. They had their hits at opportune times. Even though we hit the ball, we had one here and there."

No. 5 batter Sydney Hendren went 3 for 3 with a double and two steals. Cleanup batter Sierra Ferguson was 2 for 3. Davie got one hit from Emilee Dishman, McKenzie Burchette, Bailey Walsh, Aubree Privat and Samantha Allred.

In the bottom of the second, Hendren doubled and scored on Burchette's single.

River Simpson pitched a fine game before swallowing a bitter pill in the end. She escaped a bases-loaded, one-out jam in the second by coaxing an infield pop out and a strikeout looking. She retired nine of 10 before working out of a two-on, two-out situation in the sixth. A ground out to third preserved the 1-0 lead.

"Her drop ball and knuckle balls were really effective," Wyatt said. "I was calling her knuckle ball all game and they weren't hitting it."

West's winning rally began improbably, with back-to-back singles from the Nos. 8-9 batters. The leadoff batter was next, but she had struck out twice on Simpson's knuckle balls. The Titan solved the

knuckle just in time to deny the War Eagles, hitting a two-run triple. "She hadn't hit it all day," Wyatt said. "She struck out on it twice, but she hit it. They made adjustments at the plate."

In the last of the seventh, Davie failed to score despite getting three hits. Privat, Allred and Dishman had singles in succession as Davie came tantalizingly close to mounting a game-tying or game-winning charge.

"Later in the season it's going to be different," Wyatt said. "We'll have people back who have been out due to injuries. Right now we're playing with nine, and the nine I've got to be giving me everything they've got."

Keaton, Whisenhunt Combine For 3 HRs

Grayson Keaton and Carson Whisenhunt combined for nine hits and three home runs to power North Davie's baseball team to a pair of victories last week.

Whisenhunt (2 for 3), Aaron Williams (2-4, two RBIs) and Keaton (2-4) led the offense as North downed visiting High Point Wesleyan 7-2.

The Wildcats had 11 hits in all, including a first-inning single from Whisenhunt that put North on the board first. In a three-run fourth that pushed North's lead to 5-1, Justin Chaffin and Hunter Bowles sandwiched RBI doubles around a run-scoring single from Jacob Campbell.

"The heart of our order (Keaton, Whisenhunt and Williams) continued to murder the ball," coach Jeremy Brooks said. "Guys have really started to embrace their roles and we are getting contributions

across the roster." Both pitchers were solid in a combined six-hitter. Anthony Azar struck out seven and allowed one earned run in 3.2 innings, while Keaton gave up one run and fanned five in 3.1. The defensive support was there as well as North committed one error to Wesleyan's three.

"Azar was pretty filthy early and that got us off to a good start defensively," Brooks said. "Defensively, I've been very pleased as we have been pretty solid fundamentally."

North's next game was a barnburner that won't soon be forgotten. The Wildcats shook off a 6-2 hole, erased a 14-12 deficit in the seventh and pulled out a 19-14 decision at East Wilkes.

The third straight win lifted North's record to 5-1. "Crazy, crazy game," Brooks said. "It had everything - momen-

turn-changing home runs and six lead changes." Keaton and Whisenhunt had never homered in a middle-school game before combining for three big flies, including two by Keaton (3-5, three RBIs). Joe Johnson, a big stick who missed the Wesleyan game, also went 3 for 5 with three RBIs. Whisenhunt went 2 for 5 with three RBIs. Logan Ballou-Tomel reached base four times as North registered 19-plus runs for the third time and raised its average to 13.8.

The teams combined for 36 hits in a game that took nearly three hours. There were five homers in all, including first- and sixth-inning shots by E. Wilkes. Brooks summoned four pitchers. Two of them were effective, with John Davenport tossing two scoreless innings and Bowles, the winner, closing with three strike-

outs in 1.1 scoreless innings. "Davenport really came in and settled us down on the hill," Brooks said. "He put up zeroes in the fourth and fifth and let us claw back a bit."

In the seventh, the Wildcats put up seven runs to turn the 14-12 deficit into a 19-14 lead. After leaving the yard in the third, Keaton launched a two-run homer to tie the game at 14. With Johnson aboard, Whisenhunt went deep to triple North to a 16-14 lead. For good measure, Chaffin capped the rally with a two-run single.

"This team won't quit," he said. "I don't think any lead is too big for this team to overcome."

Ellis enjoyed his second breeze in as many games, beating visiting North Wilkes 15-0 in four innings. Clay Summers and Hite Merrifield had three hits each and Michael Shelton added two as Ellis out-

scored its first two opponents 31-3. One of Summers' hits was a tone-setting, three-run homer to right-center in the first inning. "I went over the pine trees and toward the creek," coach Mike Dinkins said.

Merrifield roped a two-run double off the fence. Tommy Aguilar, Garrett Chandler and Will Cheek had one hit apiece, including a triple by Cheek.

Shelton pitched four stress-free innings, allowing one hit and striking out four. He also turned a double play when N. Wilkes popped up a bunt.

"Considering he's never really pitched before, he pitched a great game," Dinkins said.

South Davie (0-3) ran into a buzzsaw, losing 20-2 to visiting Central Wilkes.

Cockerham Hits Long Home Run For South

In middle school softball action last week, South Davie and North Davie remained unbeaten and Ellis broke into the win column.

When South blasted visiting Central Wilkes 16-1 in four innings, the headliner was Madysyn Cockerham, a seventh grader who swatted a home run that had every-one shaking their heads in disbelief.

The Tigers took control by scoring three runs in the bottom of the first. They accelerated during a six-run second that bumped the margin to 9-1. The highlight of the game was a four-hit, five-run third was Cockerham's two-run homer.

"It was straightaway center field against a slight wind," coach Tim Kenney said. "I'm going to tell you how hard that thing was hit: I got a call from NORAD saying they found an unidentified flying object over Mocksville and they wanted to find out what it was. She turned her hips into it and it jumped off the bat like a scared cat. She was grinning ear to ear when she crossed home plate and the whole team went out to greet her. It was just an absolute blast and certainly something she's going to remember for a long, long time."

In the fourth, South tracked on two more runs to end the game early via the mercy rule. Sydney Wyatt rapped two doubles and knocked in four runs as South piled up 14 hits. The Tigers outscored their first two victims of the season 34-4.

"It was fun," Kenney said. "The girls are playing really well."

After getting touched for a run on two hits in the first, pitcher Rachel Bostic kicked into gear to throw hitless ball over the final three innings. She retired 11 of the final 12 batters, including five on strikes. At one point, she induced seven straight swinging strikes.

"She absolutely dominated," Kenney said. "After (the first inning), you could tell none of those hitters wanted any part of Rachel Bostic. She's going to have a bright future in softball."

When head coach Gloria Chalmers learned right before the season she would have to sit out the season with an illness, Kenney was put in a difficult spot. He's a veteran coach in basketball, but he's very inexperienced in the game of softball. So Kenney is leaning on Mike Wyatt and Kaitlyn Hall, who stepped up and assumed important coaching roles.

"Mike has been a god-send," Kenney said. "They

are doing a phenomenal job. They're a big reason why we're being successful right now. With their knowledge of softball, they're helping me learn the game. I'm relying on their expertise. They've been really fun to work with."

Emme Chamberlain led the offense and Avery Parrish continued her string of complete games in the circle as North Davie bagged a pair of victories.

The Wildcats didn't finish when visiting Ellis scored three times in the top of the first. They scored in all four innings, including 10 in the second, to punish the Jaguars 19-4.

North did all that damage on four hits. The reason it didn't need much hitting: It drew 16 walks and absorbed seven hit by pitches. Chamberlain had two hits and Aisulu Ball and Parrish had one each.

Parrish struck out eight batters as North outscored its first two opponents 31-6. A game at East Wilkes was North's toughest test during a 3-0 start, but the Wildcats still had little trouble in a 1-1 decision.

Chamberlain, Abbey Custer, Parrish and Kayli Murphy had one hit each as North overcame a 1-0, Sydney Smith went the

distance in the circle, blanking the visitors over the final five innings.

"She has been struggling with consistency, but we made some changes at practice and it seemed to really help."

North's infield played error-free defense behind Parrish, who walked none and struck out six while scattering seven hits.

Catcher Murphy was involved in two noteworthy defensive plays.

"Our defense played excellent," coach Jamie Lyerly said. "Murphy tagged a runner out at home attempting to steal. (Outfielder) Abbey White relayed the ball to (shortstop) Desiree Lewis, who threw a runner out at the plate. We made some great plays."

After getting beat by 15 runs each of the first two games, the home opener was the tonic for Ellis. Emma Patterson, Brooke Smith and Mollie Runge combined for 10 hits in 11 at-bats as the Jaguars pounded North Wilkes 11-4.

After watching N. Wilkes jump ahead 4-1, the Jaguars scored the final 10 runs to win going away. Patterson went 4 for 4. Smith went 3 for 3 with a double. And Runge went 3 for 4 with an inside-the-park home run.

Sydney Smith went the

Briefs & Dates

Want To Nominate Someone For Hall?
Davie High's athletic department and Brian Pitts are accepting applications for the 2015 hall-of-fame class. If you need an application or additional information, contact Pitts at 336-909-0474.

Important Dates For Mocksville Legion
Important dates for the 2015 Mocksville American Legion baseball season:

April 19: Registration/player and parent meeting at Rich Park's Mando Field at 5 p.m. Bring a certified birth certificate.

May 9: First practice at 2 p.m. (only players who have completed high-school seasons).

Extra Mile 5K To Honor Beiter On April 18
The fourth-annual Extra Mile 5K in honor of coach Daric Beiter will be held April 18 at Mocksville Elementary School/Rich Park in Mocksville.

The purpose of this event is to raise funds toward a scholarship for Davie High track and cross country athletes and to honor the memory and legacy of Beiter, who was a track and cross country coach at Davie. Beiter encouraged everyone to go the "extra mile" in all of life's endeavors. The race and walk will begin at 9:00 a.m., followed by age group awards. 5K Runners will start first, followed by walkers. All types (competitive, intermediate, beginners) of participants are encouraged to sign up. Awards will be given to the top 3 finishers for both male and female 5K finishers in the following age groups: 6-under, 7-10, 11-14, 15-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69 and 70-plus. Top three overall winners for male and female will receive a special prize from our platinum sponsor, Omega Sports. Prizes are \$25 for adults and \$15 for students (K-12). Students' registration is paper only and must be sent by mail or dropped off in the main office at Davie High. Deadline to register in order to guarantee a T-shirt is April 2. All registration prices (including student rate) will go up \$5 after April 2. Online registration ends April 15. For more information, visit www.extramile5k.com or contact Coach David Koontz at Davie High.

Hardison Men's Golf Tournament May 30
The Hardison United Methodist Men's first-annual golf tournament will be May 30 at Bermuda Run West, with tee times at 9 a.m. and 2 p.m.

Type: players choice/string. Cost: \$60 per player or \$240 for four-person team. Grouping: ages up to 40 - blue tees; 41-55 - white tees; 56-79 - yellow tees; 71 and up - red tees; women - red tees. Prizes for longest drive and closest to the pin for all groups. Door prizes for all. Lunch included. To register, call Jerry Callahan at 336-909-0474 or 336-492-7380.

College Athletes From Davie
• Advance's Jacob Walker, a junior third baseman for Gardner-Webb, homered on back-to-back days against Wingate.

He came off the bench for a pinch-hit, two-run homer in a 10-6 win. The next day, he clubbed a two-run shot in a 17-7 loss.

• Mekayla Boswell, a 2012 Davie grad who runs track for Lees-McRae, finished fourth in the high jump (1.55 meters) in the Lenoir-Rhyne Invitational.

S. Davie Track Winners
Alexis Riddle won two events - the 800 meters and the mile - for South Davie's girls track team in a meet against Asheboro and Ellis. Aayana Smith won the 200-meter dash. Joseph Gladson of South's boys picked up three wins (100 dash, 200 dash, high jump). Jose Garcia was first in the 400-meter run.

Scouts Seek Help For Banners For SD Championships

Were you apart of a sports team at South Davie from 1980 to present? If so, your help is needed. Girl Scout Troop #41166 is working on its Silver Award project by gathering data on teams' championships since South opened in order to place banners in the school gym.

Yearbooks, coaches and fans have helped identify some championships but many others are likely missing. "We, as a troop, are very excited to be able to assist South Davie by designing and placing these banners for the school," troop leader Monique Foster said. "South is the only middle school that currently does not have championship banners."

If you were apart of or know of a team that went undefeated and/or won a conference championship that is not listed below, contact Foster by email at southdaviechamps@gmail.com or 336-909-1674 as soon as possible.

Tennis Team Shows Steady Improvement

In Central Piedmont Conference play last week, the Davie tennis team showed significant improvement in defeat and in victory.

Davie lost 6-3 at home to Reagan, but coach Shane Nixon came away encouraged because the first meeting was 8-1 in favor of the Raiders.

No. 1 seed Elijah Gregory had the only win in singles. Holden Pool/Jack Robinson and Jack Ratledge/Justin Hendrix were victorious at Nos. 2-3 doubles, respectively.

While Davie dropped to 2-5 in the CPC, Reagan improved to 4-2.

"Last time, at Reagan, we only won a single match (Gregory) and none of the doubles were even close,"

Nixon said. "To win two doubles was great and to split (sets in) three singles matches was really good. It shows how much we have improved as a team and individually. I am really proud of my guys. They keep battling and keep getting better."

Davie won 6-3 in a non-conference match at Lexington. Nixon was pleased because the Yellow Jackets aren't the pushover they used to be. Lexington came in with a 5-2 record.

"Lexington is very much improved over what others have told me and what I've seen in past years, so this was a good win," Nixon said.

Davie got singles wins from Gregory, Austin Angel, Poole and Ratledge. Gregory/

Angel and Poole/Robinson posted wins in doubles.

"After two straight losses, including against Reagan when I felt like we should have won, this was an easy match to take for granted," he said. "If we'd done that, Lexington has improved enough that they'd have beaten us. We didn't let that happen and I am very proud of our guys for that."

Nixon sympathized for Ben Fouts, who is playing No. 3 singles as a freshman. "He continues to play better than even he thinks he can," he said. "The experience at three is going to make him a much better player in years to come. He is playing over his actual seeding to give us flexibility, and I am very satisfied with

his play even if the record doesn't show a bunch of wins for him."

In exhibitions, Davie captured 31 of 45 games.

"They just kept getting better and better," he said. "These matches may not count for the team score, but they do count to give guys who we'll have to count on for team scoring in years to come to get some actual game experience against real competition."

After defeating North Davidson 6-3 in the first lap around the CPC, the War Eagles stepped on the accelerator and dusted visiting North 8-1.

"With all four of our toughest matches (two with Reynolds and one each with

Reagan and Tabor) behind us, we stand at .500," he said. "We continue to get better, with this win being as well as we have played collectively all year."

Gregory (6-0, 6-0), Robinson (6-1, 6-0), Poole (6-0, 6-1), Fouts (6-1, 6-0) and Ratledge (6-0, 6-3) clinched the verdict in singles as Davie improved to 5-5 overall and 3-5 in the CPC.

Gregory (7-3), Poole (6-3) and Ratledge (4-3) all have winning records for the season.

"Gregory played like we needed, simply dominating in both singles and doubles," Nixon said. "Robinson broke out of a tiny slump in a big way. Poole just kept up his winning ways. Fouts readjusted to a lower seed (five)

and got a needed win. Ratledge is really playing well right now."

Davie swept doubles - and did it with authority - as Gregory/Angel won 8-0, Robinson/Poole 8-1 and Ratledge/Hendrix 8-1.

Robinson and Poole are 6-3 at No. 2 doubles.

"Even though Angel had one of those days in singles, I was so proud of him for putting that behind him and getting a doubles win," he said. "Hendrix came off the bench cold, and (Ratledge and Hendrix) gave me a good No. 3 doubles team."

In exhibition action, Davie won six of seven matches, including 48 of 66 games. "Our exhibition guys continue to impress me as well," he said.

Wheels ...

Continued From Page B1 and another bound for Purdue. Obviously, the outcome wasn't what we wanted, but we had specific things we wanted to improve on and we did."

The Titans turned their deficit into an insurmountable lead in the fourth with a walk, single, bunt hit, walk and single. After Davie finally got an out, three straight singles were followed by a walk and an error. Yuck.

Meanwhile, West's Brooke Perry was working on a complete-game-four-hitter. After Smith gave Davie the lead, the War Eagles didn't have another hit until a Devereaux single in the seventh.

Devereaux was 2 for 3 with a hit by pitch. No. 3 batter Jessie Beck was 1 for 3 with two steals, and cleanup girl Smith was 1 for 4 as West outdid Davie 12-4.

Davie also committed three errors to West's one. Lowery employed three pitchers, and West knocked around each one.

The War Eagles, at this point at least, are not quite good enough to get over the hump in the CPC. They finish third regularly, and they're sitting in third. The first loss was 10-0 to North Davidson. Then came the fourth straight loss - and the eighth in nine meetings - to West.

"West is a great team," Lowery said. "They have

some very talented players and are very well-coached. We will get there. We are putting the time in. We are working hard. At one point, I was an senior on the mound (Sarah Myers) and the rest were three freshmen (Kate-lynn Webb, Devereaux and Sierra Ferguson) and five sophomores (Barneycastle, Beck, K'lea Parks, Smith and Kelsey Brown). I think that says a lot. It will come."

Indeed, Lowery found reasons to believe in her War Eagles.

"We had another double play (with Parks, Smith and Ferguson) turning a 6-4-3 that ended an inning," she

said. "That pumped us all up, coaches included. It's very impressive that they can turn these plays against these strong teams."

"We were much more aggressive at the plate. Smith came up big with a hit up the middle that scored Devereaux from second. That gave us a little spark."

"Even after their big inning, we didn't quit. Beck stole two bases back to back (against catcher Anna Epling, who has verbally committed to Maryland). Beck is one of the smartest base runners we have."

With first place on the line, West followed up with

a historic 4-1 win at North Davidson, which is ranked 12th in the nation and is coached by a man (Mike Lambros) with a state-record 806 career wins. It ended two glorious streaks for the Black Knights, who had a 53-game winning streak in the regular season and had not lost at home since March 12, 2012.

Beck and Kasey Potts had two hits each in a 16-0 home demolition of last-place Parkland.

The game only lasted two and a half innings as Davie scored nine runs in the first and seven in the second. Myers gave up one hit and struck out five in three innings.

Davie has outscored the Mustangs 49-0 over three meetings.

That Davie defeated visiting Mt. Tabor was no surprise. The surprise was that it was only 4-1.

The War Eagles (6-2, 3-2) had 10-run ruled Tabor in 18 consecutive times, and this was the closest margin since a 2-0 decision at Tabor in 2008.

Parks (2-3, double) and Webb (2-3, two RBIs, two doubles) had four of Davie's seven hits. Barneycastle, Beck (double) and Lindsey

Custer all went 1 for 3.

Julie Gough went the distance in the circle, allowing three hits, walking none and striking out eight. She retired the first seven Spartans. After they got their first hit, Gough sat down eight in a row.

But the Spartans were not easily disposed in their 25th straight loss to Davie.

Myers scored on a passed ball to open the scoring in the second. In the third, Custer singled, Barneycastle reached on a bunt hit and Beck delivered a run-scoring double. In the sixth, Davie pushed its lead from 2-1 to 4-1 as Parks and Webb laced

doubles.

Myers scored on a passed ball to open the scoring in the second. In the third, Custer singled, Barneycastle reached on a bunt hit and Beck delivered a run-scoring double. In the sixth, Davie pushed its lead from 2-1 to 4-1 as Parks and Webb laced

doubles.

doubles.

Davie Golf Regains The Cup

Davie's golf finished fifth for the second time in any of the Central Piedmont Conference meets when the seven league teams met at Maple Chase. Only three teams will advance to the Midwest Regional.

Reynolds and West Forsyth tied for first with 1588. Mt. Tabor had 160, Reagan 161, Davie 177, North Davidson 183, Parkland 248.

Will Perkins led Davie as he tied for sixth overall with a 4-over 40, three off the pace. Chris Carr shot 43, while Colby Carter and Wesley Sink had 46s.

"This was one of the highest team totals (33-over

par) that Davie has shot in recent years," coach Chris Callison said. "The team was humbled tremendously and hopes to bounce back in a positive way."

The War Eagles did gain some ground at Winston Lake, placing fourth, although they remained fifth in the standings.

Reagan shot four-over 144, followed by Reynolds 150, Tabor 154, Davie 155, West Forsyth 158, North Davidson 166 and Parkland 247.

Davidson in a nonconference meet at Pudding Ridge. Carr, a freshman, captured medalist with a three-over 38 as Davie defeated the Black

Knights 156-168.

This was Carr's second-best score; he had two over 38 at Wilshire in the second meet of the season.

Sink and Perkins shot 39s. Zach Carter and Cameron Patten had 40s.

Before the meet at Maple Chase, the War Eagles finished off West Forsyth to regain possession of the Cup in day two of the fourth-annual Yadkin River Cup.

Davie held a 7-3 advantage following day one. Day two was held at Pudding

Ridge, where Davie out-scored the Titans 55-45 to complete a 12-5-5 victory over 38 at Wilshire in the second meet of the season.

Sink and Perkins shot 39s. Zach Carter and Cameron Patten had 40s.

Before the meet at Maple Chase, the War Eagles finished off West Forsyth to regain possession of the Cup in day two of the fourth-annual Yadkin River Cup.

Davie held a 7-3 advantage following day one. Day two was held at Pudding

Varsity Soccer Splits In CPC

Last week the Davie varsity soccer team lost as a big underdog and won as a big favorite. The loss was 4-0 at first-place West Forsyth. The win was 10-1 at home over last-place Parkland.

At West, the War Eagles trailed 2-0 at halftime and got outdoors 20-4. Brooklyn Berry of the Titans (6-2-1 overall, 3-0 Central Piedmont Con-

ference) was too much for Davie. She scored the final three West goals as the Titans ran their winning streak over Davie to 13.

"She's quick and great at moving the ball," Davie coach Kerstin Steunor said. "At home against Parkland, the War Eagles (3-5, 2-3) got a much-needed

breather from the schedule after dropping four of five.

Getting three goals each from Jessica Navarro and Claire Devereaux, they recorded the most goals in 19 games (10-1 over Parkland last year) and continued to pour it on after taking a 6-0 cushion into intermission. Melani Anderson, Lindsey Stroupe, Katherine Watts and

All Guttenberg punched in one goal apiece, while Annie Kinder, Navarro and Emily Muchukot provided assists.

Davie has outscored Parkland 29-2 over three meetings.

The Davie junior varsity (1-5, 0-4 CPC) lost 2-0 to Forbush and 9-0 to West Forsyth.

ed another opportunity lost as back-to-back comebackers kept the score 0-0.

After Davenport roped a two-out double in the seventh, a grounder to short ended the game.

Lankford reached base three times, going 1 for 1 with a walk and HPB. Reynolds, Scott and Davenport were all 1 for 3.

Senior Profile

Catching up with ... **Quinn Holcomb (lacrosse)** When you were growing up, what did you want to be? A Power Ranger.

In the movie of my life, I'd be played by: I'd be more than willing to play myself.

Stranded on an island, what are your 3 essential items? A boat, nautical GPS and a lot of gas.

What's the funniest moment in your sports career? The film of me getting concussed on my highlight reel from sophomore year.

What's the proudest moment in your sports career? My first game as a captain.

If you could turn back time and witness one event, what would it be? Watch the ball drop in New York on New Year's Eve 1999.

Who is the funniest teammate? I'd rather not blow my own horn.

Which teammate is happiest after a win? Everyone on the team.

Hobbies: Coaching with Davie youth lacrosse teams, stringing sticks for teammates, watching movies and spending time with friends.

Athletes I most admire: Rob Pannell and Luke Kuechly. Interesting fact about myself: I was apart of the first ever lacrosse team in Davie County.

What I like most about Davie High: The teachers who actually enjoy me as a student.

If I could do one thing better, it would be: Cooking. Person I'd most like to meet (dead or alive): Morgan Freeman.

If you could have a date with a celebrity, who would it be? Natalie Portman.

Post-school ambition: Attend law school.

If you hit the lottery, what's the first thing you'd do? Pay off debts and my parents' mortgage.

Bats ...

Continued From Page B1 at 8-1 overall and 4-0 in the CPC.

"Cranfill threw amazing," Byerly said. "He was low in the zone. The second inning (when Reynolds got two

ab outs) was really the only threat they had until the 7th). He scratched head."

Reynolds stretched out the game's only run in the top of the seventh, when Davie committed two of its three errors. Again, the Demons played flawless in the field.

The first batter of the seventh singled. A back-pick attempt by the catcher was thrown away, and a sac bunt moved the runner to third.

Cranfill got a strikeout for the second out. But then came a "swinging bunt." Cranfill lost his footing on the wet grass, erasing him from potentially making the play. The result was a 1-0

win.

Reynolds led off with a single. Davie had runners at the corners with one out, but a 6-4-3 double play kept it off the board.

In the fourth, Jalen Scott led off with a single and Lankford was hit by a pitch.

A bunt moved them to second and third, and another hit by pitch loaded the bases with one out. Byerly lament-

ed another opportunity lost as back-to-back comebackers kept the score 0-0.

After Davenport roped a two-out double in the seventh, a grounder to short ended the game.

Lankford reached base three times, going 1 for 1 with a walk and HPB. Reynolds, Scott and Davenport were all 1 for 3.

Williford, Mitchell, Dove Lead Track Teams

Avery Williford and George Mitchell of Davie boys track and Hannah Dove of the Davie girls captured two individual events each as Davie competed in a five-team meet at West Forsyth last week.

Williford, a junior, won the 110 hurdles in 14.3 seconds and the 300 hurdles in 43.5 seconds. Mitchell, a senior, won the long jump at 19-04 and the triple jump at 40-0. Junior Nick Simmons was first in the 1600 with a

time of 4:39. The Davie boys got a second-place performance from the 4x4 relay team of Angel Perez, Simmons, Eduardo Hernandez and Williford.

Dove paced the Davie girls with wins in the shot put (28-10) and discus (79-10). Davie won two other events, with sophomore Kayla Lyons going 14.3 in the 100 hurdles and Madison Kitchene, Liz Crenshaw, Kala Stokes and Madison Bohannon running 32.9 in

the 4x1 relay. Finishing second for the Davie girls were sophomore Savannah Everett in the high jump, freshman Lauren Long in the shot put and freshman Trinity Scalet in the discus.

Both Davie teams were third out of five teams. In the boys' meet, West Forsyth scored 135 points to Mt. Tabor's 92, Davie's 67, Carver's 43 and Parkland's 35. On the girls' side, West had 109, Parkland 101, Davie 81, Tabor 61 and Carver 19.

Hunter Akers is a defenseman for Davie's varsity lacrosse team. At right, Michael Rauen is also a varsity defenseman. - Photos by Kamryn Harris

Lacrosse Team Gets Elusive First Win

Smarting from an 0-5 start and three straight blowout losses, Davie's varsity lacrosse team got off the snide with an 8-3 home victory over West Stokes.

Earlier last week, the War Eagles absorbed an 18-2 road beating from mighty Reynolds. Nick Juhasz and Josh Lankford scored the goals.

"Good things should come (against West Stokes)

when we don't play a top-10 team in the state," assistant coach Scott Landy said. "We have a tough schedule and it will pay off in the long run."

Landy looked prophetic when the War Eagles led from start to finish against West Stokes. They broke a 10-game losing streak with the most goals since last year's 15-1 romp over North

Davidson. That was also Davie's last win. "We played well," Landy said. "There are some areas we can still improve, but overall it was a well-played game."

Juhasz put up three goals for a team that was averaging 2.4 per game. Ryan Robinson had two, while Collin McManamy, Dylan Walters and Quinn Holcomb had one

assist each.

"Robinson was great in off-ball movement," Landy said. "Goal keeper Elijah Colpaert and the entire defense (Michael Rauen, Chan Dhillon and Akers) played extremely well. It really was

a team win." Davie's junior varsity lost 16-2 to Reynolds. Chase Alder and George Cuthrell had the goals. The JV remained winless at 0-3.

Dakota Baker is a midfielder on the junior varsity.

McKay Chamberlain knocked in four runs, Cody Hendrix launched a home run as part of a four-RBI day and Zach Hudspeth cruised on the mound as Davie's junior varsity baseball team battered visiting Reynolds 12-2 in the first game of a doubleheader.

Game two was not as lopsided, but Davie still won with little trouble, 12-8.

In game one, Chamberlain went 3 for 3. Hendrix, a freshman, went 2 for 4 with his first high-school long ball.

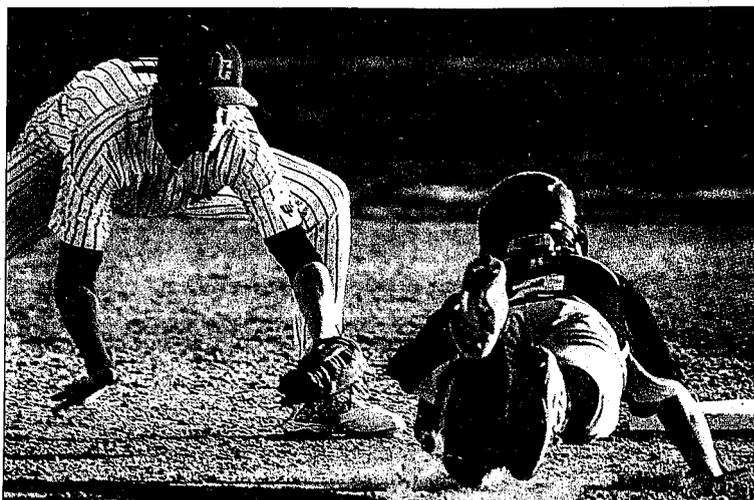

"I knew it was coming," coach Jason Harbour said of Hendrix's home-run power. "I just didn't know when we were going to get to see it. He's got a very smooth swing and we look for big things to come from Hendrix."

Jake Barneycastle singled, scored three runs and swiped two bases. Hudspeth went all five innings, allowing two hits and one earned run.

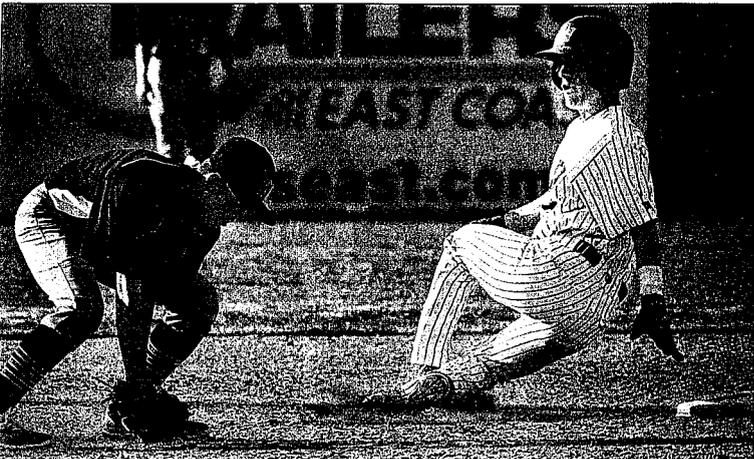

In game two, the War Eagles (5-1, 4-1 Central Piedmont Conference) led by scores of 8-1 and 11-2 before settling for a four-run victory that extended their winning streak to five.

"They hit the ball," Harbour said. "They were not a bad hitting team. Hudspeth overpowered them in game one, but they were a pretty good hitting ballclub."

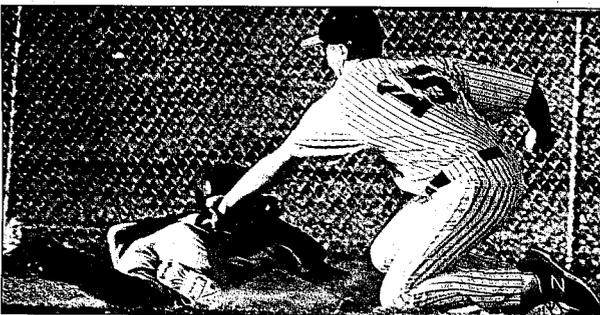

Three Davie pitchers allowed a season high in runs, but it hardly mattered as Jesse Draughn (2-4, three RBIs), Landon Bandy (1-1, four runs, two walks, hit by pitch) and Sam Heafner (1-2, three RBIs) highlighted a productive offense.

Freshman shortstop Jake Byrd of the Davie junior varsity baseball team reaches to tag a runner.

And entering into the sepulchre, they saw a young man sitting on the right side, clothed in a long white garment; and they were affrighted. And he saith unto them, Be not affrighted: Ye seek Jesus of Nazareth, which was crucified; he is risen; he is not here; behold the place where they laid him. But go your way, tell his disciples and Peter that he goeth before you into Galilee: there shall ye see him, as he said unto you.

(Mark 16:5-7)

A Time To Bond Mother/Son, Daddy/Daughter Dances Remain Popular

The Mocksville/Davie Parks & Recreation Department held the annual Daddy/Daughter Dance and for the second year, the Mother/Son Dance.

Everyone went "Under the Sea" as the gym was decorated with huge dolphins and seahorses hanging from the ceiling, a sunken ship, balloon bubbles and shells.

"Davie Youth Council members, staff and volunteers worked hard to provide an evening that everyone would remember for years to come," said Sandra Boyette. "Several businesses donated food and prizes. The donations truly helped to make the dances successful."

These boys practice their moves without their mothers.

Daughters and daddies listen as announcements are made and prizes given away at the Daddy/Daughter Dance.

Marnic Lewis and Kaylee share a dance.

Pete and Gail Frye now, and at their wedding 50 years ago.

Pete & Gail Frye Celebrate 50th Wedding Anniversary

Robert L. Frye (Pete) and Gail Carter Frye of Mocksville celebrated their 50th anniversary on Sunday, March 8 at the Rowan Museum's Messinger Room in Salisbury. More than 150 friends stopped to celebrate and enjoy music by Mona Jo Griffin and Friends.

They were married on March 6, 1965 at Franklin Presbyterian Church in Salisbury, by the Rev. Fin-

ley M. Grissett and made their home in Mocksville shortly after. The couple has three daughters, Angela Wood Hendren (Justin) and Robin Frye McCarsen (Shannon) of Advance, and Melinda Frye Phillips (Eric) of Mocksville. They have 10 grandchildren: Jacob, Joshua and Elijah Wood; Caleb, Joshua, and Hope Hendren; Alex Frye and Kaleb McCarsen; and Aspen and Charleigh Phillips.

Mr. Frye worked as a mechanic and electrician for most of his career. She was a homemaker while her girls were in school and then worked for Ingersoll-Rand of Mocksville for nearly 20 years.

Since retirement, he enjoys spending time in his garden and she is known for her pound cakes and love of travel. They also enjoy caring for two special boys, Kaden Young and Jensen Foster. Both boys love helping in the garden and baking cakes.

The event was hosted by their daughters, Angella, Robin and Melinda as well as Janie Coe and Ellen Bishop, Pete's sisters.

William R. Davie Easter Celebration This Saturday

The William R. Davie community is coming together for an Easter celebration on Saturday, April 4 from 10:30 a.m.-noon.

Meet at the shelter behind the elementary school on US 601 North, Mocksville, for Easter egg hunts, craft projects, storytime for children and an Easter message for adults, and a hotdog lunch.

This is a free event, sponsored by the North Davie Ruritan Club and Bear Creek Baptist, Eastons Baptist, New Union United Methodist and Chestnut Grove United Methodist churches. No one will ask for money, and no donations will be accepted. To learn more, contact David Gilbreath at 998-6149.

Tyler Zickmund In Stage Production

Tyler Zickmund

Tyler Zickmund is among the actors in the Twin City Stage production of *Mary Poppins*.

The show continues at the Arts Council Theatre, 610 Coliseum Drive in Winston-Salem, April 2-5 and 9-12. Thursday, Friday and Saturday performances are at 8 p.m., and Sunday matinees are at 2 p.m. Tickets are \$25 for adults and \$22 for seniors and students. Group discounts are available. Call (336) 725-4001.

Zickmund, a ninth grader at Davie High School, has appeared in stage productions throughout the area.

Senior Services Sponsoring June Trip To Amish Country

A group from Davie Senior Services will travel to the Ohio Amish Country Tuesday, June 2-Friday, June 5.

Visits will include the Warber Museum with steam engine, carvings and button collection; the Amish and Mennonite Heritage Center; Lehman's general hardware and farmer's store; Troyer Candle Shop; Herschberger's bakery and farmer's market; Guggenberger's cheese factory; the Walnut Creek cheese and country store for a free ice cream treat.

Accommodations will be at the Carlisle Inn in Sugar Creek, Ohio, with breakfast each morning. These meals are included in the price, as well as a sit-down dinner at Warther's Museum, a wedding-style feast at an Amish home, and dinner at the Dutch Valley Restaurant and button collection; the Amish and Mennonite Heritage Center; Lehman's general hardware and farmer's store; Troyer Candle Shop; Herschberger's bakery and farmer's market; Guggenberger's cheese factory; the Walnut Creek cheese and country store for a free ice cream treat.

Call senior services at 753-6230.

VFW Breakfast

VFW Post 8719 will hold a fundraiser breakfast Saturday, April 4 from 7-11 a.m. at 130 Feed Mill Road in Advance.

The menu includes biscuits, gravy, grits, scrambled eggs, bacon and sausage, eat in or take out. Proceeds will benefit post activities.

Flapjacks For Just Hope Inc.

A flapjack fundraiser for Just Hope of Davie County will be held from 7-10 a.m. Saturday, April 4 at Applebee's, 6310 Allegany Way, Clemmons.

Cost is \$7 per person, \$5 for children under age 10. To learn more about how to help stock the food pantry, contact Krystal Dumas at 909-4241.

Cornhole Winners

Davie County Senior Games hosted a cornhole tournament to kick off upcoming local games. The tournament was for all ages. It's not too late to sign up for the local games. If you're 50 or older, contact Sandra Boyette at 753-6743. Shown, from left: Dylan Gibson, second; Barbara Chapman, third; and Kris Shepherd, first.

Five Generations

Five generations of this family recently got together. From left: Dorothy Keaton, Peggy Keaton Hendrix, Susan Hendrix Nifong, Ashton Nifong Becker and Anna Grace Becker, born on Feb. 4.

Cooleemee Correspondent

Judy's WEBBight finds Joe Spillman at Rowan Regional Medical Center. He has been in intensive care but is in a regular room doing better.

Mark Williams is still at Baptist Medical Center. Mark has a tracheotomy and Pastor John Gruff visited him and said he is not talking much.

Pauline Ridenhour is a patient at Rowan. She has had some breathing problems. Judy Webb talked to her Sunday. She is doing better.

Sarah Kerley has her second kidney stone surgery and this will be her last. She had a rough time with this one but she is at home and doing fair.

Please keep all the above in your thoughts and prayers.

Please contact Judy with any news about illnesses or celebrations: 284-2758.

The annual Cross Walk will begin at 9:30 a.m. at Refuge Baptist Church beside Davie Discount Drug Store at the Cooleemee Shopping Center.

Praise and worship with singing will begin at 9:30 a.m. and the walk will begin at 10. The walk will be from the shopping center to the front of First Baptist Church. The roads will be marked and protected by police, to allow the walk to take place in the center of Marginal Street.

This annual event has grown each year and we hope you make time to take part in expressing your Christian faith on this Good Friday. Refreshments will be served in the fellowship hall of the church following the conclusion of the walk.

Please feel free to contact me at www.cooleemee.com.

Taking part in an Easter play at Solid Rock Assembly in Woodleaf are Tabitha Ruff, Chanel Allen, Chelsea Roberts, Abby Nichols, Austin Johnson and Scott Johnson.

There is a Cure for Cancer

Every year thousands of people die from a deadly disease called cancer. While money is constantly being donated to various organizations in the fight against this dreadful disease, the fact remains that there is cure for cancer. This cure has been here since mankind first became vulnerable to its conception. Yet people still turn to research sponsored by money in an effort to find a cure.

I'm talking about the plan of salvation. I'm talking about Calvary. It is interesting to note that the modern day church world will preach salvation in the sense that the "soul of man" is the only thing that salvation refers to. When in reality that word "salvation" denotes deliverance from any and all things that would hold us in bondage and destroy us. We need to go the extra mile and tell the whole truth in respect to the plan of salvation. I'm talking about a truth that has been negated by traditional doctrines of man associated with denominational barriers that hinder and bind the truth of God's Word.

I want to start off by saying that the healing of our bodies was incorporated into the plan of salvation. This can be proven by the Bible. In John 9:1-3 we read the following. "And as Jesus passed by, he saw a man which was blind from his birth, and his disciples asked him saying master who did sin this man or his parents that he was born blind? Jesus answered, neither hath this man sinned, nor his parents, but that the works of God should be made manifest in him".

Friend! Do you realize the spiritual implications involved here? Some where in the back of the disciples mind they knew that sin was responsible for this man being born blind. Yet Jesus said that neither the man himself, nor the parents of the man were responsible. The disciples did not realize that this man, just like all of mankind are born in sin as a result of the downfall of Adam. This man was born blind because of the sin of Adam.

This tells me that when Adam sinned and became lost all of mankind became lost with him, and because of this fallen state man was cursed with sickness, disease and infirmities.

There is a lesson to be learned here. And that lesson is that when mankind repents and gets rid of the sin problem then the effects of the curse cannot be upon us. The reason being that once we know the truth then we are made free. John 8:32 says "And ye shall know the truth and the truth shall set you free". "And whom the Son of man has set free they shall be free indeed." (John 8:36). Our healing always starts with our salvation.

Even when Jesus walked the face of the earth people who were looking toward the cross believed that Jesus was the Son of God. This confession of faith was accounted unto them for righteousness. Then and only then were they healed. But notice this dear friend. Before Jesus healed them he said "thy sins be forgiven thee". And their sins were forgiven because they believed on him. Do you believe on him. If so then claim what is yours. Claim what the Devil and the modern day church world has kept from you. With all due respect to my fellow pastors let me say this. I would hate to stand in the pulpit on Sundays or any other day for that matter and preach to the congregation just how bad and sinful society is and then fail to tell my fellow man who is dying of cancer that God can and will heal him if he will only believe on the Lord Jesus Christ. Its sad to say but a drunkard will come to your rescue when you're in need quicker than some church goers will. And old outcast will give you his last dollar while some television evangelist will take your last cent. I do not say this to cause you to hate or despise your fellow man, no matter what he does or doesn't do for you. I say this because it's the truth, and in order for some people to change their ways they must first realize the truth.

God made a covenant with the Children of Israel in Exodus 15:26 by saying. "If thou wilt diligently hearken to the voice of the Lord thy God and will do that which is right in his sight, and will give ear to his commandments and will keep his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: For I am the Lord that HEALETH thee". In other words if you will live and obey me then you will remain free from sickness, diseases, and infirmities. This can only happen through the plan of salvation. Jesus conquered it all when he rose from the dead.

1st Peter 2:24 says, Who his own self bare our sins in his own body on a tree, that we being dead to sins (salvation) should live unto righteousness (obeying the voice of the Lord) by whose stripes we are HEALED. My friend Jesus died for your healing because he died for your sins. Get rid of the sin and receive the healing. Kind David wrote in Psalms 103:3, "Who forgiveth all thine iniquities, and HEALETH ALL THY DISEASES". According to the Word of almighty God healing is yours. No one can keep you from it except your refusal to believe and accept it.

Wishing everyone a safe and happy Easter.

Birthday wishes go to those celebrating this week: Don Hartle, Christopher Wright, Irene Ijames and Lynn Sherrill on April 2; Melissa Spry and Selena Swain on April 3; Jeremy Shoffner, Ricky Dyson and Zane Carlon Dyson on April 4; Helen Bulla, Xidren Kirk and Ila Beck on April 8. Congratulations to those celebrating their anniversary on April 5: Eugene and Cindy Reeves, Clarence and Evelyn Draughtn, and Chris and Rachel Wilson. If you would like an anniversary or birthday posted, do not hesitate to call or email.

The annual Sheffield-Calahlaln Volunteer Fire Department spring BBQ and barbecued chicken fundraiser will be this Saturday. Take-outs begin at 11 a.m. and dinner at 4 p.m. The department is at 435 Dyson Road. Hope you can come out for some great food and support our local firefighters.

Hotdog Saturday at New Union UMC was an early sell out even with the cold weather. It was a great time of fellowship and good food. Thanks for your support. The next will be April 25.

The New Union UMC Choir participated in the Palm Sunday Choir Singing sponsored by the North Davie Ruritan Club Sunday night, hosted by Eatons Baptist Church. Other choirs sharing their music and praise were Eatons Baptist, Bear Creek Baptist, Sandy Springs Baptist, and the Davie County Singing Seniors. Many thanks to the North Davie Ruritan Club for sponsoring this Palm Sunday Sing for the past 12 years, and to the choirs for sharing their musical talent.

There will be a community egg hunt at William R. Davie School Saturday at 10:30 a.m., rain or shine. New Union UMC, Bear Creek Baptist, Eaton Baptist and the North Davie Ruritan are sponsors. Everyone is invited.

Easter Sunrise service at New Union will be at 6:30 a.m. The Rev. Jesse Garmon, pastor of Liberty Wesleyan, will be the speaker. This is a joint service of New Union and Liberty Wesley. Regular services will be held at New Union: contemporary worship at 9; Sunday school at 10; and traditional worship at 11. Other Easter services are Maundy Thursday at 7 p.m. and the Tenure Service at 7 p.m. on Friday. Pastor Eric Lineberry invites you to these services.

Easter Sunrise Service at Ijames Baptist will be at 7 a.m., followed by breakfast at 7:30. Sunday School will be at 8:45 and worship at 10, at which time the Lord's Supper will be observed. Everyone is invited.

Easter Sunrise Service at Calahlaln Friendship Baptist will be held at 7 a.m. A breakfast will follow at the

Sheffield-Calahlaln Community Center. Sunday School will be at 9, followed by the worship service at 10. Everyone is welcome.

A choral presentation will be held at the 10:45 a.m. worship service at Community Covenant this Sunday. Everyone is invited.

Spring Revival at Community Covenant will be April 15-19. Dr. Mark Smith, president of Ohio Christian University, will be guest evangelist. Services will be Wednesday through Saturday nights at 7, and Sunday at 10:45 a.m. and 6 p.m. Charles Baker will be the song evangelist.

Linda Goforth celebrated her birthday this year for several days. Her family took her to the Billy Graham Library, to Cody Creek, Sagebrush Steakhouse, and then a huge meal was delivered to her home on Sunday. Linda's birthday was March 19. In her own words, "I just want to thank the Lord for another year and a blessed birthday with my family, friends and church family. I thank them for all they have done for me, for my birthday and other times. They are all a blessing to me."

The next Game Night will be at the Sheffield-Calahlaln Community Center and Recreation Area will be held Friday, April 17. Doors open at 6 for concessions and bingo begins at 7.

In last week's column, a photo of the Harmony Ovis coach holding a trophy should have stated the trophy was a team trophy, not an individual one.

The Tomm Dollee Band will perform at The Korner Deli Saturday, 3387 Harmony Hwy. Upcoming events: Iredell Ramblers on the 11th; Nick and friends from North Iredell High School on the 18th; and the Fox Mountain Entertainers on April 25.

Melissa Gaither invites children (0-4) to Toddler Storytime each Wednesday morning from 10:30-11 at the Harmony Public Library. Upcoming events at the library in April: the Children's Museum "Nano-Science projects" will be held the first and third Saturday at 2 p.m. for school-age children and the second and fourth Wednesday at 10:30 a.m. for storytime toddlers; and the Lego Club meets every Tuesday and Saturday from 4-5 p.m. Kevin Campbell's program on native plants will be in April and local author, Joy Moose, in May. Call 704-546-7086.

Prayer list requests continue for Madeline Laphis, Jean Reavis, J.W. Cleon, Melvin Allred, Tom Cleon, Tom Bumpgarner, Paul Beck, G.H. By Betty Etchison West
CanalPino Correspondent

"Miss" Jennie Eaton Hill and her daughter, Beatrice, lived in the house just across the street from the Furches House and the Cain House. Their house was built by Doctor W.C. Martin when he practiced medicine in Cana.

Dr. Martin sold the house, which is now painted yellow, to Mrs. Emily Bailey when he decided that Mocksville was a more lucrative place to practice medicine and moved there.

Next, the property was sold to Watson Lowery, who was the mail carrier for the Cana route.

After the Lowery family, then Martie and Rufus McClamrock lived there before it became the home of Mrs. Hill, who was called "Miss" Jennie, and her daughter, Beatrice.

The story of how "Miss" Jennie and Miss Beatrice came to live in Cana is tragic.

Jennie Eaton married John Hill, and they lived across Cana Road from what is now Thoroughbred Training Center. That farm was simply called the Hill Place. Mr. John and "Miss" Jennie Hill had two daughters.

Once, while Mr. Hill was burning corn stalks on his farm, the clothes of one of the little girls caught fire, and she died from that accident. Evidently, "Miss" Jennie blamed her husband for the accident which killed their daughter; and she decided that she could no longer live with her husband, John. "Miss" Jennie took her only living daughter, Beatrice; and they moved to Cana. "Miss" Jennie's brother, Mr. Will Eaton, who was quite well-to-do as indicated by the fact that he provided much of the furniture for the present Eaton's Baptist sanctuary which was begun in 1925 and dedicated in 1930, helped his sister get a house in Cana. Mr. Will continued to provide support though the years for his sister and her daughter.

After the Hills moved to the Martin House, "Miss" Jennie's fierce protective attitude concerning her property continued. If any child dared to tread on the Hill property he/she could expect a strong reprimand. In fact, most Cana children did not dare to tread there. Once when some boys were playing ball across the road, one boy hit the ball in such a way that it landed in "Miss" Jennie's yard. A boy ran to retrieve the ball and did ever get a scolding. After that the Cana boys were careful to hit the ball in another direction.

One day, Johnny Etchison was walking along Cana Road with two friends. One of the boys was armed with a BB gun and the other two had sling shots. They decided that the windows

in the old doctor's office which stood in the edge of "Miss" Jennie's yard would make good targets for a bit of target practice. Practice they did and they broke every window in the east side of the building. Johnny's mother, Lola Sofey Etchison, quickly learned what had happened. News traveled fast in Cana by word of mouth. "Miss" Lola quickly offered her son, Johnny, the option of going and apologizing to "Miss" Jenny Hill or replacing all the broken windows with the money from his meager allowance. Just the thought of facing the ire of "Miss" Jenny caused Johnny to decide to replace the windows even if it took all of his allowance for a long time. Johnny Etchison recently said, "Just the thought of having to face 'Miss' Jenny and apologize to her scared me straight and never again was I involved in an act of vandalism!"

Miss Beatrice Hill was a teacher. The training that she had to become a teacher is unknown. She may have had a high school education because that was all that was required. According to the book, History of Davie County Schools, by Marie Benge Craig Roth, Miss Beatrice Hill taught at Chestnut Grove School, which was also called Chestnut Stump School. The Hills never had a car and always had to depend on others for transportation.

Miss Beatrice got special permission to ride a regular school bus to her job. Mr. Joseph Ferebee, now 96, remembers that Miss Beatrice rode the Mocksville High School bus that he drove from Cana to the Holman's Cross Roads School each day to fulfill her teaching assignment. Joseph Ferebee recently said, "Miss Beatrice was very pleasant, and I looked forward to talking with her." This statement would indicate that Miss Beatrice's personality was quite different from that of her mother. Miss Beatrice rode the bus which Joseph Ferebee drove for two or three years.

Miss Beatrice Hill had a boyfriend for many years. He came to see her every Sunday, and they sat in the living room with the shades down and the windows closed winter and summer. It is unknown what happened to that boyfriend, but finally Mr. DeWitt Clement was a suitor. Mr. Clement, who was born in 1874, was a bit older than Miss Beatrice, who was born in 1896; his age was no barrier. Mr. Clement and Miss Hill were married after electricity no radio so they made their own entertainment by keeping up with Miss Beatrice's purchases.

Glenna Collette Lagle said, "Miss Beatrice was a very good Sunday school teacher." That probably indicates that she was also a capable public school teacher who had little to work with in the sparsely furnished one-teacher schools.

"Miss" Jenny and her daughter lived in Cana for a long time. When Miss Jennie was in her 80s, she got very sick. Miss Bea-

trice refused to go into her mother's room. Neighbors took care of Miss Jennie because nursing homes, home health nurses, hospice nurses, etc. were unheard of. Mrs. Ina Naylor Cain took it upon herself to get the neighbors to sit with "Miss" Jennie, and quite a job it was to stay with that lady day and night. "Miss" Ina made a schedule and the neighbor ladies sat and sat and sat. Mrs. Hill died on Feb. 12, 1944, when she was 82. She was buried at Eaton's Baptist Church Cemetery.

"Miss" Jenny and her daughter lived in Cana for a long time. When Miss Jennie was in her 80s, she got very sick. Miss Bea-

The Hill ladies lives in this house in the middle of Cana.

Miss Beatrice rode to church each Sunday with Mr. John Boyce Cain. I often rode with them. My uncle Boyce Cain, Miss Beatrice, and I bumped around over to Eaton's Baptist Church in uncle's old car. Miss Beatrice was pleasant and was always really dressed up. She wore an abundance of face powder which sometimes fell down on her clothes. I remember how Uncle Boyce's car always had the sweet smell of face powder after our ride to Eaton's.

Another church member recently said that Miss Beatrice always had a new hat in the spring and in the fall. Since she had no way to travel, she ordered her hats from a catalog. After Miss Beatrice appeared at church in a new hat, the church people would go home and search their catalogs to see if Miss Beatrice had ordered from a Sears-Roebuck or a Montgomery-Ward catalog. You see, Cana people had little means of entertainment—no TV and before electricity no radio so they made their own entertainment by keeping up with Miss Beatrice's purchases.

Glenna Collette Lagle said, "Miss Beatrice was a very good Sunday school teacher." That probably indicates that she was also a capable public school teacher who had little to work with in the sparsely furnished one-teacher schools.

Carrying the wooden cross through Advance will be on Good Friday, April 3 at 5:30 p.m.. Community church members will assist in carrying the cross. This is a first for our community. Directions and destinations have previously been posted. All newcomers are welcome for the one mile walk which begins at Shady Grove Elementary School and ends at Advance Methodist.

On Palm Sunday the Project 5000 collected 38 "Blue Bags" at AUMC followed by ingredients to be given to the needy in the county during Holy Week. They will be taken to A Storehouse For Jesus for distribution.

Holy Week activities at Advance Methodist will be a Maundy Thursday meal in the fellowship hall at 6 p.m.; an Easter Egg hunt on Saturday, April 4 at 10 a.m.; a Sunrise Service on Sunday morning April 5 at 7, followed by breakfast in the fellowship hall; and Sunday School at 10 a.m. and worship service at 11.

Congratulations to Cokie and Pat Janes who celebrated their 62nd wedding anniversary on March 29.

Get well wishes go to Mary Nell Jones who underwent back surgery last

Tuesday, Janie Hendrix welcomes a new friend, Joshua Daniel Fortin, born March 25 at Rowan Regional Medical Center. Joshua is the son of Amanda Hendrix Fortin and Scott Fortin of Rockwell.

Edith and Brenda Zimmerman attended a 95th birthday party for Sarah Zimmerman at her home on Mullins Road Sunday afternoon from 2-5. Among the many friends and neighbors attending were Sarah's children, grandchildren and great-grandchildren coming from Arkansas, Missouri, Florida and relatives from surrounding counties with 128 people attending. This was the first time Sarah's entire family had been together in 21 years. A family dinner was en-

joyed at the home of Rick and Leila DeLucia in Hickory Hill Friday evening. Tom DeLucia wife Mary and sons Addison and Austin of Clemmons joined the family to say good-bye to his brother, Rick DeLucia Jr. and wife Dao, before their trip back to Florida on Saturday.

County Line

By Shirley Thorne
County Line Correspondent

It's Easter weekend and the observances of the death and resurrection of Jesus Christ are Friday and Sunday. Our church lawns and cemeteries are beautiful with freshly mowed green grass and spring flowers on the graves of loved ones. Everything is ready for the Easter services:

Calvary Baptist, Sunrise service at 7 a.m., followed by refreshments, Sunday 6:30 p.m. at Center United school at 9 and worship at 10.

Clarksbury United Methodist, Good Friday service at 7 p.m., Sunrise service at 6:30 a.m., breakfast at 7, Sunday school at 8, blended worship at 11 a.m.

Piney Grove AME Zion, Sunday morning worship

with children's Easter program at 10; Easter family fellowship with egg hunt, games, and snacks at 1 p.m. Saturday.

Pleasant View Baptist, Sunrise service at 7 a.m., breakfast at 7:30, Sunday school at 8:30, and worship at 9:30.

Salem United Methodist, Sunrise service at 7 a.m. followed by breakfast, worship at 9:30 and Sunday school at 10:30; joint Maundy Holy Thursday service at 6:30 p.m. at Center United school at 9 and worship at 10.

Society Baptist Church, Maundy Holy Thursday candlelight service at 7 p.m., Sunrise service at 6:30 a.m., followed by coffee and donuts, and worship at 10.

There will be no Sunday evening services at the above churches.

Joining the V-Point Ru-

Kenny and Althea Heath enjoy a hotdog lunch after the Easter drama.

Zack and Jace Cartner enjoy hunting for eggs.

ritans for breakfast from 6-10 a.m. Saturday, April 4 at the V-Point Building on Old Mocksville Road about 3 mile from NC 901. The

breakfast buffet includes country ham and sausage, scrambled eggs, grits, cornmeal mush, baked apples, biscuits, and drink. Dona-

tions will be accepted. Take-outs are available for \$7 per plate. Ham biscuits and sausage biscuits are \$1 each. Proceeds benefit the club's

community projects.

Upcoming community events include a country ham and sausage breakfast sponsored by the Salem Methodist Men from 6-10 a.m. Saturday, April 18 at the County Line VFD; Society Baptist Operation In-asmuch Saturday, April 18; and revival services at Society Baptist April 19-22.

Our County Line VFD and Ladies Auxiliary and our community thank everyone who dined with us at our VFD fall barbecue and chicken pie fundraiser Saturday. Much appreciation is given to all volunteers who promoted, cooked, baked, cleaned, parked, served, donated, etc. Our

VFD cleared over \$7,000 to be used for training, operations, and maintenance. Be sure to mark Saturday, Oct. 31 for the fall barbecue and chicken pie fundraiser.

Our County Line VFD always needs and welcomes dedicated firefighters. The VFD meets at 7 p.m. the first and third Monday of each month at the station on Ridge Road about 1 mile from US 64 West. If interested in becoming a firefighter, come to a meeting or call our VFD Fire Chief Brian Koontz on 492-5759 for a tour of operations and equipment.

Our community sends get-well wishes to Abigail Campbell, Betty Lou G. Richardson, James M. "Jim" Stroud, and Brenda B. Swisher. Abigail has been hospitalized Wake Forest Baptist Medical Center. Betty Lou had surgery and is in rehab at Irede Memorial Hospital. Jim was hospitalized with breathing problems last Wednesday at Wake Forest Baptist Medical Center ICU; he was

Obituaries

Sidney Dennis Pagan

Infant Sidney Dennis Pagan of Lexington was born and died on March 27, 2015, at Thomasville Medical Center. He was preceded in death by his paternal grandfather, Dennis Pagan; paternal great-grandparents, Elsie and Michael Pagan and Richard Concelman; maternal great-grandparents, Clinton and Evalene Fulbright and Lester Potts; and an aunt, Denise Potts.

Survivors: his parents, Chad and Hollie Pagan; 2 sisters, Nisee Pagan and Lacey Pagan; all of the home; paternal grandparents, Mary Pagan of Lexington; maternal grandparents, Dennis and Sandra Potts; maternal great-grandmother, Peggy Potts, all of Mocksville; paternal great-grandparents, Elenore Hicks of New Brighton, Pa.; and aunts and uncles, Tara and Justin Kleaveland of Morehead City, Dustin and Heather Potts of Mocksville and Carrie and Roger Hoseney of China Grove.

A private graveside service was held in Hardison United Methodist Church Cemetery on Sunday, March 29. Condolences: www.eatonfuneralservice.com.

Willard L. Farris

Willard L. Farris, 42, of Mr. Henry Road, Mocksville, died at Forsyth Medical Center in Winston-Salem on Sunday, March 29, 2015, after several months of declining health.

He was born in Forsyth County on Dec. 9, 1972 to June Elizabeth McGuire Farris and the late Burnice Leroy Farris, but has lived most of his life in Davie County. He was a graduate of Davie High School and had worked in retail sales as well as farming.

He was also preceded in death by grandparents, Austin and Doris McGuire and Norman Christopher.

Survivors: his mother, June Farris of the home; 2 sisters, Angela Stevenson of Mocksville and Laura Parris of Advance; his grandmother, Virginia Christopher; 3 nieces, Elizabeth Davis and Anna and Lily Arbutnot; a nephew, Chance Davis and great niece Ella Davis; 2 uncles, Austin and Danny McGuire; and 2 special friends, Dean Pullium and Sissy Harrell.

Service arrangements are incomplete and will be announced by Davie Funeral Service, www.daviefuneralservice.com.

Memorials: Davie County Hospice/Palliative Care, 377 Hospital St., Suite 103, Mocksville.

Ruby Hall Monterose

Mrs. Ruby Hall Monterose, 93, died Monday, March 23, 2015.

She was born in Fayetteville on June 3, 1921, the daughter of the late George and Lena Hall. Her husband, Dominick Monterose, with whom she shared more than 56 years of marriage, and 9 brothers and sisters preceded her in death.

Surviving: 3 daughters, Janet Monterose of Wilmington, Judy Griffin Culler and husband Steve of Clemmons, and Sandra Monterose Gravelly and husband Archer of Asheville; 7 grandchildren; 9 great-grandchildren; a brother, James Hall; a cousin she thought of as a sister, Edna Page; and an uncle, Daniel Hall, all of Fayetteville; and many nieces and nephews.

A memorial service was held 11 a.m. Friday, March 27, at Snyder Memorial Baptist Church.

Memorials: Snyder Memorial Baptist Church, 701 Westmont Drive, Fayetteville, 28305; or an organization of your choice.

Condolences: andrewsmortuary.com.

Ruby Hall Monterose, 93, died Monday, March 23, 2015.

Obituaries

Lester Harden Hockaday

Mr. Lester Harden Hockaday, 82, of Advance, died Sunday, March 22, 2015 surrounded by his family.

Born Aug. 23, 1932 in Davie County, he was the son of the late William Henry Hockaday and Pattie (Cope) Hockaday. He served in the United States Army during the Korean War and worked at Reynolds Tobacco Co. for 33 years. He enjoyed hunting, fishing and watching all types of sports, especially cheering and supporting all his grandchildren in their sports and activities. He was a Duke basketball and Dodgers baseball fan and was a member of the Veterans of Foreign Wars. He was a member of Cornerstone Christian Church.

Survivors: his wife of 57 years, Carolyn S. Hockaday; 2 children, Mark and Barbara Hockaday of High Point, and Anita (Hockaday) and Tim Simkins of Wake Forest; 4 grandchildren, Chad and Chelsea Hockaday, Olivia Hockaday, Joshua Simkins, and Katelyn Simkins; 1 sibling, Thurmond Hockaday of Advance; and many other nieces, nephews and relatives.

He was preceded in death by his parents, his daughter, Susan Hockaday, his brother, Houston Hockaday, and his sister, Mary (Hockaday) York.

Memorial services were held at 3 p.m. Sunday, March 29 at the Hayworth-Miller Kindertown Chapel. Friends visited with the family Sunday before the ceremony.

Memorials: VFW Post 8719, 182 Cottontail Lane, Advance or online at VFW.org/contribute.

Condolences: www.hayworth-miller.com.

Marie Ellen Hart Masters

Marie Ellen Hart Masters, 52, of Redland Road, Advance, died on Tuesday, March 24, 2015 at Forsyth Medical Center after a two-year period of declining health.

Born in Boston, Mass. on June 26, 1962, she was the daughter of Gerald Eugene and Helen Bradley Hart of Attleboro, Mass., and the wife of Lawrence David "Larry" Masters of the home. She graduated from Saint Mary of the Assumption High School in 1980. She was a graduate CNA, but her true enjoyment was trucking across America. She obtained her commercial driver's license and she and her husband of 16 years, Larry, met while trucking. They were married in 1999, and the two of them along with the late "Teddy Bear," her Pomeranian companion of some 17 years, traveled from coast to coast until her health made it impossible for her to continue such trips. After the loss of "Teddy Bear," she adopted "Wisnon," a Boxer, and more recently, "Miss Kitty," a cat that took up residence at their home, and both became dear companions. She enjoyed attending The Cove Church of Statesville.

Also surviving: 2 daughters, Hollie Brogan and husband Thomas J. of Greenville, Va., and Kimberly Glennon of Staunton, Va.; 3 sisters, Joanne Vendetoli of Cranston, R.I., Geraldine Jones (Robert) of Weymouth, Mass., and Patricia Desmarais of Providence, R.I.; a brother, John Hart and wife Salina of Hagerstown, Ind.; 3 grandchildren, Gabriel, Grady and Garrick Brogan; plus a number of nieces, nephews and cousins and her friends, Melissa and Thomas Lowman of Linwood.

A celebration of life service was held at 2 p.m. Saturday, March 28 at the Davie Funeral Service Chapel officiated by Roger W. Hames. The family received friends one hour prior to the service at the funeral chapel.

Memorials: to help offset final expenses: Davie Funeral Service, 416 Valley Road, Mocksville.

Condolences: www.daviefuneralservice.com.

Marie Ellen Hart Masters, 52, of Redland Road, Advance, died on Tuesday, March 24, 2015 at Forsyth Medical Center after a two-year period of declining health.

Anna Isabell Bracken Tolley

Mrs. Anna Isabell Bracken Tolley, 98, of Winston-Salem died Saturday, March 21, 2015 at the home of her daughter, Frankie.

She was born July 3, 1916 in Davie County, the daughter of the late John G. and Annie Eliza O'Neal Bracken. She was an active member of her church, Faith Chapel, for as long as her health allowed. She was also preceded in death by her husband, John L. Tolley, 5 brothers and 4 sisters.

Survivors: a daughter, Frankie Reavis of Mocksville; 3 sons, Avery (Patricia) Tolley of Raleigh, Jerry (Gail) Tolley of Winston-Salem and Jack (Vickie) Tolley of King; 10 grandchildren; 22 great-grandchildren; and 11 great-great-grandchildren.

The funeral service was conducted Tuesday, March 24 at 11 a.m. at Hayworth-Miller Silas Creek Chapel with Pastor Wesley Tuttle officiating. Burial followed in Woodland Cemetery. The family received friends Monday, March 23 at the funeral home.

Memorials: Hospice/Palliative Care Center, 101 Hospice Lane, Winston-Salem, 27103; or Faith Chapel, c/o Elsie Harrell, 8232 East Harell Road, Oak Ridge, 27310.

Condolences: www.hayworth-miller.com.

Mrs. Anna Isabell Bracken Tolley, 98, of Winston-Salem died Saturday, March 21, 2015 at the home of her daughter, Frankie.

Helen Moore Brown Eaton Moser

Mrs. Helen Moore Brown Eaton Moser, 81, of Daybreak Lane, Woodleaf, died Thursday, March 26, 2015, at her home.

She was born Oct. 22, 1933, in Rowan County, to the late Graham Osborne and Pearl Cranford Brown.

She was also preceded in death by 4 siblings, Otis Brown, Beatrice Chappell, Willis Brown and Mary Foster.

Survivors: her husband, Murvin Lee Moser of the home; 5 children, Kenneth Eaton (Courtney Reid-Eaton) of Durham, Billy Eaton of Landis, Darlene Peoples (Johnny) of Salisbury, Sharon Livengood (Dale) of Woodleaf and Sue Boggs (Gary) of Mocksville; 2 brothers, Walter "Bink" Brown (Frances) of Coolemans and Clifford Brown of Advance; 11 grandchildren; 16 great-grandchildren.

A funeral service was conducted at 3 p.m., Monday, March 30 at Eaton Funeral Chapel in Mocksville with the Rev. Richard Gross officiating. Burial followed in Chestnut Grove United Methodist Church Cemetery in Mocksville. The family received friends at the funeral home one hour prior to the service.

Memorials: Rowan County Hospice, 720 Grove St., Salisbury, 28144.

Condolences: www.eatonfuneralservice.com.

Mrs. Helen Moore Brown Eaton Moser, 81, of Daybreak Lane, Woodleaf, died Thursday, March 26, 2015, at her home.

Donald Robert 'Duck' Hofmann Jr.

Mr. Donald Robert "Duck" Hofmann Jr., 53, of Harmony, died Saturday, March 28, 2015 at Davis Regional Medical Center in Statesville.

He was born Aug. 23, 1961, in Washington, DC to Sandra Lee Daugherty Hofmann and the late Donald Robert Hofmann.

Survivors: his mother, Sandra Daugherty Garrison of Harmony; several close friends, "Duck" White of Alabama; Robert Blackwelder, June Bug Curry, Matthew Frye, Michael Stevens, Roxanne Wilson, Pete Eller, Timmy Wilcox and Curtis St. Claire; as well as too many other names to mention.

A funeral service was to be conducted at 1 p.m., Wednesday, April 1 at Eaton Funeral Chapel with the Rev. Charles Williams officiating. Burial was to follow in Iredell Memorial Gardens in Statesville. The family received friends Tuesday, March 31 at Eaton Funeral Home in Mocksville.

Condolences: www.eatonfuneralservice.com.

Bertie Lee Bullins Ramsey

Mrs. Bertie Lee Bullins Ramsey, 78, died Saturday, March 28, 2015, at Regency Care of Clemmons.

She was born Aug. 12, 1936, in Pulaski County, Va. to the late William Fred and Elizabeth Bullins. Mrs. Ramsey was a member of Liberty United Methodist Church where she enjoyed making potato salad for church dinners and volunteer any way she could.

Survivors: her husband, Edward Bruce Ramsey of the home; 2 daughters, Sharon Leigh Ramsey Suterlin of Mocksville and Teresa Ramsey of Maryland; 2 grandchildren, Hope and Travis Suterlin; a great-grandchild, Chloe Suterlin; a sister, Ovida Pagans (Doug); 2 brothers, Curtis and William Bullins, all of Virginia; and several nieces and nephews.

A funeral service was to be conducted at 11 a.m., Thursday, April 2 at Liberty United Methodist Church with the Rev. Brad Cunningham officiating. Burial was to follow in the church cemetery. The family was to receive friends at the church one hour prior to the service.

Memorials: A Storehouse For Jesus, 675 E. Lexington Road, Mocksville; or American Cancer Society, 4-A Oak Branch Drive, Greensboro, 27407.

Condolences: www.eatonfuneralservice.com.

Ruth Grubbs Richardson

Ruth Grubbs Richardson, 91, of Mocksville, died on Friday, March 27, 2015, at Kate B. Reynolds Hospice Home after several years of declining health.

She was born in Chatham County on Sept. 23, 1923 to the late Joseph F. and Mirrie T. Grubbs. Her family moved to Forsyth County when she was young and then relocated to Davie County when she was 13. She retired from Drexel Heritage Furniture Co. in 1996. She enjoyed reading, gardening, crocheting, working in flowers and crafts. She was a member of Fork Baptist Church where she served on committees and taught Sunday School in her earlier years. She loved her church family and enjoyed serving them and her Lord. She was a faithful member of the Senior Ladies III Sunday School class until her health would no longer allow her to attend. She graduated from Shady Grove School as valedictorian of her class in 1941. On Oct. 10, 1942, she married her high school sweetheart, Everette Richardson, who preceded her in death in 1998 after 56 years of marriage.

She was also preceded in death by her son, Jimmy Richardson; her sister, Betty Jo Leonard; her brother, John P. Grubbs; a son-in-law, Larry Anderson; 2 half-sisters, Nannie Grubbs Phillips and Clevie Grubbs Andrews; and 2 half-brothers, Ray and Reeve Grubbs.

Survivors: her daughters, Linda R. Anderson of Clemmons and Nancy R. Ward and husband Gene of Mocksville; 5 grandchildren, Lisa Davis of Charlotte, Daniel Ward of Winston-Salem, Melissa Richardson, Susan W. Correll and husband Lewis, all of Mocksville; and Leslie A. Newsome and husband Ashley of Bermuda Run; 4 great-granddaughters; 3 great-grandsons; 2 special sisters-in-law, Sadie R. Rice of Mocksville and Irene R. Hege of Lexington; and a host of nieces, nephews and special friends.

A celebration of life service was held at Fork Baptist Church at 2 p.m. Monday, March 30, officiated by the Rev. Robert F. Garrett. The family received friends prior to the service at the church and after the service in the church fellowship hall. Burial followed in the church cemetery.

Memorials: Fork Baptist Senior Fund or Annie Armstrong Easter Offering, 3140 US 64 E., Mocksville; or Davie Hospice/Palliative Care, 377 Hospital St., Ste. 103, Mocksville; or to the charity of one's choice.

Condolences: www.daviefuneralservice.com.

Ruth Grubbs Richardson, 91, of Mocksville, died on Friday, March 27, 2015, at Kate B. Reynolds Hospice Home after several years of declining health.

William Kenneth 'Ken' Jordan Jr.

Mr. William Kenneth "Ken" Jordan Jr., 55, of S. Main St., Mocksville, died surrounded by his family, Saturday, March 28, 2015, at Wake Forest Baptist Medical Center in Winston-Salem following a head injury sustained in a fall.

He was born Oct. 16, 1959 in Davie County to William Kenneth "Kenny" and Linda Lee Hendricks Jordan. Mr. Jordan was a member of First United Methodist Church, Mocksville and was a veteran of the U.S. Army.

Survivors: his wife, Melanice; 3 children, Megan Jordan Markland (Daniel), Sam and Rachel Jordan; 2 sisters, Donna Jordan and Vicki James (Jaimie), all of Mocksville; and 2 great-grandchildren, Isaac and Eli Markland.

A funeral service was to be conducted at 7 p.m., Wednesday, April 1 at Eaton Funeral Chapel with Dr. Glenn L. Myers Jr. officiating. A private burial was to be in Rose Cemetery. The family was to receive friends at the funeral home following the service.

Condolences: www.eatonfuneralservice.com.

Mr. William Kenneth "Ken" Jordan Jr., 55, of S. Main St., Mocksville, died surrounded by his family, Saturday, March 28, 2015, at Wake Forest Baptist Medical Center in Winston-Salem following a head injury sustained in a fall.

Mary Elizabeth 'Libby' James Etchison

Mrs. Mary Elizabeth "Libby" James Etchison of Hickory Tree Road, Mocksville, died on March 25, 2015 at Novant Health & Palliative Care in Winston-Salem after a long period of illness.

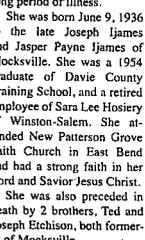

She was born June 9, 1936 to the late Joseph James and Jasper Payne James of Mocksville. She was a 1954 graduate of Davie County Training School, and a retired employee of Sara Lee Hosiery of Winston-Salem. She attended New Patterson Grove Faith Church in East Bend and had a strong faith in her Lord and Savior Jesus Christ.

She was also preceded in death by 2 brothers, Ted and Joseph Etchison, both formerly of Mocksville.

Survivors: her husband of 58 years, Billy Etchison of the home; 4 sons, Billy Carlos (Kathleen) Etchison, Joseph (Toulop) Etchison, Eric Etchison and Walter (Jaimie) Etchison, all of Mocksville; a daughter, Rebecca (Wayne) Allen of Advance; a sister, Sandra Rivers of Mocksville; a sister-in-law, Linda James of Mocksville; an aunt, Mae Daniels of West Palm Beach, Fla.; 6 grandchildren; 2 great-grandchildren; and a host of other relatives and friends.

Her funeral service was held Sunday, March 29 at 3 p.m. at Graham Funeral Home in Mocksville. Pastor Charlene Jones officiated and the Rev. Dr. Jamie Grant delivered the eulogy. Burial followed in St. John AME Zion Church Cemetery. The family received friends at the funeral home one hour before the service.

Condolences: www.GrahamFuneralHome.net.

Mrs. Mary Elizabeth "Libby" James Etchison of Hickory Tree Road, Mocksville, died on March 25, 2015 at Novant Health & Palliative Care in Winston-Salem after a long period of illness.

Cainin Alexander Wilcox

Infant Cainin Alexander Wilcox died Saturday, March 28, 2015 at Wake Forest Baptist Medical Center in Winston-Salem.

In the short time that he was here, he touched many hearts.

He was preceded in death by maternal great-grandparents, Henry Mac and Eliza Sanders and Claude and Oneta Beger; and a cousin, Michael Steven Beger Jr.

Survivors: his parents, Curtis Alexander and Brooke Elizabeth Sanders Wilcox of the home; maternal grandparents, Harold and Regina Sanders; paternal grandmother, Vicki and Jeff Van Schoyck, all of Mocksville; paternal grandfather, Tommy Wilcox of Pinnacle; paternal great-grandparents, Donald and Kathy Van Schoyck of Mocksville; and aunts, Lisa Stocklin, Sandra Angel, Hannah Wilcox and Stefanie Van Schoyck.

A memorial service will be conducted later. Memorials: Ronald McDonald House, 419 S. Hawthorne Rd., Winston-Salem, 27103.

Condolences: www.eatonfuneralservice.com.

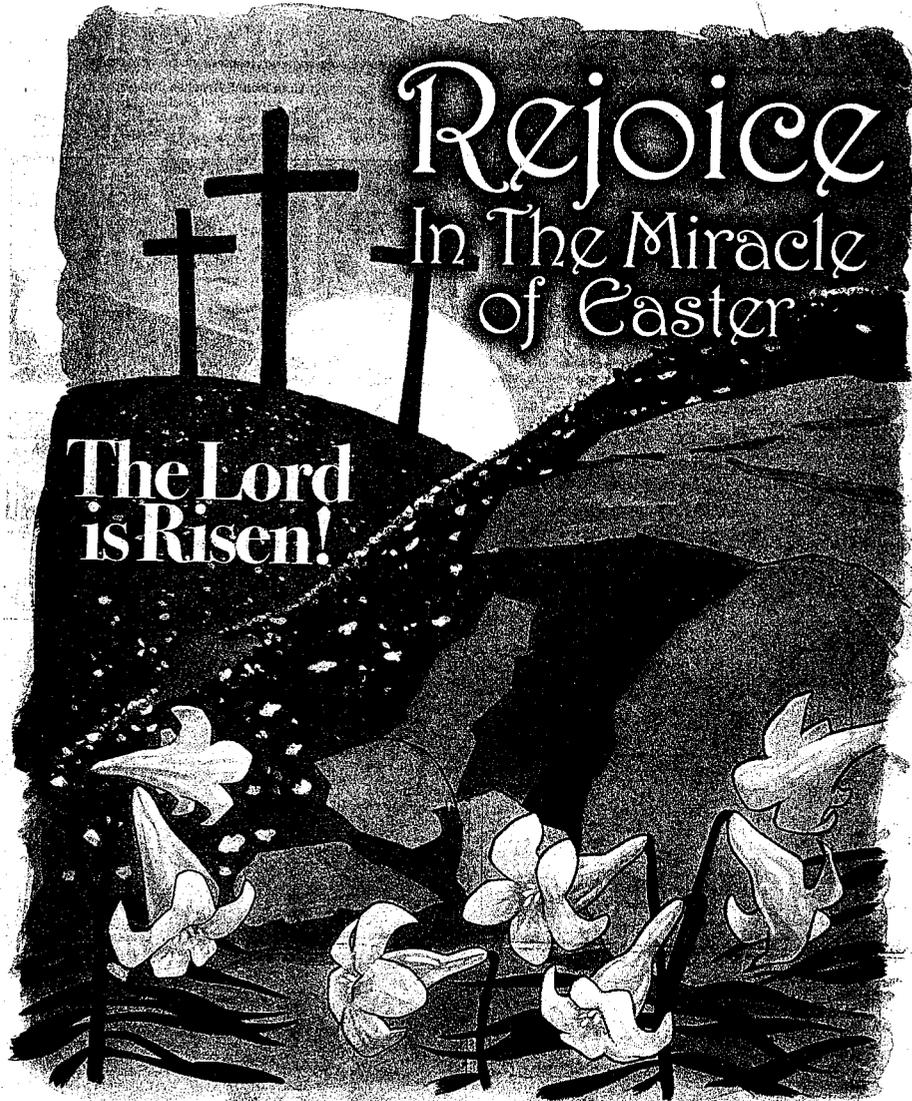

Infant Cainin Alexander Wilcox died Saturday, March 28, 2015 at Wake Forest Baptist Medical Center in Winston-Salem.

Students

Davie High Culinary Team Best In State

Davie High School ProStart students came home from the NC Prostart Invitational in Durham March 23-24 with a state title.

The competition has two categories: teams from across the state compete in the culinary competition or restaurant management competition.

The Restaurant Management team won first in the state. This team develops a restaurant concept and is judged on a written business proposal, verbal presentation, visual presentation and critical thinking.

Even though Davie has won second in this category for the past two years, the team hasn't taken top honors since 2009. This year's team is comprised of Kyle El Honsi and Rachel Larsen.

The culinary team took second place by a close margin to Cary High School. They are judged on culinary skills and execution, taste, food safety and sanitation, and food costing. The culinary team is comprised of Kathryn Bradshaw, Emma Kilgore, Destiny Lee, Jennifer Velazquez and Rachel Larsen.

The Davie High ProStart Management team will head to Anaheim, Calif. to compete in this year's national invitational at the Disneyland Resort April 18-20. They will compete against teams

Destiny Lee and Kathryn Bradshaw show knife skills while cutting chicken during the state competition.

Getting ready for competition: Rachel Larsen, Jennifer Velazquez, Kathryn Bradshaw, Emma Kilgore and Destiny Lee. The winning management team of Rachel Larsen and Kyle El Honsi with Davie High faculty advisors Hugh Lee and Mandy Hines.

The team is coached by Mandy Hines and assisted by Hugh Lee, both faculty at Davie High School. ProStart is a curriculum written and supported by the National Restaurant Association. Learn more at www.nrca.org.

Members of the Davie High JROTC Raider team compete at Harnett County Central High School

Davie High JROTC Cadets In Competitions

The Davie High School JROTC Raiders have been busy in the past couple of months.

On March 15, the Raiders went to Harnett County Central High School for a competition. Events included a modified Army physical fitness test, followed by a litter carry, in which they placed second.

On Feb. 7, the Adventure team took part in an orienteering competition at Reedy Creek. Because it

was a heavily wooded area, it was a difficult 4.4km course. Each group took about two hours to finish.

Of the nine teams Davie took to this event, they placed seventh, ninth and 10th overall.

On Feb. 15, the Adventure team went to an orienteering competition at Umstead North.

Placing teams from Davie were: Jake Conrad and Jacob Searlett, first; Katie Reid and Michael Dzybon, second; and Josh Lancaster and David Michalski, third. The terrain was a heavily wooded area with a central river. Teams completed the course in times ranging from 40 minutes to two hours.

North Davie Chorus 'Superior'

The North Davie Middle 7th and 8th Grade Chorus traveled to Greensboro on Thursday, March 26 to participate in the NCMEA Music Performance Adjudication. The group received a Superior rating from all three judges in performance and a Superior rating for sight singing. Members include, from left: front - director Anna Newman, Aisulu Ball, Marvin Morales-Flores, Parker Prysiazniuk, Kiley Childress, Katelyn Walker, Liza Warner, Meggan Rumble, Danielle Meyer, Sarah Hardin, Alea Livengood, Jaqueline Gonzalez, Mackenzie Heagans; middle - Becca Sawyer, Summer Taylor, Dawson Hedrick, Michael Wood, Mattie Clark, Hope Ledford, Hannah Newman, Savana Joyce, Tori Staley, Desiree Portillo, Victoria Gray, Lily Godwin, Danielle Walls; back - Breanna Driver, Kathryn Bradley Anderson, Anthony Azar, Owen Brown, Maddie Nardone, Kaitlyn Hunt, Katie Hines, Sierra Hancock, Ty Bivins, Jennifer Hernandez-Avila, Alexis Dulin, Payton Groover and Acy Bost.

Davie Schools

Coolee Elementary Kindergarten students have been studying frogs. They talked about the life cycle of a frog, discussed the difference between frog facts and opinions, read stories and watched movies about the interesting amphibian. Students wrote stories and illustrated pictures about frogs. They attended an IVC (interactive video conferencing) in the media center to learn more about frogs.

In math, first graders are reviewing adding 3 digit equations, time to the hour and half-hour, counting, and place value. They are using strategies to determine the sum and difference within these concepts. Students are using mental strategies to add ten more and subtract ten from any number.

In social studies first grade students are learning about the continent of Africa. Students listen to stories taking place in Tanzania, Africa. They compared and contrasted the children's way of life in Africa to the way of life in the United States. In April a IVC has been scheduled; students can meet children near their age from Ohana, Africa. They will discuss chores, games, and holiday traditions.

Children continue to practice reading skills. They are focusing on determining the central meaning within text, types of text and what the author wanted them to learn. First graders are us-

ing and building skills by asking and answering questions to help them understand what words mean in non-fiction text. Children continue to use text features to help understand non-fiction text and determine what is different about what a picture shows and what the words say.

Second grade students read several poems about what excites in nature. They made inferences to understand what a poem describes. At the end of each poem, children wrote about details that help them visualize how each poet felt about nature.

In math, students began a unit on measurement. Students are using rulers to measure objects around the classroom and at home using centimeters, meters, feet, and yards. Students are able to practice the concept by using SmartBoard in Africa. Students listen to stories taking place in Tanzania, Africa. They compared and contrasted the children's way of life in Africa to the way of life in the United States.

During social studies, students are coming to an end on completing animal research reports. They are able to identify and write about the appearance, habitat, diet, family, and other facts. Students in Ms. Tatum's fourth grade class have been learning about current events in the world. Each week, students visit the computer lab to research events that are happening locally, nationally, and globally. Students are able

to research from many approved websites and choose a current event interesting to them. Then students are asked to make their own newspaper article with a picture that tells the rest of the class about the event. Students are learning about and discussing a variety of events that are happening in the world today.

Fifth grade started a biome project. Each group was given a biome to research and was assigned a different job. The end project will be a PowerPoint they will use to teach classmates about their biome.

Pinebrook Elementary Kindergarten classes finished meeting Letterland characters. Students moved on to word families and are preparing for the annual Easter Parade. They are decorating halls with Spring writing and art.

Second graders chicks were to hatch on Monday. They have been studying the life cycles of all kinds of animals. Students read several books and will be using knowledge to make a presentation. In math, second graders are learning about collecting data, creating and reading graphs. They have been working together to solve problems involving information from graphs.

Third grade classes attended a performance at the Brock Performing Arts Center sponsored by the Davie County Arts Council. The program was called "Let It

Cornatzer Elementary Cougars of the Week, from left: front - Audrey Dymson, Sandy Zelaya, Landon Pettys; back - Ali Angell, Sadie Eddinger, Tim Nelson.

Shine," a way to learn about the civil rights movement. Actors sang and told stories as if they were the people from the past, telling the story of what happened in their lives.

Fourth graders are finishing biography research projects. In math, they are studying fractions using number lines. Students are preparing for next month's IVC with Ghana. Students in Ms. Walker's class have read about Ghana's present traditions. In social studies, students continue a study of government. In science, students are learning about

electricity and nutrition.

Fifth grade students are learning about The Civil War and issues that led to many states wanting to leave the nation. In language arts, students are reading novels based on The Underground Railroad. Students learned that some people believe that quilts held secret meanings that helped slaves escape to freedom. After completing their own research, each wrote a paper on the topic and created a quilt square. In science, they are learning to write a report on why they like that decade and important events that took place during that time. Students were given the option to come to school dressed in clothing that depicted their decade.

In science, students worked in cooperative groups to create a project that goes along with a unit of study they have learned this year. Projects ranged from weather instruments from the human body systems. Parents are invited to school on March 31 to view student projects and listen to a recorder concert directed by music teacher, Sean Nelson. Students enjoyed math this week in Mrs. Moore's class. They completed math activities centered around M&Ms. Much to the students' enjoyment, students were allowed to eat the math manipulatives at the end of the lesson.

Mocksville Elementary Students of the Week: Luke Foster, Raymon Gray, Addie Clina, David Lanier, Emma Boardwine, Chloe Jenkins, Makenzie Gentry, Kaylee Long, Silas Marion, Odalyz Saus, Kaiden Burton, Dyllan Calais, Neyra Barron.

Cornatzer Elementary Fifth graders on March 26 participated in Decade Day. They were asked to pick a decade in which they would like to have lived and write a report on why they like that decade and important events that took place during that time. Students were given the option to come to school dressed in clothing that depicted their decade.

Shady Grove Elementary The media center has been a hub of activity. Kindergarten students have been exploring fairy tales, folk tales, and fables. They enjoyed reading the classic stories vs. fractured fairy tales. First grade is beginning to research the moon. They are excited to research using e-books and online resources. Second and third grade students have been exploring the library using the Dewey Decimal System. They completed biography research on presidents and historical figures. Fourth grade explored authors, types of fiction books, and animal research. Fifth grade has been learning about government. After researching, they recorded short vid-

Events Scheduled For Hope Grows Fundraiser

Hope Grows (www.hopegrowsinternational.org) is having a fundraiser on May 16 at Camp Mania to send Billy and Allie Riddle to South Sudan for five years.

The event will be a 5k, a tug-of-war competition and a one-mile obstacle course. The day will start with the 5k at 8 a.m. Next, beginning at approximately 9:30 a.m., Manna in Coolee for a full day of fun and support for these missionaries.

The day will start with the 5k at 8 a.m. Next, beginning at approximately 9:30 a.m., Manna in Coolee for a full day of fun and support for these missionaries.

will be an obstacle course set up for all those wanting a challenge. The tug-of-war challenge will be for teams of seven or less. Prizes: 5k - \$25 until May 1, \$30 May 2 and day of, no age limit. Obstacle course - \$10 per person per run, 11 years and older. Tug of war - \$30 per team until the day of, \$60 per team the day of, \$10 per person without a team, no age limit.

Church Begins Health Living Series

In January, members of Clement Grove Church of God, 7th Day began a Healthy Living Series at the church, 159 Parker Road in Mocksville.

The presenters shared two brief videos, led a group discussion on peer pressure, provided statistics on youth smokers and the health impact, and distributed educational materials. The youth signed pledge cards, making a commitment to remain tobacco free.

The church received \$1,000 to be used to continue educating youth regarding tobacco use. The grant for the youth tobacco use prevention project was contributed through a program that enables employees to request funds from their employer for youth tobacco prevention projects at local community organizations.

Shred Documents April 18 In Bermuda Run

Last October, the Bermuda Run Garden Club sponsored their first community wide shredding event at the Bermuda Run Town Hall parking lot.

The shredding was done on site by a mobile shredding truck. Drive-through service was available, and people could watch their documents being shredded in a safe and secure environment. The shredded material was taken to a facility to be recycled into paper towels and napkins. All recycling was done to EPA standards.

The club will sponsor events in April and October each year. The next will take place rain or shine on April 18 from 10 a.m. to 1 p.m. at the Bermuda Run Town Hall parking lot. The cost for each paper grocery bag/box filled with stuff to be shredded is \$5 and for hard drives it is \$5.

Consider Fertilizer For Pastures

By Phil Rucker Extension Agent
 It is that time of year to get serious about fertilizing pastures if you have not already accomplished that task.

While fertilizer might seem like an expensive input, we need to look at it as an investment into the future of our forages. Cutting costs is good, but being more efficient is better.

Utilizing several or even one of these management practices will increase the effectiveness of your fertilizer application.

Earns Degree
 Michelle Burns of Mocksville has received her bachelor's degree in business management from Western Governors University (WGU).

Proper grazing and harvesting management, along with a good weed control program strengthens the forage stand, increasing the effectiveness of fertilizer

Contact Cooperative Extension, Davie County Center, 753-6100 for more information.

NOTICE OF MEETINGS OF THE DAVIE COUNTY BOARD OF EQUALIZATION AND REVIEW
 Pursuant to N.C.G.S. 105-322 the Davie County Board of Equalization and Review will meet as required by law.
PURPOSE OF MEETINGS
 To hear, upon request, and all taxpayers who own or control taxable property assessed for taxation in Davie County, with respect to the valuation of such property, or the property of others, and to fulfill other duties and responsibilities as required by law.
TIME OF MEETINGS
 The Board will convene for its first meeting on April 7, 2015 at 6:00 p.m.
 The Board will adjourn for the purpose of accepting request for hearings at its meeting on April 28, 2015 at 6:00 a.m.
 Request for a hearing must be received no later than the final adjournment, which is scheduled for Tuesday April 28, 2015. In the event of an earlier or later adjournment, notice to that effect will be published in this newspaper.
 The schedule for the hearing of appeals which were filed in a timely manner will be posted at the office of the Assessor, serving as Clerk to the Board, and will also be provided to individuals and organizations that have requested a notice pursuant to N.C.G.S. 143-318.12. All requests for hearings should be made to: Brian S. Myers, Clerk to the Davie County Board of Equalization and Review 123 South Main Street, Mocksville, NC 27028 Telephone: (336) 753-1315 Email: taxeval@dcgov.nc.us

Mrs. Etter's students at Mocksville Elementary are ready for a Pop Rocks experiment (left); and Ava Montoya and Ricky Plowman are excited to see the results when the candy is poured into a soda.

Pop Rocks & Soda: MES Students Make Carbon Dioxide

Kaitlin Hall and Mrs. Chunn's kindergarten students at Mocksville Elementary have been learning about dental health.

Students read books, completed writings, and learned how to take care of their teeth. A dental hygienist spoke about the proper way to brush teeth and learned what is harmful and helpful towards teeth.

Angeline Etter and Mia White's first grade class has been learning comprehension strategies for reading. The students have been learning about telling what happens at the beginning, middle, and end of the stories.

The class has also been learning about the problem and solution in a story. Students learned how to answer these questions in complete sentences.

Many started working in literature circles during focused instruction time. The students enjoy having different roles when reading a story.

In writing, the students are learning to proofread and how to make edits. In math, students have been learning to tell time to the hour and half hour.

In science, the class completed a science fair project using Pop Rocks, soda pop, and balloons. The students learned that Pop Rocks in soda can make a balloon inflate because of the pressurized carbon dioxide.

The class has enjoyed having a student teacher, Hannah Huie, from Appalachian State University.

Dana Parker and Michelle Myer's second grade students have been reading "Helen Keller" and "The Big Storm." This story starts off by giving the children background information about Helen Keller. The story is a narrative non-fiction that tells about one small part of her life.

In math, students have been reviewing all of the things learned during the third quarter: triple digit addition and subtraction, money and time.

In science, they have been learning about penguins. They are finishing this unit by writing a three-paragraph paper about Emperor Penguins, Rockhopper Penguins and Adelle Penguins.

Have you ever seen a classroom where the students were the teacher? Well, this week in math, third graders switched the focus of instruction from the teacher to the student. Through the use of learning tools, they made discoveries about the mass of objects

and found the difference of mass between objects. This student-centered learning method was successful and the students want to be in charge more.

All children share a natural curiosity of how things work. Fourth grade students in Nicholas Strickland's class had the opportunity to explore "big questions" by participating in an interactive video lesson with a teacher in Durham.

Students capitalized on the experience by using materials to explore the properties of objects throughout the library.

Students are looking forward to a field trip to Horizons in Salisbury. They will continue to explore big questions and build an understanding of the world around them.

Laura Dotson's fifth grade students are starting a unit on informational text structures. After spring break they will take what they learned and create a non-fiction magazine on a topic of interest.

In math, they are adding and subtracting fractions. They are beginning to study battles that took place during the Revolutionary War. Students wrote a letter to King George stating that they would like to break up with him from the perspective of a colonist.

Jane Thomas' students participated in a science rotation activity with kindergarten and learned all kinds of things about science in the real world. They experimented with changing colors in flowers for the science fair.

The EC department also had a soup and sandwich luncheon to raise money for the Special Olympics. It was a huge success and raised \$338.

Mrs. Strickland's students participate in an interactive video lesson with a teacher from Durham.

Mrs. Wyatt's third graders, Jerrod Alexander, Daniel Pino and Asia Booe measure the difference in mass of objects.

Katelyn and Dawton check to see the if the color of their flowers change when dipped into colored water.

Bids \$11 Million Above Estimate

School Leaders Confident High School Costs Can Be Negotiated County Approves On 3-2 Vote Sale Of \$54.5 Million In Bonds

By Beth Cassidy
Enterprise Record

School board chair Chad Fuller said he is "shocked and disappointed" the lowest bid for the construction of the new high school came in \$11 million over the \$56.6 million budget, but added meetings are under way to try to align the numbers.

Fuller acknowledged rumors probably being the day after the bids were submitted and wasn't surprised to hear one of those included the possibility of scratching plans for a football stadium. He said no one has gone into panic mode and no changes have been made to the project.

"We have met and will continue to meet with the architect to discuss what we can do to get this project within the parameters of the available funding, and we hope to have this worked out very soon. Changes may need to be made, and we don't know yet what those will be, but will do everything we can, and we are optimistic we will be able to protect the integrity of this project."

Eight contractors were pre-certified to bid, and bids were received from four. Superintendent Dr. Darrin Hartness said all the bids were over the projected cost but said he was confident

Enterprise Record

Selling \$54.5 million in General Obligation bonds is a complicated process. And when the bids come in at 20 percent over projections, it becomes even more complicated.

That's what county commissioners faced Monday night. The agenda included a resolution providing for the sale and issuance of bonds to build a new high school.

The problem: voters approved \$54.5 million, bids came in at over \$60 million (See separate story).

Commissioners struggled with the decision, but voted 3-2 to go ahead

with the bond sale, scheduled for April 21. Chair Terry Renegar, Richard Poinxter and John Ferguson voted to go ahead with the sale. Commissioners Mark Jones and Dan Barrett voted against it.

Paul Bellow, bond counsel hired by the county, said the state Local Government Commission will require that the county prove it can pay back the bonds, which amount to a loan to build the school. If the voters approved \$54.5 million, that means the county can tax (An estimated 10.8 cents per \$100.) to pay that back. If they can't prove they can pay for a costlier project, the state

County Upgrading Online Access

Each April, counties dedicate a month to raising public awareness of local government services and the roles and responsibilities of county offices.

Davie County is participating in National County Government Month in hopes of making residents more aware of what their local county government provides.

One of the first steps Davie County is taking to reach the public is by implementing several communications efforts that are intended to begin a dialogue between local government and the residents they serve.

The county launched local government Facebook and Twitter pages. In addition, the county launched its first e-newsletter, the County Connection, on March 31 and plans to distribute this electronic communication via email on a monthly basis. The newsletter will be housed on the county's website and residents are encouraged to subscribe to this communication tool.

"We are excited to begin a conversation with residents in our community

Woman Burned Trying To Save Dog From House

By Beth Cassidy
Enterprise Record

A fire that likely started in the kitchen of a Farmington Road home last Wednesday sent one of the residents to the hospital with burns.

According to Farmington Fire Chief Todd Naylor, Lou Tollison told paramedics before she was transported to the hospital that she was cooking when a pan of grease caught on fire. She tried to put the fire out with baking soda but the fire traveled outside the pan and flared up.

Greg Williams, whose wife Angie is a relative of the Tollisons, was passing Tollison's home on his way to choir practice when something caught his eye.

He turned around at the fire department and went back to the house, but by the time he arrived, passing motorists had already seen the flames, kicked in the door and were inside the home. Williams went around to the back of the home, noticed the basement doors open and went inside, finding Lou there. She had been looking for her dog. He took her hand and led her around to the front lawn, he said.

Naylor, who responded to the 911 call that was placed around 7 p.m., said the dog was found and was suffering from smoke inhalation, but oxygen was administered and the dog was able to recover.

Naylor said the investigation is still

Passers-by Act On Instincts; Go Into Burning House

By Beth Cassidy
Enterprise Record

Austin York still isn't sure why he took the back way home from work last Wednesday night. He said he "just had a feeling," but nothing could have prepared him for what he would see and do.

York, 19, said as far away as half a mile from the area of the Farmington Community Center, he saw black smoke, and when he got closer, he could see it was coming from the home

beside the center. He also realized as he paused in the roadway that no one else was around.

Slamming his car into park, he ran as fast as he could toward the house, leaving his car still running in the road. By the time he got to the lawn, another motorist had stopped, and was also running toward the house.

York was on the phone to 911, and as he hung up, he ripped open the locked glass storm door, kicked in a locked

Budget-Buster Bids Causing Sticker Shock

"A million here, a million there, pretty soon, you're talking real money."

The late U.S. Sen. Everett Dirksen spoke those words about the federal budget long ago. It might also apply this week to the new Davie County High School construction project.

Supposed to cost \$54 million, bids unsealed last week were considerably higher. The lowest construction bid was \$59 million. That doesn't include a list of extras and the cost of outfitting the school. County commissioner Mark Jones predicted a final cost of \$67 million.

"There are way too many questions right now," he said.

Uncharacteristically, the board voted 3-2 on Monday to plow ahead, starting the process to borrow \$54.3 million and sorting out the details later.

Jones and commissioner Dan Barrett went in vain to delay. As Barrett has noted, doing this process right is important to the success of any future school bond projects. Their integrity is on the line. If the commissioners and school board can't live within their means, voters won't be fooled next time.

There were sure to be bumps in the road to building the school. The construction bids are a major setback.

Similar to buying a new car, this school can be built without some of the pricey options. Will the school board give up leather seats for cloth and toss the four-wheel drive and heated seats?

Taxpayers might rightly be concerned that they are getting more than they bargained for.

Yellow dandelions were the most populous wildflower decorating the graves in God's Acre on Sunday morning. Normally, I frown at dandelions. On Easter Sunday, they seemed very appropriate and pretty as they bloomed among the tombstones.

My geraniums placed on relatives' graves were slightly nipped by the cold Saturday night. Temperatures dipped to 36 degrees, cold enough to damage delicate flowers.

Otherwise, it was a beautiful Easter morning. We civilized Macedonia Moravians do our sunrise service at 11 a.m., leaving the milking time hours for the official sunrise service to the Old Salem folks. By then, temperatures had warmed for us, the sun was out and light jackets were enough.

Flowers — especially those brought on Sunday morning — were beautiful.

I mixed geraniums with an artificial arrangement this year. In years past, I would have considered that heresy. I've mellowed about such things.

Speaking of heresy, I see that First Baptist Church of Winston-Salem has named a woman as its senior pastor. There was a time churches subscribed to the Paulian doctrine that women should be quiet in church. No longer. Women tend to be the waker bees in most congregations. Let them preach, too.

I changed my mind about women pastors when I heard Shirley Cottle speak for the first time 25 years ago. She was good. I'm still a firm believer that preachers should be happy since they are spreading "Good News." Shirley is happy.

In God's Acre on Friday, my little granddaughters from Virginia dutifully and enthusiastically scrubbed their grandmother's grave at the Macedonia cemetery. They also scrubbed their great-grandfather's grave and their great-great-grandparents and great-great-great-grandparents and assorted great-uncles and aunts ... and some others just because they hadn't grown tired.

I gave them my own version of "Roots" stories from the past generations. They seemed most intrigued by my Uncle Kermit, killed at age 2 when he was kicked in the head by my grandfather's plow horse. And their faces frowned at the story about Kermit's sister, "Little Edith," who died at nine days old.

That section of the cemetery is filled with children, and the granddaughters had trouble with the term "failure to thrive." I had trouble too. My Cayden insisted that one of our flowers go on Little Edith's grave.

Dwight Sparks

Q. When Will Hillary Announce for 2016?

In The Mail ...

Attack On Mayor Unjustified

To the editor:

I felt extremely sorry for my good friend - Cooleemee Mayor Lynn Rumley - when I read last week's editorial page (Cooleemee Decision Not Progress). She does not deserve the indignity and disrespect of being called a tyrant, dictator, an architect of anarchy or being singled out after her decades of public service to the town of Cooleemee. It was way out of order and I would trust that the overwhelming majority of Davie County residents who read it would have the good common sense to agree.

For I found this particular letter to the editor to be an unbecoming, self-serving diatribe, a long-winded hate-filled character assassination that tried to sow its cruelty by hiding behind the banner of patriotic quotes. While I never once felt like the contributors of this editorial were speaking from the heart of a concerned American, and perhaps I'm wrong, but it is my humble opinion that the writers of this hatchet-job have never stepped foot in Cooleemee nor have they ever met with any of our town leaders and I gathered from their lack of respect for our public servants that they haven't lived in Davie County that long; and, therefore would have no real concept of what the so-called go-gooder committees or town council are actually trying to achieve. I found the writer's claims of local injustices at the hands of an evil dictator and her minions be-

ing on destroying our constitution to be totally ridiculous and mentally insulting.

Point in case and I quote, "It's because of people like you that our nation is in the crisis it's in." Wow, really? And this whole time I thought it was in part due to our oversteering, foreign imports, drugs in our schools, taking God out of everything, lack of jobs and the birthing of an ungrateful, self-entitled generation.

Who are you to speak on our progress?

I and many others in Cooleemee have spent hundreds of weekend hours with Lynn on committees, volunteer events, forums, planning school functions, meet and greets, summer day camp, painting local historic sites, fundraising events and the list goes on ... many times to the point of exhaustion and it has always been at a personal loss of revenue and time away from our loved ones, so the legacy of what was written last week will have the life span of a couple weeks. However, the love, friendship, benevolence and countless years of service and dedication that Jim and Lynn Rumley have given to our community will endure for generations and that is their legacy.

"Example is not the main thing in influencing others. It is the only thing." Albert Schweitzer

Joey Shore
Cooleemee

United Way Worthwhile

To the editor:

As I write this letter, I find myself again being thankful and proud to be a resident of Davie County. I have known for quite some time how generous this community is, but over the last year, I have witnessed generosity at a unique level.

Last summer, I agreed to serve as the campaign chair for the United Way of Davie County's Annual Campaign. I will be the first to admit that I was not only apprehensive to take on this task, but a bit unsure as to what would be involved. However, I am proud to say that with the encouragement, support and hard work of many, the campaign was a success.

Over the last several years, our United Way has set the bar high in regards to the annual campaign goal. The idea was to determine the level of funds raised based on the financial need that was requested by United Way of Davie County agencies and programs. Unfortunately, for the past seven years, the goal was unmet forcing the UWDC to be unable to fund our agencies/programs at the levels they needed to provide necessary help in our community. Since the campaign goal appeared to be unrealistic, the United Way of Davie County Board and professional staff made the tough decision to lower the goal, but still have a goal that would allow the organization to fund partners at a substantial level. This year that goal was identified as \$450,000. I am proud to announce that we have not only met our goal but exceeded it by nearly \$15,000. This is certainly a reason to congratulate one another for a job well done, but also thank the many contributors who have made it possible for agencies and programs that address human needs to provide here locally.

I must say the overall picture of the campaign became clear to me over the past two weeks as I participated in the Community Investment Council (CIC). Basically, this involves listening to our programs/agencies (both existing and new) present what they do in Davie County, how many they serve in the community and what they need financially as a non-profit to operate. If you have never participated in this, I encourage you to do so. It is not only a humbling experience to hear and see how much these groups do with such limited funds, but to also truly see their passion for the individuals they serve. The tough part of the CIC takes place after the presentations. That is when our sleeves are rolled up and monies raised from the capital campaign are allocated.

Fortunately, the United Way of Davie County provides documentation to use for measuring programs/agencies as they present their need, but I will be the first to admit, I did not hear from anyone who did not have a valid need - mak-

ing our task even more tough. Going in to the allocations meeting, hopes were high after learning of the campaign goal being achieved, but we quickly learned that the need submitted by our agencies combined with our scores, resulted in a shortage of \$25,000. Basically, our group of 22 worked for several hours to determine where money could be distributed. I am proud of the work that came out of this group. We were able to fund almost every request at a relatively high level, some more than double the funding they received last year, and we also were able to welcome a new partner agency this year, Just Hope, Inc.

I am so thankful to be able to witness how this works. It makes me even more confident about supporting the United Way of Davie County. As I left the final CIC meeting, I couldn't help but think "If only we would have had that \$25,000." What a celebration it would have been to announce that all requests were fully funded and the agencies and programs could focus on serving the populations they serve in Davie County without having to worry about the amounts we were not allowed to fund.

Next year, I am giving the United Way of Davie County another year of my service and will again serve as the chair. I hope to increase our fundraising goal incrementally (realistically, of course), but also focus on one area that is a game changer for the United Way of Davie County. This is the area of Employee Campaigns (ECs). ECs provide employees with the opportunity to extend giving opportunities to their employees through payroll deduction. Employees can always decline this internal company program, but the most important element is that it allows employees to learn about how the United Way of Davie County serves and if they so choose, support the organization and its partner agencies/programs. We often think that large gifts are the only worthwhile gifts, but when it comes to the United Way of Davie County, small gifts (for example, \$1 per week deducted through payroll deduction) are the gifts that allow huge things to happen in our community. I hope next year, whether you are a company owner or an employee of a company, you will join us during our annual campaign. To put it in perspective, less than 500 individuals in our community committing to \$1 per week would have enabled us to make up the \$25,000 shortfall.

Again, thanks to all of those gave to our annual campaign, served on the campaign cabinet, as well as the staff of the United Way of Davie County - without your help and involvement, our goal would not have been met. As we look to next year's campaign, I look forward to adding many new folks to our long list of those to thank.

Wendy Horne
United Way campaign chair

History Lives On The Other Side Of Cana

To the editor:

I want to say thank you to Mrs. Betty Etchison West for continuing the Cana news and history. It has consumed a lot of time and energy. In a March 26 photo, a paper Pepsi Cola sign advertising drinks for 5cents could be seen. Billy Etchison was holding a carton of small Cokes, they were six for 25cents. Those were the good old days. I remember where I was at when drinks went from 5cents to 8cents. I was helping my uncle put in tobacco. He went to Boe's Store to get drinks for his workers. He came back mad as a bee in a tar bucket, and swore he wouldn't buy any more. I doubt he missed more than two or three.

On April 2, she wrote about Miss Jennie Eaton Hill and daughter Beatrice. I recall hearing my mother, Mrs. Alma Alberta Latham White, tell these stories many years ago. The first house was beside the Cana Academy. The academy burned; Alberta was a student there and there was a knot hole in one of the boards on the wall. Over the years, students had dropped pieces of paper into the hole. One of the boys struck a match and dropped it in the hole. The Cana Academy burned to the ground. There were no fire departments. The only source of water was to draw from a well. As it was likely made from forest pine, water could not be drawn quickly enough.

Miss Jennie Eaton Hill was a formidable lady. When a ball went onto Miss Jennie's yard, she retrieved the ball and kept it. That was the end of the ball playing for that day. The string tied to a kernel of corn and fed to Miss Jennie's chickens; sometimes the string was tied to a straight pin bent in the shape of a fishing hook and baited with the corn, dropped out the window. I asked mother if the chickens fluttered or made noise when caught. That's when the boys would turn the string loose before teachers caught them. Goals had been accomplished; they were getting back at Miss Jennie; they didn't get caught by Miss Jennie or the teacher.

The Hill property was sold to Watson Lowery. Watson carried the Cana mail. There is another story about when Watson's mail carrying ended and Joe Forebee's began. Watson last lived one mile west of Cana on Angel Road. I sleep in the same room that Watson Lowery died in.

News did travel fast in Cana - a by word of mouth. I passed through Cana with a girl in a 1955 Chevrolet about 1967. I paid \$175 for the two-door Big-Aire. The money was earned lying sacks on a John Deere combine, pulled by a F-30 Farmall and off bearing lumber for Mr. Everett Etchison. Thanks to my late aunt and uncle, my mother and dad knew about my adventure before I got home.

Miss Beatrice wore new hats in the spring and fall. Easter always brought out the new hats and outfits. I mostly attended church at Ijames Baptist. There was a lady there years ago who had the nickname of Miss Minnie Pearl.

There was no TV in those days, so we created our own fun. The Sears Roebuck catalog was a welcome sight in the mail. At our home, it was called the Sears and Rarecock Wish Book. We rared back and looked at every page and wished we had the money to place an order. We were just poor folks living in a rich man's world. The best part, at the end of the path, stood an outhouse. Poor folks had no indoor plumbing. To the outhouse and to the old Sears & Roebuck catalog we went. By then, all of the pages that were black and white had been used. When crumpled, they worked. The colored pages were left until the last. They were slick and didn't work as good. My grandpa used corn cobs. I tried that one time. Too rough on the year. I never knew there was such a thing as toilet paper on those pretty white rolls until I went to school.

Johnny Etchison was more fortunate than Johnny White. I never heard of an allowance until I heard city boys talking about an allowance at school. Miss Beatrice Hill and her boyfriend sat in the living room with windows closed and shades pulled winter and summer. I'm sure that sent imaginations running wild. That is Cana's unsolved mystery. Call Dateline.

An outhouse still stands on the Albert Huchen's property. I was careful with my bull-dog Saturday not to bump that jewel. It appeared to be well used and very fragile. There was another Cana lady who carried Miss Jennie's tradition of being protective of her property and being quick to reprimand any transgressors. Another Cana boy aggravated her without detection through her dog. That's another story. All of these incidents occurred before animal abuse, child abuse or neglect was ever heard of.

I never knew Mr. John Hill and I think we had a lot in common. Both named John. Both farmers. Both had a spouse that never moved far enough away. I hope I don't have to share the same cemetery, as he probably did. John White or Mr. John Hill never dared to take the risk to marry a second time.

John F. "Johnny" White
Mocksville

Letters Welcome

The Enterprise Record welcomes letters from its readers on topics of local, state, national or international issues. An effort will be made to print all letters, provided they are not libelous, vulgar or in poor taste. The editor reserves the right to edit letters for grammar and for space.

All letters should include the name and address of the writer, including a signature. A telephone number, not to be published, is also requested. Please have letters in the newspaper office no later than 4 p.m. Monday of the week to be published. Davie County Enterprise Record P.O. Box, 99, Mocksville, davie3@centurylink.net.

Davie County Relay For Life Happenings

Here is a list of some of the things teams are doing to raise valuable funds for Relay For Life. If you know of an event or are hosting an event, please email Rebecca.sink@cancer.org with the details.

April 10th and 11th - Bethlehem Warriors are hosting a HUGE yard sale at Bethlehem UMC at 321 Redland Rd in Advance. They have lots of stuff including big furniture items and nice outdoor furniture. They will open the doors at 8 am on Friday and go until Saturday when they sell out!

April 11th - RELAY DAY at Maw Maws Kitchen at 2615 US - 158. 7 am to 7 pm a portion of sales will be donated back. Come out and have breakfast, lunch and dinner with the Cancer Clean Up Crew!

They will also be at the breakfast on the 25th. Winners will be announced at Relay!

Bids ...

Continued From Page 1 they would be able to bring the project within the parameters of the budget.

The lowest base bid was from Branch & Associates, Inc. of Roanoke, Va., at \$59.1 million, and the highest base bid was from Rentenbach of Greensboro, at \$63.5 million. Other bid-

ders were New Atlantic Contracting of Winston-Salem, at \$61.3 million and Edifice, Inc. of Charlotte at \$61.9 million. There were 19 bid alternates, some of which could be deducted and some added, and if the board didn't use any of the add-ons and exercised all but one of the possible de-

ductible items, the low bid from Branch & Associates would become \$55.8 million, Harness said. Two of those alternate items are softball and baseball fields and the use of one type of flooring over another.

State law allows boards to enter into negotiations with the lowest bidder to make changes in plans as necessary to bring the contract price in line with funding.

Fuller said his sources indicate construction prices have risen 15 to 20 percent within the past six to eight months. The school board members will discuss the bids next week.

Bonds ...

Continued From Page 1

won't sell the bonds. Ferguson said approving the resolution to sell the bonds not only gives the school system an amount to work from, it is what the voters approved.

Barrett said the confusion comes in with a bond premium, an un-promised likelihood that the institution that buys the bonds will offer the county up-front money. It could be as high as \$6 million.

"I am concerned we can be re-sparking that, debate if we don't stick to the will of the people," Barrett said. A bond premium could put available funds well above \$54.5 million.

Ferguson disagreed. "We are doing the will of the people. The people said \$54.5 million, that's all we're asking for," A premium could help but all the county is asking for is \$54.5 million, he said.

Jones said the project costs are close to \$67 mil-

lion. "That is clearly not what the people voted for. There are way too many questions right now," Barrett said.

Poindexter read from the ballot approved by voters, "... up to \$54.5 million ... together with any other funds." The school system has committed \$2 million to the project. Poindexter said that if there's no premium, the school will have to be built for \$54.5 million; if there is a premium, it should go to the project.

Barrett made a motion to table the decision until the schools come up with a new figure after negotiating with the contractor and architect.

"What will that change?" Renegar asked.

Jones said the county has no recommendation or plan from the school system. "We have no idea they can get to that."

"If they can't get to that, we won't sell the bonds," Ferguson said. "Get things in motion so they can deal with it."

County ...

Continued From Page 1 via these new methods. Davie County government provides so much for this community and it is our responsibility to share that with the community. We also want to establish lines of communication with our residents so they can let us know what they need and how we can serve them better," said County Manager Mike Ruffin.

"National Local Government Month presents with the perfect opportunity to launch these efforts and show how Davie County government resources are

a key component to making our community healthy, vibrant and safe," said Ruffin. The county will not only rely on electronic methods to share news.

"Whether you're in Mocksville, Advance, Cooleemee, or anywhere in between - it is vitally important that we do an effective job in reaching residents in their locations. We will continue to partner

with local print sources and work hard to make sure residents are informed." As the county begins these efforts, interested parties are encouraged to join the county on Facebook at Davie County Government and on Twitter at DCgovt.

The newsletter can be subscribed to by visiting www.daviecountync.gov and clicking the Subscribe link on the left of the web page. For more information, contact the manager's office at 753-6001 or info@daviecountync.gov.

Firefighters rush to get water onto the burning house.

Fire ...

Continued From Page 1
 In preliminary stages and he hasn't spoken to Tollison, he said he was told she suffered second and third degree burns to her right arm and face. Her husband, Leroy, was at work when the fire broke out.
 Extensive fire damage was done to the end of the home where the kitchen is located and to the carport off the kitchen. In other areas of the home, fire, smoke, and water damage occurred. Naylor said while the Tollisons may be able to recover some personal effects, he believes the house, which was wood frame with siding, is a total loss.
 Traffic was re-routed for over two hours while fire units from Farmington, Smith Grove and Courtney responded, as well as the Davie EMS. Because the pick-up truck that was in the carport leaked fuel, which

The fire started on a stove in the kitchen.

Instincts ...

Continued From Page 1
 wood door, and entered the home.
 "It was so hot inside, and all that heat and all this black smoke just came rushing through the door when I got it open," York said.
 He and the other man, whose name he didn't get, got down as low as they could and quickly moved through the house, calling out to anyone who might have been inside. York said he saw a movement and thought it might have been a dog and also said he thought he heard a dog barking.
 "At that point, I knew there must be someone inside, because I've heard that dogs won't leave a dangerous situation if their owner is there. By this time, some other people were there, and the guy and I were still in the house. I had my t-shirt over my face, but there was so much smoke that I couldn't breathe and I was getting dizzy," he recalled.
 York ran outside, joining the other man, who had gone out ahead of him. He said he was out of breath and laid down on the grass,

and the next thing he knew, emergency personnel were tending to him. York suffers from hypoglycemia (low blood sugar) and said his blood sugar was low when the paramedics checked it. He didn't want to go to the hospital that night but did go to an urgent care facility the next day, where he had a breathing treatment and was given a steroid inhaler. He was still coughing and wheezing five days later but said he was finally able to breathe through his nose.
 York has no fire training, but has been racing dirt bikes all his life so is no stranger to making split second decisions. When asked if he considered at all the danger he was going into, he said, "It kinda went through my head if there were gas lines, the house could blow up, but then I thought it probably already would have. I just remember thinking if anyone was in there, they deserve a chance to get out. I wouldn't have been able to live with myself if that woman had been hurt really bad or died and I could have done something to prevent it and it didn't."

ran into a nearby stream, Mocksville's HazMat team also responded, Naylor said. Duke Energy had to be called to turn power off to a nearby transformer.
 Naylor said his thoughts were with Lou, who was in the burn unit at Wake Forest Baptist Medical Center, and despite her injuries, she was lucky to have escaped with her life.
 "A lot of people will try to go back into the home af-

ter a pet, and unfortunately, that's where we usually find them. She was lucky," Naylor said.
 When asked if putting baking soda on a grease fire is the best way to deal with it, Naylor said there is generally not a large enough amount of baking soda in a box to put out a fire.
 "The best thing to do with a grease fire in a pan is cover it to smother it. If you can stay calm, slip on an oven mitt and put the lid or a large plate on the pan. It's not a good idea to try to pick up the pan and move it, and you should never put water on a grease fire," he said.

While many of their fire calls are a result of cooking accidents, Naylor said with the innovation of safety devices and fire safety classes, those and other fire calls are much less common than they were when he joined the fire department.

Coolleeme Civitan BBQ Chicken Is Back

The Coolleeme Civitan Club will sell barbecued chicken on Friday, April 17 and the third Friday of each month through October.
 Meals are \$8 for a half chicken, baked beans, slaw, roll and cake. Orders can be picked up at the Civitan building off NC 801 from 10:30 a.m.-1 p.m. Orders of five or more can be delivered.
 Call Ed Carter at 284-2196 or 909-0696, Dude Jordan at 284-2030 or 909-2192, or Pete Shore at 336-782-4349.
 Meal reservations can also be made at Coolleeme Hardware in the shopping center.

Man Finds Out; No Cell Phones In Court

Cell phones make it easy to be reached anywhere, but a Mocksville man found out the hard way last week that the convenience is best enjoyed outside the courtroom.

Dustin Rae Jenkins, 27, was in court on a charge of assault on a female, knew the case would be continued, and was waiting to find out the new date.

Just before the lunch break, his phone went off. Courtroom Bailiff Wayne Stoneman approached Jenkins and asked him for his phone. Jenkins refused to hand over the phone and used profanity when speaking to Stoneman.

Stoneman turned and stood at the end of the row where Jenkins was seated, and just as court was to be adjourned for lunch, he told Judge Mary Covington Jen-

kins' phone had gone off and Jenkins was refusing to hand it over.

He had Jenkins stand before Covington, and Jenkins told Covington he was sorry his phone went off but would not hand it over and that he was only still there because he was waiting for a new court date.

Covington told him he could continue to wait until after the lunch break and had to turn his phone over.

Instead of doing that, Jenkins turned to quickly leave.

Lt. Lee Whitesides quickly moved to Jenkins, putting him up against the wall of the courtroom. The courtroom was emptied for lunch, but after the lunch break, Jenkins was brought out from the holding cell where he spent lunch. His attorney, Clint Dorman,

was charged May 15.

- Nicholas McKenzie Bohannon, 23, of Springwood Trail, Mocksville, was charged March 29 with possession with intent to manufacture, sell or deliver marijuana and possession of marijuana paraphernalia. Trial date: April 2.

- A disturbance was reported March 17 at a residence on NC 801 S.

- A woman reported March 10 it appeared someone had been in a vacant home on Neely Road. Nothing was stolen, but door locks had been broken.

- The larceny of a bottle of vodka from the ABC Store was reported Feb. 1.

- A Mocksville teen was cited for failing to reduce speed after a wreck on Gladstone Road at 5 p.m. Feb. 13. Mickey Danielle Rhinehart, 19, of Paw Paw Lane, failed to stop the 2008 Mini she was driving before it struck the rear of a 1996 Chevrolet driven by Britany Nicole Coone, 16, of Hickory, reported Sgt. Brent Cranford.

- A Downsview, N.Y. man was cited for failing to see before starting after a wreck on NC 801 at Midway Street at 4:10 p.m. March 9. Arthur C. Shaver, 79, drove a 2013 Ford from Midway Street, and it struck a 2004 Toyota being driven on NC 801 by Amelia Hernandez Bautista, 52, of Woodleaf, reported Sgt. Brent C. Cranford.

- The following are from Davie County Sheriff's Department reports.

- The larceny of a debit card from a residence on Jack Booe Road, Mocksville, was reported March 30.

- An Advance man reported March 31 someone had used his Social Security number to file a tax return.

- The larceny of \$37.59 in fuel from Farmington Road Shell was reported March 31.

- Tina Arlene Restivo, 22, of N. Main St., Mocksville, was charged March 30 with larceny. Trial date: April 2.

- Gloria Renee David, 60, of Oak Grove Church Road, Mocksville, was charged April 6 with assault inflicting serious injury. Trial date: April 23.

- Roger Smoot, 48, of

New Businesses Opening In Downtown Mocksville

As everyone in Davie County knows, shopping in Downtown Mocksville has been limited for many years. This spring and summer, this will be changing.

Two new retail stores are opening. Scarlett's Unique Boutique at 128 N. Main St. is open, with the grand opening April 11.

Honor Darling at 135 N. Main St. will open this summer. "These stores will be a great addition to the already beautiful Downtown Mocksville," said Gail Scarlett.

"Not only can you come downtown to enjoy the restaurants, but you can get some shopping done while you are there, too." Scarlett's Unique Boutique was started to give artisans in Davie and surrounding counties a place to showcase and sell their handmade items year round. Many of the artisans are participating in craft fairs

Father/Son Fight Goes To Court

An altercation between a son and father last year resulted in injuries and charges against a man with no criminal record.

Joey James, 22, was living with his father, John, last November at John's Pine Ridge Road home. Also living there was Joey's then-girlfriend, Jennifer Diabate.

According to testimony by Joey, on Nov. 21, he confronted his father about comments his father had made toward his girlfriend and accused his father of touching her backside.

The conversation escalated and ended up with John on his back on a bed with his son on top of him, holding him down while Jennifer called 911.

"I had a cigarette in my mouth at the time, and I asked Jennifer to come grab the cigarette out of my mouth, and when she did, he (John) struck her on the arm," Joey testified.

He said his father told him that night and on numerous other occasions that he would kill him, and Joey testified before the jury that he'd gone into a bedroom where his father keeps his gun and taken the gun and hidden it.

When Assistant DA Wendy Terry asked Joey how he knew he should hide the gun prior to the incident, Joey said, "It was instinct. I have been around him and I know his notions and his ways."

John's attorney, Rob Raisbeck, asked Joey, "Are you a violent man yourself?" and Joey answered, "No. I go to church, always have."

Raisbeck asked, "A couple of years ago, you were indicted for trying to kill your father, were you not?" An objection was raised, overruled, and Joey answered, making air quotes, "That was said."

Joey admitted he ran over his father with his car but said it was an accident. "Was it an accident the second time?" Raisbeck asked.

Joey answered, "I don't know anything about a second time." Raisbeck asked Joey if he'd ever seen his father physically touch Jennifer, and Joey said, laughing, "No. If I had I wouldn't have confronted him the way I did."

To a question by Raisbeck if he feared his father so much why didn't he just walk out the door, Joey said, "Because I felt justice needed to be done for the wrong he's done."

Raisbeck asked, "And the way to do that was assaulting him?" Joey answered, "I didn't assault him. If anything it was a citizen's arrest."

Raisbeck asked, "Do you feel you have the authority to do that?" and Joey answered, "Yes, I'm a citizen."

Jennifer testified that as the only female in the home, she was usually the one who did the cooking, dish washing and other chores, and said that night, as she was in the kitchen, John grabbed her backside. She said John had previously offered her money for sexual favors and told her she couldn't ride to work with him anymore unless she performed those favors. Raisbeck asked her if she continued to ride to work with him after that and she said she couldn't remember.

"After the alleged proposition, how long did you continue to stay in the home?" he asked. Jennifer testified it was a couple of weeks. "Why didn't you just move out?" Raisbeck asked. "Me and Joey were working on that," Jennifer answered.

No arrests were made the night after the incident, but charges of sexual battery, simple assault and communicating threats were filed against John afterward. Cpl. John Tellingier, one of the officers who responded to the 911 call, testified Joey told him he'd tackled his father onto a bed that night and was holding him down before picking him up and throwing him out the door of the home. He said there were no injuries to Joey but that John was bleeding from his face and arms. When asked if he remembered Joey telling him John had threatened to kill him, Tellingier testified, "I don't recall that, and it's not in my report."

John, 45, testified he has never been convicted of a criminal offense and has been scared of his son, "totally and everyday." He has a domestic violence protective order against his son. He said he let Joey move back in with him because he felt sorry for him, that everywhere his son had gone to live, he was eventually asked to leave because "of the way he acts." He said in the past, his son has run over him, loosened the lug nuts on his car tires, and that his son drinks and uses drugs.

The reason for the altercation, he said, is that he is a mechanic and that night, his son's car wouldn't run and he refused to help his son work on it, so the altercation was retribution. "Jen was on the phone (with 911) within one minute of the altercation hollering 'Gun, gun, gun,' and we hadn't even made it to the bedroom yet," John said.

He didn't threaten his son that night, he said, and said he'd measured the hallway at the kitchen where it was alleged he had grabbed Jennifer's backside, finding it was only 36 inches wide. He said it was possible as he moved through the hallway, the back of his hand could have grazed her.

"Honestly, she's not my type," he testified. "This is the first time I've heard anything about paying for sex. That's not the kind of guy I am." But on cross examination, he admitted asking Jennifer for sexual favors if she wanted to continue riding to work with him, partly, he said, to force the couple to move out.

Raisbeck made a motion to dismiss the charges, saying Joey was the aggressor, there were no marks on John, and there was nothing in Tellingier's report to indicate a threat had been communicated by John to Joey. He also said John testified any contact he had with Jennifer that night was accidental, and there was reasonable doubt he intended to commit sexual battery.

Terry said everyone testified John had made sexual overtures to Jennifer, adding, "How close the hallway may be doesn't excuse anyone for ending up with a handful of fanny."

At the conclusion of evidence and arguments, Covington said to Joey, "This isn't the wild wild West. You don't get to take matters into your own hands. The law doesn't allow one to take matters into their own hands and then say, 'Oh my gosh, I was assaulted, I was threatened.' Because your testimony was I attacked him first and took him down on the bed, you preemptively struck in that situation, like in a war."

Covington found John not guilty of assault and communicating threats, but found him guilty of sexual battery. She addressed Raisbeck and Terry regarding sentencing, and after a brief consultation at the bench, Raisbeck began talking about sentencing and the possibility it could be postponed.

Suddenly, Covington said to Joey, "Stop shaking your head. Get out of my courtroom. You're not helping the situation. Just go."

Joey stormed from the courtroom, slamming the door open as he went through. She told Raisbeck, "The second that guy violates my 50B (protective order), I hope your client will call 911."

Jennifer told Covington she was no longer dating Joey and simply wanted her things back from the house, and a time and day were arranged for that. She said she didn't care if the charge was dropped and had tried to get the DA to drop the charge, but was told there was going to be a trial.

"All I want are my belongings," she said. Covington replied, "I can go one better." She asked Raisbeck if he had a motion for appropriate relief (to reopen the matter for entering of another plea) and asked Terry if she had any objection to that. Raisbeck said he would make that motion, and Terry did not object, so John was allowed to plead no contest to assault on a female, and Covington found him guilty but because he had no prior record, allowed him a prayer for judgment continued on cost.

Gray Slater, Advance Farm Bureau agency manager, Dan Frank, agent, Elaine Pullis, Nikki Bryant, Kehnny Stone, agent and Mike Maxie, associate agent.

Farm Bureau Open New BR Office

The Davie County Chamber of Commerce recently held a ribbon cutting to mark the relocation/grand opening of NC Farm Bureau Mutual Insurance Co. of Advance at 5391 US 158, Bermuda Run.

"It is always a great day in Davie County when we celebrate the expansion of one of our long standing businesses. I look forward to watching agency manager Gray Slater's Davie County Farm Bureau business grow and wish them great success in their new location," said Carolyn McManamy, president of the Davie chamber.

Joey answered, "I don't know anything about a second time." Raisbeck asked Joey if he'd ever seen his father physically touch Jennifer, and Joey said, laughing, "No. If I had I wouldn't have confronted him the way I did."

To a question by Raisbeck if he feared his father so much why didn't he just walk out the door, Joey said, "Because I felt justice needed to be done for the wrong he's done."

Raisbeck asked, "And the way to do that was assaulting him?" Joey answered, "I didn't assault him. If anything it was a citizen's arrest."

Raisbeck asked, "Do you feel you have the authority to do that?" and Joey answered, "Yes, I'm a citizen."

Dragonfly House Works For Abused Children

10 Reasons to Stand Up For Children

1. Children are the heart of our future.
2. Everyone can make a difference in a child's life.
3. It's easier to build strong children than to repair broken adults.
4. All children are special.
5. There's no excuse for child abuse.
6. Children thrive when adults care.
7. Protecting children is everyone's job.
8. Each child deserves to be cherished.
9. Children are our most valuable natural resource.
10. Because they can't always stand up for themselves.

The back of this t-shirt says it all.

On April 11, the First Presbyterian Church in Mocksville will hold a breakfast to benefit The Dragonfly House Children's Advocacy Center.

The breakfast will be from 7-10 a.m., with donations benefiting the agency.

The Dragonfly House helps child victims of abuse from birth to 17, making the process less traumatic by using a model which brings all investigators together under one roof at one appointment in the best interest of the child. The center offers ongoing advocacy services, caregiver support, and therapy so the healing can begin. Services are free.

The Dragonfly House served 400 children in 2014.

"April is National Child Abuse Prevention Month, so this is a perfect time for the church to choose us," said Brandi Reagan, executive director of The Dragonfly House. "Awareness can lead to prevention, and we are so thrilled to have the support of First Presbyterian Church and the community."

"Our funding has taken many cuts recently, and our numbers continue to grow. We really rely on these types of community events to support us financially."

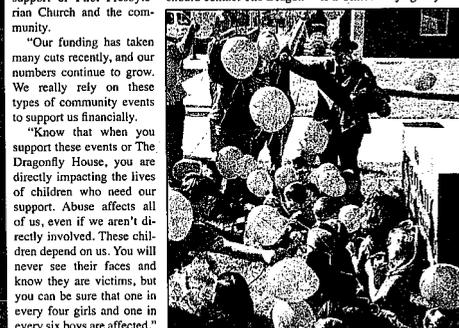

"Know that when you support these events or The Dragonfly House, you are directly impacting the lives of children who need our support. Abuse affects all of us, even if we aren't directly involved. These children depend on us. You will never see their faces and know they are victims, but you can be sure that one in every four girls and one in every six boys are affected."

In addition to the event, The Dragonfly House is working on the "Make a Change, Break the Cycle" prevention and awareness campaign throughout April. This campaign in April will strive to educate the community on prevention in hopes of making changes and breaking cycles of abuse.

The campaign offers schools, churches or any business a chance to support the effort with change buckets that can be set out for donations for the agency during April. All of the proceeds will directly benefit child mental health treatment for local children.

You can already see several of these posters with change buckets in the windows of businesses on Main Street in Mocksville.

The Dragonfly House hopes to add to the activities next April with a cycling event to tie it all together. Any school, agency or business interested in supporting the campaign by putting out a bucket in April, or joining the planning committee for the cycling event, should contact The Dragonfly House, 753-6155.

Baseball Reels Off 3 Wins

By Brian Pitts
Davie Enterprise Record

The Davie varsity baseball team entered last week gasping for breath. It was 3-4 and its season high in hits was five.

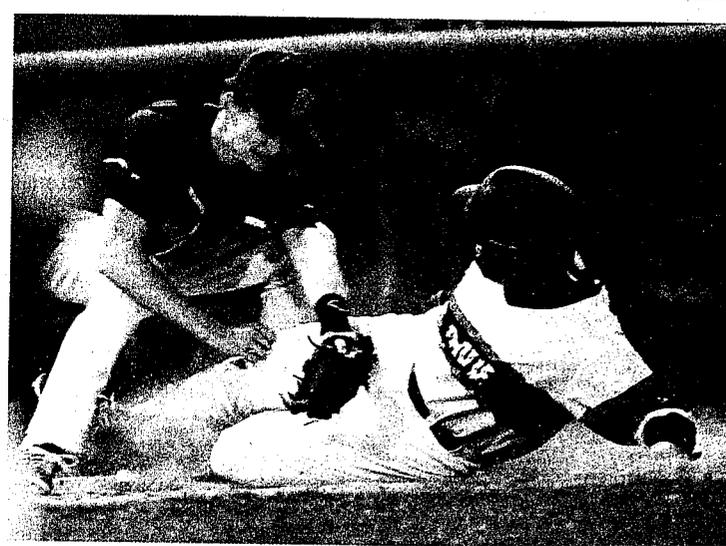

Maybe the War Eagles have weathered the storm. Last week they turned their frown upside down, winning three games in three days.

The offense took a quantum leap forward, scoring as many runs in the winning streak (15) as it did in the first seven games. The pitching continued to give the coaching staff cold chills. Davie is allowing 2.1 runs per game.

"The sticks seem to be coming around a little bit," Byerly said.

The pitching has exceeded even Byerly's wildest expectations.

"Since 1990 I've been around baseball coaching in some capacity, and this has been the most impressive pitching performances that I've seen on a continual basis," he said. "I mean our ERA is minimal. If you take away one (three-run

A player for Davie's varsity baseball team slides at third in a CPC game against North Davidson. - Photo by Kevin Carden

inning against Reagan, our ERA is just above one."

In a nonconference game at Southeast Guilford, the War Eagles scored their first runs in three

games, won 4-2 and broke a two-game slide.

It was averaging two runs and four hits per game before getting a season-high six hits. But the story was the pitching of Nathan Harrell,

who improved to 2-0 by allowing two unearned runs in 5.2 innings. The trio combined on a five-hitter. "Nathan threw great again," Byerly said. "Except for one game, only batter he faced in the third. Byerly said, 'Except for one game, between, Ryan Harrell retired the

Webb Homers For JV Softball

By Brian Pitts
Davie Enterprise Record

After ripping apart West Rowan, the Davie junior varsity softball team pulled out a seesaw game with Forsyth.

The nonconference wins lifted Davie's overall record to 6-2.

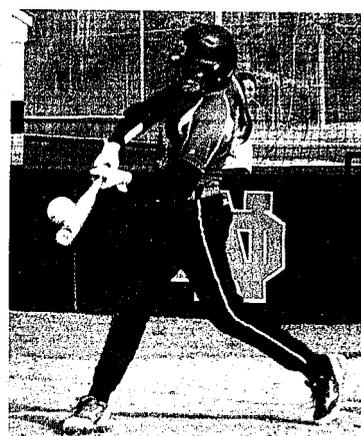

"This is a very strong hitting team," coach Morgan Wyatt said. "This team has so much talent and has such a strong work ethic. Coach (Blaine) Nicholson and I are very lucky that we can move anyone around in the lineup one through nine because they all go up to the plate knowing the task at hand and get the job done."

Hosting West Rowan, the War Eagles enjoyed a 16-1, four-inning walkover.

Katelyn Webb (4 for 4, two doubles, two RBIs, home run), Emilee Dishman (3-3, triple, four steals), Bailey Walsh (3-3, four RBIs, double), Sydney Hendren (2-4, double) and Aubree Privat (2-3, two RBIs, double) led the onslaught as Davie out-hit West 16-5. Sierra Ferguson (1-4, triple) and McKenzie Burchette (1-2, four RBIs, double, three steals) also had hits as Davie picked up its third win by 10-plus runs.

Webb's home run left the yard in a hurry.

"As soon as it came off the bat, I knew it was out," Wyatt said. "She is built like a Mac Truck and when she digs in and drives the ball, it's scary. She has so much power. She had been in a little slump, if you want to call it that. She has been so anxious to hit it solid and unleash her power, and she did just that when she went yard."

Sierra Ferguson bats for Davie JV. -Photo by Lauren Porter

man, Walsh, Privat and Ferguson, among others."

"Dishman had another game of very successful plate appearances," she said. "She can slap and play the short game, and she can also dig in and hit it."

The coach marveled at Dish-

Whit Merrifield Knocking On Major League Door

By Brian Pitts
Davie Enterprise Record

The journey from Triple-A to the major leagues sometimes doesn't unfold on a straight line. There are detours. There are tough obstacles. There is the agonizing numbers game. There are bad breaks.

Whit Merrifield is knocking on the door of the Kansas City Royals. He was close - very close - to making the Royals' 25-man roster for the 2015 season that began this week. Ultimately, even after hitting a robust .370 during Spring Training for the big club, he was sent to Triple-A Omaha. You have to like his chances of eventually seeing the door open.

Merrifield was not just good for Omaha in 2014. He was great. He is the organization's reigning minor-league hitter of the year. He hit 340 during a 76-game stint with Omaha, his fifth season in the Royals organization. The 26-year-old from Advance and 2007 Davie High grad was a ninth-round pick out of South Carolina in 2010.

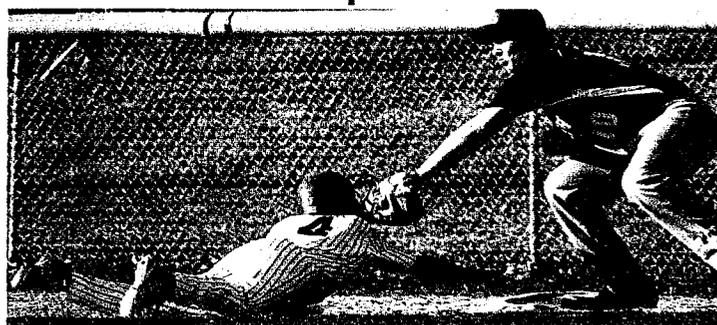

His stock skyrocketed last year and he kept drawing rave reviews while on the 40-man roster during Spring Training. Kansas City manager Ned Yost gave Merrifield serious consideration for the 25-man roster.

"He's been impressive with his versatility," Yost told The Kansas City Star. "He can play anywhere. His best infield position is second base. His best outfield position is probably left field. He can actually play a little center field, in a bind. He can play first, he can play second, he can play third. He's a super utility guy."

Going into the final days of Spring Training, Yost had not yet made his decision. Merrifield was on the short list of guys bidding for the final spot. The hard news that Merrifield was an odd man out was announced Sunday, the day before the season opener.

"I don't know where I'm leaning right now," Yost said last week. "(Merrifield) has really played well."

Davie Enterprise Record

Davie's junior varsity baseball team blew a seven-run lead in an 8-8 tie at Southeast Guilford. Davie coughed up a four-run lead in a 5-4 loss at Alexander Central.

But here's something to buoy your spirits. In the only Central Piedmont Conference game of last week, the War Eagles edged host North Davidson 2-1, making Davie 5-1 in the CPC.

"That was a big win from a conference standpoint," coach Jason Harbour said. "North is a pretty strong team."

At SE Guilford, it was a feel-good tie for the home team. It was a crummy tie for the War Eagles, who led by scores of 6-0 and 8-1

Dragonfly House Works For Abused Children

10 Reasons To Stand Up For Children

1. Children are the heart of our future.
2. Everyone can make a difference in a child's life.
3. It's easier to build strong children than to repair broken adults.
4. All children are special.
5. There's no excuse for child abuse.
6. Children thrive when adults care.
7. Protecting children is everyone's job.
8. Each child deserves to be cherished.
9. Children are our most valuable natural resource.
10. Because they can't always stand up for themselves.

The back of this t-shirt says it all.

On April 11, the First Presbyterian Church in Mocksville will hold a breakfast to benefit The Dragonfly House Children's Advocacy Center.

The breakfast will be from 7-10 a.m., with donations benefiting the agency. The campaign in April will strive to educate the community on prevention in hopes of making changes and breaking cycles of abuse. The Dragonfly House helps child victims of abuse from birth to 17, making the process less traumatic by using a model which brings all investigators together under one roof at one appointment in the best interest of the child. The center offers ongoing advocacy services, caregiver support, and therapy so the healing can begin. Services are free.

The Dragonfly House served 400 children in 2014. "April is National Child Abuse Prevention Month, so this is a perfect time for the church to choose us," said Brandi Reagan, executive director of The Dragonfly House. "Awareness can lead to prevention, and we are so thrilled to have the support of First Presbyterian Church and the community."

"Our funding has taken many cuts recently, and our numbers continue to grow. We really rely on these types of community events to support us financially. "Know that when you support these events or The Dragonfly House, you are directly impacting the lives of children who need our support. Abuse affects all of us, even if we aren't directly involved. These children depend on us. You will never see their faces and know they are victims, but you can be sure that one in every four girls and one in every six boys are affected." In addition to the event, The Dragonfly House is working on the "Make a Change, Break the Cycle"

prevention and awareness campaign throughout April. This campaign in April will strive to educate the community on prevention in hopes of making changes and breaking cycles of abuse.

The campaign offers schools, churches or any business a chance to support the effort with change buckets that can be set out for donations for the agency during April. All of the proceeds will directly benefit child mental health treatment for local children. You can already see several of these posters with change buckets in the windows of businesses on Main Street in Mocksville. The Dragonfly House hopes to add to the activities next April with a cycling event to tie it all together. Any school, agency or business interested in supporting the campaign by putting out a bucket in April, or joining the planning committee for the cycling event, should contact The Dragonfly House, 753-6155.

"Together we can all help put a stop to child abuse, but we need the community to help," said Reagan. "You can make a big difference. These children need our help, and together, we can Make a Change and Break the Cycle. Please join us on April 11 at the First Presbyterian Church in Mocksville for a delicious breakfast and help support the work we do to help local child victims of abuse. We appreciate the support of First Presbyterian and the community."

The Dragonfly House is a National Children's Alliance Accredited 501-C-3, non-profit agency serving child abuse victims in Davie, Davidson, Yadkin and surrounding counties. For more information on the organization or Child Abuse Prevention Month, visit www.thedragonflyhouse.com or contact Sheila Smith at 336-753-6155 or sheila@thedragonflyhouse.com. The Dragonfly House is a United Way agency.

Baseball Reels Off 3 Wins

By Brian Pitts
Davie Enterprise Record

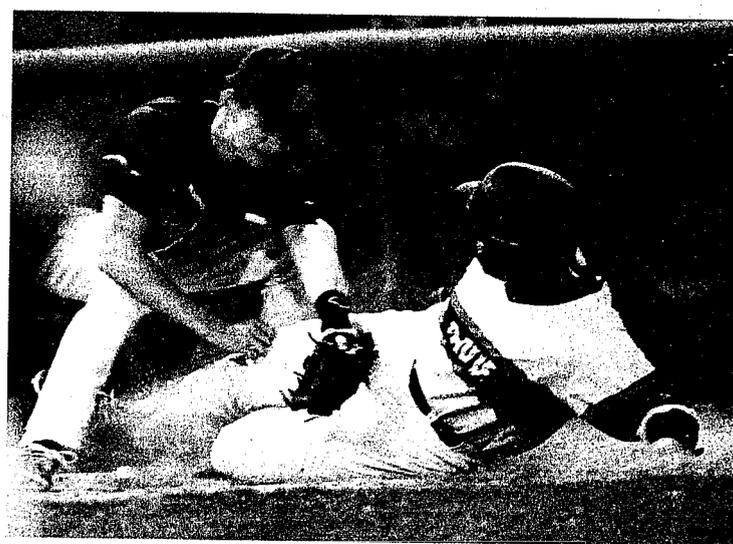

The Davie varsity baseball team entered last week gasping for breath. It was 3-4 and its season high in hits was five.

Maybe the War Eagles have weathered the storm. Last week they turned their frown upside down, winning three games in three days.

The offense took a quantum leap forward, scoring as many runs in the winning streak (15) as it did in the first seven games. The pitching continued to give the coaching staff cold chills. Davie is allowing 2.1 runs per game.

"The sticks seem to be coming around a little bit," Byerly said. The pitching has exceeded even Byerly's widest expectations.

"Since 1990 I've been around baseball coaching in some capacity, and this has been the most impressive pitching performances that I've seen on a continual basis," he said. "I mean our ERA is minimal. If you take away one (three-run

A player for Davie's varsity baseball team slides at third in a CPC game against North Davidson. - Photo by Kevin Carden

inning against Reagan, our ERA is just above one."

In a nonconference game at Southeast Guilford, the War Eagles scored their first runs in three

games, won 4-2 and broke a two-game slide.

It was averaging two runs and four hits per game before getting a season-high six hits. But the story was the pitching of Nathan Harrell, who improved to 2-0 by allowing two unearned runs in 5.2 innings. and Colby Cranfill, who got the save by striking out the final two batters with a runner at second. In between, Ryan Harrell retired the

only batter he faced in the sixth. The trio combined on a five-hitter. "Nathan threw great again," Byerly said. "Except for one game, Please See Reels - Page B6

Webb Homers For JV Softball

By Brian Pitts
Davie Enterprise Record

After ripping apart West Rowan, the Davie junior varsity softball team pulled out a seasaw game with Forbush.

The nonconference wins lifted Davie's overall record to 6-2.

"This is a very strong hitting team," coach Morgan Wyatt said. "This team has so much talent and has such a strong work ethic. Coach (Blaine) Nicholson and I are very lucky that we can move anyone around in the lineup one through nine because they all go up to the plate knowing the task at hand and get the job done."

Hosting West Rowan, the War Eagles enjoyed a 16-1, four-inning walkover.

Katelyn Webb (4 for 4, two doubles, two RBIs, home run), Emilee Dishman (3-3, triple, four steals), Bailey Walsh (3-3, four RBIs, double), Sydney Hendren (2-4, double) and Aubree Privat (2-3, two RBIs, double) led the onslaught as Davie outthrew West 16-5. Sierra Ferguson (1-4, triple) and McKenzie Burchette (1-2, four RBIs, double, three steals) also had hits as Davie picked up its third win by 10-plus runs.

Webb's home run left the yard in a hurry. "As soon as it came off the bat, I knew it was out," Wyatt said. "She is built like a Mac Truck and when

Sierra Ferguson bats for Davie JV. - Photo by Lauren Porter

she digs in and drives the ball, it's scary. She has so much power. She had been in a little slump, if you want to call it that. She has been so anxious to hit it solid and unleash her power, and she did just that when she went yard."

The coach marveled at Dishman, Walsh, Privat and Ferguson, among others. "Dishman had another game of very successful plate appearances," she said. "She can slap and play the short game, and she can also dig in and hit it."

Whit Merrifield Knocking On Major League Door

By Brian Pitts
Davie Enterprise Record

The journey from Triple-A to the major leagues sometimes doesn't unfold on a straight line. There are detours. There are tough obstacles. There is the agonizing numbers game. There are bad breaks.

Whit Merrifield is knocking on the door of the Kansas City Royals. He was close - very close - to making the Royals' 25-man roster for the 2015 season that began this week. Ultimately, even after hitting a robust .370 during Spring Training for the big club, he was sent to Triple-A Omaha. You have to like his chances of eventually seeing the door open.

Merrifield was not just good for Omaha in 2014. He was great. He is the organization's reigning minor-league hitter of the year. He hit .340 during a 76-game stint with Omaha, his fifth season in the Royals organization. The 26-year-old from Advance and 2007 Davie High grad was a ninth-round pick out of South Carolina in 2010.

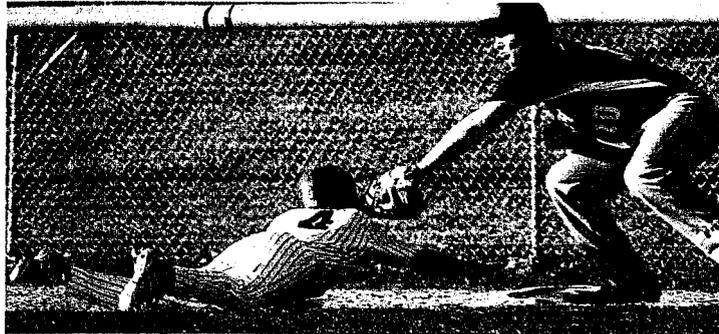

His stock skyrocketed last year and he kept drawing rave reviews while on the 40-man roster during Spring Training; Kansas City manager Ned Yost gave Merrifield serious consideration for the 25-man roster.

"He's been impressive with his versatility," Yost told The Kansas City Star. "He can play anywhere. His best infield position is second base. His best outfield position is probably left field. He can actually play a little center field, in a bind. He can play first, he can play second, he can play third. He's a super utility guy."

Going into the final days of Spring Training, Yost had not yet made his decision. Merrifield was on the short list of guys being jettisoned for the final spot. The hard news that Merrifield was an odd man out was announced Sunday, the day before the season opener.

"I don't know where I'm leaning right now," Yost said last week. "Merrifield has really played well."

Lacrosse Scores Most Goals In Two Years

After losing at Bishop McGuinness, the Davie varsity lacrosse team responded with the most goals in its two-year history.

Coach Brett Hewitt's squad overwhelmed visiting North Davidson 17-7 in a nonconference game. The old record for goals was 15 set against North in 2014.

"We played a pretty good game," assistant coach Scott Landy said. "We had a chance to play some of the newer guys in the second half. Any chance to get them more playing time is always a good thing. We still have work to do, but we are looking better."

Davie Soccer Has Rough Stretch

The Davie varsity soccer team dominated everything except the scoreboard in a 2-1 nonconference loss at West Stokes.

Davie was held to one or no goals for the sixth time in nine games. "We dominated but couldn't put it in," coach Kerstin Steinhour said.

The War Eagles (3-7) never had a chance against visiting Lake Norman in another nonconference game, losing 8-0 - their third shut-out.

Tennis Team Gets Blowout Win

The Davie tennis team surged over 500 with a 7-2 nonconference win over visiting Lexington.

Jack Ralledge/Justin Hendrix (8-6) swept doubles.

The junior varsity went 0-3 last week, losing 1-0 at home to Forbush, 5-1 at Central Davidson and 8-0 to visiting Lake Norman.

Elijah Gregory (6-0, 6-0), Austin Angel (6-1, 6-0), Angel/Gregory (8-3), Pooler/Robinson (8-4) and

"The guys were focussed after singles," coach Shane Nixon said. "They didn't like that the match was still in doubt. We got together and talked about that fact after singles and they came through. To sweep doubles was a great testament to who this team is."

Coach Kenneth Ham's club did a lot of good things in the Forbush game, which was scoreless in the second half.

Legion Baseball Getting Ready

Important dates for the 2015 Mocksville American Legion baseball season:

The War Eagles moved to 6-5 overall with their third win in a row. They played Nixon by beating Lexington

by a greater margin than the first meeting (6-3).

April 19: Registration/player and parent meeting at Rich Park's Mando Field at 5 p.m. Bring a certified birth certificate.

The top season records belong to Gregory (8-3), Pooler (7-3) and Robinson/Pooler (7-3).

Earlier in the week, the War Eagles lost 8-2 at Bishop (5-3). Davie, held to two or fewer goals for the fifth time, dropped to 1-5 in the conference. Juhasz and Mace had the goals.

Bats Quiet For War Eagle Softball Team

By Brian Pitts
Davie Enterprise Record

Sophomore K'lea Parks bats for Davie's varsity. - Photo by Lauren Porter

Just a couple timely hits would cure the Davie varsity softball team's ills. The offense was miserable last week in nonconference losses to West Rowan (4-0) and Forbush (2-1).

Davie (6-4 overall) has scored five runs in three games, and it suffered back-to-back losses for the first time this season. More bad news: The schedule will continue to be daunting for the upcoming days.

"Ultimately, it doesn't matter who is on the mound, behind the plate or in the field," coach Dawn Lowery said. "If we can't score any runs, we can't win. We are working hard on our offense right now in practice. The girls cannot lose their confidence at the plate, and we need to play at the level we are capable of playing."

At home against West Rowan, the War Eagles were out of 6-3. Davie, held to two or fewer goals for the fifth time, dropped to 1-5 in the conference. Juhasz and Mace had the goals.

seven. West, which is tied for first in the South Piedmont 3-A Conference, improved to 9-3 overall.

Lowery said, "She had an all-around solid game. They were starting to get her timing down and we decided to make the switch. When there's no score, it puts us in a tough situation. We have to make a choice - keep her on the mound when they are making adjustments and getting runners, or switch out and hope to throw them off. She did her job."

West pitcher Peyton Greene went the distance in the circle, limiting Davie to three singles and striking out

seven. West, which is tied for first in the South Piedmont 3-A Conference, improved to 9-3 overall.

McKenzie Barneycastle had Davie's other hit.

"Our hitting in close games is pretty pitiful right now," Lowery said. "In our three losses (to this point in the season), we have accumulated nine hits total. We are a completely different team when we are hitting and rolling on all cylinders. Our defense is sharper and our pitching is better. When we

don't hit, our defense plays tight and our pitching carries the weight of the team. We've got to find a way to get better."

On more than one occasion, the door was open for Davie to break the defensive struggle. But base-running mistakes cost the War Eagles.

"We should have scored on a few plays," Lowery said. "It's like we were hesitant on the bases because we had so few base runners and were afraid to make a mistake. As a coaching staff, we are going to play aggressive on the bases. The girls have to continue to buy into that and do what is asked of them no matter what the score is."

The War Eagles had the top of the order at the plate in the seventh, but they went down 1-2-3 as Forbush improved to 7-1.

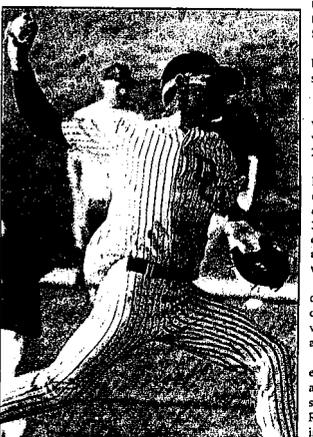

Barneycastle, Anna Devers, Smith and Parks had Davie's hits. Boger went five innings, allowing two hits and one earned run. Gough threw a scoreless inning.

"I'm telling you, we have some excellent hitters. It's going to come," Lowery said. "And when it does, it's going to be a good time for everyone."

JV ...

Continued From Page B1 before having a meltdown. The game went eight in-

ings. Davie had won five straight before matching the

Tyler Roberts pitches. - Photos by Kevin Garden

most runs allowed all season.

McKay Chamberlain (three hits), Cody Hendrix (two) and Landon Bandy (two) were Davie's top offensive producers.

"Walks killed us just as bad as his hits," Harbour said of his two pitchers.

The huge reason Davie won 2-1 at North Davidson was complete-game pitcher Zach Hudspeth.

The sophomore lefty allowed five hits and one unearned run. He has been basically untouchable all season: 3-0 record, 0.74 ERA, three complete games, nine hits allowed in 19 innings, 10 walks and 18 strikeouts.

"He had another strong outing," Harbour said. "If he can cut his walks down, he will be as dominant a pitcher as there is in jayvee."

The War Eagles haven't hit much in two games against North, but they've somehow won both. Tyler Roberts' six innings of pitching was part of the equation in a 6-1 victory in the first meeting.

Davie had just five hits in that one, and it only managed three in this one. Davie struck out eight times.

Roberts, Hendrix and Ben Summers had the hits.

Davie got two of the hits in the fourth, when it grabbed a 1-0 lead. After Roberts hit a two-out double, Hendrix plated him with a single.

North scored off an error in the fifth to tie the game. Davie's winning rally in the sixth began when Jake Barneycastle struck out but reached first when the pitch got past the catcher. Chamberlain laid down a sac bunt. Then Barneycastle scored on a sac fly by Roberts.

"We played really well," Harbour said.

At Alexander Central, the War Eagles suffered their first loss, 5-4, since the season opener against Reagan as they watched a 4-0 lead evaporate.

The game lasted six innings as the two-hour time limit expired. The Cougars scored five unanswered runs, getting one in the fourth.

Second baseman Jake Barneycastle and center fielder McKay Chamberlain converge on the ball.

two in the fifth and two in the sixth.

"We let them creep back into it," Harbour said as Davie slipped to 6-2-1 overall. "Again walks killed us."

Hendrix went 2 for 3 with a double and triple. Davie got one hit from Chamberlain (1-2), Bandy (1-2), Cody Smith (1-3), Summers (1-3), Jake Byrd (1-3) and Roberts (1-3).

Homers ...

Freshman River Simpson has been a workhorse. - Photo by Lauren Porter

Continued From Page B1

"Walsh has stepped up. She has been very successful with runners in scoring position. She has gotten on a hot streak the past few games and is seeing the ball very well."

"This whole team can hit it. Privat hit a line shot at the center fielder. It was smoked but it was right at her. Ferguson is very consistent and strong at the plate, along with Burchette and Hendren."

"Coach Morgan Wyatt (2-4, two doubles) and Simpson (2-3) provided multiple hits. Dishman and Burchette added one hit each.

Tierney provided a big boost from the leadoff spot in her second game back from a thumb injury.

"This whole team can hit it. Privat hit a line shot at the center fielder. It was smoked but it was right at her. Ferguson is very consistent and strong at the plate, along with Burchette and Hendren."

"Coach Morgan Wyatt (2-4, two doubles) and Simpson (2-3) provided multiple hits. Dishman and Burchette added one hit each.

Tierney provided a big boost from the leadoff spot in her second game back from a thumb injury.

"It didn't take her long at all to get back in the swing of things," Wyatt said. "She got on base three out of four times and scored every time she got on. She is a demon on the bases with her speed, and she is also getting more aggressive and reading things on her own, which is huge."

In the third, Tierney singled for Davie's first hit of the game, advanced to third on an error and scored the game's first run on Dishman's ground out.

Briggitt Tierney (3-4, three runs), Ferguson (3-4, three RBIs, double), Webb

Dishman stayed hot and got a crucial RBI," Wyatt said.

Forbush put together four hits in the bottom of the third to take a 2-1 lead. Simpson responded by retiring 11 in a row. She went all seven innings, walking two and racking up nine strikeouts.

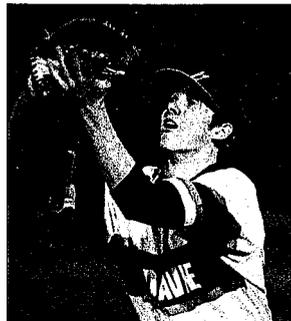

"Simpson has been a workhorse since Smith was out with a broken finger," Wyatt said. "Simpson pitched an awesome game. All of her pitches were on point, she was relaxed and was just letting the defense work behind her."

In the Davie fifth, the War Eagles used four hits to score two runs and take a 3-2 lead. Tierney bunted her way aboard. With two outs, Ferguson and Webb tapped RBI doubles.

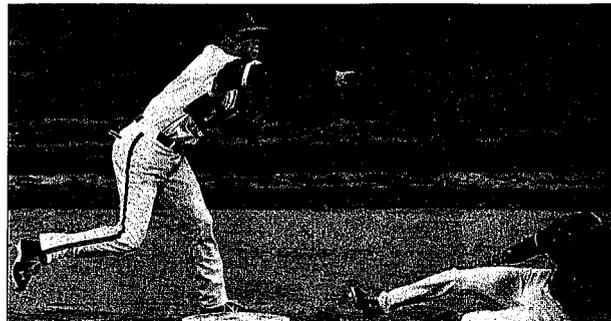

"Ferguson is on fire right now," she said. "She got three of the five RBIs. Webb also kept hitting ropes."

Davie extended the lead to 5-2 during a four-hit seventh. Simpson, Tierney and Dishman had hits before Ferguson delivered a two-run hit.

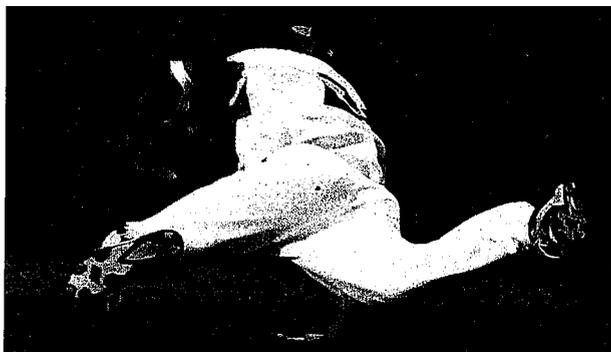

Although Forbush struck for two in the bottom of the seventh, Davie held on.

Junior Isaac Campbell seizes the ball in the outfield. At right, shortstop Ryan Harrell turns a double play against North Davidson.

Isaac Campbell throws a pitch.

Reels ...

Continued From Page B1 we haven't given up over one earned run in a game."

Davie's hits came from Paul Davenport (2-2, two runs, double), Craig Colbourne (2-4, RBI), N. Harrell (1-3, two RBIs) and Jaten Scott (1-4).

N. Harrell was only threatened once, in the first inning, when Southeast had runners at the corners with no outs. Two comebackers sandwiched around a strike-out enabled him to get out of it unscathed.

Davie scored the first two runs in the fourth. Brandon Lankford and Davenport drew walks, and advanced on a balk. N. Harrell came up clutch with a two-run single.

Davie extended the lead to 4-0 in the sixth. Davenport doubled. Colbourne supplied a run-scoring single and a run scored when Mike Smith's ball was error'd. A two-run double in the sixth got Southeast back with striking distance, but it would drop to 5-4.

"We said our RPI went up tonight," Byerly said. "That was a quality win. It was a playoff atmosphere."

Davie's pitching was sensational in a 4-3 Central Piedmont Conference win at North Davidson. Isaac Campbell went four innings, allowed five hits, three runs (one earned), walked one and struck out seven. Cranfill was equally impressive, going three hitless innings and striking out six of 13 batters.

Who thought Campbell and Cranfill would combine for 13 Ks against a lineup like this? North's E.P. Reese and Austin Beck are headed to N.C. State and North Carolina, respectively. Campbell fanned Reese and Beck one each. Cranfill whiffed Reese once and Beck twice.

The losing pitcher was Cole Becker, who got the win in North's 5-0 decision in the first meeting. North slipped to 9-2 overall and 4-2 in the CPC, while Davie improved to 2-4 in the league. The War Eagles stopped a three-game skid in the series.

"(North coach Mike) Meadows said it perfectly," Byerly said. "If somebody's not looking at this kid (Campbell), they need to be."

In a 7-1 nonconference win at Alexander Central, Scott put the cherry on the pitching sundae. He gave up three hits in six innings, walked two and struck out seven.

Not bad for his first varsity start on the hill and his first mound appearance

since Salisbury in the second game of the season. Lankford tossed a perfect seventh as Davie's team ERA dipped to an astounding 1.13.

"Jalen has always been the type who is going to throw strikes," Byerly said. "With us playing three games in a week, we decided to go with him and he did a great job. When you hold a team to three hits, you've done pretty dang good."

The War Eagles pounded out 11 hits - the third straight game with a season high in that category - played error-free defense and recorded the longest winning streak since a 5-0 start in 2013.

Davenport continued to sizzle, going 3 for 4 with a double. Lankford went 2 for 4 with a home run and two RBIs. Sophomore Beau Byerly got in the set with a single and double in three at-bats. N. Harrell doubled in his lone at-bat. R. Harrell also doubled.

"Davenport hit lasers all night," Byerly said. "The homer was Lankford's first of the season and the second of the junior's varsity career."

"His at-bats looked a lot better," he said. "He's had a couple seeing-eye (hits), but tonight he really hit a couple on the screws."

The homer was Lankford's first of the season and the second of the junior's varsity career.

"We played unbelievable defense again," Byerly said. "Lankford made a ridiculous play. He went six to eight feet across the (foul) line and threw the guy out at first. Ryan made two amazing plays. He went in the five-six hole, dove and threw to second for a 6-4-3 double play to bail us out of an inning."

Mikey Smith fires a throw from left field.

North Davie Baseball Beats Unbeaten Black Knights

North Davie's baseball team has already surpassed the win total (six) from the previous two years combined as the Wildcats entered spring break at 7-1 with a five-game winning streak.

"I'm very proud of these guys," coach Jeremy Brooks said. "It's a special team and I'm glad to be apart of it."

At home against High Point Christian, the Wildcats shook off a 2-0 deficit and roared to their fourth win by 10-plus runs, 14-4.

There wasn't a big difference in hits (North had nine to HPC's seven), but there certainly was in the error department. North committed two miscues to HPC's eight.

Justin Chaffin's two-run single in the first inning was a tone-setter that helped North turn the 2-0 deficit into a 4-2 advantage. After Anthony Azar pitched the first four innings, Grayson Keaton struck out three in two scoreless innings.

"Keaton was strong on the hill," Brooks said. "We had some timely hits and they gave us several runs as they struggled in the outfield."

In the next game, the Wildcats won a showdown with visiting North Davidson 12-8. It was the most impressive victory of the season because the Black Knights were 4-0 with only four runs allowed, and they were coming off an head-turning 12-1 win over Ellis.

"This was a huge test because it's pretty common knowledge that North Davidson has a premiere program," Brooks said. "I was anxious to see how we would respond. The kids are playing with a little bit of swagger and don't look intimidated by anyone."

Carson Whisenhunt and Keaton have become the Bash Brothers. Whisenhunt went 3 for 4 with a home run and five RBIs. Keaton's one hit left the yard, raising his season HR total to three. That gave them five home runs in a span of three games.

"We've preached having a plan at the plate and 'see fastball, hit fastball,'" Brooks said. "Whisenhunt and Keaton both hit their bombs with 3-2 counts and both were sitting fastballs.

North Davidson has some five arms, so we hammered home the importance of getting into hitter's counts."

Aaron Williams went 3 for 4 with two RBIs as the Wildcats built a 9-1 cushion before settling for a four-run margin.

"Williams continues to be as clutch as you can be," Brooks said. "When he has runners in scoring position, it's a lock he's cashing in. He uses the whole field better than most kids his age. He can play anywhere on the field. He's a special player."

The "Cats won comfortably even though they were out-hit 14-11. A key stat: Grace Masencup (100 hurdles, 165 hurdles) and Desiree Lewis (100, 200) were double winners. Alexis Dulin (discus), Regan Shoemaker (1600) and Makenzie Dalton (shot put) enjoyed first-place finishes. Claiming the 4x200 relay were McKenna Oakes, Blakely Freeman, Giovanna Hutchens and Salem Carter. Winning the 4x100 relay were Mya Johnson, Olga Gamez, Oakes and Lewis.

North's boys, seeking their first conference title since 2010, are also undefeated on the season. Bryan Cash (110 hurdles, 165 hurdles) was a double winner, while Noah Johnson captured the high jump.

Behind Alayna Smith's Athletics I most admire: Chris Paul, Tim Duncan and Codi Miller-McIntyre.

Interesting fact about myself: I'm leader of the Davie Crutzes.

What I like most about Davie High: It's like a big dysfunctional family.

If I could do one thing better, it would be: Study.

Person I'd most like to meet (dead or alive): John F. Kennedy.

If you could have a date with a celebrity, who would it be? Emma Stone.

Post-school ambition: Be successful and start a family right here in DC.

If you hit the lottery, what's the first thing you'd do? Make sure my parents were happy and worry-free.

N. Davie had two errors to North Davidson's six.

Hunter Bowles, the lead-off batter, has helped North average 13.6 runs per game.

"He is bringing energy and has been a catalyst at the top," Brooks said.

Williams earned the win by working four innings. Keaton got the save as he pitched the final three.

North is on the longest winning streak in three years, and shortstop Jacob Campbell deserves some credit for that.

"He continues to grow into the shortstop spot," he said. "With runners at second and third in the sixth, he made a big play on a ball that was blistered. It killed their rally. It was a huge play at

the time."

After outscoring the first two opponents 31-3, Ellis lost 12-1 to visiting North Davidson. It was the Jaguars' worst loss in four years (15-4 at Brown in 2011) and stopped their five-game winning streak.

City Summers (three innings) and Michael Shelton (four innings) did not pitch badly as they combined on a six-hitter. They were subjugated by a defense that committed 10 errors and allowed nine unearned runs.

Ellis' offense was quiet. Shelton, Will Cheek and Mac Beaty had the only three hits as North Davidson improved to 4-0 before meeting North

South Davie lost 14-2 at Elkin. It was 5-2 going into the bottom of the fourth. That's when "the wheels came off," coach Todd Bumgarner said as the Tigers sank to 0-4.

Ryan Burton had two of South's five hits. Tanner Hartness, Trent McDaniel and Nick Pinkos had one each.

South Davie's softball team isn't just winning, it's dominating. South's latest victim was Elkin as the visiting Tigers rolled 16-0 in three mercy-rule innings.

The Tigers improved to 3-0, having outscored opponents 50-4.

Each inning lasted 35 minutes on average because the Tigers' offense was a constant merry-go-round. Sydnee Wyatt's triple was the highlight during a four-run first. South banged out seven of its 10 hits during a 12-run second.

Wyatt (3 for 3, four RBIs) was the offensive star. Carley Green had three RBIs.

Driving in two runs each were Sierra Foster, Madison Cockerham and McKenzie Tomberlin.

Rachel Bostic, who pitched the first two innings, only needed 11 first-inning pitches to record three strikeouts in 21 pitches. Tomberlin struck out the side in the third.

Maddie Tullup (long jump, triple jump) and Dakota Hutchins (high jump, 400) had two wins each for the Ellis girls. Meredith Everett won the 800, while Kayla Moore, Hutchins, Courtney Wagner and Amanda Hofmann won the 4x400 relay.

Jose Garcia (long jump, 400) picked up two victories to pace South's boys. Jacob

wins in the 100 and 200. South Davie's girls topped Asheboro by five points. South also got wins from Hannah Shore (shot put), Julie Miller (triple jump), Abby Yount (mile) and Maddie Taylor (400).

Jose Garcia (long jump, 400) picked up two victories to pace South's boys. Jacob

North Track Teams Unbeaten

The North Davie girls track team, bidding for a sixth straight conference championship under long-time coach Don Tabat, is unbeaten three meets into the season. Last week the Wildcats topped Ellis and host Lexington in a three-team meet.

Grace Masencup (100 hurdles, 165 hurdles) and Desiree Lewis (100, 200) were double winners. Alexis Dulin (discus), Regan Shoemaker (1600) and Makenzie Dalton (shot put) enjoyed first-place finishes. Claiming the 4x200 relay were McKenna Oakes, Blakely Freeman, Giovanna Hutchens and Salem Carter. Winning the 4x100 relay were Mya Johnson, Olga Gamez, Oakes and Lewis.

North's boys, seeking their first conference title since 2010, are also undefeated on the season. Bryan Cash (110 hurdles, 165 hurdles) was a double winner, while Noah Johnson captured the high jump.

Senior Profile

Catching up with ... Corey Tilley (lacrosse)

When you were growing up, what did you want to be? A rapper.

In the movie of my life, I'd be played by: Jonah Hill.

Stranded on an island, what are your 3 essential items? Unlimited McDonalds, Netflix and phone charger.

What's the funnest moment in your sports career? In elementary school football when we got two No. 73 jerseys and I got a decimal printed on mine and became 7.3.

What's the proudest moment in your sports career? Scoring three goals in my first star last year.

If you could turn back time and witness one event, what would it be? Woodstock.

Who is the funnest teammate? Bobby Vandiver.

Which teammate is happiest after a win? Ryan Robinson.

Hobbies: Lacrosse and hanging out in my friend's basement.

Athletes I most admire: Chris Paul, Tim Duncan and Codi Miller-McIntyre.

Interesting fact about myself: I'm leader of the Davie Crutzes.

What I like most about Davie High: It's like a big dysfunctional family.

If I could do one thing better, it would be: Study.

Person I'd most like to meet (dead or alive): John F. Kennedy.

If you could have a date with a celebrity, who would it be? Emma Stone.

Post-school ambition: Be successful and start a family right here in DC.

Davie High students Renee Marshall and Jordan Earle visit with two of the dogs at the Humane Society of Davie Pet Adoption Center.

For The Dogs

Davie High Students, Staff Make Donations To Humane Society

The Student Government Association at Davie County High School collected more than 1,000 items for the Humane Society of Davie County during the month of March.

The teachers challenged the students to raise items with the teachers donating enough paper towels to build a floor to ceiling paper towel tower in the media center. This motivated the students to donate dog and cat food, animal collars, hand sanitizer, animal toys, and litter scoops in addition to many other items.

To further enhance the challenge, the third period class donating the most items received an ice cream party.

On Saturday, March 28, SGA officers and members including Josh Lankford, Jordan Earle, Holden Poole, Renee Marshall, Jessica Navarro, Gabby Boda and Tessa Mathews took the items to the HSDC. Accompanied by one of their advisers, Lynn Wisecarver, and Mocksville Elementary School representative Callie Wisecarver, the group was able to spend time petting three of the dogs available for adoption.

"We really appreciate all of this," Gloria Wommack, HSDC

managing director said. "The paper towels alone will last about two months. This was really so nice for the high school kids to

gather all of this stuff for the animals." The SGA conducts a service project each month in order to

teach its members about the importance of being community leaders and giving back to the community. The group meets

twice a month and is led by advisers, Jen O'Brien and Wisecarver along with a student-led executive board and student class officers.

Tessa Mathews, Callie Wisecarver, Renee Marshall and Jessica Navarro give a small dog attention.

At left, students show some love to Humane Society adoption center dogs; and at right, Gabby Boda, Tessa Mathews, Callie Wisecarver, Renee Marshall, Jessica Navarro, Gloria Wommack, Jordan Earle, Josh Lankford, Holden Poole enjoy the visit.

Mildred and R.V. Spry

Spry Couple Celebrates 70th Wedding Anniversary

Roy V. "R.V." Spry Jr. (Christa), Brandi Swish- and Mildred Frye Spry of Dendron Road, Mocksville, celebrated their 70th wedding anniversary on Tuesday, March 31.

The couple were married in York, S.C., on March 31. They grew up in Coolee- mee. Shortly after the marriage, they moved to south Mocksville where they raised their six children. Their children are: Brenda Draughn (Ervin), Pat Cleary (Charlie), Rick Spry (Pam), Sharon Bartlett (Ed), Cindy Swisher (Dwayne), and deceased daughter, Steibly Wensil (Allen).

Their grandchildren are: Michael Draughn (Teresa), Keri Draughn Brandon (Bryan), Becky Cleary Wensil (Dan), Chris Wensil

Club Sponsoring Shred Event Proceeds Benefit Reading Program

The Bermuda Run Garden Club has presented a \$1,000 check to the Davie County Children's Reading Program.

Carol Quinn, liaison to the Davie Community Foundation, and Marie Labarowski, shredding event chair, presented the check to Jane Simpson, executive director of the Davie Community Foundation, which oversees funding for the reading program.

The club raised the funds through a new project, shredding, which they sponsored last October.

Shredding Event Chair Marie Labarowski said: "At our first event I suggested we use our profits for the Children's Reading Program. Our members en-

thusiastically endorsed this proposal and the new project to raise the funds."

The success of that fundraiser led the club to schedule another community shredding event for Saturday, April 18 from 10 a.m. - 1 p.m. in the Bermuda Run Town Hall parking lot (off US 158).

For \$5 per brown grocery bag or equivalent size box, the shredding is done on site by a mobile shredding service. Drive-thru service is available and people can watch their documents being shredded in a secure environment. Computer hard drives can be shredded also at this cash only event on April 18.

To learn more, call Labarowski at 336-650-5518.

Bermuda Run Garden Club presents \$1,000 for the Davie County Children's Reading Program to Jane Simpson of the Davie Community Foundation. From left: Cathy Zeltvogel, club treasurer; Carol Quinn, liaison to the foundation; Jane Simpson, foundation director; and Marie Labarowski, shredding event chair.

Free Skin Cancer Screening

A free skin cancer screening will be held at Davie County Health Department on May 6 at 1 p.m.

The screening is part of a national campaign to encourage early detection and prevention of skin cancer and is sponsored by the American Academy of Dermatology, Dr. Suzanne Hess, Davie County Health Department, Call 3753-6750 for an appointment or for more information.

It is estimated that one in five Americans will be diagnosed with skin cancer in their lifetime, and one

person dies from melanoma - the deadliest form of skin cancer - every hour. Over exposure to sunlight, including tanning is the main cause of skin cancer when it results in sunburn and blistering. Other factors include repeated medical and industrial x-ray exposure, scarring from diseases or burns, occupational exposure to compounds such as coal, tar and arsenic, and family history.

The best method of prevention against skin cancer is sun avoidance. Fair-skinned people who sunburn easily are at high risk for skin cancer. Some tips to reduce one's risk of skin cancer from the sun's ultraviolet rays are:

- Seek shade between 10 a.m. and 4 p.m. when ultraviolet rays are the most intense, especially when your shadow is shorter than you are tall.
- Wear light-colored, tightly woven, protective clothing and wide-brimmed hats.
- Apply sunscreen with a SPF of 15 or greater.

It has been estimated that 80% of lifetime sun exposure occurs before age 18 so begin the use of sun protection early. Children under 6 months of age should not have prolonged sun exposure.

The use of sunscreen should never be an excuse for increasing sun exposure because other sunrays go through the sunscreen, such as UVA or infrared, which age the skin and damage the skin's immune system.

Early detection of skin cancer is the surest way to a cure. Everyone should develop a regular routine to inspect for skin changes. If any growth, mole, sore or skin discoloration appears or begins to change, see a dermatologist.

To increase people's chances of spotting skin cancer early, the American Academy of Dermatology recommends everyone learn the ABCDE rule, which outlines the warning signs of melanoma:

- A is for Asymmetry: One half of the mole does not match the other half.

- B is for Border irregularity: The edges are ragged, notched or blurred.
- C is for Color that varies from one area to another.
- D is for Diameter: While melanomas are usually greater than 6mm (the size of a pencil eraser) when diagnosed, they can be smaller.
- E is for Evolving: A mole or skin lesion that looks different from the rest or is changing in size, shape or color.

Women's Day At New Bethel

New Bethel Baptist Church, 3727 US 601 S., Mocksville, will celebrate the annual Women's Day program on Sunday, April 12 at 3 p.m. with the Rev. Sherry Ford, assistant pastor of Gethsemane Missionary Baptist Church in Salisbury, as the guest speaker.

For more information, call 284-2990.

Breakfast At Mocks Methodist

Mocks United Methodist Church, Beauchamp and Mocks church roads, Advance, will hold a country ham and tenderloin breakfast from 6:30-10 a.m. Saturday, April 11. The menu also includes eggs, grits, sausage gravy, biscuits and beverages for \$7. The breakfast is sponsored by the United Methodist Men and supports their ministries.

Community Covenant Revival

Spring Revival at Community Covenant Church will be held April 13-19.

Dr. Mark Smith, President of Ohio Christian University, will be the guest evangelist. Services will be held Wednesday through Saturday nights at 7, and Sunday services will be at 10:45 a.m. and 6 p.m.

Charles Baker will be the song evangelist for the revival meetings. The church is at 1446 Sheffield Road, Mocksville. Everyone is invited.

Revival At Fellowship Baptist

Revival services at Fellowship Baptist Church, 1084 Rainbow Road, Advance, will be held April 13-17 at 7 nightly. Brother Jimmy Thomason from McDonald, Tenn. will be the visiting evangelist. There will be special singing each night.

For more information, contact Pastor Wayne Swisher at 909-1808 or 492-7210.

The Seven Ups At Erwin Temple

The Pastor's Aide Ministry of Erwin Temple Church will present a program on Sunday at 3 p.m. The Seven Ups. There will be seven speakers, one a member of Erwin Temple and six guests from area churches. The Echoes For Christ will be a guest group to provide gospel singing.

The Rev. Ervin Hannah Jr. is pastor of Erwin Temple.

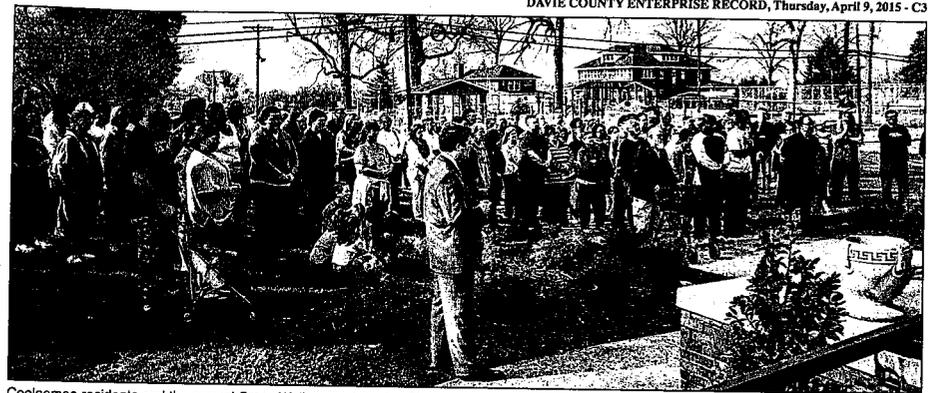

Breakfast At Farmington UMC

Farmington United Methodist Church, 1939 Farmington Road, Mocksville, will hold a community breakfast from 7-10 a.m. Saturday, April 11.

Donations will be accepted for the menu that includes pork tenderloin, sausage and sausage gravy, eggs, grits, stewed apples, biscuits, breakfast casserole, coffee and orange juice.

Center Methodist Breakfast

Center United Methodist Church, US 64 West at I-40, Mocksville, will hold a breakfast to benefit the Summer Book Bags of Hope on Saturday, April 11 from 6-10 a.m. The menu will include country ham and sausage, eggs, grits, biscuits, gravy and more.

Coolee residents end the annual Cross Walk at First Baptist Church on Marginal Street.

Coolee

By KC Smith
Coolee Correspondent

What a beautiful Easter weekend. Good Friday was successful with no rain and approximately 150 people attending the annual Cross Walk.

Thomas Dalton carried the cross from Refuge Community Church to the front steps of First Baptist Church.

Prior to the walk, Selina Barker led a gathering of Christians in praise worship in song before the walk began. This was a great time to gather and sing songs that reminded us of the sacrifice Jesus made for all mankind.

The Cross Walk started with total silence. That moment of peace was moving and gave each of us a time for inner thought.

Pastor Donnie Chatmon with Jerusalem Baptist Church welcomed the gatherers and spoke of the resurrection. It gives us hope today and redemption. He read from 1 Corinthians, which read that Jesus was raised from the dead as we too, will raise from the dead.

Pastor Allen Mullins of First Baptist Church spoke about Jesus taken to trial three times. "We commemorate a time that changed all of eternity and the souls of man."

He said the way crosses are worn today are as decoration, but the cross is a message of declaration of what has done for simple man.

The cross carries a message of injustices such as poverty, sickness and fear as we experience and know of today. The crucifixion of Jesus was unjust because he had done nothing wrong, but yet he was put into a place with all the guilty.

Religious people shouted to crucify him, King Herod wanted nothing to do with him and Pontius Pilot admitted this he had done nothing wrong. The pull of political persuasion led Pontius Pilot to allow the people a choice of letting the guilty man Barabbas go free and crucify Jesus, while he washed his hands free of the matter.

Mullins clearly said, "You can't wash your hands of Jesus. Jesus is a choice, you either accept him or reject him."

The cross also carries the message of pain and agony. Jesus went to his father at the garden of Gethsemane and asked three times for he knew the pain and agony of the cross was going to come because it was his father's will.

The Roman Empire meant for the cross to be painful and agonizing. The cross portrayed the Romans as the most powerful nation on the face of the earth.

Jesus paid the sin debt of man so we can be brought to reconciliation with God.

Thomas Dalton carries the cross along Marginal Street.

For God so loved the world, that he gave his only begotten son, that whosoever believeth in him shall not perish, but have everlasting life.

Police Chief Bobby West addressed the people: "We are in a country that is called United States of America. We cannot have the government or anyone else dividing us up like what is happening in the world today. If you look at companies, if you look at businesses, if you look at wars, they were won because of the old covenant and divide. That's exactly what is happening in the world today. We can't have it. This country has got to understand we are one nation, under God. They've got to understand it, with liberty and justice for all."

Pastor Rodney Barker with Community Baptist Church had the closing prayer. Jesus' words of "It is finished," are what stand out the most in Pastor Barker's mind.

Pastor Barker said it's done and he paid it all. It's our job as Christians here on earth, to spread the gospel all over the earth through our faith and witness. Pastor Barker asked God to help us fulfill that commitment.

Camp Manna had an Easter Celebration on the evening of Good Friday. It was packed with hogdigs, slides, basketball, bubbles, face painting and laughter. Looked like there were as many as 200 people running around in the large outdoor area. Cool breezes with warm sunshine are a wonderful combination for having fun and celebrating Jesus' resurrection.

Feel free to contact me at www.cooleeenterprise@gmail.com or 336-250-1133.

Children enjoying the Easter celebration at Camp Manna Friday night include, from left: Maddox Crowe, Isabelle Branham and Gracie Goodman; and Landen Reynolds.

County Line

By Shirley Thorne
County Line Correspondent

County Liners enjoyed a windy but beautiful Easter weekend. Services at local churches celebrating the resurrection of Jesus Christ were well-attended. The graves of our loved ones were adorned with beautiful floral arrangements.

Our school kids are on spring break this week; thus many families are taking vacations. We have few community events this week but have many upcoming.

Piney Grove AME Zion Church will have a church anniversary celebration at 3 p.m. Sunday, April 12. Pastor Sylvester Reed of Mt. Nebo Baptist Church of Harmony will be the guest speaker. The church choir of Mt. Nebo will present gospel music. Piney Grove members invite everyone to for a covered-dish dinner at 1:30 p.m. in the fellowship hall followed by the anniversary service at 3.

The Prayer Quilt Ministry of Society Baptist Church will meet at 9:30 a.m. Saturday, April 11, in the fellowship hall. The group invites others interested in quilting.

The Women on Missions of Society Baptist will meet at 2 p.m. Thursday, April 16 in the fellowship hall. Mary Jo Lewis will present a program on North American mission work and needs. The women invite others.

Upcoming community events include a country ham and sausage breakfast sponsored by the Salem United Methodist Men from 6-10 a.m. Saturday, April 18 at the County Line VFD; Society Baptist Operation Inasmuch Saturday, April 18, revival services at Society Baptist April 19-22; Clarksburg United Methodist Building Team country ham

Clarksburg folks including Beth, Cody, and Colt Gallier (right) decorated the cross with live flowers.

and sausage breakfast from 6-10 a.m. Saturday, April 25; Piney Grove AME Zion Spiritual Choir Anniversary at 3 p.m. Sunday, April 26; country ham and sausage breakfast hosted by V-Point Ruritans, 6-10 a.m. Saturday, May 2 at the V-Point Building; church-wide yard sale at Calvary Baptist Church 7 a.m.-noon Saturday, May 2; annual community-wide "Spring Celebration" hosted by Clarksburg United Methodist from 3-6 p.m. Sunday, May 3; and arrival at Piney Grove AME Zion Church May 11-14.

Our community extends its deepest sympathy to the family of Willard Leroy Parks, who died Sunday of last week at Forsyth Medical Center after a period of declining health. He was born in Forsyth County in 1972 to June Elizabeth Paris and the late Burnice Leroy Parks. Willard graduated from Davie County High School and made his home with his family on Mr. Henry Road. He was a farmer and had worked in retail sales. The family is being served by Davie Funeral Service and funeral arrangements will be announced later.

We extend our deepest sympathy to the family of Lawrence Walker Cartner, who died early last Saturday

morning at Forsyth Medical Center after a brief hospitalization. He was born in 1930 in Davie County to the late Grady and Cordie Walker Cartner of Grady Lane off Davie Academy Road. The family first attended Saint Matthews Lutheran Church and later joined Salem United Methodist Church, where Lawrence was a faithful and active member the rest of his life. He helped his family on their farm and in 1948 graduated from Cool Spring High School, where he drove a school bus and was a marshal. A veteran of the US Army, he served from 1954-1956 and was stationed in Germany. In 1957 he married the former Betty Kiblinger and the couple settled on the Cartner family farm, where they operated a beef farm and reared their five children. He also drove a YVEDDI van for 10 years and was active in community endeavors. A service celebrating his life was held Monday morning of this week at Salem and he was laid to rest in the church cemetery.

Much appreciation is given to Lawrence and his family for their dedicated support of our community news since its inception in September 2003. He was a vital source of data and pic-

tures for many of our community "flash-backs" and our "Remembering Cool Spring High School" and other related school events. His wife Betty has been our primary news coordinator for the Salem area for several years.

Our community sends get-well wishes to W.C. "Docker" Harris and David Steele. Docker has been hospitalized with pneumonia at Iredell Memorial Hospital since Wednesday of last week. David became worse last week and returned to Iredell Memorial

Clarksburg Methodist Youth Praise Band celebrate the resurrection of Jesus Christ at "Blended Worship" Sunday. From left, Will Parker, Nathaniel Eltzorn, Hollee Krider, and Grace Parker. (Carly Eltzorn; not pictured.)

hospital; he is in rehab there. Abigail Campbell has been transferred to Levine Children's Hospital in Charlotte. Betty Lou Richardson remains in rehab at Iredell Memorial Hospital. Jim Stroud remains at Wake Forest Baptist Medical Center. Brenda Swisher remains in rehab at Autumn Care of Mocksville. Pat Swisher remains in rehab at Autumn Care of Statesville.

Join us in prayer for the Lord's divine healing and blessings upon Docker, David, Abigail, Betty Lou, Jim, Brenda, Pat, and others who

are having health problems. Pray for the families of Willard and Lawrence as they adjust to life without their loved ones. Also, remember in prayer Gene and Linda Matney and family; his mother, who lived on Junction Road, died Wednesday of last week at Forsyth Medical Center after a brief hospitalization. Linda has been our primary news coordinator for the Society area since 2003.

For news and memories to share, please call Sherrill on 492-5115 or email adlink@hotmail.com.

Obituaries

Nancy Lee Richie Priddy

Mrs. Nancy Lee Richie Priddy, 76, of Ben Anderson Road, Mocksville, died Tuesday, March 31, 2015, at her home.

She was born Oct. 6, 1938 in Davie County to the late John Henry "Bud" and Leona Grace McBride Richie. She was also preceded in death by D. L. Williams and Elmo Holt.

Survivors: her husband, Zane Priddy of the home; a brother, Charlie Thomas Richie (Frances) of Advance; nieces, Martha Harris (George), Cindy Hutchens (Lloyd), Susie Taylor (Ronnie), Nancy Smith (Tim), Lynn Knight, Johnna Grayley (David) and Charlene Haas (Brad); and several great-nieces and great-nephews.

A funeral service was conducted at 3 p.m. Friday, April 3 at Bixby Presbyterian Church with Dr. Darrell Cox officiating. Burial followed in the church cemetery. The family received friends at the church one hour prior to the service. Memorials: Humane Society of Davie, PO Box 153, Mocksville.

Condolences: www.eatonfuneralservice.com.

Dr. John T. Harriott

Dr. John T. Harriott of Winston-Salem died after a short but fierce battle with pancreatic cancer on March 5, 2015.

A celebration of life ceremony will be held at 2 p.m. on April 11 at College Park Baptist Church, 1701 Polo Road, Winston-Salem, with a visitation from 12-1:30 p.m.

Condolences: www.salem-fl.com.

Hazel Victoria Couch Tutterow

Mrs. Hazel Victoria Couch Tutterow, 92, of Junction Road, Mocksville, died on Wednesday, April 1, 2015, at Forsyth Medical Center in Winston-Salem.

She was born May 20, 1922, in Cabarrus County to the late Ernest George Walter and Sadie Belle Creason Couch. Mrs. Tutterow was a member of the United Methodist Church where she taught Bible school, Sunday school and for many years sang in the choir. She loved her family and her church and always put her trust in God. Mrs. Tutterow loved to crochet and gave away many of the items she crafted. Some of the scarves and toboggans she made were given away every year at the toy store.

She was also preceded in death by her husband, Robert Clarence Tutterow; her sister, Lucille Hally; brothers, Ed Couch, Tom Couch, Frank Couch and George Couch Jr.; and a great-granddaughter, Kerri Lynn Lowery.

Survivors: her children, Carolyn Price (Woody) of Advance, Larry Gene Tutterow (Linda), Whitey Tutterow (Bobbie), and Patsy Harris, all of Mocksville; 6 grandchildren, Vickie Reeves (David), Brenda Overcash (Clint), Derrick Tutterow (Shere), Christie Neely (Gary), Ricky Price, Melinda Lowery, Brad Tutterow (Priscilla) and Jeremy Harris (Lacey); 3 stepgrandchildren, David Harris, Shane Harris (Debbie) and Amanda Harris; 11 great-grandchildren, Justin, Brittany, Katie, Ryan, Megan, Connor, Courtney, Charlie, Blaine, Emma and Hunter; 6 stepgreat-grandchildren, Kanyan, Nathan, Aubrey, Emma, Rachel, and Jonathan; and a brother, Jack Couch of South Carolina.

A celebration of her life was conducted at 11 a.m. Saturday, April 4 at Eaton Funeral Chapel with the Rev. Frank Blankenship and Larry Gene Tutterow officiating. Burial followed in Harrison United Methodist Church Cemetery. The family received friends Friday, April 3 at the funeral home.

Memorials: The Gideons International, PO Box 182, Mocksville; or St. Jude Children's Research Hospital, 501 St. Jude Place, Memphis, TN 38105.

Condolences: www.eatonfuneralservice.com.

Ronald Joseph 'Woody' Woodruff

Ronald Joseph Woodruff, 66, died on March 30, 2015 at Wake Forest Baptist Medical Center in Winston-Salem following an extended illness.

He was born Nov. 29, 1948 in Harlem, N.Y., son of the late Andrew Woodruff Sr. and Sally Matthews Woodruff. He grew up in Davie County and graduated from Davie High School in 1967. He worked at Bermuda Run Country Club and Horn's Truck Stop before retiring in 2012.

He was also preceded in death by 2 brothers, Andrew Woodruff Jr. and Aaron Woodruff.

Survivors: 2 sons, Maurice Woodruff of Salisbury, and Curtis (Shekita) Woodruff of Taylorsville; a daughter, Rhonda Glenn of Salisbury; his best friend whom he loved like a brother, James (and wife Bert) Rose, with whom Woody lived; 2 granddaughters, Mone' Woodruff and Shekya Woodruff; other relatives and friends.

His funeral service was held Friday, April 3 at 3 p.m. at Graham Funeral Home. The Rev. Ervin Hannah officiated and delivered the eulogy. The family received friends at the funeral home 30 minutes before the service.

Condolences: www.GrahamFuneralHome.net.

Lawrence Walker Cartner

Mr. Lawrence Walker Cartner, 84, of Grady Lane, Mocksville, died Saturday, April 4, 2015, at Forsyth Medical Center in Winston-Salem.

He was born June 17, 1930 in Davie County to the late Grady William and Cordie Mae Walker Cartner. Mr. Cartner was a veteran of the U.S. Army having served in the Korean Conflict. He was an active member of Salem United Methodist Church. Mr. Cartner was a farmer and had been a driver for YVEDDI for 10 years.

He was also preceded in death by 2 brothers, Kermit and Carl Cartner.

Survivors: his wife, Betty Kiblinger Cartner of the home; 5 children, David Cartner, Danny Cartner (Julie), Daphne Cartner, and Douglas Cartner (Jennifer), all of Mocksville, and Denise Sloan (Eddie) of Olin; 11 grandchildren; and a great-grandson.

A funeral service was conducted at 11 a.m., Monday, April 6 at Salem United Methodist Church with the Rev. John Erwin officiating. The body was placed in the church 30 minutes prior to the service. Burial followed in the church cemetery. The family receive friends Sunday, April 5, at Eaton Funeral Home.

Memorials be sent to the Salem UMC Building or Cemetery Fund, c/o Paula Shev, 1582 Davie Academy Road, Mocksville.

Condolences: www.eatonfuneralservice.com.

Patty Rae Fishel Hendrix

Mrs. Patty Rae Fishel Hendrix, 76, of Mocksville, died Sunday, April 5, 2015 at Forsyth Medical Center.

She was born Oct. 10, 1938 in Forsyth County to Merton Allen Fishel and Clyde William Fishel. She graduated from Griffith High School in 1958 and retired from R.J. Reynolds Tobacco Co. after 31 years. She loved playing softball, working with flowers and helping others. Mrs. Hendrix was a member of Comatzer United Methodist Church where she taught Sunday School, sang in the choir and was known for her chicken pies.

She was preceded in death by 2 brothers, Wilburn and Roger Fishel.

Surviving: her husband of 57 years, G. Vernon Hendrix Sr.; 2 daughters, Lonna McDaniel (Billie) of Mocksville and Donna Davis (Ronnie) of Advance; a son, G. Vernon Hendrix Jr. (Jamie) of Advance; 8 grandchildren, John McDaniel, Tiffany, Travis, Luke and Krystal Davis and Jake, Hunter and Addison Hendrix; 3 sisters, Virginia Davis, Peggy Lewter and Juanita Troutman, all of Winston-Salem; and a brother, Sidney Fishel of Emerald Isle.

A funeral service was to be held at 2 p.m. Thursday, April 9 at Comatzer United Methodist Church with the Revs. Shane Young and Jack Luther officiating. Burial was to follow in the church cemetery. The family was to receive friends from 6-9 p.m. Wednesday at Hayworth-Miller Kinderfont Chapel.

Memorials: Comatzer UMC, 1244 Comatzer Rd., Mocksville.

Condolences: www.hayworth-miller.com.

Harold Lee 'Sonny' Carter

Mr. Harold Lee "Sonny" Carter, 80, of the Farmington community, died Friday, April 3, 2015, at Forsyth Medical Center in Winston-Salem.

He was born Dec. 17, 1934, in Davie County to the late Harry Lyerly and Lillian Joyce Allen Carter. Mr. Carter was retired from R.J. Reynolds Tobacco Co. He had been involved with horse shows and wagon trains. He loved to perform and teach music and had been involved in numerous fiddlers' conventions in several states. Mr. Carter had played in bluegrass bands and enjoyed playing the guitar, banjo, mandolin, fiddle and bass.

Survivors: a son, Joe Thomas Carter (Donna) of Wyo; best friend of 45 years, Polly Lomax; and 2 grandchildren, Alan Thomas Carter and Elizabeth Rachel Carter.

A private graveside service was conducted in Farmington Community Cemetery with Pastor Ronnie Craddock officiating. The family received friends on Saturday, April 5, at Eaton Funeral Home in Mocksville.

Memorials: Mountain Valley Hospice, 688 N. Bridge St., Elkin, 28621.

Condolences: www.eatonfuneralservice.com.

Willis Lawrence 'Pete' Riddle

Mr. Willis Lawrence "Pete" Riddle, 88, of Advance, died at home on Friday, April 3, 2015 surrounded by his family.

He was born April 27, 1926 to the late Willis Vance and Sallie Cope Riddle. He was preceded in death by Dolly Vopler Riddle, to whom he was married for 67 years. As an only child, he was a part of Dolly's family, the Voglers. The happiest years of his life were spent running his country store for 20 years. He later worked with his sons at Riddle Tractor for 27 years until retiring to care for his wife during her later years. He was proud to be a dedicated charter member of Green Meadows Baptist Church.

Survivors: sons, Vance (Karen) and Gene Riddle; also grandchildren Anna Mitchell (Michael) and Grace Riddle; great-grandchildren, Caroline, Charlie and Sidney Mitchell; and sisters-in-law, Gladys Heckaday, Ganette "Dot" Bodsford, Jackie Vogler and Betty Vogler.

Funeral services were held at 3 p.m. Sunday, April 5, at Green Meadows Baptist Church with the Revs. Josh Green and Ray Davis officiating. The family received friends prior to the service. Burial followed in the church cemetery.

Memorials: Annie Armstrong Easter Offering c/o Green Meadows Baptist, 1646 NC 801 N., Mocksville; or to Hospice/Palliative Care Center-Davie, 377 Hospital St., Suite 103, Mocksville.

Condolences: www.hayworth-miller.com.

Kenneth Gray 'Ken' Sales

Mr. Kenneth "Ken" Gray Sales, 80, of Holly Lane, Mocksville, died Tuesday, March 31, 2015, at Wake Forest Baptist Medical Center in Winston-Salem.

He was born Aug. 7, 1934 in Davie County to the late Lonnie Floyd and Cosby Adeline Copley Sales. He was a veteran of the U.S. Army and a graduate of Coolmeade High School, Class of 1953. He was a member of First United Methodist Church of Mocksville. He had been employed at Western-Electric, manager at Baker Furniture and at Heward Realty. He had been involved in numerous civic organizations.

He was preceded in death by his wife with whom he married in 1966, Precious Bost Sales; and siblings, Pauline Sales, Mildred Sales, Jack Sales, Lillian Chandler, Mary Walker, T.J. Sales, Nellie Webb and Wendy Sales.

Survivors: 2 sons, Kip Sales (Wendy) of Williamston and Kelly Sales (Katie) of Mocksville; a sister, Doris Sales Lakey of Mocksville; and 5 grandchildren, Hunter, Harrison, Hannah, Hayes and Aiden.

A memorial service was conducted at 3 p.m. Friday, April 3 at First United Methodist Church of Mocksville with Dr. Glenn L. Myers Jr. officiating. The family received friends at the Family Life Center following the service.

Memorials: RiverPark, PO Box 357, Coolmeade.

Condolences: www.eatonfuneralservice.com.

Brida Lee (Cody) Wilkins

Brida Lee (Cody) Wilkins, 64, of Daltow Road, Mocksville, died Wednesday, April 1, 2015 at Rowan Regional Medical Center.

A native of Davie County, she was the daughter of the late Booker T. Cody Sr. and Magdalene Wilson Cody, and the widow of the late Jurrel Lee "Tony" Wilkins, who died in 1998.

Mrs. Wilkins was a long-time employee of Jockey International Distribution Center where she was a supervisor in the shipping department. She was a member Fellowship Bible Baptist Church in Winston-Salem. The joys of her life were her family, church, and cooking for those she loved.

Survivors: 4 daughters, Annette, Lauren and Regina Wilkins, all of Mocksville, and Carlotta Wilkins Jones (Marcus) of Moundville, Ala.; 2 sons, Jai Wilkins of Winston-Salem and Anthony Bostick (Arie) of Durham; 3 sisters, Deborah Cody of King, Mary and Deanna Cody, both of Mocksville; 3 brothers, Floyd Cody of Shelby, Edward Cody of Washington, DC, and Samuel Cody (Marie) of Winston-Salem; plus 5 grandchildren, Kory Wilkins, Nathaniel Ellis, Jill Wilkins, Destin Maxwell, Briley Bobbitt and Shandee Wilkins-Lohman.

She was also preceded in death by a son, James Cody, and 5 brothers, Booker T. Cody Jr., Elmer Cody, John Cody, William Cody and Charles Cody.

A celebration of life service was to be held at 4 p.m. Wednesday, April 8 at the Davie Funeral Service Chapel with Pastor Gregory Dennis officiating. The family was to receive friends at the funeral chapel from 3 p.m. until the time of service. Burial was to follow in the Rose Cemetery in Mocksville.

Condolences: www.daviefuneralservice.com.

Mary Jacqueline Smith Beamon

Mrs. Mary Jacqueline Smith Beamon, 73, of Roy Davis Road, Mocksville, died Friday, April 3, 2015, at her home.

She was born July 9, 1941, in Davie County to the late Robert and Ethel White Smith.

Survivors: her children, Mary Ann Potts of Shenandoah, Va., Edward Jack Potts (Mary Jane) of Advance, Kathy Palmer (Jimmy) of Booneville, Verna Short (James) of Mocksville, Roger Beamon of the home, Michelle Beamon and Michael Beamon both of Mocksville; 12 grandchildren; and 8 great-grandchildren.

A funeral service was conducted at 2 p.m., Monday, April 6 at Eaton Funeral Chapel with the Rev. Wayne Swisher officiating. Burial followed in Chestnut Grove United Methodist Church Cemetery. The family received friends at the funeral home one hour prior to the service.

Condolences: www.eatonfuneralservice.com.

Michael Stephen Orrell

Mr. Michael Stephen Orrell of Harmony died Friday, April 3, 2015 at Rosewood Assisted Living in Harmony.

He was born Dec. 30, 1961 in Forsyth County to Herman Brown and Barbara Spear Orrell. He was preceded in death by his mother and his stepmother, Mildred Creed Orrell.

Surviving: his father Winston-Salem; and a sister, Candace Batchelor of Charlotte.

A graveside service will be held at 11 a.m. Friday, April 10 at Mocks United Methodist Church in Advance with the Rev. William Taylor officiating. The family will receive friends following the service.

Memorials: Mocks UMC, PO Box 2122, Advance.

TB Fight Requires Continued Collaboration Four Corners

World TB day, celebrated on March 24 each year, commemorates the day in 1882 when Dr. Robert Koch

announced his discovery of the cause of tuberculosis, the bacterium *Mycobacterium tuberculosis*.

RIVERS

FAMILY & COSMETIC DENTISTRY

DR. RIVERS' DENTAL TIP OF THE WEEK

Nail biting and thumb sucking in children is a major cause for teeth mal-alignment and crowding. It is important to help break your children of these habits as soon as possible.

Andrew J. Rivers DMD

118 Hospital St. • Mocksville, NC 27028

336-751-6289

"Serving Children & Adults" Accepting Most Major Insurances Riversfamilydentistry.com

This discovery revolutionized understanding of tuberculosis as a contagious disease that could be transmitted from person to person (coughing, sneezing, and speaking, for example), and over time led to great progress in diagnosis, treatment, and prevention of TB.

Since the discovery of the tuberculosis bacterium, great strides toward controlling tuberculosis have been made. In 1944 the first antibiotic active against the bacterium (streptomycin) was discovered, leading to the first cures for TB.

Over the next two decades a number of additional medications were discovered, so what had been a chronic and often fatal disease became curable. Millions of lives around the world were saved by the combination of good medications and good public health practices.

As a result of the combination of medicine and public health efforts to find and treat persons with TB, the number of TB cases in the

United States has fallen to all-time lows. In 2013 there were fewer than 10,000 persons sick with TB in the United States, and last year the North Carolina had only 195 cases among a population of over 9 million people.

While tuberculosis ranked among the top 5 causes of death in the United States in the beginning of the 1900s, in the early 2000s death from tuberculosis is rare.

Each year about 8 million people in the world become sick with tuberculosis, and about 1.5 million people die of the disease. Increasingly drug-resistant strains of the germ are being encountered worldwide; these strains are much harder to treat and require more toxic drugs to be administered for long periods of time.

The TB germ is sneaky and hides from detection. Patients who are sick with TB can have relatively mild symptoms for a long time, so they may not seek medical care until the disease is advanced and they have infected many other persons

around them. Furthermore, after infection the germ can hide dormant in the body for many years, coming back to life and making the person sick when age or other illnesses compromise the immune system.

Continued progress in the fight against tuberculosis relies on collaboration among patients, medical providers, and public health workers. Persons who are at risk for TB infection, either because they come from a country where TB is common (most of the developing world) or because they are exposed to high-risk settings like jails, prisons, or homeless shelters, should be tested for TB infection with either a skin test or a blood test. An infected person who is not sick can take medication that greatly reduces the risk of getting sick in the future.

Continued strong support for public health programs to control tuberculosis and diseases like HIV that increase the risk to get sick with tuberculosis is vital to ongoing progress.

Four Corners

By Marie S. White
Four Corners Correspondent

Mr. and Mrs. Billie R. Shelton hosted the annual Shelton Easter Luncheon and Celebration at Bear Creek Baptist Church in the Fellowship Hall. Those in attendance included Bill and Patricia Shelton, Joe and Marie White, Jerry and Patricia Haneline, Hayden Potts, Hunter Potts, Muff Haneline, Shane Potts, Bettie Smith, Blake, Ashley, Kessler, Crosby Hill, Andrew and Allan Sharpe, Andrew and Kinsley Coley, Terry, Helena Craft, Grady, Edna Ann Beck, Doug & Linda Hill, Abby Ferguson, Jean & Leonard Shelton, and Molly Jo McClamrock. Clyde and Virginia Murray are doing well but would appreciate your thoughts and prayers.

Mr. and Mrs. Joe White enjoyed Easter dinner with Glenda Sapp Sunday evening.

Christians from several denominations make the walk through Downtown Mocksville Friday morning commemorating the walk of Jesus carrying the cross. The walk ended with a brief ceremony at First Presbyterian Church. - Photos by Robln Snow

Some Gardening Q & A

Horticulture Agent Answers Most Frequent Questions

By Pam Jones
Cooperative Extension
Horticulture Agent

Each season brings its own gardening questions. I encourage clients to ask whatever is on their

mind. When teaching high school horticulture, I would tell my students that there are no stupid questions unless it is the question I just answered when they weren't listening. So following are some

of the most commonly asked questions from the past several weeks.

Q: When is the best time to add lime to my garden?

A: The only time to add lime to your lawn or

garden is when a soil test recommends it. Many people have the mindset that liming should be an annual occurrence. In liming annually, the soil pH is being raised and there is such a thing as too high a pH. Blueberries for example, need a low pH of around 5.5. Liming would definitely not be indicated unless your soil test indicated a pH below 4.9.

Q: How long does it take lime to work on my pH? I need a pH of 6.5 for my vegetable garden but my soil test says my pH is 5.8.

A: Lime is not immediately available in the soil. It takes 2-3 months for lime to effectively begin to change pH. Applying lime

in the fall allows time for it to work before the next year's growing season.

Q: Is it too late to do a soil test for this growing season?

A: Yes and no. If you send in your soil samples now, your report should be back within 1-2 weeks. You will receive a recommendation based on the crop you indicated you would be growing in that soil for lime and fertilizer amounts that need to be applied for optimum growth of that crop. That is helpful information that will prevent you from over or under fertilizing, thereby saving you time, possibly money and avoids runoff into our water systems of excess fertilizer. However,

the answer is no if lime application is recommended to change your soil pH, as explained in the previous question.

Q: OK, I get it. I need to do a soil test. How do I go about that?

A: A visit to your friendly, local Cooperative Extension center gets you started. The supplies needed and the soil test are free from April 1-mid-November. Supplies and detailed information on how to take a soil sample are located in the hallway of Davie Cooperative Extension, 180 S. Main St., downtown Mocksville, beside the courthouse. Office hours are 8 a.m.-5 p.m. Monday-Friday.

Growing A Greener Future

Youth in the "Growing a Healthier Future" after-school program at Farmington Community Center show off the raised bed hoop tunnel they built with the assistance of Davie Master Gardeners. The covered tunnel allows them to plant earlier and protects tender plants from late frosts. At right, Master Gardener Frank Foster teaches one of the students how to build a cold frame.

Master Gardeners teaching youth the rewards of gardening

By Pam Jones
Cooperative Extension
Horticulture Agent

Certified Master Gardener Volunteers are required to perform 20 hours of gardening community service annually to remain certified.

That seems like a lot of hours unless you like working with children. Each year since the early 2000s, the Davie County Master Gardener Volunteers and the Davie Horticulture agent have offered a summer gardening day camp as

part of the Davie County 4-H Summer Fun program.

Campers work towards becoming certified Junior Master Gardeners much as the adults have requirements for their program. Utilizing the Junior Master Gardener handbook and lots of hands-on activities and trips, the day campers learn about the world of plants and their importance to our everyday lives.

The program was recognized for its excellence in youth programming in 2012 when it won first place in NC Cooperative Extension's statewide Search for Excellence awards.

The five-day camp for third-fifth graders will be held June 22-26. Registration begins April 21 at the Davie County Cooperative Extension Center at 180 S. Main St., downtown Mocksville, next to the courthouse.

In 2014 and continuing this year, Master Gardener Volunteers helped develop and offer gardening programs in several new settings. Several schools in Davie County have begun or revamped school

gardens. One of those is William R. Davie Elementary. Gardening is a wonderful activity that encompasses not only the subject of science but also math, reading, art, and music as in the William R. Davie Elementary School garden. Incorporating areas for reading, music and art into the traditional fruits, flowers and vegetables in the garden has drawn new students and faculty to the garden who may not have been as interested initially.

According to Luvonna Oakes, faculty member and garden team liaison, they

are adding a "vineyard by the side of the gym. Some third grade students have helped with it. Second grade has planted "a salad" and will harvest lettuce, broccoli and onions to eat before school is out. A kindergarten class is making plans for one of the boxes (raised beds) now."

She said that interest from other teachers who want their students to have lessons in the garden is growing.

Master Gardeners Sarah Wood and Terry Thornt offered advice to the William R. Davie garden volunteers and helped

with planning and securing plants. A community of volunteers, teachers, grandparents, parents and others makes this garden a successful setting for learning the growth cycle of plants, conservation of soil and water, the importance of planning and record keeping, as well as the most important lesson of all.

Someone, somewhere has to grow all the food we eat and it is so much tastier and better for us when we grow our own or buy it from the farm or farmers market down the road.

That is an important lesson for us all.

Pick the right siding for the conditions

(StatePoint) Whether you're building a home from scratch or contemplating an upgrade, when choosing siding, there's a lot more to consider beyond color.

The type of material can impact durability, beauty and even energy efficiency.

Since siding is a long-term investment, you'll want to make a decision from an informed place, especially with more options available in the marketplace.

For improved energy efficiency, choose insulated siding, which will prevent undue loss of warm air in

cluding high winds and hot and cold temperatures, can damage or destroy siding. Look for a product that is certified to withstand these conditions.

Fiber-based materials (such as fiber cement planks) absorb water, which over time can make siding more prone to rot, decay and even disintegration. Ask for siding options made of polymer-based materials, which are impervious to moisture.

For improved energy efficiency, choose insulated siding, which will prevent undue loss of warm air in

winter and cool air in summer. Where environmental impact is concerned, vinyl is a good bet, as it complies with environmental standards known as LEED and ICC 700 National Green Building standards.

A certain amount of upkeep will be required to keep your siding looking great. However, vinyl siding requires only occasional soap and water, whereas fiber cement requires re-caulking and repainting to maintain color and help

prevent moisture absorption.

First introduced in the 1960s, vinyl siding is the most popular home siding material today, due to its overall low cost, easy installation, durability and minimal maintenance. New products are particularly versatile, and easy to install and maintain.

Whenever making a major home upgrade, learn more about your purchase for smarter, sounder investments.

Horticulture Events

April 21 - Master Gardener Spring Garden Series Program, "Vegetable Gardening - Year-Round Possibilities". Free program but pre-registration required; email karen_robertson@ncsu.edu by April 17.

April 25 - Electronics Collection at the Davie County Landfill, 360 Dalton Road, Mocksville, 7:30 a.m.-noon. For a list of accepted items, call the Extension Center at 753.6100 or Davie Public Utilities at 753.6091. Free.

April 29 - Broccoli Variety Workshop, Piedmont Research Station, 8530 Sherrills Ford Rd., Salisbury, 28147. Come see and taste broccoli varieties adapted to our growing area. Free program. Workshop from 1-3 p.m. Call Pam Jones at 753.6100.

May 1 - Davie County Master Gardener Annual Spring Plant Sale, 8 a.m.-1 p.m., parking lot of 232 S. Main St., Mocksville, next to the Davie County Cooperative Extension Center. Reasonably priced annuals, perennials, shrubs and trees and expert advice from Davie County Master Gardener Volunteers on their care. There will also be other gardening-related items and Atlas gardening gloves for sale.

May 5 - Davie County Pesticide Collection Day, 10 a.m.-2 p.m., Masonic Picnic Grounds, Mocksville. Pesticide containers, empty or partially filled, with or without labels will be accepted for safe disposal. Save labels if possible. No point cans. Free.

May 19 - Master Gardener Spring Garden Series Program, "Community Gardens - Trending in Davie County" 6:30-8 p.m. Bring a lawn chair for a presentation on Community Gardens, the hottest trend in towns and cities. After the presentation, tour the Clement St. Deep Roots Mocksville Community Garden with Deep Roots volunteers. In May there should be lots to see in the garden. You can ask questions about your existing or planned home vegetable garden.

June 22-26 - Junior Master Gardener Day Camp, 8 a.m.-3 p.m. Targeted for 3rd-5th graders, youth will learn about the importance of the plants and natural resources in our daily lives. Field trips and hands-on activities turn this important subject into fun-filled days of learning. Contact Cooperative Extension, Davie County Center.

Fire danger

Be careful when burning yard debris during spring months

As crews fight two wildfires in Western North Carolina, the N.C. Forest Service is urging residents across the state to exercise caution when burning debris during spring fire season, which typically lasts into May.

In spring, people do a lot of yard work that often includes burning leaves and yard debris. There are many factors to consider before burning any debris.

The NCSF encourages residents considering debris burning to contact their local county forest ranger. The forest ranger can offer technical advice and explain what the best options are to help maximize the safety to people, property and forests.

"Protect our natural resources by acting safely. Don't burn on dry, windy days, and maintain a careful watch over a fire until it is extinguished," said Agriculture Commissioner Steve Troxler.

For people who choose to burn debris, the NCSF urges them to adhere to the following tips to protect property and prevent wildfires:

Consider alternatives to burning. Some yard debris, such as leaves and grass, may be more valuable if composted.

Check with your county fire marshal's office for local laws on burning debris. Some communities allow burning only during specified hours; others forbid it entirely.

Make sure you have an approved burning permit, which can be obtained at any NCSF office, county-approved burning permit agent, or online at <http://ncforestservice.gov>.

Check the weather. Don't burn if conditions are dry or windy.

Only burn natural vegetation from your property. Burning household trash or

any other man-made materials is illegal. Trash should be hauled away to a convenience center.

Plan burning for the late afternoon when conditions are typically less windy and more humid.

If you must burn, be prepared. Use a shovel or hoe to clear a perimeter around the area where you plan to burn.

Keep fire tools ready. To control the fire, you will need a hose, bucket, a steel rake and a shovel for tossing dirt on the fire.

Never use flammable liquids such as kerosene, gasoline or diesel fuel to speed burning.

Stay with your fire until it is completely out. In North Carolina, human carelessness leads to more wildfires than any other cause. In fact, debris burning is the No. 1 cause of wildfires in the state.

These same tips hold true for campfires and barbecues, too. Douse burning charcoal briquettes or campfire thoroughly with water. When the coals are soaked, stir them and soak them again. Be sure they are out cold and carefully feel to be sure they are extinguished. Never dump hot ashes or coals into a wooded area.

Burning agriculture residue and forestland litter. In addition to the rules above, a fire line should be plowed around the area to be burned. Large fields should be separated into small plots for burning one at a time. Before doing any burning in a wooded area, contact your county ranger who will weigh all factors, explain them and offer technical advice.

For more information on ways you can prevent wildfires and loss of property, visit <http://ncforestservice.gov>.

NC Sustainable Agriculture Educator of the Year who is also Davidson County Horticulture Extension Agent, Amy-Lynn Albertson, teaches farmers market vendors how to maximize their booth's attractiveness. A well-done farmers market display causes customers to slow down and look more closely.

Local, local, local, local

Buying at farmer's markets makes sense in more ways than one

The NC Office of Environmental Education published the following information about foods not grown locally and the energy required to bring them to customers.

"The average meal in the U.S. travels 1,500 miles before reaching your plate.

Frozen peas require 150 percent more energy than fresh peas due to packaging and refrigeration.

Produce not sold locally is often in transit or cold storage for days or weeks, and its nutritional value declines with time.

The NC Office of Environmental Education relates the benefits of buying locally-produced foods from the farmers who produce them.

Farmers selling produce locally can grow varieties chosen for taste instead of varieties chosen for how well they travel.

Farmers' markets enable growers to keep 80 cents to 90 cents per dollar spent by the consumer com-

10%

BUILDING NORTH CAROLINA'S LOCAL FOOD ECONOMY

Farm to Fork

Cooperative Extension is urging consumers to spend at least 10 percent of their food budget on locally-grown foods.

All three markets offer locally raised fruits and vegetables as well as handmade crafts.

For more information on these markets, contact Jones at pam.jones@ncsu.edu.

"While pondering the positives of buying locally grown foods, please consider becoming a part of the NC Cooperative Extension 10% Campaign by pledging to spend 10% of your food budget buying locally grown foods," Jones said.

If you want a honeysuckle in your landscape, steer away from the invasive Japanese variety (left); and choose a native variety such as the one on the right.

Go Native

'Alien' plants make be pretty, but they can be pretty invasive, too

By Pam Jones
Cooperative Extension
Horticulture Agent

Aliens? Here in Piedmont North Carolina?

No, they aren't aliens - but they are a serious threat to our native plants.

They are invasive plants. Some of them are quite beautiful.

In fact, most of them were bought for their beauty or utility and they then spread through their manicured settings to roam wild through the countryside.

However, just because it is legal to buy most of these invasive plants in North Carolina doesn't mean they are any less threatening to our native plants and ecosystems.

Many invasive plants have been around so long that most folks think of them as native.

One example would be Japanese honeysuckle, which looks similar to our native honeysuckle. Japanese honeysuckle was first introduced to Long Island, N.Y. in 1806 for ornamental, erosion control and wildlife uses.

Because of its vigorous growth and twining vines as well as its ability to grow in all light settings from full sun to shade, it is a threat to native plants. The vines can girdle small trees and kill shrubs. In full sun, it grows prolifically and its growth causes a mat that smothers mature trees.

As you can see from the photo, this is the honeysuckle most of us consider as

native. However our native honeysuckles often have blooms that vary in color from white to pink to red with some yellow bloomers to further confuse us all.

Two other common invasive plants that kill trees and crops are kudzu, and wisteria. One section of our family farm was so overtake with wisteria - from one plant that my mother planted years ago - that it took an excavator most of the day to clean up three acres of land. In fact, it is so hardy that I am still fighting it in this area 16 years later. In my family we have labeled wisteria as "Mystena."

Do not plant this beautiful, fragrant blooming vine unless you are prepared to work constantly to contain it.

Watch out for these other invasives as well: English ivy, Mimosa tree, Tree of Heaven, Chinese privet, Princess tree, and believe it or not, Bradford pears. As you know everyone loves to plant Bradford pears for the ornamental value. However, the birds love their small fruit and scatter seeds everywhere. The seedlings compete with native pears and fruit bearing pears that we buy from nurseries for their fruit. There are alternative pear varieties; call for suggestions.

There are many wonderful native species that are great substitutes for the plants listed above.

Native species live in harmony with one another until we tamper with them. Nursery owners, as well as Cooperative Extension

agents, can steer you towards plants that will help create a beautiful landscape and maintain the balance among nature. Deliberately search for natives for your use by going to <http://www.ncwildflower.org/>. Natural beauty without harming nature should be our goal.

Learn small-scale crop rotation

People have been practicing crop rotation for at least 8,000 years. It is still one of the best ways to cycle nutrients;

combat diseases, and outsmart pests. Learn the basics of crop rotation and how to practice it on a small scale from

6-8 p.m. April 28 at Forsyth County Cooperative Extension. To register or learn more, contact Alison Duncan at duncanal@forsyth.cc.

OUTSIDE & LIVE
ELDORADO OUTDOOR

Area residents line up for the best selection as the Davie County Master Gardener Volunteers open their plant sale last year; some even came with carts to haul away the special finds.

Davie Master Gardener plant sale May 1

Master Gardener Beth Dixon (green apron) helps a customer; at right, customers look over the tables filled with plants.

The Davie County Master Gardeners will hold their annual plant sale Friday May 1, 8 a.m.-1 p.m. in Downtown Mocksville in the parking lot of 232 S. Main St.

"If you are interested in garden plants, then this is the sale for you," said volunteer, Phala Roberts.

Master Gardener volunteers have been propagating and potting plants since last

fall to ensure a huge selection. "As you plan your spring and summer garden you will enjoy visiting the plant sale for plants and taking advantage of all the knowledgeable MG Volunteers," she said.

If you have plants that need separating or just have plants you would like to donate, give Pam Jones, horticulture agent a call, 753-

6100 and Master Gardeners will be happy to pick up. A new addition to the plant sale this year is the "Ask a Master Gardener" booth. Bring your puzzling gardening questions to get answers and techniques for a healthy garden.

All proceeds are used to fund projects within the county, as well as a scholarship given to a Davie County senior each year.

What is a weed? A plant whose virtues have never been discovered.

Ralph Waldo Emerson

Plant sales, workshops scheduled at Tanglewood Arboretum

Plant sales and programs have been planned for the Tanglewood Park Arboretum.

Proceeds are used to maintain the gardens. The dates and times are as follows:

- Saturday, April 18, 8 a.m.-1 p.m., and Monday, April 20, Wednesday, April 22 from 10 a.m.-2 p.m.
- On Saturday, April 18, there will be a \$5 raffle to win a two-hour garden consultation at your home with a Master Gardener.
- There are free garden-related workshops at 11 a.m. on these dates:
 - April 20th: Container Gardening;
 - April 21: Herbs and Cooking with Herbs; and
 - April 22: Plant Pollinators and Pollinator Gardens.

Soil testing can save on fertilizing costs

The N.C. Department of Agriculture and Consumer Service urges home gardeners and landscapers to prepare now to submit soil samples over the next few months to optimize growing conditions.

Until the last of November, there is no charge for soil testing, and sample results are usually ready within about a week.

Testing for soil pH is important to determine the lime needs for flower beds, vegetable gardens and lawns, said Jagathi Kamalakanthan, agronomist with the department's Soil Testing Lab. If soils are not limed properly, excessive soil acidity can damage roots. Also, an incorrect soil pH can affect nutrient availability.

"Lime begins to work as soon as it is applied, but it is best to apply it well in advance of planting so that there is adequate time for the lime to neutralize the soil acidity," Kamalakanthan said.

Phosphorus and potassium levels in the soil are also important.

For tilled areas such as vegetable gardens, collect soil from the surface to about 6 to 8 inches deep. In established beds or lawns, collect soil from the surface to a depth of 4 inches. She suggests using a garden trowel to get a "slice" of soil if you do not have a soil probe.

It is important to make sure that a sample adequately represents a given area. To do this, collect soil from 10 to 12 places randomly throughout the area, mixing them well in a plastic bucket. Once mixed, fill the N.C. DA&CS soil box to the red line indicated on the box. Collect separate samples for different areas - vegetable garden, lawn, flower bed, etc. A guide to collection of a soil sample is available at www.ncagr.gov/agronomi/pdf/factsanhome.pdf.

Free workshops at Old Salem

The Old Salem Museums & Gardens Department of Horticulture will hold garden workshops that are free and open to the public.

To pre-register, email vhannah@oldsalem.org or call 336-721-7357 to register.

- Photographing Butterflies in the Field, Saturday, April 25, 10 a.m.-11 a.m.
- Shade Trees of the Piedmont, Thursday, April 30, noon-1 p.m., James A. Gray, Jr Auditorium.

Davie High horticulture teacher Karen Ferrell (left) talks to students about harvesting micro-greens.

- Photos by Robin Snow

Ashlyn Whitaker, Nikky Jones, Caleb Boyter and Luke Davis transplant seedlings.

Micro greens & more, students learn how to grow plants

Snip, snip, snip. A few quick motions from the scissors, and teachers at Davie High School are closer to a lunch with one of the newest food fads.

Micro greens. They were grown by students in Karen Ferrell's horticulture class, and prepared by students in Mandy Hines' culinary class.

The greenhouse behind

the school is exactly that green. There are plants on the tables, hanging from the ceiling, on the floor. They're happy plants, not long from gracing someone's landscape or garden.

A public sale is planned the first two Saturday mornings in May. "They are learning skills they can use for the rest of their lives," Ferrell said.

The classes produce the

plants in every way a commercial operation would, but on a smaller scale. "It's not that big, but it's perfect for a teaching situation."

She incorporates other subjects into the curriculum. For those micro greens, students weighed the seeds and then the plants, keeping up with the cost of the seed vs. cost and time to grow them.

"I've been in the garden since I was little," said Katie Shoaf. "We have a very big garden."

It must have worked. One of the students' grandfathers heard about it, and is considering a greenhouse to grow micro-greens for the market.

Some of the students take the class because they want a future in the industry; others because it is already a hobby and they want to learn more.

"I've been in the garden since I was little," said Katie Shoaf. "We have a very big garden."

Ferrell checks the health of the plant by the roots.

Nikky Jones compares the size of the geranium plants the class received to the current size of the plants.

Ferrell, Troy Mabe and Lane Snow inspect plants.

Davie High students check on the plant-filled greenhouse.

Break-Ins Increase In The Spring

Warm weather can bring out the worst in people.

A rash of home break-ins in Davie County last week is proof of that.

Davie Sheriff's Chief J.D. Hartman said it happens at this time almost every year - as soon as the weather begins to warm. Thieves go to work.

Most of the break-ins occur during the day, and jewelry, cash, guns and electronics are the most sought-after items. Yard equipment is also stolen from outbuildings.

"We have had a rash all over the county starting about mid-March," Hartman said. "If you see something suspicious, call us. Get a description of the vehicle, the people, the license number if you can."

It's been said before: neighbors are the eyes and ears of law enforcement.

"Anything you can get could help us," Hartman said.

Lock doors and leave valuables out of sight. Do whatever you can to make your home look like someone is there. Most break-ins occur during the day because thieves do not want to be confronted, he said.

Violets Against Teen Violence

Art students of Jessica Allen at Davie High School have been busy. They have been learning about the danger signs of teen dating violence. And they have been making 1,000 ceramic violets.

They are for sale for \$10 each in a project called Violets Against Teen Violence, with proceeds going to the art class and to Davie Domestic Violence Services. An unveiling will be held at 3:45 p.m. Thursday on the square in Downtown Mocksville.

Buy a violet at Mocksville Town Hall or contact Allen at allenj@davie.k12.nc.us.

Sherry Ellis, Christie and Eric Summers and Claudia and John Ellis walk among the vines at Chestnut Trail Vineyard in the Fork community.

Wine With A View Family Opens Vineyard In Rural Davie

By Mike Barnhardt
Enterprise Record

FORK - Call it a labor of love - for their family.

John and Claudia Ellis are building their dream farm off Cedar Grove Church Road here. It has the Peruvian Paso horses that she so loves and once raised to show. It has the signed posters from his many years working as an obsolet in Hollywood, including an Academy Award.

It has an expansive view from the porch - the perfect place to relax and commune with nature with a nice glass of wine.

Yes, wine, made from the muscadine grapes that grow along a winding drive that leads up to the house and tasting room for the new public Chestnut Trail Vineyards.

They produce three wines, and all will be available Saturday when they host music by the Stan Dean Ovation from 6-8 p.m.

Parents of six children,

Christie Summers shows the three wines produced by Chestnut Trail.

John and Claudia Ellis decided that LA wasn't the best place to raise their family. So in 1979, they moved west, to Pennsylvania, to a 100-acre farm. That didn't work out, financially or emotionally.

Then John saw a job opening at the N.C. School of the Arts. There, he could teach the trade that he had grown to love; and the school allowed him to travel back to LA to work on movies, television

shows and commercials. They first moved to Winston-Salem, then to Davie County, and more recently, to the farm in Fork. Daughter Christie and her husband

Residents: Restore Sr. Center Expansion Funds

By Mike Barnhardt
Enterprise Record

When county commissioners scrapped plans for an \$800,000 addition to Davie Senior Services in lieu of a \$25,000 study to see exactly what is needed - it ruffled some feathers.

Fred Voreh was at Mocksville Town Board and county commission meetings last week, asking that the money be restored and the expansion started.

Billy Shelton agreed.

"It's a shame that when one county commission group approves something ... then you change the game plan," Voreh told county commissioners. "You're spending \$25,000 on a study for nothing. You've got a lady (Kim Shuskey) there who knows what's needed."

Shelton told commissioners that senior services is used by hundreds if not thousands of Davie residents.

"We were surprised the senior center expansion was cut," he said. "This should be done immediately."

"It's a shame that when one county commission group approves something ... then you change the game plan."

- Fred Voreh

Shelton said 29.8 percent of Davie's population is over age 55; 25.3 percent over age 60. That segment of the population is growing, he said.

"A large part of these use senior services. It's an asset to the county, and a small price to

pay for the old people," Shelton said. "I urge the county commissioners to reconsider this \$800,000 expansion in the building. It's the best money the county can spend."

Voreh took his plea to the Mocksville Town Board the next afternoon.

Federal funds for senior programs are becoming stagnant, he said, while that segment of the population is growing the fastest.

"We have one of the jewels of anybody around, our senior center. They operate on a little

over \$600,000 a year," Voreh said.

"Take a serious look at what you are doing for the seniors here in Mocksville. Every senior in this town pays taxes, and what do we get?"

He asked the board to contribute a minimum of \$25,000 to senior services.

Mayor Dr. Francis Slate, possibly the oldest mayor in the country, said all board members are aware of the importance of senior citizens and will consider the request during upcoming budget meetings.

Purple Martins Return To Their Summer Homes

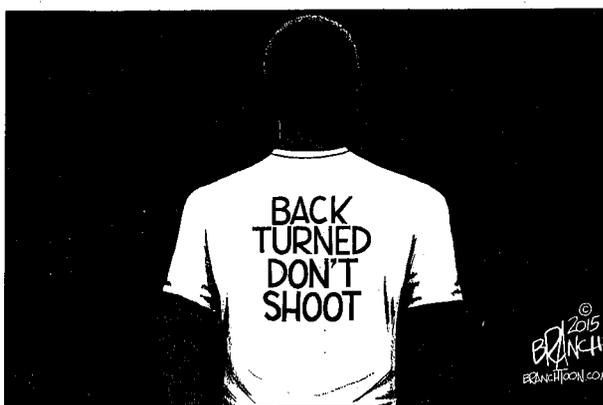

It's the smallest of colonies, but most everybody starts with only one pair of purple martins. My birds returned last week and immediately went flitting about the fake plastic gourds that are their North American homes.

Four birds have returned so far, and this is the third year of the Spillman Road colony.

I've mowed around the base of the 15-foot pole that hoists the gourds aloft. The base is robed in barbed wire to deter snakes and varmits.

Also back are the scores of barn swallows that have nested in my dad's barn since my childhood. Purple martins fly high to eat bugs. Swallows flit about at ground level.

I love to watch them and imagine the mosquitos and bugs they are consuming that won't be able to bite me.

In The Mail ...

Bermuda Run Misses An Opportunity

To the editor:
The residents of California know something the Town of Bermuda Run does not; water is a precious resource - it should not be wasted. How? By considering a Reclaimed Water Master Plan in the latest Option 3 Choice for East Davie sewer, steps could have been taken to prepare for the impending water crisis.

"Water is the new oil," says Jim Rogers, chief executive of Duke Energy. Why is water so important? In the next decade, water will determine the economic prosperity and sustainability for Davie County. It is a fact that since 2006 drought has been a problem in our state. Drought comes slowly and is not recognized until it is severe. Water restrictions may become part of our future as the environment changes unless we plan. All you have to do is read the news about California to see the profound impact of drought.

A reclaimed water master plan is an arrangement that considers water conservation such as taking the treated wastewater from the Town of Bermuda Run to irrigate and

recycle instead of pumping wastewater to another municipality for treatment. If we continue to pump our water to other communities, we lose the ability to use that water to irrigate. Lakes on the Bermuda Run golf course used for irrigation are already not sufficient to maintain the turf grass. Residential lawn watering in the Town of Bermuda Run will become a thing of the past when water restrictions are mandatory due to drought. This reality is a way of life for Californians.

Cities such as Raleigh attract new industries and young residents by marketing their communities as "green" using a Reclaimed Water Plan as a foundation for water conservation and economic growth. In the next decade we will realize the decision to send our wastewater to the City of Winston-Salem for municipal treatment was a Band-Aid to a more complex problem. The decision is more than just where to pump wastewater; rather, it is a path chosen for our future. Not making a decision on water conservation and drought impact is making a decision for our future.

David Morton - Advance

Letter Right ... Then Goes Off Course

To the editor:
When a letter to the editor called a municipal ordinance regulating fences in Cooleemee "unconstitutional" and "tyrannical," I laughed aloud. As such, I was pleased to see Mr. Shore's letter defending the mayor against such preposterous allegations. I was less pleased to see that Mr. Shore attributes the apparently horrible "state of America" to, inter alia, the birth of an ungrateful and self-entitled generation.

I assume that Mr. Shore was speaking of my own, millennial, generation. I respond by asking who's more entitled: the generation that passes swollen entitlement programs that are expected to collapse before the millennial generation can reap its benefits, wages decades-long wars on borrowed money, and leaves the economy and job market in shambles; or the one that sees the rough hand it has been dealt, and tries to remain optimistic as it makes the best of a bad situation, maintaining an entrepreneurial and positive spirit in the face of its gloomy prospects?

Robert Sparks, Chapel Hill

Hit-And-Run Driver Should Fess Up

To the editor:
This is for the person who hit the gray Toyota Camry parked in the last spot under the oak tree in the square of Milling Manor, Wicked Salon and Court Square Billiards on April 9 and did not leave insurance information on the person's windshield. I know, because I saw you. I also have your license plate number. The fact that you cannot drive doesn't bother me as bad as the fact you have no sense of responsibility.

Elizabeth Pepper
Mocksville

Support The Rights Of Americans

To the editor:
While it was not our intention to specifically attack your good friend, the mayor, our aim was to hit the mark on any person who seeks to prohibit the rights of any American. Your good friend just happened to take the brunt of our rebuke when she gave her view on peoples property rights by stating "Good Lord, that only took a year. Progress." So the rebuke extends to the entire town council, you and anyone else who believes in restricting and fining people for not putting up a fence to your/their liking.

We don't care if we stand alone on this issue. We hope and pray we do not. Nor do we care that you and your good friend the mayor have done good for your community. That's great, but that does not negate the fact of an unconstitutional burden that has been placed upon the people of Cooleemee.

It could be we were brainwashed with principals that emanate from a Republic. So we are glad we believe in the principals that you claim we hide behind. In fact we don't hide behind them, we stand with them.

Yes, we've spent time in Cooleemee, and seen those pesky fences, but guess what? They don't belong to you or a committee. It could be someone would like a fence to put their dog in. It could be they want to keep critters out of their flower beds or garden. Whatever the reason, it's theirs.

And yes our letter was a rebuke, not a distribute, for a distribute offers no solution. A rebuke is when one stands up for godly principals, and scolds injustice, like Paul in Galatians who withstood and rebuked Peter twice. And like

Paul we offer a solution:
"Be considerate of people and do not infringe upon their rights."
You certainly were right about the crisis this nation is in. "Overspending, foreign imports, drugs, taking God out of everything, lack of jobs, and the birthing of an ungrateful, self-entitled generation."

Speaking of self-entitlement: Do you or any others not see the ungrateful, self-entitlement in your stated idea of making people put up fences to your liking? You're not

Family Enjoys New Store Veterans Can Learn

To the editor:

On Saturday, April 11, my daughter, daughter-in-law, granddaughter and I visited the grand opening of Scarlett's Unique Boutiques in Mocksville. It was a most interesting shop and I would urge everyone who is interested in the eclectic, crafty and just wonderful stuff to visit this new addition to Mocksville. The ladies are kind and most helpful. Just go and see. You will love it.

Sandra Vance
Mocksville

Rights ...

Continued From Page 2

buying it, it has nothing to do with you. But because you are in some sort of government office, you are suddenly self-entitled to make people buy what you want for their homes. You are getting something you want at someone else's expense.

So where does all this corruption start? With Washington? Are we to leave corruption to the police force to lock up the mess we've made with society? To squelch the rebellion we've made with our who knows how many thousands of laws?

No sir, corruption starts here and now. From our town halls to the court room, and every home within.

However this crisis that you so justly pointed out can be fixed.

It starts with standing up for what you have done and correcting the wrong. With paying that speeding ticket and not a lawyer to get you off the hook with improper equipment. It starts with the lawyer not accepting the money from a kid who needs to learn a lesson, and a judge who wants to make better citizens out of people and not allow them to get away with that fraudulent plea of improper equipment. To teach our children that such acts of corruption are wrong, lies, and not acceptable.

When we find money, we should seek out its owner. Or return to the store to have them ring up an item that was missed.

Insuring no government official of any sort of has a conflict of interest in their job. (ex. Mr. County Commissioner contracts for a Heating & Air company. His company gets the contract for a city job. Or a judge owns stock in the prison industry (which happens all over America today).

To teach our children that there is a God and He loves you and life has purpose and meaning.

Fix the problem within before you proceed to fix the problem without.

This is just small examples of how we can do what's right, to stop and turn the tide of corruption. It starts in the small government and extends to the big. How can we expect to fix anything if we are not willing to recognize our own errors and fix them?

Someone has got to say "We were wrong. Let's fix this monster of a government we have created."

Jeremy and Shirley Elling
Mocksville

Veterans Can Learn About Berlin At April 24 Social

On Friday, April 24 at 10:30 a.m., Davie County Senior Services, along with Veteran's Service office, will host a veteran's social with guest speaker Phil Bargoil.

Bargoil graduated from Wake Forest University in Winston-Salem, and earned his US Army commission, with the completion of four years in the ROTC program. Having a special fondness for Germany, Bargoil has traveled back seven times during the past 45 years. He has told his "Berlin" story many times and welcomes any opportunity to share his

past experiences. Bargoil will speak about his time in the Army in West Berlin. His talk, which will include photographs, will center on his Berlin military experiences, the events that preceded the 1961 construction of the Berlin Wall, the immediate effects it had on the lives of 3.5 million Berliners, and the events that led to its destruction in 1989.

Any veteran is invited to come out for a time of socialization and refreshments. Call 753-6230 to RSVP by April 17.

Saturday Mardis Gras Festival To Benefit Milling Manor Home

A Mardis Gras Festival to benefit the Milling Manor group home for women will be held from 6-9 p.m. Saturday, April 18 in Downtown Mocksville.

There will be food vendors, crafts, a masquerade contest and parade open to the public, music and a 50/50 raffle.

The Iredell Step Team will perform on the square. Bring a chair and spend the evening. For more information, call 704-453-3031.

Sheffield-Calahan Game Night Friday

Game Night at the Sheffield-Calahan Community Center and Recreation Area will be Friday.

Doors open at 6 for concessions and bingo begins at 7. In addition to bingo, there are cakewalks, a 50/50

Bill Thompson will be at the Davie County Public Library on April 23.

Author To Be At Library April 23

Bill Thompson, writer for *Our State* magazine and author of books about North Carolina, will present a program at Davie County Public Library on Thursday, April 23 at 7 p.m.

This is sponsored by the library and by Davie County Historical and Genealogical Society.

Thompson's column *Front Porch Stories* has been a regular feature in *Our State* magazine for 10 years. He has authored four books: "Sweet Tea, Fried

Chicken, and Lazy Dogs: A Reflection of North Carolina Life," "Pearl's Porch Palace and other Stories from Flynnt's Crossing, NC," "Backyards, Bowties and Beauty Queens," and his latest book, "Celia Whitfield's Boy."

He has traveled throughout North Carolina and the south as a speaker for hundreds of organizations and has been master of ceremonies for hundreds of events. He shares humor and memories that help the audience remember their past.

It Was Walter, Not Steve

It was incorrectly reported on April 2 that Steve Fleming made a presentation to the Cooleemee Town Board about satellite annexation of property in North Cooleemee.

It was Walter Fleming, his brother and president of Andcottconsulting.

County Bond Vote 4-1, Not 3-2

The county commission voted to adopt a resolution to go ahead with the issuance of bonds for a new high school on a 4-1 vote, with Mark Jones casting the only vote against it. It was reported last week that Dan Barrett also voted against that motion.

Studevent To Head Democrats

Perry Studevent was public Library vice chair; Linda McDaniel, secretary; and Pamela Faircloth, treasurer. Other officers: Thomasine Gathier, first vice chair; Tama O'Mara, second vice chair; Gracia Littauer, third vice chair; Linda McDaniel, secretary; and Pamela Faircloth, treasurer. Dr. Virginia K. Newell was keynote speaker.

BUSINESS SPOTLIGHT

Amanda Dwiggins, Michael Bailey and Tracie Beal - Master Haircutters with almost 50 years of experience.

Bailey's Barber Shop of Fork

Whether it was "Bailey's Barber Shop" or just a Bailey running a barber shop, Ned Bailey was the first Bailey to have a barber shop in the Fork community in the early 1930's. It was located across from Fork Baptist Church. In 1947 John "Dude" Bailey's Taxaco service station opened and was in operation until he built a new Shell service station in 1955 just down the road at the corner of Hwy. 64 and 801. While Bailey's Shell was under construction a barber by the name of Bill Burke Bailey, a native of the community, gave the old Taxaco a new label, "Bailey's Barber Shop". Bill, previously a barber in Lexington at a shop on Main Street beside Conrad & Hinkle Grocery, decided to come home to Fork.

Michael Bailey, a graduate of Winston-Salem Barber School and a native of the community as well, had been operating "Bailey's Barber Shop" in Heedy Creek until Bill's passing. He too came home to Fork taking over and buying Fork's own "Bailey's Barber Shop" and is now celebrating 10 years back in the community. Michael tells how he and Jim Bailey (John's brother) sit and talk about the old service station where Jim worked in high school and sold gas, oil changes, and car washes. Jim also talks about how a drink of whiskey was popular at both the station and the barber shop years ago. Bill had once told Michael he sold a drink from a jar for 25¢ as long as they got a haircut. A select few would take big drinks so he had to go up on the price to 50¢.

A lot of things have changed in the last 85 years, but one thing has not. The quality of service and dedication to the community and all our clients. We are a full service barber shop and salon. Men, women, and children - from straight razor shave, fades, regular cuts, and scalp/chair massage to hi light, color, & waxing - we do it all. Along with Amanda Dwiggins and Tracie Beal "Bailey's Barber Shop's" three stylists have almost 50 years of combined experience. Michael says while a lot of shops claim to be "authentic" we prove it everyday. We don't expect to have everyone's business, but we would like to have yours.

Bailey's Barber Shop
3225 US Hwy. 64 East near the Hwy. 801 intersection in the Fork community of Davie County. Hours are Tuesday through Friday 9am - 6pm and Saturday 9am - 1pm. We accept Walk-Ins as well as Appointments. Ph. 336-998-7102

John and Claudia Ellis talk about their life in rural Davie County.

Sherry Ellis, Claudia Ellis and Christie Summers enjoy their time at the vineyard.

Trail ...

Continued From Page 1
Eric Summers also live on the property.

The vineyard, they say, is for their family.

"I made wine here for three or four years. I was learning, and pretty soon, we were filling that room," Claudia said. "I learned that if we sell this wine, there cannot be a mistake."

The wines are produced at Childress Vineyards, using Chestnut Trail's grapes and recs. They produce two red and one white semi-sweet varieties - all named after one of the Pervian Paso horses - Legado, Estrellita and Primor.

"It's got the sweetness, but it's not sugary," Christine said.

They have been selling at some festivals, and have hosted a few events.

"When I retired, I thought, 'no work?'" John said. "No. I'd rather be working."

There is plenty of work to keep him busy on the farm.

"Working out in the vineyard is enjoyable," Christine said. "You're outside and you've got a great view."

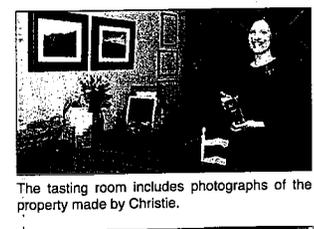

They want to share that view with others.

"We want to have things for families ... free music and movies," John said. "We enjoy this place the most when we have people out here."

"We want people to come out here and relax on the porch," Claudia said.

The tasting room may be small, but the porch is large. The view is even larger.

Chestnut Trail is on Cedar Grove Church Road (beside Fork Baptist Church), off US 64 East, Mocksville. It is open on Fridays from 4-7 p.m. and Saturdays from 1-7 p.m., other times for special events. Learn more at www.chestnuttrail.com.

John's movie roles include many recognizable titles and stars. Even his oboe sounds are recognizable from some movies.

Eric Summers pours a glass of wine.

John and Claudia Ellis look at one of the momentoes from his years working in Hollywood.

A family affair: cutting the ribbon for the Chestnut Trail Vineyards, from left, Sherry Ellis, Claudia and John Ellis, and Eric and Christie Summers.

Robertson-Smith Engagement Announced

David and Emily Robertson of Advance announce the engagement of their daughter, Bridget Lynn Robertson to Kenny Dale Smith.

The bride-elect is a 2002 graduate of Davie County High. She graduated from Appalachian State University in 2005. She owns and operates Salem Air of Winston-Salem.

The groom-to-be is the son of Thomas and Karen Smith of Asheville. He graduated from the University of North Carolina at Wilmington in 2006, and earned a master's degree from Western Carolina. He is employed at High Point University.

An August 2015 wedding will be held at St. John's Episcopal Church in Valle Crucis.

18 Graduate From Wilderness Class

The Wilderness Advanced First Aid class of the Civil Air Patrol, hosted by the Sugar Valley Composite Squadron at Sugar Valley Airport, Farmington, graduated 18 students on March 28.

The class met four times between November and March covering topics from simple cuts to catastrophic injuries. The final meet-

NuHighway On Stage Friday In Farmington

Farmington will vibrate with the sound of the NuHighway Bluegrass Band Friday evening, April 17 at the Farmington Community Center.

The band plays bluegrass and gospel music. Their fast pace music is great for dancing.

The band consists of Joe Mahaffey guitar and vocals; Rick Lowe fiddle, mandolin and vocals; Tom Iserhour, mandolin, guitar, banjo and vocals; Jim Connell upright bass and vocals. Guest players will be Tom Hyatt on

banjo from the New High Country Boys and Jeff Michaels, who has played with many in the bluegrass world.

The band plays at the Korner Deli in Harmony, at Prissy Pollys in Kernersville and will be appearing at the July 4th celebration in Greensboro this year.

Doors open at 6 p.m. Music starts at 7. A concession stand will be open.

All proceeds help to support the Farmington Community Center and its programs. Admission is \$6.

Free Breakfast At Bear Creek

A free community outreach breakfast will be held at Bear Creek Baptist Church, Bear Creek Church Road, Mocksville, from 7-10 a.m., Saturday, April 18. It is open to everyone in the community.

Poor Man's Supper At Fulton

A poor man's supper will be held on Tuesday, April 21 in the fellowship hall at Fulton United Methodist Church, 3689 NC 801 S., Advance, from 4-6:30 p.m.

The menu will include pintos, stewed potatoes, chicken dumplings, baked apples, slaw, cornbread, homemade desserts and drinks. Donations will be accepted, with a portion going to missions.

Women's Day At Friendship

Friendship Missionary Baptist Church will observe Women's Day, Sunday April 19 at 3 p.m. Evangelist Cathy Marlin, associate pastor of Fairview Heights Missionary Baptist Church, Salisbury, will be the guest speaker. She is married to Rev. Clarence Marlin, the pastor at Fairview Heights.

Everyone is invited. The Rev. Ervin Baker is the host pastor.

St. Francis Shred Day Saturday

St. Francis of Assisi will host a public shred day on Saturday, April 18 from 9 a.m.-noon in the parking lot, 862 Yadkinville Road, Mocksville.

Personal and confidential papers will be shredded for a \$5 tax-deductible donation per large paper grocery bag size. To learn more, call the church at 406-1089.

Wesley Chapel Breakfast

Breakfast at Wesley Chapel United Methodist Church Fellowship Hall will be Saturday, April 18 from 6:30-10 a.m. The menu: country ham, sausage, scrambled eggs, grits, red-eye gravy, sawmill gravy, homemade biscuits, baked apples, orange juice, and coffee.

The church is three miles west of Farmington just off NC 801 North on Pino Road.

Salem Breakfast At County Line

Salem United Methodist Church will host breakfast on Saturday, April 18 from 6-10 a.m. at County Line Volunteer Fire Department. The menu will include biscuits, ham, sausage, eggs, grits, gravy, and baked apples. Pancakes will be made to order. Donations to support building a new fellowship hall will be accepted.

Plant Sale Saturday At Advance

There will be a plant sale held on Saturday, April 18 from 10 a.m.-6 p.m. at the Advance First Baptist Church Fellowship Hall with plants such as hosta, blueberries, bleeding heart, peony, orchids, native plants, shrubs and many more. Proceeds will benefit the Advance First Baptist Church International Missions Team.

Advance First Baptist Church is at 1938 NC 801 S. Call 998-6302.

Gala 2015 Saturday

New Life Apostolic Church will celebrate Gala 2015 at 6 p.m. Saturday at Mocksville First Methodist Family Life Center on North Main Street.

The formal (teal, silver, white) night will feature "The Funniest Preacher in America, Rev. Cleo," Divine Purpose and more. Tickets are \$20 for adults, \$5 for children age 7-18, free for younger children. The price includes dinner and door prizes. To learn more or for tickets, call 704-431-9991 or 751-0333.

Coolmeeme Revival

The Coolmeeme Community Revival will be held at the First Baptist Church on Marginal Street April 19-23. Services start at 6 p.m. on Sunday and 7 p.m. Monday-Wednesday, with speakers: the Rev. Rodney Barker, Sunday; the Rev. Shelby Harbour, Monday; the Rev. Frank Blankenship, Tuesday; the Rev. Donnie Chapman, Wednesday; and the Rev. Chris Williams, Thursday.

The community choir will perform each night.

Church Accepting Food Donations

Concord United Methodist Church on Cherry Hill Road, Mocksville, is accepting food donations each Thursday from 9 a.m.-noon. Donations will be taken to a Storehouse for Jesus for the community.

Coolmeeme Civitan BBQ Friday

The Coolmeeme Civitan Club will sell barbecued chicken on Friday, April 17 and the third Friday of each month through October.

Meals are \$8 for a half chicken, baked beans, slaw, roll and cake. Orders can be picked up at the Civitan building off NC 801 from 10:30 a.m.-1 p.m. Orders

of five or more can be delivered. Call Ed Carter at 284-2196 or 909-0696, Dude Jordan at 284-2030 or 909-2192, or Pete Shore at 336-782-4349. Meal reservations can also be made at Coolmeeme Hardware in the shopping center.

NAACP To Recognize Mother Of The Year

The Davie branch of the NAACP will recognize the 2015 Mother of the Year Coronation and hold a banquet at 7 p.m. on Friday, April 24, at the Davie County Public Library Auditorium in Mocksville.

Nominees are selected from the community and local churches. Funds support the state NAACP.

Hotdog And Yard Sale To Benefit Jacob Shore

A hotdog and yard sale to benefit Jacob's Journey (Jacob Shore's medical fund) will be held Saturday, April 18 in the American Pawn parking lot, Yadkinville Road, Mocksville, beginning at 7:30 a.m.

Jacob Shore is a 20-month-old child whom has a rare disorder named Black Fan Diamond Anemia and Neuropania. For information on receiving a spot to sell items, contact Briggett Goble at 909-4251. Donated items are being accepted to sale.

Hotdogs with chips, drink and cookie for \$5 the day of the event starting at 11 a.m.

Deep Roots Meal April 22 At First UMC

Deep Roots Mocksville Community Garden is hosting the Wednesday night meal on April 22 for Earth Day in the Family Life Center of First United Methodist Church of Mocksville beginning at 5:30 p.m.

The menu will include ham, potato salad, black

Pearlys of Empowerment listen for tips on how to age "gracefully" at their annual Lunch and Learn

Pearlys Get Tips For 'Aging Gracefully'

Pearlys of Empowerment held their 10th Lunch and Learn March 19 in the multi-purpose room at the Davie County Public Library.

Forty-seven women had lunch as they learned how staying active is the best approach to "Aging Gracefully with our Joints." Kevin Cleary, physical therapist and co-owner of Aware Physical Therapy, spoke on dealing with osteoarthritis and the importance of balance.

Cleary stated that with aging, humans lose strength, muscle tone, flexibility, and endurance, but exercising is the best way to slow the degenerative process.

To help improve flexibility, strength, endurance, and balance, people need to focus their exercise and continually challenge themselves to improve.

Examples of endurance exercises were shared. Walking, biking, working on the elliptical machine, and swimming are good exercises.

Circuit training at the gym, exercises with body weight resistance like push-ups and lunges, and light free-weight exercises are good for strength training.

To help with the issue of flexibility, he recommended stretching the hamstrings, calf muscles, lower back, neck, and shoulders on a daily basis.

Some ways to challenge balance are making your stance narrower or moving specific body parts while standing. When working on balance, always consider your safety and get supervision for difficult tasks.

Pearlys of Empowerment, a component fund of Davie Community Foundation, is a group of women of all ages and backgrounds, each giving \$365 annually, making grants to programs that benefit women and children in Davie County.

To learn more, visit www.DavieFoundation.org, click on the Pearlys tab, email dksont@daviefoundation.org or call 753-6903.

Donna McNeill welcomes physical therapist Kevin Cleary to the Pearlys event.

Seamon accepts award from Don Isaacs.

Seamon thanks auxiliary's, Jeannie Taylor.

VFW Post 1119 Commander Wayne Seamon thanks members for his "special" day.

Coolseemee

By KC Smith
Coolseemee Correspondent

Mayor Lynn Rumley opened up the VFW Post 1119 meeting with a proclamation: "By the power vested in me and on behalf of the town of Coolseemee, I hereby declare, this day, April 11, 2015 as Commander Curtis Wayne Seamon Day in Coolseemee, North Carolina."

With top secrecy among the members of the post, Seamon's family and friends were present, including District 11 Commander Don Isaacs and Sr. Vice Commander of District 11 Post 10346, Pete Knight.

Post members had agreed to have the elections a month early. The unanimous vote allowed current officers to remain the same for 2015-2016.

One person opposed - Commander Seamon. Seamon said his membership of the VFW Post in Coolseemee since 1996 and active member since 1998 and commander since 2001 has been enjoyable. His only concern about being commander is all the jobs that come at one time. He was sincere about his appreciation of the meeting and he thanked all the visitors for being there.

He commended the members for their support for without them they wouldn't have a post. When Mocksville joined the Coolseemee post they came in and it was like they had been friends for years, he said.

He enjoys working with the kids at the school, including the teachers. He spoke highly of Lorraine Blackwood, who was the auxiliary at times when there were few members.

He gives them credit for keeping the post going. Isaacs stated in order to keep a good man and to not work him to death, everybody needs to do a little bit. "That's the key of the success of a good organization, to spread it out. It will be more meaningful to you as well to become more of an integral part of this post if you get involved and do some things."

When Tom Kopetsky presented Seamon with the gavel plaque, he said: "Our post doesn't want you to leave. We want you to stay man. You're our brother." A gavel plaque is given to a commander only when he has decided to leave a post. Kopetsky laid the gavel was not finished.

"He's a commander's commander." He doesn't do things to just get by; he does things above and beyond and goes the extra mile. You can tell that by his white hat."

Knight explained what a commander had to do to earn a white hat. VFW National requires a commander and his post to meet qualifications of 5 core programs: 100% in membership, youth programs such as teacher of the year, Patriots Pen competition, voice of democracy, Buddy Poppy program, involved in community service through the schools, churches and community activities and involvement in civic organizations.

North Carolina awards 24 white hats to commanders, and Seamon is one of them. We are proud of you Wayne Seamon and are honored that you have put so much of your heart into our post. The standards you have set are high and we are honored and grateful that you have decided to continue to be our commander.

Contact me at www.coolseemee@gmail.com, or call me at: 336.250.1133.

port group. He pointed out J.B. Caldwell from Mocksville as his hero. He will be 90 in August and is a driver for meals on wheels and has been doing so for about 15 years. Veach thanked the veterans for making him feel welcome.

About three or four years ago, post chaplain, Jonathan Morris, joined the group. He was commander at another post from another state for three years. Morris said he thought he was a good commander until he came to Coolseemee and watched Seamon.

"He's a commander's commander." He doesn't do things to just get by; he does things above and beyond and goes the extra mile. You can tell that by his white hat."

Knight explained what a commander had to do to earn a white hat. VFW National requires a commander and his post to meet qualifications of 5 core programs: 100% in membership, youth programs such as teacher of the year, Patriots Pen competition, voice of democracy, Buddy Poppy program, involved in community service through the schools, churches and community activities and involvement in civic organizations.

Seamon hugs Lorraine Blackwood for keeping the auxiliary active.

Coolseemee Mayor Lynn Rumley proclaims Wayne Seamon Day.

Tom Kopetsky says Wayne Seamon is the best pick for commander.

Vernon Dull said Seamon's leadership helped Mocksville join the post.

The Salem United Methodist Men invite everyone to join them for breakfast from 6-10 a.m. Saturday, April 18 at the County Line VFD on Ridge Road .1 mile from US 64 West. The buffet includes country ham and sausage, scrambled eggs, grits, baked apples, red-eye gravy, sausage gravy, biscuits, and drink. Pancakes are served upon request. Donations are accepted. A bazaar table of crafts and baked goods will be available. Proceeds benefit the building of a new church fellowship hall. As shown from last month's breakfast, folks fill their plates and then enjoy good food and fellowship with others.

County Line

By Shirley Thurne
County Lines Correspondent

Folks are busy getting their gardens ready to plant and beautifying their yards with flowers. Our kids are back in school and families returned from vacations.

Our community has many events planned including good eating, family fun and fellowship.

Remember the meeting of the Women on Missions of Society Baptist at 2 p.m. today (Thursday) in the fellowship hall. Mary Jo Lewis will present a program on the Heck Jones Mission Offering with emphasis on the work of the Women on Missions in North Carolina. The women invite others.

There will be a spaghetti supper from 5-8:30 p.m. Friday, April 17, at the fellowship hall of Clarksbury Methodist. Donations will be accepted. Proceeds benefit the medical expenses of community resident Aimee Rash, who is undergoing treatments for cancer.

Society Baptist will celebrate "Operation Inasmuch" Saturday. Beginning at 7 a.m. the Baptist Men will meet for breakfast and prayer in the fellowship hall. Later they will build a ramp for a resident on County Line Road. At 10 a.m. other members will meet at the church and visit residents in the community.

Society Baptist will hold revival services Sunday, April 19-Wednesday, April 22. The Rev. Doyle Holder of Philadelphia Baptist Church in Connelly Springs will be the speaker. Services begin at 6 p.m. Sunday and at 7 p.m. Monday-Wednesday. There will be singing each night. Church members invite everyone for this time of dedication and renewal of faith and commitment.

The Women on Missions of Calvary Baptist will meet at 7 p.m. Monday, April 20, in the fellowship hall. The women invite others for a program on mission work in our state led by Dee Van-Hoy followed by refreshments and fellowship.

Upcoming community events include a country ham and sausage breakfast hosted by the Clarksbury Methodist Building Team from 6-10 a.m. Saturday, April 25, in the fellowship hall; Piney Grove AME Zion Spiritual Choir Anniversary 3 p.m. Sunday, April 26; "Senior Bingo" hosted by the V-Point Ruritans 2 p.m. Thursday, April 30 at the V-Point Building; country ham and sausage breakfast hosted by the V-Point Ruritans 6-10 a.m. Saturday, May 2 at the V-Point Building; church-wide yard sale at Calvary Baptist 7 a.m.-noon Saturday, May 2; "Women's Day" celebration 3 p.m. Sunday, May 3, at Piney Grove; annual community-wide "Spring Celebration" hosted by Clarksbury Methodist from 3-6 p.m. Sunday, May 3; Memorial Hospital. Brenda Swisher remains in rehab at Autumn Care of Mocksville. Pat Swisher remains in rehab at Autumn Care of Statesville.

Join us in prayer for the Lord's divine healing and blessings upon L. P., Regina, Aimee, Docker, Jim, David, Abigail, Betty Lou, Brenda, Pat, and others who are having health problems. Remember in prayer Keith Stroud and wife Eleanor; rehab at Iredell Memorial Hospital. Abigail Campbell remains at Levine Children's Hospital in Charlotte. Betty Lou Richardson remains in rehab at Iredell Memorial Hospital. Brenda Swisher remains in rehab at Autumn Care of Mocksville. Pat Swisher remains in rehab at Autumn Care of Statesville.

Campbell Pitches Superbly In 2-1 War Eagle Loss

By Brian Pitts
Davie Enterprise Record

The Davie baseball team's pitching staff continued to amaze against visiting West Forsyth last week - this was Isaac Campbell's turn to shine on the hill - but the offense had a relapse as Davie fell short 2-1 against the defending state 4-A champion.

While the Titans improved to 7-7 overall and 5-0 in the Central Piedmont Conference, the War Eagles (2-5 CPC) saw their three-game winning streak come to an end.

"It was deja vu all over again," coach Bobby Byerly said.

You have to feel bad for Campbell, a junior left-hander who is 0-3 despite a 2.15 ERA in 26 innings. In his three losses, Davie has produced a grand total of one run.

Campbell was superb - again. He went all seven innings. He allowed six hits, walked none and struck out 10. He did hit two batters. West scored in the first and sixth. Davie got its run in the fifth.

"We have not given Campbell any support," Byerly said. "We're not doing what we need to do to score runs for him. Our team ERA is 1.40 and we're a .500 team."

Davie's offense had no answer for West senior righthander

Jake Mayhew, who is headed to UNC-Greensboro. He went the distance, tossing a two-hitter, to push his record to 5-0.

"He threw a whale of a game," Byerly said.

West scored in the top of the first. It would have been at least 2-0 Titans if it weren't for a fantastic play by left fielder Chris Reynolds.

A single followed a triple. The Titan tried to stretch it to a double. Reynolds played the carom off the wall like a pro, grabbing the ball with his bare hand and throwing to second in one motion. Second baseman Nathan Harrell tagged out

the runner. The play loomed large when the next batter doubled.

"It was absolutely perfectly played off the wall," Byerly said.

Mayhew had a perfect game going for four innings, but Davie fought back to tie in the fifth. Paul Davenport walked, then Forrest Barber got Davie's first hit. Davie scored on a passed ball. It was threatening for more, with two on and one out, but back-to-back strikeouts kept the score 1-1.

West broke the tie in the sixth. A one-out single was followed by a two-out, RBI double.

"They put more balls in play than we did," Byerly said. "That was the big difference. They strung hits together and we never struck

anything together."

Davie's second and final hit came in the seventh from Davenport. It was the fifth game this year that Davie scored one or no runs.

Davie's approach at the plate drew Byerly's ire.

"When you've got a good pitcher on the mound, you can't get down 0-2 and 1-2," he said. "If you struggle with the breaking ball or something offspeed, I'd rather sit dead red fastball and be ready to hit the first one that crosses the plate. That's something we didn't do."

"We thought last week we showed some progress and looked like we were getting over the hump, and we showed better-than-average hitting. But tonight we vapor locked. We're thinking way too much and trying to do too much with one pitch. Until we get out of that and quit trying to yank a breaking ball and taking too many fastballs for strikes, we're going to continue to hit below the Mendoza Line."

The War Eagles had too much firepower for visiting Forbush in a nonconference game, winning 14-2 in five innings by racking up 12 hits.

Brandon Lankford (3 for 3, home run, four RBIs), Reynolds (3-4, two RBIs), Beau Byerly (2-3,

Catcher Paul Davenport reads a popout.

two RBIs) and Ryan Heath (1-2, two RBIs) led the way as Davie scored the most runs in 16 games (18-0 over Parkland last year). It was Lankford's second long ball of the year.

Davie (7-5 overall) was aver-

aging 2.8 runs per game before unloading on the 7-7 Falcons.

N. Harrell (four innings, two hits, two runs, one earned run) and Mikey Smith (one scoreless inning) handled the pitching.

Davie Blows 6-1 Lead; Loses In 9th

By Brian Pitts
Davie Enterprise Record

It proved to be a colossal tease. Davie's baseball team held a 6-1 lead over host West Forsyth Friday night. The War Eagles were six outs from a big win over the first-place team in the Central Piedmont Conference.

Then came a collapse for the ages. The Titans scored five runs in the sixth to force a tie, and they would stab a sword in Davie's heart in the bottom of the ninth, 7-6.

Considering the War Eagles were allowing just two runs per game on the year, you can understand why the five-run lead felt even larger than that.

While West (8-8 overall) remained in first at 6-0, Davie fell to 7-6. Earlier in the week West pulled out a 2-1 decision over Davie, which had dropped five straight in the series.

"I still haven't gotten over it," coach Bobby Byerly said two days later. "It was a rough one."

It was the most runs Davie

has given up since a 9-3 setback to North Davidson in the 2014 CPC Tournament. The War Eagles allowed five to Reagan and North Davidson in the third and fourth games of the year. That was the most in 2015 until Friday night.

Colby Cranfill was great as the starting pitcher, which was nothing new. He went 5.2 innings, gave up six hits, six runs (one earned), walked one and struck out seven. Davie unraveled with four errors, committing three in West's five-run sixth and one in the decisive ninth.

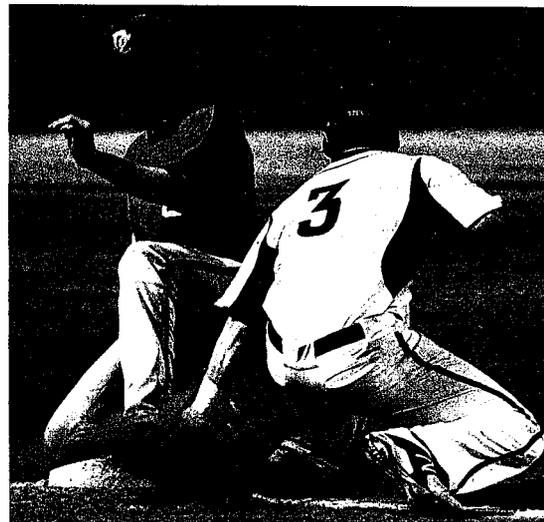

By contrast, West made one error. Each team had eight hits.

"Cranfill was great," Byerly said. "He was good in the sixth, to be honest. But three errors in that inning killed us."

When it was time to lift Cranfill, Byerly went with Jalen Scott. And Scott was up to the challenge, working 3.1 innings and allowing one hit and one run. He came through with a 1-2-3 seventh.

Softball Team Goes 2-2 At The Beach

By Brian Pitts
Davie Enterprise Record

The Davie softball team's trip to the beach produced mixed reviews.

The War Eagles (8-6) took a step forward with a 5-2 win over East Wilkes. They took a big step back with a 15-6 loss to West Brunswick, followed by another big step back with a 10-0 loss to Richmond County. They picked up some needed momentum with a 10-8 win over East Columbus.

The games were held at West Brunswick.

Coach Dawn Lowery was "disappointed" with the total showing. "Right now as coaches, we don't know which Davie team is coming to play," she said. "Basically, we need to be more consistent."

Davie started well, beating an East Wilkes team that has defeated Forbush, which topped Davie 2-1 earlier this season. The 5-2 win stopped a two-game slide and marked the most runs in four games.

"We came out with guns blazing," Lowery said. "We knew they

had previously beaten Forbush by one run and would be a tough opponent. We went back and forth with them. It was a good game."

Leadoff batter Bridgett Tierney (2 for 4, two stolen bases), No. 2 batter McKenzie Barneycastle (3-4, two steals) and cleanup batter Sarah Myers (2-3, three RBIs, double) accounted for all the hits as Davie out-hit East 7-5.

Davie trailed 1-0 before roaring to a 4-1 advantage. It got solid pitching from Olivia Boger (three innings, one hit, one unearned run) and Julie Gough (four innings, four hits, one unearned run).

In the third, Davie scored twice to erase East's lead. After Tierney, Barneycastle and Jessie Beck reached base, Myers provide the lead with a two-run single.

Davie established a working margin in the fifth. Barneycastle singled and stole second. Myers plated her with a double, then scored herself on a passed ball.

The downer for Davie's offense: 11 strikeouts.

"We won that game with some great base running by Barneycastle and Tierney and some timely hits

by Myers," Lowery said. "But other than those three players, our bats were dead. So they teamed up and helped get us the win."

The War Eagles, though, were lackluster pretty much all the way around in the next game against the eventual tournament champion, West Brunswick.

The 15-6 loss saw Davie allow the most runs in 57 games (15-3 home loss to Carson in 2013). Brunswick's six-run third erased Davie's 3-1 lead. Brunswick's six-run sixth was the twist-of-the-dagger blow.

Davie's three pitchers struck out two batters. By contrast, Davie's batters struck out 10 times. Davie's defense was bad as well, allowing six unearned runs.

"This was a different story," Lowery said. "We have to be mentally tough. That's the biggest issue. That is the source of our weaknesses now. We get down in the game or get out at the plate or make an error and it affects the rest of our game. Instead, we have to learn how to move on to the next play or at-bat and chip away at the score."

Tierney and Myers both went 2 for 4 to account for four of Davie's seven hits. Barneycastle, Anna Devereaux and Sierra Ferguson had one hit each. Brunswick pounded out 11 hits.

Davie led 3-1 after two before coming undone. In the three-run second, Devereaux doubled before a pair of walks. Barneycastle knocked in a pair with a single.

Brunswick homered during the six-run third. Three hits and several errors helped Brunswick put up the other six-spot in the sixth.

One of the low points of the season was the 10-0 loss to unbeaten Richmond County. The War Eagles swung the bats meekly (getting out 11-3) and gave up eight unearned runs as they committed four errors.

Tierney, Makenzie Smith and Devereaux had Davie's hits. Richmond's pitcher retired the final 10 batters as Davie suffered its third shutout loss.

Two of Richmond's four hits during a five-run second were home runs. The Nos. 3-4 batters hit back-to-back shots, the first being a

grand slam. The game ended after five via the 10-run rule.

"This was a disaster," Lowery said. "They came into our game 11-0 and I think the girls were beat before they stepped on the field."

All six runs against starting pitcher Julie Gough were unearned. Davie's third pitcher, Myers, was effective (two innings, two hits, no runs, no walks, three strikeouts).

Something totally unexpected happened later in the week: Richmond dropped the next two games, including one to East Wilkes.

"The crazy part about it is they went on to lose the next two," Lowery said. "It's all about who is going to show up. We have to treat every game like it's the state playoffs."

In the 10-8 win over East Columbus, it's War Eagles picked up momentum that was very much needed, scoring the most runs in seven games.

K'lea Smith and Beck slammed home runs and Barneycastle, Smith and Katelyn Webb had two hits each. Tierney and Ferguson had one hit each.

Everett Wins In 30-Team Meet

Savannah Everett captured first place and Avery Williford scored in two individual events as Davie's track teams participated in a huge meet in Wilmington on Saturday.

Forty-four of Davie's 75 track athletes traveled to Ashley High School to compete. The top-eight places scored points. Davie's boys finished 14th out of 27 teams, while the girls finished 15th out of 30.

Everett, a sophomore on the Davie girls, was the only first-place performer for either Davie team, winning the high jump at 5-0.

Coach Becky Miller's girls scored in three other events. Madison Bohannon, Liz Crenshaw, Kala Stokes and McKenzie Reavis finished sixth in the 400 relay. Bohannon was sixth in the 200 meters.

Two relays were eighth - Bohannon, Crenshaw, Stokes and Reavis in the 800, and Zella Ebert, Shelby Williford, Everett and Nakia Richardson in the 1600.

The top finisher for Davie's boys was George Mitchell, who was third in the triple jump at 42-01.

Williford was fourth in the 300 hurdles and fifth in the 110 hurdles. The 1600 relay tandem of Austin Miller, Alex Crofts, Jacob Speight and Tassan Martin finished seventh.

Patrycja Leszczuk set personal records in two events (1600 meters, 800 meters). Also setting personal records, each in the 1600, were Cade Spencer, Peyton Jones, Alex Rodriguez, Harrison Shives and Aaron Locklear.

Haley Wheeler completed the 100 meters in a personal best 21.56 seconds - not bad for a junior newcomer who had no experience in track before this season.

"She started out as a non-athlete with no confidence and a 24 in the 100 meters," Miller said. "So she's made lots of improvement in many ways - not just on the track."

Richard Clew in the Antioch winner's circle.

Richard Clew Wins On Antioch Opening Night

Mocksville's Richard Clew led field of Open Wheel Modified V8 racers to the checkered flag at Antioch Speedway in Morganton Friday night, April 10.

Clew had the field covered in his No. 5 car in his heat race and his main event, becoming the first Open Wheel Modified winner in 10 years at North Carolina's largest dirt track.

Senior Profiles

Catching up with ... Dylan Walters (lacrosse)
When you were growing up, what did you want to be?
Pro dirt bike rider.

In the movie of my life, I'd be played by: Brad Pitt.
Stranded on an island, what are your 3 essential items? Food, water and girls.

What's the proudest moment in your sports career? When I scored my first goal.

Who is the funniest teammate? Ryan Robinson.
Which teammate is happiest after a win? Foss Smithfield.

Athletes I most admire: KD.
Interesting fact about myself: I love milk.

What I like most about Davie High: Sports.
If you could have a date with a celebrity, who would it be? Jennifer Aniston.

Post-school ambition: College.
If you hit the lottery, what's the first thing you'd do? Buy a lambo.

Catching up with ... Jasmine Randolph (soccer)
When you were growing up, what did you want to be?
When I was little, I didn't want to grow up - I wanted to be young forever.

In the movie of my life, I'd be played by: Jennifer Lopez.
Stranded on an island, what are your 3 essential items? A soccer ball, goldfish and sunglasses.

What's the funniest moment in your sports career? Tripping over my own feet and falling on my face.

What's the proudest moment in your sports career? Scoring a goal - there is no better feeling.

If you could turn back time and witness one event, what would it be? Martin Luther King Jr.'s Speech.

Who is the funniest teammate? Jennifer Ngo.
Which teammate is happiest after a win? Mia Byers.

Hobbies: Singing, Netflix Marathons, Soccer and working out.
Athletes I most admire: Hope Solo, Lionel Messi, Neymar Jr., and Ronaldinho.

Interesting fact about myself: I can impersonate Dora pretty well.
What I like most about Davie High: We are all able to come together and support each other and lift everyone up.

If I could do one thing better, it would be: Help our community out more.
Person I'd most like to meet (dead or alive): Ellen DeGeneres.

If you could have a date with a celebrity, who would it be? William Levy.
Post-school ambition: To go to community college for two years, then transfer somewhere else.

If you hit the lottery, what's the first thing you'd do? I would send money to my family in Honduras.

Catching up with ... Nick Juhasz (lacrosse)
When you were growing up, what did you want to be?
A surgeon.

In the movie of my life, I'd be played by: Joseph Gordon-Levitt.
Stranded on an island, what are your 3 essential items? A boat, gasoline and a dog.

What's the funniest moment in your sports career? Breaking my stick over another player.

What's the proudest moment in your sports career? Being the first Davie High lacrosse player to win all-conference.

If you could turn back time and witness one event, what would it be? The United States vs. Russia hockey game in the 1980 Olympics.

Who is the funniest teammate? Quinn Holcomb.
Which teammate is happiest after a win? Ryan Robinson probably gets the happiest after a win.

Hobbies: Fishing and anything outdoors.
Athletes I most admire: Bubba Watson and Billy Bitter.

Interesting fact about myself: I have played lacrosse since I was in the second grade.
What I like most about Davie High: I think Davie High is pretty judgment-free school.

If I could do one thing better, it would be: Playing the guitar or banjo.
Person I'd most like to meet (dead or alive): Aziz Ansari.

If you could have a date with a celebrity, who would it be? Emma Watson.
Post-school ambition: I want to go through med school and become a surgeon.

If you hit the lottery, what's the first thing you'd do? I would buy an Aston Martin.

Paul Davenport applies the tag as Beau Byerly throws out the runner from right field. At right, coach Bobby Byerly chats with umpire Jim Medlin.

Blows ...

- Connor Clark, Ben Diamond and Adam Fletcher.
"Again, pitching was not an issue," Byerly said. "They kept us in the game, and we just got them at bay. We've just got to make plays behind them in that situation."

Ryan Harrell (2-3), Paul Davenport (2-4, double) and Brandon Lankford (2-5, three RBIs, double) paced Davie's attack.

It was all Davie for most of the night. In the first, he scored two runs without getting a single hit. Four walks and a passed ball did the trick.

The War Eagles made it 5-0 in the fourth. R. Harrell walked and advanced on a sac bunt. Chris Reynolds and Scott were hit by pitches to load the bases. Lankford followed with a two-run single. Then came an RBI single by Craig Colbourne.

In the sixth, Davie manufactured a run to push the margin to 6-1. Scott singled, Lankford doubled and Colbourne plated one with a sac fly.

Yeah, the War Eagles were leading comfortably. But they missed a few opportunities to make it worse on the Titans.

"We left 11 men on base," Byerly said. "In a couple of innings, we could have really put another nail or two in the coffin. But we left people in scoring position. That bit us too."

The Titans came out of nowhere in the bottom of the sixth. After Cranfill retired the first batter, the meltdown began with an error. The next batter walked. Then came an error. Then came a double.

With two outs, the third error of the inning kept West's rally going. West tied it on a right field, but Beau Byerly cut the runner down at the plate to keep the battle going.

In the last of the ninth, Davie's fourth error of the game helped West load the bases with no outs. The Titan batter lifted a fly to left fielder Chris Reynolds. He made an absolutely incredible throw to the plate, but the runner was safe.

"It was fairly deep and Reynolds somehow throws a rifle to the plate and it's a bang-bang play," Byerly said. "I mean it was real close. He was safe, but it was a lot closer than what you thought it would be."

It was an excruciating loss for the War Eagles, who are 2-3 in one-run games.

"The bus ride was real quiet coming home," he said. "I pretty much said, 'We've already given a 2015 Christmas gift.' I'm not knocking West because they took advantage of every mistake we made and they never quit from being down 6-1 in the sixth. But we gave them an early Christmas gift."

"But I told them there's a lot of baseball left and they always say what doesn't kill you makes you stronger - so we're still alive on Monday."

Colby Cranfill pitched well for five-plus.

West scores the clinching run.

Brandon Lankford had two hits.

JV Bats Disappear In Losses To West

The Davie junior varsity baseball team's pitching was very good in two games against West Forsyth last week. The work of Zach Hudspeth and Tyler Roberts, though, was offset by a lackluster offense.

Davie had three hits in a 4-1 home loss to West. It had four hits in a 2-1 loss at West. Ouch.

In the first game against West at Mando Field, the War Eagles stayed in contention until the top of the seventh because Hudspeth vent six innings, scattered eight hits, walked one and struck out six. He gave up just two runs, but he suffered his first loss in four decisions because Ben Summers, Hudspeth and Roberts had the only hits of the game for Davie.

"It's hard to win a game with three hits," coach Jason Harbour said.

Hudspeth's ERA going into this game was a magnificent 0.74. He barely fell short of his fourth complete game in as many tries.

"Zach threw another quality game for us," Harbour said. "We just couldn't find any holes to hit the ball in."

In the second, Davie rallied to tie the game at 1-1. Summers slapped a single the opposite way, down the third-base line. He scored when Hudspeth helped himself with a single.

A Davie rally in the sixth was thwarted by a diving catch in left field. Roberts singled and Cody Hendrix walked on a fullcount pitch after fouling off several pitches. With one out, Summers hit a sinking liner to left. The outfielder raced in, made a diving snag and turned a double play with a throw to second.

"I was sending Roberts to one run. He left after allowing a leadoff single in the seventh. Jesse Draughn finished up on the hill."

"We took Heafner out because of his pitch count," Harbour said. "He did a great job."

Davie built a 6-0 lead as it stopped a two-game slide. Barneycastle (2-3, double, sac bunt), Landon Bandy (2-3) and Roberts (2-4, triple) helped Davie put up the most runs in four games.

The 2-1 loss at West Forsyth was all too similar to the first meeting. Davie only managed four hits, only two of which left the infield. Barneycastle, Hendrix, Summers and Hudspeth had the hits. Five official innings because of lightning. It did not resume.

"(The umpire) saw lightning (in the bottom of the sixth) and called for a 20-minute delay," Harbour said. "Then it happened immediately again, and they called for a 30-minute delay and sent fans to their cars and teams to the bus. Five or 10 minutes later, they realized it was 6:45, so they went ahead and called it so the varsity could start on time."

Davie struck first in the top of the first, and Barneycastle did it single-handedly. He led off with a single and stole second. He was heading to third when a throw sailed. He collided into the third baseman, obstruction was called and he was awarded

West scratched out single runs in the first and fourth to send Davie (7-4-1 overall, 5-3 CPC) to its second loss in three one-run games.

Roberts was solid in five innings of work. He scattered seven hits, allowed one earned run and walked one. Davie has allowed just 14 runs in five games, but it's 2-3 during that stretch.

"We could have used that last at-bat (Davie batted in the top of the sixth before lightning stopped play)," Harbour said. "We're just not hitting against conference teams right now."

Heafner held the Falcons to one run. He left after allowing a leadoff single in the seventh. Jesse Draughn finished up on the hill.

"We took Heafner out because of his pitch count," Harbour said. "He did a great job."

Davie built a 6-0 lead as it stopped a two-game slide. Barneycastle (2-3, double, sac bunt), Landon Bandy (2-3) and Roberts (2-4, triple) helped Davie put up the most runs in four games.

The 2-1 loss at West Forsyth was all too similar to the first meeting. Davie only managed four hits, only two of which left the infield. Barneycastle, Hendrix, Summers and Hudspeth had the hits. Five official innings because of lightning. It did not resume.

Beach ...

Continued From Page B1
Both teams had 10 hits. Davie's second of three pitchers, Gough, produced the best line (two innings, two hits, two unearned runs).

"We needed that win," Lowery said. "We hit the ball much better, and it was evenly distributed. That showed that they played for the team instead of themselves."

In the third, Davie turned a 3-1 deficit into a 4-3 lead. Webb (single), Barneycastle (single) and Tierney (walk) set the table for Smith's two-run double.

In the fourth, Davie erased a 5-4 deficit and surged in front 10-5. Webb (single), Barneycastle (walk), Tierney (walk) and Smith (RBI single) produced before Parks and Beck flexed their muscles. Parks connected for a grand slam, followed by a solo homer by Beck.

"We had some good offensive plays," Lowery said. "Hopefully (the home runs) will spark the team and get us back on track."

It was a flawed victory. Davie committed seven errors. "That is unacceptable,"

he said. "The fact that we made seven errors and still won is just God's way of looking out for us. We need to tighten up all around."

Briefs & Dates

Important Dates For Mocksville Legion
Important dates for the 2015 Mocksville American Legion baseball season:

April 19: Registration/player and parent meeting at Rich Park's Mando Field at 5 p.m. Bring a certified birth certificate.

May 9: First practice at 2 p.m. (only players who have completed high-school seasons).

Extra Mile 5K To Honor Beiter On April 18
The fourth-annual Extra Mile 5K in honor of coach Daric Beiter will be held April 18 at Mocksville Elementary School/Rich Park in Mocksville.

The purpose of this event is to raise funds toward a scholarship for Davie High track and cross country athletes and to honor the memory and legacy of Beiter, who was a track and cross country coach at Davie. Beiter encouraged everyone to go the "extra mile" in all of life's endeavors. The race and walk will begin at 9:00 a.m., followed by age group awards. Prizes are \$25 for adults and \$15 for students (K-12). Students' registration is paper only and must be sent by mail or dropped off in the main office at Davie High.

Deadline to register in order to guarantee a T-shirt is April 2. All registration prices (including student rate) will go up \$5 after April 2. Online registration ends April 15. For more information, visit www.extramile5k.com or contact Coach David Kooz at Davie High.

Hardison Men's Golf Tournament May 30
The Hardison United Methodist Men's first-annual golf tournament will be May 30 at Bermuda Run West, with tee times at 9 a.m. and 2 p.m.

Type: players choice/string. Cost: \$60 per player or \$240 for four-person team. Grouping: ages up to 40 - blue tees; 41-55 - white tees; 56-79 - yellow tees; 71 and up - red tees; women - red tees. Winners get golf packages to Bermuda Run West, Oak Valley, Country Club of Salisbury, Larkin Golf Club, Silo Run, Yadkin Country Club, Mountain Aire, Crescent, Pudding Ridge, Cedarbrook Country Club, Corbin Hills, Foxwood and Tanglewood (Reynolds). Prizes for longest drive and closest to the pin for all groups. Door prizes for all. Lunch included. To register, call Jerry Callison at 336-406-0981 or 336-492-7380

PUBLIC NOTICE

The Clemmons Fire Department, Inc. will conduct a special called meeting of the Corporate Membership on Thursday, April 30, 2015, at 7:00 p.m.

The Corporate Membership is comprised of any registered voter living within the Clemmons Fire Insurance District in Davidson County, Davie County and Forsyth County.

This meeting will be to discuss a proposed increase in tax support for the delivery of rated fire protection and medical assist response in the Clemmons Fire Insurance District.

The meeting will be conducted at the James Street Station of The Clemmons Fire Department, Inc. 5931 James Street Clemmons, N.C.

Shocked
 Architect Has
 Never Seen
 Projections
 That Far Off

By Beth Cassidy
 Enterprise Record

Clark Pierce can't recall ever being part of a project with bids that came in so grossly over budget.

For months, he has smiled his way through informational presentations about the new Davie High School, but at last week's board of education meeting, he was somber and his voice quiet as he told the board he wished he was there under more pleasant circumstances.

His slide presentation revolved not around the mounds of earth that have been moved to make way for the new school, but rather around what he sees as the reasons construction bids came in well over budget.

"We are as disappointed, and quite frankly, as shocked as the board, but we want to offer by way of explanation, as opposed to excuses, where the construction market seems to be and perhaps why we're at the point we are," Pierce said.

Pierce admitted he and partner Wesley Curtis, of Walter Robbs Callahan & Pierce architects, had some idea construction costs could be higher

Bond Sale
 Generates
\$61.5 Mil.

County officials got some good news Tuesday when \$54.5 million in bonds were sold to build a new high school.

That will include a \$7 million premium, which, if commissioners choose to add it to the high school project, puts available funding at \$61.5 million.

Wisecarver, former county commission chair, outlined

Ready, Aim, Wait ...
 Board Delays Decision On Shooting Range

By Beth Cassidy
 Enterprise Record

One hundred nineteen people did not get the resolution they hoped for Monday night, after the Davie County zoning board of adjustment tabled a request for a special use permit for a proposed shooting range.

Many of the residents who live within about a quarter of a mile from where Robert Wisecarver planned to build the range on 68 acres off U.S. 64 East, Mocksville, were at the meeting, where chairs quickly filled up and people leaned up against the walls for hours.

Wisecarver, former county commission chair, outlined

his plan to build The Range of Davie County, which would include outdoor ranges for shotgun and rifle shooting and indoor ranges for archery, air rifles, and pistols. He said after speaking with Zach and Sarah Vogler, whose home is about 800 feet from the proposed range, he decided to move the pistol range indoors.

"They were concerned about it being so close to their house," Wisecarver said.

Also in the plan would be three buildings, one for the business, one for the indoor pistol range, and one for archery. Wisecarver said there would be space for parties, weddings and banquets, as well

as for personal defense and gun safety classes.

A cafe, he said, would help realize his goal of having a "family spend the whole day and never have to leave."

Firearms would be available to rent and for sale, and clothing and other items would also be sold.

Proposed hours the range would be open would be 9 a.m. to 8 p.m. Monday-Saturday, and he said if all the ranges outdoors were full, there could be 14 or 15 people shooting at one time. Weekend tournaments would be held, some of them televised, adding this would be the only facility of its kind in the county.

He told the board shots would be fired away from US 64 and that machines and berms would absorb the projectiles.

Board member Norman Carter asked Wisecarver, "Are you

"I feel this would benefit Davie County. This here would have everything at one place," he said.

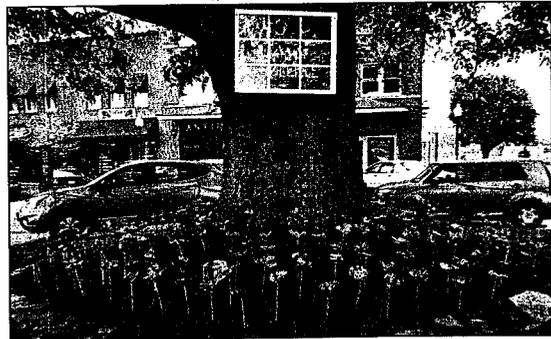

A Duke Energy transmission line runs through the property, which is bordered by a creek, and part of it is in a floodplain. It is currently zoned for residential-agricultural use.

Wisecarver does not own the property but has an option to purchase it.

He told the board shots would be fired away from US 64 and that machines and berms would absorb the projectiles.

Board member Norman Carter asked Wisecarver, "Are you

Hop Scotching Across Davie On Back Roads

We hop scotched across the midsection of Davie County on back roads Sunday and came back along the northern edge on roads I rarely or had never traveled.

Liberty Church Road is the easy winner of the Most Purple Martin Colonies Award. I spotted three major gourd complexes and viewed that one day my tiny two-gourd colony will include dozens of nesting birds. And a hand-painted sign along the road caught my eye. It proclaimed "Husseini Obama has turned the White House into a Cess Pool."

On Bell Branch Road, I craned my neck sharply at Cadillac Lane trying to spot a car to justify the name.

Sunday we clocked another three and a half hours for my youngest son's driving time for his license. The state-required 60 hours has proven harder to accomplish than it had seemed a year ago. He turned 16 earlier this month and we still have lots of miles and hours to go.

He doesn't drive fast. We're strictly after time behind the wheel not mileage. I'm the navigator, in charge of making sure we get back home.

Taking in the scenery after the weekend rains, it felt like the prettiest week of the year — fresh, new leaves on the trees, azaleas and rhododendron in full bloom, irises about to unfurl.

It was another beautiful drive. I have enjoyed being the passenger.

Speaking of irises, I've gotten a surprise every morning this week as my irises are coming into bloom one at a time to start. A purple one was first. Then a dark red. Now a yellow. Tomorrow a blue looks to be unfurled. By next week there should be scores to follow. Two years of dividing and moving and pampering the roots are finally paying off with unusual splendor.

Did Davie County miss the school sale? It's hard to imagine that in six months construction prices for a new high school soared by 20 percent, but that's the reason experts are giving to explain why bids for the high school were so off base.

Of course there's the other more plausible explanation: Construction projects almost always cost 20 percent more than anticipated.

Certainly the economy has improved for some over the past six years. But Davie County was blindsided by the bids. Too bad the architects didn't give us a head's up.

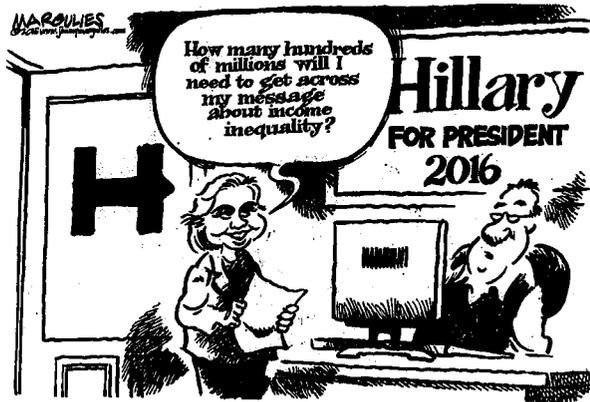

Both Bermuda Run and Clemmons have given chilly receptions to bids to build low-income apartment complexes in recent weeks.

Bermuda Run's town hall was overflowing with opponents of an 80-unit complex last week when the proposal was quickly scuttled before the Board of Adjustments could entertain the project. Opponents were streaming out of the building 10 minutes after the meeting started. The apartment complex was proposed for a site off NC 801 across from the entrance to Bermuda Run Country Club.

Clemmons last week voted 3-1 to deny a similar 80-unit complex off Kinnamon Village Drive. Members of the village council objected to the location.

He failed the good cowboy test. Usually there has been plenty of doubt about the recent police shootings of unarmed black men. But the recent North Charleston, S.C. shooting of a man fleeing arrest runs afoul of every cowboy movie directive: Never shoot a man in the back.

- Dwight Sparks

In The Mail ...

Conversations About Race Needed

To the editor:

I appreciate your editorial cartoon last week of a male not to shoot on the back of his shirt. At a local law enforcement gathering, a speaker emphasized they should be treated with respect. I say erosion can take place because of a few bad apples. According to press and TV reports, 291 civilians were killed nationwide by police in the first three months of 2015. It's also estimated 1,000, most of whom will be unarmed, will be killed before the year is out.

Because of historical events and personal experiences since the days of Jim Crow, it's understandable if a segment of the population has some difficulty with respect. In a NY Times article about his slaveholding ancestors, an author noted the names of black males that have been killed recently saying the plantation mentality still exists. I wonder if this is a new form of lynching.

The cover story of the current Times Magazine is Black Lives Matter. Black on black crime shouldn't be excused and neither should the atrocities by law officers that are coming to light. Who would have thought 150 years after

the end of the Civil War race would still be the elephant in the room? Commentators profit by fanning the flames of animosity that still exists. Can't we connect the dots?

Our newspapers have used freedom of speech to participate in the complexity. One day, after a group discussion, I spent quite some time at the library going through back copies of the Enterprise. Numerous editorial cartoons were biased and insensitive if not racist in nature. Other communities in the area are having two-way conversations or dialogue sessions in an effort to head off another Ferguson. Why not us?

It's too late for Michael Brown. It's too late for Walter Scott in North Charleston. It's too late for Freddie Gray in Baltimore. Outsiders, the New York Justice League, have now come to Baltimore to protest and ask for an investigation. They have also brought a message: in addition to respect, there needs to be better training on the use of unnecessary force.

Mocksville

Tuition Costs Making Headlines

By Julia C. Howard
NC House of Representatives

Over the past two weeks, House legislators filed nearly 500 bills, brining the total number for the 2015 Long Session to 941 by the close of business on Thursday. In the past week, 29 committee meetings were held to hear 88 bills, while 36 were heard on the House Floor and passed over to the Senate. All of this activity was to prepare for this week's final bill filing deadline and for the crossover deadline at the end of April.

I filed several bills of my own this week, including House Bills (HB) 657 and 833.

Rising tuition costs are not a recent news headline. According to the National Center for Education Statistics, college tuition prices have nearly doubled since 1981.

Students are being sidled with debt that takes years, often decades to pay off. In a recent New York Times article, a young small business owner said that the first budget item for his business is paying off his college tuition loans. We are getting to the point where skyrocketing college tuition is hampering economic development. As I continue to debate with my fellow legislators over the cost and funding of four-year degrees, it has become clear to me (as a legislator and grandmother) that many students and families are unprepared for the unpredictable, yet inevitable tuition

hikes that occur during a single four-year education. To address this issue, I filed HB 657.

The bill would require that the UNC Board of Governors develop and implement a fixed tuition payment option for incoming undergraduates. The rate may vary between the universities, but the option would guarantee that the tuition remain stable for 12 semesters, including summer sessions and would only be available to students that remain in good standing with the university during the tuition period. This program would be available to students starting in the 2016 fall term.

I believe that this simple, common-sense program is necessary to provide some needed stability and predictability to students and families in this increasingly expensive system. I look forward to debating this idea with my fellow legislators in the coming weeks.

• Powerful imaging technologies enable healthcare professionals to better diagnose patient's ailments. As these technologies improve, they become affordable for an increasing number of healthcare providers. Unfortunately, the health risks of exposure to the radiation used by those technologies continue to concern many experts.

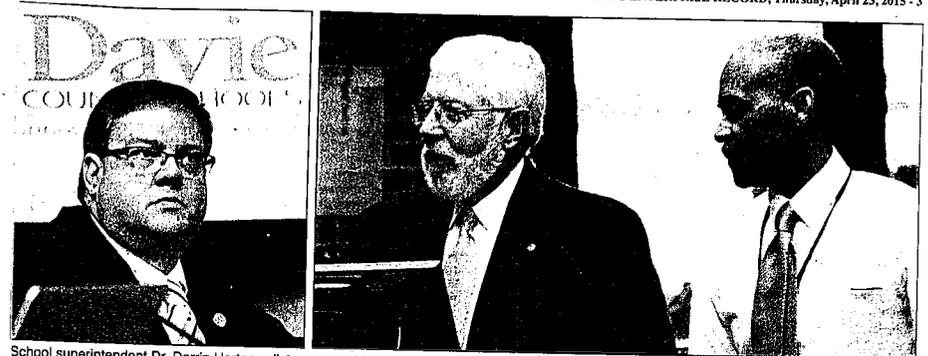

I filed HB 822 in order to protect patients who might not be aware of the risks of exposure to such radiation, and to ensure that radiation procedures are conducted safely. This bill would simply create the Radiologic Imaging and Radiation Therapy Board of Examiners which would be tasked with licensing radiographers, radiation therapists, magnetic resonance technologists, limited X-ray machine operators, and others. The bill does not apply to veterinarians, certain professional dental hygienists, ultrasound operators, and some other limited uses of radiology.

This bill has been referred to the House Committee on Health and has garnered significant bipartisan support. I look forward to providing updates on the bill as it progresses through the hearing process.

Letters Welcome

The Enterprise Record welcomes letters from its readers on topics of local, state, national or international issues. An effort will be made to print all letters, provided they are not libelous, vulgar or in poor taste. The editor reserves the right to edit letters for grammar and for space.

All letters should include the name and address of the writer, including a signature. A telephone number, not to be published, is also requested. Please have letters in the newspaper office no later than 4 p.m. Monday of the week to be published. Davie County Enterprise Record P.O. Box, 99, Mocksville, davi3@centurylink.net.

School superintendent Dr. Darrin Hartness listens as architects Clark Pierce and Wesley Curtis talk about the volatile construction market. - Photos by Robin Snow

Shocked ...

Continued From Page 1
than the anticipated \$54.5 million in bonds voters approved last May, because the economy has started to rebound.

He cited large construction and other major projects taking place in Wake and Charlotte/Mecklenburg counties, projects that have not only reduced the availability of contractors and subcontractors that would be comfortable with projects of this size, but also driven up construction costs practically overnight, he said.

By the time he had an inkling things might not go the way hoped, he was at a point of nearly no return with drawings, which were about 90 percent complete. "When your drawings are that far along, it's pretty much to back up at that point ... you say roll the dice," he said.

Hoping to avoid the backlash that would have resulted from making major cuts to the school before it was bid, cuts that possibly wouldn't have been necessary in the end, he plodded ahead and hoped for the best.

Of the eight firms that were prequalified, only four bids were opened. The lowest, from Branch and Associates, has since been declared nonresponsive, because they left off a key piece of documentation that

discloses how much minority participation would have been used in the project.

Chad Fuller, school board chair, said the MWBE form is required by NC General Statutes and without it, the bid must be rejected.

That leaves the next lowest bidder, New Atlantic Contracting, with a base bid of \$61.3 million. With some of the 19 alternates not included, the base bid becomes \$55.9 million.

Wesley Curtis told the board options within the mechanical, plumbing, and electrical systems are being explored to determine if materials could be purchased at lower prices.

"We have come up with

a lot of options during this time, some the school system feels they can't take, some they can. We have options, some we would prefer to have not had to take, but we feel optimistic about this," he said.

Superintendent Dr. Darrin Hartness noted representatives from New Atlantic were at the meeting, and he thanked everyone for their diligence in efforts to make adjustments to the plan and get it within budget.

"We are not talking about chopping off wings or reducing the size of the school," he said. "We are making other adjustments. We're not going to compromise academic programs or

the quality of the building." He said until bonds are sold (anticipated for April 21), the board was not able to enter into a contract with New Atlantic. But the board did vote unanimously to hire a project manager.

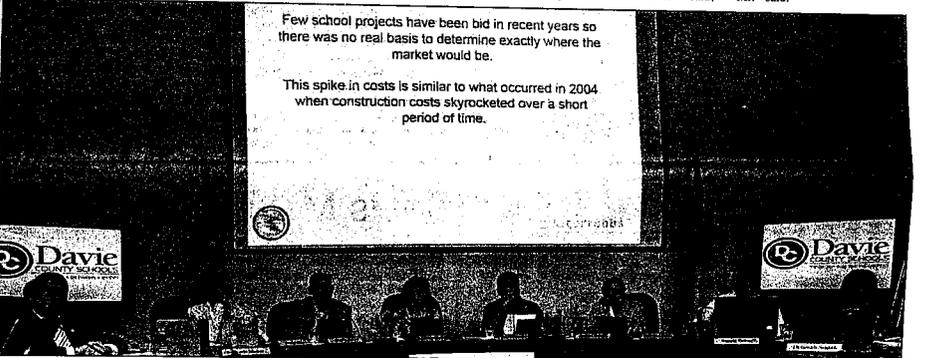

Jim Moorefield will oversee the project at a cost of \$55 per hour, not including travel and other expenses. From April 14, 2015 to Aug. 31, 2017, with an option to extend the contract beyond that if necessary, Moorefield lives in Colfax and oversaw the renovation of Davie High in 2007. He has worked for other school systems and at Wachovia Bank in building operations.

During the public comments portion of the meeting, Marsha Dove thanked the board for their work. "I believe this community, no matter what the cost, still needs the new high school and I know you will try to do this as cost efficient as possible," she said.

Moorefield brings a wealth of experience to Davie County. We are contracting with him to provide project management and oversight of the construction process and opening of the new high school. He will be onsite on a regular basis, ensuring the plan specifications are being met by the general contractor and subcontractors."

"I believe this community, no matter what the cost, still needs the new high school and I know you will try to do this as cost efficient as possible," she said.

Hartness said, "Mr.

School board members watch intently as the architects explain why high school construction bids were well over the estimates.

square in Downtown Mocksville. Purchase one at town hall or by contacting teacher, Jessica Allen, at

allen@davie.k12.nc.us. Allen said statistics show one of three young people will experience dating violence in their life. With 1,766 students at Davie High, that means 589 students likely will experience violence in a relationship.

"Thank you for the stu- dents who decided this is a worthy cause," she said last week at an unveiling of the violets. "Thank you for edu-

cating your peers." Mocksville Mayor Dr. F.W. Slate read from a proclamation against teen dating violence.

The violets will be ready for pick up at the Daniel Boone Family Festival on May 2, and May 4 and later at the high school.

JOHNSON INSURANCE SERVICES, INC., MOCKSVILLE, NC

BUSINESS SPOTLIGHT

Amanda Dwiggins, Michael Bailey and Tracie Beal - Master Haircutters with almost 50 years of experience.

Bailey's Barber Shop of Fork

Whether it was "Bailey's Barber Shop" or just a Bailey running a barber shop, Ned Bailey was the first Bailey to have a barber shop in the Fork community in the early 1930's. It was located across from Fork Baptist Church. In 1947 John "Dude" Bailey's Texaco service station opened and was in operation until he built a new Shell service station in 1955 just down the road at the corner of Hwy. 64 and 801. While Bailey's Shell was under construction a barber by the name of Bill Burke Bailey, a native of the community, gave the old Texaco a new label, "Bailey's Barber Shop". Bill, previously a barber in Lexington at a shop on Main Street beside Conrad & Hinkle Grocery, decided to come home to Fork.

Michael Bailey, a graduate of Winston-Salem Barber School and a native of the community as well, had been operating "Bailey's Barber Shop" in Reedy Creek until Bill's passing. He too came home to Fork taking over and buying Fork's own "Bailey's Barber Shop" and is now celebrating 10 years back in the community. Michael tells how he and Jim Bailey (John's brother) sit and talk about the old service station where Jim worked in high school and sold gas, oil changes, and car washes. Jim also talks about how a drink of whiskey was popular at both the station and the barber shop years ago. Bill had once told Michael he sold a drink from a jar for 25¢ as long as they got a haircut. A select few would take big drinks so he had to go up on the price to 50¢.

A lot of things have changed in the last 85 years, but one thing has not. The quality of service and dedication to the community and all our clients. We are a full service barber shop and salon. Men, women, and children - on straight razor shave, fades, regular cuts, and scalp/chrain massage to hi light, color, & waxing - we do it all. Along with Amanda Dwiggins and Tracie Beal "Bailey's Barber Shop" three stylists have almost 50 years of combined experience.

Michael says while a lot of shops claim to be "authentic" we prove it everyday. We don't expect to have everyone's business, but we would like to have yours.

telling us there is no way a projectile could leave this property?" and Wisecarver answered, "I can't say that."

Although pictures Wisecarver produced did not include any of the homes around the property, Kirk Sanders, an attorney hired by property owners to fight the proposal, said he believed about 200 families live within a quarter mile. He said some of the adjacent properties include an egg-laying hen farm, and at least two of the properties have several head of cattle on them. He told the board he had a petition signed by

Zoning Board of Adjustment members Norman Carter, Mike Branham, Linda Mace, Daphne Frye and Tim Latham.

119 people near the site. "You didn't do a study on the potential impact to the neighbors, did you?" Sanders asked Wisecarver. Wisecarver replied, "No sir. Did you?" After determining Wisecarver had had no envi-

ronmental or sound impact studies conducted, Andrew Meadwell, development services director, told the board they could table the request until Wisecarver had time to gather expert witness information. Sanders argued the resi-

dents at the meeting had set aside time and made preparations to be at the meeting, that Wisecarver bears the burden of proof and the meeting was "his day in court." That comment brought robust applause from the audience.

But board chair Michael Branham said he did not believe the board was prepared to make a decision, so the request was tabled to June 15 at 6:30 at the courthouse, to accommodate the large crowd that is expected.

County planner, Andrew Meadwell.

Robert Wisecarver, former chair of the Davie County Board of Commissioners, is making the request for a permit to open a shooting range.

Davie softball players head to the dugout between innings during the win over North Davidson. - Photo by Brian Pitts

Last Win Over ND In 2001

By Brian Pitts
Davie Enterprise Record

Editor's note: The Davie softball team's 7-5 win over North Davidson on Saturday was a stop-the-presses moment for the War Eagles. It stopped a 34-game losing streak in the series and stirred memories of the last win over North in 2001. It brought up memories of the greatest season in their fastpitch era - a 20-2 record, the CPC championship (regular season and tournament) and a trip to the 4-A quarterfinals.

The last win, 4-1 in 13 innings, was the longest game in Davie's 9-year history in fastpitch. The common denominator between the 2001 marathon game in Welcome and Saturday's breakthrough at Rich Park is first-year coach Dawn Singleton-Lowery, who was a sophomore starter on the '01 squad. The following article was published in April 2001.

WELCOME - The Davie-North Davidson softball saga produces more crowd-pleasing excitement than several movies put together. They've waged countless thrillers over the years, and the showdowns have been particularly electrifying the past three years with scores of 2-1, 5-3, 1-0 and 2-1.

Breathless fans got to see yet another pulse-pounding, suspense-filled battle when Davie survived 4-1 in 13 innings. "I've never eaten so many sun-blower seeds," Davie coach Dave Mackland said. "I suspected it had to end sometime. When it keeps going like that, you wonder who's going to get a break on an error or a big hit."

The War Eagles edged North Davidson, which rules the Tri-County 3-A Conference, for the sixth time in seven meetings and rebounded from a shocking 4-2 loss to West Rowan, but it took more than three hours to do it.

"Winning was big because we had just lost," said Mackland, whose team improved to 8-1 overall. "We've worked real hard since that loss on several situations, and our defense played extremely well. You definitely don't want to lose two in a row, but to win against a

Please See '01 - Page B4

Softball Upsets West, North

By Brian Pitts
Davie Enterprise Record

You'd probably better take this sitting down. Find a chair. Take a cold drink of water. Brace yourself. Clear your head.

Believe it or not, Davie's varsity softball team upset unbeaten West Forsyth, ranked third in the 4-A state, by a score of 4-1 Friday in Clemmons. The Titans were 16-0 overall and 8-0 in the Central Piedmont Conference. In the first meeting at Rich Park, they pounded Davie 8-3 as Davie was out-hit 12-4 and was suffocated by pitcher Brooke Perry. West had won four straight and eight of nine in the series.

Believe it or not, the next day Davie upset visiting North Davidson, ranked ninth in the state, by a score of 7-5. The Black Knights were 12-2. They belted Davie 10-0 in the first meeting while out-hitting the War Eagles 10-2. They had won 34 straight in the series. The infamous Davie streak included 19 shutouts, six defeats by 10-plus runs and a running score of North 255, Davie 23.

Believe it or not, the War Eagles are a North win over West from ending up in a three-way tie for first in the Central Piedmont Conference - if, of course, they take care of business against the other league teams.

Who could explain this? No one could have predicted this tremendous feat because the War Eagles had lost four of six before Friday. They were spluttering at 8-6 and it seemed as though it was going to be the same old, same old in the CPC-North or West in first and Davie in third. Now Davie is suddenly hotter than a dragon's breath.

The loss to West Rowan and the West Brunswick beach tournament were the lowest points in our season," first-year coach Dawn Lowery said. "We were playing below-average softball. After our (10-0) loss to Richmond (County), we had a team meeting. We let the girls express themselves and hashed it out for a while. The coaches left and made the players talk it out. We laid everything out there. They knew going into this week it was the make-or-break point of our season. We knew North

and West were probably thinking it would be a piece of cake to beat an 8-6 team. We knew we had to improve all aspects of our game. "Plain and simple - it clicked for us this week. We played really well. We played hard and played for the team. I didn't notice anyone playing selfishly or concerned about their own stats. They did what the coaches asked of them and wanted to win for their team. And, man, it was a great day to be a War Eagle."

What a transformation (an incredible transformation when you consider the bulk of the lineup includes freshmen and sophomores). Davie went from desperation mode to season validation. The five-day episode (Tuesday's game with North was suspended in the fifth and completed on Saturday) will be remembered for a long time. It will be told and retold for years and years.

"It's several little things," pitching coach Johnny Miller said. "Our pitching got a little better. Our fielding has gotten a little better. And our hitting has gotten a little better. You put those three things together, it's a huge difference."

"I tried to emphasize to the girls to remember this feeling," Lowery said. "Remember how proud you are to be a War Eagle. Remember what it feels like to beat two of the best teams in the state back to back. Once you get that feeling, you want it over and over. We are one of those good teams. When we believe in ourselves and have a desire to win, we will experience that feeling more often than not."

The major reversal began at West Forsyth. Davie junior Julie Gough outduelled Perry and Davie never trailed in the 4-1 win over the undefeated Titans.

Even though Gough's record (3-1) paled in comparison to Perry's (8-0), she went all seven innings, checked West on six hits, allowed one run (it was unearned) and didn't issue a walk.

Gough retired the side in order in the third, then faced four batters in each of the final four innings. A 6-4-3 double play (shortstop K'lea Parks to second baseman Makenzie Smith) offset West's two hits in the

JV Softball Outlasts WF In 8 Innings

By Brian Pitts
Davie Enterprise Record

A home game against North Davidson was a horrible experience for Davie's junior varsity softball team. But all was forgiven when the War Eagles responded with scintillating 8-3, eight-inning win at West Forsyth.

Against North, the War Eagles committed the game's only two errors, got out-hit 18-6 and lost 11-1 in five innings. There's not much else to say about that one.

Davie's 1-0 lead after two in-

nings was blown away by North's five-run third. The score of the first meeting was also 11-1.

Briggitt Tierney and Emilee Dishman - the top two batters in the order - both went 2 for 3. Dishman had a triple. Katelyn Webb and Lydia Kennedy both went 1 for 2. Webb doubled.

North knocked around two pitchers and dropped Davie to 1-3 in the Central Piedmont Conference.

The first meeting was a frustrating tease. Davie's 1-0 lead evaporated into a 2-1 loss as the Titans scored twice in the top of the seventh.

Davie got revenge behind the pitching and hitting of River Simpson and the hitting of Tierney (4 for 5, four stolen bases), Sierra Ferguson (3-4, two RBIs, triple), Simpson (3-4, double) and Webb (2-5). Sydney Hendren (1-5, RBI), Makenzie Burchette (1-2) and Aubree Priva (1-4, double, two RBIs) contributed to the win.

Davie overcame three errors (to West's two) by crushing the Titans in the hit department (15-6).

"On our way to West, I told the girls to not let history repeat itself and make a statement," coach Morgan Wyatt said. "And I think we did just that. West is young like we are, but I've said it from day one - we can hit the ball."

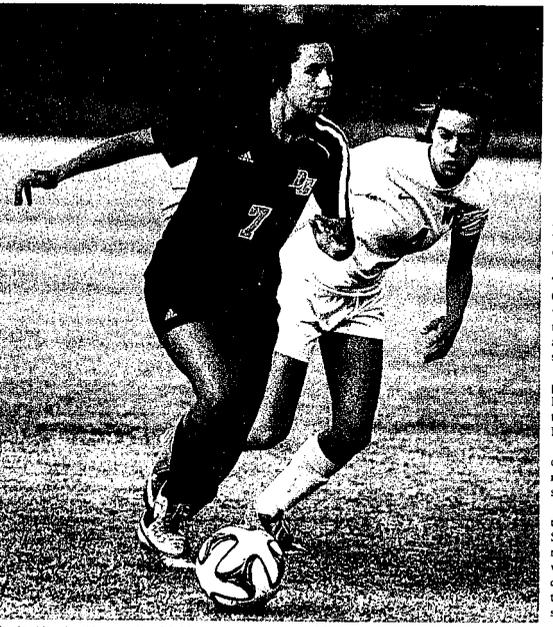

Please See Outlasts - Page B4

Zaferatos, Hampton Make All Northwest

Junior Madison Zaferatos and sophomore Ashlyn Hampton - who helped lead the Davie girls basketball team to the most wins in 12 years (18-7 record), the best Central Piedmont Conference finish in 10 years (second place) and to the first playoff win in 10 years - were named to the Winston Salem Journal's All-Northwest team.

The Davie duo was among 15 girls selected. Zaferatos, a 5-8 point guard, averaged 13.7 points, 5 assists, 3.9 rebounds and 2.9 steals. She also hit 38 3-pointers and scored double figures in 22 of 25 games. Her scoring was a big jump from her sophomore year (8.6). She is getting recruiting interest from Division-I and Division-II programs. "Her turnovers went way down and her assists went way up," coach Dave Ruenenapp told the Journal. "I think part of that is she has such a good understanding of the game. She has such good court awareness that she really has the ability to find everybody when they're open, and with a year of playing together, that

Soccer Pushes Mt. Tabor

Davie's soccer team did not beat Mt. Tabor, so there's not going to be a parade. But compared to what the series results have been in Davie's 25-year history, a shootout loss on the road against the Spartans earned the War Eagles a pat on the back.

The underdog War Eagles gave Tabor all it could handle. It was 0-0 at the end of regulation, and it was 0-0 after 20 minutes of overtime. That's 100 minutes of 0-0 action. Davie wound up losing the shootout 4-2.

In the end, there was a sense of pride from the losing side because Davie came in 1-36-2 in the all-time series. Last year Tabor routed Davie 7-3 and 4-0.

While Tabor improved to 7-7 overall and 3-2 in the Central Piedmont Conference, Davie's third straight loss dropped it to 3-8, 2-4.

"I think it shows a big improvement from last year," coach Kerstin Steinhorn said. "We played a lot more defensively against them than we have in the past. The girls have certainly gained some confidence this year in themselves and it is showing on the field."

Golfers practice before teeing off in last years Davie 4-H Golf Tournament. The event is Friday, April 24.

Davie 4-Hers preparing to serve the lunch meal for golfers last year.

4-H Golf Tourney Friday Afternoon At Pudding Ridge

The annual 4-H Golf Tournament will be held on Friday, April 24 at Pudding Ridge Golf Club. There will be a shotgun start at 1 p.m. A hamburger/hotdog lunch will start at noon, covered in the entry fee. The \$30 player entry fee also includes green and cart fees, goody bag, longest drive and closest to the pin contests. Proceeds will support the 4-H programs and activities offered to the children and youth in Davie County. Some of the activities are: 4-H clubs, summer 4-H camps, summer educational programs, and school enrichment programs like second grade embryology and Farm Animal Day. P Call the Extension Office if interested in enrolling a child in any of these activities or if interested in entering a team for the golf tournament, 753-6100. It was the first high-school win for freshman Peeler.

Tennis Blanks Parkland Twice

The Davie tennis team's doubleheader at Parkland last week had twin blowouts written all over it, and the War Eagles took care of business, winning both matches 9-0 over the lowly Mustangs. "Parkland only had five players, but the guys went out and did what they had to do," coach Shane Nixon said. "A CPC win is a CPC win no matter how you get it. And a road win is a road win no matter who you play."

In the first match, Davie's winners were Elijah Gregory, Austin Angel, Jack Robinson, Holden Poole, Sebastian Mikulski, David McGreevy, Poole/Robinson, Jack Ratledge/Justin Hendrix and Nikolas Parnell/Chase Johnston.

In singles, junior Mikulski and freshman McGreevy won their Davie debuts in the starting lineup. At No. 3 doubles, junior Parnell and freshman Johnston picked up their first career wins.

The winners in the second match were Gregory, Angel, Robinson, Poole, Ben Fouts, Tim Peeler, Poole/Robinson, Ratledge/Hendrix and Ben Marklin/Parker Froelich. It was the first high-school win for freshman Peeler.

Davie, which has outscored Parkland 34-2 over two years, pushed its records to 8-5 overall and 5-5 in the Central Piedmont Conference.

The top singles records belong to Gregory (10-3), Poole (9-3), Robinson (7-6) and Angel (6-5). Leading the way in doubles are Robinson/Poole at 9-3 and Hendrix/Ratledge at 6-5.

"Every single Davie player has recorded a varsity win in an actual match, and all 15 have now earned letters," Nixon said. "We have several players approaching 10-win seasons in singles or doubles or both."

Northwest ...

Continued From Page B1

allowed everybody to understand where the ball is coming from."

Hampton, a 6-1 forward/center, averaged 9.8 points, 7.5 rebounds and converted 53 percent of her field goals. One of two sophomores to make the team, she is drawing interest from Division-I schools.

"As a sophomore, I think she started coming into her own more," Ruemenapp said. "She's a supremely talented player and I think she has an incredible future ahead of her. And I think she started realizing that make the team, she is drawing interest from Division-I schools."

Zaferatos

Hampton

Boys Win CPC Track Meet Over CPC Rivals

Avery Williford and Eduardo Hernandez took first place in two events each last week at Mt. Tabor.

The Davie boys track team captured a three-team meet against Central Piedmont Conference rivals last week at Mt. Tabor.

Williford (110 hurdles, 300 hurdles), Hernandez (400, 200), Nick Simmons (3200) and George Mitchell (long jump) were the winners as Davie scored 76 points to Tabor's 69 and Reynolds' 41. Davie also swept all three relays.

Hannah Dove (discus, shot put) was a double winner to pace the Davie girls, who finished second. Tabor scored 79 points, Davie 66 and Reynolds 30.

The Davie girls got wins from Casey Larsen (3200), Savannah Everett (high jump), Liz Crenshaw (long jump), Madison Bohannon (100) and the 4x8 relay team.

Senior Profile

Catching up with ... Sarah Myers (softball) When you were growing up, what did you want to be? Veterinarian.

In the movie of my life, I'd be played by: Jennifer Lawrence.

Stranded on an island, what are your 3 essential items? Music, food and a friend. What's the funniest moment in your sports career? Trying to catch a ball in the outfield close to the fence, but I fell over it instead.

What's the proudest moment in your sports career? When we killed West Forsyth and went on to play North Davidson in the championship (game in the CPC Tournament). If you could turn back time and witness one event, what would it be? The Great Depression.

Who is the funniest teammate? Julie Gough.

Which teammate is happiest after a win? We are all pretty excited.

Hobbies: Fishing, hanging out with my friends and playing softball.

Athletes I most admire: Jackie Traina and Jennie Finch.

Interesting fact about myself: I've played softball since I was 4 years old.

What I like most about Davie High: We are all a big family.

If I could do one thing better, it would be: To sing better. Person I'd most like to meet (dead or alive): Hank Williams.

If you could have a date with a celebrity, who would it be? Brantley Gilbert.

Post-school ambition: Go to Western Carolina to be a Medical Lab Technologist.

If you hit the lottery, what's the first thing you'd do? Buy a nice vehicle, then give the rest to charity or to the children's hospital.

Golf Tourney Is May 30

The Hardison United Men's first annual golf tournament will be May 30 at Bermuda Run West, with tee times at 9 a.m. and 2 p.m.

Type: players choice/string. Cost: \$60 per player or \$240 for four-person team. Grouping: ages up to 40 - blue tees: 41-55 - white tees: 56-79 - yellow tees: 71 and up - red tees; women - red tees. Prizes for longest drive and closest to the pin for all groups. Door prizes for all. Lunch included. To register, call Jerry Callison at 336-406-0981 or 336-492-7380.

Allie Carter's header. Pushes ...

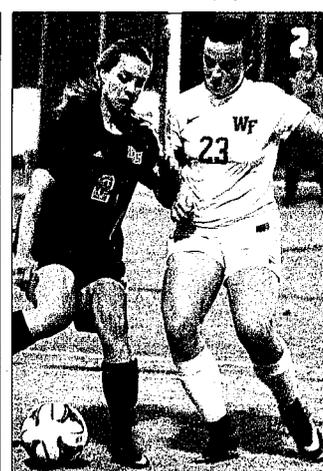

Continued From Page B1 Junior goalie Mary Tellup was awesome. The defensive line of Brooke Hedgspeth, Melani Anderson, Allie Carter, Payton Beatty, Riley Ball and Jennifer Ngo rose to the occasion.

"Tabor certainly tested Tellup and she answered back with some beautiful saves," Steimour said. "Our entire defensive line also did really well. They did a great job keeping Tabor away from the goal."

Davie's junior varsity did not fare as well, losing 3-0. The JV sank to 1-9, 0-5.

Annie Kinder defends as the right mid. At right, center back Brooke Hedgspeth vies for the ball. - Photos by Chris Mackle

Golf Wins Behind Carter's 2-Under

Colby Carter and Davie's golf team turned in their signature performance of the season in a Central Piedmont Conference meet at Wilshire Golf Course last week, with Carter breaking par and the War Eagles capturing a league meet for the first time in 27 years.

Unfortunately, there was little to cheer about in the next CPC round as Davie finished fifth out of seven. Earlier during spring break, the War Eagles competed in the Palmetto National High School Tournament in Calabash.

On qualifying day, Davie tied for 14th to put itself in the championship flight. After day one of tournament

play, it was in 12th place in the 20-team flight. After day two, it was in 16th place. Davie's scores were 324-317-321.

On qualifying day for 40 teams, Carter shot 77. Then he shot 81-78. Wesley Sink, who shot 83-74-74, led the entire field in pars as he parred 31 of 36 holes. Will Perkins had 87-81-84, Michael Fouts 88-81-85 and Chris Carr 77-83-93.

"This was the first time the team has played in this annual event, and it was a lot of fun for the five participants," coach Chris Callison said. "We had visions of moving up two spaces on day two to have a top-10 finish. (16th) wasn't what the

team was hoping for, but the experience of playing three competitive 18-hole rounds was invaluable."

The CPC meet at Wilshire was a magnificent day for Carter and the War Eagles. The War Eagles claimed first at 4-over 148, beating Reagan (149), West Forsyth (152), Reynolds (153), Mt. Tabor (159), North Davidson (167) and Parkland (222) and finishing first for the first time in four years. It was the first top finish since a 2011 meet at Pine Brook, when Davie shot 8-over behind Sink and Chase Moore.

It was an out-of-nowhere rise for a team that finished

fifth, fifth and fourth in the first three CPC meets. Davie did remain fifth in the standings, though: Reagan 610, Reynolds 617, Tabor and West Forsyth 619, Davie 636, North Davidson 695 and Parkland 956.

"We remained in fifth, but ground was made up on the important third spot (the top three qualify for the regional)," Callison said. "We moved from 24 strokes back to 17 back."

Carter, a senior, fired 2-under 34 as he carded two birdies and an eagle. While he was one off the pace, it was Davie's first 2-under since Seth Morris' 34 at Maple Chase in last year's first CPC meet. Carter's previous

top showings were a 1-under 35 at Oak Valley and an even-par 35 at Sapona Ridge.

"Colby was 2-under with a double (bogey) and a tee shot in the pond in which he dropped, hit to the green and made a putt to save par," Callison said. "That would have been another birdie."

Perkins, another senior, tied for sixth at 1-over 37. He also shot 1-over 37 at Maple Chase earlier in the season. Sink, a sophomore, tied for ninth at 38. He is surging at the right time, shooting 37-39 and 38 in the last three nine-hole matches.

Fouts and Carr had 39s in fifth and now find ourselves 26 shots out of third."

But Davie had a lackluster day later in the week at Bermuda Run West, scoring 154 to finish fifth and 18 shots behind Reynolds' even-par 136.

Carter tied for 10th at 37. Perkins, Sink and Fouts had 39s.

"(Reynolds' even par) was really amazing considering the weather conditions," Callison said. "With continuous rain and drizzle, my golfers tried to cut into the overall deficit. We remained in fifth and now find ourselves 26 shots out of third."

After snagging a hot liner, shortstop K'lea Parks dives in an attempt to double up the runner. At right, McKenzie Barneycastle is called out on a close play.

'01 ...

Continued From Page B1 very quality opponent was big.

Davie pitcher Shannon Handy and counterpart Janelle Damato mowed down batters for seven innings as the offenses went down in order 11 times, going 13-for-90 (.144) during that time.

All the excitement started in the eighth inning. North coach Mike Lambros wanted nothing to do with Davie slugger Ashlie Sanders, who got intentionally walked three times after torching the left fielder with a first-inning double. But the free pass backfired in the eighth when cleanup batter Layne Groat's infield single gave Davie a 1-0 lead.

"The first time they walked Ashlie to set up a situation," Markland said of the 416-hitting third baseman. "The second time showed just ultimate respect because they didn't have to walk her in that situation. Lambros said, 'I've been beat by her enough,' and that was just a move he made knowing her personally."

Groat's hit was supposed to mean curtains for North. Then came an emotional roller-coaster. North's Kelli Koonitz launched a two-strike, game-tying triple in the bottom of the eighth, and you had to love North's chances with the winning run 60 feet away and one out.

"I was so happy, and then I actually thought it was almost over when that girl got that triple," Groat said.

North's next batter, however, failed on a squeeze attempt, and catcher Stacy Queen exploded down the line and tagged the hung-out-to-dry runner from third.

"I was getting really scared there," said Handy, who gave up one run on five hits over 10 innings, throwing 145 pitches. "After you play 10 hard innings, you get so scared after a simple hit. But we know how to deal with those situations, and we did an excellent job. If the team wasn't behind me, we wouldn't have done near as good."

North made Davie sweat again in the 10th. Koonitz doubled but center fielder Kim Hilton kept the War Eagles alive, racing to cut off the gapper, firing a strike to the cutoff and holding the winning run at third.

Both times - the squeeze play and the double - Markland thought it was all she wrote. Hilton, who matched Groat with two team-high hits, also set the stage for Davie's 1-0 lead with a solid single to left.

"Kim played with the most intensity I've seen in her," Markland said. "And I believe intensity and performance go hand-in-hand. She played tremendous defense. I mean she cut that ball off and got it back as quick as anyone could have. When that

Sarah Myers eyes a pitch.

ball was hit, we all thought: 'That's the ballgame.'"

After staring an unthinkable two-game losing streak square in the eyes, Stacey Handy sparked a decisive charge in the 13th, roping a single and motorizing to third on a two-base fielding error. Two intentional walks later, Damato's throw home for three runs.

"I went up there knowing I had to hit," Stacey Handy said. "That's why I think I did it. Because we had been playing so long and I was so ready to go home. And I knew if I got a hit then it would start everybody else trying. I figured it would be an error that would break the game."

The most remarkable part of Davie's escape was Groat, who proved immune to the pressure of relieving Shannon Handy. She struck out four in three scoreless innings - not bad for a junior who came in with a mere 10 innings under her belt.

"We didn't want to over-extend Shannon, and equally important was we have a lot of confidence in Layne," Markland said. "We put Layne in a situation she's possibly never been in, and I was curious to how she would respond. And I was very, very pleased."

While Shannon Handy remained 4-0 with a 0.52 ERA, Groat improved to 2-0 and 1.07.

"I was very surprised (by the pitching change)," Groat said. "I had no clue he was going to put me in. It was really difficult. When I was warming up, I threw two bad ones and it had me nervous. But I got in there and I think I did pretty good."

Notes: Stacey Handy was a likely candidate to get a big inning rolling sooner or later. "Stacey's a good hitter," Markland said of the No. 2 batter. "She's very hard to strike out so it was just a matter of one of them finding a hole." ... When Groat moved to the circle, Dawn Singleton slid from second to first and Shannon Handy moved to second. "That's the first time they've played those positions, and they handled it with no problem under pressure situations," Markland said.

Makenzie Smith dives back safely on North's pickoff attempt at first base. - Photos by Brian Pitts

The state's winningest softball coach, Mike Lambros, gives Dawn Lowery a congratulatory handshake.

K'lea Parks shows the ball, but umpire rule a trap. At right, Parks high-fives pitcher Olivia Boger.

Catcher Katelyn Webb goes up for a high pitch. At right, she makes a fine catch at the fence.

Upsets ...

Continued From Page B1 fourth.

"She pitched an absolute gem," Miller said.

"Julie was on another level," Lowery said. "It is by far the greatest game I have ever witnessed her pitch, and I've coached her since North Davie. I didn't even talk to her during the game because she was in the zone and I wasn't going to mess with that. She has the capability of pitching like that and being that dominant every game. My hopes are it's just the beginning for her. To hold that team to six hits was a win within itself in my book."

Although Davie struck out 10 times against Perry, it produced one run in the second and three in the third. In the second, Sarah Myers led off with a triple and scored on Parks' one-out infield hit. In the last of the second, West reached on an error and scored on a sac fly.

"This was one of the most nerve-wracking games I've ever coached," Lowery said. "Not because I doubted my team for a second, but because I knew West has the capability to come back on a team in a heartbeat."

In the big third, McKenzie Barneycastle led off with a single, but was erased by a caught stealing. No matter. Bridgett Tierney (single), Smith (single) and Myers (walk) reached. Jessie Beck played Tierney with a grounder. Parks brought Smith home with a single.

It's difficult to exaggerate the significance of the 7-5, spanned-over-five-days win over North Davidson. Davie had not beaten North since 2001. It was the most runs against North in 40 games, dating to a 12-0 rout in 1998 when freshman Shannon Handy pitched a shutout. Davie had been outscored 28-0 in the previous three meetings. Think about that.

Pitcher Olivia Boger (seven innings, seven strike-

outs), Smith (3 for 3, two RBIs) and Myers (2-3, two RBIs, triple) connected the dots as Davie knocked off the storied program with the winningest coach in state history (Mike Lambros has 800-plus wins at North).

"This has been a long time coming," Lowery said. "I could tell on Tuesday there was something else in the girls' eyes. They had a look I hadn't seen yet this season. It fired me up just watching them warm up."

Boger wasn't intimidated even though she's a sophomore who came in with a 3-2 record.

"Olivia was a beast," Lowery said. "She wanted this game just as bad as anyone else on the team. When she gets that attitude, she's hard to stop. She really came through for us."

Davie seized control immediately, scoring four runs in the bottom of the first and three in the second.

In the first, Barneycastle bunted her way out. Tierney

Ferguson, Webb and Tierney continued their hot streaks," Wyatt said.

Simpson had a two-hit through four innings, but West parlayed two hits and two errors into a three-run fifth.

"We got up and then I think the girls started to think we had it won, and West proved us wrong real quick," Wyatt said. "With

Outlasts ...

Continued From Page B1

"Their defense made some really good plays and we did the same to them," Wyatt said. "It was a good game."

In the first inning, Tierney singled, stole second and third and scored on Ferguson's sac fly. In the second, Tierney, Webb and Hendrix delivered singles as the latter hit made it 2-0.

"Ferguson, Webb and Tierney continued their hot streaks," Wyatt said.

Simpson had a two-hit through four innings, but West parlayed two hits and two errors into a three-run fifth.

"We got up and then I think the girls started to think we had it won, and West proved us wrong real quick," Wyatt said. "With

Gough

Smith

Myers

Boger

walked and Smith singled. Then came an RBI single by Myers and a run-scoring sac bunt by Beck. Two runs scored on an outfield error.

Four more hits in the second chased North starter Casey Stanek, who lasted 1.2 innings. Ferguson singled with one out. Tierney singled with two outs. Smith

supplied a two-run single, then scored on Myers' triple.

Smith's single in the fifth was Davie's only other hit, but the 7-0 bulge proved too much for North, which dropped to 12-3, 6-2.

"When we came out 7-0, I knew it was going to be one for the record books," Lowery said. "Again, I didn't count North out until that very last pitch. We not only came to play against them, we came to finish."

"Offensively, we had some girls really step up to the challenge. Smith and Myers were unmatchable. They stepped in the box with confidence and a swag that you can't teach. It was purely

feel so much better when we beat them in seven innings instead of five."

If Smith and Parks don't snare liners, this game could really have gotten hairy. In

the sixth, Smith caught a

bullet for the first out. The next batter singled, but the next two hit weak popups.

North opened the seventh with a double, bringing the tying run to the plate, but Davie fans felt goosebumps when Boger caught the next batter looking at strike three. A laser was sent to Parks.

She had a choice: Eat it or catch it. She caught it, then dove unsuccessfully trying to double up the runner at second. The punctuation mark: Boger fanned the final batter on three pitches.

"North came out Saturday with guns blazing," Lowery said after Davie improved to 10-6, 5-2. "They were trying to ruin what we worked so hard for on Tuesday. We didn't flinch."

The hits were 9-8 in North's favor. North made one error, while Davie was flawless in the field. If North beats West in the final week of the regular season, there will likely be a three-way tie for first.

another statement both on

the mound as well as at the plate," she said. "Not many pitchers get a lot of opportunities to hit because we want them to focus on throwing the ball. But she took advantage of the opportunity that was given to her. The three hits she had weren't puny hits either - they were shots up the middle."

Davie Kicks It Around, Loses To Carson

Davie's varsity baseball team has been maddeningly

inconsistent. After ripping off three wins in a row, Davie suffered a third loss in four games with a 13-6 setback to

visiting Carson in a noncon-

ferring seven errors and allowing 12 unearned runs.

The Cougars took full advantage of the "extra outs" as they finished with 14 hits off three Davie pitchers. Carson used four pitchers.

All seven Es were in the infield. The miscues sabotaged the efforts of Isaac Campbell and Ryan Harrell. Campbell gave up eight runs in 4.2 innings, but only one was earned. Mike Smith

threw scoreless ball for 1.1 innings. R. Harrell gave up five runs in the top of the seventh, but none were earned.

"Think about how many extra-at-bats they got because of us kicking it around,"

committing seven errors and

allowing 12 unearned runs.

innings. R. Harrell gave up five runs in the top of the seventh, but none were earned.

"Think about how many extra-at-bats they got because of us kicking it around,"

coach Bobby Byerly said.

"They hit it. I will say that. We had some guys that need to pay attention. They hit some balls on the screws. They took advantage of us making mistakes."

The War Eagles dug an 8-0 hole before making a furious rally in the bottom of the sixth, when Colby Cranfill's pinch-hit grand slam keyed a six-run explosion. The momentum, however, was fleeting as Carson answered with five in the seventh.

It was the fifth straight win for Carson, which edged Davie last year 9-8. Davie's overall record dropped to

7-7.

Davie's hits came from R. Harrell (2 for 2), Cranfill (1-1), Jalen Scott (1-1), Josh Byrd (1-2), Craig Colbourne (1-2), Beau Byerly (1-3), Nathan Harrell (1-4), Chris Reynolds (1-4) and Paul Davenport (1-4).

"Of the 10 hits, I'd say we hit four on the screws," he said.

The War Eagles responded with a 13-1 beating of host Central to raise their Central Piedmont Conference mark to 3-6.

The outcome over the last-place Mustangs figured to be a foregone conclu-

sion, although Davie started

slowly with the score 1-0 in the visitors' favor through three innings. Davie finally broke it open with a four-run fourth.

N. Harrell dominated on the mound, throwing a four-hitter with no walks and 12 strikeouts. Parkland's run was unearned.

Reynolds was the offensive leader, going two for four with two doubles and five RBIs. R. Harrell went 1 for 2 with a home run. Ryan Heath was 1 for 2 with a double. Scott and N. Harrell were 1 for 3. N. Harrell doubled.

Back and forth, back and forth ... rockers raise thousands of dollars for Davie Senior Services at a recent rock-a-thon.

Sr. Services Rock-A-Thon Gaining Support

A "rockin'" good time was had by all who attended Davie County Senior Services' Rock-A-Thon fundraiser. Approximately 110 people came out to rock, eat and enjoy the entertainment. Participants in the rock-a-thon formed teams and got people to sponsor their time rocking in rocking chairs. The community was invited, where they could purchase food and enjoy non-stop entertainment. The entertainment featured Davie County Lifetime rocking in rocking chairs. The community was invited, where they could purchase food and enjoy non-stop entertainment. Newman, Aaron Burriss and Mark Newman, bingo, senior services' line dancing 1 & 2 classes led by Elizabeth Norman, senior services' aerobics class led by Lorri Carlton, and senior services' yoga class demonstration, led by Kim Crawford. There were six teams, including two non-profit teams that shared in half the money their team raised. The Davie County Humane Society team brought some furry friends to rock outside on the porch with them. The "Annex Divas" team raised money to split with Davie County Home Health. All non-profits are encouraged to plan to participate next year. Profits were more than \$3,400, which will go to support the programs and services offered by Davie County Senior Services. "We want to thank everyone who rocked, donated money, entertained the crowd and those who attended the event," said Kim Shuskey, director of Senior Services. "The attendance this year was great, and the money raised was more than double what was raised last year." Davie Senior Services is a county agency that provides programs and services to adults 55 and older. To learn more, call 753-6230 or visit the site at 278 Meroney St., beside the EMS building in Mocksville.

Seniors from the line dancing classes perform.

The auditorium is filled with people supporting Davie County Senior Services.

Mrs. Julie from the public library reads to the children.

The Duttons will perform Saturday night at the Brock Performing Arts Center on North Main Street in Mocksville.

The Duttons Bringing Music And More To The Brock

If you look up the word talent in the dictionary, don't be surprised if the name Dutton comes up. This is one family with a whole lot of talent. And the good thing about this singing/dancing/musical group, besides the fact that they are all one family, is the fact that local folks don't have to travel to one of their theatres to see them perform. The Davie County Arts Council will host the lively show at the Brock Performing Arts Center on April 25 at 7:30 p.m. The Duttons started with Dean and Sheila, who had seven children. They began touring with their family and this little singing/dancing/musical group soon found they had a full-time career. They settled down and bought their own theater in Branson, and have since added The Dutton Inn. Their seven children have produced 25 grandchildren. Many of the kids, as well as the spouses, take part in the shows and the family business. While the shows change periodically, what they present on stage, no matter what they are doing, is their talent. Whether they are singing, playing their instruments, joking around, dancing, or whatever, they produce a show enjoyable for all ages. While not every one of these family members is in every show, there are enough to put audiences in awe. The show at the Brock will feature 20 members, including six of the youngest Duttons, 6-11. The shows are a little bluegrass, pop, classical, humor, singing, dancing, instrument playing, and everything else. The family splits their time on stage between individual solos and combinations of Duttons, and at the end of the concert the entire family gets together for a finale. Throughout the concert Cousin Julio makes humorous appearances. Sheila and Dean explain to the audience their family history. Besides their seven biological children, they adopted seven teenagers who have grown. The Duttons have been runners-up on America's Got Talent. Davie County Arts Council has tickets available for the show which at the Brock Performing Arts Center on Saturday, April 25 at 7:30 p.m. Purchase tickets online by visiting the arts council's website, www.daviearts.org, or by calling or visiting the box office (751-3000) Monday-Friday, noon-5 p.m.

Carpenter-Combs Engagement Announced

Ray and Dee Dee Carpenter of Mocksville announce the engagement of their daughter, Taylor Dianne Carpenter to Garrett Todd Combs.

The bride-to-be is a 2012 graduate of Davie County High School. She is employed with NuCare Carolina Ambulance in Winston-Salem and Iredell County EMS. She is also a volunteer firefighter for County Line Fire Dept.

The groom-to-be is the son of Todd and Marie Combs of Statesville. He is a 2004 graduate of North Iredell High School. He is employed at NuCare Carolina Ambulance in Winston-Salem and is a lieutenant at County Line Fire Dept.

A June 6 wedding will be held at Breezy Meadows Farm in Mooresville.

Healthy Family Day Expo Chamber, YMCA Teaming Up For Saturday Event

The Davie County Chamber and the Davie Family YMCA will present Healthy Family Day Expo 2015 on Saturday, April 25, at the Davie Family YMCA at 215 Cemetery St. in Mocksville.

The expo runs from 9 a.m.-1 p.m. and is free to the public. The community Health Expo is being combined with Healthy Kids Day to create an big event for the family.

Several vendors of healthy lifestyle products and services along with fun kid activities will be set up under one roof to offer Davie residents a convenient one-stop healthy lifestyle information experience.

Sponsored by Wake Forest Baptist Health - Davie Medical Center and Novant Health Medical Center, the expo offers access to important information, direct interaction with medical service providers as well as fun and healthy activities for kids.

Several free health screenings will be offered including blood pressure, stroke screening, hearing assessments, total cholesterol, BMI and more.

"With healthcare costs on the rise and interest in personal wellbeing at an all-time high, Health Family Day Expo provides residents with a great opportunity to take positive steps toward improving their health," said Carolyn McManamy, chamber president. "Healthy Family Day Expo is a collaborative effort of the Davie Family YMCA and the Davie County Chamber of Com-

YMCA Offers Tips To Help Keep Families Healthy

In celebration of the Healthy Family Day Expo, the Y offers the following tips to help families develop healthy habits:

- Try, try, repeat. There are many great tasting fruits and vegetables that many kids have never heard of, let alone tried. Grab a new fruit or vegetable and encourage everyone in the family to try at least a bite.

- Play around town. Challenge the family to play on a different playground every week. Identify playgrounds at parks; expand definitions of playgrounds to include nature trails, a stream, and a bike path.

- Families at play for an hour a day. From walking to gardening, or swimming to shooting hoops, make playful movement a part of your family's day. To get 60 minutes of moderate activity throughout your day just add 10 minutes here and 15 minutes there.

- Foster a passion for reading. Read to and with your kids. Help children read at every age and every stage of their development.

- Make sleep a priority. Doctors recommend 10-12 hours of sleep a day for children ages 5-12 and 7-8 hours per night for adults. Sleep plays a critical role in maintaining our healthy immune system, metabolism, mood, memory, learning, and other vital functions.

The YMCA of Northwest North Carolina is offering a membership joining special through April 30. Join the Y for free. Gain access to group exercise classes, pools, comprehensive wellness facilities, and Child Watch with some membership types, as well as discounts on all Y programs like youth sports, swim lessons, and personal training.

For more information, visit ymcanwnc.org/healthykids-day or call the Davie Family YMCA at 751-9622.

Author At Library Thursday

Bill Thompson, writer for *Our State* magazine and author of books about North Carolina, will present a program at Davie County Public Library on Thursday, April 23 at 7 p.m.

This is sponsored by the library and by Davie County Historical and Genealogical Society.

Thompson's column

Front Porch Stories has been a regular feature in *Our State* magazine for 10 years. He has authored four books: "Sweet Tea, Fried Chicken and Lazy Dogs: A Reflection of North Carolina Life," "Pearl's Porch Palace and other Stories from Flynn's Crossing, NC," "Backyards, Bowties and Beauty Queens," and

his latest book, "Celia Whitfield's Boy." He has traveled throughout North Carolina and the south as a speaker for hundreds of organizations and has been master of ceremonies for hundreds of events. He shares humor and memories that help the audience remember their past.

Girls Raising Funds For Relay for Life Events

Survivor dinner, Friday, May 8 at Blaise Baptist Church, Mocksville, beginning at 6 p.m. Register by May 1

- April 23, Davie Medical Center will host a spaghetti lunch at Plaza 2, in Bermuda Run.
- April 25, Hardison UMC, 1600 Jericho Church Road, Mocksville, will host a poor man's supper from 6-8 p.m.
- April 25, DC Farm Bureau will host a breakfast at Union Chapel UMC, Mocksville from 6:30-10 a.m.
- The Farm Bureau, Team VF, Hardison UMC and Crusaders for the Cure teams all have items available for raffle or sale. Proceeds will benefit the Relay for Life of Davie County. Please see a team member for more information.

Members of Girl Scout Troop 02146 in Cooleemee are going to Washington, D.C., and they're raising money to pay for the trip.

From 5-8 p.m. on Tuesday, April 28, they will be at Bojangle's at US 158 and NC 801 in Advance.

A portion of proceeds go to the girls, who, along with parents and leaders, will carry trays, clean tables and offer face painting for children.

Lifetime Awards Bermuda Run Garden Club Honors Two Charter Members

Bermuda Run Garden Club members Ann Cornwell and Lois Price are honored with Lifetime Membership in the Garden Club of North Carolina.

"When you look back through all the history books - all 30 years - of our wonderful garden club, there are two names that you will see again and again," said President Sue Whittaker. "Lois Price and Ann Cornwell were both charter members

of Bermuda Run Garden Club; and they have stuck with us, through thick and thin, ever since."

Cornwell and Price have served in countless positions in the club, including president. Both are master flower show judges. Cornwell is an accredited landscape consultant. Both have held numerous roles in the Dixie Classic Fair as well as the Garden Council of Winston-Salem. Both have

Brandon's Buddies Celebration May 3 At Center

The public is invited to the Brandon's Buddies Foundation 2015 Celebration Fundraiser on Sunday, May 3 from 2-4 p.m. (float-

ing) at Center United Methodist Church in Mocksville.

The event will be held in the church's Family Life Center to the right of the

sanctuary.

Proceeds benefit children battling cancer and will provide support for their families.

Attendees will be able to purchase the New 2015 Stuffed Animal Buddy. Just like last year, there will be a silent auction. There will be

Kids Crafts and food.

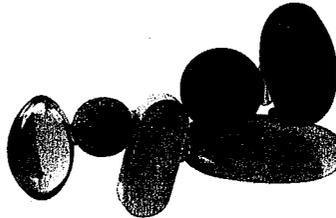

Center is located at 1857 US 64 W., Mocksville. For more information, email may be made to www.brandsfoundation.org.

Blooms, Blooms Everywhere!

Emma Tutterow was visiting at the beach when her son called. You've got to see the tree in your yard, he said. Tutterow came back to her Will Boone Road home and saw the flowers all over the tree, from the base of the trunk to the furthest branch. It's most likely an Eastern Redbud. "I've never seen anything like it and I'm 82 years old," she said.

Paul and Betty Beck celebrate their 60th wedding anniversary.

Celebrating Paul and Betty Beck's 60th wedding anniversary are family members: Andy and Brandi Drye, Paul, Tammy, Betty, Bradley and David Beck, Christopher Penland and Madison Drye.

Sheffield-Calahaan

By Brenda Bailey
Sheffield-Calahaan
Correspondent

Birthday wishes go to those celebrating this week: Ray Clark, Clyde Jordan, Shane Brown and Bessie Jane Wall on April 23; Cody Kinder, Dacia James and Eric Lineberry on April 25; David Smith on April 26; Ricky Vaughn, Adam Anderson and Chesney Keaton on April 27; Wanda Sutphin, Carl Ladd Jr. and Richmond Reavis on April 28; and Ronnie Draugh and Ashlen Drye on April 29. Congratulations to Terry and Sandra Dyson who will celebrate their anniversary on April 28. If you would like an anniversary or birthday posted in this section, please do not hesitate to call or email me.

Paul and Betty Beck were surprised with a 60th wedding anniversary gala on Sunday at the Yadin Valley Fiddlers Convention at Coby Creek on Sunday. Granddaughter Brandi Drye was instrumental in arranging the surprise. The Beck's son David and his wife Tammy also played a big role in getting them to go out for a family dinner at the restaurant. The look on their faces when they saw everyone was priceless. Many of their friends and family were there to help them celebrate. After the meal, everyone enjoyed anniversary cake. Paul and Betty thanked everyone for coming, and for all the gifts and the love. Their anniversary was April 8.

Brandi and Andy Drye's anniversary was also on the 8th. Everyone in the community and surrounding areas congratulated the Becks on 60 years of marriage. We all love you.

Game Night at the Sheffield-Calahaan Community Center and Recreation Area was again a huge success. Thanks to all who came for bingo and a silent auction. Your support helps us to maintain and upgrade facilities. Our next game night is Friday, May 29.

Sheffield-Calahaan VFD meetings are held each Monday night at the station at 7. The Mud Sling at the North Iredell Training Facility in May 30. Come for some family fun and stop by the Sheffield-Calahaan VFD food booth.

Kid's Night is being held each Wednesday at New Union from 6:30-8 for ages kindergarten-12th grade. Everyone is invited.

Hotdog Saturday at New Union UMC is Saturday. The Men's Fellowship will serve hotdogs, chips and drinks from 11 a.m.-2 p.m. in the church parking lot at 1869 Sheffield Road. Donations will be accepted. Women's Fellowship will hold a bake sale. Crafts and RADA cutlery will be for sale.

A new Bible study titled

"Developing a Christian Worldview" will be held each Sunday at 5:45 p.m. at Ijames Baptist Church. Everyone is invited to attend. Child care is provided.

A new children's ministry at Ijames Baptist will begin soon.

The Wednesday night prayer meetings at Ijames Baptist are held each week at 7.

Dr. Mark Smith, president of Ohio Christian University, delivered powerful messages at the spring revival at Community Covenant Church this past week. Charles Baker, music evangelist, gave spiritual messages each service through his songs. The revival was a blessing to all who attended.

The Fox Mountain Entertainers will perform at the Komer Deli, 3387 Harmony Hwy., Saturday. The Tomm Dolle Band will perform on May 2 and Joe Mahaffey and NuffWay will perform on May 16.

Davie County was well represented at the Yadin Valley Fiddlers Convention on Saturday. We had four local bands and several bands from adjoining counties competing. Our own Gaining Ground won fourth place in the bluegrass band competition. Sons of the South, from Iredell County, won first in the bluegrass band category. Danny Casstevens won second place on dobro and John Powell came in third. Lynn Powell won second on acoustic bass and Rodney Gordon came in first. Jimmy Paschal won first on bluegrass banjo and Danny Casstevens won second on guitar. Rodney and Jimmy play with the Fox Mountain Entertainers and John and Lynn are with Gaining Ground. Congratulations to all our local winners.

The Iredell County Children's Museum will have programs each week at the Harmony Public Library during storytime program. This Saturday's program at 2 p.m. is Trajan's Column and sculpture reliefs. These programs are free to the public. Local author Joy Moore will come to the library in May. Call 704-546-7086.

Prayer list requests continue for Madeline Laphis, Jean Reavis, J.W. Keaton.

Please See S-C - Page C5

Jessica Ritchie and Melissa Galther help show some of the watercolor paintings made by Piper and her mom at the art program Saturday at the Harmony Public Library.

Becky Hill and Al Sutphin are 50/50 and grand prize winners at monthly Game Night.

The Fox Mountain Entertainers perform Saturday at the annual Yadin Valley Bluegrass Convention.

Margaret Foster enjoys her first time at the Hill Barn with son Ronnie, and friends Betty Dameron (left) and Ruby Potts (right). Charles and Greta England, just back from spending some time in Florida, enjoy seeing old friends and listening to the music at the Hill Barn.

CanalPino

By Betty Etchison West
CanalPino Correspondent

Another article about the Orrell and Louisa Etchison family included information about Lewis Alexander Etchison, but this is exclusively about him.

He was born on May 31, 1865, at Valley View Farm, about one mile east of Cana. He was named for his mother's brother, Lewis Alexander Furches. He was the sixth child and the third son of Orrell and Louisa Green Furches Etchison. His siblings were: Elizabeth, who married Absolom Kerr; Lydia Ann, who died as an infant; Shadrack, who died as a young man from pneumonia; he developed trying to rescue his cows from the flooded Dutchman Creek bottoms; Susan, who married Wesley Eaton; and John Wesley, who married Nana Cain.

Lewis Alexander, Uncle Lukey or Mr. Lukey as he was called by his family and friends, lived with his parents and siblings at Valley View Farm for years. After his father's death in 1882, Lukey, his mother and his brother, John, continued to live in the house that his parents had built in 1852. Lukey's brother, John, got married in 1897; and he brought his bride to Valley View to live. All of John and Nana's children were born at Valley View. The house probably got a bit crowded with Louisa, Lukey, John and Nana and their children all living under one roof.

Lukey had started building a house on land which was part of the original tract which Louisa Furches Etchison was given by her father, Thomas Furches, when she and Orrell Etchison were married in 1852. That tract of land was between Pudding Ridge Road and Angell Road. About 1908 or 1909, Lukey decided it was time to move even though his house was not finished. Actually, it never was completely finished. Lukey's nephew, Everett, loved his uncle, and he was so sad to see him move. Everett said,

"Uncle Lukey just loaded his belongings in a wagon and moved." That was a sad day for Everett because his uncle had allowed him to come to his room and look at his "chicken books." Everett missed the special attention his uncle gave him.

After he moved, Lukey raised chickens and bees. The porch part of his house was unfinished and the chickens lived in the area under and around what should have been a porch. They perched on the exposed rafters and scratched in the dirt below where the porch floor should have been. There was a sleeper (large board) at the edge of the porch area, but the floor was never put in. A couple of boards were laid from the sleeper to the front door of the house. When a person walked over the boards to get to the front door of the house, the chicken would get stirred up and create a terrible noise—squeaking and cawing. The chickens served the same purpose as a watch dog because they alerted Lukey when someone was approaching.

One of my memories of her great-uncle Lukey was that of seeing him walk across the pasture and up Valley View Lane carrying two big buckets of eggs. The buckets seemed to be full of eggs so those noisy chickens produced a valuable asset. Lukey, who was straight, tall and thin, walked at a slow, steady gait as he took the big buckets of eggs to the Cana Store where he traded them for coffee, sugar, matches and other necessities.

After having been warned by the chickens that someone was approaching, Lukey, who never married and who was a bit of a hermit or perhaps one should say a loner, always seemed happy to have family or friends visit him. He would invite the visitor in and would probably serve him/her some bread and honey.

Lewis Alexander Etchison was a master beekeeper, and he always had the most delicious honey. In fact, he

Lewis Alexander (Lukey) Etchison in the living room of the house that he built for himself.

Lewis Alexander Etchison stands near one of his beehives. He was a master apiarist.

Lewis Alexander Etchison was born in 1865 at Valley View Farm.

invented some special beehives and other beekeeping equipment and attempted to get patents on the inventions. There is a question as to whether the patents were ever acquired, but his equipment was considered a great step forward in the beekeeping industry. Lukey was considered a Master Beekeeper and the beekeeping industry profited from his inventions.

Lukey also invented a tobacco setter. It seems that someone stole the patent. He told someone about his invention. That person in whom he had confided took his idea and got it patented before Lukey could get it registered. Lukey worked on other original ideas, but it seems that he was never able to complete the patenting process. Some of the models of his inventions can be found at Frostland today.

After entering Lukey's house and walking past his bedroom and down the hall, you came to his workshop. That man was a master craftsman. He made beautiful furniture—tables, cabinets, beds, bureaus. He made oak and walnut pieces which are absolutely beautiful and which are still considered treasures. Many people around Cana bought "Mr. Lukey's" furniture and considered it a privilege to own a piece designed and handmade by this artisan.

Mr. Lukey's workshop, where the floor was always covered with shavings and sawdust, was an interesting place to visit.

All the debris on the floor of Lukey's workshop would seem to be a fire hazard, and it evidently was because the house did catch on fire. The exact spot where the fire started is unknown, but the story of extinguishing the blaze is well known.

Lukey did not have a well. He always carried his water from the spring which was about one-half mile from his house. He walked slowly carrying two buckets, which were level full of water; and he never seemed to spill a drop. When the house caught on fire, all the water that was available to fight the fire was two bucketsful. Lukey simply used his hand and doused the fire with the water from the buckets handful by hand.

Members of his family were always amazed by his levelheadedness in the face of a dire emergency. He was able to extinguish the blaze by adding water bit by bit, and the house was saved. If he had poured the whole bucket of water on the fire at one time the house would probably have been a total loss.

Everett and Lola Etchison started building a house beside his Uncle Lukey's when they got married in

1931; but instead of moving to their house, they lived on at Frostland with Everett's father after the death of his mother. Years later they rented their partially finished house to Elving and Ashbury Smith. The Smith family did not see their neighbor, "Mr. Lukey," often. They occasionally saw him as he tended his chickens or bees, but they did "keep an eye out for him."

On May 3, 1940, Asbury went to Cana and told Mr. Lukey's nephew, Everett Frost Etchison, that he had not seen Mr. Lukey in a day or two. Everett went to his uncle's house and found him dead in his bed. He appeared to have died in his sleep. Everett always said "Uncle Lukey was lying there 'peaceably'; the covers were not even messed up."

Evidently, Lewis Alexander Etchison died without any struggle. He died as he had lived—alone— which is probably the way he wanted to be. He was buried at Eaton's Baptist Church Cemetery near his parents and his

grandparents, Thomas and Elizabeth Ferebee Furches.

Even though Lewis Alexander Etchison died many years ago, stories about him continue to be an important part of his family's lore. Faye Cain Rich told a story shortly before her death about her and her cousin, Walter Etchison, disappearing. They were lost from their families' point of view but not as far as they were concerned. When they were found by worried family members, they were a mile east of their homes in Uncle Lukey's kitchen happily enjoying some of his good bread and honey. Everett Etchison, who looked a good deal like his Uncle Luke, frequently spoke of his uncle, and he was always proud of the pieces of furniture which were made by his Uncle Lukey.

Lewis Alexander Etchison, a quiet, distinguished, brilliant man, was an inventor, a master craftsman, an excellent beekeeper, and a highly valued family member, who had many noisy chickens.

Mocksville, (336) 751-2304

County Line

By Shirley Thorne
County Line Correspondent

The rainy weather has made County Line yards and gardens grow and spring flowers flourish. The Salem folks thank everyone who supported their breakfast Saturday morning and look forward to seeing you at the next breakfast May 16.

The V-Point Ruritans invite all senior adults to an afternoon of bingo and snacks at 2 p.m. today (Thursday) at the V-Point Building. There will be lots of fun and prizes. Senior bingo events previously scheduled for the last Thursday of each month have been switched to the fourth Thursday.

This weekend we have another delicious country ham and sausage breakfast. Join the Clarksbury folks for breakfast from 6-10 a.m. Saturday, April 25. Proceeds benefit the projects of the church building team.

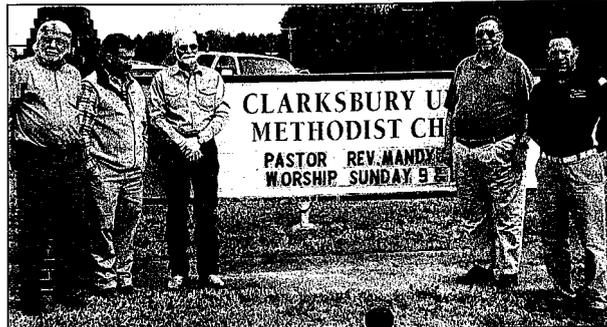

The Pine Grove AME Zion Spiritual Choir is having a special service at 7 p.m. Friday as a prelude to the anniversary celebration. The featured speaker will be the Rev. Charlene Jones of New Life Holiness Church of Mocksville. Choir members invite others. Sunday, April 26, the church will celebrate the spiritual choir's anniversary with a special program at 3 p.m. Area choirs will present gospel music. Pine Grove members invite others for an enjoyable afternoon of worship in music.

The Rev. Jacob Scott of Monticello Baptist Church of Statesville will be the guest speaker at the 11 a.m. worship service Sunday at Calvary Baptist Church. Society Baptist Church will have baptismal services during the 11 a.m. worship service Sunday in the fellowship hall.

Upcoming community events include a country ham and sausage breakfast hosted by the V-Point Ruritans 6-10 a.m. Saturday, May 2 at the V-Point Building; church-wide yard sale at Calvary Baptist Church 7 a.m.-noon Saturday, May 2; "Women's Day" celebration Saturday morning, May 2, and 3 p.m. Sunday, May 3, at Pine Grove AME Zion; annual community "Spring Celebration" hosted by Clarksbury Methodist from 3-6 p.m. Sunday, May 3; and revival at Pine Grove AME Zion May 11-14.

Our community extends its deepest sympathy to the family of Tracy Evans, who died Wednesday of last week at his home in South Carolina. He had been in declining health for several months after being diagnosed with cancer. Born in 1956 in Iredell County, he was a son of Herman and Barbara Harris Evans of County Line. He was reared on US 64 West and later Society Road and graduated from North Iredell High School in 1974. In his youth he attended Society Baptist; he joined his Grandpa Alfred in the sanctuary choir, sang in the youth choir, and sang solos as a child. In 2001 he married the former Rebecca Merritt and the couple made their home in Rock Hill, where he worked for Blyth, Inc. A service celebrating his life was held Sunday at Society Baptist, and he was laid to rest in the church cemetery.

L.P. Dishman is beginning radiation treatment this week. Betty Lou Richardson developed an infection in her back while she was in rehab; she had surgery for the infection and remains at Iredell Memorial Hospital. David Steele remains in rehab at Iredell Memorial Hospital. Abigail Campbell has been recuperating at home since last Friday. Tommie Ross, who has been a resident at Statesville Place, has improved and has returned to her home in Harmony. Brenda Swisher remains in rehab at Autumn Care of Mocksville. Pat Swisher remains in rehab at Autumn Care of Statesville.

Andy Cartner, Allen Lewis, Vance McMahon, Richard Brazel, Dan Hutchens, and other members of the Clarksbury United Methodist Building Team invite everyone to breakfast from 6-10 a.m. Saturday, April 25, in the fellowship hall. The buffet includes country ham and sausage, scrambled eggs, grits, baked apples, biscuits, and drink, eat in or take out. Donations are accepted. Proceeds benefit building projects for those in need. Clarksbury is on NC 901 about 3.2 miles north of US 64 West.

Join us in prayer for the Lord's divine healing and blessings upon L.P. Betty Lou, David, Abigail, Tommie, Brenda, Pat, and others who are having health problems. Pray for the Lord's comfort and strength upon the family of Tracy as they adjust to life without him. For news and memories to share, please call Shirley on 492-5115 or email sd-link@hotmail.com.

Each club member was photographed with a mannequin wearing the clothing style of the 1890s. The organization's painting depicting women from the founding era was featured. Blue sashes were worn by each of the members, and a toast was proposed by Marlene Shamel to celebrate the 125th year.

The Federation Day committee brought laughter and enjoyment as members played the GFWC bingo game. Memory was tested during the "Jeopardy" game, which featured historic events; while the final game, and IQ Bowl, challenged everyone.

Gail Kelly, Dawn Wooten, Myra McGonigle and Betty Ward toast the 125th anniversary.

Woman's Club Celebrates 125th Anniversary

April brought a celebration to members of the Mocksville Woman's Club.

On April 8, they celebrated the General Federation of Women's Clubs 125th anniversary of the founding of the organization.

Now an international organization, these groups of women are dedicated to enhancing the lives of others through volunteer service.

"Since 1890, GFWC clubwomen transform lives each day, not simply with monetary donations, but with hands-on tangible projects that provide immediate impact," said Shirley Cagle, Mocksville club member.

Coolmeemee

By KC Smith
Coolmeemee Correspondent

Before knocking on the small white frame mill-house door, I tried to imagine how many times the porch swing swung back and forth. The large pillow laying in the rocker looked worn and old and probably felt just right like an old pair of bed sheets.

That day was Tuesday, April 14.

But on the same day, way back in 1923, a man that had worked right up to 30 years at Coolmeemee's cotton mill as a weaver, was born. He was born on Center Street, two houses away.

While holding a small box containing a big slice of carrot cake in my left hand, I knocked on the door.

Lawrence "Bo" Smith opened the door and looked at me like he was trying to see right through me.

"I understand someone in this house is having a birthday today?"

"Yes," he said. "That's me, and I'm 92."

"What makes it so wonderful is we both are still here (referring to his wife Betty Sue). She is 7 months younger than I am. At that age usually one is gone. That's what amazes me, both of us being alive at 92."

He said: "Bill Seaford walked up to me one time and said 'I'd give \$10,000 if I had your genes!'"

Bo's father, his father's brothers and sister lived from 90 years to 104 years old.

Bo likes oats and he eats cereal for breakfast. Cheerios are his favorite and he likes to snack on peanuts.

All the houses in Coolmeemee were not underpinned and that was his place to go when he wanted to hide.

Bo's wife was suffering with allergies that day and she helped jog Bo's memory about certain things when he couldn't quite recall specifics.

Carol Whitman and Mary Cranfill are their two daughters.

Bo was playing on "dam hill" as Betty called it, or better known as Park Hill, and a boy threw a bicycle

rim at Bo to try and "ring his neck." That may be the contributing factor of his hearing loss.

"Coolmeemee was the best place back when I was young. The people was good," he said. When the mill closed down, he liked two months completing 30 years of work there.

He started working when he was 16, \$10.10 a week. When he got married he was making \$13 a week and his rent for the house where George Jordan lived was 65 cents a week.

It was that much because it had a "car shed." The rent was increased later by 25 cents due to an increase in electricity.

The mill workers got paid every week. Bo's mama, and every other mother or parent in town always said, "When you get paid, always save a little bit for a rainy day," and that is what Bo did.

Bo's supervisor gave him a shuttle used in the mill. He remembers when foremen of the mill would go to Charlotte for meetings. They were given shuttles as mementos.

Scott Jordan was Bo's boss man and they were fishing one day at the Coolmeemee Junction. Jordan gave one of his shuttles to Bo and he still has it hanging on his wall in the kitchen.

It was rough during the depression, he said. The mill would run only about two days a week sometimes. When neighbors had it rough, other neighbors would pitch in and give them a "pounding." A pound of flour, a pound of sugar. Neighbors helping neighbors was common.

Bo's father and his father's brother bought a farm. Later there was illness in the family and Bo's father sold his half of the farm for \$1,000.

That year at Christmas they had a big celebration. Bo and his brother got a bicycle. During the Depression you were lucky to get a toy for Christmas, so that bicycle was the greatest gift he remembers.

"He knows things about me that nobody else don't know and they won't know. It wasn't a big thing, but

Bo Smith spends his 92nd birthday talking about his life in Coolmeemee.

it was a big thing when it happened. You don't know, and I hope you don't ever know, how tough things were. That depression was a depression."

He visited his "kin folk" at Jericho on his bicycle and stayed a while. He helped pick cotton or helped in the garden and when he got tired of it, he hopped on the bike and went back home.

Bo's favorite car is the one he has today: 2003 Century, 6 cylinder, 56K miles. "I just love that car."

His daughter Carol likes it too, but Bo says, he loves his daughter, but she can have the car when he dies. "Not before."

The first car he bought was a 1933 Chevrolet coupe, paid \$25 for the gem. Bo and Betty hop in the car together sometimes for a "joy ride" in country. He hunted and fished a lot so he knows every country road in Davie County. He practices not going out when there is a lot of traffic and avoids the night.

"Arthur Ray Brown is the best, I'm talking about friend that I've got or ever had."

Bo says he is an honest man and he will tell you the truth, "and if you don't like him, he's still going to tell you the truth."

"He knows things about me that nobody else don't know and they won't know. It wasn't a big thing, but

He tells it like it is. I like that."

"I know he will do, if he tells me something, good or bad, he'll do it. He is one of the most honest men I have ever known or had anything to do with in my life and I'm 92 today."

Bo has had a few operations and he had cataract surgery. His vision is now 20/20. He spoke highly of his wife and how she has taken good care of him.

Betty has had some trouble and her allergies recently have been aggravating, he says, "Guess who's doing the dishes?"

He apologized for the way his rug looked but his vacuum cleaner recently broke. The house was neat and clean.

There was a stationary bike parked at the mantel and that is where he still gets exercise. Bursitis is an ailment he battles with today. "I bet I put 20,000 miles on it. I've worn it down to a nub. I've had it for 20 years and it's kept me going."

A good marriage, according to Bo, is to make sure you love one another because, "I don't care who you are or where you come from, you're going to have some differences."

Their first date was a blind date with Hoyle Harris and a girl named Catherine; they later got married.

Bo says when he first saw

Bo Smith: "I don't lie. I reckon I talked too much but they can't shoot you for that."

Betty he knew she was the one. "I've done things that were wrong but that was one thing I done that was right. I love that woman, I loved her when we got married and I still love her."

Billy Nail and Alma Myers were their witnesses when they scooted to South Carolina to get married.

Bo's brother was the late Richard Smith, and his two sisters are Sue Cuthrell

and the late Hazel James.

Sue brought some pie to Bo for his birthday earlier that day. Bo said, "it's been a good one."

Bo's last words were: "I don't lie, I reckon I talked too much but they can't shoot you for that. I've been lucky."

Obituaries

Norman B. Smith Jr.

Mr. Norman B. Smith Jr., 70, died on Tuesday, April 14, 2015.
He was preceded in death by a sister, Jane Elizabeth; his father, Norman B. Smith Sr., and his mother, Evelyn Smith Wall.

Survivors: his wife, Phyllis Call Smith (the two celebrated their 52nd wedding anniversary three weeks prior in the ICU at Forsyth Medical Center. Tears fell as the two shared cards expressing their love for one another); 3 children, Scott, Tara and Shannon, who were remained in Davie County, where each raised their own family; Scott and wife Amy and their 2 children, Camryn and Wesley; Tara and husband Chad Atkins and their 2 girls, Victoria and Lauren; and Shannon and wife Sherrie and their 4 children, Ryan, Kati, Austin and Brittany; a great-grandson, Mason Chase Smith, son of Camryn Smith; his brother, David Hall Smith and wife Paty.

He worked as a teenager at the family service station, Smith's Esso in Downtown Mocksville. He loved fast, old cars. In 1971, he started his employment with Ingersoll-Rand where he worked until his health forced him into early retirement. He was a servant of Christ who loved his church, Blaise Baptist. He believed in prayer and that it was the way to God's heart. Some of his favorite scriptures include Psalm 23 and Ephesians 3:19-21.

A funeral service was conducted at 6 p.m., Friday, April 17 at Blaise Baptist Church. The family received friends at the church following the service. A graveside service was conducted at 11 a.m., Saturday, April 18 at Rose Cemetery. Memorial: Blaise Baptist Building Fund, 134 Blaise Church Road, Mocksville.
Condolences: www.eatonfuneralservice.com.

Elizabeth Lowery 'Tib' Hoots

Mrs. Elizabeth "Tib" Lowery Hoots, 84, of Advance died Sunday, April 19, 2015 at Trinity Elms.

Mrs. Hoots was born in Iredell County on Nov. 19, 1930 to Randall and Etta Carter Lowery Sr. She was a graduate of Cool Springs High School and attended Mitchell College. She worked for Sartan Covenry Jewelry for more than 20 years. Mrs. Hoots was member of Warners Chapel Church of Christ.

She was preceded in death by her parents; her husband of 63 years, Bobby Marion Hoots Sr.; a special grandson, James "Jamie" Bradley Hoots Jr.; sisters, Martha Dellinger, Catherine Lanier, Wilma Boan, Julia Heathcock, Mary Sherrill, Pauline Ballard, and Louise Isenhour; and a brother, Randall Lowery Jr.

Survivors: sons, Bobby Marion Hoots Jr. and wife Beverly of Yadkinville, James Bradley Hoots Sr. and wife Betty of Advance, and Bryan Randall Hoots of Charlotte; 3 granddaughters, Wendy Home and husband Jason, Heather Hoots, and Holly Hoots; a grandson, Michael Hoots; 5 great-grandchildren, Hannah Hoots, Mason, Nathan, and Owen Home, and Ethan Loflin; and a sister, Sarah Plicher of Statesville.

A funeral service was conducted at 1 p.m. Tuesday, April 21 at Hayworth-Miller Kindertown Chapel with Frank Shepard officiating. Burial followed at Farmington Community Cemetery. The family received friends Monday, April 20, 2015 at the funeral home.

Memorials: Hospice/Palliative Care Center, 101 Hospice Lane, Winston-Salem, 27103; or to a charity of the donor's choice.
Condolences: www.hayworth-miller.com.

Samuel Arthur Holmes

Samuel Arthur "Sam," "SA" Holmes died on Friday, April 17, 2015 at Willow Creek Nursing Facility in Goldsboro following a period of declining health.

He was born June 28, 1937, in Iredell County to the late Charlie French Holmes and Marie Marie Holmes. He was educated in the Iredell County School System and graduated from Unity High School. He was an independent truck driver. At an early age, he joined Mt. Nebo Baptist Church in Harmony where he served as Sunday School teacher for young adults, adult choir director, and church auditor. Later he moved to Goldsboro, where he joined St. Mark Church of Christ.

He was preceded in death by 2 brothers, Raywood Holmes and Theodore Holmes; 3 sisters, Louise Dalton, Frankie Crawford, and Neneal Robertson.

Survivors: the mother of his children, Katie Holmes; 3 children, Michael (Cynthia) Holmes of Garner, Stephen (Catherine) Holmes of Palm Bay, Fla., and Audrey (Jason) Geter of Statesville; a brother, George (Judy) Holmes of Stone Mountain, Ga.; 2 sisters, Pheloness (Moses) Suber of Washington, DC and Jewel Grington of Booneville; a sister-in-law, Joyce Dalton; 4 grandchildren, Warren (Brittany) Holmes, Shane Holmes, and Stephen Holmes all of Palm Bay, and Kayla Holmes of Ft. Gordon, Ga.; 2 great-grandchildren, Darian and Judah Holmes; and a host of nephews, nieces, cousins, relatives and friends.

His funeral service was held Wednesday, April 22 at 11:30 a.m. at Mt. Nebo Baptist Church in Harmony. The Rev. Sylvester Reed officiated and the Rev. Ardel Rosboro delivered the eulogy. Burial followed in the church cemetery. The family received friends 30 minutes before the service at the church.
Condolences: www.GrahamFuneralHome.net.

Alice Juanita Blackburn Parks

Mrs. Alice Juanita Blackburn Parks 90, of Parks Lane, Mocksville, died Friday April 17, 2015 at Wake Forest Baptist Medical Center, Winston-Salem.

She was born June 12, 1924 in Davie County to the late Ed Hawkins and Clara Bell Smoot. She was educated in the public schools of Davie and was a housewife, member of Chingapin Grove Missionary Baptist Church, Mocksville where she served as a Deaconess, missionary, head of the dietitian staff, was in the mixed choir, usher board and a delegate for the Yadkin Davie Association. She was a member of Rose-demall Chapter 531 OES.

She was preceded in death by her husband, Dewey Houston Parks; brothers, Frances Blackburn and James Smoot.

Survivors: her children, Clarence Melvin Parks (Stacy), Dewey Arnold Parks (Richard), Barbara Parks Seawright (Perry), Patricia Parks Moore (Richard), Gwendolyn Parks, Touloup Parks Echinson (Joseph), Donald Ray Parks, Vena Parks Longworth (Louis), all of Mocksville, Shirley Juanita Parks (Frank), Atlanta, Ga., and Christopher Parks (Sandra), Sicklerville, N.J.; grandchildren reared in the home with the children, Michael Elliott Anthony, Philippines, Terrance Tyrone Jones, Winston-Salem, Ebony Nicole Jones, Mocksville; adopted sister, Cordella Revels, California; 18 grandchildren; 15 great-grandchildren; and 20 great-great-grandchildren.

Services were to be held Thursday, April 23 at Chingapin Grove Missionary Baptist, Mocksville, with visitation at 2:30 p.m. and funeral at 3 followed by burial in the church cemetery on Blewin Road in Yadkin County, with the Rev. Anthony Woodruff, officiating, and the Rev. Darrell McConnell, eulogist.
Condolences: noblesandkelsey.com.

Mary Carolyn Smith

Mrs. Mary Carolyn Smith, 84, of Rainbow Road, Advance, died Thursday, April 16, 2015, at her home.

She was born April 19, 1930, in Forsyth County to the late Luke V. and Rose Jane Smith. Mrs. Smith was a member of Bethlehem United Methodist Church. She loved to make quilts, bake sugar and molasses cookies and was retired from Sara Lee Knit Products in Advance.

She was also preceded in death by her husband, Virgil Gray Smith; a daughter, Amy Lou Rae Smith Revels; a granddaughter, Tracie Rivers; and 2 brothers, Carl Lee Smith and Wayne Vestal Smith.

Survivors: her children, Brenda Rivers, Kathy Rivers (Gene), all of Mocksville, Cynthia Isaacs (Dale) of Advance, Virgil Keith Smith (friend, Debra) of Davidson County and Emily Stewart (Roger) of Hamptonville; 2 sisters, Barbara Sanders and Faye Myers, both of Advance; 12 grandchildren; 15 great-grandchildren; and a special friend, Lloyd Jolly.

A service celebrating her life was conducted at 4 p.m., Sunday, April 19 at Bethlehem United Methodist Church with the Revs. Barry Lemons and Wayne Swisher officiating. Burial followed in the church cemetery. The family received friends on Saturday, April 18 at Eaton Funeral Home in Mocksville.

Memorials: Community Home Care & Hospice, 1308 Davis Avenue, Statesville, 28677; or Bethlehem Good Neighbor Fund, 321 Redland Road, Advance.
Condolences: www.eatonfuneralservice.com.

DeWaine Dale Guldberg

DeWaine Dale Guldberg died on Friday, April 14, 2015 after living in Bermuda Commons Nursing & Rehabilitation Facility in Advance.

The son of Harold and Grace Guldberg, he was born in Sheffield, Iowa and was an only child. He grew up in Coulter, Iowa, a Danish community. Early in life he learned excellent work ethics from his parents. He graduated from high school in 1942 and joined the Army Air Force the following December during World War II. He served in the 60th Troop Carrier and Glider division and was sent to North Africa and later to Sicily and Italy. After the war ended he returned home in 1945 and was honorably discharged. In February of 1946 he married Barbara Jean Burriss and they had two daughters, Gloria Grace and Cynthia Anne. The Guldbergs were dairy farmers in Iowa until 1960. They came to know Christ as their Savior and in December of 1960 moved to southern California where they were active in church and became acquainted missions to other cultures among them the Navajo Native Americans in Arizona. In 1975 they joined the Navajo Gospel Mission and served until 1988 on the Navajo reservation and at the main office in Flagstaff. The couple had a burden for missionaries' need of rest and a place to do so, and with the helping hands of many built a home for that purpose in Honolulu, Ariz. From late 1995 until 2001 they lived in Colorado and New York. Carolina near family.

Surviving: his daughters, Gloria and husband Richard of Mocksville, daughter Cynthia of Tucson, Ariz.; and a granddaughter, Christina Paolicelli (William) of Warrington, Va.

A service of thanks and remembrance was held at Bermuda Commons on Sunday, April 19. His memorial service will be held on Friday, May 15 at 2 p.m. in the Worship Center of Reynolds Church's Village Campus, 2200 Reynolds Road in Winston-Salem. The family will receive friends in the chapel following the service.

Memorials: Sharing the Light Ministries, PO Box 5008, Winston-Salem, 27113, www.sharingthelight.org; Erik & Teri Powell, Scriptures in Use Ministry, 101 La Canada Drive, Ste. 49 D, Green Valley, AZ 85614, www.suainit.org; or Humane Society of Davie, 291 Eaton Road, Mocksville, www.davienhumbane.org.

Spaghetti At Bailey's Chapel

Bailey's Chapel United Methodist Men will host a spaghetti dinner on Saturday, April 25 from 4:30-7:30 p.m. The meal will also include a small salad, bread, drink and dessert. Donations will be accepted for Methodist Men projects.

Hotdogs, Ice Cream For Relay

There will be a hotdog and ice cream supper to benefit Relay for Life at First United Methodist Church, Wednesday, April 29 at 5:30 p.m. The menu will be hotdogs, chili, slow, baked beans, potato chips, ice cream and pound cake. The meal will be held in the Family Life Center and all donations will go to the Davie County Relay for Life.

Craft Brothers At Mt. Olive

The Craft Brothers will perform for the annual Relay for Life event at Mt. Olive United Methodist Church, 3521 Wyo Road, Yadkinville, on Sunday, April 26 at 6 p.m. Refreshments will be served.

New Union Hotdog Saturday

The Men's Fellowship of New Union United Methodist Church will serve hotdogs Saturday from 11 a.m.-2 p.m. in the parking of the church at Sheffield and County Line roads. The Women's group will hold a bake sale. Crafts and RADA cutlery will be available for purchase.

Singing At Piney Grove

Piney Grove AME Zion Spiritual Choir will celebrate 47 years of singing April 24 and April 26.

Friday, April 24, the Echoes of Christ will bring music and songs beginning at 6:30 p.m. At 7:15, Pastor Charlene Jones, pastor of New Life Apostolic Church in Mocksville, will deliver a message.

On Sunday, April 26, all groups are invited for singing beginning at 3 p.m.
To learn more, call the church at 704-546-2799 or Lonell Pruitt at 704-252-2049.

Breakfast At Union Chapel

A country ham breakfast will be held from 6:30-10 a.m. Saturday, April 25 at Union Chapel United Methodist Church, US 601 North of I-40, Mocksville.

The menu will also include sausage, eggs, grits, gravy, apples, biscuits and beverages for \$7 for adults, \$4 for children under age 10. For pick up orders, call 753-1772. Proceeds will go to the Relay for Life.

Erwin Temple Anniversary

The pastor and members of Erwin Temple CME Church will observe the 89th church anniversary Sunday with a special celebration. The morning message will be given by the pastor, the Rev. Ervin L. Hannah Jr.

Music will be rendered by the Erwin Temple Mass Choir. Lunch will be served beginning at 1:30 p.m.

Afternoon worship will begin at 3. Pastor Rodney Barker and congregation from Refuge Community Church will be guests. Gospel singing will be rendered by their choir. There will be special recognitions.

The Erwin Temple Christian Methodist Episcopal Church was organized in December 1926 when the Rev. J.S. Miller of Asheville was assigned by the CM. Conference to organize a mission for the people living in the Cooleemee community. The original structure was completed in 1929.

Under the leadership of the Rev. Calvin Smith, who was assigned as pastor in July 2006, a new church was built. Hannah was assigned as pastor in July 2006 and the church continues to grow.

Music At Farmington UMC

On Sunday, April 26, Farmington United Methodist Church will have special music during the 11 a.m. worship service. Accompanying the adult choir will be guest musicians, violinist Frank Nifong and clarinetist Adam Marion. On Sunday, May 3 the Brad Rattledge Band will lead the morning worship service.

Everyone is invited to these special services. Farmington Methodist is at Farmington Road and NC 801 N.

Poor Man's Supper For Relay

There will be a poor man's supper on Saturday, April 25 from 6-8 p.m. at Hardison United Methodist Church, Jericho Church Road, Mocksville. The menu will include pinto, potatoes, cabbage, hotdogs and desserts. Donations will be accepted for the Relay for Life. To learn more, call 751-2120.

Mainville Ole Timey Day

On Sunday, April 26, at 3 p.m., Mainville AME Zion Church will be celebrating its annual Ole Timey Day.

The speaker will be the Rev. I. Melvin Peay, St. Paul AME Zion Church, Hickory, along with his choir and congregation. This program is sponsored by Class 3. The Rev. Dorothy C. Kelley is the pastor.

Students

Board Recognizes Work Of Students, Staff

Students and staff who received awards were recognized at the school board meeting last week.

• Angie Allen was selected as the 2014-15 Child Nutrition Manager of the Year. Allen, who works at Shady Grove, is a second generation child nutrition manager; that was also her mom's job.

Daughn Baker, child nutrition director, said: "She does every-

thing at her school with the best interests of her students," and she is often known to dress up, along with her staff, during spirit week. Baker said Allen's co-workers describe her as a wonderful manager and great boss.

• Pam Collins, who has been with Davie schools for more than 24 years, was recognized for being selected the 2014-15 Office Professional of the Year.

Principal Lynn Marrs called Collins, the financial bookkeeper, a "red-headed fireball," saying she is calm when she needs to be but on fire when necessary. "She is the heart and soul of Mockeville Elementary," Marrs said, telling the audience Collins saved the life of a student last year by performing the Heimlich maneuver.

• Andrea Cranfill, of Pinebrook Elementary, was selected as the

NC Association of Teacher Assistants 2015-16 Teacher Assistant of the Year and was introduced by another teacher assistant, Ashlyn Montgomery.

Montgomery called Cranfill a "magical teacher assistant" and said Cranfill also drives a school bus and greets her students each morning with a "beautiful smile."

She works in many classrooms throughout the day, is known to

give hugs to students and is an advocate for other teachers assistants, especially in her role as District 7 president of the NCATA.

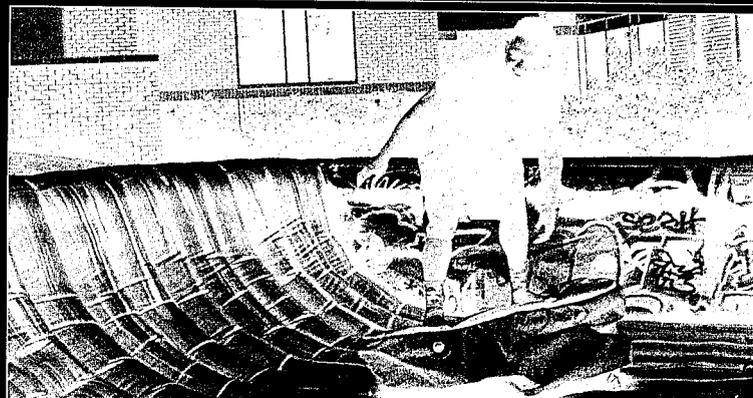

• Christie Ruff, a seventh grade language arts teacher at William Ellis, was selected as the NC Big of the Year for Big Brothers Big Sisters.

Jenna Hendricks, from Big Brothers Big Sisters, said Ruff Please See Work - Page D6

Taped To The Wall

William R. Davie Elementary School participated in a fundraiser raising money for PTO. The teacher of the class that raised the most money was to be taped to the wall. Joanna Haire was the teacher who had the class that raised the most money and her students enjoyed taping her to the wall.

Jy'Quarius "Q" Dalton balances unsteadily on the simulated surfboard at the Davie Campus Spring Fling last Thursday.

Spring Fling DCCC Students Unwind At Davie Campus

Students on the Davie Campus of Davidson County Community College took a classroom break Thursday afternoon to enjoy some surfing and rock climbing.

Both were simulated, of course, but provided a lot of fun during the annual Spring Fling celebration sponsored by the college's Student Government Association.

Student Jy'Quarius "Q" Dalton discovered his surfing skills to be a bit wobbly on the Super Surf Sensation ride.

"At first, it was easy but then it sped up on me, and I fell off," he says. "It was fun, though."

Linda Miller proved she's a pro at rock climbing as she quickly ascended to the top of the rock and zipped back down.

"Every time we have the rock climb on campus, I'll climb it five or six times," Miller says. "It takes concentration, but I'm not afraid of heights."

Other activities available to students included an inflatable slide, a photo booth and music provided by a live disc jockey. They were also treated to a pizza lunch.

"I like to see the interaction of our students here in Davie and the fun they're having," says David Handy, SGA vice president. "It just shows that you can have fun on the road to success."

Linda Miller (right) moves past Marty McEwen on the rock climb.

Sahara Cuellar (left) and Karla Gamez are all smiles as they fly down the inflatable slide.

Schools

Coolseem Elementary
During the past few weeks in PE, students have been learning how to play volleyball. Each student learned how to bump, set, and serve. After practicing fundamentals, students played games for several days. They have been having a contest to see which class can turn in the most box tops and soup labels. The class that brings in the most box tops and labels in each grade will get a chilly winter party during field day. The top overall class that brings in the most will get to dump a bucket of ice water on Mr. Hilton and Mrs. Lagle. During the next few weeks, they will practice events for field day.

First graders are planting and observing the growth of vegetables and flowers in classrooms. They have shown great ability labeling the parts of a plant and explaining the functions. They know what is in soil and can explain the life cycle of plants. They are working geologists and discovered they have not fairly given notice to rocks. Now they notice the attributes and can classify rocks by color, sparkle, luster, texture and hardness. As they continue to work they will learn the three basic types of rocks: sedimentary, igneous and metamorphic and be able to explain the difference between a rock and a mineral. In math they have been building and reading tables and graphs. Students made bar graphs, tally graphs, pictographs and pie graphs of favorite foods, pets, and sports. They are able to read graphs and identify the most favorite, least favorite and equal choices. They are using standard and non-standard units to measure the stems and roots of the plants and other objects in the classroom.

Fifth graders were able to participate in an IVC on

animal habitats. A museum in Ohio shared a salamander, an armadillo, a snake, and a Madagascar hissing cockroach. Students loved being able to learn about the animals' biomes, the ecosystems they live in, and asked questions during the video to the museum. In math and science all the classes reviewed end-of-quarter benchmarks and were able to correct mistakes to learn from them for the ROG.

Second grade classes are reading about wild weather. Students are reading stories about tornadoes, blizzards, hurricanes, and thunderstorms. Then they will use weather websites to further research and use facts they learn to design a poster. Classes are learning about types of clouds, how meteorologists forecast the weather, and the tools they use. They are keeping a log as they learn about changes in the weather. In math, students are finishing a measurement unit and will begin a unit on geometry.

In third grade, students finished up a unit on time and began a new unit on perimeter and area in math. In reading, the students worked on reviewing for the quarterly benchmark. The students reviewed by working on passages and using QR codes with passages. In social studies, students continue to work on biography projects.

Mocksville Elementary
Students of the Week: Addie Cozart, Ashton Browning, Katherine Lakey, Oawadee Adams-Torres, Daniel Catelet, Lilianna Mendoza, Catherine Morales, Sydney Hayes, Bryson Hunt, Daniel Gama, Elijah Dillard and Melanie Espitia.

Mrs. Yount and Mrs. Ruemennapp's kindergarten class is glad it is spring. They enjoyed spring books and planting seeds. In math they have been adding and subtracting. They enjoyed "traveling" to countries in the Kindergarten classrooms. They visited six places around the world including Mexico, South America, Africa, France, Japan, and

Mrs. Wyatt's students at Mocksville Elementary learn about didgeridoos in Australia.

Australia. Students in Mrs. Spach's and Mrs. Pruitt's class have been doing some Spring activities. Students participated in a research project to find out about animals that hatch from eggs. They used the iPads to research an animal, write information about the animals and its egg and then made a final product they presented to the class. In math they are starting a unit on learning to read and write numbers past 100. They are reading fiction and non-fiction books about Earth Day and environmental science. Students are reviewing the material they are learning ways they can help Earth.

Mrs. Fletcher's class is "Going Buggy." Students are studying ants. They are learning about the ant's body parts, how they make their homes, gather food, and protect themselves from enemies. The class enjoyed reading "Magic School Bus Ants in your Pants," "Two Bad Ants" and "Hey Little Ant." After reading "Hey Little Ant" students discussed whether the young boy should squish or not to squish little ant. It became quite a debate. Students ended the unit by eating ants. The class made ice cream ants with pretzel legs and antennas. M&M eyes, and Magic Shell for the exoskeleton.

Fourth grade students visited Horizon's in Salisbury on April 16. Students enjoyed being myth busters in the planetarium. They learned about light and how light is reflected, refracted, and absorbed. Students participated in hands-on activities to demonstrate the transfer of energy using different materials. Students learned about the conductors and insulators of energy.

Mrs. Strickland's fifth graders are continuing to study the Revolutionary War. Each student was given a name to research and write a biography to display in the room. The class will have a row of loyalists and a row of patriots squaring off against each other. In reading, the students are beginning to create their own magazine on a topic of their choice using the text structures studied earlier. In math, the students are hard at work on fractions.

Shady Grove Elementary
The first grade classes of Mrs. Baker, Ms. Kenney, Mrs. Powers and Mrs. Richardson completed a unit on dental health. This was followed by a visit from Denna Rominger and Shannon Wylie of Southern Dental Associates. The lesson included a book and a visit from the Tooth Fairy explaining good dental habits. Each child received a coloring book and a new

toothbrush. The next unit of study was about the moon. Children participated in activities centered around the phases of the moon. Mrs. Koonz, media specialist, set up rotating centers which provided further research. The culminating activity was a research project and song presented to the parents on PTO night. During the next few weeks, students will review math concepts, writing conventions, reading comprehension and spelling patterns in order to prepare for end-of-grade assessments.

Cornatzer Elementary
Before first graders left for spring break, they had a week full of many fun "egg-experiments." Each student received an Egg-xperiment Science Journal where they recorded predictions and outcomes. Eggs were placed in a vinegar solution to see what would happen to the shell. They were placed in a salted and non-salted solution to test sinking and floating. The most popular experiment was placing an egg in the mouth of a heated jar to see if the egg would slip down into the jar.

In math, students started learning about measurement and time. Vocabulary words include: measure, length, short, long, analog, digital, half-hour, minute and o'clock. Students are comparing the lengths of objects

using indirect measurement and ordering the lengths of objects. They are measuring the lengths of objects with nonstandard units. Lessons on time will teach telling and writing time using digital and analog clocks to the hour and the half hour.

The unit theme study will focus on natural resources and plants. Students learned the difference between capital resources and natural resources. They will learn about the plant life cycle and the parts of the plant they eat. Each student will plant seeds and record findings in a Plant Observation Booklet. Students will engage in "hands-on" activities to explore what plants need to survive.

First graders visited the Senior Center in Mocksville. Earth Day was the theme of the program and students recited a poem, sang songs about recycling and read a book to the seniors. They also wore Earth Day headbands and handed out Earth Day cards.

Students attended a DASH game, earning a special award for demonstrating good behavior for the past few weeks.

Cougars of the Week: Lillianne Simmons, Jeana Booie, Landen Gaddy, Britany Hernandez, Jacob Hayes, Gavin Gunnit, Elisha Tuttle, Peyton Bode, Matt Fink, Brianna Carrick and Landon Petreys.

William R. Davie SMILE students, from left: front - Sydney Hicks, Kaydynn Dunn, Kayden McGee, Edarius Oliver, Shaylee Lusk, Camilla Figueroa; back - Macyn, Isaac Swisher, Levi Hurley, Hannah Hill, Haley Tate, Gaige Dyson.

LEGAL NOTICES

15 SP 31
NOTICE OF FORECLOSURE SALE
NORTH CAROLINA, DAVIE COUNTY

Under and by virtue of a Power of Sale contained in certain Deed of Trust executed by Michael S. Wright and Sandra T. Wright to Rob V. Budnitz, Trustee(s), which was dated May 23, 2008 and recorded on May 23, 2008 in Book 663 at Page 451, Davie County Registry, North Carolina.

Default having been made by the said Dede of Trust and the undersigned, Trustee Services of Carolina, LLC, having been substituted as Trustee in said Deed of Trust, and the holder of the note evidencing said Deed of Trust be foreclosed, the undersigned Substitute Trustee will offer for sale at the courthouse door of the county courthouse where the property is located, or the usual place of public sale, the following described property situated in Davie County, North Carolina, to wit:

ALL of Lot 19 of Springdale Subdivision as set forth in Plat Book 5, pages 141 and 142, Davie County Registry, which reference is hereby made for a more particular description.

Sale and except any releases, debts of release or priority claims, the property is commonly known as 180 Ginny Lane, Advance, NC 27006.

A cash deposit (no part to be checked) of five percent (5%) of the purchase price, or Seven Hundred Fifty Dollars (\$750.00), whichever is greater, will be required at the time of the sale. Following the expiration of the statutory upset bid period, all the remaining amounts are immediately due and owing. THIRD PARTY PURCHASERS MUST PAY THE STATE TAX AND THE RECORDING COSTS FOR THEIR DEED.

Said property to be offered pursuant to this Notice shall be sold by deed of conveyance "AS IS WHERE IS." There are no representations or warranties of any kind as to the title or any physical, environmental, health or safety conditions existing in, on, or at the property to be offered for sale. This sale is made subject to all prior liens, unpaid taxes, any unpaid transfer taxes, special assessments, easements, rights of way, deeds of release, and any other encumbrances or restrictions of record. To the best of the knowledge and belief of the undersigned, the current owner(s) of the property listed is/are: Michael S. Wright and wife, Sandra T. Wright.

An Order for possession of the property may be issued pursuant to G.S. 45-21.15. The purchaser and the parties in possession by the clerk of superior court of the county in which the property is sold. Any person who occupies the property pursuant to a rental agreement entered into or renewed on or after October 1, 2007, may, after receiving the notice of sale, terminate the rental agreement upon 10 days' written notice to the landlord. The notice shall also state that upon termination of a rental agreement, the tenant is liable for rent due under the rental agreement prorated to the effective date of the termination.

If the trustee is unable to convey title to this property for any reason, the sole remedy of the purchaser is the return of the deposit. Reasons of such inability to convey include, but are not limited to, the filing of a bankruptcy petition prior to the confirmation of the sale and reinstatement of the loan without the knowledge of the trustee. If the validity of the sale is challenged by any party, the trustee, in their sole discretion, if they believe the challenge to have merit, may request the court to declare the sale to be void and return the deposit. The purchaser will have no further remedy.

West 8.76 chs. to a point, an iron stake in the southwest corner of said Phelps property; thence South 88 deg. East 11.93 chs. to a point, an iron stake in the north edge of the said railway right of way; thence with said right of way the following call: North 38 deg. East 1.00 chs., North 38 deg. East 1.00 chs., North 30 deg. East 1.00 chs., North 28 deg. East 1.00 chs., North 25 deg. East 1.00 chs. to a point, East 1.00 chs. to the BEGINNING, containing thirteen and one-half (13.50) acres, more or less, as surveyed by A. L. Bowles, Registered Surveyor, by plat and survey dated March 13, 1964, and filed in the special proceedings entitled Ada Phelps Chaplin et al. vs. Eligna Phelps Williamson et al in the office of the Clerk of Superior Court of Davie County, North Carolina.

Subject to easements and restrictions of record, and the one-half (1/2) undivided interest of John William Long and wife, Faye Crofts Long.

BEING KNOWN and designated as Lot 2 of a plat for Samuel C. Chaplin and Maxine Chaplin Long as recorded in Plat Book 8, Page 324, Davie County Registry, to which reference is hereby made for a more particular description.

Subject to easements and restrictions of record.

The highest bidder at the sale may be required to make deposit by cash or check of up to five percent (5%) of the bid, or \$750.00, whichever is greater, at the time the bid is accepted, and the remaining balance upon confirmation of the sale, by said Executor.

The sale will be reported to the Court and will remain open for advance or upset bids for a period of ten (10) days after the date of the first publication, or no later than June 2, 2015. You must also serve a copy of your written response to the Petitioner's Attorney listed below.

You have a right to be represented by an attorney in this case. If you want an attorney appointed upon the Petitioner's Court for the relief sought.

YOU ARE NOTIFIED to appear and answer the Petition by serving the original of your written response upon the Davie County Clerk of Superior Court, Juvenile Division, Davie County Hall of Justice, 140 South Main Street, Mocksville, NC 27028, within forty (40) days after the date of the first publication, or no later than June 2, 2015. You must also serve a copy of your written response upon the Petitioner's Attorney listed below.

You have a right to be represented by an attorney in this case. If you want an attorney appointed upon the Petitioner's Court for the relief sought. This is a new case, and any attorney you appoint to represent you in another case will not represent you in this case unless the Court appoints that person again or you retain them. A copy of the Petition may also be obtained from the Clerk of Superior Court, Davie County DSS 123 South Main Street, Mocksville, NC 27028. Phone: 336-755-6012. NC State Bar No. 22214. A cash deposit (no part to be checked) of five percent (5%) of the purchase price, or Seven Hundred Fifty Dollars (\$750.00), whichever is greater, will be required at the time of the sale. Following the expiration of the statutory upset bid period, all the remaining amounts are immediately due and owing. THIRD PARTY PURCHASERS MUST PAY THE STATE TAX AND THE RECORDING COSTS FOR THEIR DEED.

Said property to be offered pursuant to this Notice shall be sold by deed of conveyance "AS IS WHERE IS." There are no representations or warranties of any kind as to the title or any physical, environmental, health or safety conditions existing in, on, or at the property to be offered for sale. This sale is made subject to all prior liens, unpaid taxes, any unpaid transfer taxes, special assessments, easements, rights of way, deeds of release, and any other encumbrances or restrictions of record. To the best of the knowledge and belief of the undersigned, the current owner(s) of the property listed is/are: Michael S. Wright and wife, Sandra T. Wright.

An Order for possession of the property may be issued pursuant to G.S. 45-21.15. The purchaser and the parties in possession by the clerk of superior court of the county in which the property is sold. Any person who occupies the property pursuant to a rental agreement entered into or renewed on or after October 1, 2007, may, after receiving the notice of sale, terminate the rental agreement upon 10 days' written notice to the landlord. The notice shall also state that upon termination of a rental agreement, the tenant is liable for rent due under the rental agreement prorated to the effective date of the termination.

If the trustee is unable to convey title to this property for any reason, the sole remedy of the purchaser is the return of the deposit. Reasons of such inability to convey include, but are not limited to, the filing of a bankruptcy petition prior to the confirmation of the sale and reinstatement of the loan without the knowledge of the trustee. If the validity of the sale is challenged by any party, the trustee, in their sole discretion, if they believe the challenge to have merit, may request the court to declare the sale to be void and return the deposit. The purchaser will have no further remedy.

NOTICE OF FORECLOSURE SALE
NORTH CAROLINA, DAVIE COUNTY

Under and by virtue of a Power of Sale contained in certain Deed of Trust executed by Michael S. Wright and Sandra T. Wright to Rob V. Budnitz, Trustee(s), which was dated May 23, 2008 and recorded on May 23, 2008 in Book 663 at Page 451, Davie County Registry, North Carolina.

Default having been made by the said Dede of Trust and the undersigned, Trustee Services of Carolina, LLC, having been substituted as Trustee in said Deed of Trust, and the holder of the note evidencing said Deed of Trust be foreclosed, the undersigned Substitute Trustee will offer for sale at the courthouse door of the county courthouse where the property is located, or the usual place of public sale, the following described property situated in Davie County, North Carolina, to wit:

ALL of Lot 19 of Springdale Subdivision as set forth in Plat Book 5, pages 141 and 142, Davie County Registry, which reference is hereby made for a more particular description.

Sale and except any releases, debts of release or priority claims, the property is commonly known as 180 Ginny Lane, Advance, NC 27006.

A cash deposit (no part to be checked) of five percent (5%) of the purchase price, or Seven Hundred Fifty Dollars (\$750.00), whichever is greater, will be required at the time of the sale. Following the expiration of the statutory upset bid period, all the remaining amounts are immediately due and owing. THIRD PARTY PURCHASERS MUST PAY THE STATE TAX AND THE RECORDING COSTS FOR THEIR DEED.

Said property to be offered pursuant to this Notice shall be sold by deed of conveyance "AS IS WHERE IS." Reading To Younger Students

William R. Davie Elementary Student Council members enjoy reading to preschool, kindergarten and first grade for Easter. They took turns dressing up in the Easter bunny outfit.

North Davie Middle School band members are recognized by the board of education.

Work ...

Continued From Page D1
 was chosen out of thousands who volunteer with the program, and her "little" said Ruff deserves the award because she is always there for her, helping her with decisions and giving her advice and that she loves spending time with Ruff. Ruff and her little have been together for five years.

Stanley, the office manager/receptionist at the school's central office, has been with the school system almost nine years and has been installed as the 2015-16 state secretary for the NC

Association of Educational Office Professionals. Stanley has served at the district level as vice president and president, has chaired several committees and was recognized in 2008 as being the top recruiter at the state level.

Smink said Stanley is the only Davie schools office professional to have earned the distinction of being named a certified educational office employee, which happened in 2010.

Andrew Jimeson, band director, said these students auditioned along with nearly 1,000 others from high schools and were selected to perform in the 2015 All District Band.

Grades 9 and 10 Symphonic Band: Avery Boudreau, 19th chair, clarinet; Bryson Penley, second chair, trumpet (eligible for All-State); Caleb Lanning, second chair, trombone (eligible for All-State); and Micah Carroll, first chair, string bass (eligible for All-State).

Grades 9-12 Concert Band: Chelsea Strange, fourth chair, clarinet; Bryn Howard, fifth chair, clarinet; Seth Jones, first chair, euphonium; and Austin Lowery, first chair, tuba.

Named to the DHS All-State Honors Band was tenth grader Caleb Lanning, who auditioned among the best band students across the state and was selected as the fourth best trombone player in the ninth and 10th grade symphonic band, said Jimeson. He will perform at the UNC-Greensboro NC All-State Honors Band clinic in early May.

Jimeson said the Davie High Wind Ensemble made history March 17, when they became the first band from the county to ever receive a superior rating at the NC Music Performance Assessment, performing level six music. "That is the most difficult music written for bands, and many college and university band programs perform at that level," Jimeson said.

Cornatzer Elementary students Daniela and Luna Diaz Botello at the Youth Art Month student show at the Brock Gallery in Mocksville.

Students Preparing For Arts Festival

The Davie County facility will be involved with student performances, bands, choruses, and dance, plus hands-on art activities spreading throughout art classrooms and gyms.

It is a free afternoon of fun, from 1-5.

Matthew, Hudson and Megan Pope talk about their journey with daughter, Madi, and the medical device a doctor designed to save her life. - Photo by Sam Cassidy

Life Saver Doctor Designs Device For Newborn

By Beth Cassidy
 Enterprise Record

It is a small world, after all. And that was pretty evident at Wake Forest Baptist Medical Center last week.

Megan and Matthew Pope got to meet the man who manufactured a device that would help one of their children live, and that man, Todd Cassidy, got to meet the baby many call a miracle.

When the Popes and their son Hudson, of Advance, found out Hudson was going to be a big brother, they naturally started making plans. What would they call the

baby? What would the nursery look like? Would it be a boy or girl? As the pregnancy progressed, they became more excited to meet the newest Pope.

But about 10 weeks before Madi was born, the couple found out something was wrong.

Matthew said initially they believed she had a condition called esophageal atresia, meaning her esophagus (the tube that carries food and liquids to the stomach) wasn't developed and connected to her stomach. Plans were made for a C-section delivery that would include a team of

doctors and nurses to care for Madi's condition.

But shortly after Madi was born last June 26, it was discovered she had a rare congenital defect of the larynx (voice box), trachea (windpipe) and esophagus. The condition is called a laryngotracheoesophageal cleft, meaning there is a gap between the upper airway passage and the food passage that could allow food or liquid to get into the airway and cause damage to the lungs.

It is a potentially fatal condition and required immediate surgery. To help her breathe during surgery, a double plastic

tube was needed to keep her airways open. But that tube didn't exist.

So her surgeon, Adele Evans, a pediatric otolaryngologist, who admits she was thinking about Madi "all the time," sat at her kitchen table and devised her own. Using three tubes, she placed two smaller tubes into the larger one, sealed it with glue, and used that as a guide to make another one the next day that she kept sterile until it could be used in Madi during her first surgery.

During the surgery, the tube

Two Charged With Break-Ins

By Mike Barnhardt
 Enterprise Record

Monday, April 20 was a busy day for the Davie County Sheriff's Department.

Break-ins were being reported all across the county. Then they got a break. Someone saw a break-in and called it in - with a detailed description of the vehicle.

Deputies spotted a vehicle matching the description on NC 801 near the Creekwood subdivision. They attempted a stop - but the vehicle kept going.

The suspects drove onto I-40 and led officers on a chase that reached 115 mph. The suspect vehicle left I-40 at Farmington Road, went north on Farmington Road and stopped in front of North Davie Middle School. The school was put on lockdown.

Sheriff's Chief J.D. Hartman said there was never any

Advance Blogger At Meeting With President

By Beth Cassidy
 Enterprise Record

ADVANCE - A woman here recently got the opportunity of a lifetime, as she was invited to a town hall meeting with President Barack Obama.

Abbie Sancrant is a blogger, and is part of the BlogHer network. Sancrant started her blog, "All That Makes You," in 2012 and her stories range from the hilarious (taking her twins for their first haircut and finding out the barber has prosthetic fingers) to the heart-wrenching (losing her mom when she was 19) to the thought-provoking (the gay marriage amendment).

When she started her blog, (she tells this story punctuated

by a great deal of laughter) she tried to keep it a secret from her breast-doctor husband Jim, but he found out. She expected his disapproval but ended up getting a thumbs-up from him.

"Blogging is scary," she said, "like dumping out your underwear drawer onto the table at a dinner party."

Her stories have been on CNN and in Redbook, and she says it was her "social media footprint" that got her invited to the meeting hosted by SheKnows Media and BlogHer in Charlotte April 15. She was among 100 NC-area SheKnows Media experts, bloggers and influencers who were invited to the tax-day event to hear Obama's budget proposal

and talk about the wage gap between genders.

But Sancrant wasn't initially invited.

In true "Abbie Gale" fashion, when she found out she wasn't on the initial guest list, she "threw a stink," then was thrilled when the invitation was extended to talk about something she knows about firsthand. Fifteen years ago, Sancrant was product development coordinator for Rocky Boots and found out a man who worked in the mailroom, "stuffing envelopes" made more money than she did.

"When I found out the topic of this town hall meeting, I

Talking About Race Without Getting Upset

For 90 minutes we talked about race. Calmly. Compassionately. And productively, I thought.

Faithful reader Alice Brown, a member of the Davie County chapter of the NAACP, had asked to meet with me, to look me up and down and make her own judgments.

Maybe that's what Starbucks' had in mind when the coffee company proposed conversations on race. What we had on Monday morning might have been even better.

I confessed to accidental racism — times when I might offend without intention. The heart may have good intentions but the head might have a screw loose. There are times when I don't know what might offend Mrs. Brown.

We talked about old times — back when the Enterprise-Record published "Colored News." That was an age ago.

We talked about President Obama. I don't agree with him politically, but I must confess that he's an excellent father, husband and example. He seems fun. I'd like to shoot hoops with him or drink a beer. But I've always voted for the other guy and would again.

I would like to sit around the bar with President George W. Bush and President Bill Clinton. But not Hillary Clinton. That may prove to be her undoing: She seems to be no fun.

We talked about perceptions of the newspaper in the black community. We talked about the editorial cartoons — an item that frequently offends both liberals and conservatives.

I'd like to meet with a few arch conservatives and liberals and tell them not to be afraid of conflicting ideas. Read The New York Times and Human Events. Accept the concept that you may not have all the facts yet.

It was a morning well spent.

Wallets Galore

Forbidden fruit is the sweetest. Adam and Eve were the first witnesses to that truth. Young grandson Sam, 4, is the more recent example.

While visiting us from Illinois at Easter, he spent a week trying to talk me out of my wallet, finally turning to religion, telling me God teaches us to share.

At church on Easter Sunday, a nice lady asked if I had finally given the child my wallet.

I didn't and may have earned a reputation as the worst tightwad in America.

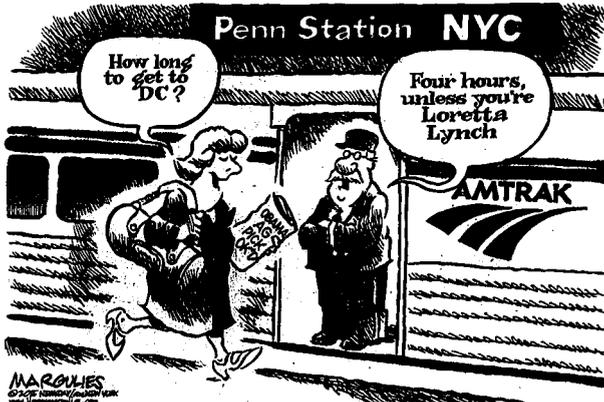

Nearly everyone else gave the lad a wallet. He returned home with five.

His grandparents Carter and Brenda Robertson both gave him their wallets. His cousin, J.T. Bumgarner, gave him a sports wallet. At the Bixby Presbyterian Church pancake breakfast, Jeanette Cook gave him a wallet almost identical to mine.

He wanted to trade for mine. Finally, Jean Dinkins of Clemmons, one of the local leaders of the Daughters of the American Revolution, came to the office with a wallet for that poor child.

Her wallet gift is so nice I may keep it and give him mine. But my reputation would sink below tightwad to low-down skunk.

- Dwight Sparks

In The Mail ...

Religious Freedom Under Attack

To the editor:

Religious freedom is under attack. It's under attack not just in the Middle East, but here in North Carolina. You may recall the recent firestorm of controversy caused when Indiana passed a bill, signed into law by Gov. Mike Pence. The bill was designed to protect the rights of those with deeply held religious convictions from being forced to violate their beliefs by providing services to homosexuals with whom they choose not to do business.

Let us forget, freedom of religion is a fundamental human right, and the primary reason our nation was founded. Our founding fathers tried to insure the government would never violate that right by spelling it out in the 1st Amendment to the US Constitution, which states in part: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof..." Please note there are two constraints mentioned, and both are on the government and not on the people concerning their beliefs and the right to exercise those beliefs.

Some may try to argue that individuals are not an "establishment of religion" (a church), but they would be wrong. The church is not the brick and mortar building on the street corner, nor is it merely an organization one joins. The church is a living organism (the body of Christ) that one must be born into by faith in Christ. Those who make up this family of born-again followers of Christ are the true church. Therefore, the government has no lawful authority to tell those who make up the church that they can believe whatever they want, but they just can't freely exercise those beliefs.

Since a federal judge appointed by President Obama in 2011 overturned North Carolina's marriage amendment act, there have been several clerks of court in North Carolina who were forced to decide between issuing a marriage license to homosexuals or lose their jobs. They chose to be obedient to God and resign their positions, rather than violate their convictions. May God bless them for their decision, but they should never have been forced to make that decision. The government has no more legal authority to force Christians to accept homosexuality and provide services to them, than they have to force homosexuals

Build A Great High School, Not An OK One

To the editor:

Why should anyone be shocked when the contract was bid for the new Davie High School?

Who is naive enough to think that prices won't change over time, especially two years?

We had architect plans that were two years old, and the county commissioners in power at that time delayed the voting at least a year. Was there lack of competence from both parties in the process? Without question.

The architect recently said that he guessed wrong, but why was there not an inflation factor added to the original price? Maybe the architect and his company should pay some of the difference?

Why did the county commissioners not incorporate an inflation factor when they put it up to vote and why did they delay the vote so long? Maybe they should contribute some additional funds?

The bottom line is that we don't want an "economy-bare bones" version of a high school with no football field, less technology availability and second rate other items. Don't need a Cadillac necessarily, but we want a fully-functional school that is equal to the best around today and saves energy. This school has to work well into the 21st century and needs certain facilities and outfitting to do that.

Build us a great high school not just an OK one.

Don Witte
Advance

to attend Sunday worship at a Bible-believing church and provide financial support and services to that church.

As a nation, we seem to have forgotten that the Word of God has, from the beginning, condemned homosexuality in the Old and New Testaments. But for the first time in our nation's history, the Democratic Party placed in their 1984 Party Platform the inclusion of "sexual orientation" (homosexuality) as a protected right. This so-called protected right to homosexual activity does not come from the US Constitution, but from the 1984 Democratic Party Platform. What started out as a request for society to tolerate this "alternate lifestyle" has turned into a demand for acceptance, and if one chooses not to accept it they can be fined, penalized and persecuted. Our founders never intended the US Constitution to be twisted into a document that protects perverted lifestyles. However, the Democratic Party has succeeded in turning a long-standing moral conviction, held by the church for centuries, into a political football for the purpose of gaining votes from the homosexual lobby.

The North Carolina state legislature was drafting legislation to protect religion freedom, but Gov. McCrory stated that he would not sign it, so it was tabled. He's afraid the same thing will happen here that happened in Indiana, and he doesn't have the stomach for the fight. He needs to be reminded who elected him, and who will keep him in office, if he is reelected. This battle is not going away. It is not just a political battle. It's a spiritual battle that is manifesting itself in the political arena. If you cherish your freedom of religion please call your representatives and Gov. McCrory, and urge them to protect religion freedom in North Carolina.

I have never found in the Bible where God judged a nation because they didn't have the right social programs, the right welfare programs, the right health care programs, the right economic policy, the right environmental policy, etc. However, you will find repeated cases where God brought destruction upon nations because of their blatant immorality and rebellion against Him.

If you are someone who struggles with same sex attraction, please know that every human being struggles with sin of some type. That's why God's Word says: "all have sinned and fall short of the glory of God". He also tells us; "the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord". God also promises that those who repent of their sin (turn away from it) He will forgive and welcome into His Kingdom. Jesus said; "... the one who comes unto Me, I will in no wise cast out". I urge you to please consider the claims of Christ, and where you will spend eternity. One would have to be blind not to recognize this world, including America, is rushing toward troubling times. Get ready.

For those who may take offense to my letter I would ask you to please consider the plight of homosexuals under radical Islam, if Sharia law ever replaces the freedom of religion we have under the US Constitution. The Christians you are so intolerant of now, only want to see you repent of your sin and be saved. Muslims, under Sharia law, only want to see you dead. It is time to recognize who has your best interest in mind.

Letters Welcome

The Enterprise Record welcomes letters from its readers on topics of local, state, national or international issues. An effort will be made to print all letters, provided they are not libelous, vulgar or in poor taste. The editor reserves the right to edit letters for grammar and for space.

All letters should include the name and address of the writer, including a signature. A telephone number, not to be published, is also requested. Please have letters in the newspaper office no later than 4 p.m. Monday of the week to be published. Davie County Enterprise Record P.O. Box, 99, Mocksville, davie3@centurylink.net.

'Educate' BOE Members

To the editor:

I graduated Davie County High School in 1974. The teachers then taught us \$1 million is more than 55 million.

In 2015, is this formula still true? Hope our BOE (board of education) ain't math teachers at "new" school. Editorial page said cost could be 20 percent higher. How will the BOE figure this formula, 20% of \$5 million less or more than 55 million?

Could our BOE members be "educated" higher than their "learning." Go figure. Go taxes.

Randy Miller
Mocksville

Small Changes Count

To the editor:

In honor of Earth Day last week, I am writing to the public reminding us of the importance of using alternative energy. Alternative energy is a source of power that stems away from fossil fuels, instead using more renewable natural resources.

We need this because our current energy sources are harmful to the environment, as well as being nonrenewable. Traditionally, the majority of energy produced is generated through burning of fossil fuels. This is bad because they emit excess carbon dioxide, which breaks through the ozone layer in our atmosphere. This is commonly known as global warming.

Right now, we are depleting our natural resources at a rapid rate, and need to tap into different energy sources. Some leading examples are using solar, geothermal, wind, and hydropower. The goal is to replace these harmful and quickly declining fossil fuels with same or even better performance, while not emitting carbon dioxide into the Earth's atmosphere.

The sun is the most obvious place to start. It's a constant source of heat and light supplied everywhere on Earth. With solar power, we produce absolutely no pollution whatsoever. Think about lighting your walkways or gardens with clean, solar-powered lights. A simple, easy, and smart way to make a change. On a bigger level, you could even invest in solar panels to power your home or business. Another key type of alternative energy is wind power. The world has taken advantage of wind for thousands of years. Wind farms uses gigantic turbines to produce power. These windmill farms are growing globally and are one of the cleanest and safest ways to produce energy.

Another way to get alternative energy is through Earth's natural processes called geothermal power. Geothermal energy is a cost-effective type of renewable energy. It requires no fuel, making it immune to fuel cost fluctuations. Hydropower is energy produced from falling water onto a turbine. All of these, and more, are common ways that people are finding cleaner and safer energy. These tactics may sound foreign to you, but it's used every day all over the planet.

Even something as small as getting a solar-powered watch could make a difference.

Crossover Crunch Continues

By Julia C. Howard
NC House of Representatives

The crossover crunch in Raleigh continued as committee sessions over the hearing of dozens of bills and House sessions lasted late into the night. The major news I would like to share is the passage of my UNC Fixed Tuition Bill to the Senate, the US Supreme Court's ruling on Alabama's district maps, and the passage of strong Pro-Life legislation.

Early this week, the US Supreme Court (SCOTUS) ruled that Alabama's latest redistricting maps were unconstitutional in that they relied too heavily on certain racial demographic data. As a result, SCOTUS then remanded North Carolina's latest district maps back to the NC Supreme Court for a second look. This was a procedural and expected result. Whenever SCOTUS rules what is considered a intervening decision in a matter, related Supreme Court decisions are remanded to state supreme courts in order for those courts to submit a reaction opinion. We are confident that North Carolina's maps will not be affected by the Alabama decision because they hinge on entirely different legal issues and sections of the Voter Rights Act. We expect the NC Supreme Court to reach the same decision it has in the past and that SCOTUS will affirm that decision.

I am proud to report that five of my bills have crossed over to the Senate. I am eager to continue work on several other pieces of significant in preparation of the crossover deadline and the coming budget process.

As long as federal courts uphold the ruling that the decision to get an abortion is a constitutional right, citizens of each state are only able to pass legislation that would regulate abortion practices, specifically to ensure that the procedure is safe and that the significant, life-changing decision to get an abortion is seriously considered. This past Thursday, four other prominent female legislators presented HB 465 on the House floor for its first vote in our chamber. The bill would require certain demographic information be reported to DHHS by abortion providers. More importantly, the bill would require that "informed consent," which is legally required to receive an abortion, be defined by a 72-hour waiting period, which is an increase from 24 hours.

The female legislators who drafted this bill argued that 72 hours is the minimum amount of time during which someone might reasonably consider such a decision. This belief was echoed during the public comment period the bill received in the Committee on Health, during which many medical professionals and even women who previously chose received abortions spoke in favor of the bill. I was proud to vote in favor of this bill on Thursday, and will be proud to support it on Monday when it receives its final vote in the House. The bill will then be sent to the Senate for further action before being submitted to the governor for his signature before it becomes law.

Should you have any concerns, do not hesitate to contact me. Legislative Office: 919-733-5904; Mockville Office, 751-8567; E-Mail: Julia.Howard@ncleg.net.

Members of the Davie County business community gather at the Bermuda Run campus of Wake Forest Baptist Health - Davie Medical Center to discuss how to improve the health of their employees.

How Can We Help? Medical Center Reaches Out To Businesses

By Les Gura
Wake Forest Baptist
HealthWire

About 50 people, many in the Davie County business community, turned out April 16 at the Bermuda Run campus of Wake Forest Baptist Health-Davie Medical Center to talk about how to improve the health of their employees.

The goal of the event, Davie Medical Center President Chad Brown said, was to hold a "catalyst of discussion" of what types of health programs Davie Medical Center can offer employees to address the acute care needs of employees and as a result, help prevent chronic disease.

Dr. Brian Nicks, chief medical officer of Davie Medical Center, said that Davie County has a legacy of good community medical care.

"The capacity of this facility, the vision many of you had so many years ago, comes down to recognizing the value of health," Nicks said. "With health in the community comes growth."

Nicks and Dr. Matt Cline, medical director of

Bermuda Run's emergency department, noted the many specialists with offices at Davie Medical Center offer medical services many smaller communities do not have, including orthopedics, cardiology, neurology and ophthalmology.

These services are offered to businesses through Wake Forest Baptist Health Occupational Medicine. The director of that program, Ken Bush, MPAS, PA-C, ATC, attended to learn from business representatives.

The Occupational Medicine unit helps businesses tailor plans to promote the health and wellness of employees. For some companies in Mocksville, such as Ingersoll-Rand - a manufacturer of precision machine components - the plan includes a Wake Forest Baptist nurse on site full-time to meet the health needs of employees.

Other companies might arrange for on-site office hours with a designated nurse or health care practitioner, or seek a specific program for employees.

A typical occupational health need includes injuries on the job which can be

Beth Stanley, (left) Davie Medical Center nurse manager, and Ken Bush, occupational medicine program director, at the April 16 event on the Bermuda Run campus.

reated through Wake Forest Baptist Health's urgent care facility in Mocksville or Davie Medical Center's emergency department in Bermuda Run. Orthopaedic care and physical therapy are two other typical occupational health needs.

Bush noted, however, that businesses increasingly want a healthier work force, and seek programs that promote long-term health and reduce risk of obesity, diabetes and cardiovascular disease.

"We're excited to work with our business leaders, helping our businesses thrive and being a partner with you and your employees as well," Brown said.

"We can bring in additional resources to enhance the health and wellness of employees through different types of education, rehabilitation and screening programs," said Bush.

Brown noted that these programs will be part of the Bermuda Run campus as the medical center grows along with Davie County.

Blogger ...

Continued From Page 1 really wanted to be there. I get the struggle where you do the same job as a man but make less," she said.

Some of the statistics Santrant gathered: women make, on average, 78 cents for every dollar a man makes. Women of color are paid even less, from 54 to 65 cents for every dollar a man makes.

At the current rate of change, that gap will not close for another 124 years. This creates a \$490 billion per year deficit in the rate of pay or 22 percent less tax dollars spent.

While the beginning of the meeting was geared toward Obama's budget plans and the wage gap, after a teacher said she believed the key to economic growth and ending poverty is education, the topic quickly turned toward teacher pay. Santrant said she was surprised when Obama shared his knowledge of where the state falls in terms of salaries for teachers, and since topics of minimum wage and affordable childcare options are of interest to her, so much so that the questions she submitted prior to the meeting were about that, she was happy when the talk turned toward those

Abbie Santrant: "When you come to North Carolina, and you want to talk about women's issues and economics, it's hard not to talk about education and teacher pay."

- Photo by Robin Snow

areas.

"When you come to North Carolina, and you want to talk about women's issues and economics, it's hard not to talk about education and teacher pay. These are not partisan issues. Families have to be able to make a livable wage, and the minimum wage needs to be raised in order to help young families afford better childcare options. There are so many families with the mom staying home because it would cost more to put a

child in day care than she would make," she said.

The meeting created a buzz in the Santrant household, with Abbie blogging about the experience and her three boys clamoring for pictures she took of the Secret Service. She will use the experience as fodder for future stories, because she knows how crucial a hashtag and a post can be.

"People need to understand we can make change from here," she said, pointing to the table in front of

her. "We don't have to be Raleigh. We can be in the car rider line, because all we need is this (holding up her phone) to tweet or email or post our representatives. A letter, they will never see, but a tweet or post, if they don't see it, their PR people will, and they will get the message."

"On my blog, I can tell funny stories or make people laugh, but when I can write something that makes people think or causes action, that's something really amazing."

Life ...

Continued From Page 1 worked, but another, more involved surgery was scheduled for September. For that surgery, because Madi had grown and her condition had become more complex, another tube, a professionally manufactured one, was needed. Evans reached out to the product innovation division at WFUBMC, and Dr. Mohammad Albanna, chief biomedical engineer in product innovation, in turn reached out to a local company, Cathtek.

"We make thousands of devices a year that are used all over the country, but it's a rarity that I get to have such an immediate, personal impact, and so close to home," he said. At the time, he had no idea the baby he was making the device for lived in the same county where he was born and raised, just miles away from his Farmington home. He just knew he needed to act fast. And he did. The new device was in Evans' hands in less than two days, and in Madi shortly after. Just over two weeks after that, Madi's surgery was a success, and she was able to breathe on her own afterward. After nearly six months in the hospital, Madi was able to go home, in time for

Cathtek owner Todd Cassidy talks with Dr. Mohammad Albanna. - Photo by Sam Cassidy

Christmas. Cassidy said it is not common for a medical device to be manufactured and utilized in such rapid succession. "A device like this could take two years and

several million dollars to go to market, with testing, validations, and approval from the Food and Drug Administration. But we were allowed to do this as a custom device for a procedure. As a doctor might write a prescription for this medication, there was a prescription generated for this device. Fortunately, while this had to be done rapidly and in a very specific need, it was not a very complex device to make," he said.

The event April 17 brought together the Pops, Evans, Albanna, Cassidy, and Ken Russell, WFUBMC's director of medical device development. Hudson, 6, got to miss school at Shady Grove, to meet the folks who helped his little sister. With a smile that made his dimples look even bigger than they are, Hudson sat quietly, holding Madi's hand and talking to her. Megan said he's a great big brother. While they aren't sure what the long-term prognosis will be for Madi, in the short term, they hope

she will be off the ventilator that is helping maintain the pressure her bronchus needs to stay open. After that, hopefully her tracheotomy tube, which Cassidy modified for her use, can be removed, and when she is a little older, she should be caught up. A physical therapist and a nurse visit the home, but Megan and Matt are the main caregivers for Madi. While it can be exhausting, they have friends and a church family from New Life Baptist who have helped with meals and prayers.

"And then, there is that man who humbly says, 'All I did was make a tube.' He stood near Madi as her family and Dr. Evans were interviewed by several news stations, smiling at Madi's snoring as she slept in her mother's arms. When asked later if it was true he made the device for free and why, Cassidy simply said, "Yes, because I wanted to help the patient, and charging for it just didn't seem like a priority. My biggest concern was for Megan was needed more at a good outcome."

District Court

The following cases were disposed of during Davie District Court. Presiding: Judge Mary F. Covington. Prosecuting: Wendy Terry and Sheri Woodyard, assistant DAs.

- Richard A. Atkinson, driving while license revoked DWI revocation, sentenced to 60 days, cost; failure to wear seat belt, dismissed per plea.

- Rustyn Darrell Barber, simple possession schedule VI controlled substance, possession of drug paraphernalia, deferred prosecution, one year supervised probation, 24 hours community service, submit to random testing for drugs, TASC program.

- Stephanie Lynn Brown, possession of marijuana up to one-half ounce, possession of drug paraphernalia, dismissed per plea; littering not more than 15 pounds, cost, \$472.50 attorney fee.

- Doris Estrada-Cardona, no license, reduced to failure to notify DMV of address change, cost, not operate vehicle until licensed, 120 days, 50 hours community service, stay away from Wal Mart, TASC program, corrective behavior classes, \$200, cost.

- Ashley C. Coble, shoplifting concealment of goods, \$50, cost, do not be on property of Dollar General.

- Roger Dale Coltrane, assault on a female, sentenced to 150 days, suspended 18 months, 23 days jail credit, complete anger management classes, corrective behavior classes, not assault/threaten/harass victim, remain of good behavior, cost, \$170 attorney fee.

- Anna C. Noyola-Cruz, felony aid and abet felony breaking and entering, reduced to misdemeanor aid and abet breaking/entering, felony attempted breaking or entering a building, reduced to misdemeanor attempted breaking/entering a building, sentenced to 45 days, suspended 18 months, 100 hours community service, not commit similar offense, not associate with co-defendant, TASC program, corrective behavior classes, cost; possession of drug paraphernalia, possession of stolen goods/property, dismissed per plea.

- Aaron Dewayne Felder, shoplifting concealment of goods, dismissed; simple affray, misdemeanor larceny, sentenced to 120 days, suspended 18 months, 50 hours community service, stay away from Wal Mart, TASC program, corrective behavior classes, \$200, cost, attorney fee, \$50 restitution per plea; misdemeanor larceny, sentenced to 120

days at expiration of previous sentence, seven days active, not be on the property of Sheetz, remain of good behavior, cost; DWI, sentenced to 60 days, suspended 12 months, 24 hours community service, surrender driver's license, not operate vehicle until licensed, obtain substance abuse assessment/treatment, \$100, cost; reckless driving to endanger, resisting public officer, dismissed. Appealed.

- Joshua Fouse, simple worthless check, dismissed.

- Brendan R. Gillespie, speeding 84 in a 70, dismissed per plea; driving while license revoked DWI revocation, prayer for judgment continued, cost, do not operate vehicle until licensed, attorney fee.

- Jesse M. Gonzalez, possession of drug paraphernalia, sentenced to time served, evidence ordered destroyed, cost.

- Justin Greson, violation of court order, dismissed.

- Judy Lester Harding, obtaining property by false pretense, conspiracy to obtain property by false pretense, dismissed.

- Dustin G. Jankowski, driving while license revoked not DWI, dismissed per plea; giving fictitious information to officer, sentenced to time served.

- Carma Cheryl Jurney, shoplifting concealment of goods, sentenced to 15 days, suspended 12 months, 25 hours community service, do not be on property of Wal Mart, TASC program, cost.

- Tristan Scott Kilby, driving while license revoked not DWI, possession of marijuana up to one-half ounce, simple possession schedule IV controlled substance, dismissed per plea; possession of drug paraphernalia, sentenced to 45 days, cost, \$225 attorney fee, evidence ordered destroyed; simple possession schedule II controlled substance, sentenced to 45 days, cost.

- Brooke Ann Markland, driving after consuming under age 21, speeding 57 in a 35, two counts failure to comply with license restrictions, speeding 69 in a 55, failure to reduce speed, dismissed.

- Felton Lee Mayfield, misdemeanor probation violation out of county, probation extended one year, \$115 attorney fee.

- Kenneth Jacob Meuten, assault and battery, dismissed.

- Luis Julian Mochtezuma, possession of drug paraphernalia, possession of stolen goods/property, injury to personal property, dismissed per plea; two counts felony attempted breaking or entering a building, reduced to two counts misdemeanor attempted breaking/entering a building, sentenced to 30 days suspended 18 months, 50 hours community service, TASC program, corrective behavior classes, have no contact with victims, do not associate with co-defendant, cost.

- Anthony Jared Pittman, two counts driving while license revoked not DWI, dismissed, corrected.

- Marissa Jade Plageman, driving after consuming under age 21, prayer for judgment continued, evidence ordered destroyed, attorney fee; possession of drug paraphernalia, dismissed per plea.

- Kenneth D. Rivers, DWI, sentenced to one year, suspended 18 months, 7 days active, surrender license, not operate vehicle until licensed, credit for substance abuse assessment/complete treatment, \$800, cost; failure to comply with license restrictions, speeding 60 in a 45, dismissed per plea.

- Crystal Deann Rowland, second degree trespass, sentenced to time served, not be on premises of Wal Mart, cost.

- Sydney Gayle Shultz, second degree trespass, dismissed per plea.

- John Richard Theurer, driving while license revoked DWI revocation, prayer for judgment continued, \$220 attorney fee, \$20 install fee.

- Tekia Sade Torrence, two counts allowing dog to run at night, \$100, cost.

- Julio Cesar Torres, driving while license revoked not DWI revocation, \$50, cost, not operate vehicle until licensed.

- Jeffrey Holyfield White, possession of alcoholic beverage without a permit, dismissed.

- Failure to Appear

- James B. Dickinson, expired registration.
- Garrett Kyle Holcombe, misdemeanor larceny.
- Tonia Mason, simple worthless check.
- Haden McKinley Smith, felony larceny.
- Amanda Elliott Walsler, misdemeanor larceny, breaking and/or entering, larceny after breaking/entering.

Continued From Page 1 danger to students, as the SRO at the school was monitoring the chase, and Highway Patrol officers were there when the vehicle was stopped.

Officers found property in the vehicles that had been reported stolen. It has since been returned to the owners.

Alonzo Leroy Smith, 28, of Winston-Salem, was charged with felony flee to elude arrest, failure to heed blue lights and siren, driving while license revoked, reckless driving to endanger, speeding, two counts of breaking and entering, two counts of felony larceny, and possession of stolen property. He was taken into custody in lieu of a \$10,000 bond.

Officers also served a warrant on Smith, from Forsyth County, for failing to appear in court.

Nathaniel Neal Flowers, 23, of Winston-Salem, was charged with two counts of breaking and entering and two counts felony larceny and possession of stolen property. He was taken into custody in lieu of a \$50,000 bond.

Flowers had nine felony and four misdemeanor warrants from Yadkin County related to break-ins, and five from Forsyth County for running from police. He was wanted by the state for probation violations.

Hartman said officers haven't been able to determine if the two are responsible for any other break-ins in Davie.

The description of the vehicle broke the case, and Hartman said residents can help by looking out for their neighbors, and getting as many details as possible on suspicious activity.

Mocksville Police

The following are from Mocksville Police Department reports.

The larceny of clothes and bed sheets from Walmart was reported April 23.

The larceny of an iPhone 6 at the YMCA.

The larceny of Xanax from a residence on Windson Road was reported April 22.

The larceny of a TV, computer, cable box and baseball cards from a residence on Windson Road was reported April 22.

A domestic disturbance was reported April 21 at a residence on Windson Road.

Arrests
- Crystal Deanna Tilley Harris, 39, of Windson Road, was charged April 21 with assault. Trial date: May 4.

- Andrew Davis Harris, 38, of Windson Road, was charged April 21 with assault. Trial date: May 14.

- Brandon Lee Phillips, 21, of Yadkinville Road, was charged April 21 with probation violation, assault on a female and communicating threats. Trial date: June 4.

- Andrew Davis Harris, 38, of Windson Road, was charged April 22 with two counts of probation violation.

- Derrick Tray Stanley, 30, of Lexington, was charged April 23 with filing a false police report and obstructing an officer. Trial date: May 28.

- Justice William Childress, 18, of Windy Trail, was charged April 25 with possession of marijuana, possession of Clearazote and two counts of possession of drug paraphernalia. Trial date: May 14.

- Natalie Ruth Rathford, 31, of Valdese, was charged April 24 on warrants from Wake County. Trial date: May 18.

- Billy Joe Nelson Jr., 24, of Hillside St., charged April 23 with assault and violation of conditions of release. Trial date: June 4.

Traffic Accidents

- No charges were filed

after a wreck on South Main Street at 8:31 a.m. April 16.

Danielle Renee Privat, 18, of Bear Creek Church Road, failed to yield right of way and turned a 2001 Hyundai into the path of a 2004 Mazda driven by Christina Marie Butero, 23, of South Main Street, reported Officer K.L. Hurley.

No charges were filed after a wreck on Yadkinville Road at 3:15 p.m. April 22.

Mae Campbell Peebles, 65, of US 64 West, failed to stop the 1973 Chevrolet she was driving before it struck a 1999 Toyota driven by Ruby Christine Howell, 66, of Lexington, reported Officer Chris Heiner.

A teen was cited for failing to reduce speed after a wreck on US 64 East at 5 p.m. April 24.

Briani Marie Culp, 19, of Windy Creek Road, failed to stop the 2005 Nissan she was driving before it struck the rear of a 2001 Jeep driven by John Joseph Treier, 44, of East Depot Street, reported Officer J.R. Kirkman.

No charges were filed after a wreck on Valley Road at 3:59 p.m. April 24.

Michael Dean Collier, 37, of Oak Tree Drive, failed to stop the 2006 Chevrolet he was driving before it struck the rear of a 2001 GMC driven by Fountaine Yvonne Woods, 49, of NC 801 South, reported Officer Joey Reynolds.

A Mocksville woman was cited for driving without a license and failing to reduce speed after a wreck on South Salisbury Street at 5:03 a.m. April 26.

Arcelci Gama Antunes, 20, of US 601 South, failed to stop the 2003 Honda she was driving before it struck the rear of a 2012 Toyota driven by Timothy Faris Shinault, 33, of US 601 South, reported Officer K.L. Hurley.

Correction

It was incorrectly reported April 9 that Tracey Brooke Brown, 23, of Powell Road, was driving a vehicle that hit the rear of another. She was driving the car that was hit in the rear.

A Vietnam veteran who said he suffers from Post Traumatic Stress Disorder (PTSD) and who has been in and out of prison for the past 26 years will spend the next nine years in prison.

Allen Wayne Wall, 64, of Winston-Salem, admitted on the witness stand last week in Davie Superior Court he was angry with an ex-girlfriend and displayed that anger when he broke into her car and shop Sept. 16, 2013. He said he had strong feelings toward her during their relationship.

Deborah Oliver painted a different picture of the time she spent with Wall.

During her testimony, Oliver said she felt sorry for Wall, his girlfriend, Kelly Kinnaman, and her two children when she visited them to live in her home, because they had no where else to go.

"My heart went out to them and I allowed them to stay with me for a short period of time, twice," Oliver testified.

Wall did odd jobs for her, painting, hanging sheetrock, gardening, and other things around her Advance home.

But there was "a difference of opinion" and Oliver asked him to leave, which he did. Wall and Kinnaman left behind some furniture, which was in a carport under a tarp, and Oliver had the locks to the house and shop changed.

Around 3 p.m. that Monday, Oliver had been away from the home but came back and saw Wall in the carport. When he saw her, she testified, he charged at her with something in his hand, possibly a box cutter, and she fled in her car. She went to the Advance Fire Department and called the police, and "about 20 minutes later, Deputy James Merritt met with her there to take her statement. He told Oliver to stay there and he went to the home.

"I saw a car in the carport with the door open, and when I looked inside, I could see the ignition housing had been removed, and some wires had been pulled out. It was clear someone had attempted to hotwire the car (a 1982 Datsun 280ZX)," Merritt testified.

He said inside the car, he could see a drill, a cordless telephone and a flashlight with the light shining on the car's ignition area. Once he realized it was still on the property, walking toward the woodline and evading contact with him, he called for backup and Wall was placed in handcuffs.

An inspection of the home and adjacent shop showed a broken door jamb, broken window and locks that had been pried away,

Merritt said. Oliver testified she went to the home while Wall was still there in handcuffs, and Merritt asked her if Wall was supposed to be doing work on her restored Datsun. She said no.

"The inside (of the car) was torn all to pieces, wires hanging down and tools everywhere. I'd just gotten the car back after having it restored," Oliver said.

Looking at a picture of the interior of the car that was presented as evidence, Oliver described what she was seeing, and pointed out there were candy bar wrappers on the passenger seat. She told the jury she had no idea what they were doing there, and Wall piped up from beside his attorney, "I was hungry."

On cross examination, Oliver told Wade Leonard, Wall's attorney, "I am very disappointed. He broke into my home, he broke into my shop, he broke into my car."

Leonard asked, "Do you know for a fact he broke into your home?" Oliver said no.

Leonard asked, "Do you know for a fact he broke into your car or your shop?" Oliver said no.

Wall testified he enlisted in the Marine Corps and went to Vietnam in 1968. Two tours of duty later, he came home to be spit on and called baby killer, he said.

"I thought I was crazy when I got back from Nam. I lost respect for the government and anyone in authority. I started having dreams and self-medicating, and I made some bad judgments. I stayed in the penitentiary because I could deal with those people," he said, his voice breaking.

Oliver, who he called "Janie," wrote to him when he was in prison and helped him get out.

"She called my lawyer in South Carolina, and my lawyer thought she was a lawyer, that's how smart she is," Wall testified.

When he got out of prison in 2010, Kinnaman was in jail, and he and Oliver started a relationship.

"I fell in love with her. I'm not gonna lie. We had this thing on Aisle 15 of Lowes Home Improvement," he said.

When Kinnaman got out of jail, Wall moved back in with her in Jamestown. He said Oliver had loaned him her Ford Expedition, but on Sept. 16, she took it back, and that angered him because he'd taken children to school that morning and with no vehicle, he would not be able to get them home in the afternoon. He hitchhiked to her home, where, he admitted, he took the ignition housing off because

he needed a way to pick the children up from school. He also said he broke a window in the shop, taking a drill that he said belonged to him, and the telephone was already outside the home when he got there.

"I wasn't there to steal or break anything. It took the police over 20 minutes to get there. I would have run if I was doing anything wrong. We had a relationship, and it got blown out of proportion. There's no way in the world I would have hurt that woman and she knows it. My mama raised me to respect ladies, old people, and young 'uns."

On cross examination, Wall told Rob Taylor, assistant district attorney, he didn't intend to steal the car, he broke the wood around the home's screen door accidentally, he never entered the home, and the phone was in the car because he'd been using it to call Oliver.

During closing arguments, Leonard spoke extensively about the likely effect Vietnam had on Wall, saying his judgment was affected, and he probably would have not resorted to a life of crime if he was not suffering from those years in combat.

"Around 22 vets every day kill themselves. It's a God-awful shame. It's a crime," Leonard said.

Calling Wall a "stand-up" guy and a man of courage who received numerous medals, including the Cross of Gallantry for his service, Leonard said Wall's "Nam hangover" has finally started to subside, because in November 2014, he was able to get help at the Veterans Administration.

"This guy's had a hard life," Leonard told the jury. "Fighting him 'not guilty' is one of the things we can do to repay him for some of his sacrifice. I'm asking 'all to stand by this man."

Taylor told the jury Leonard's closing argument was "basically an appeal for your sympathy...Your job is to determine the facts of this case. The only person in this courtroom who has a right to show sympathy is the jury (pointing to Judge Anna Wagner). She alone sits in judgment and determines the sentence. Then, PTSD might be relevant. Then his prior criminal history might be relevant. But your job is to render a fair and impartial verdict."

Taylor said no matter what Wall's issues, everyone is expected to live by the rules, and he had no right to be on Oliver's property that day.

"He has to pay the consequences for what he did," Taylor concluded.

The jury deliberated

about an hour before finding Wall guilty of felony breaking/entering a motor vehicle, not guilty of breaking/entering and larceny after breaking/entering related to the home, and guilty of felony breaking/entering and larceny related to the shop. He entered a guilty plea on the habitual felon charge.

Arguing for a stringent sentence, Taylor said a person "has to work pretty darn hard to acquire the status of habitual felon."

Wall's previous convictions for multiple DWI, larceny, cocaine and other convictions earned him a status of habitual felon in 2004, for which he went to prison. Taylor said in the space of about a year after his release, Wall received multiple charges on at least three separate events, and each time he got locked up, he posted bond, only to commit another crime. This was his second habitual felon charge.

Wall has the right to make sure the citizens of Davie County are protected. I'm asking you to sentence him to every day you can," Taylor said to Wagner.

Leonard countered, "I certainly appreciate the DA's enthusiasm. These felonies didn't happen overnight. This man has no judgment. He is 100 percent disabled, and most of the problems occurred before he finally got to the VA and got help. Maybe by now, I still have hope for him."

Wall told Wagner he wasn't the man he used to be, that the medication and therapy sessions he received at the VA had changed him. He begged Wagner to let him finish at the VA, saying there were more drugs he prescribed than the amount he was given, and being in prison did him no good. Wagner told him because of his habitual felon status, she was unable to let him serve out a sentence through the VA. She sentenced him to 110 to 144 months in prison, giving him credit for 276 days. She recommended he receive all the treatment possible in prison for his PTSD and for substance abuse, and said he is to continue to receive whatever medication he is on while he is in prison. He was ordered to have no contact with Oliver.

He has pending charges in Davidson and Davie counties.

Wagner told him good luck, adding, "I hope you do well. Unfortunately, you seem to be someone who does better in a structured environment than out in the world."

Wall showed no emotion when being led from the courtroom.

Sharon Chaffin, Sarah Boyd, Major Sampson, Glenda Smith are part of NAMI's peer to peer program.

Locals Trained In Peer Counseling

On April 12, Sharon Chaffin from Mocksville completed NAMI's (National Alliance on Mental Illness) Peer-to-Peer program in Durham.

Glenda Smith from Mocksville was an assistant to trainers Sarah Boyd from Salisbury and Major Sampson from Asheboro. NAMI Peer-to-Peer is a free, 10-session educational program for adults with mental illness who are looking to better understand their condition and journey toward recovery.

Taught by a trained team of NAMI peer mentors (people who've been there), the program includes presentations, discussion, interactive exercises, and stress-management techniques. Everything is confidential, and NAMI never recommends a specific medical therapy or treatment approach.

Peer-to-Peer participants experience compassion and reinforcement from people who relate to their experiences and have the opportunity to help others grow. This is a confidential place to learn from shared experiences in an environment of sincere, uncritical acceptance.

Peer-to-Peer helps:

- provide the opportunity for shared experiences and mutual support;
- gain further insight into mental health and illnesses;
- learn coping skills to aid with difficult circumstances;
- create a personalized relapse prevention plan;
- learn how to interact with health care providers;
- become an active participant in one's treatment plan;
- develop confidence for making decisions and reducing stress;
- stay up-to-date on mental health research;
- understand the impact of symptoms on one's life;
- achieve balance in life, (e.g., relaxation and productivity);
- access practical resources on how to maintain one's journey toward recovery;
- experience new hope in regard to recovery; and
- inspire recuperation and success in life.

"NAMI emphasizes that recovery is a journey, and there is hope for all people living with mental illness. Peer-to-Peer and other NAMI programs support that belief," Smith said.

Chaffin and Smith are planning to offer Peer-to-Peer training in Davie and Forsyth counties. Contact Smith at conner@glenda@gmail.com for more information and future notifications.

NAMI's website is <http://www.nami.org>.

Grand Jury Issues Indictments

The following were indicted by a Davie County Grand Jury during the April 20 session of Superior Court.

- Roderick Osbourne Alexander, failure to appear.

- Jonathan Ray Ayers, felony larceny, felony possession of stolen goods.

- Jason Lee Church, breaking/entering, assault by pointing a gun, false imprisonment, possession of firearm by a convicted felon, two counts misdemeanor larceny.

- Samantha Tuttle Crawford, attempted obstruction of justice.

- Toramarc Antonio Graham, failure to appear, habitual felon.

- Alexander James Harvey, fleeing to elude arrest with vehicle, speeding, reckless driving to endanger.

- Alma May Hinson, felony breaking/entering, larceny pursuant to breaking/entering.

- Mason White Hyde, principal acting in concert.

- Darren Lynn Johnson, failure to appear.

- William Thomas Johnson III, failure to appear.

- Mark Daquan Jones, driving while license revoked not DWI revocation, possession with intent to manufacture/sell/deliver marijuana, carrying a concealed gun, possession of more than one-half ounce but less than one and one-half ounce of marijuana.

- Christopher O'Brian Perkins, failure to report new address - sex offender, failure to inform of new/changes to online identifier.

- Justin Paul Potts, felony breaking/entering, larceny pursuant to breaking/entering.

- Anthony Ausbon Price Sr., common law robbery, first degree burglary, assault on a female.

- Victor Ramon Garcia-Segovia, larceny of a dog.

- Bryant Keith Stephens Jr., possession with intent to manufacture/sell/deliver marijuana, possession of drug paraphernalia, resisting public officer.

- Emmmanuel Eric Sturdivant, failure to appear.

- Michael Keith Sulter, two counts felony breaking/entering to terrorize, attempted larceny pursuant to breaking/entering.

- Herbert Wesley Tatum, habitual felon, assault by strangulation, assault on a female, injury to personal property.

- Donald Wilson, workers' compensation fraud.

County Planners To Discuss Rezoning Request

There will be a meeting Smith Grove Methodist Church has applied to the Davie County Planning Board on Tuesday, April 28 at 6 p.m. in the second floor commissioner's room of the Davie County Administration Building, 123 S. Main St., Mocksville. The property is on the south side of John Crotts Road and is a portion of Davie County Tax Map First Methodist and parcel J50000001004.

Two Are Facing Sex Charges

Two young men have been arrested on un-related sex charges by the Davie County Sheriff's Department.

Mickey Roseman Jr., 20, of Statesville, was charged with rape of a 10-year-old child. He was taken into custody in lieu of a \$100,000 bond, pending an April 30 appearance in Davie District Court.

Davie Sheriff's Chief J.D. Hartman said the incident occurred last summer.

Quintin Darga, 19, of Gumtree Court, Mocksville, was charged April 22 with eight counts of statutory rape and eight counts of using indecent liberties with a minor. He was taken into custody in lieu of a \$75,000 bond, pending an April 30 appearance in Davie District Court.

Hartman said his office was notified on March 26 that a 13-year-old had left home. She was later located at Darga's residence, and the investigation revealed more details of the crime.

A Davie High baseball player helps.

United Way Heads Food Drive

Davie United Way held a Day of Caring project which required the help of many volunteers, companies, and organizations.

On this special day, United Way and more than 120

volunteers packaged 40,000 fortified mac and cheese meals that were boxed and made ready for pick up by local agencies serving Davie County's hungry.

The sponsors of this project were Rotary Club of Mocksville, Bank of the Carolinas, employees of Town of Mocksville, DavieLife, Flow BMW/Mini, VF Jeanswear, DavieLife Challenge participants, Jimmy the Greek Restaurant, and Morgan & Parker Builders. These sponsors raised \$6,000 towards the \$10,000 needed to finance this event.

The volunteer groups that made it all possible to get the work done: Davie Group Home, VF Jeans, Rotary Club of Mocksville, Church of the Ascension, Jr. Civitans from the Early College, South Davie Middle and Davie High schools, Davie High School baseball players, Davie High School football players, SunTrust Bank, Park and Rec staff, Corinthian Lodge 17, Mocksville Chivan Club, Walmart and individual volunteers.

At noon the meals were ready to be picked up by

the following organizations: Storehouse for Jesus, Church of the Ascension, Just Hope, Book Bags of Hope, Summer Food Bags, and Hillsdale Methodist Heavenly Food Bags.

Everyone involved worked very hard but had a wonderful time and many said they want to help when

United Way hosts another meal packaging event," said Melinda Beauchamp, executive officer. You can still help. The cost of putting on this event is \$10,000. That's only .25 a meal but it adds up to \$10,000, said pledges via the DavieLife Challenge as soon as possible.

This girl is happy to help.

Sports

Williford, Dove Win CPC Titles

By Brian Pitts
Davie Enterprise Record

Juniors Avery Williford and Hannah Dove enjoyed a moment in the sun in last week's Central Piedmont Conference championship meet at Reagan.

Williford of the Davie boys swept first in the hurdles events, while Dove of the Davie girls captured the discus for the second time in her high-school career.

The top-two finishers in the individuals events earned all-CPC status.

Williford, who began running hurdles as a North Davie seventh grader under coach Don Tabat, claimed the 110 hurdles and 300 hurdles to become a rare double winner for Davie in the league's main event.

He traces his ascension in those events to his days as an understudy to Caleb Mathis, who was the CPC champ in the 110 hurdles in 2013, when Mathis turned in a time of 15.16. Mathis went on to finish sixth in the state.

"I learned a lot from Caleb when I was a freshman," Williford said. "He really helped me out that first year, and I've just excelled from there. I've been pretty competitive, but this is the first year that I've been winning."

The only times Williford has not finished first in both events were the season-opening meet against Ashe County and the large meet at Ashley High in Wilmington. He finished in the top five in both hurdles at Ashley.

"My times have been getting better and better this whole year, and I did feel confident that I would be the top competitor (in the CPC)," he said.

In the 110 hurdles, Williford completed it in a personal-record 15.32 seconds to nip a 15.43 runner from Reynolds.

"A really good runner from Reynolds definitely came to compete that day, the same as I," he

said. "But I managed to beat him by just a little."

For good measure, Williford turned in another personal record in the 300 hurdles, his 40.95 time beating the runner-up from Tabor by more than two seconds (43.11).

"I was extremely excited about that (40.95)," he said. "That was a big accomplishment for me. That really surprised me because earlier in the season I was running 43s, and that's what all the second- and third-place finishers ran. But I just had a really good start. I stayed smooth the entire way and I finished the strongest that I've ever done. So I was amazed at how well my performance was."

Dove is no stranger to CPC titles.

She won the discus as a freshman with a 90-foot, three-inch performance. She slipped to third in 2014 despite a 93-9, but she returned to the top with a 92-2 that easily outdistanced the runner-up (85-1).

It was just a typical outing for Dove, who has not lost in the discus all season. Last year she finished fourth in the regional at 107 and 12th in the state at 88-2.

"It was a good way to start finishing out the season," Dove said.

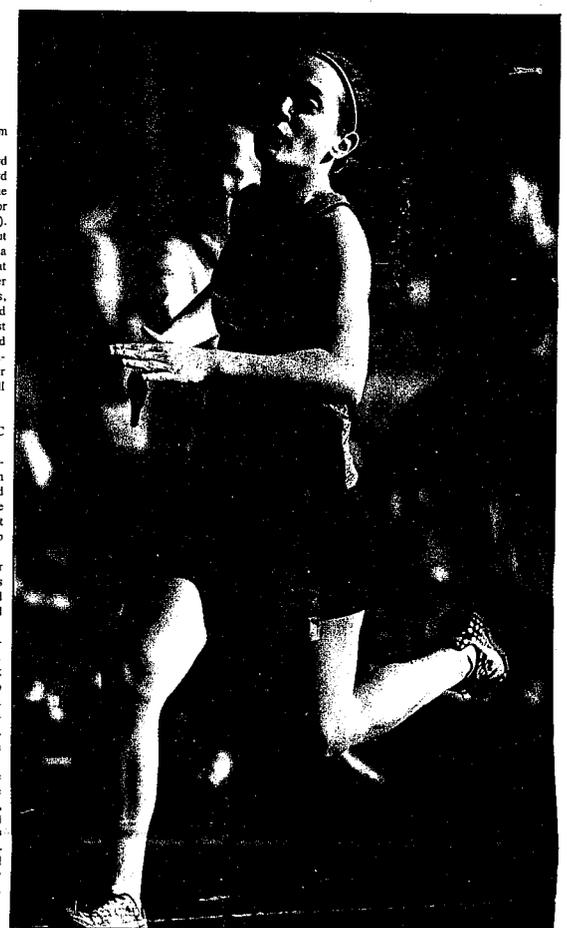

Dove added to her scrapbook in the shot put, finishing second to earn all-CPC honors in two events. She threw the shot 30 feet, 10 inches to beat a 33-1 from West Forsyth. She was also second in the shot in 2014, when she went 30 feet.

"I was confident I would place pretty well, but there were a couple new girls that I hadn't seen before, so I wasn't really sure how I would do against them," she said. "It was one of my better throws this season.

It wasn't one of my best through all of high school, but it was definitely one of my better ones this season. So I felt alright about it."

The Midwest Regional is May 2

Unbeaten Tiger Softball Escapes Ellis

South Davie's softball team was trying to end an eight-game losing streak to Ellis, but things looked bleak for the visiting Tigers when Ellis had the bases loaded with one out in a 3-3 game in the bottom of the fifth and final inning.

It was a fullcount. "Things weren't looking real good," South coach Tim Kenney said.

South escaped the jam as Rachel Bostic got a strikeout followed by an infield popup. The unbeaten Tigers were finally able to shake free from the pesky Jaguars, winning 8-5 in six innings.

"It's nice to have a solid defense and a good pitcher when that happens," Kenney said. "That got us out of the inning."

Ellis scored one in the fifth to

force an extra inning. South broke it open with a five-run sixth. Bostic knocked in two of the five. Ellis answered with two in its half of the sixth, but it wasn't nearly enough to avoid a 1-3 record.

Bostic went all six innings in the circle, striking out eight and helping South win on a day when it scored a season-low run total. Sydney Wyatt had two RBIs as South beat Ellis for the first time since a 9-3 decision in 2009. Ellis dominated the 2014 meetings 12-0 and 7-1.

Ellis erased South's 3-0 lead as it got multiple hits from Shea Woody (3 for 3, two doubles), Caitlyn Sechrist (2-3, triples) and Abby Chilton (2-3).

"We had a couple critical errors, two-out errors, that resulted in runs

when we should have been out of the inning," Kenney said. "We missed a couple signs on the basepaths that resulted in bad plays."

Sydney Smith kept Ellis in the game by pitching effectively for 5.1 innings.

"Their starting pitcher has improved a ton," Kenney said. "I give a lot of kudos to Ellis because they played us very well."

Ellis coach Shannon Wood loved the Jaguars' effort in the upset bid.

"We played well," she said. "Smith pitched great after the first couple of batters. She found her groove and was throwing strikes. We had little mistakes that hurt us, but overall we played great."

The second game of the double-

header was all South as the Tigers rolled 12-0 in three mercy-rule innings.

Bostic had three RBIs and Wyatt went 2 for 2 with three RBIs as South scored 10 runs in the bottom of the first. Bostic pitched all three innings, allowing two hits and striking out four.

The Tigers recovered from an awful start at Central Wilkes, winning 17-6 to run their record to 6-0. They've outscored opponents 87-15.

Three hits and a South throwing error to help Central take a 6-0 lead in the first. South's bats came alive in the second and Central had no answer. Abby Whitaker (four hits), Easton Johnson (four hits, two RBIs), Carley Green (three

hits, three RBIs), Bostic (three hits, two RBIs) led the onslaught.

Bostic was magnificent in relief, allowing one hit in 5.1 innings and striking out eight. She retired 14 of 16 batters.

This season has been a revival for South. The Tigers have the most wins in five years (7-9 in 2009), and they've clinched the first winning season in nine years (7-4 in 2005 under coach Mike McDougall).

South's top batting averages belong to Wyatt (.765), Johnson (.733), Whitaker (.727), Bostic (.583), Green (.538) and Foster (.462).

North Davie's unbeaten record

Please See Escapes - Page B2

Softball Win Streak At 7

By Brian Pitts
Davie Enterprise Record

A blowout win over a 7-10 North Irrell team would have been sexy, but a team bidding for a share of the Central Piedmont Conference championship is measured best when it faces adverse conditions. At different points in circumstances that would otherwise sink you.

In some ways, North was facing Davie at a good time. The War Eagles were coming off a program-validating week in which they stunned West Forsyth and North Davidson on back-to-back nights. The wins over a pair of state-ranked powers gave them a jolt they have long craved.

But it also set them up for an

emotional letdown. The 3-A Raiders led 2-0 and 3-2 before Davie gritted out a 4-3 home victory.

"As a coaching staff, we have to keep reminding ourselves of how young we are," coach Dawn Lowery said. "Sarah Myers is our only senior. As great of a leader as she is, we still don't have a group of seniors that have been through the fire and know how to respond in tough situations. We are relying a lot on sophomores and freshmen to do the job that most teams have seniors taking the lead on. Don't get me wrong - Sarah's doing her job. She's leading the team. But there is a huge difference between one senior and five seniors. The ability for us to have the same level of intensity and focus for every opponent will come with age.

"But we can't use our youth

Coach Brian Murphy and members of the Cornatzer Running Club who participated in the Extra Mile 5K.

Cornatzer Runners in Extra Mile 5K

The Cornatzer Running Club had a strong showing in the 4th Annual Extra Mile 5K Saturday, April 18 with 15 runners ranging from kindergarten to 5th grade. "Students did exceptionally well, even with time

off from Spring Break and the many changes in their preparation due to inclement weather in February," said Brian Murphy, coach. Three of the students placed in their age groups, Hadley Perry finished sec-

ond in girls 6-under, Jacob Perry finished third in boys 7-10 and Isaac Webb finished third in boys 11-14. The following students finished the 3.1 mile course: Hadley Perry (K), Jack Bogger (1st), Oliver Perry, Ry-

der Strickland (2nd), Kera Williams and Austin Beay (3rd), Kyzzer Young, Jacob Perry, Brandon Hernandez and Jay Niland (4th) and Isaac Webb, Mark Metcalf, Wesley Metcalf, Tim Nelson and Nic Vance (5th)

Azar, Keaton Shut Down Starmount

North Davie's baseball team rode the lights-out pitching of Anthony Azar and Grayson Keaton to a 3-0 home win over Starmount.

The Wildcats improved to 8-1 despite matching their fewest runs in a game all season (they came in averaging 13.6). It marked the closest margin in a victory this season.

Azar, a seventh grader, ran his record to 3-0 by working 5.1 innings and holding the Rams to five hits. Keaton earned the save, giving up no hits in 1.2 innings. They teamed up for North's first shutout win in 17 games, dating to a 10-0 decision over South Davie in the 2014 opener. "We played defense and

able to locate his fastball. He rode that the entire game." The Wildcats notched their seventh straight win at home over Lexington, 12-2 in five innings.

Aaron Williams (3 for 3, two RBIs), Hunter Bowles (3-3, two RBIs) and Matt King (3-3) led the 10-hit attack.

"Bowles continued to be a fire-starter at the top of the order," Brooks said. "King is really finding his groove. He's a strong kid and he really stays on top of the ball."

Justin Chaffin, who struck out eight in four innings, and Keaton, who fanned two in the fifth, combined on a three-hitter. "Chaffin was dominant," he said. "He didn't have his best command, but he was

Continued From Page B1 at Dudley, Willford is seeking his first state appearance. Dove will be bidding for her second.

"I haven't looked at the competitors' times," Willford said. "I know there is going to be a lot of good competition there. All I can do is run the best and fastest times that I can manage, so that's what I'm going to do. I want to PR everyday."

"I'm hoping to be at least top four so I can go to states," Dove said. "I'm not really too worried. I've been working and I think I'll do fine."

Willford 4:29.71.

Although Simmons was eighth in the 3200, he ran a school-record 10:13.29. The old record belonged to David Mossman (10:16.87 in 2012).

Notes: Davie's girls placed fifth out of seven teams. The scores: Parkland 183.5, West Forsyth 142, Reagon 114, Mt. Tabor 101, Davie 74.5, Reynolds 52 and North Davidson 29. ... The Davie boys finished sixth among the 10 schools. The scores: West 168.5, Tabor 104.5, Reagon 103, Reynolds 98.5, North 92, Davie 67.5 and Parkland 63.

Senior George Mitchell of Davie's boys reached all-conference by taking second in the triple jump. He went 42-5 to a North Davidson guy's 42-10.5.

Junior Nick Simmons was third in the 1600 with a time of 4:33.21. The winner from Mt. Tabor went

Escapes ...

Continued From Page B1 "This game would have been ended in stinging fashion, an 8-7 loss at Chestnut Grove in which the Wildcats blew a pair of three-run leads.

North led 3-0 and 7-4 before slipping to 3-1.

In the Chestnut Grove fifth, it scored three runs with two outs to force a tie to 7-7. Two batters got two-strike hits.

It was 7-7 going into the bottom of the seventh. With two outs, the clinching run scored on an error. It was the sixth error of the game behind complete-game pitcher Avery Parrish.

"We missed routine fly balls and three grounders that caused runs to score," coach Jamie Lysterly said.

North got two hits from Aisulu Ball, Parrish and Kayli Murphy. Parrish tripled and Murphy rapped two doubles. Morgan Athey and Desiree Lewis had one hit each.

North suffered a second loss at home to Starmount, 6-3.

The Wildcats led 1-0 before finding themselves in a 6-1 hole. They only managed four hits while striking out 11 times. Parrish struck out eight Rams in a losing cause. Abbey Custer, Parrish, Murphy and Athey had North's hits.

"We had more fielding errors and more mental errors - and not enough hits," Lysterly said.

Free Clinic On Heads Up Tackling May 16

Kids & Pros Heads Up Football will put on a free football clinic on May 16 from 2-5 p.m. at War Eagle Stadium for ages 6-13. Kids, parents, youth coaches and middle-school coaches are encouraged to attend.

Register online at kidsandpros.com and there will be walk-up registration the day of the clinic.

Buddy Curry, president and USA Football Master Trainer, and the Kids & Pros staff, comprised of former NFL players, incorporate safe heads up tackling techniques and position fundamentals, along with character-based lessons. Kids & Pros will team up with Wake Forest Baptist Medical Center on May 16 at Davie High. "They teach heads up tackling," Davie County Athletics Director Barry Whitlock said. "It's tied in with the Bob Gfeller Concussion Act in North Carolina. It's led by Buddy Curry, a former NFL player that comes to our area. Our coaches will help with the drills at different stations. "We're not going to prevent every injury or every concussion. But the more steps we take and proper ways to approach the game, it will help cut down the risk of concussions. Safety is our first concern with our athletes, and anything we can do to help prevent an injury, that's what we're trying to do. We're trying to get the kids the best knowledge that's out there."

"Curry leads the heads up program, and he's got other former NFL players that come," Whitlock said. "Our coaches will help with the drills at different stations. "We're not going to prevent every injury or every concussion. But the more steps we take and proper ways to approach the game, it will help cut down the risk of concussions. Safety is our first concern with our athletes, and anything we can do to help prevent an injury, that's what we're trying to do. We're trying to get the kids the best knowledge that's out there."

"They teach our coaches the technique. They'll educate our coaches on it so they can take it back and use it at their practices."

"Also, as they're teaching the kids the fundamentals and proper technique of heads up tackling, the parents are getting educated by professionals and doctors from Baptist Hospital. The parents will get educated on the signs and symptoms of concussions, what to look for and proper fitting of equipment for their kid." Curry will be joined by Bobby Butler, another former Atlanta Falcon.

Briefs & Dates

College Softball Players From DC

Morgan Hendrix, a softball player at Wingate, made second team all-South Atlantic Conference as a freshman, and she missed winning the league's freshman-of-the-year award by one vote.

Hendrix helped the Bulldogs finish fourth in the regular season with a .351 average, 32 runs and 20 steals in 21 attempts. She led the SAC in stolen bases through the regular season.

Abby Daniels, a freshman softball player at Western Carolina, has appeared in 38 games with 28 starts, mostly as the designated hitter. She is batting .239 with 21 hits.

Davie Girls Basketball Camp For Grades 6-9

The Davie Girls Basketball Camp for rising grades six through nine will be June 15-18 from 9 a.m.-noon at the high school. The cost is \$50.

The emphasis of the camp will be on the improvement of all basic skills and will feature a low camper-to-counselor ratio. In addition to improving skills, the camp will feature contests, games and prizes all set in a fun environment, and each camper will receive a t-shirt.

Contact coach Dave Ruemennapp at coachdrue@gmail.com with any questions.

Ellis Dominates Golf Meet

Ellis won a county golf meet at Lake Louies. The Jaguars scored 191 to North Davie's 240 and South Davie's 248. Ellis' Jackson Costes and Sam Hendrix shot 45s, while teammate Will Harper had 50. North's Thomas Hurst was fourth at 51.

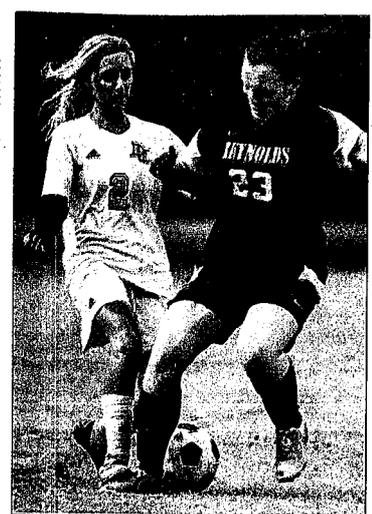

Lacrosse On Losing Streak

Davie's varsity lacrosse team (2-11, 1-10 conference) has lost five straight since a win over North Davidson. Josh Lankford and Ryan Robinson scored the only two goals during the losing streak.

The junior varsity is still winless at 0-8, but it scored a season-high five goals against West Forsyth and J.J. Hayes has been the most consistent scorer.

"Dillon Sanders (three) and Hayes (two) did the scoring against West. Hayes and Sanders scored at Reagon. Eric Rodriguez scored at home against Mt. Tabor. Hayes scored at Tabor. And Hayes had all three goals at home against Reynolds, with Chase Sullivan assisting one.

"Our JV played their best game of the year," assistant coach Scott Landy said of the 8-3 loss to Reynolds. "We can't wait to see what we have next year."

Davie Soccer Denied By RJR Keeper

The struggles continued for Davie's varsity and junior varsity soccer teams last week.

The varsity was dismal in a 6-1 home loss to Reagon. Faith Bokeno had the goal, scoring off a free kick by Melani Anderson.

"We were clearly not playing up to our ability," coach Kerstin Steinour said. "Reagon came to play and it showed."

The War Eagles played much better at Reynolds, although the 2-1 final did not bear fruit. The first meeting resulted in the same score.

"It was like watching a completely different team (than the Reagon game)," Steinour said. "We were a little sluggish in the first half, but we really stepped up our game in the second half."

The Demons (6-9 overall, 4-4 Central Piedmont Conference) scored at 22 and 45 minutes to take a 2-0 lead. But the War Eagles (3-10, 2-6) were competitive throughout, cutting the deficit in half at 51 minutes on a goal by Mia Byers.

"If it wasn't for Reynolds' keeper, the score would have been a lot different," Steinour said. "She made some amazing saves. We dominated most of the second half."

The coach gave a thumbs up to Brooke Hedgspeth and Claire Devereaux.

"They played up top this game and helped to really put pressure on their defense," she said. "I was proud of how our girls did. Unfortunately, we just couldn't get the ball in the goal."

While the varsity's losing streak reached five, the junior varsity remained winless in the CPC with 7-0 and 2-0 losses to Reagon and Reynolds, respectively.

"We had more fielding errors and more mental errors - and not enough hits," Lysterly said.

Junior Julie Gough pitched all seven innings in the memorable win at West Forsyth, holding the unbeaten Titans to six hits and one unearned run.

Streak ...

puts in play. And the fact she is a freshman makes her that much more valuable. She works really hard in the offseason and plays a lot of ball. If she improves next year as much as she did between the last year, she is going to wreak havoc on a lot of teams in the future."

After failing to get a hit off starter Olivia Boger in the first two innings, the Raiders jumped to a 2-0 lead in the third. A single and back-to-back doubles put Davie in the hole.

"North was a great team," Lowery said. "Their record does not do justice for their talent level. They had some solid hitters all the way through the lineup."

Davie's offense came out flat, failing to get a hit in the first three innings.

"Their pitcher was very consistent," Lowery said. "I think she is going to JUNC-Williamston. She had a lot of in-and-out movement, and it took a while for our hitters to get used to it."

Davie rallied to a tie in the fourth. Tierney led off with a single and Makenzie Smith was hit by a pitch. With runners at second and third and one out, Beck delivered a run-scoring bunt hit.

"She laid down what was supposed to be a sac bunt, but she beat it out," Lowery said.

After Parks was hit by a pitch, Brown tied it with a hard line drive to left. Beck was thrown out at home on the play, but Davie had new life at 2-2.

"This game would have been the perfect time for us to become complacent and assume that, because we had such a big week previously, we wouldn't have to work as hard," Lowery said. "We fought until the end."

A walk, double and error allowed scrappy North to

regain a 3-2 lead in the fifth. But the second Tierney hit and two North errors bailed out the War Eagles in the bottom of the fifth.

Sierra Ferguson reached on an error and Makenzie Barneycastle dropped down a sac bunt. Tierney singled and then stole second. The tying and go-ahead runs scored when North's shortstop committed a throwing error on Smith's ball.

"I was proud of our perseverance," Lowery said. "We haven't come from behind very often this season. Honestly, I think the girls came out pretty flat and underestimated the talent of North Iredell. When they came out quick on us, I think it caught us off guard and then we had to fight back."

Julie Gough, who gave up one run in two innings, wound up as the winning pitcher. Myers picked up the save by completely shutting North down in the sixth and seventh. Gough and Myers combined to retire the final eight Raiders.

"Using Myers in relief has worked really well," Lowery said. "Gough and Myers' success. If Myers is hitting her spots and the previous pitcher did her job, she becomes an enormous threat. Her offspeed and movement throws quick-hitting teams off. It's really fun to watch."

The N. Iredell game was sandwiched between mismatches that were nothing more than glorified practices for the War Eagles, who started last week with a doubleheader sweep at Reynolds.

In game one, Davie breezed 17-0 in three innings, scoring the most runs in 23 games (17-0 over Parkland last year).

Sophomore Makenzie Smith makes a diving play at second base.

Myers (2-3) and Brown (2-3, four RBIs) had four of Davie's 10 hits. Barneycastle (1-2, two RBIs) had an inside-the-park homer in which she burned the right fielder and turned on the jets.

In game two, Barneycastle (2-3), Myers (2-3, three RBIs), Beck (2-3) and Brown (2-3, two RBIs) powered a 15-0, three-inning romp.

Myers did all the pitching at Reynolds, and she was perfect in both games as Davie extended its series winning streak to 44.

Davie enjoyed batting practice at host Parkland's expense on Friday, winning 15-0 in three innings.

At 14-6 overall and 8-2 in the Central Piedmont Conference, the War Eagles have their longest winning streak (seven) in five years (they also won seven straight in 2010).

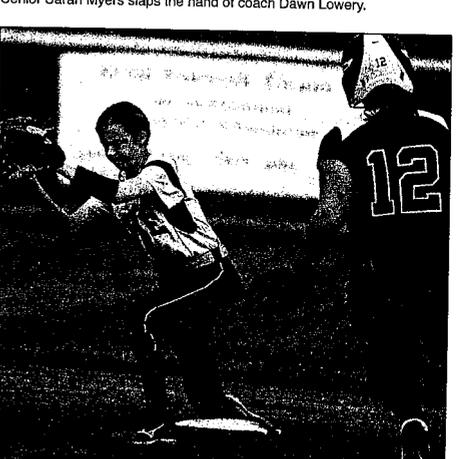

Parks (3-3, two RBIs), Smith (2-3, three RBIs), Lindsey Custer (2-3) and Gough (2-2, three RBIs) paced a 12-hit attack. Gough struck out eight and walked none while allowing two harmless hits.

Senior Sarah Myers slaps the hand of coach Dawn Lowery.

Hendren Homers In JV Softball Rout

The Davie junior varsity softball team came out like gangbusters and settled for a 13-4 nonconference win over North got on the board.

Davie pounded out eight of its nine hits in the first three innings, resulting in five runs in the first, four in the second and four in the third. It was 13-0 before North got on the board.

Bridgett Tierney (2-4, two steals), River Simpson (2-4) and Sydney Hendren (2-3, four RBIs) had multi-hit games. North lost - even though it out-homered Davie 2-1. Davie's big fly came off the bat of Hendren, who connected for a three-run shot in the second, her first homer over the fence.

"She was due. She's been

killing it in practice and in the cage," coach Morgan Wyatt said after Davie rolled to 8-3 overall. "As soon as she hit it, I knew it was gone. It was one of those like you see in the major leagues when they go to the second deck. That's how high it was hit. The center fielder ended up falling over the fence trying to catch it."

Emilee Dishman (1-3, three runs), Katelyn Webb (1-3) and Makenzie Burchette (1-4, two RBIs) added one hit each.

"Burchette had a hard line drive to the shortstop (for an out)," Wyatt said. "Everybody was hitting shots. It's not like they were little weak ground balls. The hitting, especially the first two innings, was on point."

Carly Smith cruised in the circle, throwing a complete-game four-hitter with one walk. Only one of North's runs was earned. The six-inning performance was a season high in innings for the freshman.

"You could tell Carly was getting tired, but she was able to finish for us," Wyatt said. "Since she broke her finger (in preseason), it's been tough to get her (innings). But she proved she's been working and she did really well."

Baseball Pitching Out Of Sync Against Mooresville

Colby Cranfill and Isaac Campbell had thrived all season, pitching superbly in roughly 13 games and showcasing unflappable demeanors in several low-scoring, tense contests for the War Eagle varsity baseball team.

But Davie's 1-2 punch was out of sync in last week's nonconference game against Mooresville. They both had several hiccups on the same day, resulting in a 9-5 loss.

While the Blue Devils, who are tied for first in their 4-A conference, improved to 11-6, Davie's third loss in four games dropped it to 8-8 overall.

Cranfill pitched three innings before giving way to Campbell, who worked 2.2. Mikey Smith recorded the final out.

"What killed us was we had nine walks," coach Bobby Byerly said. "First-pitch strikes weren't there. We just struggled with location. That bit us in the butt. We had four wild pitches as well. Of the nine walks, six of them scored."

"They've been so consistent all year. As a matter

of fact, they've kept us in a bunch of games. You wonder, are they starting to feel the pressure because you know that every mistake is going to be unforgivable? I know nobody's perfect. You have bad outings. Both of them are getting some looks as far as the next level."

The hits were even, 8-8, and both teams had one error. But Davie fell behind 4-0 and trailed 5-2 going into the last of the fourth. Paul Daventport's three-run homer, his first of the year, tied the game at 5 and offered hope. But Mooresville scored once in the fifth and three in the seventh to win going away.

Chris Reynolds (2 for 4) was the only War Eagle with multiple hits. Brandon Lankford (1-2), Nathan Harrell (1-3), Davenport (1-4), Craig Colbourne (1-4) and Caleb Wallace (1-4) had one each.

Heavily-favored Davie brushed aside visiting Parkland 11-1 on Friday, lifting its Central Piedmont Conference record to 4-6 with two league games left.

Everyone is heavily favored against the last-place Mustangs, who were outscored 24-2 in two games with Davie.

Perkins Shoots A 37, 38

Davie's golf team tied for second in a Central Piedmont Conference meet at Oak Valley, but the War Eagles remained in fifth place, 26 shots out of the important third spot.

The top three teams will advance to the Midwest Regional, and Davie is running out of time.

At Oak Valley, Reynolds led with an 8-over 152, followed by Reagan, Davie and Mt. Tabor at 157. West Forsyth (160), North Davidson (165) and Parkland (226) rounded out the field.

Will Perkins tied for third at 2-over 38; he was two shots back of the co-medalists. Michael Fouts and Lane Snow tied for seventh with 39s. Colby Carter and Wesley Sink had 41s.

The CPC standings: Reynolds 905, Reagan 915, Tabor 921, West 927, Davie 947, N. Davidson 1,019 and Parkland 1,413.

Earlier last week, Davie lost to Southeast Guilford by four strokes at Forest Oaks Country Club. Southeast shot 7-over 151.

Perkins was first for Davie at 1-over 37. Carter (38), Chris Carr (40) and Zach Carter (40) were the other scorers for Davie.

Hope Grows

Community Coming Together To Help Young Couple's Mission In Sudan

It started with a mission trip to Sudan while in college. And now, Billy Riddle is vowing to make a difference in the lives of the people of South Sudan, in Africa.

He's taking his wife, Allie, along with him, and their new baby, Lewis.

He founded Hope Grows. Friends and family are pitching in to help with the mission, and they need your help.

On Saturday, May 16, at Camp Mama (founded by Riddle's family off Pine Ridge Road near Coolemans), they are organizing the Hope Challenge. There will be a 5k race, a mile long obstacle course and a tug-of-war competition, along with a myriad of activities and food for children and adults.

Riddle had almost given up on helping the people of Sudan on his second trip, watching the people toil relentlessly on a church he was starting. Yet they remained in extreme poverty, oppressed by the government. Little boys were forced to be soldiers, little girls as sex slaves.

While questioning himself, he felt something on his arm. It was a toothless little girl, about 4. When he looked down and winked at her, she burst out in laughter, as did her nearby friends.

Even among all of the problems, this little girl and those around her were happy.

"I realized she doesn't need or really want the things I came to offer. I have seen so many who have exponentially more than this little toothless girl ever will have, yet have never smiled so wholly as she when she simply held my hand. I stood there with nothing

Hope Grows founder Billy Riddle (seated, with monkey on his lap) and the vice president, Darrick Foster, have fun with the locals and the Enterprise Record on a recent mission trip.

more to offer than that simple human touch.

"I had no miracle of life, no clean new well, no shiny new school, only my dirty hand," he wrote in an article for Appalachian Magazine. "As we stood there holding hands, love overcame me, the true lovebetween us in that moment conquered our plight. Love is the ultimate value of life. And that is all she ever wanted."

"May God bless that little toothless girl who taught me the value of love. And may our dirty hands meet again one day where love is abundant," he said.

With a story such as this, there is no wonder friends want to help. Allie Riddle is a nurse and plans to work in a hospital there, Billy plans to teach people how to best use the resources they have, training missionaries there in agriculture and community development.

The SK is the first event on May 16, starting at 8 a.m. The tug-of-war and obstacle course starts at 9:30. There is a registration fee for each event, with all money going to Hope Grows.

There will be a free child's obstacle course for those age 10 and under.

Throughout the day, there will be hamburgers and hotdogs, fries, onion rings and Cheerwine products for sale. The Brad Ratledge Band will provide music. T-shirts will be available.

Visit www.hopegrowsinternational.org to register or learn more about the mission.

Teresa Bivins, one of the organizers of the event, is passionate about the cause, talking about how the people of Sudan cared for Billy when he contracted malaria.

He wants to repay not only them, but the world, with the love that they taught him," she said. "After returning to school he founded Hope Grows to promote holistic development and justice, and to effectively alleviate poverty around the world."

Billy and Allie met while students at Appalachian. He was speaking about his trip to Sudan and she was touched. They married in 2012 and their first child was born Feb. 1. They hope to live in Wadupe, Sudan full time by next year.

Davie NAACP Mother of the Year Anissa Rivers-Scott is surrounded by her family.

Selma Suiter, Anissa Rivers-Scott and Annie Campbell are the top winners in the Mother of the Year fundraiser.

Anissa Rivers-Scott NAACP Mother Of The Year

Friday, April 24, at 7 p.m., the Davie NAACP held the yearly Mother of the Year (MOY) Coronation Banquet at the Davie County Public Library Auditorium.

The contest began in 1955 as a way to help NAACP branches register delegates at the NAACP National Convention. It has evolved as a way to recognize women for community involvement and their service to the NAACP.

The Rev. Andrew Brown of Mocksville was the guest speaker. Brown spoke on the purposes of the MOY which is to enhance the leadership of women, to serve

The Rev. Andrew Brown speaks at the NAACP Mother of the Year banquet.

as an advocacy vehicle for social, economic, political, educational, health welfare issues affecting women and children while supporting the on-going work of the NAACP.

Anissa Rivers-Scott, (Mainville AME Zion Church), was announced the winner of the Davie Branch of NAACP Mother of the Year Annual Award. The first runner-up was Selma Suiter (St. John AME Zion Church) followed by Annie Campbell (Shiloh Baptist Church), Second Presbyterian, Cedar Grove Baptist and Piney Grove United Methodist churches also made contributions to the

fundraiser.

Scott is eligible to go on to the N.C. NAACP competition for the 60th annual

Mother of the Year coronation in the state and from there the winner will travel to the national NAACP

competition. Betty Clement, Alice Brown, Louise Owens, Barbara Seawright, Priscilla Williams and Marcia Porter served as 2015 program coordinator- for this year's event.

Daisy and Wayne Hardy celebrate their 60th wedding anniversary.

Hardy Couple Celebrates 60th Wedding Anniversary

Wayne Hardy and Daisy Howard Hardy of Cloister Drive in Mocksville celebrated their 60th wedding anniversary on April 22. They were married April 22, 1955 in Chesterfield, S.C. They have three children, Vickie and Rodrick Lapham of Salisbury, Debbie London, and Wayne and Melissa Hardy, all of Mocksville. They have a granddaughter, Crystal and James Catenis of Jacksonville, Fla., and two great-grand-

Josh Rominger's smile was almost always present, here enjoying a trip to the beach with sister Jennifer and mother, Denna.

Annual Josh's Jog May 9 In Mocksville

Popular Davie teen Josh Rominger battled a rare form of cancer called Synovial Cell Sarcoma for roughly a year and a half, positively impacting lives near and far as he confronted this brutal disease. He lost that fight on April 10, 2013, but his life and the spirit in which he lived is still making a difference. To honor her brother as well as to fight against childhood cancers, Josh's sister, Jennifer Rominger, a second-year dental student, founded "Josh's Jog," which has become an annual event and raises funds for Cure-Search for Children's Cancer.

Josh's mother, Denna, along with many of his friends and family, helped to create a fun event each year that involves a 5K run or a 1.8 mile walk through Mocksville that is full of smiles and laughter, both qualities that Josh was well known for.

The fourth annual Josh's Jog will be held on Saturday, May 9 at 9 a.m. at Rich Park in Mocksville.

The event is designed to help raise awareness and research funding against childhood cancers. More information can be found at the race registration site joshjog.org. A look at Josh's battle can be found at www.caringbridge.org/visit/joshrominger.

Bill Thompson donates a copy of his novel to the library, with library director Jane McAllister and DCHGS president Linda Leonard.

Author Bill Thompson Delivers Down Home North State Talk

Author Bill Thompson regaled an appreciative audience with tales from his childhood and travels across the state and beyond to illustrate his perspective on what makes one a North Carolinian.

He capped his comments on the importance of church in North Carolina communities with a recitation of his poem, "The Benediction," and a soulful rendering of what makes one a North Carolinian.

Thompson writes the "Front Porch Stories" column for Our State Magazine, and has authored several books of essays and a novel. Thompson's visit is the best place to live."

Explorers To Retire Flags

By Abigail Allison
Club Reporter

The Explorers 4-H Club met at 6 p.m. on Monday, April 20 at Jerusalem Fire Department.

The meeting was led by Averi Wilson, president, and Hannah Wells, vice president. Chandler Carter gave the treasurer's report, and Bailly McCook gave the secretary's report.

The club prepared flags for retirement. The ceremony is scheduled for Tuesday, May 19 at 6:30 p.m.

The meeting concluded with a game of red light, green light led by Averi and Grant Wilson.

Club members plan to celebrate foods from around the world at the next meeting.

Crusaders Raising Funds For The Relay

"Crusaders 4 THE Cure" will host a holiday/hamburger supper on Sunday, May 3 at Advance United Methodist Church from 4-6 p.m.

Raffle tickets for a \$100 Lowe's Home Improvements card, and a summer wreath will be available, along with other items for sale.

All donations will go to the Davie County Relay For Life. Call 998-7370.

Calvary Yard Sale Saturday

Calvary Baptist Church WMCU will have a spring yard sale Saturday, May 2 in the fellowship hall, from 7 a.m. to 1 p.m. The church is on Davie Academy Road, Mocksville. Proceeds will help fund mission work.

Cornerstone Breakfast

On Saturday, May 2, Cornerstone Church will hold its monthly community breakfast from 7-9:30 a.m.

All-you-can-eat prices: \$6 adults, \$3 children 6-12, free for children under 6. The menu includes scrambled eggs, sausage, tenderloin, biscuits, gravy, pancakes, apples, orange juice and coffee. Tenderloin or sausage biscuits or pancakes and sausage plates will be available.

The church is at 1585 NC 801 N., Mocksville. Call 998-0600.

Tamica Robinson At Mt. Zion

Pastor Tamica L. Robinson of St. John AME Zion Church will be the guest speaker at Mt. Zion Holiness Church, Mill Street at US 64 E., Mocksville, on Sunday, May 3 at 3 p.m. Bishop James James is the pastor.

National Day Of Prayer

First Presbyterian Church of Mocksville will be open May 7 for the National Day of Prayer. Anyone wishing to visit the sanctuary is welcome. The doors of the church will be open from 7 a.m.-6:30 p.m. for prayer.

There will be a service at 6:30 to close the day.

Marie and Gene Miller and Clyde and Virginia Murray are among the oldest residents of the Pino community.

CanalPino

By Betty Etchison West
CanalPino Correspondent

Kathy Ellis honored her husband, Bob, at a birthday dinner on Sunday, April 19 in the fellowship hall of Wesley Chapel United Methodist Church. Those who joined in wishing Bob a happy birthday and who enjoyed the meal were: Nora Mae Latham, Bob's mother-in-law; Jim and Chenera Latham; Jim and Kendra Jacobs and their sons, M.J. and Stephan; Fran and Dennis Craver and their daughter, Megan; Rick and Judy Wilson; Gray and Phoebe Smith; Bo and Debbie Messick; Mona Jones; and Maricel Ellis and her son, Jayden.

March and April while the pastor, the Rev. Sara Scruggs, has been on leave. Raines was pastor of the Farmington Charge, which is made up of the Farmington and Wesley Chapel churches, in the 1980s. Wesley Chapel people were happy to see Rev. Raines and his wife and to have him in their pulpit once again. The pinoche, sausage, and egg breakfast was prepared by Kathy Ellis and Dawn and Dale Ellis.

Christie Gardner, Jesse Gentry, Andrea Brock and Mrs. Mattie Ward, who is now in Yadkin Nursing Center. Christie and Andrea are Mrs. Ward's granddaughters and Jesse Gentry is her son-in-law

and Stella Brock. Mr. Bill Angell, who lived for many years on Angell Road near Cana, has been a resident at Somerset Assisted Living in Mocksville for several years. Bill, who recently spent several days in the hospital, has now returned to Somerset, but is still not doing well. Bill, a decorated veteran of World War II, celebrated his 100th birthday a few months ago.

Gene and Marie Miller are spending days at their home in Pino after spending many years being active in their church, their community and county. Gene, when asked how they are getting along, says, "We are getting along good for people of our age. We are not in any pain." Gene and Marie are both 92 years old. Marie

always explains that their sons are taking good care of her health. deteriorated. Clyde was able to attend while Virginia was at Autuma Care. Two of Wesley Chapel's 90-year-olds were able to attend church Sunday. Vernon Dull attended with his daughter, Tina Gobble, and Nora Latham attended with her daughter, Kathy, and her son-in-law, Bob Ellis.

Belated birthday wishes to Bonnie Gunter who celebrated her 72nd on April 22. Birthday wishes go to those celebrating this week: Brian Tutterow on April 30; Eihann Holland on May 1; Candice Jordan, Elaine Beauchamp, Jimmy Bailey and Alexis Jordan on May 2; Frieda Dyson and Travis Dyson on May 3; Fred Brockway and Carroll Jordan on May 5; and Dakota Waller and Vicki Reeves on May 6. Congratulations to the following couples celebrating an anniversary: Jason and Allison Swisher on May 1 and Christopher and Michelle Wright on May 3.

If you would like an anniversary or birthday posted in this section, please do not hesitate to call or email me. The next Game Night at the Sheffield-Calahaln Community Center and Recreation Area will be Friday, May 29.

Sheffield-Calahaln VFD meetings are held each Monday night at the station at 7.

The Mud Sling at the North Iredell Training Facility, off NC 901 on Eagle Mills Road, will be held Saturday, May 30.

Kid's Night is being held each Wednesday at New Union Methodist from 6:30-8 for ages kindergarten to 12th grade. Everyone is invited.

Hotdog Saturday at New Union UMC was again a success even with the rainy weather. Thanks to everyone who came out and supported the men and women's fundraiser. The next is scheduled for May 23.

A new Bible study titled "Developing a Christian Worldview" will be held each Sunday at 5:45 p.m. at

Jessica Ritchie and Hannah Paqks with the children's museum demonstrate how to blow up a balloon with Pop Rocks candy and Cheerwine at a Harmony Public Library program. At right, Travis and Cole Turner race their balloons.

Ijames Baptist Church. Everyone is invited. Child care is provided.

A new children's ministry at Ijames Baptist will begin soon. The Youth of Ijames Baptist meet each Sunday evening at 5:45 for recreation and Bible lessons. Youth 6-12th grade are invited.

Wednesday night prayer meetings at Ijames Baptist are held each week at 7. All are invited to join us as Pastor Daniel leads in prayer and Bible Study.

Senior Bible Study at Liberty Wesleyan is held the second Tuesday of each month at 10 a.m. The next scheduled meeting is May 12. Everyone is invited.

Worship services at Community Covenant Church are held each Sunday at 10:45 a.m. and at 6 p.m. A small group Bible Study is held each Wednesday from 7-8 p.m. Everyone is invited.

Local musicians, Gaining Ground, will perform at Dobbie's Country Kitchen Friday evenings, and the New High Country Boys will be back on May 8. Melissa Gaither invites children (0-4) to Toddler Storytime each Wednesday morning from 10:30-11 at the Harmony Public Library. The children sing songs, play musical instruments, enjoy a story, do crafts and have snacks. Local author, Joy Moose will come to the library in May. Call for more information, 704-546-7086.

Amber Thurt is collecting soda can tabs for the Ronald McDonald House. She asks that you save the tabs. You can take them to her any Sunday at New Union UMC, or contact me and I'll see that she receives the tabs. You can also bring them to next game night at the SCCC on May 29. She appreciates your help with this worthy cause.

Prayer list requests continue for Madeline Laphis, Jean Reavis, J.W. Keaton,

Pastor Eric Lineberry celebrates his birthday with the help of Shirley Edwards at New Union Methodist's Hotdog Saturday.

Melvin Allred, Tom Cloer, Tom Bumgarner, Paul Beck, G.H. Goforth, Will Shepherd, Kermit Shoaf, Bryan Swain, Creola Rogers, Bonnie Gunter, Lori Dyson, Vilard Beck, Fred Roth, Bertie Stout, Dalton Edwards, Sherri Dyson, James Rich-

ardson, Johnny Naylor, Jimmy Dyson, Bill Carter, John Wallace, Lester Edwards, Jerry Ratledge, Dot Keller, Elton Wright, Brenda Beck, Donnie Gobble, Alice Absher, Bety Richardson, Eddie McDaniel, Alfrod Adams, Kenny Williams,

Wilbur Reeves, Perry Carter, Joann Ratledge, Douglas Brown, Jim Stroud, Edna Barnes, Don Austin, Donna Boger, Wayne Chamberlain and Alvin and Louise Pope. Submit items to lbr@baldwin.com no later than 9 a.m. on Monday.

Seniors enjoy bingo and fellowship hosted by the V-Point Furitans last Thursday. Arlie Absher concentrates on his bingo card as Gayle Craig calls out numbers. Before taking home their bag of prizes, everyone always enjoys refreshments.

County Line

By Shirley Thorne
County Line Correspondent

The weather this weekend is supposed to be beautiful. So, begin Saturday morning by joining the V-Point Furitans for breakfast from 6-10 a.m. at the V-Point Building on Old Mocksville Road about 3 mile from NC 901. The breakfast buffet includes country ham and sausage, scrambled eggs, grits, cornmeal mush, baked apples, biscuits, and drink. Donations will be accepted. Take-outs are available for \$7 per plate. Ham biscuits and sausage biscuits are \$1 each. All proceeds benefit the club's community projects.

After breakfast, just take a short drive down NC 901 to Davie Academy Road to Calvary Baptist Church. Take advantage of the great bargains at the church-wide yard sale from 7 a.m.-noon in the fellowship hall. Find that item you've been wanting for just pennies on the dollar. The Calvary Women on Missions are hosting the sale; all proceeds benefit the group's mission projects.

Women pause for some relaxation and pampering. Piney Grove A.M.E. Zion Church is sponsoring a "Women's Pamper and Meditation" from 10 a.m.-noon in the fellowship hall this Saturday. A salad lunch will follow. Everyone is invited.

Sunday, May 3, Piney Grove will have a "Women's Day" celebration at 3 p.m. The Rev. Kay Hines of Caldwell A.M.E. Zion Church in Mt. Moune will be the featured speaker. There will be a covered-dish dinner in the fellowship hall at 1:30. Church members invite others as they celebrate the role and importance of women.

Clarksburg United Methodist Church is hosting a community-wide "Spring Celebration" from 3-6 p.m. Sunday. Clarksburg folks invite everyone for struc-

tured games for old and young and inflatables plus a hamburger-hotdog supper at 5 p.m. Bring a friend and enjoy an afternoon of family fun, fellowship, and good eating.

The Society Baptist softball team will play at 8 p.m. Monday, May 4 at Rich Park in Mocksville. The team invites everyone to come and support them as they play.

Upcoming community events include revival services at Piney Grove May 11-14.

Our community sends get-well wishes to Ruth Greene, who was hospitalized for dehydration and is recuperating at home. Betty Lou Richardson has improved and is in rehab at Iredell Memorial Hospital. Brenda Swisher remains in rehab at Autuma Care of Mocksville. Pat Swisher remains in rehab at Autuma Care of Statesville.

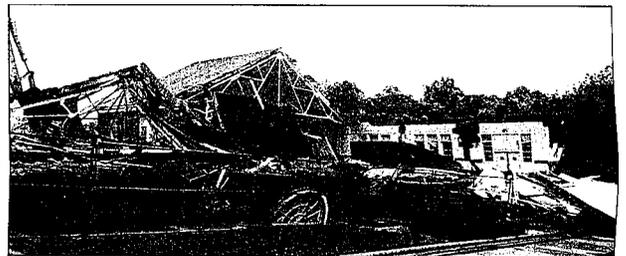

Join us in prayer for the Lord's divine healing and blessings upon Ruth, Betty Lou, David, Brenda, Pat, and others who are having health problems. Remember in prayer Dr. Frank Daniel and family; his wife Kathleen died at Trinity Oaks Lutheran Home in Salisbury.

Last week the Cool Spring building housing the high school classrooms and the combination gym/auditorium was demolished to make room for a new building. It was a sad time for many folks.

The old building was built in 1936 during the administration of Principal Blaine Madison. It included the principal's office, classrooms and library, and a combination gym/auditorium. In March the current school staff held a reception for alumni to attend and tour the building one last time. Sunday, Clarksburg folks

Last week, the old Cool Spring High classroom/gym building built in 1936 was demolished to make room for a new building. This Saturday, May 2, the Cool Spring Alumni Association will hold their annual meeting at the Unity Center, former Unity High School, at Eastside Drive and Salisbury Road in Statesville. Doors will open at 5 p.m. for visitation with schoolmates and dinner will be served at 6 p.m. Cost per person is \$12 + \$3 association dues. For more information, please call Bonnie B. Miller on 336-753-1050. The demolition photo was provided by Mandy Harrington.

George Campbell, Gary Ballard, and Coach Paul Brendle recall special sports events from their days at Cool Springs School, including those in the gym that was demolished. Gary Ballard shows Vic Ellis the athletic warmup jacket he wore in 1962-1963.

Johnny and Mary Elizabeth Thorne pause for the camera. Jerry Fox gives 94-year old Kathleen Fox McCoy, oldest living alumnus, a big hug.

June McCoy, Allen Swicegood, and Jack McLaughlin enjoy the afternoon.

Jim and Jeanette Carter Turner enjoy the refreshments.

Many folks, including former County Line students, attend recent reception for Cool Spring School alumni to tour the high school classroom/gym built in 1936 before its demolition for a new building. Jack Koonz, Linda McCoy Stikeleather, Von Bell, Bonnie Brown Miller, and Kathleen Fox McCoy share memories.

Kids Play In Nature Day Saturday In Farmington

The first Kids Play In Nature Day will be held Saturday, May 2 from 10 a.m.-3 p.m. at the Farmington Community Center.

The free event will have activities for children of all ages. Forest rangers will take children on a nature hike along the trail adjacent to the community center to teach them about how the trees provide food and habitat for animals, a beekeeper will be on hand to teach about bees, and story time will be held under the trees.

Children will have an opportunity to make and enjoy snacks and to have an art lesson provided by artist Bruce White. There will be a scavenger hunt, outdoor games, craft projects, door prizes and homemade soups, sandwiches and desserts.

While the event is free, tickets will be sold for some individual activities and the food will be for sale.

The community center is at 1723 Farmington Road. For more information, call 998-2912.

Day An Outreach Of Growing A Healthier Future

Farmington Community Center Executive Director Laura Mathis said the Kids Play In Nature event correlates with the Growing a Healthier Future (GHF) program in its second year.

The afterschool program helps children learn how to make healthy food choices, grow and prepare food they grow, and encourage them to just be children, by getting outside and playing in nature. Children also learn about animals and natural resources.

"I have been working alongside Katie Lynne Watkins, the new program director, and we have had a great year with the GHF program. We are now seeing the fruits of the hard work that has been put into the program as the kids are showing a desire to start their own gardens at home," Mathis said.

Unfortunately, she recently learned the program will not receive any funding next year. With no funds in reserve, they are scrambling to get enough paying students to keep the program

open, Mathis said.

The program runs through the school year and is open to students (schooled and home-schooled) in grades 1-5. The cost is \$10 per day or \$40 per week. This past year, Mathis said, they were able to find scholarships for some of the children to attend at no cost and they are looking for scholarships for the 2015-16 school year. Individuals or companies who would like to sponsor a child, or folks wanting to enroll their child can contact Mathis at 998-2912.

The program is unique, Mathis said, because of the many ways it reaches and nurtures the children, through gardening, healthy snacks, time spent outdoors playing and exploring, and the teamwork it encourages as students participate in activities. Mathis was recently contacted by the author of a children's book who heard about the program and wanted to explore the possibility of introducing the program into the southern New Jersey area.

For The Birds

The Advance Garden Club met on April 14 at Hillsdale Baptist Church. Karen Daugherty, Master Gardener and birder, spoke on backyard birds. She provided expert advice on caring for birds from supplemental feeding and appropriate bird baths to attracting birds with plants and flowers. Her presentation included birds with their songs from the Purple Martin to the Chickadees. She also had an informative display of in-depth bird books, feeders, and photos.

C-L ...

Continued From Page C5 As our pictures show, many former students including County Liners attended.

It was the first time I had been in the building since the first year after graduating. Much had changed. The principal's office seemed to be a storage room, ice cream box in the gym corner was gone, mahogany-stained board wainscot in the hall and gym was painted white, the green wood bleachers were replaced with folding metal ones, the corner water fountain outside was gone, etc.

But, oh ... the memories: hard fought basketball games, especially with fierce rival Troutman High; line-ups for ice cream cones, sandwiches, and Popsicles after lunch; gathering with friends in the gym and on the steps outside for some clowning around; changing clothes in those smelly locker rooms in the basement after P.E.; theme-decorated junior-senior proms; and alumni dinners from the mid-1950s thru 2014.

Then there were the formal occasions when chairs were put down and the gym area sparkled as an auditorium with the stage at one

end: senior plays, eighth grade and 12th grade commencement exercises, etc.

Perhaps the most attended event each year was the "Harvest Festival" fundraiser held each Tuesday night before Thanksgiving. With a few bleachers in the middle for folks to sit, the walls

of the gym were lined with booths for fishing, dunking, raffles, cake-walking, etc. But, the grand finale was the entrance of the queens from each class and the crowning of the primary, grammar, and high school division queens. County Line was well represented through the

years with Lynda S. Cryder, Jean T. Snyder, and Mary T. Nantz being crowned grammar grade queens and Doris Stroud, Jenny C. Turner, and myself being crowned primary grade queens plus others being class queens.

"As I perused the class room section, the rooms had

been redesigned for elementary students. But, I thought about the biology, chemistry, and physics experiments plus some that went wrong. Memories are great. Some are happy and some are not so happy. But, they all help build our future.

Robertson's science room; I thought about the biology, chemistry, and physics experiments plus some that went wrong. Memories are great. Some are happy and some are not so happy. But, they all help build our future.

Skin Cancer Screening Set For May 6

A free skin cancer screening will be held at Davie County Health Department on May 6 at 1 p.m.

The screening is part of a national campaign to encourage early detection and prevention of skin cancer and is sponsored by the American Academy of Dermatology. Dr. Suzanne Hess, Davie Dermatology PA, and Davie County Health Department. Call 753-6750 for an appointment or for more information.

It is estimated that one in five Americans will be diagnosed with skin cancer in their lifetime, and one person dies from melanoma—the deadliest form of skin cancer—every hour.

Over exposure to sun-

light, including tanning is the main cause of skin cancer when it results in sunburn and blistering. Other factors include: repeated medical and industrial x-ray exposure, scarring from diseases or burns, occupational exposure to compounds such as coal, tar and arsenic, and family history.

The best method of prevention against skin cancer is sun avoidance. Fair-skinned people who sunburn easily are at high risk for skin cancer. Some tips to reduce one's risk of skin cancer from the sun's ultraviolet rays are:

- Seek shade between 10:00 am and 4:00 pm when ultraviolet rays are the most intense, especially when your shadow is shorter than you are tall.

- Wear light-colored, tightly woven, protective clothing and wide-brimmed hats.

- Apply sunscreen with a SPF of 15 or greater.

- It has been estimated that 80% of lifetime sun exposure occurs before age 18 so begin the use of sun protection early. Children under 6 months of age should not have prolonged sun exposure. Also, the use of sunscreen should never be an excuse for increasing

- sun exposure because other sunrays still go through the sunscreen, such as UVA or infrared, which age the skin and damage the skin's immune system.

- Early detection of skin cancer is the surest way to a cure. Everyone should develop a regular routine to inspect for skin changes. If any growth, mole, sore or skin discoloration appears or begins to change, see a dermatologist.

- To increase people's chances of spotting skin cancer early, the American Academy of Dermatology recommends everyone learn the ABCDE rule, which out-

lines the warning signs of melanoma:

- A - is for Asymmetry: One half of the mole does not match the other half.

- B - is for Border irregularity: The edges are ragged, notched or blurred.

- C - is for Color that varies from one area to another.

- D - is for Diameter: While melanomas are usually greater than 6mm (the size of a pencil eraser) when diagnosed, they can be smaller.

- E - is for Evolution: A mole or skin lesion that looks different or is changing in size, shape or color.

lines the warning signs of melanoma:

CZE Staff Provided With Massages

Staff at Cornsater Elementary got a much needed spring tonic when visiting student massage therapists dropped in to rub away the winter blues.

Principal Dr. Cinde Rinn felt that staff needed a fun break from the stress of preparing students for the end of year demands so she called on parent Jessica Chambers to provide the solution.

Chambers, who is a student in massage tech therapy, came to the school with a massage colleague and two massage chairs and wonderfully soothing neck, shoulder and back massages were delivered to appreciative teachers.

Festival Of Tables Held

The Hardison United Methodist Women sponsored their 6th Annual Festival of Tables on March 20 at Hardison United Methodist Church in Mocksville.

For the past five years, all proceeds have gone to Hope Grows International, a missionary ministry of Billie and Allie Riddle in South Sudan. They plan on returning next year to work in the village of Wadupe, leading Bible studies and helping farmers use the land effectively. Allie will be working in the local hospital as a labor and delivery nurse. They are accepting donations at www.hopegrowsinternational.org.

Guests were asked to bring food and toiletries for A Storehouse for Jesus as a hands-on mission project and for a chance to win door prizes donated by UMW members. More than 500 pounds of food was delivered to A Storehouse for Jesus.

During dessert, the Brad Ratledge Band entertained more than 100 women seated at 17 decorated tables. The meal was prepared by the UMW and the United Methodist Men served it.

Door prizes were awarded and more than \$2,000 was raised for Hope Grows.

"We wish to thank everyone that made this event possible," said Darlene Fuller.

Hardison is at 1630 Jericho Church Road, Mocksville.

Billy Riddle speaks and The Brad Ratledge Band performs at the Hardison Methodist Women's Festival of Tables.

The tables are decorated and the women enjoy the entertainment and being served by the men.

This newspaper really gets around ...

On The Spanish Steps

Four Davie County residents at the Spanish Steps in Rome, Italy showing off the Davie Enterprise, from left: Ann Talton, Darlene Bristow, Steve Talton and Clyde Bristow.

Zoey Renee Boger was born on April 9, 2015 to Michael and Christina Boger of Coolee. She weighed 7 lbs. 3 oz. and was 19.5 inches long. Paternal grandparents are Baxter A. Boger Jr. and Frances Boger of Mocksville. Maternal grandparents are Robert Smith Jr. and Earline Smith of Salisbury.

Cooper Riley Adams was born on March 13, 2015 at Forsyth Medical Center in Winston-Salem. His parents are Rodney and Malissa Adams of Advance. Sisters are Sarah and Samantha. Grandparents are Earl and Brenda Adams of High Point, and Gary and Cindy Latham of Clyde. Great-grandparents are Charles and Mary Ella Barefoot of Lexington.

Jessica Chambers gets ready to give Kindergarten teacher, Kathy Marino, a massage.

Obituaries

Karen L. Cranford

Miss Karen L. Cranford, 54, of Salisbury, died Wednesday, April 22, 2015, with her family and friends by her side at Glenn A. Kiser Hospice House in Salisbury.

She was born July 19, 1960, in Rowan County, to Dorothy D. Cranford and the late Jerry B. Cranford. She was a graduate of Davie High School and of Catawba College where she earned her bachelor's degree in math and computer science. She later attended the University of Alabama where she earned her master's degree in business administration. She moved to Charlotte and was employed by Bell South (AT&T). Later, to continue her career with AT&T, she moved to Birmingham, Ala. rising to a management position after 14 years. Moving to Salisbury, she became owner/operator of Cranford Manufacturing. She then passed all four parts of the NC Public Accounting Boards in one sitting. She then opened her CPA office in Salisbury where she built a thriving business until succumbing to illness. She had many interests. She was beautiful, talented and intelligent. She loved to travel, especially to the beach. She loved to dance and to act. She was religious, a member of Forest Hill Church in Charlotte and was active in churches in Rowan County. She loved the internet and researching and studying a wide range of subjects.

Survivors: her mother, Dorothy D. Cranford; a sister, Pam Whitman (Jimmy); her cat, Heather; and her extended family.

A funeral service was conducted at 2 p.m., Saturday, April 25 at Eaton Funeral Chapel in Mocksville with the Revs. Cameron Kirker, Patrick Marion and Perry Bradshaw officiating. Entombment followed in Rowan Memorial Park. The family received friends Saturday at the funeral home.

Memorials: American Cancer Society, 4-A Oak Branch Drive, Greensboro, 27407; Glenn A. Kiser Hospice House, 1229 Statesville Blvd., Salisbury, 28144; or church of donor's choice.

Condolences: www.eatonfuneralservice.com.

Condolences: www.eatonfuneralservice.com.

Betty Lazenby Stroud

Betty Lazenby Stroud, 78, of Harmony, died Saturday, April 25, 2015, at Iredell Memorial Hospital.

She was born Nov. 30, 1936 in Iredell County, N.C. She was the daughter of the late Robert Glen and Elsie Owen Lazenby. She retired from Guilston Carpets and enjoyed camping.

She also preceded in death by 2 brothers, Robert Lee Lazenby and John Norris Lazenby.

Survivors: her husband, Wayne Stroud, whom she married Dec. 29, 1955; 2 sons, Terry Wayne Stroud of Harmony and Phillip Todd Stroud of Taylorsville; 2 sisters, Margaret Lawson of Mocksville and Teresa Crawford of Texas; and a brother, Charles "Bud" Lazenby of Hamptonville.

Graveside service was held at noon Tuesday, April 28 at Harmony Cemetery. The family received friends Tuesday at Bunch-Johnson Funeral Home prior to the service.

Condolences: www.bunchjohnsonfuneralhome.com.

Memorials: Hospice/Palliative Care of Iredell, 2347 Simonton Road, Statesville, 28625.

Doris Levene Lambeth

Doris Levene Lambeth, 78, died on April 21, 2015.

A resident of this area all of her life, Mrs. Lambeth was born on Dec. 19, 1936 in Davidson County to the late Carl and Edith Yates Lambeth. She had worked for many years in furniture manufacturing and was a member of Cit United Methodist Church.

Surviving: her children, Myron Nelson (Kay) of Salisbury, Richard Taylor Jr. (Tammy) of Advance, and Kelly Caudle of Statesville; sisters, Jacqueline Mize of Trinity, Brenda Nance (Gary) of Lexington, Diane Short (Dexter) of Lexington, and Rachel Jordan of Atlanta, Ga.; brothers, Max Lambeth (Wanda) of Trinity and Ronnie Lambeth (Pat) of Lexington; grandchildren, Brian Nelson, Collin Taylor, Jordan Taylor, Clinton McDaniel, Lindsay Register, April McDaniel and Kayla Caudle; 6 great-grandchildren; and 2 great-grandchildren.

Funeral services were held at 4 p.m. Friday, April 24 at Cit United Methodist Church with the Revs. Sandy Young and Doug Rowe officiating. Burial was in the church cemetery. The family received friends one hour prior to the service at the church.

During a time like this we learn how much our friends really mean to us. Your expression of sympathy will always be treasured.

The Family of the late Mrs. Alice Juanita Parks (Mama Neet)

Mary Ann Beeson Sweet

Mrs. Mary Ann Beeson Sweet of Mocksville died Tuesday, April 21, 2015 at the Hospice Home.

She was born May 21, 1932 in Knox County, Tenn. to Ralph Artillerus and Eva Sherrill Beeson. She was preceded in death by her husband, Billy Ray Sweet Sr. and a son, Bobby Gray Sweet Sr.

Surviving: 3 sons, Billy Ray Sweet Jr. (Becky), Ralph Andrew "Randy" Sweet and Jack Kelly Sweet (Sharon); 4 daughters-in-law, Rita; grandchildren, Bobby Gray Jr., "Gray", Mitch, Kelly, Jaime, Crystal, Raina, Billy III, Hannah, Johnny, Eva, and Ian; great-grandchildren, Breanna, Bobby III, Julie, Hayleigh, Brandon, David, Madison, Baliegh, Andrew, and London.

Mrs. Sweet grew up in South Fork where she made many life-long friends, several of which she quite often had lunch with, and which turned into visiting and catching up. At age 12 her father died leaving her and her mother to form a close relationship that would deepen through the years, and that would sustain her and prepare her for her child rearing days. Mrs. Sweet was retired from Forsyth Memorial Hospital. Vacation trips were fishing trips or golf tournaments. Neither mattered, she just enjoyed Church where she participated in the Women on Missions group and served with the senior groups at Green Meadows and at Griffith Baptist churches.

A funeral service was held at 11 a.m. Friday, April 24 at Hayworth-Miller Kinderton Chapel with Pastor Josh Greene and the Rev. Michael Waters officiating. Burial followed in Westlawn Gardens of Memory. The family received friends at the funeral home.

Daniel Carl "D.C." Lawrence

Mr. Daniel Carl "D.C." Lawrence, 79, of Bermuda Run, died on Wednesday, April 22, 2015 at Kate B. Reynolds Hospice Home.

Mr. Lawrence was born on Feb. 2, 1936 in Ashe County to the late Coy Harding Lawrence and Ellie Mae Main Lawrence. He attended Farmington High School. He began working in the building business in 1955 and attained his unlimited general contractor license. He was instrumental in developing and building of Rollinggreen, Nestleway Acres, Westley Forest, Parkfield Lane, Arden Circle, Country Cove and others.

Some of the buildings he built were Clemmons Village Shopping Center, Clemmons Village Apartments, Village Inn and Conference Center, an addition to Clemmons First Baptist Church and other buildings around Clemmons and in Winston-Salem. He and his wife, Sue, owned and operated the Ramada Inn in Clemmons. Mr. Lawrence was a long-time member of Clemmons First Baptist Church where he was an ordained Deacon and served on several committees. He was selected to appear in Outstanding Young Men of America in 1965. He was a charter member of Clemmons Jaycees and was awarded the Distinguished Service Award in 1971. He served as president of the Winston-Salem Home Builders Association and secretary and state director of the N.C. Home Builders Association. He served on the board of directors for Gardner Webb College and was elected to the board of directors for Northwestern Bank which later became First Union and then Wachovia Bank.

Mr. Lawrence was also preceded in death by 2 sons, Larry Dale Lawrence and Donald Gray Lawrence.

Survivors: his wife of 61 years, Sue Caudle Lawrence of the home; a son, Danny Lawrence and wife Lori Phillips Lawrence of Advance; daughter-in-law, Jo Ann "Jody" Durham Lawrence of Clemmons; 2 grandchildren, Amanda Lawrence and Steven Chambers and wife Christen; a great-grandson, Lawrence Chambers; 2 brothers, George Lawrence and wife Glenda; business partners and friends, Leslie and Glenda Frye; and special friends, Robert and Ann Johnson of Advance and Bob and Elizabeth Mize of Maryville, Tenn. Funeral services were at 2 p.m. on Saturday, April 25 at Clemmons First Baptist Church with Dr. Robby Phillips officiating. Burial followed at Westlawn Gardens of Memory. The family received friends Friday at Hayworth-Miller Kinderton Chapel.

Memorials: Memory Assessment Clinic Counseling Center, Attn: Development Alumni Affairs Office of WFUHS, PO Box 571021, Winston-Salem, 27157.

Condolences: www.hayworth-miller.com.

Bobbi Lou Lake Tollison

Mrs. Bobbi Lou Lake Tollison, 64, of Farmington Road, Farmington, died Friday, April 24, 2015, at Wake Forest Baptist Medical Center in Winston-Salem.

She was born Jan. 23, 1951, in Davie County to the late Bobby Gene and Lou Jean Riddle Lake. Mrs. Tollison attended Farmington United Methodist Church where she had been a music director and coordinator. Besides her family, she loved music which included playing and singing. She also enjoyed working with flowers and reading.

She was also preceded in death by a brother, Roland Lakey.

Survivors: her husband, Arthur Leroy Tollison Jr. of the home; a son, Christopher Winfrey Tollison of Winston-Salem; a granddaughter, Juliana Marie Tollison of Los Angeles, Calif.; and a large extended family.

A funeral service was conducted at noon Monday, April 27 at Farmington United Methodist Church with the Rev. Sara Scungis officiating. Burial followed in Farmington Community Cemetery. The family received friends in the fellowship hall following the committal service.

Memorials: Farmington UMC, 1939 Farmington Road, Mocksville; on the memo line, specify "Tollison Fire Relief Fund" or "general fund".

Condolences: www.eatonfuneralservice.com.

Lula Mae Gough Smith

Lula Mae Gough Smith 88, of Mocksville, died on April 20, 2015.

She was born Dec. 4, 1926 in Davie County to Grady and Mary Riddle Gough. She was proud of her family and didn't mind correcting with love and a switch. When neighbors and friends of the children came over, they lived under the same rules.

She was a charter member of Green Meadows Baptist Church and was active in church as long as her health allowed. She loved Jesus and was dedicated to her Lord. She enjoyed playing the piano, singing, quilting, crocheting, needlework, working in her flowers and gardening in addition to raising six children, she drove a school bus, worked at Montleigh Garment Co., received her CNA certificate, and cleaned houses.

She was preceded in death by her husband, James Kelly Smith Sr.; daughter, Arvesta McEwen; son-in-law, John David Jones; 1 grandchild; and 2 great grandchildren.

Survivors: her children, JK (Mary) Smith, Gerald Stephen Smith, Naaman (Sharon Coggins) Smith and Jesse McEwen, all of Mocksville, Julia Jones of Lilburn, Ga. and William Smith of Salisbury; 14 grandchildren; 27 great-grandchildren; 2 great-great-grandchildren; and numerous relatives, friends and church family.

She lies in-state at Green Meadows Baptist Church beginning at 9:30 a.m. on Saturday, April 25. The family received guests from 10-11 and the funeral service began at 11, with the burial following in the church cemetery; the Rev. Josh Greene officiated.

Memorials: Green Meadows Missions Funds (her grandson is a missionary with the International Mission Board) 1646 NC 801 N., Mocksville.

Condolences: frankvoglerandsonswinstonalem.com.

Maggie Barnes Hutchens

Mrs. Maggie Barnes Hutchens, 84, formerly of Mocksville, died Sunday, April 26, 2015, at Winston-Salem Nursing & Rehab.

She was born June 28, 1930 in Rowan County to the late John Alexander and Lillie Mae McIntyre Barnes. Mrs. Hutchens was retired from Dressel-Heritage Furniture.

She was also preceded in death by 3 husbands, Zackie Carter, Sam Carter and Arthur Osborn Hutchens; a granddaughter, Stephanie Whitlock; 4 sisters; and a brother.

Survivors: 2 daughters, Elaine Zabel of Statesville and Teresa Clawson, a son, Wayne Carter (Rosanna), all of Mocksville; 6 grandchildren, Rodney Brown, Scarlett Whiterspoon, Paula Carter, Shannon Moore, Jason Carter and DJ. Clawson; 14 great-grandchildren; and a sister, Louise Blackwood of Cooleemee.

A funeral service will be conducted at 2 p.m., Wednesday, April 29 at Eaton Funeral Chapel with the Rev. John Hunegety officiating. Burial will be to follow in Westlawn Gardens of Memory in Clemmons. The family was to receive friends at the funeral home one hour before the service.

Memorials: Alzheimer's Assoc, Western Carolina Chapter, 3800 Shamrock Drive, Charlotte, 28215-3220.

Condolences: www.eatonfuneralservice.com.

Garfield Henderson Cain

Garfield Henderson "Buck" Cain, 89, of Brooklyn, N.Y., died on Saturday, April 11, 2015, at his home after a brief declining stage in his health.

He was born in the Clarksville township of Davie County, on Dec. 22, 1925, to the late Carl Clifton and Sarah Parthenia Howell Cain.

He attended Chiquapiin School of the Davie County School System. As a youth, he joined Chiquapiin Grove Missionary Baptist Church. He worked for several farmers in the Four Corners and Cana communities of Davie County and Lone Hickory community of Yadkin County, before moving to Winston-Salem. He married the late Edell Peoples. He was employed at the Pepsi-Cola Bottling Co. of Winston-Salem prior to moving to New York in 1954 in an effort to better his living conditions. Upon settling in New York, he was employed by the Bieker Company in Happaage, Long Island, N.Y. In 1970, the owner started the Lambro Industries in Amityville, N.Y., where in 1998, the Penna Elbow Co., Queens, N.Y., became a part of the industries. He worked at all three locations for a total of 60 year, until his health failed in December, 2014.

He was also preceded in death by a brother, Clifton Harding Cain; 2 sisters, Evola Ellison, Millie Ann West; a nephew, Brandon Cain; a great-niece, Katina West; 2 brothers-in-law, Arthur Lemuel Scott and Francis L. Smith.

Survivors: 3 sisters, Lillie Mae Scott, Hilda Ruth Smith, and Joyce Elizabeth (Richard) Carter, all of Mocksville; 2 brothers, Roland Pinkney Cain of Danby House, Winston-Salem, and Wilbur "June" (Amelia) Cain of Traphill; a brother-in-law, Hubert Allen West Sr. of Mocksville; 9 nephews; 11 nieces; several great and great-grand nephews and nieces; 2 uncles, Charlie Lester "Doc" (Louise) Howell of Mocksville and Gilbert (Mary Ruth) Howell of Boonville; an aunt, Ruth Howell (Windy Ruth) Howell of cousins; and many New York friends.

His funeral service will be Saturday, May 2 at 2 p.m. at Graham Funeral Home. Pastor Netrye I. Barber will officiate and the burial will follow in Chiquapiin Grove Missionary Baptist Church, Mocksville. The family will receive friends at the funeral home 30 minutes before the service.

Condolences: www.GrahamFuneralHome.net.

Obituaries

Charles Michael Alexander

Charles Michael Alexander of Cooleemee died on April 27, 2015 at Novant Rowan Regional Medical Center in Salisbury.

Mr. Alexander was born on May 10, 1954 in Rowan County to the late Charles "Buddy" Alexander and Elizabeth "Chick" Hartley Alexander. He was a charter member of Cooleemee his entire life. He graduated from Davie County High School, class of 1972. He was a multi-sport athlete in high school. He was co-captain of the wrestling team, earning his letter and stars as well as lettering in baseball and two stars. His senior year he was selected for the all-conference team as a second baseman. Upon graduation, he attended East Carolina University and Catawba College. He was also a talented basketball player. For many years he helped to coach several youth sports teams. He loved the Wolfpack, and his favorite professional baseball team was the San Francisco Giants. His favorite player was Willie Mays, and he always wore the number 24 on his jerseys. He was a lifetime member of Cooleemee United Methodist Church, a member of Cooleemee Civitan and American Legion Post 54. He is remembered as a kind, giving, free-spirited, and gentle man. He could often be found around the Cooleemee shopping center, at his favorite bench with his faithful canine companion, "Bud Jr." He enjoyed conversation with any passerby and loved talking with young people. He was blessed to have many friends who loved and supported him.

Surviving family: Linda Harley Barnette (John), Medford Shoaf (Nancy), Regina Alexander, Johnny Alexander, and Roy Jr. Alexander.

A celebration of life will be held on Thursday night, April 30 at 7 p.m. at Cooleemee United Methodist Church with the Rev. Patrick Marion presiding. Burial will be private.

Memorials: Cooleemee Methodist, Box 69, Cooleemee, or a ministry of your choice.

Annette Renee Clontz Steelman

Annette Renee Clontz Steelman, 56, of Hamptonville, formerly of Mocksville, died Saturday, April 25, 2015, at Forsyth Medical Center.

Born in Fremont, Ind. on June 13, 1958, she was the daughter of Earnest Haywood Clontz and Mary Elizabeth Horton Clontz of Mocksville. She had worked as a service technician for Unifi, Inc.

In addition to her parents, she is survived by a brother, Steve Clontz of Rockwell; and a sister, Kay Stewart of High Point.

She was preceded in death by her first husband, Robert Davis, her second husband, Lenny Steelman, and a son, Matthew Earnest Clontz Davis.

A celebration of life service was to be held at 2 p.m. Thursday, April 30 from the Chapel of Davie Funeral Service with the Rev. Neal Jones officiating. The family received friends for one hour prior to the service at the funeral chapel. Burial followed in the Forbush Friends Meeting Cemetery in East Bend.

Condolences: www.daviefuneralservice.com.

BUSINESS SPOTLIGHT

Perkins Roofing of Davie

He lives under just one roof, but Jesse Perkins cares about every roof. That's what makes his business so special.

As owner of Perkins Roofing in Mocksville, Jesse treats each roof as if it was on his own home. If it isn't good enough for him, it will not be good enough for you.

That is the way Jesse treats each roofing job and customer. His work and integrity speak for itself.

Jesse, a Reidsville native, became interested in roofing when he was just 13 years old. At age 17, the summer before graduating from high school, he began helping his brother in the roofing business. After graduating the next year, Jesse moved to Davie County and has been here since.

After years for working for other roofers, Jesse decided it was time to go out on his own.

So, in the fall of 1997, he started Perkins Roofing. "I have been roofing most of my life and that's what I love to do," Jesse explains. "I started out with a ladder, hatchet and pick-up truck."

Now, along with roofing, Jesse has added vinyl siding to his line of work.

"I work with several local contractors on new homes and do tear offs for older homes that need a new roof. I have done some repair work but we just don't have that many bad storms around here to do too much

damage for roof repairs," Jesse notes.

Jesse takes a great deal of pride in his work and will work however many hours and days it takes to get the job finished and done right.

"I keep my business somewhat small. That way I can be on the job to see what goes on and make sure the job is completed like it would be for someone in my family.

Perkins Roofing also enjoys giving back to the community.

They are involved in various fund raisers including the law enforcement and rescue squad.

So if you are in need of a new roof and a good, honest dependable man for job give Jesse at Perkins Roofing a call for a free estimate at (336) 753-8355.

Classical Christian School Being Started

Local residents, along with members of Christ Church in Winston-Salem and of Church of the Good Shepherd in Bermuda Run, will host an informal meeting to share their vision for a Classical Christian school in the Winston-Salem area.

Ambrose Classical School is tentatively slated to open its doors to lower grades beginning in August 2016.

Jason Borah, a classical education expert, curriculum editor, and school administrator, will discuss the unique advantages of classical education and the vision for Ambrose Classical School at the community meeting. Interested supporters and families are invited to come, ask questions, and meet members of the school launch team.

The event will take place at 4:30 p.m. May 2, in the Granary at Winmock at Kinderton, 168 East Kinderton Way, Bermuda Run. Heavy hors d'oeuvres will be provided. For more information, visit <https://www.facebook.com/ambroseclassical>.

Margaret Messick and granddaughter Kayleigh Reid and Tina and Justin Johnson enjoy a sunny day in the park.

Tie-Dye Makes Science Fun For Students

Science can be fun. Students in Angela Stage's chemistry class at Davie High School learned that last week as they tie-dyed socks and shirts.

They learned to mix chemicals and colors, and used their creativity making swirls on the sides, fronts and backs of the shirts.

Natalie Moore, Abby LaRue and Allie Cunningham work on their creations.

Pinebrook 4th Graders Study Colleges

Students in Sarah Hartman and Laura Martin's fourth grade students at Pinebrook Elementary have been studying North Carolina colleges and universities.

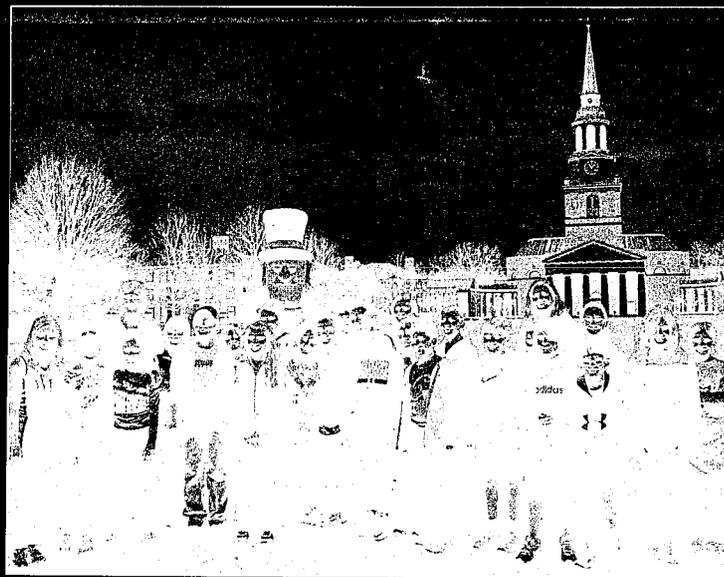

Students started the unit by taking surveys to help them decide what careers might interest them and then they picked a university or college that they might want to attend to earn that degree. Some had personal connections with the university such as a sibling or family member attending and this influenced their decision.

They wrote letters to the schools and many received replies. These replies included materials to share with others about their university and sometimes shirts or pens.

Each day was exciting as they waited for the mail to arrive.

Students worked with a partner to gather information about the history of the school, the admission requirements, the cost, and school life. They had several guest speakers who attend college.

Please See Colleges - Page D3

Pinebrook students visit Wake Forest University as part of learning about careers and universities.

Bailey Drane and Reagan Edson report about Appalachian State University.

Mya McGowan and Mac Williams with their poster presentation about the University of North Carolina at Wilmington.

Davie Schools

Coolmelee Elementary
Second grade students continue to prepare for the end of the year. Students finished a unit on measurement in math. They will study geometry and learn how shapes impact the world. They will use the concepts from shapes to learn about fractions and multiplication. Students have been working with weather and learning about the types of weather that affect this area. Students in second grade have worked to make weather tools such as rain gauges and anemometers. They used the internet to research wild weather and made posters with their teams to show what they learned.

Third grade students have been practicing End of Grade strategies in reading and math. They have been taking practice tests to work on picking a part passages and word problems. They have been working on building stamina with longer testing sessions. An Honor Awards Assembly for the third quarter was held. Attention shifts to finishing the year strong. Please continue to read nightly with students to help them be successful.

Fifth grade has been finishing third quarter benchmark assessments and gearing up for the end of grade tests. They met with the South Davie Middle band director earlier in the week to hear more information on joining the band. They were introduced to several instruments and had the opportunity to go to South Davie later in the week for their mouthpiece test. They are preparing for a field trip to the DASH baseball game and fifth grade field day.

Arts Smart is May 9 from 1-5 p.m. at Davie High. Students are getting art ready for a Tapestry of Talent. The event is free and open to the public.

Kindergarten completed a weaving project in which they used types of paper to create unique "rugs."

First grade is working on a cityscape at night using Crayola color sticks.

Second grade is creating a woven project inspired by Kente cloth. They will add symbols to the weaving that represent something about their family or community.

Third grade is making a school community quilt using paper. Each is designing a part of the quilt that reflects positive aspects about their school. As a class, they will decide on the placement of each piece so that it can be put together and hung as one piece of art.

Fourth grade is working on contour word self-portraits.

Fifth grade learned about some American artists and their art styles. They will

Mocksville Elementary students show their certificates for meeting reading challenges.

create art inspired by the style of their choice.

Mocksville Elementary
Students of the Week: Diana Marcelino, Dacoda Lewis, Shan'trell Paris, Hunter Ragan, Juliana Smith, Grace Ratledge, Serenity Fennell, Skylar Smith, Peyton Smith, Giovanni Ramirez-Benitez, Stephen Vernon, Anna Crotts, Ramiro Gutierrez Deanna Curll, Anthony Ramirez-Benitez, Tyler Morgan, Buddy Holston, Darnion Wilson, Daniela Adame-Herrera, Leland Buwalda, Skylar Dalton, Micah Mock, Kaden Sagen-dorf, Jacob Moore, Bodie Parker, Kortney Maddox, Ally Davison Zach Blalock and Emiliano Gutierrez.

Mrs. Callison and Mrs. Davis' first graders completed a science unit on plants. Students learned about plants, their parts, and what plants need to survive. They worked in groups to create a flower, label the parts, and identify the roles of each part. They enjoyed celebrating Earth Day. Students learned ways they can protect Earth. In math, students have been working on the concept of two-digit addition with and without regrouping. Students learned to identify when they need to regroup.

Mrs. Martin and Ms. Brock's second-grade class celebrated International Day.

Third grade students attended the annual Davie County tour. Julie Marklin explained the history behind each stop. The tour began at the oldest home in Davie County, the Phoebe Eaton House. They visited Joppa Cemetery and learned about Squire and Sarah Boone's gravesites. For lunch they visited the Bullhole in Coolmelee and learned the history of how the Bull hole got its name. Students had a picnic lunch under the shelter and then traveled to Fulton United Methodist Church. They learned about the history of the tearful stone and were able to tour the original church building. Charlotte Laney gave a tour and shared the history of the church. Students visited the "Popcorn House" and were able to see the bricks where popcorn had popped when the bricks were heated. They learned the history of how Pudding Ridge got its name. They made stops to view the Cana Post Office and Store, Cana School, the original Davie County Jail, the courthouse, and the old hospital on the square in

Mocksville.
Mrs. DeZam's fourth grade class used film strips to retell the story of Caroline and the Castle. They read the fairy tale, created a visual with the film strips and were given the privilege to use the film strips to retell the story in our own words to the students in Mrs. Wyatt's kindergarten class.

Miss Lowtharp's fifth grade students have been working hard on poetry. Students learned about types of poems and then each wrote their own example for each type of poem. They enjoyed being creative and coming up with poems about topics they enjoy. Students have been learning about fractions and are getting ready for the end of grade test.

Kindergarten students in Mrs. Wyatt's class have been reading using rhyming and word families. They have been practicing how to clap out syllables in words. Math has involved many types of review with addition, subtraction, and tens and ones using tens frames. Students have been able to show off their knowledge during a variety of assessments. Fun was had by all at the kindergarten class egg hunts. Fifth grade reading buddies helped hide the eggs and later count the number found by their kinder buddies. Great friendships have been forming between the groups.

Mrs. Southern's first graders completed their last month of the Book-It Program. The program, which runs from Oct. 1 until March 31, rewards students for reading. Students must read to meet a teacher-set requirement. If the student reads the required amount, he/she receives a certificate redeemable for a free one-topping personal pan pizza at Pizza Hut. The students have enjoyed this program and many have used their love of reading to earn a free pizza.

Mrs. Whitesell's students have been learning time, money, and graphing data in math. They have done projects while studying penguins in science. They integrated a writing lesson with penguins by writing a "Super Hero" story with their favorite breed of penguins were the hero of their story. The students have enjoyed getting to know Ms. Peebles from Davie High School. Ms. Peebles is helping out in the classroom on Mondays, Tuesdays, and Fridays. Ms. Peebles is considering a teaching career and this gives her the opportunity to shadow teachers and work with students.

Students have been a buzz with Spring Fever, but continue to work hard throughout the week. The students in Mrs. Shepherd's class have been engaged in learning about recent dinosaur discoveries in Utah through Scholastic News. In addition, they have been studying how to tell time to the minute and how to find

how much time has elapsed.
Mrs. Wall's fourth graders read "Amelia and Eleanor Go For a Ride" and reviewed sequencing. In math, students are learning about fractions. They learned how to simplify, add and subtract, and compare fractions. In social studies, they studied changes in transportation and communication and how it affected people in North Carolina.

Shady Grove Elementary
Second graders had water safety lessons at the Davie Family YMCA. Accompanied by a certified lifeguard, the Y swim instructors taught swimming techniques as well as basic safety rules for playing in and around the water. The week ended with a field trip to the Greensboro Science Center where students visited an aquarium, a museum, and a zoo. This experience allowed students to observe penguins during their feeding time, to touch horseshoe crabs, and to view underwater creatures. They explored the center's zoo exhibits that included Jason Gibbons, Black Howler Monkeys, tiger and anteaters. Students also participated in a science presentation where they experimented with the effects of vibration, pitch, volume, and sound production.

Cornatzer Elementary
Kindergarten, first and second graders are starting work on a major performance. In previous years, these grades have put on a yearly Spring Musical. This has usually been a story with added singing and instrumental parts. This year, the format is going to be a "Music Exposition." The Music Expo will be a showcase of lessons in music class.

Kindergartners will showcase two activities. One is an instrumental recording "Seven Jumps for Children" performed with motion. After teaching the audience, they will participate with the students. The second is a dramatic reading of a folk story, "The Fox, the Hen and the Drum" where the students will be playing instrumental parts on cue to help along the story.

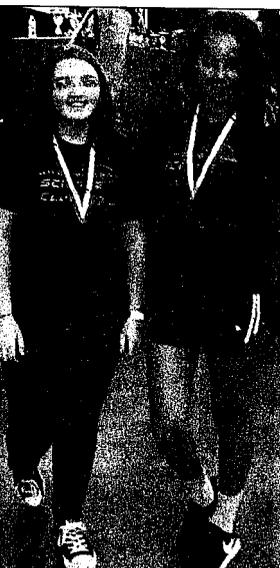

First graders will perform a rhythmic "Rain Poem" with divided instrumental accompaniment in parts. They will close out their portion of the Expo with a dramatic reading of a story, "Romper, Stomper, and Boo," where they will act out parts of the story.

Second graders will perform instrumental and vocal accompaniments to two songs, "Chichipapa" from Japan and "Tabu" from Cuba.

Third graders will start units on the Recordors. They will learn basic playing position, technique and the first notes. These studies will carry over to next year when they will learn more advanced lessons on the instruments.

Fourth and fifth graders finished an outstanding performance at the 4th Annual Comatzer Recorder Festival. Students played music ranging from basic one-note exercises to full melodies. The songs were from the United States, England, and France. Now that they are done with the Recorder Festival, there will be a couple of finishing-up lessons before they move onto end-of-year studies on music from Africa and the United States.

Pinebrook Elementary
Kindergarten students continue to work their way through word families by learning to read the words,

Samantha Smith (left) and Idalis Perez receive seventh place medals in their forensics competition during the state Science Olympiad awards ceremony.

Two Earn Medals At North Carolina Science Olympiad

Davie High School Science Olympiad team members recently travelled to Raleigh to compete at the state Olympiad competition at NC State University.

Students compete in 23 events with a chance to win medals and college scholarships.

Samantha Smith and Idalis Perez, Davie High ninth graders, placed seventh in the state in forensics events and won medals. Fifty-five teams competed in the high school level of the state Olympiad and more than 2,200 students from middle and high schools across the state were in attendance.

sort and spell them. Students have been discussing the life cycle of a butterfly. They enjoyed learning about them and creating their own. They are working hard in Math. They are learning to work out story problems and make up their own story problems.

Second grade classes of Ms. Howard, Mrs. Miller, Mrs. Powers and Mrs. Spade have been finishing a unit on measurement. They have been learning about the country of Ghana in Africa. Students participated in a video chat with a second grade class in Ghana. They learned about what life is like in Ghana and compared differences from here.

Fourth graders Ethan Price and Jackson Sink tell fellow students about East Carolina University.

Yard Sale Saturday At Davie High To Benefit Students

The Davie County High School PTSO will hold its annual yard sale on Saturday, May 2 from 7:30 a.m.-1 p.m. in the cafeteria.

"If you are doing some spring cleaning this week, we would appreciate any donations you would be willing to contribute," said Elizabeth Bustle. Items can be dropped off at the DHS Main Office from 7:30 a.m. -4:30 p.m. Items can also be dropped off at the cafeteria at the beginning of the sale on Saturday from 7:30-9:30 a.m.

If you need to have large items picked-up, contact Bustle to arrange a time. 7:30 a.m.-5 p.m., bustlee@davie.k12.nc.us.

Furniture and large items are especially appreciated since they usually can be sold for more profit. Proceeds go to fund the PTSO scholarships, to provide Wishes for Success grants for teachers so they can purchase items that benefit students, and the Honor Roll/Character Awards cash prizes for students.

Hair Donation Drive May 12

Davie High's third annual hair donation drive will be May 12 from 3:30-7 p.m. Molly Hartness, coordinator, said girls of all ages are invited to have a free haircut and style, and donate their hair to be sent to Pantene Beautiful Lengths.

Beautiful Lengths is a partnership between Pantene and the American Cancer Society. Started in 2006, the program has donated over half a million ponytails that have been made into thousands of wigs for women with cancer.

Hair to be donated must be at least eight inches long. Thirty-minute appointments will be held in the multi-purpose room, where cookies and lemonade will be offered. Sarah Ashley email Hartness at molly-hartness@gmail.com or call (336) 682-7608.

For more information, Salon will provide the haircuts.

Bands Rated Superior

The Davie County High School Wind Ensemble, South Davie Middle, and William Ellis Middle School eighth grade bands just took part in their state-wide Music Performance Assessment (MPA) concert.

All three bands received Superior ratings. This is the largest performance assessment for middle and high school bands, and the score earned by these three bands is the highest and best rating possible.

Music is graded on a scale of one to six with one being the easiest and six being the most difficult. This marks the first time in the history of Davie County High School that a band has received a Superior rating in Grade 6 music.

This is the first time in the history of both middle schools that a band has received a Superior rating in grade 3 music.

Coolmelee Elementary fourth graders Amileia, Tori, and Aryanna test objects for static electricity at Horizons.

Colleges ...

Continued From Page D1 came to share with them. These speakers were Grace Rauen, Ellen Tutterow and Taylor Davis. The fourth graders had lots of questions.

One parent works for Wake Forest University and made it possible for these students to visit the campus. They toured the microbiology lab, walked through Wait Chapel, explored the campus, and met the Deacon mascot and a wFU cheerleader, Madi Whitesock. At the end of the unit, students created tri-fold display boards representing their college or university which they shared at a school College Fair. Each student wore a t-shirt from their school when they presented their boards to third and fifth graders. During and after the unit, several students went to the campus of the university they researched.

Furniture and large items are especially appreciated since they usually can be sold for more profit. Proceeds go to fund the PTSO scholarships, to provide Wishes for Success grants for teachers so they can purchase items that benefit students, and the Honor Roll/Character Awards cash prizes for students.

4th Graders Learn About Static Electricity

Fourth graders at Coolmelee Elementary traveled to Horizon's Unlimited in Salisbury and learned about myths centered around the moon and constellations through a laser show.

During a hands-on experiment, students learned about static electricity through testing objects to determine which create static.

Students went to the planetarium for a presentation about the moon and the last moon landing.

Culinary Students In National Competition

ANAHEIM, CALIF. - The Davie High School Prostart Restaurant Management team competed at the National Prostart Invitational.

By winning the state competition in March, members qualified to represent NC at this event sponsored annually by the National Restaurant Association.

The team, comprised of Kyle El Homsi and Rachel Larsen constructed a restaurant concept. Their concept, "Jack Flap's," was a quick serve, custom pancake restaurant targeting young families. They presented their concept through a written proposal, verbal presentation, and critical thinking segments to judges from across the industry.

The field included teams from 42 states across the country. The competition

Mandy Hines, Rachel Larsen, Kyle El Homsi and Kathryn Bradshaw show off Davie High shirts at the opening ceremony.

was won by the team from South Carolina; however, N.C. Prostart Coordinator Ramon Bullock, said: "This is the strongest restaurant team from North Carolina in recent years."

While in California, these students were treated to an evening at Disneyland Park courtesy of the National Restaurant Association

and a tour of Hollywood.

The NC Hospitality Education Foundation helps to cover the travel expenses of the winning NC teams to represent the state at national competitions.

The Prostart class and teams are taught and coached by Mandy Hines and assisted by Hugh Lee, both faculty at Davie High

The Davie delegation - Kyle El Homsi, Rachel Larsen, Kathryn Bradshaw and Mandy Hines - at the awards dinner at Disneyland Hotel, where Magic Johnson, restaurant owner, talked about the value of education.

School, Kathryn Bradshaw support from our parents and local mentors," said Hines at the dinner. "We are grateful for the Hines. To learn how to become involved, contact Hines at hinesa@davie.k12.nc.us.

Mocksville Elementary Principal Lynn Marrs joins Aaron Curtis and Mason Hall with painting on their backs, like Michaelangelo. At right, students in Mrs. Martin's second grade learn about Italy.

Students pose with a poster.

Students Learn About Italy

Kristen Reeves' class at Mocksville Elementary focused on partner and group work, reviewing tricky math concepts, and

spent a week learning about Italy. Students sampled Italian cuisine, took virtual field trips to Rome and Venice, and painted

like Michaelangelo.

Students planted flowers for Earth Day and to observe them as they grow in clear planters.

Students pose with their posters about countries.
