

MOCKSVILLE VS YADKINVILLE IN FOOTBALL GAME HERE SATURDAY

Wildcats Romp On Cleveland 27 to 12

With a dazzling aerial display the Mocksville High School Wildcats rang up a 27 to 12 victory over Cleveland High last Friday night. This was the second win for Mocksville against one defeat.

One again it was the passing of "Skooter" Ammons to such receivers as Lakey, Ferebee, Sofley, Cohen and Benson that spelled out victory for the locals. Mocksville's rugged line also played stellar ball for the full four quarters.

First Home Game

Saturday night Mocksville will seek their third victory against Yadkinville in their first home appearance. A large crowd is expected to be on hand to witness the first meeting of these teams in several years. Yadkinville has beaten Land and lost to a strong Jonesville team. Mocksville has defeated Walnut Cove and Cleveland, losing only to the powerful Wakertown eleven.

In the hard fought game at Cleveland last Friday night, Cleveland capitalized on a pass interception to make the first score. The try for the extra point failed.

Benson Runs

A 47 yard run by Bill Benson at the start of the second quarter put Mocksville within inches of the goal, from which Ammons cracked over. Benson ran across for the extra point and Mocksville lead 7 to 6.

A few minutes later, Ammons intercepted a pass on the Cleveland 40 yard line. With a dazzling aerial display, Ammons hit Ferebee to put the ball on the 24 yard line, and again completed one to Ferebee on the 10. Another pass, Ammons to Lakey put the ball on the four yard line, from which Ammons, on a hand-off, went over to score. The try for the extra point failed.

Cleveland Scores

Cleveland marched 50 yards to rack up another score in the second quarter. Their try for the extra point failed and the scoring for Cleveland was over for the night.

After this score Mocksville again took to the air with Ammons passing to Ferebee and Lakey.

CHAFFIN HEADS TRI-COUNTY F.F.A.

Odus Chaffin of Mocksville, was elected president of the Tri-County Federation of Future Farmers of America at a meeting held here recently.

The federation includes the FFA chapters from Forsyth, Davidson and Davie counties.

Following the election of officers, the tri-county group outlined their program for the year in vocational agriculture training and farm projects.

MISSING GIRL RETURNED HOME

Shelby Jean Norman, age 13, returned safely home early this week in the custody of her father, Norris J. Norman. She was located last Friday night in Indianapolis, Indiana, and her father left immediately to return her home.

Shelby Jean had been missing since September 20. She was last seen in the company of Mrs. James Carl Green of Mocksville, on the outskirts of Salisbury.

Local officers, assisted by the State Bureau of Investigation, instituted a state wide search. Last Friday, Leon Beck, Mocksville Chief of Police, received a tip that Mrs. Green was being held by authorities in Indianapolis, Ind. A telephone call verified that Mrs. Green was being held on the charge of vagrancy. At the request of Chief Beck, the Indianapolis authorities located Shelby Jean Norman and advised that the girl would be held until her father arrived.

Chief Beck and Sheriff Paul Foster left for Indianapolis early Sunday morning to return Mrs. Green. She will face the charges of abduction of a minor and may be charged with the violation of the Mann Act, a Federal Law prohibiting transportation of a minor across a state line.

Mrs. Green "is under a five year probation for violation of hotel law and prohibition laws. A State probation officer has indicated that this probation will be revoked.

3233 PUPILS ENROLLED IN SCHOOLS OF DAVIE COUNTY

Farmington 98 Percent Leads Attendance

The Farmington schools lead all the others in the county with an attendance record of 98 per cent during the first month, it was revealed this week by School Supt. Curtis Price. Cooleemee, Shady Grove, Smith Grove, and the Davie County Training School all had 97 per cent averages. Mocksville had an average of 95 per cent, William R. Davie 94 per cent and North Cooleemee 93 per cent.

The total enrollment in the county was set at 3,233. Broken down by schools it reads as follows: Cooleemee 752; Farmington 301; Mocksville 829; Shady Grove 424; Smith Grove 194; William R. Davie 141; Davie County Training School 423 and North Cooleemee 159.

Meals Served

A total of 1,716 meals were served to Davie County School children during the seven days the cafeterias operated during the month of September. This information was released this week by County School Supervisor, David Stillwell.

The service of these meals was broken down as follows: Cooleemee 340; Farmington 181; Mocksville High School 360; Mocksville Elementary School 220; Shady Grove 360; Smith Grove 160 and William R. Davie 95.

For the price of 20c the child receives a balanced meal with milk.

The county received this week 50 bags of potatoes, valued at \$2.50 per bag, and 16 boxes of cheese, valued at \$30 per box, for use in the cafeterias.

Davie County Guidance Council Holds Meeting

The Davie County Guidance Council was formed at a meeting held last Wednesday. Representatives of the county schools met with Superintendent Curtis Price and Supervisor David Stillwell to discuss and plan the year's work in child guidance.

The following represented their respective schools: Mrs. Clarence Tarlton Mocksville High School; Mrs. June Hicks, Cooleemee High School; Miss Phyllis Greiff, Advance High School; Miss Elfreeta McBrayer, Farmington High School; Mrs. Betty Joe Snipes, Smith Grove School.

DAVIE MAN DROWNS SELF IN MILLRACE

S. Conrad Phelps, 58, Takes Own Life Sunday

Sydney Conrad Phelps, 58, took his own life early Sunday morning by tying a cement block around his neck, another around his waist, and jumping into the millrace at the Erwin Cotton Mills, Cooleemee.

His body was found late Sunday afternoon after the millrace had been drained of its 12 to 14 feet of water.

It was reported that Mr. Phelps had been suffering from a heart ailment and was often in an extreme nervous condition. Members of his family said he left home around 2:30 a.m. Sunday morning in search of some medicine. When he failed to return, members of the family instituted search around 5 or 6 a.m. Later in the day officers were called in to the search.

Mr. Phelps's car was found parked at the bridge near the millrace. His hat and billfold were found in the car.

Millrace Drained

Draining of the race was begun around 3 p.m. Sunday afternoon. On the bottom Mr. Phelps's body was found. A short rope was tied about the neck and connected with a large cement block. Another cement block was tied to his waist.

Dr. G. V. Greene, county coroner, pronounced the death a suicide after examining the body and finding no evidence of foul play.

Mr. Phelps had been an employee of the Erwin Cotton Mills for approximately 30 years. This past summer he completed and moved into a new home on Route 4, Mocksville.

He is the son of the late A. W. and Sarah Jane Saffley Phelps of Davie County.

He is survived by his wife, the former Miss Martha Leonard, a daughter, Miss Sylvia Ann Phelps of the home; four brothers, Gilbert M. Phelps of Concord, Arthur Phelps of Cleveland, Route 1; Lee Phelps and Raymond Phelps, Mocksville, R. 4. Seven sisters: Mrs. Z. V. Smith, Mrs. Heathman Byerly and Mrs. Adolphus Nichols of Cooleemee. Mrs. Terry Burton, Mrs. Taylor Call and Mrs. Arthur McClamrock of Mocksville, R. 4; and Mrs. J. G. Wooten of Mayodan.

Funeral services were conducted Tuesday afternoon at the Liberty Methodist Church. The Rev. Fred H. Shinn of Cooleemee, officiated, assisted by Rev. H. C. Freeman and the Rev. J. B. Fitzgerald. Interment followed in the church cemetery.

One Dead, Three Seriously Injured In Truck - Auto Accident Here Saturday

1950 model Mercury and truck involved in accident on South Main Street Saturday morning.

Davie Sends 30 For Pre-Induction Exams

Thirty potential draftees of Davie County received their pre-induction examinations in Charlotte on Tuesday of this week. This is the second group sent by the local draft board under the latest call.

Miss Jane Marklin, clerk of the Davie Board, revealed instructions received for the occupational deferment of school teachers. These instructions leave the jurisdiction in the hands of the local board but recommend that each individual case be carefully considered when a request is made for occupational deferment.

Studies and results of surveys have revealed that there is a definite shortage throughout the state of male teachers. This is especially true in qualified science and mathematics teachers. The local board is instructed to give serious consideration to requests for deferments of qualified teachers of these subjects.

Proclamation Issued On Employ the Handicapped Week By Local Mayor

Mayor John E. Durham of Mocksville, last week, issued the following proclamation pertaining to National Employ the Handicapped Week, now being observed throughout the nation:

WHEREAS Davie County has an unused reservoir of skills and strength in those of our fellow citizens who by reason of physical handicaps are too often denied opportunities for employment, and

WHEREAS the people of Davie County are profoundly conscious of the limitless debt they owe to their fellow citizens who count the costs of wars in terms of physical handicaps, and

WHEREAS each year the toll of industrial and other accidents increases the number of handicapped persons seeking work and

WHEREAS thousands of handicapped workers have demonstrated that physical handicaps are no insurmountable bar to efficient and productive labor, and that a handicapped person, when properly placed on a job, is no longer handicapped, and

WHEREAS Davie County, and our whole nation, needs the full measure of faith and participation in our democratic life which can only come in full measure to the handicapped when they become self-supporting and independent citizens, and

WHEREAS the employers of Davie County has a unique opportunity to assist in this National effort to rehabilitate other-

SENATOR GRAHAM PRAISES NEY

Ney Memorial Association Holds Annual Meeting

Senator Frank P. Graham told the Ney Memorial Association Saturday that he fervently hoped that the United States will lead the Nations of "the World toward freedom and democracy and toward what he hoped would be one World composed of a great brotherhood of all men."

Recalling that the League of Nations failed because there were no definite provisions made to feed the World after the first World War, Senator Graham said that unless such provisions are now made, the United Nations might also fail.

In speaking of the legend that the famous Marshal Ney of France and the Napoleonic wars is buried in the Third Creek Presbyterian Church Cemetery, Dr. Graham stated if the legend were untrue, the identity of the man known as Peter Stuart Ney, the "Rowan teacher" is an even greater mystery than that of Napoleon's marshal. The occupant of the grave beyond any doubt, was a man of extraordinary ability and accomplishments he said.

"Wherever Marshall Ney went there also went the idea of liberty", for he explained, Ney was a product of the French Revolution which in turn was a product of the American Revolution. The American Revolution was conceived in liberty he said.

He related that there were many pieces of evidence which pointed to the probability that Ney was buried in the Rowan County cemetery. Because of such evidence, there will continue to be many firm believers in the legend.

The annual memorial service is held each year in the Third Creek Presbyterian Church near Cleveland in Rowan County.

The officers of the association are Mr. L. B. Ratledge of Mocksville, Route 1, president; James T. Graham of Cleveland, first vice-president; Dr. Chalmers G. Davidson of Davidson, second vice-president; and J. W. Clinard of Hickory, secretary and treasurer.

SHOAF COAL AND SAND CO.

Henry J. Shoaf of Lexington, Route 3, has opened up a coal, sand and stone company in Mocksville. Mr. Shoaf has been in the sand and stone business for over ten years. Immediately prior to coming to Mocksville was with the State Highway Department.

J. L. HOLTON, 80, PASSES AWAY

John Luther Holton, age 80, died at his home here at 4:40 a. m. Tuesday morning, after an extended illness.

Funeral services were held Wednesday afternoon at the First Methodist Church, Mocksville. The Rev. A. J. Cox and The Rev. J. P. Davis officiated. Burial was in the Rose Cemetery.

He is survived by his wife, of the home. Three sons: Dewey Holton of Charlotte; Ralph Holton of Connelly Springs; and Holl and Holton, of the home. Two daughters: Mrs. Alfred Bogt of Rutherfordton, N. J., and Miss Alice Holton of the home. Ten grandchildren. Two brothers, A. E. Holton of Winston-Salem and S. E. Holton of Statesville.

Active pallbearers were: Hugh Lagle, A. A. Wagoner, D. R. Stroud, C. H. Tomlinson, R. P. Boger and Stacy Chaffin.

Honorary pallbearers were: C. C. Smoot, Marsh Hartman, Chall Miller, Turner Grant, Alex Tucker, Frank Stroud, Gene Wagner, John Bailey, Sam Stonestreet, Will Crotts, Bill Daniel, Charles Woodruff, R. P. Martin, J. W. Turner, Tom Vanzant, W. F. Stonestreet, R. B. Sanford, J. K. Sheek and Wade Eaton.

TELEPHONE MEETING

The Yadkin Valley Telephone Membership Corporation will hold a community meeting at the Smith Grove School house at 7:30 p.m. on October 5. The purpose of this meeting will be to explain the project and to complete the registration for telephone service in the Smith Grove area. Everyone interested in securing telephone facilities are requested to attend.

EMPLOYER-EMPLOYEE RELATIONS DISCUSSED FOR LOCAL ROTARY CLUB

"A new philosophy for industry" was cited to local Rotarians as the solution to labor problems here Tuesday.

Joe Boyd, Director of Personnel for the Melrose Hosiery Company of High Point, spoke to the local club on employer-employee relations. Mr. Boyd is a former minister and had a charge of over 2,000 members in Coffeyville, Kansas. He was born in California and educated at the University of Oregon. He has had personal experience in dealing with both sides of the labor problem.

Mr. Boyd stated that the labor unions were not the problem, but rather an outgrowth of the prob-

Alice Faye Call, 2, Succumbs To Injuries

Alice Faye Call, two, daughter of Mr. and Mrs. W. A. (George) Call of Mocksville, who was injured in a car-truck accident here Saturday, died at 3:55 a.m., Monday.

The child, taken to Rowan Memorial Hospital at Salisbury, never regained consciousness.

Also in the hospital as a result of the accident are Mrs. John Hugh Shelton of Mocksville, who reportedly has a broken back, and her daughter, Christine, five, who is improving after undergoing an emergency operation Saturday for internal injuries. Theresa Barrette, 13, a niece of the Call's has a fractured pelvis. Mr. and Mrs. George Call, and John Hugh Shelton, all occupants of the car, were not seriously injured.

On Way To Funeral

The accident occurred shortly before 10 a.m. Saturday morning at the spotlight where the Lexington Road traverses South Main Street. A dump truck belonging to the Dickerson Construction Company of Monroe, driven by John Griggins of South Carolina, collided with the '50 Mercury driven by George Call. The automobile was headed east towards Lexington, where the seven passengers were to attend a funeral. The truck was headed south towards Salisbury. The truck struck the side of the car, veered to the left, and continued a short way and overturned down a slight embankment. The truck drove escaped injury.

George Call, his daughter, and the Shelton child, were reported thrown from the car. Mr. Call, however, was not seriously injured. Two ambulances were used to transport the injured to the hospital.

Mrs. Shelton Injured

After the wreck, Mrs. Shelton walked around and aided in putting the injured in the ambulances. She rode to the hospital sitting erect on the front seat of the ambulance. However, upon reaching the hospital she reported that she couldn't move and had to be carried into the hospital. Later it was reported that she had a broken back.

The accident occurred when the driver of one of the vehicles failed to observe the traffic light at

WRECKS AND A TRAFFIC LIGHT

Last Saturday there was a serious wreck at the crossing of highways 64 and 601, South Main and Lexington Streets, in Mocksville. This is not the first wreck to occur at this site, but only another of an ever increasing number that have occurred since the installation of a traffic light.

And once again behind the wreck Saturday was the same familiar story. The drivers of both vehicles claiming they had the green light and the right of way.

This traffic light, like all the others in Mocksville, changes directly from "Go" to "Stop" and vice versa. Absent is the familiar yellow caution light that serves warning that the light is changing. In fact, on this particular traffic light, both the green and red lights burn simultaneously, for a brief moment, as the changes are made. Thus for a brief moment, the green light "go" shows in all four directions, but so does the red "stop" signal.

Unfortunately, it is a rule with most drivers to try to make it through a light before it changes to "stop." Unfortunately, a majority of the drivers will put on a little extra burst of speed if the light shows green, giving them the right of way. This policy has resulted in many accidents.

Of course a traffic light cannot be blamed for any accident. But in some cases perhaps it could be considered as a contributing factor. That is if it conveys a false sense of security of the right of way that supposedly goes with the green "go" light.

The wreck Saturday, and the others, may have occurred at this crossing, traffic light or no traffic light. However, it seems that more accidents have occurred here since it was installed, than occurred before. If this is the case, it would seem that certain changes are in order.

Perhaps the problem would be solved if all vehicles, at all times, were required to stop before entering or crossing South Main Street. Or, if this is not feasible, perhaps a three phase traffic light, with the yellow "caution" signal might better answer the purpose. At least the latter would eliminate the sudden changes that now occur with the present light.

However, regardless of all safety signals and devices that may be put into effect, nothing will ever take the place of carefulness, that should always be exercised by the person behind the wheel.

OUR DEMOCRACY—by Mat

PUT YOUR SHOULDER TO THE WHEEL

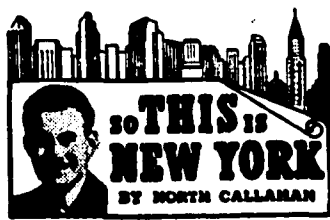

IF HIS WAGON BOGS DOWN OR HIS CAR IS Mired, THE SELF-RELIANT MAN PUTS HIS OWN SHOULDER TO THE WHEEL.

—AND AS WE WORK TOGETHER, EACH OF US DOING HIS SHARE, IT IS THIS SHOULDER-TO-THE-WHEEL PHILOSOPHY, THIS DOCTRINE OF PERSONAL INITIATIVE AND RESPONSIBILITY THAT GIVES AMERICAN DEMOCRACY ITS RESILIENT STRENGTH.

NOW, AS IN THE PAST, WHEN OUR DEMOCRACY IS ALERTED AGAINST AGGRESSION, THE NATION'S SLOGAN FOR ALL OF US, IS — "SHOULDERS TO THE WHEEL!"

Vincent Lopez, the orchestra leader, told me a story about the time he had a singer-violinist in his orchestra at the St. Regis Hotel here, and he didn't think so much of him. So he let him go. A few years later when Lopez was playing at a theater in Chicago he was told by the manager that he would have to hire a certain singer-violinist at \$750 a week—and sure enough, it was the same one Lopez had fired. "For anyone else, I'd play for \$250 a week," said the vengeful musician. His name was Jan Pierce, now famous.

One of the oddities of this town is abig office building built on stilts. It is the New York Central building which is constructed right over two tiers of railroad tracks and one subway. The size of the hole covered by this building, I learned, is three blocks wide, eight blocks long and sixty feet deep. Yet to look at the structure towering magnificently at the center of Park Avenue, one would never suspect it sits over a busy crater in the earth.

As far as socialized medicine

is concerned, New York has had it for 123 years. It is practiced in the Northern Dispensary of the City of New York at Waverly and Christopher Streets, which was established to bring medical and surgical help to the worthy poor. But this dispensary whose doors have never been closed, day or night, since its opening over a century ago, it's not supported by the city. New York gives it only \$1,000 a year and last year it cost over \$30,000 to operate it. The rest is furnished by private contributions — never solicited. In its quiet, effective way, the institution has helped many thousands who could not afford private medical care.

On a day last week the New York Times looked just the same except for a Roman numeral "C" in the volume number line on the front page for the first time. Although there was no ceremony, this meant that the Times was entering its 100th year of publication. The first issue of this great newspaper had only four pages. Sometimes on Sundays nowadays, there are almost 400 pages. In the first issue, the front page international news was 15 days old, having come in by sailing vessel. Today it is flashed here in seconds. But I couldn't help but note that name made news in those days too. The first edition stated that Daniel Webster was in Boston; that P. T. Barnum,

Jenny Lind and Senator Stephen A. Douglas were all at the State fair in Rochester.

The shiny, black limousine shot up to the traffic light, skidded to a stop and trembled a little, old man scurried out of its way and panted on to the curb. The well-dressed, heavy-set man in the rear of the car roled down his window and shouted, "Why don't you watch where you're going?" The little old man drew himself up to his full five feet-four, his worn clothes looking shabbier in the sunlight. "Sir, I am looking," he said, his voice shaking but dignified. "You may live on 5th Avenue and have a car and reckless chauffeur, but I spend my time

in a house that has far more wealth than you'll ever have—and I'm going there now!" He turned and went into the public library.

Holds Everything...on any hill!

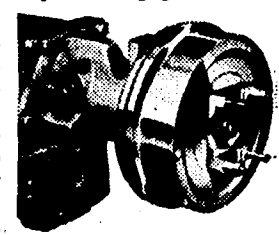

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just

one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it... there's built-in value all the way through!

Chrysler Driving Advantages:

Fluid Drive... automatic gear shifting with exclusive car control. High Compression Splitfire Engine... extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear! Waterpump Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:

Chair Height Seats... no crouching on the floor... Functional Design... room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering... minimizes road shock, wheel lift. Rubber Body Mountings... Floating Power... eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:

"Easi-Lock" Hand Brake... holds car parked on any hill. Safety Rim Wheels... won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wipers... electrically operated—won't slow down when you stop on gas. Safe Guard Hydraulic Brakes... exclusive balanced brake power, smoother stops, less pedal pressure.

COLORED NEWS

By AMANDA EVANS

N.F.A. Circle

Some 75 New Farmers of America boys left Sunday, Oct. 1, for Atlanta, Ga., where they will attend the National N.F.A. Convention. Davie County's own Calvin Ijames president of N.F.A. for North Carolina, headed the group that left by train from Greensboro. The group was accompanied by their executive secretary, W. J. Fisher.

Mr. A. L. Scales (Voc. Ag. Instructor) with his boys, Robert Piliam and Paul Hamilton, left Mocksville, to motor through the country. They carried with them the N.F.A. father for the trip in the person of Mr. Will Eaton of Cedar Creek Community.

The Agricultural department of the Davie County Training School has made definite plans to participate in the Dairy Cattle Show which will be held at the Fair Grounds in Statesville, Oct. 11, 1950. The show is sponsored by the N.F.A., and New Home Makers Club of Iredell land surrounding counties. N.F.A. participants from the chapter of Davie County Training School will be William Pulliam, Robert Pulliam, John Lesley Ijames, Richard Peebles, and Calvin Ijames. Lucille Pulliam will represent the New Home Makers Club.

Veterans activities still move on at the D.C.T.S. As they will be unable to participate in the Dairy show, they are fitting animals

that will be shown by N.F.A. boys. Any prizes will go to the owner of the animal.

A few veterans took time out from selling tobacco to glance at their small grain enterprise. W. Revels, T. J. Rhynehardt, B. Hoover, and E. Hoover have already purchased some of the New Cokers Victor grain oats, and the new Cokers Pedigreed wheat. They are anticipating early seeding, resulting in better yields in grain and the sale of some grain to their neighbors next year.

In addition to other enterprises these veterans have become immensely absorbed in the idea of raising beef animals to supplement the farm income.

The faculty of Davie County Training School will be presented in a talent program October 10, at 8 p.m. in the school auditorium. Guest talent will include: Price High School, Salisbury; Dunbar High School, East Spencer; Monroe Street School, Salisbury. This will be the first program presented in the new auditorium.

There will be a Tom Thumb Wedding at Davie County Training School October 13, at 8 p.m.

MECHANIC FALLS

E. R. Siliman, head mechanic of the Davis County school garage, fell Monday into an oil pit while working on a school bus and broke a rib. He is getting along nicely, however.

MORE ABOUT

Employ the Handicapped

wise qualified but physically handicapped workers by employing their services; and

WHEREAS the Congress, by a joint resolution approved August 11, 1945 (58 Stat. 5303), and the President of the United States yearly by Proclamation, has designated the first week in October of each year as National Employ the Handicapped Week, during which appropriate ceremonies are to be held throughout the Nation.

NOW, THEREFORE, I, J. E. DURHAM, Mayor of Mocksville, N. C., do hereby call upon the people of this town to observe the week of October 1-7, 1950, as National Employ the Physically Handicapped Week. I call upon other public officials, as well as leaders of industry, labor, and civic groups to make every effort to enlist public support for a sustained program aimed at the employment and full use of the capabilities of all physically handicapped workers. I further urge all employers to place all their job orders with the N. C. State Employment Service in Salisbury, N. C., so that disabled veterans and other handicapped workers may be able to prove their value in productive and self-supporting jobs.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of my city to be affixed.

DONE at the city of Mocksville, North Carolina, this 28th day of September in the year of our Lord nineteen hundred and fifty.

J. E. DURHAM, Mayor

Wayne Eaton Licensed As Funeral Director

Wayne Eaton, son of Mr. and Mrs. Carl Eaton of Cooleme, passed the State Board of Embalming and Funeral Directors examination given in Wilmington on July 22. He made an average of 94.6 on the examination.

Mr. Eaton was granted his license effective September 25, 1950.

He is a graduate of the Gupton-Jones College of Nashville, Tenn., where he received a degree in mortuary science.

At the present time he is a staff member of the Hanes Funeral Home, Inc., in Greensboro.

ALUMNAE MEETING

W.C.U.N.C. Alumnae will hold a meeting on Friday, October 6, at 8 p.m. at the home of Mrs. C. W. Young.

Cedar birds will line up on a limb and pass a piece of fruit, or a worm, back and forth.

A limburger - cheese - sniffing contest was held in Monroe, Wisc. in 1935.

America's greatness stems from her communities. Your own home town is just as important a segment of the United States as any part of the nation. You know that, of course, but have you ever stopped to consider why your community is such a good place in which to live?

There are many reasons—reasons you're hardly conscious of because they've become such an integral part of your daily life. Your home town is made up mostly of people such as you.

folks who love the community, who are just as much interested as you are in making it a better place in which to reside, and make a comfortable livelihood. Your hometown hardwareman is such a person.

Truly, when we come down to it, the local hardware retailer is a pretty important asset to your way of life. And he, too, is a part of the community—a man whose business helps pay taxes, provide better schools, improve roads. He deserves your business—not alone for the better values he offers, but because his shoulder, as well as yours, is to the wheel—the wheel that makes your community everything that it is!

Personals... Clubs

Mr. and Mrs. Joe Patner returned Monday, from Wilkes-Barre, Pa., where they spent the past week.

Miss Lillie Meroney returned home last week after spending the summer in Lexington, with her sister, Mrs. J. C. Hodges.

Mrs. A. T. Stockard and daughter, Olivia, of Raleigh, spent the week end with Misses Daisy and Nell Holthouser.

Mr. and Mrs. C. L. Holton and daughter, Mrs. Thomases of Tallahassee, Fla., spent ten days visiting in Davie and Yadkin Counties. Mrs. Holton spent last week with her brother, the Rev. E. W. Turner and Mrs. Turner. They returned home Friday.

Mr. and Mrs. D. B. Turner of Winston-Salem and Mr. and Mrs. Morris of Little Rock, Ark., were dinner guests of Rev. and Mrs. E. W. Turner Monday evening.

Mrs. John Durham is recovering from a fall received at her home here last week when her left arm was broken.

W. L. Moore, Sr., had a stroke Sunday morning at his home here and was taken to Davis Hospital, Statesville, Sunday night. He remains in a critical condition. His children, Mrs. Bowman George of Mt. Airy, Miss Muriel Moore of Raleigh, and Mr. and Mrs. W. L. Moore, Jr., are in Statesville with their father.

R. L. Walker is in critical condition at his home on Wilkesboro Street.

W. T. Allen and Jack Beck of Rock Hill S. C., were guests of Mr. and Mrs. W. F. Robinson Tuesday.

Miss Jane Howard entered Davis Hospital, Statesville, on Tuesday for a tonsilectomy.

Mrs. James Frye and Mrs. Paul Grubb attended the Winston-Salem district Presbytery held at Fairmont Church, near Lexington, last Saturday.

Mrs. E. P. Bradley is improving after suffering a slight heart attack last Thursday.

Mr. and Mrs. F. E. Peebles and children spent the week end in Guilford College, guests of her parents, Mr. and Mrs. H. C. Turner.

Attending Meredith College, Raleigh, from Davie County are Miss Ann Braswell of Mocksville, and Miss Janet Tatum of Cooleemee.

C. J. Angell attended a meeting and banquet in Winston-Salem Monday for Crosley dealers.

Mrs. Hansford Sams and children of Decatur, Ga., left Monday after visiting her father, R. B. Sanford for two weeks. Mr. Sams spent the week end here and returned with them.

Mrs. George Kuykendall and children of Charlotte, spent Sunday with her mother, Mrs. E. P. Bradley.

Mrs. E. W. Crow and Mrs. R. D. W. Connor attended the wedding of their nephew, Frank Hanes, Jr., of Walkertown, who married Miss Jane Tomlinson in High Point, Saturday evening.

J. C. Sanford left Sunday on a business trip to New York. He will return home in a few days.

Mr. and Mrs. O. H. Perry of Washington, D. C., arrived Monday to visit her sister, Miss Willie Miller.

Miss Phyllis Johnson of Charlotte was week end guest of her parents, Mr. and Mrs. P. J. Johnson.

Dr. Bill Sanford of Philadelphia, Pa., spent Saturday night with his parents, Mr. and Mrs. J. C. Sanford. Mrs. Sanford motored to Washington, D. C., on Sunday with Dr. Sanford to visit her daughter, Mrs. Peter Leary, until Friday.

Misses Clara Bell LeGrand and Carroll Johnstone, Salem College students, spent Sunday with their parents.

Miss Mary Jane Eidson of Greensboro, spent the week end with her parents, Mr. and Mrs. J. H. Eidson.

T. C. Sheek arrived Wednesday from Gilman, Iowa, to visit his daughter, Mrs. George Cornatzer on Route 1, Advance.

Dr. and Mrs. R. P. Anderson and Mr. and Mrs. Lev Anderson and son Bobby, of North Wilkesboro, left Friday on a motor trip to Fontana Dam and the Smoky Mountains into Tenn. They returned home Monday.

Supper Given For Salem Students

Miss Flossie Martin was hostess at a supper Sunday evening at her home on North Main Street honoring her niece Miss Kitty Burrus, Miss Erika Huber and Miss Katherine Birkels, students at Salem College.

Covers were laid for Misses Martin, Burrus, Huber, Birkel and Clara Bell LeGrand.

W. S. C. S. Meets In Ladies' Parlor

The Woman's Society of Christian Service of the Mocksville Methodist church met Monday evening in the Ladies' Parlor with the president, Mrs. Ann Domm, presiding.

The opening worship service was led by Mrs. Hattie McGuire.

A short summary of "Methodist Missions Overseas" was given by Miss Martha Call and Mrs. Curtis Price. Mrs. H. C. Sprinkle, Jr. gave an informative talk on "Missions in Latin America." Mrs. Sprinkle has recently returned from a tour of Latin America taken with Dr. Sprinkle, associate editor of the "World Outlook." In closing Mrs. Sprinkle stated, "with the small amount of money expended and the benefits derived, one could not help but say, 'What wonders God hath wrought.'"

F. F. A. Group Elect Officers

The Mocksville chapter of the Federation of Future Farmers of America held their first meeting on Wednesday, September 27.

Officers for the new year were elected as follows: president, Odus Chaffin; vice president, Harley Howell; secretary, L. D. Hendricks; reporter, Cornell Allen and treasurer, Dennis Ijames.

This chapter was a gold medal chapter last year and plans have been made for a more progressive chapter this year. A pig project is already underway with six pigs and a new pen built for them.

Winston-Salem Fair Bigger and Better

For the Piedmont section of North Carolina, the outstanding event of each fall is the Winston-Salem Fair. This year's fair, October 10, 11, 12, 13 and 14, will maintain the tradition of "bigger and better each year", officials declare.

The Winston-Salem Fair is carefully planned to provide something of peculiar interest to old and young each of the five days. Wednesday, as usual, will be "County School Day," with teachers and pupils of all schools in counties surrounding Winston-Salem as guests of the management.

Thursday is always a big day, with its Cattle Parade. This is the one opportunity for cattle fanciers to witness an exhibition of the finest, and to study the various breeds. Officials report that prospective entries assure a parade of even greater interest this year.

Horse racing, with the fastest horses in the South entered, takes place Tuesday, Wednesday, Thursday and Friday afternoons. The free entertainment in front of the grandstand is worth the price of admission, especially the night show, featuring the "Showtime Revue"—girls, music, dancing and comedy. Elaborate fireworks will be presented each night.

The Motorcycle races Saturday afternoon, are said to have the largest purses ever paid in the South, and are attracting riders from all over the United States and Canada.

The World of Mirth, with countless shows and thrilling rides, again will provide the famous midway attractions. The Winston-Salem fair is noted for its complete midway and many new features are to be presented this year.

Last, but by no means last, are the exhibits of farm and home products, including poultry. The demand for exhibit space has taxed the capacity of the fairgrounds and the variety of displays will make more than one tour of the grounds and buildings necessary.

NEW PROTECTION FROM MILDEW, RUST, ROT!

FOR HOMES, STORES, FACTORIES

Now save your home or business place from costly damages of dampness! Plug this amazing new Kelvinator Air Drier into any 110 v. A.C. electrical outlet. It's compact, quiet, efficient—and can remove up to 3 gallons of water from over humid air in 24 hours! OUR COUNTY AND SOCIAL SECURITY

Under the new social security law, the term "employee" has been redefined. Under this new definition approximately 400,000 persons will be brought under social security through this extension of occupational coverage.

On January first, a full-time life insurance salesman will begin building toward old-age and survivors insurance benefits. So will agent or commission drivers engaged in distributing meat, vegetable, fruit, or bakery product. Agent or commission drivers engaged in laundry or dry-cleaning services will come under social security. Also, those distributing beverages (other than milk).

Both traveling and city salesmen, working on a full-time basis, are brought under the new social security law. This will not include however, a salesman's side-line sales for some other person.

To be covered by the new social security in these occupations, the worker must perform these services individually, and he must not have a substantial investment in the business for which he is engaged as a salesman or distributor. Moreover, a person engaged for a single sales or distribution transaction would not be covered. The worker must be employed continuously to be eligible for social security coverage.

Home workers, that is, persons who do the work not in a plant or factory, but in their own place of residence, are now covered by social security also. The work must be done according to specifications furnished by the person for whom the services are performed, and that employer must supply the material or goods on which the employee works at home. This kind of work is subject to the regulation under the law of the State in which the home worker lives.

A representative of this office will be in Mocksville again on October 11, at the Courthouse.

FIRES EXPENSIVE TO THE FARMER

Fire prevention Week is of "top priority" to the American farmer. According to the National Fire Protection Association, sponsor of Fire Prevention Week: "Fires were never more expensive than they are today. Many farms are underinsured; some building materials are at all-time peak prices; others, are impossible to get. With the need for certain foods, 'You just can't afford to have a fire today.'"

Most farm buildings are of wood, built with little thought for fire safety. Hay, grain, straw, food, and other materials stored on farms burn rapidly. In spite of this, farms usually have no water or apparatus to put out the fire that starts; and in many isolated communities, organized fire departments are a long ways off.

The majority of farm fires are due to just seven causes—all largely preventable.

The approximate order of their importance are listed as follows:

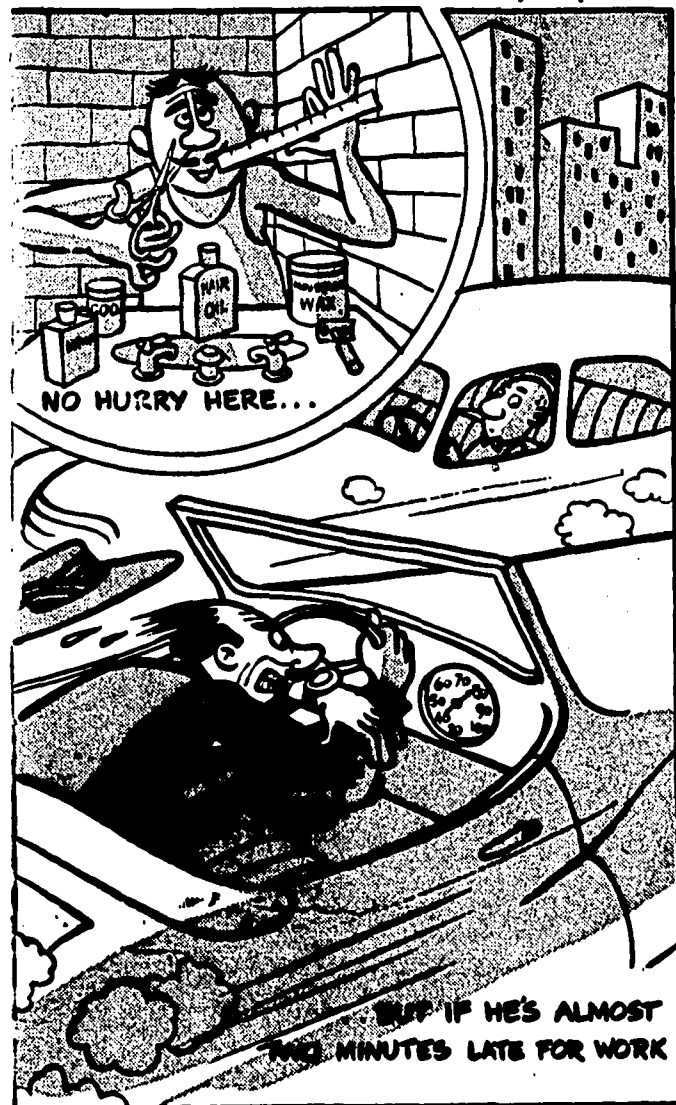

1. Defective chimneys and heating apparatus.
2. Combustible roofs.
3. Lightning.
4. Spontaneous Ignition.
5. Misuse of electricity.
6. Careless smoking and handling of matches.
7. Improper use and storage of gasoline and kerosene.

Fire prevention is a 365-day "chore", but farmers should place special emphasis on eliminating fire hazards during Fire Prevention Week. It doesn't make much sense to work for years and bring a farm to peak efficiency only to lose it in a few minutes, just because someone caused a fire by smoking thoughtlessly or was careless when "Gassing up" the tractor.

Courtroom, second floor, at 12:30 p.m.; and on the same date in Coolceemee at the Old Band Hall, over Ledford's store at 11:00 a.m.

Maim Street

by Ralph Stein

Wake County's 1950 turkey crop will be only about one-fourth as large as its 1949 crop, according to estimates by L. W. Herrick, Jr., turkey specialist for the State College Extension Service.

The 1950 national cotton crop is estimated at 10.3 million bales, about 5.8 million bales less than last year's production.

Drivers Are Urged**To Renew Licenses**

The R, S, T group of motorists makes up one of the largest which must stand examination for drivers license renewals, yet persons in this category have been very slow to make application for licenses, the North Carolina Department of Motor Vehicles reported today.

A glance at local telephone directories reveals the cause for the size of this group, the Department pointed out. The name Smith alone generally fills several pages. Persons with such popular names as Roberts, Rogers, Stephens (or Stevens), Taylor and Thomas fall within this category.

Approximately 185,000 North Carolinians are included in the R-T group. Although one-third of the examining period has passed, only 50,000 persons have stood examination.

Motorists who must renew their licenses can be assured of immediate attention if they go to their nearest drivers license examiner within the next few weeks but if they wait till the rush begins they are likely to have to wait for their examination.

The examining period for motorists whose surnames begin with R, S, or T started on July 1 and will continue through December 31.

FOOTBALL GAME

bee took a pass on the ten yard line and waltzed over for the eye, to march down the field. Fere-score. Benson ran for the extra point and Mocksville led at half-time 20 to 12.

Mocksville kicked off to Cleveland to begin the third quarter. Stellar play by the Mocksville's rugged line forced Cleveland to kick and the Wildcats took over

on the 50. Ammons passed to Lakey for a first down on the 40. Ammons, behind good blocking, raced to the 20 yard line before being knocked down. Cohen ran to the 13, and Benson carried to within inches of the goal. Lakey in two tries, cracked over for the touchdown, and Benson ran for his third extra point of the night.

Cleveland returned the kick-off to Mocksville's 40, but the locals held fast and took over the ball on downs. Once again, Am-

Claude Hicks Named
Campaign for Gavin

Appointment of Claude Hicks of Mocksville, as Davie County campaign manager for Senatorial Candidate Edwin L. Gavin was announced today by Gavin's state campaign manager, Al Highsmith.

Hicks, a Mocksville attorney, will begin his duties at once, according to Highsmith.

Gavin was nominated unanimously by the more than 1200 delegates to the Republican state Convention to oppose Willis Smith for the U. S. Senate seat now held by Senator Frank P. Graham. Gavin's State Headquarters is located in Sanford, where is an attorney.

mons opened up with passes to Soffey and Lakey that carried to Cleveland's 26 yard line. Cleveland stopped this threat by an interception on the 29. However, Mocksville bounced right back with Lakey intercepting a pass and running it to the Cleveland's 13. Here Cleveland stiffened and took over the ball on downs on their own 13 yard line and were marching down the field as the game ended.

Calvin Ijames, Delegate
To Youth Conference

Calvin Ijames, Negro youth of Mocksville will be among 39 Tar Heels who will deliver North Carolina's report to the Midcentury White House Conference on Children and Youth when the nationwide conferences convenes in Washington, D. C., December 3, for four days of meetings devoted to bettering the welfare of the nation's children. Young Ijames will be one of the youth representatives.

Governor W. Kerr Scott announced the delegates to the conference from North Carolina. Several state officials will spearhead the group, among them Forrest Shuford, Commissioner of Labor; Dr. J. W. R. Norton, State Health Officer and Ralph Andrews, Director of the North Carolina Recreation Commission. In addition to the regular delegation, Dr. Clyde A. Arwin, State Superintendent of Public Instruction, will attend as a representative of the National Council of Chief State School Officers, and Dr. Ellen Winston, Commissioner of Public Welfare, will attend as a member of the White House Conference National Committee on Fact Finding.

Governor Scott stated that in appointing the delegation, a balanced group had been sought, with representatives of many organizations specializing in services to children included. In addition, he stated a good division between delegates from rural and small town areas and from cities was considered. Negro organizations are also well represented, he said, as are youth groups, and county and city governments.

The delegation will present to the Midcentury White House Conference North Carolina's report on the services provided for children and youth within the state, the services still needed, and the best methods to fill these needs. The state report will be

compiled from reports of 82 county meetings which have been held throughout the state in the past few months. The North Carolina Conference for Social Service organized local committees to set up these county meetings.

P.T. A. MEETING

An executive meeting will be held in the Mocksville High School library on Monday afternoon, October 9, at 3 p.m. The Mocksville P.T. A. meeting will be held Monday evening at 7:30 p.m. in the library.

SHADY GROVE TEACHER

Calvin Price recently assumed his duties as a teacher in the elementary grades of the Shady Grove School. He is a graduate of Catawba College, and prior to service in the Air Force, attended school at Wingate Junior College.

PARSONAGE HOUSEWARMING

Crusade for Freedom Underway in County

Goal of 600 Signatures And \$90 Set for County

The Crusade For Freedom in Davie County will get underway this week. Final plans for the campaign were announced Monday by Duke Tutterow, Jaycee chairman in charge of the drive.

The Object of the Crusade For Freedom movement is centered around getting as many signatures as possible on the freedom scroll. Each signature made on the scroll will be permanently enshrined with the freedom bell in Berlin, as a symbol of American dedication to the cause of world freedom.

Signers will also be provided with an opportunity to back up their signatures with a free-will offering as a contribution to the support and further development of Radio Free Europe. This broadcasting agency sends daily programs from a transmitter in Western Germany to the prisoner peoples behind the Iron Curtain in an effort to nail Communist lies with the truth of freedom.

600 Signatures

Mr. Tutterow announced that he had received the official scrolls that will accommodate only around 600 signatures from Davie County. He stated that according to the response this program was meeting in the other counties, this would not take care of all desiring to sign. He announced that the scrolls would be available for signing at the Mocksville post office any day this week. Also that other scrolls would be circulated by Jaycees and an effort made to wind-up the drive this week.

Mr. Tutterow announced that an average contribution of 15 cents per signer would enable Davie County to meet its quota of \$90 for Radio Free Europe. It is requested that this amount be contributed at the time of signing the scroll.

United Nations Day

On October 24, United Nations Day, the bell will be dedicated in the American zone of Berlin. Its simple purpose is set forth in the inscription around its base: "That this world under God shall have a new birth of freedom."

At this conclusion of the Crusade, the first clasp of the Freedom Bell will be carried to the peoples of the earth by the most extensive network of radio ever assembled—spearheaded by Radio Free Europe. Simultaneously, bells are to ring out all over America. Throughout Europe, also bells will be rung. Behind the Iron Curtain, there will appear scrawled on walls. In a dramatic world-wide pealing of bells the message of the Freedom Bell will ring out to give new hope and courage to the enslaved peoples of the world.

The Crusade For Freedom is a nation wide program directed by General Lucius D. Clay, famed leader of the Berlin airlift.

School Bus Drivers Hold Safety Meeting

D. G. Hatcher, of the Division of School Transportation and Safety, met with county principals, school bus drivers, and prospective school bus drivers, Monday morning. David Stillwell, county supervisor, and E. R. Silliman, head mechanic, also were present for the meeting.

FIRE PREVENTION WEEK OBSERVED OCTOBER 8 TO 14

In connection with National Fire Prevention Week, which is being observed this week, the following open letter to the people of Davie County is printed:

TO THE PEOPLE OF DAVIE COUNTY:

Greetings:

A place to live is a fundamental requirement of an American family. Suppose your home were to catch fire tonight (and thousands will throughout the United States) and suppose you are fortunate and all your loved ones escape without injury, your home, due to fine work by the Fire Department is only partially destroyed and that covered by insurance.

You would, under these circumstances, indeed be fortunate. But where would you and your family live while repairs are being made? There are exceedingly few houses for sale or rent and apartments are practically unattainable.

If, under the most favorable conditions, fire attacks you, you will face a serious and dreary situation.

Why Not Prevent Such A Fire?
In October, 1900, the North Carolina Insurance Department, then recently formed, issued its first Fire Prevention Day bulletin. This bulletin contained these two simple lines:

"Most fires are due to carelessness" and "The A. B. C. of fire prevention—Always be careful."

From this simple bulletin issued in 1900, with the full co-

(Continued on Page 8)

DEMOCRATS PLAN 8th DISTRICT RALLY

Plans are shaping up for the largest and most enthusiastic Democratic Rally ever staged in the 8th District, when on Thursday, October 12 at 2 p.m., the Democrats from the 12 counties of the District will come together in Lexington.

James H. Thompson, Chairman of the Democratic Executive Committee in Davie County expects a large delegation from the county to attend. The State Chairman, Everett Jordan, will head a large delegation of National and State officials who will be present.

Congressman Charles B. Deane reports that the three Congressional Rallies previously held in the Western part of the State were not only well attended but that the party leaders are highly pleased with the great interest that is being shown this early in the campaign. The Eighth District Congressman feels confident that from all reports that he has received, a large vote will be cast not only in his District but throughout the State and Nation on November 7.

The Registration books will be open at the various polling places on October 14, 21, and 28. Every individual who did not vote in the primary and is not registered should register on one of these dates.

There rests upon every loyal American, not only the privilege but the duty of casting his or her vote. If you expect to be away on election day, contact the Chairman of the Board of Elections and cast an absentee vote.

WORLD REVIVAL OF CHRISTIANITY IS ROTARY TOPIC

Rev. J. P. Davis, speaking before local Rotarians Tuesday, urged a world revival of Christianity as being the panacea for the present world crisis. Mr. Davis made his plea after citing the trend of America and the world towards destruction.

Mr. Davis based his talk of the Baptist World Alliance which he attended at Cleveland during the past summer. This meeting was attended by representatives of all nations and all races.

Mr. Davis was introduced by Dr. L. P. Martin who paid tribute to Mr. Davis for extending hope. Dr. Martin compared the talk by Mr. Davis with that of a general he heard sometime ago. "Both painted a rather dark picture, but Mr. Davis offered us some ray of hope. The general offered little hope," said Dr. Martin.

Scout Executive B. W. Hackney presented the Rotary with a charter for their sponsorship of the local Boy Scout Troop. The charter was accepted for the Rotary Club by W. J. B. Sell.

Special guests included Ed Latta, assistant Scout Master, and T. I. Caudell. Miss Jane Click served as pianist.

Davie Democrats Open Headquarters

J. H. Thompson, chairman of the Democratic Executive Committee of Davie County announced that the Democrats would open campaign headquarters in an office in the Masonic Building. It is also announced that a typist and clerk would work in the campaign headquarters which would be kept open daily from now until the election on November 7.

Mr. Thompson stated that the headquarters was being opened at the request of Democratic supporters throughout the county who cited the need for such an office in planning for the fall campaign.

The headquarters is located in the office adjoining Lawrence Hutchins, Atty., on the second floor of the Bank Building.

N. C. Small Grain Farmer Can Double Yield Per Acre

LOCALS CRUSH YADKINVILLE 33-0 Mocksville Plays Jonesville Friday

The Mocksville High School Wildcats made a successful home debut here last Thursday night by racking up a 33 to 0 victory over Yadkinville. Once again it was the vaunted passing attack that saw 14 completed passes gain a total of 224 yards to pave the way to victory.

The Mocksville line played one of its best games of the season stopping Yadkinville's gold on every turn. Little "Gert" Keller, along with Naylor, McDaniel and Fleming kept the middle of the line impassable to the invaders. The ends, Hartman and James, kept the Yadkinville backs well in hand all night.

Offensively it was much the same story featuring the passing of "Skeeter" Ammons. Clyde Lakey also stepped in for his share of the honors by his play which was featured by a 50 yard punt return for the first touchdown.

Jonesville Next

On Friday night, Coach Tarlton's boys will take to the road for a battle with a strong Class AA Jonesville eleven, in a game to be played at Elkin. Coach Tarlton bemoaned his lack of reserves in tackling such a strong team, but stated that Mocksville was capable of an upset if they played their best.

Saturday night Mocksville scored late in the first period when Clyde Lakey took a Yadkinville punt near the mid-field stripe and scampered to pay-dirt. Ammons kick for the extra point failed.

Early in the second period Mocksville counted again with Ferebee taking a pass from Ammons and racing for the score. Once again the try for the extra point failed.

(Continued on Page 8)

Ervin Angell Wins National Honors In Jersey Cattle Judging

Ervin Angell of Mocksville, R. 2, placed 8th in the nation in the judging of Jersey cattle at the national cattle judging contest held in Waterloo, Iowa, last week. Ervin is the son of Mr. and Mrs. Charlie Angell of Mocksville, R. 2 and graduated last spring from the Mocksville High School.

Ervin was a member of the four man team that represented North Carolina in this nation wide contest. The North Carolina team placed sixth and scored 3,720 points. Maryland produced the winning team that scored a total of 3,992 points, with Texas as a runnerup with 3,795 points.

Cattle judged in this contest consisted of the following breeds: Guernseys, Jerseys, Holsteins, Brown Swiss and Ayrshires.

Ervin earned his place as a member of the North Carolina team by placing third in the state contest held last spring.

TELEPHONE MEETING

The Yadkin Valley Telephone Membership Corporation will hold a community meeting at the Advance High School, Friday, Oct. 13 at 7:30 p.m. All who are interested in telephone facilities are urged to attend. An effort is being made to complete the registration during the month of October.

Demonstration Held On Farm of Luther West

Today's small grain farmer in North Carolina can double his yield per acre.

At the same time, the grain produced will be at least four per cent richer in protein content.

By increasing his grain yield, the farmer can lower the cost per unit in livestock production.

By doing both, he will be well on his way toward doubling his present farm income.

To prove conclusively three of these points by next spring—and in so doing provide convincing evidence that farm income can be doubled—extension service specialists and more than 200 Davie County farmers last Wednesday joined hands in a seeding demonstration on the farm of Luther West in the Pino community near Mocksville.

Only on Corn to Date

"North Carolina farmers have greatly increased their corn yield per acre," said Dr. E. R. Collins, head of the agronomy extension service, "but small grain yield is sadly lagging. This is regrettable," he added, "because we already have high-yielding varieties, and we have learned through trial and error much about effective soil preparation and seeding."

The main event last week was the seeding of five acres of Arlington oats and two acres of Atlas wheat. But the part of the demonstration shared in by Davie farmers was the sowing of 106 short rows of oats at the margin of the big field.

Supplied by 53 Farmers

These samples, of such older varieties as Lee, Letoria, Full grain, Victorgrain, Lemont, and several unknowns, were supplied by 53 farmers from their own crops.

"The purpose here," explained Dr. F. J. Bell, small grain specialist, "is to show the difference between cleaned and uncleaned, tested and untested seed. Of each sample, we are sowing one row with oats just as they were harvested, and a second row with the same oats properly cleaned and tested for germination."

He said a grain field should be "well prepared with soil loose and mellow, but the surface should be clodfree and firm to a depth of two or three inches."

Testing the soil in advance, he said, is the only safe way of determining what food content it contains and what must be added.

Planting on time in this area, he pointed out, means, "by Oct. 25 for barley and oats, by Oct. 30 for wheat."

Last week's demonstration—Davie is one of 10 counties chosen for it—was designed to cover all these points.

A seed cleaner was demonstrated, showing how the trash and faulty grains are removed, to assure a pure variety and a higher percentage of germination.

F. E. Peebles, Davie farm agent, showed how to treat the seed grain with Ceresan, to reduce the hazards of some seed and soil-borne diseases.

Of the demonstration work it—

(Continued on Page 8)

THE NEW BRILLION GRAIN DRILL shown above was used last Wednesday to seed seven acres of oats and wheat in a demonstration on the farm of Luther West. More than 200 small grain farmers witnessed the demonstration. The drill seeds, fertilizes, and packs the surface all in the same operation. Shown in the above group, left to right: Luther West, J. C. Ferguson, extension service engineer, unidentified, Leo Williams, Charles Craven, and Francis Peebles.

JOIN THE CRUSADE FOR FREEDOM

There is something every citizen of Davie County can do to help insure that the conflict in which we are engaged will result in an American victory that will remove from the world the perils that now threaten it. Join the Crusade for Freedom, being led so capably by General Lucius D. Clay.

This Crusade for Freedom is an organization dedicated to the purpose of combatting Communism . . . not on the battlefield . . . but by using the principles of psychology . . . in the battle for men's minds.

The object is to get every American to join the movement and take an active part in keeping America free, and that this world, under God, shall have a new birth of freedom.

The men, women and children of the United States become personal participants in the Crusade for Freedom through their signatures on the Freedom Scroll. Every signature on every scroll will be permanently enshrined with the Freedom Bell in Berlin as a symbol of American dedication to the cause of world freedom.

Money contributions will also be accepted. This money will go to support Radio Free Europe, which broadcasts to persons behind the Iron Curtain and in this way combats the insidious propaganda of Communism. Only through these broadcasts are we able to combat the Communists who seek to pervert the thinking of the people of Europe who are denied the truth about America and our attitude toward them.

General Clay has defined the crusade as a "spiritual airlift," designed to put the people of the free world on the offensive. It offers everyone an opportunity to take a personal . . . and a very helpful . . . part in the world-wide struggle between freedom and tyranny. We have the resources, both spiritual and material, to win this struggle if everyone understands its nature and does his part.

This week the local Junior Chamber of Commerce, who have agreed to sponsor this campaign in Davie County, will start circulating the scrolls. Each man, woman and child in Davie County cannot be personally contacted. However, it is believed that any person who believes in the freedom and dignity of the individual, will make a personal effort to see that his name is affixed to the declaration for freedom.

In the midst of the police scandal in connection with gambling here, I picked out a cop at random on 42nd Street and asked him what he thought about the whole mess. He requested that his name not be used, then talked freely. He said the shake-up was the result of the political situation, O'Dwyer having recently resigned as mayor. Some people, said the cop, pay off their friends with favors, others with money, the latter way being generally considered wrong. But he thought things were no worse now than usual, said out of the 20,000 New York policemen there were bound to be a few crooked ones. He felt that organized crime to be successful required the help of questionable judges and prosecutors as well as crooked cops.

Football fans are impatiently awaiting the end of the baseball season as fall approaches. There is moaning among the folks in some parts of this city because their favorite baseball teams lost a close race for the pennant, but rejoicing among others. Many local people, however, have openly hoped that out-of-town teams would win feeling New York nines had won often enough.

He seemed to be a venerable barber, I thought, as he cut my hair. So I asked and found his name to be Erwin Wiegel and his age 74. He did not look that old, however, having a crisp little white mustache and a slight accent. He was born in Alsace and came to this country 60 years ago and has been a barber ever since. For many years, he said, he worked down South in the winter and in Northern resort hotels in the summer. "I have kept young," he concluded sagely and with a twinkle, "by following the birds."

I broke my watch and needed one while it was being repaired, so I went into a drug store to get a dollar watch—only to find that this long-existing American institution no longer exists. The cheapest I could find was priced \$1.39 and this represented what once sold for a buck, the clerk told me. Which I suppose is about the proper proportion of a price rise, considering everything else. This one I have carries the fashionable name of "St. Regis" and keeps good time, too.

When I was a boy in the country I used to look at the red, wooden railroad cabooses which passed and wonder what it would be like to live in one. They always seemed so cozy and complete, like a small ocean ship. Apparently other people feel the same way, officials of the Lehigh Railroad here tell me. One man purchased four of the wooden-sided cabooses which now serve for homes in Sayre, Pa. Another was bought by a Boy Scout troop

for use as a shelter. A man bought one in Allentown, Pa., brought it to his New York suburban home and now uses it as a dressing room at his swimming pool. And several of the aging end-cars are now being used as tourist cabins on the Owego road, east of Waverly, New York.

On each of the Diamond Horse-shoe restaurant just off Times Square is a little paper form known as a "comment slip." The guest is asked to write his opinion on this of the kind of service the waiter gave him during the evening meal. At the end of the of the meal, the guest then deposits the slip in a locked box on his way out—so he can say what he wishes about the waiter and the latter will not know it at the time. From the way the waiters work and bow and smile here though, it is apparent they are trying to get good comments—in other words, they try for a good slip as well as a good tip.

CHECKERBOARD CHUCKLES • From Your Purina Dealer

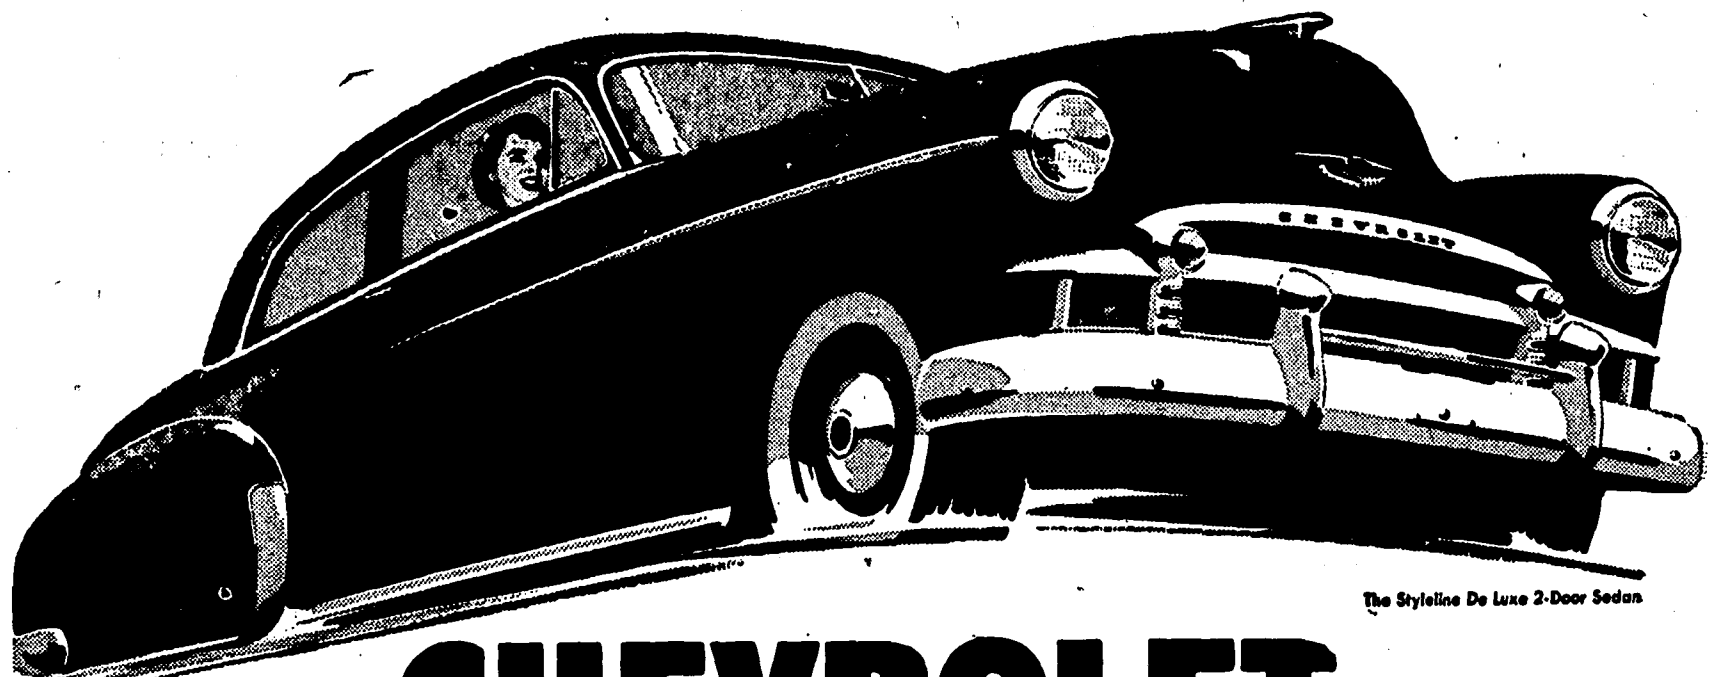

LONG MILKING LIFE

One way the Purina Dairy Program builds the capacity of a herd is by helping increase the milking life of the cows. For example, the Purina Farm herd contains 19 old cows all over 100,000 lbs. of milk. Come in, talk it over.

DAVIE FEED & SEED CO.

Depot St. Mocksville, N. C.

Judge it on POWER and PERFORMANCE

The Styline De Luxe 2-Door Sedan

CHEVROLET

Your Best Buy—by All Odds

It offers more for less—throughout

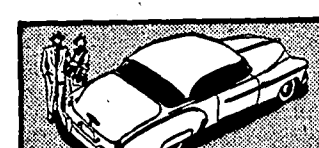

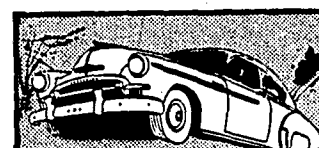

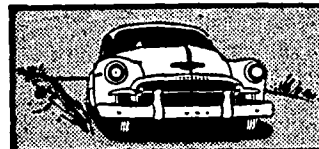

All these fine car features at lowest cost: Center-Point Steering; Curved Windshield with Panoramic Visibility; Fisher Unisteel Body-Construction; Hydraulic brakes with Dual-Life rivetless linings.

It operates more economically

Owners know that Chevrolet brings them an unequalled combination of thrills and thrift, because it's powered by a Valve-in-Head Engine—trend-setter for the industry—exclusive to Chevrolet in its field.

It's better looking—all around

Walk around a Chevrolet . . . study it from every angle. You'll find it's the best looking of all low-priced cars, as a recent independent nationwide survey shows—and, in addition, it's the longest, widest, heaviest car in its field. Come in and see it!

It drives more easily

Finest no-shift driving at lowest cost with Chevrolet's Powerglide Automatic Transmission* . . . or finest standard driving at lowest cost with Chevrolet's Silent Synchromesh Transmission.

It lasts longer, too

Chevrolet cars are extra-sturdy, extra-rugged, extra-durable. That's one reason why there are over a million more Chevrolets on the road than any other make, many having served over a long period of years.

It rides more smoothly

So smooth—so steady—so safe . . . the easiest riding car in its field . . . thanks to the Unitized Knee-Action Ride combined with airplane-type shock absorbers all around!

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models of other cars.

Mrs. Claude Williams, spent Tuesday with Mrs. Clarence Jones and Mrs. John Allen.

Mrs. Worth Potts, Kaye and Glenda Potts shopped in Salisbury Saturday.

FIRE BURNS UP LIFETIMES' WORK IN FEW MINUTES

Fire is bad enough in the city, but is usually spells disaster to the farmer. That is why it is to the special interest of every farmer in the country to do everything that he and his family can do during Fire Prevention Week this year to make his farm safe from needless fire. President Truman has proclaimed the week of October 8-14 as Fire Prevention Week.

Just to take a few scattered cases from the files of the National Fire Protection Association, non-profit group, sponsoring Fire Prevention Week, here are actual cases, selected at random, of how fire burned up in a few minutes the savings and work of a lifetime.

An employee of a dairy farm in Mass. headed to the barn to start milking, discovered a fire in the hayloft. The farm was five miles from town and he had to go almost half a mile to telephone the alarm. By the time the local fire department responded, the dairy farm suffered a loss of

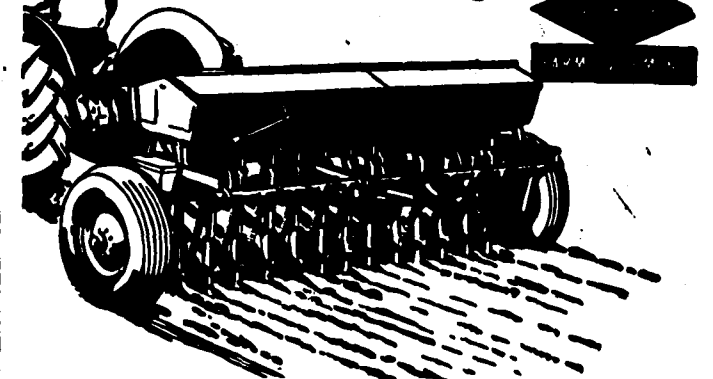

\$20,000.

Ten incubators (with a capacity of 32,000 each) were destroyed by a fire at a Delaware poultry farm. Originating in the incubator room, the fire was started from an overheated motor. Volunteer firemen from five community companies responded, but the only water available was from a one-foot ditch and booster tanks. One tractor-trailer combination had to make three trips to the

burning farm building hauling two 500-gallon wooden tanks each time. The fire cost this poultry man \$70,000.

Another farm in Colorado was totally destroyed by fire caused by an overheated stove. Although the water supplies in this fire were ample, low temperatures and high winds severely handicapped operations; and this farmer suffered a \$50,000 loss.

Another New Addition to the Dearborn Line -

DEARBORN-PEORIA GRAIN DRILL

Who Runs America?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of
Women's Clubs
American Farm Bureau
Federation
National Grange
Veterans of Foreign Wars
National Conference of
Catholic Charities
American Protestant
Hospital Association

American Legion
National Association of
Small Business Men
United States Chamber of
Commerce
National Association of
Retail Grocers
National Retail Dry Goods
Association
American Bar Association

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proud security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. Today

in America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

AMERICAN MEDICAL ASSOCIATION • NATIONAL EDUCATION CAMPAIGN
ONE NORTH LA SALLE STREET, CHICAGO, ILLINOIS

ILLNESS FATAL
TO W. L. MOORE

W. L. Moore, 70, died at a hospital in Statesville Friday.

Mr. Moore was born in Rowan county, son of the late Jay L. and Elizabeth C. Moore. He was a school teacher in Rowan and Iredell counties for two years during early manhood. Mr. Moore was a lumber dealer here for 18 years and operated sawmills in various parts of the state. He was a member of the Scotch-Irish Masonic lodge of Cleveland, N. C.

Mrs. J. H. Horn of Smith
Grove Passes Monday

Mrs. John H. (Aunt Em) Horn, 89, of the Smith Grove community died at her home Monday morning. She had been ill for about one year, seriously ill for two weeks.

Born in Iredell County in 1861, she was the daughter of Gassaway Summers and Mary Vaughn Summers.

Surviving are the husband two sons, W. B. Horn of Winston-Salem and J. M. Horn of Mocksville; four daughters, Mrs. Walter Campbell of Mocksville, Mrs. Will Sain of Mocksville, Route 3, Mrs. W. H. Backwood, Sr., of Winston-Salem and Mrs. Floyd N. Young of Carolina Beach; one sister, Mrs. D. A. Clement of Mocksville, Route 3; 13 grandchildren and 15 great-grandchildren.

Following a short service at the home on Wednesday, funeral services were conducted at the Oak Grove Methodist church. Rev. G. W. Fink and the Rev. Bruce Roberts officiated.

Pallbearers were Lee Clement, Ernie Foster, Lawrence Summers, Lem Wall, Roy Williams and J. N. Richardson, Jr.

He served as a state representative from Davie County in 1941 and 1942.

Survivors include two sons, W. L. Moore, Jr., of the home, and Raymond J., of Schenectady, N. Y.; two daughters, Mrs. Bowman George of Mount Airy and Miss Muriel Moore of Mocksville and Raleigh; five grandchildren; four brothers, R. N. and J. O., of Cleveland, W. H. of Statesville, and L. A. of Morganton; five sisters, Mrs. Lon Knox, Mrs. L. W. Brown, and Mrs. R. H. Page of the Cool Springs Community, Mrs. Paul Holland of Statesville, and Mrs. Bob Niblock of Washington.

Funeral services were held at 3 p. m. Sunday at Mocksville Methodist church. Burial was in Rose cemetery.

R. L. Walker, Local
Merchant, Dies Friday

Robert L. Walker, 79, died at his home on Wilkesboro Street Friday morning at 1:30 a. m., following an illness of one year.

Surviving are the wife, three sons, E. G. Walker of Route 1, Frank Walker of Mocksville and Duke Walker of Winston-Salem; three daughters, Mrs. Rowe Davis and Mrs. Nathan Rose of Norfolk, Va., and Mrs. O. B. McClamrock of Akron, Ohio; one sister, Mrs. J. B. Whitley of Thomasville; 31 grandchildren and 20 great-grandchildren.

Funeral services were held at the home at 2:30 p. m. Sunday, with Mr. Tuttleton, pastor of Corinth Church of Christ, conducting the service. Burial was in Joppa Cemetery.

Mr. Walker was born in Calahain Township, a son of the late Mr. and Mrs. H. J. Walker, and spent most of his life in Davie County. For the past 29 years he was in the mercantile business in this city, retiring a few months ago on account of ill health.

FOUR CORNERS

Those visiting Mr. and Mrs. Cletus Ratledge Sunday were Mr. and Mrs. Ben Powell and daughter, Brenda, Mr. and Mrs. Douglas Ratledge and daughter, Linda, of Charlotte, Mr. and Mrs. Darwin Essic of Yadkinville, Mr. and Mrs. Clifton Harpe, Mrs. Homer Adams and sons of Winston-Salem, Leo Essic, Mrs. Burton Essic, Mrs. I. R. Peoples, Mrs. L. S. Shelton, Mrs. Robert Craft, Mrs. Wilbur Potts and Mrs. L. S. Shelton, Jr.

Mr. and Mrs. Douglas Ratledge of Charlotte visited his parents the past week end.

The Dixon reunion will be held at the home of Mr. and Mrs. T. D. Dixon Sunday, October 15.

Mrs. J. H. Shelton and daughter, Christine, are still in Rowan Memorial Hospital.

ANNUAL SCOUT DINNER

The annual district dinner meeting of the Uwharrie Boy Scout Council will be held at the Cooleemee Methodist Church on Thursday evening, October 26, at 8:30 p. m. Tickets may be secured from George Rowland at the Western Auto Store.

Cooleemee Woman Dies
From Wreck Injuries

Alberta Brown, Cooleemee Negro woman, was fatally injured in an automobile accident at the Cooleemee Crossing in Cooleemee at 11:30 p. m. Saturday.

The accident occurred when the Brown woman's husband lost control of the car he was driving and it plunged into the creek at Cooleemee. The Brown woman was rushed to Rowan Memorial hospital, where she died at 8:45 a. m. Sunday, as the result of a severe head injury and shock.

TRANSFERS TO CATAWBA

Robert B. Dwiggins, son of

Mr. and Mrs. John C. Dwiggins of Court Square, Mocksville, is one of the seven honor graduates of junior colleges who have transferred to Catawba College this fall to complete the requirements for the bachelor's degree. Mr. Dwiggins is a 1950 graduate of Brevard College, where he made the Dean's list for outstanding work scholastically. He was also active in campus affairs, having been a member of the debating team, associate editor of the college yearbook, and a member of the dramatics club. At Catawba he is majoring in social studies, and plans a career as teacher.

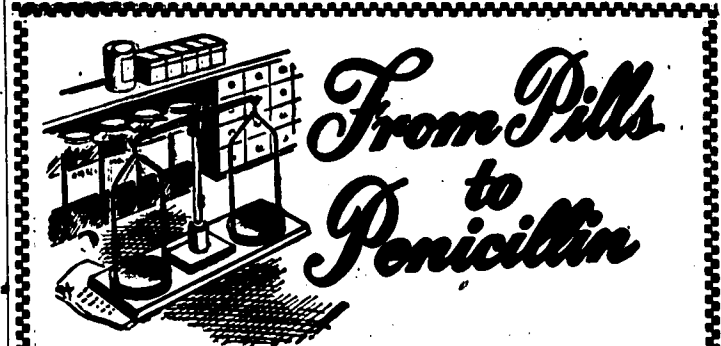

Parent-Teachers
Convene Monday

The Mocksville Parent-Teachers Association met Monday evening in the High School Library.

A committee composed of Ted Junker, George H. Shutt, Mr. and Mrs. C. M. Tarlton, Miss Geneva Beaver and Mesdames Cecil Little, Gilmer Braver, Fletcher

er Click and G. O. Boose were appointed to make plans for the Halloween Parade and Carnival to be held on Tuesday, October 31.

C. L. Farthing, Miss Clayton Brown Carl Jones and Mrs. Jim Kelly were asked to meet with Supt. Curtis Price to select cafeteria equipment and to beautify the school grounds.

Over the years, behind our counters, we've sold many kinds of accepted medicines and we've filled thousands of prescriptions for people of this community. We've helped measure out a lot of medical progress. We've seen new treatments and new drugs turn illness into health, despair into hope.

This progress is more than statistics—it's people And the people we know don't want it tampered with!

Free: America has no place for a bureaucracy that stands between people and progress, between doctor and patient, between physician and pharmacist.

AMERICA IS THE ...

Land of the Free

BUT AMERICA IS NOT THE LAND OF THE FREE HANDOUT

Our Nation was founded on the principle that Freedom must be paid for—and is well worth paying for.

The American people have made great sacrifices in payment for liberty.

But they have refused to sacrifice liberty for promised "security"...to trade freedom for the spurious "safety" of State Socialism.

This firm is proud to be part of a community and a country where each American is free to worship

as he chooses—and grants that same privilege to his neighbor...where a business is free to create a better product, and to compete in the open market for patronage.

Unfettered by political controls, American medicine has made this the healthiest, strongest Nation in the world. Socialized medicine would endanger our physical health, our economic welfare and our political freedom.

With American medicine, we say...

Let's keep our right to manage our own lives...
to earn our liberty...to keep America the

MRS. CHARLES D. SPRY
Miss Champion, Mr.

Spry Wed in California

Miss Lena Maie Champion, daughter of Mr. and Mrs. W. L. Champion of Route 1, Mocksville, and Charles D. Spry of Coolemees were united in marriage Saturday, September 23, at San Diego, Calif., at the home of the officiating minister, The Rev. L. E. Laymon.

Miss Champion chose a pale blue dress, black accessories and a corsage of pink rose buds for her wedding ensemble.

Miss Peggy Theis and Glen Theis attended the couple.

Mrs. Spry was graduated from the Mocksville High School and for the past three years has been employed in Dr. E. A. Eckerd's Dental office in Mocksville.

Mr. Spry attended school in Coolemees and is now serving in the U. S. Navy.

The couple will make their home in Vallejo, Calif., where he is now stationed.

Shady Grove School

P-T. A. Has Meeting

The first meeting of the Shady Grove Parent-Teachers Association was held on Thursday, October 5 in the school auditorium.

D. F. Stillwell, supervisor of Davie County schools, was guest speaker. His topic was, "The Parents Responsibility to the School."

His closing thought was "A school is no bigger than the spirit behind it, give your whole-hearted cooperation for a bigger and better school this year."

An increase in attendance over last year was appreciated and the Association hopes for active and well attended meetings this year.

OUR COUNTY AND SOCIAL SECURITY

Today I want to say something about the kinds of agricultural labor that can count toward social security. In most kinds of farm work the employee has to meet the regularity tests before his work can count toward social security. In most other work with agricultural products, usually done off the farm, all of the work counts toward social security regardless of the amount of time worked or the wages earned.

Let's consider the work subject to the regularity test first. Any work in connection with the cultivation or harvesting of crops or the rearing and caring for livestock on a farm in the ordinary meaning of the word can count toward social security. The same kind of work on specialized farm as poultry, wildlife, or fur-bearing animal farms, nurseries, greenhouses truck farms, or or-

chards can also count toward social security.

Work preparing livestock or harvesting crops for market in an unmanufactured state or delivering them to market comes under social security, if the farmer for whom the employee is working produces more than one half of the commodity.

In case farm operators jointly prepare and deliver their crops to market or storage, the work can count toward social security if the cooperating farmers produced all of the commodities on which the work is done.

In all of the kinds and types of farm work I have just described, the farm worker must be employed by one farm operator, be paid no less than \$50 cash wages for at least 60 days of work in a calendar quarter, and work for that employer on the continuous basis before his work can count toward social security.

Work in connection with commercial canning or commercial

Spontaneous Ignition Fires Plague Farmers

President Truman has called upon the country to observe Fire Prevention Week October 8-14. Preventing fires is particularly important to the American farmer, because usually farmers are highly vulnerable to fire due to their isolated location, lack of

freezing, of course, has been covered for a number of years.

There are two kinds of agricultural work that will not come under social security in January. They are the ginning of cotton and the production of gum resin, turpentine and other naval stores by the original producer of the crude gum.

A representative of this office will be in Mocksville again on October 11 and 25 at the Court-house, Courtroom, Second Floor, at 12:30; and on the same date in Cooleemee at the Old Band Hall, over Ledford's Store, at 11 a.m.

water supplies, and high combustibility of their properties.

One hazard that plagues the farmer particularly is the outbreak of fires from spontaneous ignition. The National Fire Protection Association, which sponsors Fire Prevention Week annually in cooperation with the Extension Service of the United States Department of Agriculture and the State Agricultural Extension Services, had this to say about this serious fire hazard today.

"Thoroughly cure hay, pea vines and other roughage. Do not allow horse manure to accumulate in large piles in stables or against buildings.

"Horse manure and undercured hay will heat spontaneously when stored in large piles. This heating may continue until the temperature of ignition is reached.

"Frequent observation of the stored hay should be made for several weeks as long as there is any evidence of heating. Hay

which is heating excessively should be removed from the barn; but first the heating area should be thoroughly wet with water. Fire department hose should be ready to combat a possible fire. The hay should be transported a safe distance from building's walls, as it may burst into flames later.

"The trick in making sure your farm is safe from hay-fire hazard, the National Fire Protection Association concluded, "is to institute regular over-all inspections of your property not only during Fire Prevention Week but during the other 51 weeks of the year as well."

CAROLINA'S LARGEST AGRICULTURAL CATTLE AND POULTRY SHOW!

5 Days 5 Nights
SOMETHING DOING EVERY MINUTE

If electricity cost nothing to make...

The main cost of Electricity is not in producing it, much as wages and materials have increased.

The largest part of the cost is in maintenance of distribution facilities and service for our many thousands of residential customers.

Whether stream power or steam power, the cost of delivering it to you is much the same. If atomic energy should become the source of Electricity, our big job would still remain—delivering it to your fingertips.

Even if, like water and air, Electricity were supplied by Nature in a form ready for use, men at the Duke Power Company would still work day and night, to harness and transmit it to the place, and at the time, you need it.

DUKE POWER COMPANY
Serving the Piedmont Carolinas

NOTICE OF RESALE
State of North Carolina
Davie County

Under and by virtue of an order of the superior court of Davie County, made in the special proceeding entitled L. H. Johnson et al. vs. John A. MORE ABOUT

Farm Demonstration

self, the main part was performed by a new Brillion three-way grain drill, which seeds, fertilizes, plowrizes and packs the soil, all in one operation.

Developed in Wisconsin with the assistance of agricultural engineers, this machine is now used on N. C. State test farms. Grain specialists said last week its effectiveness is due to the 3200-pound weight which leaves the mulched soil firmly packed about the seed.

The Arlington variety of oats has produced a State test average of 85 bushels per acre.

"This means simply," Dr. Bell said, "that you can expect 17 busels more than when you plant Lee oats, 35 more than Lemont, 26 more than Fullgrain, 14 more than Lemont—in short substantially more than with any other variety we now know."

70th Masonic Picnic
Receipts Gross \$6308.74

The 70th Annual Masonic Picnic grossed \$6308.74 according to figures released by G. R. Madison, Chairman of the Finance Committee. The net receipts for this event came to \$4023.49. Of this amount \$2500 was sent to the Oxford Orphanage.

The picnic receipts were broken down as follows: Sale of gate tickets \$1026.32; Sale of dinner tickets \$667.01; Donations \$102; Advertising sold \$280; Sale of refreshments \$1768.27; Concessions \$2041.12; Rent of grounds \$200; Sale of supplies \$224.02.

Prior to the picnic a new fence was erected around the grounds which cost \$3,000.

Mr. Madison stated that the Mocksville Masonic Lodge wished to express their appreciation to all those who aided in making this 70th Annual event a success.

MORE ABOUT
FOOTBALL GAME

Scores Again
Ammons intercepted a pass on the Yadkinville 30 yard line to set up the next score. A pass to Sofley, an 18 yard run by Ferebee put the ball on the five yard line. Ammons passed to Chester James in the end zone for the score. Ammons kick for the point was good.

A few minutes later Mocksville was rolling again. After taking over the ball on downs on the Yadkinville 44, Sofley took a pass from Ammons and went all the way to the four yard line. On the next play Ammons passed to Lakey for the touchdown. The kick for the extra point was good and Mocksville led at the half 26 to 0.

Mocksville scored their final tally in the third quarter. On a punt, Lakey gave a hand-off to Ammons, and "Skedeter" raced 40 yards to the Yadkinville 10. After a penalty had set the ball on the two yard line, Ammons drove through the center of the line for the score. The kick for the extra point was good and proved to be the last score of the night as the game ended with Mocksville having 33 points to rack up its third victory of the season.

N.C.E.A. MEETING

MORE ABOUT

Fire Prevention Week

operation of the Fire Departments of North Carolina and Civic Clubs throughout the State, Fire Prevention has become a statewide, in many cities and towns a year around, activity, which is paying North Carolinians a splendid dividend today.

"Most Fires Are Due To Carelessness":

It has been said that in many homes "everything one has in

the house and know they will never be used again and are ashamed for the neighbors to see is in the basement, the attic, or the closet under the only stairway leading from the second floor. 95 per cent of it highly flammable and so situated to form a constant threat to such home and the lives of loved ones."

Now, not after the fire, is the proper time to have all this debris removed from the home and properly disposed. Get it before it gets you.

"The A. B. C. of Fire Prevention—Always Be Careful"

When did you examine your heating plant and the pipes there-to, are the heating plants or cook stoves or pipes to close to wood-work? Are your flues and chimneys safe? When did you have your electric wiring and appliances checked by a competent person? Do your electric lights flicker or grow dim when the refrigerator goes on or you turn on the radio or other apparatus? Are the leaves or other trash in

your gutters subject to any spark from your chimney? Is the kerosene or fuel oil properly stored in proper containers?

If there is any doubt in your mind about the foregoing or any other condition in your home which could result in fire, call your Chief of Fire Department or Building Inspector now and follow his advice.

In summer, the Washington Monument is a half inch taller than it is in winter.

Registration Books Open For Election

County and District Candidates Are Listed

The registrars of the various precincts will be at the polling places for the registration of voters from 9 a. m. to sunset on Saturday October 21, and Saturday, October 22.

Persons whose names are not on the registration books and who are unable to get to the polling places on a Saturday, may register other days between now and October 28 by seeing the registrar of their precinct at his home or place of employment, Aubrey Merrell, chairman of the Davie County Board of Elections, explained.

Mr. Merrell urged all those eligible to vote who are not registered to get their names on the books without delay. He also suggested that any person who is not sure he is registered, to get in touch with his registrar and make sure.

Absentee Ballots

A number of applications have been received for absentee ballot for men in the armed forces. He pointed out that those who wish absentee ballots for members of their families in service should file applications promptly, since the ballot must be sent to the serviceman and returned to Mocksville in time to reach here by or before the day of the election.

Following the close of the registration, challenge day will be held on November 4, the Saturday before the election which falls on Tuesday.

Local Ticket

On the local ticket, the following slate of candidates are being offered the choice of the people: For Solicitor: William H. McElwee, Jr., Democrat, of Wilkesboro, and J. Allie Hayes, Republican, of North Wilkesboro.

For Senator of the 24th Senatorial District: Larry S. Moore, Democrat, of Wilkes, and H. P. Eller Republican, of Wilkes.

For House of Representatives: B. C. Brock, Republican, of Farmington Township. Mr. Brock is unopposed.

For Sheriff of Davie County: C. A. "Buck" Garrison, Democrat, of Farmington, and G. Alex Tucker, Republican, of Fulton Township.

(Continued on Page 8)

Pfc. Robert H. Sofley, Graduate of AF School

Scott Air Force Base, Ill., Oct. 11—Pfc. Robert H. Sofley graduated this week from the air force communications school at Scott Air Force Base, Ill., it was announced by the base commander, Col. Alban B. Ogden, Jr.

Graduate as an air force radio mechanic, Pfc. Sofley will perform installation and maintenance of ground and airborne communications equipment, thereby becoming an integral member of the U. S. Air Force.

Pfc. Sofley, 19, son of Mr. and Mrs. Harley C. Sofley, 407 Wilkesboro Street, Mocksville, N. C., graduated from high school in that city and has been on active duty with the air force since September 21, 1949.

Prior to entering the Scott communications school, Pfc. Sofley completed basic training at Lackland Air Force Base, Texas.

PAVING COMPLETED IN COUNTY ON 18 MILES OF SECONDARY ROADS

6 Projects Completed During September

The State Highway Commission has just finished paving another 18 miles of secondary road in Davie County.

The six projects finished during September are as follows:

Coolesmece to Davie Academy, 7.8 miles; Jericho Church to Mocksville, 2.8; Mocksville toward Cornatzer, 2; Cana north to NC 801, 3.1; School Street in Mocksville, 1.6; Farmington north, 0.7.

Dr. Henry W. Jordan, chairman of the Highway Commission, reports more road work under construction at this time than ever before in the history of the Commission. Numerous primary and secondary projects will be finished before the end of the 1950 construction season.

The Commission has spent \$49,874,221.50 and allocated \$95,067,744.27 of the first \$125,000,000 in bond funds.

Singing as an exercise is a great benefit to anyone suffering from chest or throat weaknesses.

New Safety Signal Is Installed At Crossing

A new safety signal has been installed at the crossing of the Lexington Road and South Main Street.

This light flashes a yellow caution signal for motorists on South Main Street, and a red stop signal for those traveling on the Lexington Road.

Mayor John E. Durham announced that all vehicles entering or crossing South Main Street at this junction would be required to stop. In addition to the light, stop signs are also present at this site.

This safety signal replaces the former traffic light. Mayor Durham stated that this signal was installed in the effort to better safety for the motorists. He pointed out that the ever increasing number of accidents at this crossing made some change desirable, and expressed hope that present policy would prove effective.

SUPPER

The Ladies of Bethel Methodist church will sponsor a barbecue and chicken pie supper on Saturday, October 21, beginning at 5 p.m.

Local Draft Board Called for 27 Men

Davie County has received a call for 27 men to report to Charlotte for induction into the armed forces on November 17, it was announced by Miss Jane Marklin, clerk for the local draft board.

Out of the 30 men from Davie County who reported for preinduction examinations on October 2, 20 qualified. Seven of the ten not passing were rejected on account of their teeth Miss Marklin reported. The main reason for this rejection is the lack of dentists in the service to handle dental trouble. As more dentists are inducted, the qualifications along this line will be eased.

BOOSTER NIGHT

Pino Community Grange will have their annual booster meeting on Friday, October 20, at 7:30 p. m. Harvey Dinkins of Winston-Salem will speak. String music will be furnished and refreshments served. The public is invited to attend.

The installation of a new heating system was completed in the First Methodist Church, Mocksville this week.

Annual Halloween Carnival and Parade To Be Held October 31

Committees of the Mocksville Parents-Teachers Association met Tuesday night to formulate plans for the annual Halloween Carnival to be held on Tuesday, October 31st.

Raymond Siler, President of the local PTA organization, announced that tentative plans called for a program designed along those of previous years. The program will be held in the old high school gym on Tuesday night. There will be the usual cake walks, booths of entertainment, etc., and the crowning of the carnival king and queen. Complete plans for the program will be announced next week.

The following candidates have been nominated by their classes for king and queen:

Senior Class: Jane Click and Turner "Skeeter" Ammons.

Junior Class: Ann Hendrix and Johnny Naylor.

Sophomore Class: Josephine Miller and C. W. Allen.

Freshman Class: Mona Jo Siler and Harry Osborne.

Also the annual Halloween parade is scheduled to be held on Tuesday afternoon. This parade, an annual feature of the local Halloween celebration, will originate at the high school and come down Main Street and around the square. It will be composed of floats sponsored by the different grades and organizations, along with the children in their colorful costumes.

HERE & THERE

RURAL TELEPHONES

A meeting will be held at Center Community building on Friday, October 20, at 7:30 p. m. The purpose of this meeting is to explain the project of the rural telephone system. Every one interested in telephone facilities is urged to attend.

OYSTER SUPPER

The W. S. C. S. of Farmington Methodist Church will sponsor an oyster supper on Saturday, October 21, from 5-9 p. m. at the high school cafeteria. Proceeds will go into the church building fund.

P. T. A. OPEN HOUSE

The Parent-Teacher Association of Shady Grove school will have an open house on Thursday evening, October 19, 7:30-9 o'clock in the high school. Every one is urged to attend.

United Nations Day Will Be Observed Here Tuesday

PULP WOOD PRICES UP

The prices of pulp wood paid at the market in Mocksville is \$12.25 per cord in truck load lots and \$13. in carload lots. This is a \$2 per cord increase in the prices paid to farmers.

The market in Mocksville is open Tuesday through Saturday of every week. It is located near the depot. The people who operate this market have a truck which they will be glad to use to haul pulp wood to the railroad for a reasonable price for the people who do not have a way to get the wood to market.

Lots of farmers in Davie county would improve their young timber and at the same time be paid well for their work by cutting and selling pulp wood.

Mocksville is fortunate to have a market, which has recently opened. All people interested in selling pulp wood are advised to get in touch with Mr. Spencer at the railroad or someone in the county agent's office.

Use An Enterprise Want Ad

On Tuesday, October 24th, the first clasp of the Freedom Bell will echo around the world... a signal of prayer for world peace and the United Nations.

Army and Navy Store To Open Thursday

The Army-Navy Store, Mocksville's newest retail merchandising firm, will open for business here on Thursday, F. W. Marsh, owner of the store, announced today.

The new store is located on the square in the building where Duke Power's office was formerly located.

This store will sell a complete line of work clothing, sports clothes, hunting and camping supplies which includes many items which were sold as surplus by the army and navy.

Crusade for Freedom Drive Is Extended

A movement for a community-wide United Nations Day observance was launched this week.

Mayor John E. Durham of Mocksville, together with representatives of the churches, schools and civic organizations have mapped plans for the observance scheduled for Tuesday, October 24. This will be a part of a nationwide affair proclaimed by the president of the United States.

The world-wide observance of the fifth year of the United Nations will be highlighted on October 24 when President Truman makes a major address to the U. N. assembly.

Union Service

Commemorating the local observance, a special union service will be held at the Mocksville Baptist Church, Sunday evening, October 22, at 7:30 p. m. The Rev. A. J. Cox will deliver a special sermon on the role of "Prayer in World Peace."

On Tuesday at 12 noon all Church bells and school bells will be rung for five minutes. At this time, throughout the world, everyone is urged to say a prayer for the United Nations in their struggle for world peace.

The schools of the county will observe this event by special programs.

Crusade for Freedom

In conjunction with U. N. Day, the Crusade for Freedom campaign has been extended until October 24. More than a million Americans have already signed the Freedom scrolls. As a result of the extension of time, it is hoped that the total number of scroll signers will reach five million.

These Freedom Scrolls, which carry a message of truth, friendship and freedom from the American people to all other people of the world, will be enshrined in the base of the Freedom Bell. This Freedom Bell will be dedicated in Berlin on United Nations Day, Tuesday, October 24.

Bell to Ring

The first clasp of the Freedom Bell will echo around the world: it will be broadcast to the Iron Curtain Countries by Radio Free Europe; and, while it rings, bells throughout this country will ring out America's determination for a free world.

The local Crusade for Freedom campaign is being sponsored by the Junior Chamber of Commerce. Freedom scrolls are available in the Mocksville post office and other public places, Duke-Tutterow, project chairman, announced.

Minutes of Meeting County Commissioners

At the regular monthly meeting of the Davie County Board of Commissioners, the following business was transacted: The following roads were approved to be turned over for state support and maintenance:

Road located in Jerusalem township. Runs from "Liberty Church to Coolesmece Road" to SE to Coolesmece American Legion Hut, approximately 1 1/4 miles.

Road that leads off the Sheffield Road to Vaughn and Swishers.

JAYCEES ESTABLISH VALUABLE PLAYER AWARD FOR LOCAL FOOTBALL TEAM

Plan to Honor Team With Banquet

The Mocksville Junior Chamber of Commerce last week established a most valuable player award for a member of the local high school football team. "Abie" Short, president, announced that the details had not yet been worked out for judging the selection and would be announced later.

It was indicated that the football team would be honored and the award presented at a banquet at the close of the season. The entire project has been turned over to a committee to iron out the details.

Safety Signs

The board of directors also voted to assume responsibility

and sponsorship of the current safety patrol program at the local schools. Leon Beck heads the safety committee of the local club. The Jaycees purchased the metal safety signs that are now in use at the crossings near the schools.

Two new members were approved and will be installed at the next meeting: "Bucky" Barber and Ed Latta, both of Mocksville.

C. C. Hartman was in charge of the program and movies were shown on the "Search for Happiness" and the Louis and Walcott fight.

Sheek Bowden Jr. was appointed head of the annual Jaycee Halloween Costume Dance which is scheduled for Saturday night, October 28.

THE 1950 EDITION of the Mocksville High School Wildcats, under the tutelage of Coach Clarence Tarlton, will be seeking their fourth win Friday night against China Grove at the local park. Front row, 1 to r: Bill Sofley, Chester James, Bob Tenery, Clay "Get" Keller, Charlie Johnson, Johnnie Naylor, Buster Fleming and Guy Hartman. Back row, 1 to r: Lloyd Farthing, Frank McDaniel, Keith Leonard, Bill Benson, Clyde Lakey, Farrell Cohen, Joe Ferebee, James Anderson. "Skeeter" Ammons was absent when picture was made.

VOTING IS A PRIVILEGE

The fundamental disagreement in the world today is between democracy and totalitarianism—between the belief in a government by choice and a government by imposition.

In this country, we express our choice with the ballot. When we vote we participate in our government. By the very nature of democracy, this participation is voluntary; we can vote or not, as we choose. But also, by the very nature of Democracy, its existence and value are no stronger than the citizens who compose it. Those who fail to vote say to the world in effect: "My country is not worth my effort. Democracy can get along without me."

We believe that we have the greatest democracy in the world. Yet, in free elections in the past few years, Britain, Australia, Italy and even West Germany have vastly outstripped us in the basic democratic job of voting. Two of these countries had long experiences under dictators. Yet each had more than 80 per cent of the people voting when their first real elections were held.

In 1948, a presidential election year, only around half of all eligible voters in the United States actually went to the polls. In Davie County less than 54 per cent of the eligible voters participated in this election.

We believe that democracy is the best system of government, and other people watch us for proof of that statement. Now, as never before, it is important that we show the world we mean those words. By voting, we say in effect: "My country is well worth my effort. Democracy is ME. Without the aid of all the me's in the land it dies. With us, it lives."

In the current crisis we ought to have seen enough of the world's present perils to realize that our very existence is threatened if we don't make the right decisions. These decisions are fundamentally the people's job and can only be made at the polls.

The trend of indifference to elections, especially local elections, could result in a voteless America. With the growing disinterest in voting, pressure groups will find it more easily to manipulate the elections. Such groups could put incompetent, greedy politicians into office. These office holders would not be responsible to the people, but only to the small group of people who put them into office.

A prominent senator pointed out last week that because of "our spineless surrender of our right to the ballot, and because we can't be troubled with politics and surrender to a cynical 'What's the use!' attitude, our liberty and freedom are fast becoming endangered."

The time it will take you to vote on November 7 is an infinitely small price to pay for such a privilege. A privilege that is denied to millions in other lands who yearn, like starving persons for food, toward the freedom of political expression by ballot.

On November 7 it will be the duty of every American to vote and to see that all others vote. By doing this we will strengthen and preserve this special privilege we now have. If it is worth fighting for, surely it is worth voting for.

LANNY ROSS TELLS YOU WHY HE SMOKE ONLY CAMELS

Not one single case of throat irritation due to smoking CAMELS

Having decided on an evening of radio and television, I dropped into the American Broadcasting Company studios and chatted awhile with Robert Montgomery, the actor and radio commentator. Bob, a friendly as well as versatile chap, was seated at a table in the small and informal room which he uses for broadcasting since he took over the Lee Hat program from Drew Pearson. Though he was busy making last-minute notes in his script, he took time to rise and shake hands as he greeted me. I noticed as I sat down that the room with its fireplace, piano and book cases resembled a corner of a suburban home more than it did a radio studio.

The broadcast began and one could not help but be impressed with the clipped, perfect English which Bob Montgomery uses. His hair is beginning to gray at the sides, but otherwise, he looks at least ten years younger than his 46 years, I noticed. He minced no words, striking out at crime and political corruption in New York and Chicago and praising the Kefauver Crime Investigating Committee for the fine work which it is doing to clean up such messes. I didn't realize it until I came, but Bob announced on this particular evening his program was increasing from 143 carrying stations to 279, a tribute to its popularity.

After the broadcast he and I sat down and talked and I learned that he came from a small town, Beacon, New York and never went to college. Instead he and his brother had to go to work wiping oil and dust from train locomotives in a nearby railroad shop. Later, Bob got the rambling urge so shipped on a sea-going tanker until this got monotonous. Then, logically perhaps, he became an actor playing with summer stock companies and eventually in a movie coincidentally named "So This Is College." Since that time—well, you doubtless know pretty well the rest of the story. He appeared opposite Greta Garbo and Norma Shearer, and then in 1937 his role in "Night Must Fall" brought him a nomination for the Academy Award.

My favorite film of his was "Here Comes Mr. Jordan," an excellent and inspiring drama.

But we didn't talk long about movies. "I've only seen four movies and I was in three of them," he remarked with that impish Montgomery smile, so I did not press him for the accuracy of this statement. Lately he has been an actor-director and since his distinguished Navy service in the war, coming out as a commander, he has pioneered in motion pictures and television, bringing new camera techniques to the former, a professional polish to the latter. He is married and has two children. Returning to the subject of small towns, he said he felt something should be done by civic authorities to inform citizens as to who their state and national senators and representatives are. As I left him, I had an impression that Robert Montgomery is a fine fellow.

Then with Stan Warren of the ABC staff over to see the television version of "Stop The Music." Soon after we were backstage of the old Broadway legitimate theatre where the telecast was to be held, and the place was swarming with male and female dancers, prop men, Bert Parks and Gloria Swanson, star of that evening's show. Bert is originally from Atlanta and is full of pep as a circus barker. The acting of Miss Swanson who has staged a comeback in the movie, "Sunset Boulevard" was more youthful than her looks. We went back of the audience to watch but could hardly see the stage for the television equipment, then went upstairs in the telephone room where girls call you up in your town and ask you to name to music. There was a television set up there and one could see the show as it looked in that medium—which still has a long way to go. Also intriguing was the reverse handwriting of the name of each phoned in contestant, expertly done on a board by Chuck Holden, ABS television executive, who alone has perfected this difficult feat, and who performs it modestly out of sight in the rear.

PREACHING

The Rev. John Swisher will preach at Cheshire school, near Sheffield, on Sunday, November 5, at 2:30 p.m.

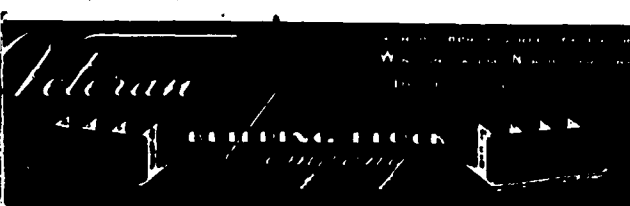

Snails are being used to replace men in cleaning moss on citrus trees in Jamaica.

He got the best to start with—a permanent tool barn built with VETERAN BUILDING BLOCKS.

Year after year his crops are the biggest and best, because his tools are always ready to go to work for him.

MAIN STREET PROSPERITY

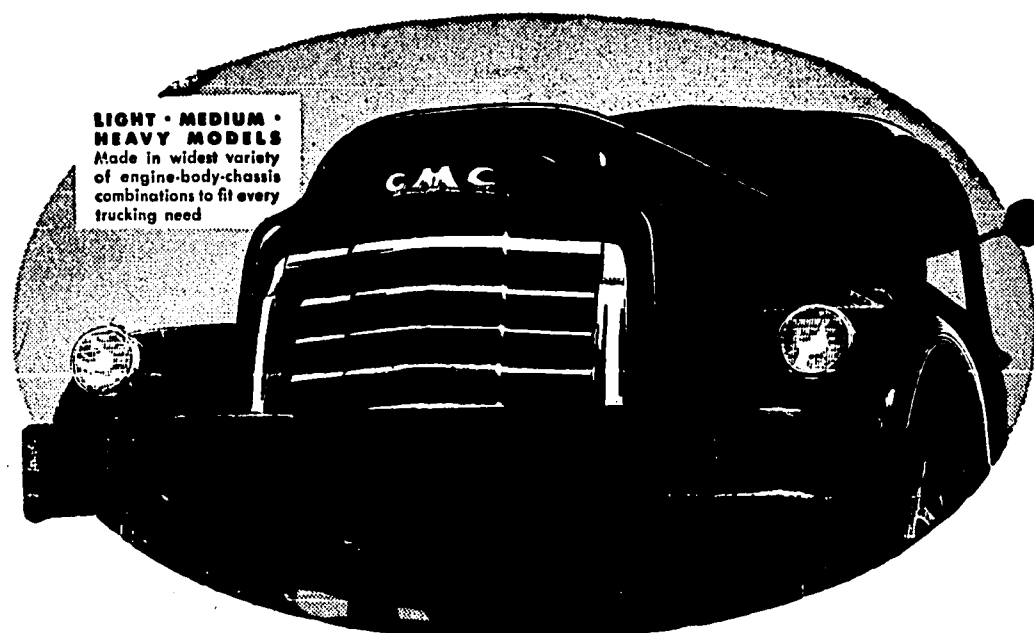

A well run business
benefits everybody

Many small towns, many small businesses—that's North Carolina—in fact, it's all America. Among the many thousands of small business men in our state are those engaged in the distribution and sale of beer. They run their businesses legitimately, successfully and in conformance with the law. They contribute their share to our nation's prosperity—to our taxes—and to the preservation of our American way of life, founded on free enterprise, tolerance and rights of others.

But most important to those men and to you, is the fact that they stand for the legal control of the sale of beer as opposed to bootlegging methods.

UNITED STATES BREWERS FOUNDATION, INC.

**Think twice today
when you buy a truck!**

That new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

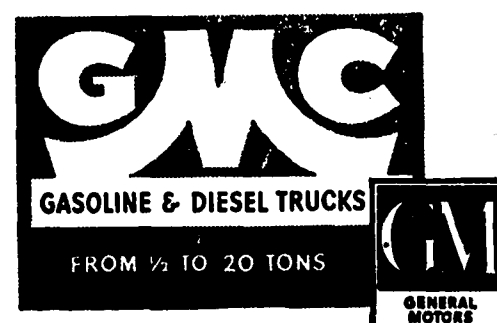

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchro-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, air-plane-type bearings and Lifetime Weather-sealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Get a real truck!

**"You never miss the water
till the well runs dry..."**

Like the water we drink, the availability of adequate railroad service is often "taken for granted" in normal times.

This is a high tribute to the railroads. But unfortunately, it is also too often taken for granted that railroads can always be strong and ready for any job, on a moment's notice... despite strength-sapping factors over which they have little or no control. Subsidized competition. Inadequate earnings. Hamstringing regulation. And forced continuation of services no longer needed or used.

Today, America can no longer afford the luxury of taking its railroads for granted. For more than the future of the industry is at stake. The railroads are our country's "transportation backbone." In the public interest, railroads should have equal opportunity with other carriers. Given that, they will always be ready to play their vital role in helping to shape the strength and security of America.

Mr. and Mrs. Teddy Hall and children of Clemmons were Sunday supper guests of Mr. and Mrs. C. W. Hall.

TOBACCO PLANT BED WEED CONTROL RECOMMENDATIONS

By F. E. PEEBLES
County Agent

There are three materials that farmers can use to control weeds in their tobacco plant beds. Three pounds of 6-12-2 fertilizer per square yard and no additional fertilizer will be needed in the spring at seeding. One to one and one-quarter pounds of cyanimid per square yard, Uramon can be used at the rate of one pound per square yard. At seeding time use one-half of the normal amount of a good plant bed fertilizer. If either uramon or cyanimid is used, these materials should be applied to plant beds in October.

The seed beds should be thoroughly disced and pulverized to prepare a clod-free surface. Broadcast by hand one-half to two-thirds of the material evenly over the bed, then mix thoroughly with the upper three inches of top soil. A drag harrow with the teeth set back will do a better job of mixing the material and the top soil than will the disk of cultivator. It is suggested that the drag harrow be used several times, going up and down and across the plant bed. Then apply the remainder of the material and rake lightly into the upper one inch of soil with the garden rake.

A moderate application of water should be added to the treated soil within five days after application if the ground is medium dry and rain does not fall. Failure to provide water may result in poor stand of plants. Light, frequent applications of water are very important at seed germinating time to insure a good stand. Do not use a tractor or heavy equipment on beds in applying or mixing the chemicals in the soil. Excessive packing has resulted in bare streaks where tractor wheels have run.

In preparing beds for seeding or applying fertilizer, do not work soil more than one inch deep. Too deep a cultivation in the spring brings live weeds to the surface. Don't allow surface water to flood across the bed after chemicals are applied. Cut a trench around the bed before applying the chemicals and treat out to the trench.

Cut down or burn any weeds around the bed before applying chemicals. Apply chemicals only when soil is in good working condition. The chemicals can not be mixed with the soil thoroughly when it is too wet.

Choose a soil that is loamy, comparatively moist, but not wet and cold natured, and one that is high in organic matter. Avoid high dry pine ridges.

Avoid over fertilization of chemically treated beds. This is especially important if the fertilizer is added in the spring.

President Truman has proclaimed the week of October 8-14 as National Fire Prevention week.

Helen Green to Serve Eight Months Sentence

Helen Louise Green, age 23, alias Mauney and Spillman, was sentenced last week in Winston-Salem to serve eight months in the woman's prison in Raleigh.

Judge Dan K. Moore placed in effect a suspended sentence entered against the defendant in May, 1948, by Judge Allen Gwyn. Her last name was Mauney at that time. Since then she married James Carl Green of Davie County.

Two years ago she begged for a chance when she was tried for violating a hotel law, vagrancy and violating the prohibition law. She had appealed from municipal court judgments that sent her to the Winston-Salem jail for a total of four months.

Judge Gwyn warned her that she would have to "go straight," that if she didn't she could expect to go to jail. He placed her under an eight-month sentence, suspended for five years.

On September 20, Shelby Jean Norman, age 13 was reported missing. She was last seen in the company of Helen Green.

After a state-wide search, Mocksville Chief of Police Leon Beck investigated a tip and located the two girls in Indianapolis, Ind., on September 29. Shelby Jean was brought back to Mocksville by her father, while Chief Beck and Sheriff Paul Foster took Helen into custody. The woman was taken last week to Winston-Salem by a probation officer to be sentenced by Judge Moore.

Conflicting stories reportedly were told by the woman and the teen-ager as to how they happened to leave Mocksville and what happened between then and the time they were located.

Chief Beck announced that the woman may be returned to Mocksville upon the completion of her eight months sentence and charged with the abduction of a minor.

OUR COUNTY AND SOCIAL SECURITY

Mr. Wardell K. White, Manager of the Winston-Salem, N. C. Field Office of the Social Security Administration, calls attention to the provision in the amended act permitting greater earnings to retired insured workers. Under the new social security law, a retired worker may have cash wages in social security covered work up to \$50 a month and still accept his benefit payment check for that month. Heretofore, he was restricted to \$14.99 a month cash wages and from such work. Mr. White says that if wages are over \$50, the retired worker should report this fact to the Social Security Administration and not accept his benefit payment for that month. If the beneficiary is over 75 there are no restrictions on the amount of his earnings in any kind of employment.

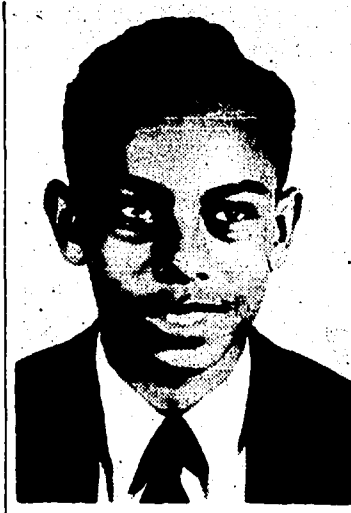

Mr. White also says that many workers will need social security numbers for the first time beginning January 1, 1951. That is the effective date of the extended coverage under the amended social security law. People who work regularly in private households, regular workers on farms, and many self-employed people will be eligible for old-age and survivors insurance under the amended law.

A representative of this office will be in Mocksville again on October 25 at the Courthouse, Courtroom, Second Floor, at 12:30 p.m.; and on the same date in Cooleemee at the Old Band Hall, over Ledford's Store, at 11:00 a. m.

REAL ESTATE TRANSACTIONS

Mrs. Josephine Vogler to Cornatzer M. E. Church, 1 acre, Shady Grove.

Ray-B. Hawks to H. K. Miller, 26 acres, Clarksville.

Calvin Ijames Elected National President of Farmers Organization

Calvin James of the Davie County Training School, Mocksville, was elected national president of the New Farmers of America organization at the 16th annual session in Atlanta, Ga., last week.

Calvin is the third president ever elected from North Carolina to the presidency of this organization. His duties will be to preside over all national meetings and the board of trustees.

The National New Farmers of America has over 30,000 members representing 17 states. There were 997 members in attendance at the 16th annual session in Atlanta last week.

Mrs. R. L. Wilson, 82, Passes In Winston-Salem

Mrs. Cora Harkey Wilson, 82, widow of R. L. Wilson of Mocksville died at 3:05 p.m. Sunday at the home of a daughter, Mrs. Henrietta W. Cloaninger of Winston-Salem. She had been ill for one month.

Born in Iredell County on Nov. 10, 1867, Mrs. Wilson was the daughter of Julius and Betty Cain Harkey. She had lived in Winston-Salem for the past five years.

Surviving are three daughters, Mrs. Cloaninger, Mrs. Halph Edwards of Washington, D. C. and Mrs. James McIver of Winston-Salem; one son Fred Wilson of Mocksville; four grandchildren and three great-grandchildren.

Funeral services were held at 2:30 p.m. Monday at the Walker Funeral Home. The Rev. J. P. Davis and the Rev. E. A. Sawyer conducted the service. Burial was in Rose cemetery.

Mrs. W. C. Jones, 64, Dies Suddenly at Home

Mrs. W. C. Jones, 64, died unexpectedly Saturday at her home in Calahala township in Davie County. She suffered a heart attack.

The former Miss Ida Elizabeth West, she was a native of Davie County.

Surviving are her husband, one son, William Boyce Jones; two sisters, Mrs. Luther Flynn of Lexington and Mrs. Carl Merritt of the home; two brothers, and two sisters.

Funeral services were held at 3 p.m. Sunday at Salem Methodist Church in Davie County.

Mr. and Mrs. Waters Observe Anniversary

Mr. and Mrs. Marvin Waters entertained at an open-house Sunday afternoon at their home on North Main Street, celebrating their golden wedding anniversary.

Yellow chrysanthemums decorated the hall and quantities of yellow rose buds, yellow carnations and gypsophelia in attractive arrangements were used in the living room.

Upon the table, overlaid with a linen cut work cloth was a decorated wedding cake. Lighted white candles in tall silver holders and silver compotes holding gold and white mints and nuts completed the table decorations. The mantel was banked with greenery and gypsophelia interspersed with white tapers. The buffet held a graceful bowl of yellow rose buds.

Mrs. John N. Waters was at the door to greet the guests, Miss Ivie Nail of Hickory introduced the guests to the receiving line which was composed of, Mr. Waters, Mrs. Waters, wearing a black crepe and lace gown with a purple orchid at her shoulder, John Waters, Sam Waters, Mrs. Elizabeth Tinker of Washington, D. C., Mrs. Wilbur Amos of Asheboro, Mrs. Paul Hockett of Greensboro, and Mrs. David Potts of High Point. Mrs. Waters directed them to the dining room where Mrs. J. K. Sheek poured coffee and Mrs. Sam Waters served decorated cakes, nuts and mints.

The guests said good-byes to Mr. and Mrs. Abram Nail.

DISTRICT MEETING

The Davie county sub-district meeting of the W. S. C. S. of the Methodist Church will meet on Wednesday, October 25, at the Advance Methodist Church. The meeting will begin at 10 a. m. and will close at 3 p. m. A picnic lunch will be served. Every one welcome.

Dixon Reunion Held In Cana

The descendants of the late W. L. Dixon of Cana, held their first reunion on Sunday, October 15, at the home of Dewey Dixon in Cana.

A picnic lunch was served on the lawn and a brief history of the Dixon family given by Dr. L. R. Shelton of Winston-Salem.

Plans were made to make the reunion an annual affair and officers were elected to get more family history for the 1951 gathering. They are as follows: president, Dr. Shelton and Mrs. J. C. Collette of Mocksville, Mrs. Alice Van Hoy and Miss Frances Dixon of Winston-Salem, Miss Nola Lee Dixon and Mrs. Mildred Reavis of Yadkinville.

Only two of the five Dixon children are living Mrs. Edna D. Shelton and W. L. Dixon, Jr., of Cana. The deceased children, Noah, Tom and Luther were represented by members of their families.

Ollie Gray Carter Pases In Hospital

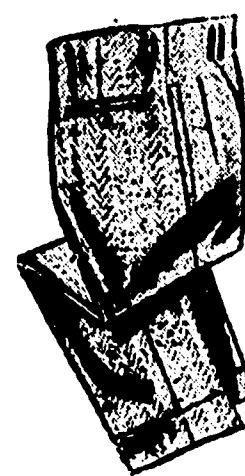

Ollie Gray Carter, 17, of Mocksville Route 3, died at 3:30 a.m. Saturday in a Winston-Salem hospital. He had been in declining health for six years and seriously ill for one day.

A son of J. T. and Lolo Ridenhour Carter, he is survived by his father; five brothers, Roy Carter of Yadkinville, Route 3, and Junior, Lewis, James and Donnie Carter of the home, four sisters Mrs. John Moore of Spencer, Mrs. Travis Tysinger of Yadkinville, Route 3, Miss Bertha Carter and Miss Brenda Kaye Carter of the home; and the maternal grandmother, Mrs. J. I. Ridenhour of Mocksville, Route 3.

Funeral services were held at 2:30 p.m. Sunday at Cornatzer Baptist Church. The Rev. A. B. Carroll was in charge. Burial was in the church cemetery.

SQUARE DANCE

The American Legion Auxillary will sponsor a square dance on Saturday night, October 21, at the old gymnasium in Mocksville.

COLORED NEWS

By AMANDA EVANS

Specialist Gives Tobacco Demonstration at Davie County Training School

J. E. Jeffries, Negro tobacco marketing specialist, completed a one day demonstration at the Davie County Training School. Jeffries pointed out in his demonstration many frequent errors in tobacco marketing. He warned against mixing cigarette pipe, chewing and green tobacco together.

He made several different grades placing the different grades to how they grow on the stalk. The cigarette, pipe and chewing tobacco grow from the bottom to the top of the stalk, in order as they are named.

There were four adults, fourteen veterans and 19 N. F. A. boys to witness this demonstration. Keen interest was exemplified as shown in the many questions asked Mr. Jeffries.

LETTERS TO THE EDITOR

Dear Editor:

Please publish in your letter to the editor column, the following poem concerning a county friend:

HONORS DUE OUR COUNTY FRIEND

Davie has a special friend
Very jolly and care free,
One who's small in stature
As Zachaeus who climbed a tree.
He is seen around the Courthouse
Around our County Seat,
Though to match his personality
We know he can't be beat.
He loves the Republican Party;
Our County has graced for years,
Tho he has many Democrat friends
He sheds no wishful tears.

So meet a jolly good fellow;
And when in Mocksville take a look,
For a fine and jolly good fellow,
The name is Solliman Cook.

J. N. PARKER.

SERVICEGRAM I

"HIBERNATING CARE"

for your electric fan.

Get that good hot weather friend, your Electric-Fan, ready for its winter rest. It will repay you generously, in better service, for this simple care:

Check the Cord. If worn or frayed, have the cord replaced or repaired now.

Be sure your fan is free of dust and dirt.

Wrap your fan carefully, to keep it dust free.

Then enjoy the satisfaction of knowing your fan will be ready for instant use, instead of delay or expensive replacement, when you need it again, in a hurry.

CHEVROLET

and

VALVE-IN-HEAD!

MORE HORSEPOWER AT THE CLUTCH

Certified ratings prove Chevrolet heavy-duty trucks with Valve-in-Head Loadmaster engine deliver more net horsepower than those of the principal standard equipped conventional trucks in their class, 13,000 to 16,000 lbs. G.V.W.*

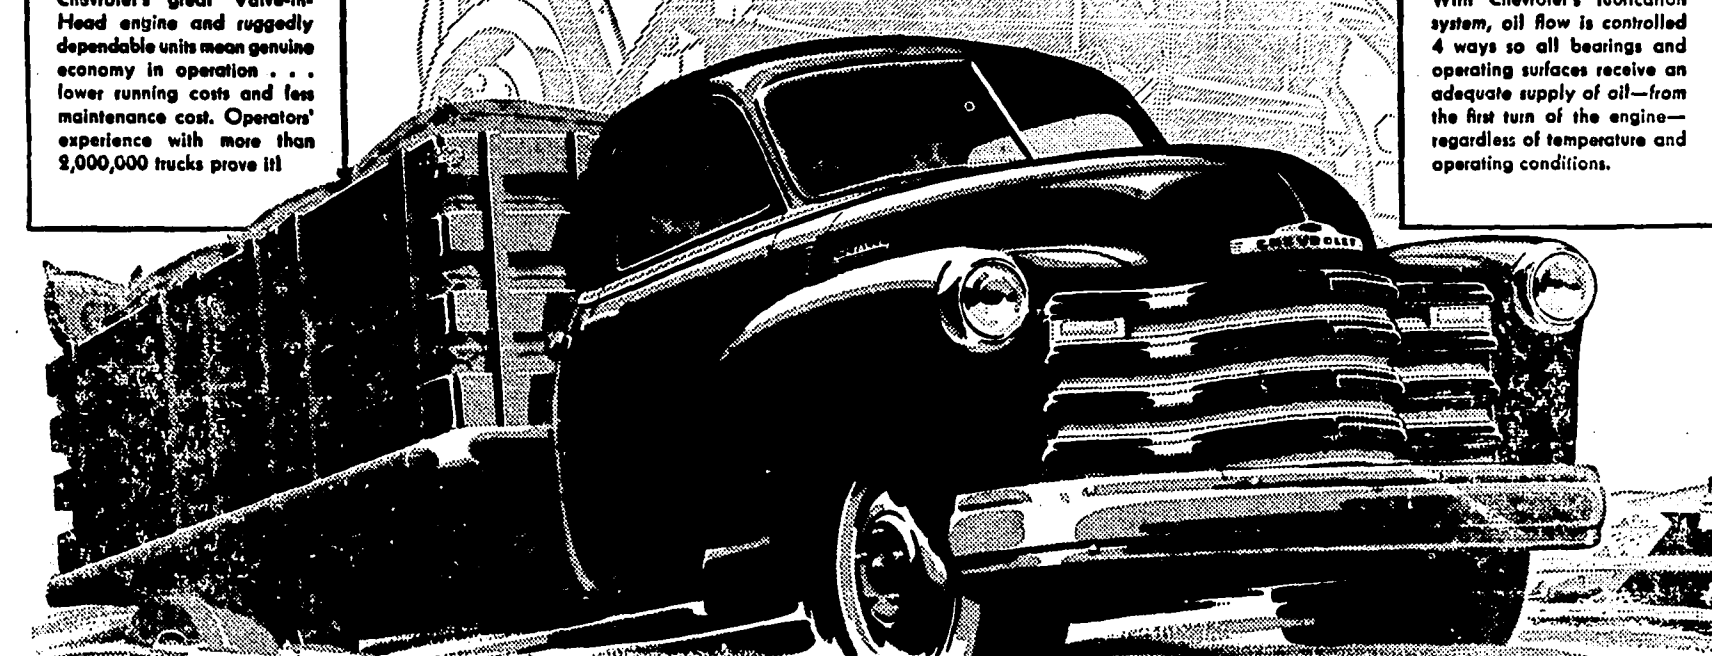

*Gross Vehicle Weight

BLUE-FLAME COMBUSTION

Chevrolet's Valve-in-Head engine design gets more power out of every drop of gasoline. High efficiency combustion chambers, specially shaped for maximum fuel economy, burn fuel smoothly, evenly with "blue-flame combustion."

TOP EFFICIENCY WITH 4-WAY LUBRICATION

With Chevrolet's lubrication system, oil flow is controlled 4 ways so all bearings and operating surfaces receive an adequate supply of oil—from the first turn of the engine—regardless of temperature and operating conditions.

GREATER ECONOMY

Chevrolet's great Valve-in-Head engine and ruggedly dependable units mean genuine economy in operation . . . lower running costs and less maintenance cost. Operators' experience with more than 2,000,000 trucks prove it!

Two great Valve-in-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch • Synchro-Mesh Transmissions • Hypoid Rear Axles • Double-Articulated Brakes • Wide-Base Wheels • Advance-Design Styling • Ball-Type Steering • Unit-Design Bodies.

Registrations Show More Than 2,000,000 Chevrolet Trucks Now on the Road . . . More Than Any Other Make!

Today over 2,000,000 truck operators have the world's most popular engine in the world's most popular truck. For the last eight consecutive truck production years, Chevrolet trucks have led in sales . . . are far ahead this year. Come in—let us give you the facts.

For Associate Justice of the Supreme Court: Sam L. Ervin, Jr., Democrat, and Robert H. McNeill, Republican.

In addition to the above there are a number of unopposed Democratic candidates for superior court judges.

Cotton Defoliation

Recommendations

By F. E. PEEBLES
County Agent

Defoliation is recommended on heavy foliage cotton where there is danger of boll rot or where it is desirable to hasten maturity for early picking. Cotton can be forced to shed the leaves early by dusting with 20 to 40 pounds of cyanimid in the dust form.

This material should be applied when the last bolls expected to mature are at least 30 days old. The dust can be applied by airplane or by any other equipment suitable for dusting.

ADMINISTRATOR'S NOTICE

W. L. Moore, having this day qualified as Administrator of William Luckey Moore, deceased, late of the County of Davie and State of North Carolina, hereby notifies all persons holding claims against the estate of the said decedent to present the same duly verified to him at Mocksville, N. C., on or before the 10th day of October, 1951, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate settlement.

This 10th day of October, 1950.

W. L. MOORE, JR.,
Administrator of William Luckey Moore.

CLAUDE HICKS, Attorney.

10-19-50

BAPTIST CLINIC

The Rev. Wendell Davis, pastor of Western Avenue Baptist Church at Statesville conducted a clinic at the First Baptist Church Monday night for officers and teachers of the Sunday school.

UNION SERVICE

A union service will be held at the First Presbyterian Church in Mocksville on Sunday evening, October 29, at 7:30 o'clock. The Rev. J. P. Davis will preach.

ment suitable for dusting.

The county agent's office has the name of a person who will be glad to furnish and apply the cyanimid which causes cotton leaves to shed. This man told me that he would have to charge approximately \$3.50 per acre for the material and to do the dusting with airplane.

All people interested are urged to contact the county agent's office. Results from the cotton that was defoliated last year in Davie County were good and the farmers actually made money by spending a little to get this job done.

FARM NEWS
From the County PMA Committee

Turning Under Small Grains

Farmers who plan to sow rye, barley, oats or wheat, or a mixture of these crops to turn under or leave on the land, are reminded by L. R. Towell, Chairman, Davie County PMA Committee that they must request approval on this practice before the grain is seeded if they are to get credit for carrying out the practice. They have until November 1, 1950, to get the grain seeded and make a report to the office.

No Cotton Quotas For 1951

The County Committee has been notified that there will be no cotton marketing quotas or acreage allotments on the 1951 crop of cotton.

Cotton Marketing Cards

Cotton producers are urged to carry their cotton marketing cards with them every time they go to sell cotton.

Tobacco Allotments

Tobacco growers who have not had 75 per cent of the farm acreage allotment planted in either of the years 1948, 1949 and 1950 will receive a reduction in their allotment for 1951 unless they can prove to the County PMA Committee that failure to harvest as much as 75 per cent of the allotment during these years was due to service in the armed forces on the part of labor regularly engaged in producing tobacco on the farm prior to entry into the armed forces.

Report Practices

Farmers who have been given prior approval on practices under the 1950 program are reminded to make a report on these practices right away. Practices that are not reported carried out by the last of this month will have to be cancelled.

Farmers who received CMS material should make a report as soon as the material has been used. It should be used and a report made by October 31, 1950.

MORE ABOUT

FOOTBALL

There, after two line bucks, the Jays recovered a Mocksville fumble on the five. Two plays later, the Bluejays fumbled again, and the Davie boys covered the ball.

Then Ammons looking for a receiver in the end zone, found most of the Jonesville team sucked over to the right, and took off around left end to score standing

up.

Soon after the Mocksville team kicked off, Jonesville's All-State quarterback candidate, 200-pound Ken Vestal, found a hole through the center of the Mocksville line, and made himself scarce down the left sidelines for 43 yards and the fourth Jay touchdown. The kick was blocked.

Then Joe Everidge, Jay halfback, went 20 yards off left tacked to score—number five. Hem-ric caught a pass from Vestal for

the point.

In the third, Sonny Dave was the powerhouse of the Bluejay assault. He went off right tackle for 10 yards for the first third stanza score, then found a hole a few minutes later, and streaked 85 yards for another tally. Wag-ner caught a pass for the first extra point, while fullback Shoe kicked the next point.

That did it for Jonesville, and Coach Fuller sent in his reserves for some seasoning. But Mocks-

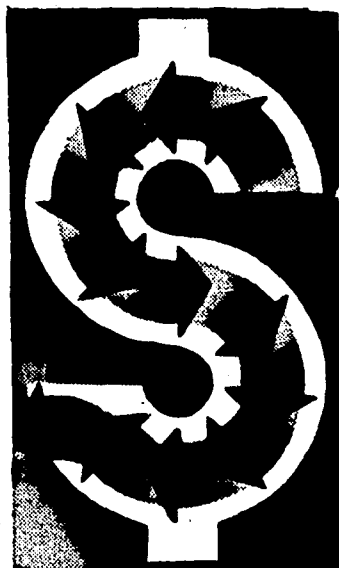

ville wasn't through.

Ammons, behind excellent blocking, stood back on the Jonesville 30, and sent a straight, low pass right into the hands of end Sofley, waiting in the end zone.

The last Mocksville score came when Benson went 10 yards off LT for the final tally.

BIRTH ANNOUNCEMENT

Mr. and Mrs. James Thompson of High Point, a daughter, Elizabeth Whirlow, on October 13, at Memorial Hospital, High Point.

Saturday Is Final Day For Citizens To Register For Vote

Books Close At Sunset: Challenge Day Nov. 4

Saturday October 28, is the final day for registering for the coming election. G. Aubrey Merce, chairman of the County Board of Elections, announced that anyone desiring to vote on November 7, must be registered in their precinct by this date. Challenge day will be held on Saturday, November 4.

Thus far the campaigns of all the political candidates have been rather quiet. It is reported that some of the candidates have been out making house to house canvases, but no organized precinct or county wide rallies have been reported. However, it is believed that this activity will pick up in tempo as the campaign draws to a close.

An additional ballot is to be supplied the voters to fill the vacancy created by the recent death of Associate Justice A. A. F. Seawell, of the North Carolina Supreme Court. This ballot will bear the name of Democratic candidate Jeff Johnson, Jr., and Republican Guy Weaver of Asheville.

Local Ticket

On the local ticket, the following slate of candidates is being offered the choice of the people.

For Solicitor: William H. McElwee, Jr., Democrat, of Wilkesboro, and J. Allie Hayes, Republican, of North Wilkesboro.

For Senator of the 24th Senatorial District: Larry S. Moore, Democrat, of Wilkes, and H. P. Eller Republican of Wilkes.

For House of Representatives: B. C. Brock, Republican, of Farmington Township. Mr Brock is unopposed.

For Sheriff of Davie County: C. A. "Buck" Garrison, Democrat, of Farmington, and G. Alex Tucker, Republican, of Fulton Township.

For Clerk of Court of Davie County: Carl O. McDaniel, Democrat, of Jerusalem Township, and S. H. Chaffin, Republican, incumbent of Calaham Township.

For County Coroner: G. V. Greene, Republican, of Fulton Township. Dr. Greene is also unopposed for this office.

Residents of Jerusalem Township will vote on a constable. H. T. Martin, Republican, is unopposed for this office.

State Ticket

For United States Senator, regular term: Clyde R. Hoey, Democrat, and Halsey B. Leavitt, Republican.

For United States Senator, unexpired term: Willis Smith, Democrat, and E. L. Gavin, Republican.

For member of Congress, 8th Congressional District: C. B. Deane, Democrat, and T. E. Story, Republican.

For Chief Justice of Supreme Court: Walter P. Stacy, Democrat is unopposed.

For Associate Justice of the Supreme Court: Sam L. Ervin, Jr., Democrat, and Robert H. McNeill, Republican.

In addition to the above there are a number of unopposed Democratic candidates for superior court judges.

Horned toads are lizards, not toads.

CHURCH BELLS' PROGRAMS HERALD UN DAY

The Mocksville church bells and courthouse bell rang at noon Tuesday heralding the nation wide observance of the fifth anniversary of the United Nations. "America" and other appropriate music was played on the chimes of the local Methodist Church.

In an affirmation of the principles upon which the United Nations was founded, and upon which the U. N. hopes to establish lasting world peace, citizens of Mocksville joined in one minute of silent prayer.

Programs of observance were held in the schools of the county with chapel programs or silent prayer in classrooms.

The local Rotary Club held a special program at which the "United Nations Hymn" and "A Song for Peace" were sung by the group. The United Nations Flag was presented to the Rotary Club by Mocksville Home Demonstration Club. Miss Florence Mackie, Home Demonstration Agent, made the presentation. Rev. A. J. Cox accepted on behalf of the Rotary Club. Mrs. John Smoot lead a special prayer in dedicating the flag.

Mrs. Mackie announced that the Home Demonstration Clubs throughout the county were making United Nations Flags for their respective communities.

REPORT PRACTICES

L. R. Towell, chairman of the Davie County PMA committee, reminds farmers who have not made a report on the practices carried out to do so by October 31. Practices which are not reported on or by this date will have to be cancelled.

Locals Meet Landis In Game Friday Night

The Mocksville High School Wildcats rejuvenated after a week's rest will seek to hit the victory trail again Friday night against the strong Landis team. The game will begin at 8 p.m., and will be played at the local park.

Rain and a muddy field forced postponement of the Mocksville-China Grove game last Friday night. It was announced that an attempt will be made to schedule this game for a later date.

Unofficial statistics compiled after the Jonesville game, revealed that "Skeeter" Ammons completed 32 passes in this game. If these were official figures it would perhaps set a new record for high school football play. Great praise was heaped on the Mocksville passing attack by all those viewing the Mocksville-Jonesville game. Another aerial show is expected to be revealed against Landis on Friday night.

Social Security Is Explained To Rotary

The intricacies of Social Security were ably explained to the local Rotarians at their regular Tuesday meeting. Lewis Brewer, of the Social Security Field Office, Winston-Salem traced the growth of Social Security from its origin in 1935 to the recent changes enacted by the 81st Congress.

Mr. Brewer explained the policies under the old law and the changes created with the enactment of the recent amendment.

Dr. S. B. Hall had charge of the program and presented Mr. Brewer. A special United Nations Day observance was held by the club prior to the meal.

Guests included: Willis Jones of Coral Gables, Fla.; Edwin Earle of Salisbury; Grady Morgan of High Point; Ralph Church of Winston-Salem; A. J. Shanklin of Raleigh; Miss Florence Mackie and Mrs. John Smoot of Mocksville. Miss Jane Click served as pianist.

MOCKSVILLE MILLERS TO ENTER STRONG NORTHWEST CAGE LEAGUE

Play Begins Nov. 29 For Ten Team League

The Mocksville Millers basketball teams, both boys and girls, will participate this year as members of the new Northwestern Carolina Basketball League, Jim Latham business manager of the local entry reported this week.

The semi-pro circuit, which is being organized out of teams in this section of North Carolina, will be composed of ten entries. And each entry will floor both a men's teams and a women's team, each to play identical schedules.

Play will start on November 29, with each team to schedule a home-and-home basis season. Games will be played on Wednesday and Saturday nights.

The season will close on February 7 and a trophy will be awarded to the winning men's teams and to the winning girls' team.

Tournament

On February 9, a five-day tournament will open at the Gillvin Roth YMCA gym in Elkin, N. C. A men's and women's trophy will be awarded to the winners of the playoffs.

Joe White, of the Winston-Salem recreation department, will

head the circuit in the capacity of president. The recreation man from the twin city will supervise play, and among other things, will be responsible for officials who will call the games.

Teams Signed

Members of the league who have already signed on the dotted line are: Elkin YMCA, York Oil of Mt. Airy, Erlanger Mills of Lexington, Eller's Bluejackets of North Wilkesboro, Mocksville Millers, Minor's Clippers of Winston-Salem, Franklin All-Stars of Franklin, Leaksville YMCA of Leaksville, Walnut Cove All-Stars of Walnut Cove.

The last entry into the Northwest League will be one of the three following possibilities: King Legion King, N. C.; Yadkinville, or Galax, Va.

Inasmuch as this will be a semi-pro aggregation, players will be required to sign contracts to play with their teams. If any player wants to transfer to another team, he must wait 14 days after his release before signing.

Each team will be required to post a \$50 forfeit fee, to be returned at the end of the season. If the given team forfeits no games and violates no rules of the constitution of the league.

DEANE SPENDS WEEKEND IN ROCKINGHAM

Representative C. B. Deane of the 8th Congressional District spent the weekend in Rockingham after a busy week speaking before various groups within his district and other places in the State urging a big Democratic vote on Nov. 7.

After speaking before the Rockingham Woman's Civic Club on Tuesday evening, he goes early Wednesday of this week to Reidsville, where he will represent and speak at the big 5th District Congressional rally in behalf of Representative Thurman Chat-ham, who is in Europe on a Congressional mission.

From this meeting Congressman Deane goes to Wilkes County, the home County of his Republican opponent Honorable T. E. Storey, and will spend Thursday and Friday in this County speaking at several Democratic rallies. On Saturday evening he goes to Lexington and will share the program with former Governor and Senator Honorable Cameron Morrison of Charlotte.

Next week the 8th District Congressman continues his drive during each day and evening to bring out what he thinks will be a large Democratic vote on November 7 in promoting and attending various meetings and rallies in (Continued on Page 8)

GRADING AT DEPOT

The Southern Railway Company has created new loading space at the local depot. The ground between the depot and the road leading in to Hanes Chair Company is being leveled off and prepared as a loading site. This will give approximately 100 ft. more of loading space.

HALLOWEEN CARNIVAL

The Ascension Episcopal Church will sponsor a Halloween Carnival on Saturday night, October 28, at 7:30 o'clock at Fork Community Building. A program of music, cake walks, fortune telling and a fashion parade will be given.

Proceeds for the benefit of the Church Sunday School. Everyone is invited to attend.

GOLDEN ANNIVERSARY

Mr. and Mrs. Marvin Waters celebrated their fiftieth anniversary of their wedding day on Sunday, October 15. Six of their eight children with their husbands and wives were present.

County To Observe Halloween With Annual School Carnivals

OVER 200 POUNDS OF KING MACKREL were recently caught by local fishermen at Morehead City. Proudly displaying their catch are, left to right: James Owings, Kerr Graves, Herman Manor and Tom Glascock.

BABY BEEF SALE

The annual 4-H and F.F.A. Baby Beef Show and Sale is being planned for Tuesday, November 7. This year the event will be sponsored by the local Junior Chamber of Commerce and will be held at the usual site near the old cotton gin. Further details will be announced next week.

Mrs. Apperson Elected Head Of County Council

Mrs. George Apperson of Mocksville, R-4, has been elected president of the Country Women's Council, USA, it was learned this week.

She was named to the post at the 14th annual meeting of the National Home Demonstration Council in Biloxi, Miss. The Country Women's Council consists of five National organizations, two regional, and 38 State organizations.

Mrs. Apperson was former president of the North Carolina Federation of Home Demonstration Clubs in 1948-49.

In 1947 she was one of 70 women who represented the United States at a meeting of the Association of Country Women of the World at Amsterdam, Holland.

She is a teacher in the Cooleemee Schools.

Mocksville Carnival, Parade On Tuesday

Halloween will be observed throughout the county with a variety of programs beginning on Friday night of this week. Each of the schools will hold the annual Halloween Carnival offering fun and entertainment, and at the same time raise funds to aid in special school work.

By far, one of the most popular features of these carnivals is the electing of a king and queen. This is done by contributions with a cent being a vote.

Mocksville and Cooleemee will feature parades on the day of their respective carnivals. These parades will feature special floats and a parade of children in their colorful costumes.

Costume Ball

The Mocksville Junior Chamber of Commerce will hold its annual costume party, to which the public is invited, at the Rotary Hut on Saturday night at 8 p.m. Both round and square dancing will feature this event and prizes will be awarded to the best costumed.

Wm. R. Davie

The William R. Davie School will hold its carnival at 7 p.m., on Friday night, October 27. A "Room of Fun," cake walks, sale of hot dogs, hamburgers, etc., and the crowning of the king and queen will feature this event.

Shady Grove

The Shady Grove School will hold their carnival also on Friday night. Featuring this event will be a variety of games and contests, crowning of the king and queen, and the sale of hot dogs and cold drinks.

Cooleemee

Cooleemee will lead up to their carnival Saturday with a parade. The parade will begin at 6:45 p.m. and go to the school for the carnival. The carnival will feature the usual games and sale of sandwiches, cakes, etc. The king and queen will be crowned.

(Continued on Page 8)

COUNTY SCHOOLS ADOPT RULES TO GOVERN BASKETBALL PLAY

Annual County Tournament Be Held At Cooleemee

The principals and basketball coaches of the high schools of Davie County met last week with County Superintendent Curtis Price and worked out a set of regulations to govern basketball play in the County for the approaching season.

The following regulations were agreed upon:

There should not be more than two (2) games per week, and not more than a total of twenty (20) for the season.

Referees are to be conference approved men from either High Point or Winston-Salem, N. C.

No high school should start their schedule until after Thanksgiving.

Teams are to enter only one tournament besides the Davie County tournament.

Admissions to be 20c for school children and 40c for adults at all schools.

Players, cheerleaders, managers, officers of the law are to be admitted free upon proper identification.

The County Tourney should fall into the following dates: February 26, 27, 28 and March 1, 2, 3.

The County Tournament will be played at Cooleemee High School.

County standings are to be used in making up the schedule for the tournament.

Principals, teachers, coaches and pupils should make every effort to have an agreeable, peaceful situation at all games.

The boys' coaches are to be a standing athletic committee all through the year.

There will be no regular scheduled games for the elementary grades.

Coaches are to make a study of girls' rules and report back to Mr. Price at a called meeting.

Every effort should be made to prevent smoking in the gymnasium.

Schedules should be completed as soon as possible so the conference official can get a copy.

ABILITY — AS BASIS OF SELECTION

In American sports, it is not who you are, what you are, or where you came from, that count, BUT ONLY WHAT YOU CAN DO. Where can one find true democracy exemplified any better than in our many sports arenas?

Sunday, Charlie Justice made his professional football debut with the Washington Redskins. The game was played before a capacity crowd, the first in several years for this team who has not been overly successful in the victory column. The increased attendance Sunday was to see the "Choo Choo" in action once again. He has proved his ability and they know what he can do.

If one draws a comparison of the type of democracy exemplified in American sports, to that in other phases of American life, one finds some of the other phases sorely lacking. For instance a team, be it football, baseball, basketball or other, is composed of individuals of different race, creeds, backgrounds, and other individual differences. Nevertheless, they throw aside these individual differences and work together to achieve their goal. The same is true in the rank and file of our armed forces. The success of a mission is based solely on what the men do, not who they are or where they come from.

Then take politics, the selection of individuals to administer public affairs. Too often the situation is reversed. Often it is not what a man can do that counts, but who he is, what he is, and where he comes from. Individual differences are made paramount issues, the position in question relegated to an insignificant status.

The strength of our democratic form of government lies in the choosing of the best qualified man for the job. Qualification meaning the ability to perform the tasks required by that office. If we allow sentiment, unwarranted and unfounded aspersions on character, to dissuade us from selecting the best qualified, then democracy is failing in its purpose. If on the other hand we select a candidate on the basis of individual ability, what he can do, then we have done our duty and are strengthening our system of government.

Voting is a duty and a privilege, and not a matter to be taken lightly. It is our duty to know the candidates and to judge their ability to discharge the duties required by the office. It is our duty and privilege to make known our opinion by the ballot on election day.

A football team is composed of eleven positions, each requiring a somewhat different set of qualifications. A man is put in each position on his ability to perform best in that spot. He is not put there just because he decides that it is the position he wants to play. The same should hold true with political office seeking.

On November 7th we will be given the opportunity of filling some of the positions in our government. Whether or not we do it wisely will be up to us as individual voters. If we compare the requirements of the offices with the qualifications of the candidates, a wise decision can be reached. And by making known that decision in voting on November 7th we fulfill our obligation of citizenship.

BROADWAY MUSICAL STAR,

Nanette Fabray

MORE PEOPLE SMOKE CAMELS than any other cigarette!

KOREAN CHURCH ESCAPES SHELLING

FOLLOWING THE NAVAL BOMBARDMENT of the Pohang area in Korea, only a little house of worship survives. All other structures in the section were reduced to rubble during the shelling of Red targets from the sea. The U.S.S. Missouri played an important part in this attack, as it also did in assault on the port of Chongjin. (International Soundphoto).

PERSONALS

I, WALDO C. CHEEK, Commissioner of Insurance, do hereby certify that the above is a true and correct abstract of the statement of the Lumbermen's Underwriting Alliance of Kansas City, Mo., filed with this Department, showing the condition of said company on the 31st day of December 1949.

Witness my hand and official seal, the day and year above written.
Waldo C. Cheek
Commissioner of Insurance

Air Force Enlistments Stopped For October

The Statesville Recruiting Office today received notice to stop all air force enlistments for the remainder of this month, (October).

Due to the large volume of volunteers air force has been placed on a restricted quota basis, and the North Carolina Recruiting District has been the first to fill their quota for the past two months.

Young men who are interest-

ed in the air force, should contact the recruiting office as soon as possible, so their papers can be processed. This will enable the interested parties to be placed on the air force waiting list for the coming month.

All applicants for air force who are under 21 years of age have to have a birth certificate.

A Carteret County farmer, John Smith of Atlantic, is obtaining good results from the use of a Brahma bull in his cattle breeding.

PEOPLE WILL VOTE ON FIVE AMENDMENTS

Changes In Constitution Are Proposed; To Be Determined Nov. 7

Five amendments to the Constitution have been proposed and will be voted on at the general election to be held on November 7th. If the amendments receive a majority vote on election day, they will become a part of the constitution.

The first amendment would permit "any person when represented by counsel, to waive indictment in all except capital cases."

A person now charged with a felony must first be indicted by a grand jury before case may be tried in Superior Court. If the amendment is approved, then he may waive action by the grand jury and go straight into court for the trial.

The second proposed amendment provides for "securing and safeguarding the funds of the Teachers' and State Employees' Retirement System."

This amendment would prevent the legislature from appropriating funds from this system from other than payment of retirement system.

The third proposed amendment "would allow limited necessary compensation of members of the General Assembly."

At the present time, members of the General Assembly are paid at the rate of \$10 per day for 60 days of the sessions of the legislature, but in recent years the shortest session has been 64 days and the longest 132 days. The pay for the legislators in all these sessions has been only \$600 per session.

Under the proposed amendment, the members would be paid \$15 per day for a period of 90 days. After that time, they would receive no additional compensation. Thus if they stayed in session for 40 days, they would receive \$600 for the session. For ninety days and beyond, they would receive a maximum of \$1,350.00.

Fourth Proposal
The fourth proposed amendment would permit "the General Assembly to prescribe the number of regular Superior Court judges in each judicial district, provided each district has at least one."

At the present time, each district has one judge, but additional judges are needed. Thus, the only practical way to get the additional judges now is for the governor to appoint special judges. If the amendment is approved, the people will elect the judges that are needed.

The fifth and final would "transfer to the Chief Justice of the Supreme Court in authority now exercised by the Governor in the assignment of judges and the calling of special terms of court, and empowering the legislature to define the jurisdiction of the special judges."

At the present time, the governor assigns the judges and calls special terms of court. This power would be transferred to the Chief Justice. In the second change, the special judges would be given certain needed authority which they do not now possess.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. W. N. Mays of Route 1, Mocksville, on October 14, a son, William Frank, at Rowan Memorial Hospital, Salisbury.

Mr. and Mrs. C. C. Kurlley of Cooleemee, on October 13, a son, Ronald Anderson, at Rowan Memorial Hospital, Salisbury.

Mr. and Mrs. John Eaton of Cooleemee, on October 13, a son, Kenneth Dwight, at Rowan Memorial Hospital.

SERVICE—
what kind, please?

Service is a very specific word with the Duke Power Company. Farm Engineers, Industrial Engineers, Home Economists, Appliance Repairmen, Lighting Specialists . . . all these men and women are especially trained to serve our customers.

Poles, pipes, valves, transformers, generators and miles of transmission lines, the engineers who design giant installations and the farsighted planners who study the needs of their area . . . these are but the preparation for service.

Our responsibility to you . . . the user . . . is met only when these facilities are made to serve you, economically and satisfactorily, in your shop, plant, store, office, on your farm, and throughout your home

DUKE POWER COMPANY
Serving the Piedmont Carolinas

The Davie County Canidates

S. H. CHAFFIN

S. H. Chaffin, Republican, candidate for Clerk of Superior Court. Chaffin was born and reared in the Calahaln township of Davie County. He attended the schools of the county and Trinity College, which he left to enter the army in 1917.

He served as secretary and treasurer of the Davie Farm Bureau from activation until his resignation a short time ago. He is a member of the American Legion and the Methodist Church, married and has eight children.

Chaffin has served two terms as county clerk of court since being elected in 1942. Prior to that time he was engaged in farming. He was unopposed in the Republican primary last May.

G. ALEX TUCKER

G. Alex Tucker, Republican, candidate for Sheriff of Davie County.

Tucker is a dairy farmer of the Fulton township. He is 50 years of age and was born and reared in Davie County. He is a member of the P.O.S. of A. and has served as superintendent of the Elbaville Sunday School for over 16 years. He is married and has one daughter.

Tucker received 665 votes, carrying eight of the county's eleven precincts to receive the Republican nomination in the primary last May. In this primary Hubert Eaton received 376 votes and Hobart Hoots 371 votes.

CARL O. McDANIEL

Carl O. "Jake" McDaniel, Democrat, candidate for Clerk of Superior Court.

McDaniel is a life-long resident of the county and the Cooleemee community. He was production manager for the Erwin Cotton Mills prior to his resignation some time ago. He is currently engaged in farming on what is known as the Summersett farm, which he purchased a short time ago.

He is a veteran of World War II, seeing action with the United States Navy. He is a member of the Episcopal church and the American Legion.

He is around 40 years of age, married and has one child. He was unopposed in the Democratic primary last May.

SUPPLEMENTAL READERS

Davie County now has 6562 supplemental readers that have been approved by the State Department of Education. In addition, 1600 more are on order which will give the county a total of 8162 supplemental readers. This makes the county per grade total well above the State requirements, Superintendent Curtis Price announced.

CMS MATERIAL

Farmers, who received fertilizer materials or seeds through the PMA office, are urged to use the material and make a report right away.

C. A. "BUCK" GARRISON

C. A. "Buck" Garrison, Democrat, candidate for Sheriff of Davie County.

Garrison, a resident of the Farmington community was born and reared in Morganton, Burke County. His grandfather served as sheriff of Burke County for a number of years.

He attended the Morganton schools and Wake Forest College, where he played three years of varsity football, winning state and all-southern honors at the tackle position. After leaving Wake Forest he played professional football with the Pittsburgh Steelers of the National Football league, and with the Charlotte Clippers and the Greensboro team of the Dixie League.

He is married to the former Miss Mymie Howard of Farmington and they have one child. At the present time he is engaged in traveling for the Picasanti Hardware Company of Winston-Salem. He is a member of the Episcopal Church.

Garrison received 815 votes in the primary last May to receive the Democratic nomination for sheriff. In this primary C. A. "Doc" Tutterow received 784 votes and W. L. Wallace 41 votes.

B. C. BROCK

B. C. Brock, Republican, candidate for county representative to the North Carolina General Assembly. Brock is unopposed for this office.

G. V. GREENE

Dr. G. V. Greene, Republican, candidate for county coroner. Dr. Greene has held this office for the past four years. He is unopposed for re-election.

FELLOWSHIP SUPPER

There will be a Methodist Fellowship supper at the Rotary Hut Wednesday evening, November 1, at 6:30 o'clock. All members are invited to come and bring a picnic basket.

PTA Slated Thursday At Farmington School

The Farmington Parent-Teacher's Association held their October meeting on Thursday night in the school auditorium. The president, W. W. Spillman presided. The meeting opened with the group singing "Home Sweet Home."

The worship service was led by Mrs. B. C. Brock using Joseph and Mary's home life with Jesus, taken from the New Testament and Solomon and David from the Old Testament.

Mrs. John Oakley sang "Happy the Home When God is There," accompanied by Miss Peggy Oakley. Mrs. Nell H. Lakey gave an article on "Character Building

In the Home" and several selections were sung by a quartet composed of Mr. and Mrs. James York, Miss Evona York and Ernie Foster.

At the business session, the Rev. John Oakley discussed installing lights on the school grounds. Curtis Price and O. T. Haynes were appointed to sell some cafeteria equipment and proceeds put into the PTA treasury and a PTA booth planned for the Halloween Carnival on Monday night, October 30. The booth will be set up for the sale of home made pies, cookies and cakes.

The attendance banner was won by Miss Vada Johnson's grade.

Miss Ivie Nail left Sunday for Hickory after spending last week here with relatives.

Mrs. Elizabeth Tinker spent the week end in Washington, D. C. Mrs. Kathryn W. Waters left Friday for Baltimore, Md.

MRS. WALTER LEON EATON

Miss Whitner, Mr. Eaton Wed in Church Ceremony

The marriage of Miss Joyce Whitner, daughter of Mr. and Mrs. S. O. Whitner of Troutman, and Walter Leon Eaton, son of Mr. and Mrs. Carl Eaton of Coolemeec, was an interesting event

of Saturday evening, October 14. The ceremony was held at half after seven o'clock at the First Methodist Church in Troutman. Dr. D. E. Croy, pastor of the bride, officiated at the double-ring ceremony.

Miss Mary Frank Brown, organist, and Mrs. Clarence Reid and Hubert Remmer, vocalist, presented the wedding music. Miss Brown played "To a Wild Rose" during the ceremony and Mr. Rimmer sang for the benediction, "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white skinner's satin fashioned with a yoke of chantilly lace, fitted pointed bodice and long sleeves. Her gathered skirt fell into a full court train. The full length veil of French imported illusion was worn with a crown of Alecon lace edged with seed pearls. She carried a white prayer book topped with a white orchid.

Mrs. Hoyt Freeze of Burlington, sister of the bride, was matron of honor. Bridesmaids were Mrs. Grant Laphis and Miss Sara Whitener, sisters of the bride, of Troutman, Miss Bertie Moore and Mrs. C. E. Wingate of Statesville. Miss Barbara Ann Freeze, niece of the bride, was flowergirl.

All of the attendants wore identical dresses of green satin, matching mitts and braided head-dresses. They carried nose gays of mixed fall flowers.

C. W. Eaton was his son's best man. Ushers were Wayne Eaton of Greensboro, Harry Moncese and Richard Smith of Coolemeec and Robert Campbell of Statesville.

Annual H. D. Program Held At Center Church

The annual Home Demonstration Achievement Program will be held at the Methodist Church in Center on Friday, November 3.

Mrs. Harvey Gobble, President of the County Federation will call the meeting to order promptly at 2:00 o'clock p.m.

Welcome will be given by Mrs. John Anderson, member of the Center Club. The program for the evening will include a short report of the National Meeting, given by Mrs. George Apperson, who has just returned from the meeting which was held in Biloxi, Mississippi. Reading certificates will be given to the women meeting the requirements and a gavel will be presented to the club having the largest number in attendance on a percentage basis. Achievement highlights will be given by the presidents of the clubs.

A skit, "Music Through the Years," what is has meant to you and what it means today, which includes special numbers and group singing, will be a very interesting and enjoyable part of the program.

At the conclusion of the program refreshments will be served in the community building by the hostess clubs, James Cross Roads Kappa, and Center.

A reception was held at the home of the bride's parents after the ceremony.

For travel the bride chose a navy and ginger suit with matching accessories and the orchid lifted from her prayer book.

The couple will be at home in Statesville upon their return from Florida.

Mrs. Eaton was graduated from Troutman high school and is now employed at J. C. Penny's warehouse in Statesville.

Mr. Eaton graduated from Coolemeec high school, served three years in the U. S. navy and is now operating a service station in Statesville.

Mr. and Mrs. Berry Jay Foster, Jr., of Mocksville, announce the engagement of their daughter, Lois Virginia Foster, to Alvin Eugene Slate, son of Mr. and Mrs. R. H. Slate of King. The wedding will take place December 16.

Legion Auxiliary Gives Dance Report

Mrs. E. L. Short, president of the American Legion Auxiliary in Mocksville, reports that \$65.00 was cleared Saturday night at the square dance sponsored by the Auxiliary.

Proceeds will be used by the Veteran's Program of the Auxiliary.

Mrs. Jean Boger H. D. Club Hostess

The Cana Home Demonstration Club was entertained Wednesday afternoon at the home of Mrs. Jim Boger, Mrs. Sherill Boger co-hostess.

The devotional service was led by Mrs. E. F. Etchison.

Roll call was answered with a favorite receipt or a news item.

The club collect was repeated at the conclusion of the meeting. Refreshments were served to 14 members.

Portrait of a Soul

Did you think a soul was invisible? Did you even suspect that it was a theological concept that only ministers could understand?

Well, look into this boy's eyes! Do you see happiness . . . the certainty that life is full of beauty and truth? Do you see hope . . . the assurance that every tomorrow will be better than every today? Do you see courage . . . the fortitude that will look through defeat to victory? Do you see faith . . . the confidence that God hears, and knows, and cares, and helps?

You're looking into a soul! You're seeing the spark of Himself which God has put into every one of us. And you're seeing it still unblemished by the cares and disappointments of life.

You can see a soul through your own child's eyes. But unless you give that soul a chance to grow up with the body and mind that possess it . . . soon you'll no longer see it in your child's eyes . . . and perhaps, someday, you'll no longer see it in his life.

The Church, through careful religious education, develops that spiritual inner-being which we call the soul. Your child deserves the advantage of the Church's instruction. And, in church worship, you will rediscover the beauty and strength of your own soul.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the Church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church on Sunday.

DAIRY CATTLE SHOW
It was the morning of Oct. 11, 1950, that local N. F. A. chapters surrounding Iredell County began their procession of fitted animals for the first Negro District Junior Dairy Cattle Show to be held in this section. The affair was held in the livestock arena at the Fair Grounds near Statesville, N. C. This show, which is destined to become an annual affair was sponsored by the New Farmers of America, New Homemakers and 4-H Clubs of Iredell and adjoining Counties.

Despite the fact that most of the contestants were making their first debut in the show ring, the showmanship displayed was as a whole, worthy of commendation. Competition was very keen despite the infancy of the event. To increase the difficulty of winning the blue were critical eyes of Dr. W. J. Kennedy, Professor of Dairy Husbandry, A & T College, Greensboro, N. C., who did the judging for the show.

Davie County Training School was able to salvage three blue ribbons, out of a total of six animals shown. The winners were Robert, William and Lucile Pull-

I am the latter representing the New Home Makers. Harvey Pulliam's fancy Holstein came from the ring in second place rating the red ribbon. Miss Ruth Rucker displayed the New Home Makers spirit, by exemplifying fine showmanship in the ring with her heifer, a third place winner carrying the white ribbon. John Lesley James showed Thomas Rhynhardt's (veteran) animal another third place winner. The Grand Champion winner was Mr. G. C. Steele, Jr., of Harmony Community, Iredell County.

Mocksville F.F.A. Holds Initiation

The Mocksville chapter of the F.F.A. initiated the following freshmen members at the meeting Wednesday night: Mitchell Angell, James Anderson, Robert Boger, Gwyn Boger, Harley Chaffin, Harding Blackwelder, R. C. Dyson, David Everhardt, Gene Foster, Bill Green, Herman McDaniel, Paul Richardson, Billy Smith Trivette, Jack Walker, Rody Woodward, Bobby Green and Bill Brown.

Grasshoppers won't eat Ceres wheat for some unknown reason, so North Dakota wheat farmers have planted that variety.

MORE ABOUT

Carnival

queen will be crowned at 9:30 p. m.

Farmington

Farmington will hold their annual carnival on Monday night, October 30, in the gymnasium. A variety of contests and the crowning of the king and queen will feature this event.

Mocksville

The annual Mocksville parade will be held on Tuesday, October 31. The parade will begin promptly at 2:30 p. m., and will originate at the high school. It will follow its usual course down North Main Street, around the square and back to the school. Mayor John E. Durham will head the parade that will consist of floats bearing the candidates for king and queen, and floats sponsored by other organizations.

The carnival will be held on Tuesday night at the old gymnasium. This event will be featured by cake walks, pie sales, fishing, pony rides, a museum with interesting relics, a spook house, and a variety of other booths. The carnival will begin at 7:30 and last until the king and queen are crowned.

Following is a list of candidates for the Mocksville king and queen: Senior Class: Jane Click and Turner Skeeter Ammons. Junior Class: Ann Hendrix and Johnny Naylor. Sophomore Class: Josephine Miller and C. W. Allen. Freshman Class: Mona Josier and Harry Osborne.

Smith Grove

Smith Grove will hold their carnival on Friday around 7 p. m. Supper will be served by the PTA organization followed by a carnival of fun and frolic.

CARD OF THANKS

Expressing my grateful appreciation for the many loving deeds and acts of kindness, and the beautiful floral tributes rendered to me in my hour of bereavement in the loss of my beloved sister.

Miss Cora Austin

MORE ABOUT

Deane

Montgomery, Union, Anson, Richmond, Hoke, Scotland, Yadkin, and Moore Counties. On the eve of the election he winds up the campaign with a great rally in Mocksville, Davie County.

Mr. Deane states that a hard political battle between the Democrats and Republicans is taking place in the Counties of Davidson, Davie, Yadkin, and Wilkes, where the Republicans are now in complete control of the County government. The Congressman feels that if present trends continue there are going to be some upsets and is predicting victory in several of these counties for the Democrats. He voiced hope that in the strong Democratic Counties of Union Anson, Richmond, Scotland, and Hoke, where there is no Republican County ticket that every person feel that it is his responsibility to cast a vote.

English Rites

Held Saturday

Frank Tolson English, prominent Davie County resident, passed away Friday in Asheboro at Randolph Hospital.

Mr. English has been in declining health for sometime and entered the hospital Monday where his condition soon became critical.

He was born in Alexandria, Virginia, March 12, 1865, and was educated at Washington University, St. Louis, Mo. He followed the profession of civil engineering for the years before settling in Maryland. In 1901 he married Miss Netty Anthony of Chestertown, Md. He moved to North Carolina in 1920 as manager of Boxwood Farm for the late W. R. Craig and continued in this capacity until his death.

He was a member of Jerusalem Baptist Church, where he taught

IT SEEMS TO ME:

By C. G. TOMLINSON

POLITICS 20 YEARS AGO

It seems to me that the current political campaign in Davie County is a far cry from those of the rip-roaring twenties. Looking back into the records of those campaigns one finds the dog eat dog battles, which truly tested the survival of the fittest.

For most of the twenties the Republican held control under the leadership of A. T. Grant. The slight disruptions in this regime occurred within the party through rivalry at the County nominating conventions.

During this period, not only in Davie County but throughout the Nation, the Democrats were definitely on the outside looking in. To combat this situation in Davie County a "Citizens Ticket" was nominated in opposition to the Republicans.

In 1926 the Citizens Ticket bowed in toto to the Republican party.

1928 ELECTION

In 1928, under the leadership of H. A. Sanford, the Citizens of Davie County met and nominated a strong slate of candidates. Organizations were perfected for the group and R. S. McNeil and W. M. Seaford were named secretaries.

Going into the election in November, the Citizens Ticket offered the following slate of candidates: For Representative: T. I. Caudell; For Sheriff, Roy G. Walker; For Register of Deeds,

a Sunday School class for many years.

He is survived by his wife and four children: J. Anthony English, Salisbury, Md.; T. English, Jr., Tampa, Florida; Edward A. English, Cooleman, and Mrs. Charles W. McCrary, Asheboro; also two sisters, Mrs. G. H. Robertson, Alexandria, Virginia and Mrs. Julian Miller, Portsmouth, Virginia.

Funeral services were held at his home at Boxwood Farm Saturday afternoon at 2:00 o'clock, after which the body was removed to Asheboro for interment at Oaklawn Cemetery.

Austrian wool output this season is expected to exceed the record production of the 1943-44 season.

S. R. Bessent; For Treasurer, J. C. Barnhardt; For County Commissioners J. H. L. Rice, J. E. Davis, C. A. Orrell; For Coroner: B. F. Tutterow; For Surveyor, C. H. Barneycastle.

The Republican slate of candidates was as follows: For Representative, A. T. Grant; For Sheriff, Kelly Cope; For Register of Deeds, E. D. Ijames; For Treasurer, S. C. Stonestreet; For County Commissioners, B. R. Bailey, A. L. Harkey, H. M. Deadmon; For Coroner, Ray Lingle; For Surveyor, M. C. Ijames.

In 1928 the Republicans swept once again into office with over a thousand majority for the county offices. For the nation, Herbert Hoover defeated Al Smith and became the president of the United States.

The economic disaster that took place throughout the United States during the next two years, also had its affect on Davie County. For twenty years ago, in 1930, saw the resurrection of the Davie Democratic party.

1930 CAMPAIGN

With Knox Johnstone as chairman of the Democratic Executive Committee of the County, the Democrats launched early into one of the greatest campaigns ever witnessed in Davie County. At well attended county meetings held in each of the precincts of Davie County, it was party against party, Republicans vs Democrats.

Leading the Democratic list of issues that year was the proposal to abolish the County office of Superintendent of County Welfare; to dispense with the services of a salaried County treasurer; a re-adjustment in the administrations of the office of county accountant; and a pledge to rigid economy that the cost of government could be reduced to the lowest level, and the spirit of extravagance in the county government reduced. These issues hit a true note with the economy minded people at this time.

The slate of candidates offered in the 1930 election were as follows: For Representative, John P. Legrand (D) and Armand T. Daniel (R). For Clerk of Superior Court, C. A. Orrell (D) and M. A. Hartman (R). For Register of deeds, B. Clegg Clement (D) and E. D. Ijames (R). For County Surveyor E. O. Smithdeal (D) and M. C. Ijames (R). For Coroner, Dr. A. B. Byerly (D) and Ray Lagle (R). For Sheriff, Floyd

McSwain (D) and C. W. Hall (R). For County Treasurer, Z. N. Anderson (D) and S. C. Stonestreet (R). For County Commissioners, M. H. Hoyle (D), T. Pearl Dwiggins (D), C. Harmon McMahan (D); H. M. Deadmon (R), O. L. Harkey (R), R. P. Martin (R).

The Mocksville Enterprise gave the County the results of the 1930 election with a streamer across

the front page reading: "Democratic Landslide Engulfs Republicans." Then in a series of drop heads it said the following: "Every local Democratic candidate elected by a handsome majority. Many Democrats surprised. Republicans dumbfounded at results of Tuesday's voting. Remarkable swing from the 1000 Republican majority of two years ago

to 300 Democratic majority Tuesday. Surpassed most sanguine expectations of local Democratic leaders. Legrand leads."

Thus exactly twenty years ago the election of 1930 marked the end of the turbulent twenties and the beginning of another decade in county politics. Perhaps next week we can trace these later political campaigns and elections.

LOOK! $\frac{1}{3}$ MORE FOOD STORAGE in the same kitchen floor space!

SPACE MAKER REFRIGERATORS

NOTICE

To The Voters Of Davie County

I am the candidate for Clerk of Superior Court on the Republican Ticket. Realizing it would be impossible for me to contact each voter personally, I am taking this opportunity through the press, to express my appreciation for the support the people of Davie County have given me in the past and for any support they may give me on November 7th, 1950. If I am elected as your Clerk, I will continue to serve the people in the future as I have in the past—Promptly, courteously, and in the fair and impartial manner to the very best of my ability.

Be sure to go to the polls on election day, and see that your neighbor goes and,

Vote for your friend for Clerk of Superior Court.

Stacey H. Chaffin

Truck Taxes Build Roads

\$24,000,000.00 Primary Roads Built in '48-'49

\$20,000,000.00 N. C. Truck Road Taxes in '48

Trucks serve two ways to bring you better living. They carry the things you need when you need them, wherever you are... and they make possible more and better roads for everybody.

In addition to the taxes paid by every citizen, North Carolina's truckers pay more than twenty million dollars in "special" taxes every year to build and maintain your highways. Last year's special taxes were enough to pay for approximately 85% of all primary highway construction in North Carolina. Truck license fees alone were well over nine million dollars, more than enough to maintain all primary roads for the year.

While North Carolina's modern trucking industry is seeking new ways to serve you, remember it is also helping mightily to keep North Carolina "The Good Roads State."

... and roads build a better life!

While North Carolina's modern trucking industry is seeking new ways to serve you, remember it is also helping mightily to keep North Carolina "The Good Roads State."

While North Carolina's modern trucking industry is seeking new ways to serve you, remember it is also helping mightily to keep North Carolina "The Good Roads State."
