Benfield Changes Mind, Says No To Davie County Schools Decision Surprised School Officials In Davie County - And In Wisconsin

He had interviews for the job as superintendent of Davie County Schools.

He traveled from his home in Wisconsin and met with the staffs at every school. He was interviewed by the newspaper.

He signed a contract saying he would be Davie's new school superintendent.

He even visited potential homes with a real estate agent.

Things were looking up for Davie Schools with Dr. James Benfield coming in to take over as superintendent when Dr. Bill Steed retires at the end of June.

But Benfield surprised members of the board of education and the community last week when he announced that he wasn't coming to Davie County after all.

W.G. Potts, current executive director of operations of Davie County Schools, was named interim superintendent Monday night by the Davie County Board of Education. Potts will assume the role beginning July 1 for six months, at which time the school board will revisit the issue. Potts was one of the 36 candidates who originally applied.

"I know this board has spent an incredible amount of time on a superintendent search," said board chair, Janie Garnett. "It's been valuable time. I can't tell you how valuable it has been. Knowing that this is 2001, and the need for getting ready for 2001-2002, we want to focus on educating our children." Luther Potts made the motion for Dub Potts to assume the superintendent role. He said the recommendation was made by the entire board.

Marlene Shamel seconded the motion, which passed unanimously, giving Potts more support than Benfield received.

"I value the opportunity you've given me," Potts said. "I look forward to working with you. I'm excited about it." Potts holds several degrees: a bachelors in health and physical education from Appalachian State

Relay For Life Friday, Saturday

By Mike Barnhardt
Davie County Enterprise Record

Think positive and try to live as normal a life as possible.

That's the attitude Julia Howard took when she was diagnosed with breast cancer some 20 years ago. Sure, she was scared and confused when she first heard the news. But she decided not to let it break her spirit.

Howard, a former Mocksville town board member and member of the N.C. House of Representatives representing Davie County for the past 13 years, will share some of her story Friday when the Davie County Relay for Life begins at 6:30 p.m. at the Davie High School football stadium.

"I tried not to let it slow me down," she said, "because people die when they slow down. I tried to do everything as normal as possible. It was important to me to stay busy and overcome it."

Howard does stay busy. And she still drinks that glass of carrot juice every day that doctors ordered during her treatment.

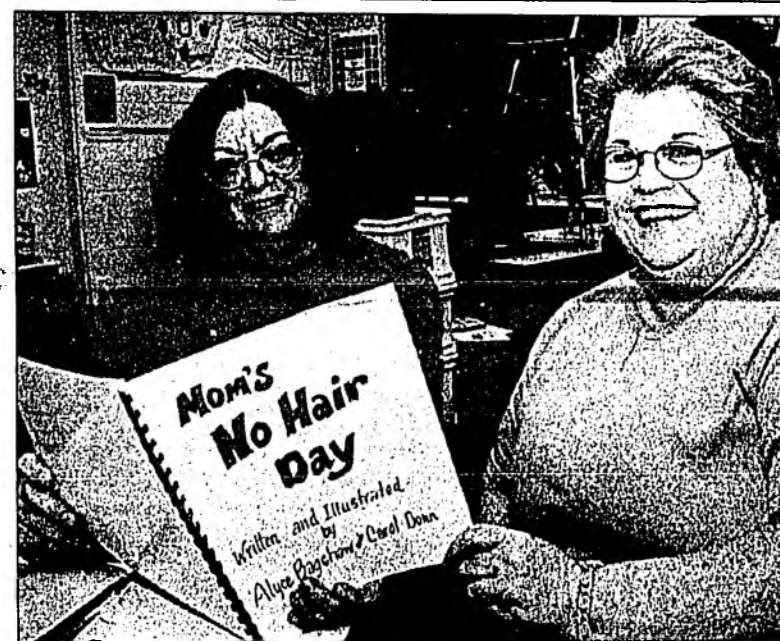

At first, she tried to hide aspects of the illness from her children. Looking back, she said that wasn't the best approach.

"If there are any words to the wise, be honest with what's going on," she said.

Howard often is called to talk to others who are diagnosed with breast cancer. Some she knows, others are strangers.

"If you have somebody who's been through it and didn't die, it

Local Woman Writes Book To Help Children Deal With Cancer

By Mike Barnhardt

WILLIAM R. DAVIE - Alyce Bagshaw wrote an entire book about breast cancer, and didn't even mention the dreaded "C" word. Not even once.

That word is scary, especially to young children. They've heard it, they know it's bad, but they don't understand.

Soon after returning to teaching second grade at William R. Davie Elementary School after her own treatments for breast cancer, Bagshaw and friend Carol Donn, an art teacher at Kernersville Elementary School, applied for a program at the N.C. Center for the Advancement of Teaching.

In March, they went to the mountains, and spent a week writing and illustrating the book.

"Mom's No Hair Day." Bagshaw had seen the difficulties of explaining her illness to the young students in her class. "I needed some way to explain it to the kids," she said. "There's nothing out there that helps children in their own language to understand this."

There was no problem remembering what she had been

County Tax Rate Lower; But Bills To Be Higher

By Mike Barnhardt
Davie County Enterprise Record

There's good news and bad news with the proposed Davie County budget.

First, the good news. Including the 4-cent fire tax, the rate will go down, from 63 cents to 59 cents per \$100 property valuation.

Now, the bad news. With the average property revaluation at 41 percent higher, most taxpayers will be paying about 28 percent more on their county property tax bills. Residential values didn't go up as high on the average as did open land and commercial development, said Mary Nell Richie, tax administrator.

For example: a property owner with a \$100,000 home who paid \$630 in taxes will now pay \$778. The actual increases will vary from property to property, as values increased by different amounts in different areas.

County commissioners will hold a public hearing on the proposed at 7 p.m. on June 18 in the county administration building.

The nearly \$33 million budget is approximately \$2.8 million more than last year's budget.

County officials pointed out that there hasn't been a tax increase, other than to pay for school bonds in seven years. "There's not many businesses that haven't gone up in

County Tables Cooleemee Zoning Issue

By Mike Barnhardt
Davie County Enterprise Record

More than 200 people crowded into the district courtroom Monday night to tell county commissioners what they think about a proposed zoning overlay district in Cooleemee and a two-mile radius around the town.

Some were in favor of the proposal. Some were against it. Many said it wasn't fair the committee that

studied the issue was made up of Cooleemee city residents appointed by the town board, with no representation from the outlying two miles. Even more said that two miles was too far.

Commissioners promised the residents they would take their comments into consideration. They tabled a decision to study the issue further.

"This is a serious, serious document," said board chair, Michael

Allen. "That's the reason you are here tonight. We would not approve of anything of this nature without hearing from the people."

He said there was a lack of communication, and the biggest problem appeared to be with the two-mile district. Allen said there were several packets and updates to the documents, and even he wasn't sure who had seen what.

County Delays Decision On Cooleemee Overlay Zoning District

Continued From Page 1

"I can guarantee the citizens in this area, the board will take serious consideration of what was said here tonight," Allen said.

Commissioner Dan Barrett agreed that it would be smart for the board to mull over the comments and hear from more residents, but that for 15 years zoning issues in the area haven't been addressed.

"It's time to address the problem," Barrett said. "All we're trying to do is insure a basic living condition for our citizens."

Commissioner Ken White said it bothered him that some of the speakers said the county is against poor folks, which isn't true. No board member is against mobile homes or mobile home parks, he said. "But government has a responsibility to protect the welfare, safety and health of the citizens we serve."

Commissioner Bobby Knight said the two mile district may be too much.

Commissioner Richard Poindexter made the motion to table a decision until a workshop to study the issue could be scheduled.

The proposal would have almost no effect on current homeowners or on businesses, unless there was an expansion. It would require mobile home parks to meet certain standards within three years or be closed, and mobile homes on private lots that are replaced would have to be replaced with Class A or B homes.

Clarence Spillman said the county didn't follow the advice of its own planning board, which decided the county was moving too fast and recommended the proposal be sent back to committee.

"It wasn't done right. People outside town weren't on the committee," Spillman said, adding that it wasn't clear who authorized changes to the document from week to week. "It's not right to do something without the people being represented. If the Town of Cooleemee wants more land, let them buy it."

He told commissioners he wouldn't vote for them again unless they changed their attitudes toward manufactured homes. "You're discriminating against them. You'd be surprised at the people who are against this."

Among the other comments: "Del McCulloh: 'The landowners have got to have some kind of protection against these mobile home parks. I'd like to be proud of the lower end of the county. The Spillmans, I think what they've done is what they can get by with.'"

Jack Jerome, committee chair: "Some people totally misrepresented what we were trying to do, trying to say, trying to accomplish. It's a shame that people have to live on dirt

roads and their children have to walk a long way in bad weather to meet the school bus."

"Tommy Barron: 'This proposal does a really good job of giving the people of Cooleemee a voice.'"

"Beth Link: 'It's not fair. We're not playing games with you over our homes and our land.'"

"John Chandler for the town of Cooleemee: 'We do not have a hidden agenda to do annexation. We could start that without this proposal.'"

"Mike Spry: 'The average homeowner will see little change. Zoning laws improve property values.'"

"Marjorie Foster: 'The problem arises when these mobile homes are rented and people have no pride in ownership. We need incentives to keep farms rather than taxing us like crazy so we have no choice (but to develop).'"

"Lynn Rumley: 'It's important that 25 years from now, this not be a cement jungle and be unlivable.'"

"Gary Boswell: 'This will protect the property values. This will protect people who have invested their life savings in their homes and property.'"

"Marie Ellis: 'I fail to understand why the Cooleemee Town Board has the right to make a recommendation about what I can and cannot do with my property ... at my expense. It's unfair and it's unnecessary.'"

"Fred Ellis Jr.: 'This will put people out on the street. They will move - with their money - across the river.'"

"Bill Johnson: 'I believe the two mile radius is reaching a little too far.'"

"Wilma Hayes: 'We do have countywide zoning in place already. This is wrong for us.'"

"Roger Spillman: 'They're trying to destroy my developments, hurt the Spillmans. Are we going to put 1,000 people out on the street? These people need a chance, and they're working in your county. They're not complaining. They want a place to live.'"

Marie Ellis says it isn't fair for Cooleemee to have a recommendation on her property nearly two miles away.

Del McCulloh said landowners need protection from poorly developed mobile home parks.

Committee chair Jack Jerome said there has been too much misrepresentation about the committee's goals.

Committee member Mike Spry tells his views before commissioners and a packed room of over 200 residents.

Commissioners Bobby Knight, Ken White and Michael listen to Beth Link explain why the zoning is a bad idea.

Man Who Wrecked Trying To Elude Police Sentenced

A man who wrecked his car while trying to elude police received a suspended sentence May 31 in Davie District Court.

Peter Vaughn Hadley was sentenced to 90 days in jail suspended two years after pleading guilty to two counts of driving while license revoked and hit and run.

Hadley realized he had been spotted driving by a police officer who knew his license was suspended. Frightened, he turned onto another road and turned off his vehicle lights. After wrecking the car, he left the scene on foot and went home, according to his attorney Ed Vogler. He admitted his guilt when officers arrived at his house.

Judge Jack E. Klass ordered Hadley to pay \$500 and court costs and not to drive until licensed.

Two counts of reckless driving to endanger, two counts of fleeing to elude arrest, exceeding a safe speed, improper passing and failure to burn headlamps were dismissed in exchange for Hadley's guilty plea.

K-9 Kilo Retires After Seven Years Of Service

By Jackie Seabolt
Davie County Enterprise Record

The proverb "a dog is man's best friend" was coined to mean that a dog is more faithful than most animals - and more faithful than many people.

Well, there is one dog in Davie County that is definitely one woman's best friend.

His name is Kilo, a K-9 deputy with the Davie County Sheriff's Department and handler Vicki Fields partner since August 1994.

The end of May marked Kilo's retirement from canine police work.

Seven years ago Kilo, then only a one year old pup, arrived in Davie County and began work with Fields. Initially patrolling for the Mocksville Police Department, Fields and Kilo later switched to the Davie Sheriff's Department and remained there.

Ed Barron New Director Of Davie Family YMCA

Ed Barron has been hired as the new executive director for the Davie Family YMCA. The Florida native and 20-year North Carolina resident knows the benefits a YMCA can provide - to children, to adults, and to a community.

Barron grew up attending the Y, and was positively influenced by adult volunteer coaches.

When he became a teen-ager, the Y was a good place for a part-time job.

When it was time to start working full time, he got a job as aquatics director at the Fayetteville YMCA, and worked for six years as branch director for the Canon Memorial YMCA in Kannapolis before taking the Mocksville job.

He earned a bachelor's degree in human services from Gardner Webb University.

So far, he likes what he's seen

in Mocksville and at the YMCA.

"I would like to pick up from where they are," Barron said.

"They have very good volunteer support. I see a lot of positive things."

He said there's a good structure in place that would allow for some growth.

Barron wants to build awareness in what is offered at the Davie YMCA, in a more intimate and personal atmosphere than is found in many places.

"A small-town atmosphere reflects this YMCA. We truly do know your name when you come in."

Barron hopes to move to Mocksville this summer with wife, Kim, and their daughters, Ashley, 16, and Elizabeth, 9.

"That's another good thing about this Y. You can bring your kids with you and they can grow up in the Y."

Relay For Life Friday, Saturday

Continued From Page 1 helps," she said. "I try to talk through it with those people. Yeah, you're going to lose your hair, but it'll grow back and it'll be curly. It may even be thicker."

Having faith, family and good friends also helps.

"Try to be positive and that's not always easy. Find the good and positive things going on and think about those, not the negative. Live to the fullest until you die," she said.

There are more than 460 registered cancer survivors in Davie County, and more than 300 of those usually walk that opening lap during the Relay, said Joan Carter, Relay organizer and executive director of the Davie Chamber of Commerce.

The organizing committee hasn't focused on numbers this year, especially considering the success of past relays. Davie ranked second in the nation last year in amount of money raised, and the local Relay regularly dwarfs similar relays in area large metropolitan areas.

The emphasis this year is on having fun, and celebrating achievements. Activities have been planned to include more young people, including several young musicians and an all night dance-a-thon with the winner getting \$500 cash.

The relay will include kumbe, bluegrass and Christian music, a DJ, activities centered around the "Fun in the Sun" theme.

A special ceremony will be held when the hundreds of luminaries are lit at dusk, with a "memory video" playing with photographs of those lost to cancer and Bob DeWitt playing "Amazing Grace" on the bag-

Survivor Writes Cancer Book For Children

Continued From Page 1 through. Her mother kept a detailed diary.

And although her son was a high school senior when she was diagnosed with cancer, she kept thinking about what a 7-year-old boy might think.

She purposely didn't use the "C" word.

"I didn't want to make it too morbid," she said. "Many had heard the word by their grandmother or grandfather having cancer ... and they died. And that's all they knew it by."

The book contains colorful pictures by Donn on each page, with a sentence by Bagshaw. It talks about sickness, having an operation and returning home.

The name for the book is found somewhere near the middle.

"One day when Mom was combing her hair a big bunch came out in her hand. It scared me!"

The next page, "She said her 'treatment' did this to her and not to worry. I wondered how a good treatment could make her feel so bad. Will Mom ever be better?"

The book, as it nears the end, takes on a more positive note. As it says on the last page, "not The End ... A New Beginning."

"I hope this book helps explain and takes away some of the fears that young children

go through when a loved one encounters breast cancer," she said.

Bagshaw's husband, Greg, has spent many hours putting the book on the Mocksville.org website. It's also linked to several breast cancer websites.

And there are hopes of getting it published. After that, there could be even more books. Bagshaw and Donn are thinking about books that would teach character traits to those same 7-year-old children.

Despite her illness, and her continuing treatment, Bagshaw feels lucky. There was no family history of cancer, and more than two years after her mastectomy, there is no sign of

the cancer.

She credits faith and the many prayers said on her behalf with helping bring her through.

And when the cancer survivors take that first walk at the Davie County Relay for Life Friday evening at the high school track, Bagshaw will be there, walking, just as she has every year since her cancer.

Cancer, after all, affects us all. Most everybody has loved ones who have had cancer, Donn said.

She starts telling about fellow teachers who have been through cancer ... and survived. Bagshaw smiles. "I like to hear those success stories."

Superintendent Changes Mind About Davie Job

Continued From Page 1

The announcement even surprised school officials in New Berlin, Wis., where he is superintendent.

The Milwaukee Journal Sentinel reported that as the New Berlin School Board was prepared to accept his resignation last week, he announced that he was staying in Wisconsin.

He cited family reasons.

"This is where we want to live," the Journal Sentinel reported him as saying. "This is where our friends are. As a family, this is where our roots are."

The Davie Board of Education held two emergency meetings last week, early Thursday morning and on Sunday night.

Dan Womble, Davie Schools attorney, stated that Benfield had

signed a contract. "The day we made the announcement was the day he signed the contract," Garnett said that the decision to pursue legal action for breach of contract would be left for a later date. She cited the need to find a

replacement as the board's current priority.

When asked about Benfield's decision, board member Marty Carter said, "I'm just looking toward the future, not studying the past."

Public Hearing On County Budget June 18

Continued From Page 1

seven years," said finance director, Jim Stocker.

County commission chair Michael Allen said the budget is tight, and that commissioners left no stones unturned. The board spent "four long nights" discussing the budget.

"We literally went through the budget line by line. Some employees don't believe we cut the budget \$50 here and \$50 there, but we did," Allen said. "I applaud you guys for what you did for county employees."

County employees would receive a 3 percent cost of living pay increase, plus 1 percent in merit pay increases for those who qualify. Commissioners also put \$10,000 in a pot for incentives for employees, to be awarded by the board for things such as ideas that save the county money and going above the call of duty in doing one's job.

Schools would receive 6 percent more than last year, to \$6.5 million in current expense funds.

The budget calls for tapping into the county's unappropriated

fund balance, taking it down to 17 or 18 percent in four years.

"That means four years of tight budgets," said Commissioner Richard Poindexter. He favors keeping the fund balance as high as possible, to cover unforeseen costs, such as what the county might face when Davie County Hospital is closed or in another contract for services there is signed.

"We've got to use wise spending," Poindexter said. "That's how you're going to keep the fund balance high and the tax rate low."

Although the county is getting pressure to put more money into recreation, he thinks that money would be better spent expanding water and sewer systems into areas where wells are failing, endangering people's health. He called the relative 28 percent tax increase "tremendous."

The budget also includes a 6.5 percent increase in current expense funding for schools, some \$62,000 more than recommended by County Manager Ken Windley.

University, two masters degrees from North Carolina A&T in health and education administration, and an education specialty degree with superintendent certification from Appalachian.

"This is a good step for us to take," said Debbie Pullen, the one dissenting voter when Benfield was approved. She cited Pott's 29 years of experience as one reason. Marlene Shamel concurred, saying, "He is a valuable asset."

Dr. Bill Steed, retiring superintendent said, "The board needs some stability right now and he will bring it. He has served as a principal in Davie County on all three levels [elementary, middle, and high school]. The staff respects him, knows how hard he

works."

Potts has worked in the Davie County system for 13 years, beginning as the assistant principal of North Davie Middle School. From there he spent three years as the principal of William R. Davie, five years as North Davie principal, and three years as Davie High principal. He has spent the last five years in the central office.

"This is an opportunity for us to refocus and get back to the business of teaching children," said Potts. He went on to commend the board on their professionalism during the superintendent search, saying he was impressed as a candidate.

He is going to change his mind about accepting the job. "Absolutely not."

Salem Fence Does High Quality Residential & Commercial Fencing

Summer is the season for outdoor barbecues and kids playing on swing sets and in sand boxes. For security, privacy, or just personal enjoyment, consider the added value of installing attractive fencing around your property from Salem Fence.

Salem Fence is an authorized dealer for Bufttech, national manufacturers who makes CertainTeed vinyl. As a distributor, owner George Sorenson oversees Bufttech's lifetime warranty on its products, and backs that up with his own one-year workmanship warranty on all fences installed.

Homeowners love many decorative selections in Bufttech's sturdy vinyl.

Choose a quaint Cape Cod picket fence, or a Colonial concave picket in the traditional styles. Cluster homes may prefer the Imperial semi-private style that comes in three, four, five or six-foot heights. More private homes may desire the classic lines of the Norfolk, with a Victorian or Lattice accent across the top.

Sorenson says that many homeowners have gravitated to the popular vinyl fencing, because of its versatile beauty as well as easy care.

"In ten years that vinyl fence will pay for itself, since you will not have upkeep or water repellent to buy," he said.

Salem Fence also is an authorized distributor of Jerith, who manufactures ornamental metal fencing. These aluminum alloy products have the look of wrought iron, and also have a lifetime warranty on all materials. Their beauty is enhanced by the maintenance-free metal, which guards against rust or corrosion. Jerith also offers vinyl-coated chain link fencing, in attractive black, green or brown.

George Sorenson, who has more than 17 years' experience in the fencing industry, often recommends placing the more expensive aluminum alloy in front of a yard, and the ornamental black chain link at the rear, to conserve cost. This picturesque fencing also provides the very practical advantages of containing pets (either within the property, or outside it) and protecting children from dangerous traffic areas near the home. Busy mothers can allow their young children to play safely in their backyard, and enjoy all the benefits of outdoor living.

The high quality fencing expertly installed by Salem Fence adds property value as well. Bufttech and Jerith's superior products can accent your unique architecture, whether it is classic, traditional or contemporary.

Salem Fence can mount fencing for swimming pools, tennis courts, athletic fields, baseball backstops or playgrounds. They also perform light commercial work to fortify security around a business perimeter, protecting vehicles or other inventory.

George Sorenson of Salem Fence.

Salem Fence can build treated lumber fences for pastures, split rail fences or deck areas. "We use all treated lumber in wood picket or privacy fences," said Sorenson. The treated lumber also comes in a myriad of designs, with scalloped heights in a draping or arched style.

Salem Fence sells portable dog lots, in 10' x 10' sizes. The fence can be four feet or six feet tall; and can be picked up, or delivered and installed.

George Sorenson strives to pass his discounts along to his customers. He offers quantity discounts when larger amounts of fencing are ordered.

"We want to supply an affordable quality product with total customer satisfaction," Sorenson said.

Jones Australian Oil of Eucalyptus Offers Instant Relief From Pain

A. J. Jones had searched for a long time to find relief for his wife's arthritis and back pain. When he first heard of oil of eucalyptus, extracted from Australian trees, he wondered how effective it could be. But after several days of applying the product externally on his wife, he was overjoyed at her release from pain. Jones, whose mail order business is based in Charlotte, now distributes Jones Australian Oil of Eucalyptus throughout shopping malls across the United States. He began marketing the product at flea markets, applying free samples for skeptical customers. After the first ten bottles sold rapidly, Jones realized that he had a convincing answer for painful nagging ailments.

"It has been in this country for the past five years," said Jones. "It is FDA inspected, and relieves suffering from pain associated with arthritis, fibromyalgia, carpal tunnel syndrome, sinusitis, backaches and neck aches."

This all-natural oil is rubbed on externally to the area of the body in pain. The eucalyptus oil penetrates through the skin, dilating vessels to increase blood circulation and oxygen absorption. Many customers say that the relief is immediate.

"I used the oil on my knees and wrists. I got my first night's sleep in months," said Judy M. of Kansas.

Several North Carolina clients also found rapid pain release.

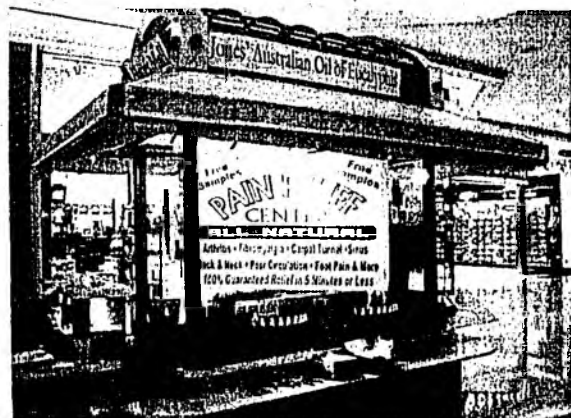

"My father started having excruciating pain in the neck," said Lisa S.

"He had to wear a whiplash collar to immobilize his neck and stop the shooting pain. He tried all the pain medications that doctors prescribed; but none had any effect. I am absolutely thrilled to report that since he tried Jones all natural, he does not wear the collar; and his pain has reduced significantly."

G. K. Martin of North Carolina found sinus relief with Jones Oil of Eucalyptus.

"Sinus problems have bothered me since my youth. I've tried nasal drops, sinus operation. Nothing helped me but Jones Oil of Eucalyptus. I am enjoying normal breathing again for the first time in 40 years."

A. J. Jones reports that almost 99% of the time, users find

relief from pain, sometimes instantaneously.

"Most people get immediate results two to five minutes after application," said Jones. "Chiropractors and physical therapists used this oil on their patients. It contains also vera and jojoba oil extract, a nut that grows on African trees."

Eucalyptus oil has long been used for medicinal purposes. According to Internet site www.webmd.com, the oil is extracted from fresh leaves and branch tips; and is found in the dried leaves. This site notes that laboratory tests also show that the oil demonstrates an ability to kill bacteria and fungi, as well as improve local circulation. Eucalyptus is also used in a number of popular mouth rinses and chest rubs, to open sinuses and clogged respiratory tracts.

Stimulate your body's natural homeostatic balance with the all-natural Jones Australian Oil of Eucalyptus. Jones, who has purchased rights to distribute the product in America, is also looking for distributors. Email A. J. Jones at Joneseucalyptus@aol.com, or call toll-free at 1-877-742-5005, between the hours of 10 am and 6 P.M. for your free sample today.

Two Hits: Mocksville Pulls Out Win Behind Daywalt, Walker

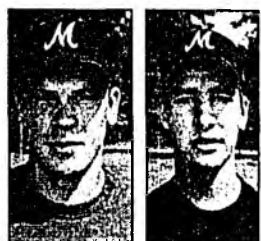

By Brian Pitts
Davie County Enterprise Record

Andrew Daywalt and Erik Walker carried the Mocksville Legion baseball team to a 4-3 victory. Their teammates went along for the ride.

Giving Statesville a dose of Earl Weaver ball in a Southern Division battle Saturday at Rich Park, Daywalt homered with two aboard for a 3-0 lead and Walker hurled five-hit ball for seven innings as Mocksville completed a three-game season sweep and won on a night it had no business winning.

Statesville won the hitting battle 7-2 but lost the scoreboard war. "My goodness, every game we've got to scratch or get a break or something to win the game," Daywalt said of his team's sputtering offense (.245). "But hey, as long as we're winning. However we can get it."

Statesville baffled the home team's

Daywalt

Walker

bats over the last five innings, but it never overcame Daywalt's third-inning blast. "It was a 2-0 fastball and he knows what his pitch is 2-0," Coach Mike Lovelace said.

Daywalt, who was smoking at .692 on May 18 before going down on 16 of his next 19 at-bats, followed a Chris Scaford single and a Brad Bullard walk with his second homer.

"I was sitting back hoping he'd throw a fastball," he said. "I hadn't seen hardly any fastballs inside - everything's been out and away - and luckily I got one up and in."

Mocksville hung on because Walker recaptured the brilliance that Lovelace has been waiting for. Although he went 4-1 at age 16 last year for Mocksville and dominated at West Forsyth High - ending Davie's season with a complete-game gem in the semifinals of the Central Piedmont Conference Tournament - he came in with a rocky 5.78 ERA.

But the tall right-hander rung up nine strikeouts, walked one and set down 10 straight at one point. As a result, he shook the control problems that betrayed him in relief losses to Albemarle (4-2) and Mooresville (3-2) and lowered his ERA to 3.08.

"He looked like he did at the beginning of high school," Lovelace said. "He was 0-2 because he had a hard time

throwing strikes, and last night he was ahead of hitters and threw two pitches for strikes.

"And it couldn't have come at a better time. That's our third win in a row, and these guys are starting to believe that we can win a little bit - even though we may not be swinging the bats."

Shortstop Daywalt and second baseman Bentley turned a pitcher's best friend in the fifth, a 6-4-3 double play that preceded a solo home run.

"Ricky got rid of it very quick," Lovelace said. "That ended up being big because that (homer) would have given them another run to (eventually) tie up the game. You don't think it's big at the time."

Mocksville's sixth-inning run proved to be the difference. Daywalt walked, moved up on a passed ball, stole third and made it 4-2 on Casey Stanley's fly ball. Then Lonnie "Hammer" Barnes, who has flourished in the

closer's role, picked up his third save by working around a leadoff walk.

"We went to Lonnie again to close just because we feel like he has that mentality," Lovelace said. "He gave up a walk and says: 'Coach, don't worry about it. I just wanted to let one get on.'"

Hit Batter Forces In Final Run

By Brian Pitts
Davie County Enterprise Record

Conventional, no way. Effective, you bet.

Beating Statesville with a grand total of two hits was rare for the Mocksville Legion baseball team on Saturday. Then it did something equally unusual the next night at Rich Park, squeaking past King in the bottom of the ninth inning on a hit batter.

The recipient of the misguided pitch was no great surprise - Andrew Daywalt, who might eventually catch Don Baylor for the most HBPs in the history of the game. After getting plunked in the fifth, Daywalt took another one for the team with the bases loaded, the exhibition game tied 5-5 and Mocksville down to its last out.

"No, it's not quite as dramatic as a home run, but I guess you've got to do what you've got to do," said Daywalt, whose three-run homer the previous night propelled Mocksville past Statesville 4-3. "I have no clue (why I got beamed so much). I don't really crowd the plate that much. I guess I've just got a bull's eye on me."

Mocksville's three-game winning streak was in trouble for seven innings. King chased starter Adam Richardson by pounding out a 3-0 lead in the third and retained a 5-2 cushion in the eighth.

Then Mocksville staged its second huge comeback in four days, scoring three times in its half of the eighth. Daywalt was in the middle of the game-tying rally, as he always seems to be. After two walks loaded the bases, Daywalt dumped a two-out, two-run single the other way to trim the margin to 5-4.

"That's what you want," said Daywalt, who came up with bases loaded in his final three at-bats. "If you're a hitter, that's the situation you want to be in. After not coming through (in the sixth), I wanted to kind of make up for it somehow."

"He executed two out of three," a beaming Mike Lovelace, Mocksville's third-year skipper, said. "That's pretty good. That's one of our best guys at the plate, and he has a lot of confidence."

Then the other cog who keeps delivering. No. 3 batter Casey Stanley, followed Daywalt with a smash hit, tying it at 5-5. "That was a clutch hit up the middle," Lovelace said. "He was a little upset because he hadn't hit (especially well) all night - and then boom, he has his best at-bat of the game."

"It seemed like the guys saved their best at-bats for the end, and that's when you can tell you've started to get a little better."

Cody Crofts, Ryan Weaver, Travis Allen and Lonnie Barnes were stellar in relief, holding King to two unearned runs.

Pinch-Hitter Jones Turns Tide With One Swing

If the Mocksville Legion baseball team goes on to have a successful season, it should have no trouble identifying the turning point.

It came in the top of the seventh inning on May 30 at Statesville. Trailing 5-1 and in serious jeopardy of becoming a ghost in the Southern Division standings, Mocksville needed a spark like a desert needs rain.

It got it, just not from a likely source such as Casey Stanley, Andrew Daywalt or Ricky Bentley. Instead of one of the stars, it was Andrew Jones who turned Mocksville's life around. Coming off the bench as a pinch-hitter, Jones made Coach Mike Lovelace look brilliant, slamming a three-run home run that shaved the margin to 5-4 and set a decisive seven-run explosion in motion.

"(The designated hitter and No. 6 batter had gone 0-for-2), and I just thought it was time for Andrew," Lovelace said after an 8-6 victory. "I had flashbacks of whenever he was pinch-hitting at Mount Tabor in high school. He went opposite field and it was way out. That's an 18-year-old - one of the two that we have - that stepped up for us."

Jones, whose senior highlights for Davie included a two-homer performance against Salisbury and that huge pinch-hit double that helped the War Eagles defeat first-place Mount Tabor, couldn't have scripted a more dramatic way to pull out of American Legion obscurity.

"I was just trying to get a hit because

Jones

Wright

I hadn't had a hit (in five at-bats) until that one," Jones said. "I told Casey before the game: 'If anybody's going to hit one out, it's going to be in right field.' And I did it."

Daywalt tied it with a sacrifice fly and Stanley capped the furious comeback with a solo homer to left for an 8-5 lead. "The fence is 350 and he hit it out by a good 10, 15 feet," Lovelace said. "I mean it was a shot."

The sizzling seventh staked Cody Wright to an overdue win. Despite a 2.26 ERA for Davie and a strong outing against Albemarle on May 18, the righty had suffered four straight losses. It didn't appear his luck was going to get any better when Statesville scored four unearned runs in the first, but he allowed just one run over the next five frames. Cody Crofts retired the last five Statesville batters for the save.

"What he did after the first inning was impressive," Lovelace said of winner Wright. "He thinks he's had bad luck

DHS Has CPC Player Of Year, Two Coaches Of Year

All-Central Piedmont Conference teams in soccer, baseball and softball were disclosed last week.

Davie had two to earn coach of the year, Mike Herndon in baseball and Dave Markland in softball. It was the fourth coach-of-the-year honor in nine years for Herndon, who shared the

honor with South Rowan's Linn Williams after leading the War Eagles (18-6, 5-3) to a second-place tie in the CPC.

Markland led the War Eagle softball team to regular season and tournament titles and a record of 20-2.

Dave swept the big awards in softball as Shannnn Handy captured player

of the year after finishing 15-1 on the mound.

The nominees for Davie baseball were seniors Travis Allen, Jeffrey Jones and Ricky Bentley and juniors Andrew Daywalt, Dave Poplin and Cody Wright.

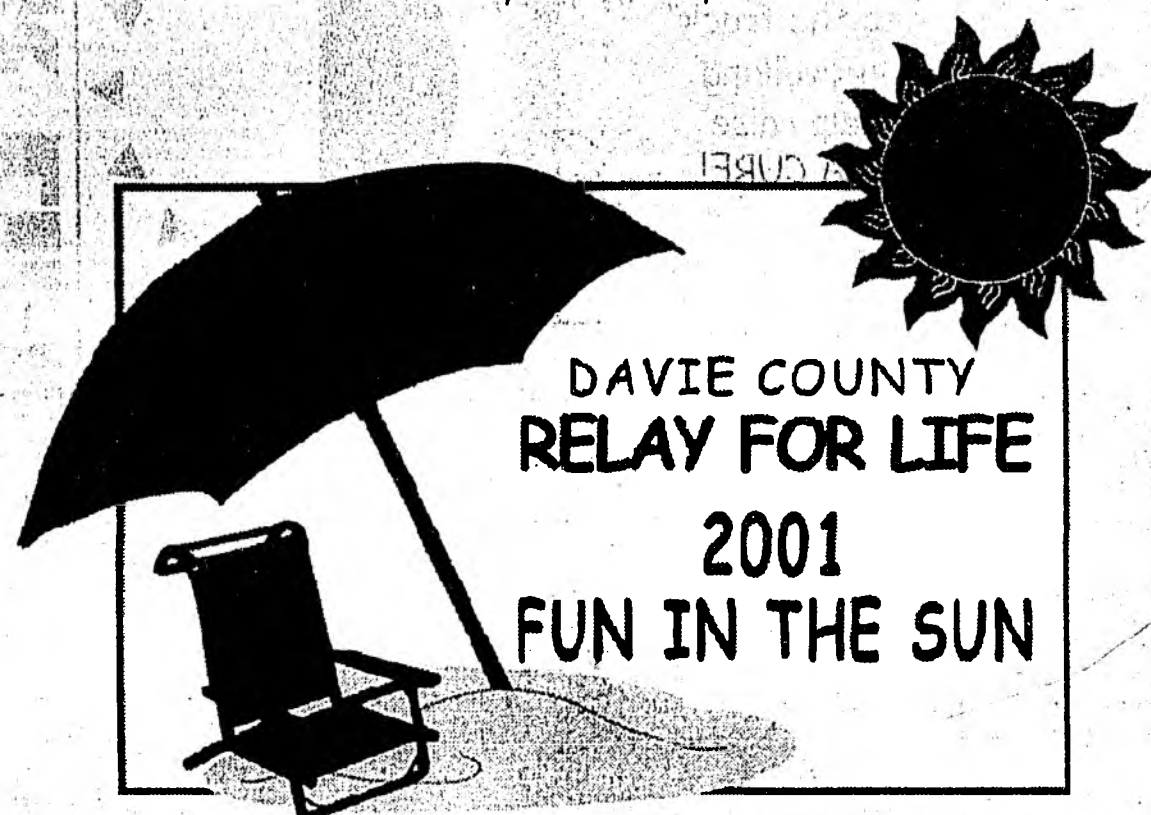

Seniors Ashlie Sanders, Stacy Queen

and Kim Hilton, Junior Layne Grout and sophomore Dawn Singleton were also named from Davie softball.

Making the team from Davie's girls' soccer team, which finished 11-7-1 overall and 2-5-1 in the CPC, were senior Sarah Jackson and sophomores Allison Howell and Brittany Walker.

Cleanup man Dave Poplin delivered three singles and Stanley hit safely for the seventh time in eight games as Mocksville ended its road woes and averted 0-4 depression.

"It was almost a must win," Lovelace said. "The way it started out, it looked like one of those nights. But they grew up throughout the night."

a double and Brad Bullard laced a stand-up triple.

Brewer set up Daywalt's clinching hit by pitch with a two-out single, and Charlie Ross and Bentley followed with walks.

"I'll tell you right now, these guys are believing that we can play with anybody," Lovelace said. "Things just fell into place. We had more hits tonight than we've probably had in two weeks, and Bentley's walk gave

us a chance to get Daywalt to the plate.

"It was an exhibition game, but the guys wanted to keep the (four-game) streak going. The guys are real excited about that, and that's all they want to talk about because they're getting a little confidence and they're real comfortable playing with each other."

Lowery Named All-State

Patrick Lowery became an elite performer in two sports when N.C. Mat News named him to its all-state wrestling team.

Lowery, who was an all-state linebacker in football, went 50-1 with a 48-match winning streak and finished third in the 215-pound weight class.

Teammates Josh Stanley and Jordan Kahrs, who were both fourth in the state, made honorable-mention all-state. Stanley went 43-9 and Kahrs 40-9 for a Davie team that finished 24-4 and lost to eventual state champion Mount Tabor in the state dual quarterfinals.

All three War Eagle wrestlers are rising seniors.

Carolina Blue: Young Pickers Having Some Fun

By Jackie Senbolt
Davie County Enterprise Record

Carolina Blue isn't just the favorite color of Tarheel fans anymore, it's also the name of one of Davie County's up and coming bluegrass bands.

The musical group is a four member outfit that was put together about a year ago, and have been pickin' together off and on ever since.

Crooning out vocals, playing mandolin, as well as fiddle, is 15 year old Jamie Harper. His hero of the bluegrass world is Sam Bush. "I like him because he plays mandolin and fiddle," said Harper.

Plucking the upright bass is 14 year old Lee Sawyer, the youngest of the four. Sawyer is from Denton and says his biggest influence is Barry Bales.

Eighteen year old Edward Dalton plays guitar. The senior, who is second in his graduating class at Parkland High School in Winston-Salem, says Tony Rice is his favorite.

And where would a blue grass band be without a banjo player? Chris Ward, 15, of Mocksville handles the pickin' and fashions his playing after his hero J.D. Crowe.

Though each may have their individual influences they look up to, you could say they were each exposed to the world of bluegrass at early ages.

Harper joked that he was born with a mandolin. Not a far stretch for someone who started performing on stage at the young age of two and half.

Dalton chose to hone his skill at playing bluegrass guitar because his dad played, and his dad before him.

Sawyer has never had lessons and began playing the bass at age 10. His uncle used to play in a band with Ward's first cousin.

So it's no wonder these four talents have combined to create an energetic and talented quartet.

Harper and Ward know each other from Davie High, and Sawyer was known from a previous band he played with before joining Carolina Blue. Ward met Dalton at a chicken stew and after a year the two met again. "Then we just started pickin' together," explained Dalton.

The guys play anywhere they can get a booking in North Carolina, and have also performed in Virginia bluegrass festivals as well as area churches.

Dalton came up with the name Carolina Blue. A unique idea for a guy who plans to attend N.C. State this fall.

The guys are currently working on writing their own material and hope to continue playing at area festivals and conventions.

They will be performing at this year's Relay For Life event on June 8.

Ventura-Ireland Engagement Announced

Anthony and Veronica Ventura of Elmwood Park, N.J., announce the engagement of their daughter, Miesela Angela Ventura of Elmwood Park, to Jason Michael Ireland of Liverpool, N.Y., the son of Roger Kenneth and Myra Ireland of Cleveland, N.C. and Peggy and Kenneth Talley of Liberty Church Road, Mocksville.

The bride-elect is a graduate of Fair Lawn High School and earned a bachelor's degree in nursing from New York University. She is employed by Morristown Memorial Hospital.

The groom-to-be is a graduate of Davie High School and earned an associate degree in computer science technology from Bryant and Stratton Career College, where he was on the dean's list. He is employed by CCEP Computer Solutions.

The wedding is planned for Aug. 26 in Elmwood Park, N.J.

Mr. and Mrs. L.S. Shelton entertained their grandson Christopher Shore Sunday afternoon at Tanglewood Farms Clubhouse with a graduation celebration "Boot Camp" send-off. He will be leaving to join the U.S. Marines. Sunday a large crowd of relatives and friends attended. Delicious refreshments in colors red, white, and blue were served. everyone she could in her sight. A great school teacher in many ways, she also taught many to sing and play. Many students she helped extra so they could graduate, and lots of days and nights she worked late. She loved her church and served it well, in more ways than I can tell. Disappointments she had were many I'm sure, but she certainly was determined to endure. As a teacher she was the best, and she is now with God at rest. To her family I would like to express my sympathy and say: "Thank you God for sending her my way."

Monday through Wednesday, from 6-8:30 p.m., K-5th graders will join a "Cool Crew" of 5-6 kids to experience such activities as "Sing & Play Blast", "Cool Crafts", "Glacier Games", "Igloo Eats", "Bible Exploration", "Chadder's Snow Show" and "Ice Station Celebration". Pre-schoolers will have their own class, but will join the other groups during "Sing & Play Blast" and "Ice Station Celebration".

Free Hearing Tests Set For Mocksville Area

Anyone who has trouble hearing or understanding words is welcome to have a free hearing test with modern electronic equipment.

Even people now wearing a hearing aid or those who may have been told nothing could be done for them should have a hearing test to find out if they are among the many a hearing aid will help.

It may surprise you to know that many people with hearing problems do not need hearing aids. But they do need a hearing test as a first step in finding out exactly what the trouble is. There's no charge for the test and absolutely no obligation.

The free hearing tests will be given by Beltone Hearing Aid Specialists at the Beltone Hearing Aid Service Center at 281 N. Main Street every Friday from 10:00 am to 1:00 pm. To avoid waiting call 723-5253 for an appointment for the free test at our office or in the privacy of your own home.

'Lighthouse' Opens On U.S. 64 West

There is an outreach ministry moving to Davie County from Iredell.

The first service will be Sunday, June 10, The Lighthouse Deliverance Center is located in the Center community next to the Center Volunteer Fire Department, a neighborhood ministry on U.S. 64 West in the old Davie RV Supply building.

The members of the Lighthouse want to assist and help all those in this community, which could benefit and be helped by the "Body of Christ," said James C. Jackson Sr., pastor. "Jesus called all those who were weary, tired, and heavy laden with the cares of this world to seek Him. Jesus is the Lighthouse, and if you seek Him, you will find the true spirit of fellowship and Christianity at the Lighthouse Deliverance Center."

The Lighthouse will furnish after school care, daycare, and any assistance needed. Call 492-6467.

"The Body of Christ at the Lighthouse wants to reach out and help all who need help - young, old, black, white, Hispanic, or whatever, it does not matter," Jackson said. "There is now a ministry, who not only prays for you, they will minister to your physical needs."

Transportation to and from the church is available.

Elizabeth Jones is co-pastor. Rev. Jackson has many years in the ministry and clergy field. He was the former pastor of the Praise Ministry in Iredell County.

Services at the Lighthouse Deliverance Center are 10 a.m. for Sunday School, 11 a.m. Sunday for worship service and Wednesday evenings at 7 for worship and praise services.

"The members of the Lighthouse Deliverance Center want to warmly invite you and your family to attend this church," Jackson said. "All people are welcome."

Jerusalem To Host Magnify

On Sunday, June 10 at 7 p.m. Jerusalem Baptist Church U.S. 601 South, will host Magnify in song.

"Magnify's music will lift up the name of Christ and share in song the message of His loving Grace and Mercy," said the Rev. Jimmy Lancaster.

Their theme verse is Psalm 34:3—"Oh, Magnify the Lord with me, And let us exalt His name together."

Magnify is an ecumenical, Christian Community Choir comprised of individuals from 25 area churches. Everyone is invited to share in this special worship experience-the concert is free but seating is limited. There will be a nursery provided for infants and toddlers.

Limited time offer. This offer is limited to home equity loans or lines of credit for purposes other than home purchase. The APR on your loan or line will be based on the term selected and the loan-to-value ratio (LTV) and in the case of an ALL-IN-ONE Home Loan, also whether or not a balloon payment applies. As of June 1, 2001, an APR of 8.40% was available on a Home Equity Loan of \$20,000 with an LTV of 80% and a term of three years. An APR of 8.95% was available on a Home Equity Line of Credit amount of \$20,000 with an 80% LTV. This Home Equity Line of Credit APR is a discounted rate that will remain in effect for the first three months. The current indexed APR for this product is 8.00%. This rate is subject to change but will never increase to more than 18.00%. An APR of 8.25% was available on an ALL-IN-ONE Home Loan (fully amortized) of \$20,000 with an LTV of 80% and a term of three years. Actual closing costs apply for loan or line amounts over \$150,000. On a Home Equity Loan, ALL-IN-ONE Home Loan or Home Equity Line of Credit of \$151,000 closing costs are typically \$1,020. Property Insurance is required regardless of loan or line amount. No payment of principal and interest is due for 90 days; however, accrual of interest commences with disbursement of loan funds, and your monthly payment for the rest of the term of the loan will include interest for the first 90 days. The 90-day no-payment option is not available for home equity lines of credit. Up to 110% LTV is available on homes valued up to and including \$300,000. Consult your tax advisor about deductibility of interest. A voucher for a free roundtrip airline companion ticket is available upon funding of your loan when you open a CCB personal checking account with direct deposit. The companion ticket voucher's value will vary depending upon the value of the purchased ticket and must be redeemed within one year of receipt. Other restrictions apply. Please see your banker for additional details. Interest is paid on all collected balances on certain checking accounts. As of 5/10/01, the interest rate paid is 0.40% annual percentage yield (APY) on all collected balances. There is a \$100 minimum opening deposit requirement in order to receive this free ticket. There is no minimum balance requirement.

Davie schools volunteer of the year Pam Randall on the playground at Cornatzer Elementary with Payne Miller, Ciera Beam, and Alejandra Carrillo.

Randall receives her award from superintendent, Dr. Bill Steed, and school board chair, Janie Garnett.

Principal Candy Poplin says that Randall is willing to help wherever she is needed.

Newest School Produces County's Top Volunteer

By Mike Barnhardt
Davie County Enterprise Record

School.
Why? Because she cares.
Last year, Davie County's school volunteer of the year spent more than 500 hours at the school, helping to bring the newest PTA in line with others that

had been in existence for years.
A fairly new resident to Davie County, she knew she wanted to be involved in her children's school.
"But it's kind of hard when you're new ... and with a new school."

But Randall, as the PTA ways and means chair, hit the ground running, organizing one fund raising effort after another to help pay for playground equipment for the students.

And she did more. Students became to know her as the "swish lady," because every Wednesday, she would coordinate the fluoride "swishing" program to promote better dental health.
She's helped teachers, administrators, parents and students.
"For me, I want to know what's going on in the school," she said. "My kids see me here and they know I care about what's going on. You get to know the teachers, the cafeteria people, the custodians ..."

She admits that many weeks, it seemed like she was at school more than she was at home.
"You have to turn them down if they need help, and they always need help," Randall said.

Before she began volunteering, Randall teachers had plenty of time to do their jobs. Now, she knows better. Even when they don't have a class, they are busy supervising children or tutoring those who need a little extra help.

"They're always working. That's why it's important the parents be supportive," she said.

"She's here whenever we need her," said Principal Candy Poplin. "Pam is one of those people you can ask her to do anything and you know it will be done well."

She spearheaded the effort for the playground, Poplin said, unifying the school and surrounding community in the effort.

"She's kept the parents informed about the fund raising, and she's kept me informed," Poplin said.

PUBLIC NOTICES

AMENDED NOTICE OF SALE OF REAL ESTATE

By authority contained in that certain Deed of Trust executed by Michael D. Schmitt and Elaine K. Schmitt, as recorded in Book 282, Page 210, of the Davie County Public Registry (see Appointment of Substituted Trustee as recorded in Book 352, Page 010 of the Davie County Public Registry), the record owner of the property described in the said Deed of Trust being Michael D. Schmitt and Elaine K. Schmitt, default having been made in payment of the Promissory Note secured by said Deed of Trust; the said Deed of Trust being by the terms thereof subject to foreclosure; the present owner and holder of the Note having demanded foreclosure for the purpose of satisfying said debt; and by authority contained in the Order Allowing Foreclosure of Deed of Trust signed on the 3rd day of May, 2001, as the result of a hearing in the foreclosure before the Clerk of Superior Court (00 SP 188); and at the request of the owner and holder of the Note secured by the aforementioned Deed of Trust, Blanco Tackabery Combs & Matamoros, P.A., Substituted Trustee, will offer for sale to the highest bidder at public auction at the courthouse door of the Davie County Court, in the City of Mocksville, North Carolina, on Tuesday, June 19, 2001 at 11:00 a.m., the real estate located in the County of Davie, being more particularly described as follows:

BEING Lot Number 11 as shown on a plat of Deacon's Ridge recorded in Plat Book 6, Page 60 and 61, Davie County Registry, to which reference is hereby made for a more particular description. The property address is 285 Deacon's Ridge, Mocksville, Davie County, North Carolina.

The sale shall be made subject to any and all taxes including taxes which are a lien against the property though not yet due or payable, and any special assessments, easements, rights of way, restrictions of record, and prior deeds of trust.

The highest bidder at the sale may be required to make deposit by cash or check of up to ten (10%) percent of the bid, or \$750.00, whichever is greater, at the time the bid is accepted, and the remaining balance upon confirmation of the sale.

The sale will be reported to the Court and will remain open for advance or upset bids for a period of ten (10) days. If no advance bids are filed with the Clerk of Court, the sale will be confirmed.

This is the 7th day of June, 2001.

ORDER OF PUBLICATION FOR DIVORCE

FAMILY COURT OF DODDRIDGE COUNTY, WEST VIRGINIA
IN RE: THE MARRIAGE OF RODNEY L. ROBINSON, Petitioner
And NANCY ROBINSON, Respondent.
Civil Action No.: 01-D-21.

For the Petitioner to obtain a divorce from the bonds of Matrimony from the Respondent, to obtain equitable distribution of all marital property, to be restored to his separate property, and for General relief.

It appearing by affidavit filed in this action that Nancy Robinson, whose last known address is 994 Point Road, Mocksville, North Carolina, 27028 is a non-resident of the State of West Virginia, it is hereby ordered that she serve upon Heather Ireland Molesse, legal counsel for the Petitioner, whose address is P.O. Box 368 West Union, West Virginia 26458, an answer, including any related counter-claim or defense you may have to the complaint filed in this action on or before July 9, 2001. If you fail to do so, thereafter judgment, upon proper hearing and trial, may be taken against you for the relief demanded in the complaint. This Order shall be published as a Class II legal advertisement.

A copy of said complaint can be obtained from the undersigned clerk at his office at the Doddridge County Courthouse, West Union, 26458.

Entered by Clerk of said Court May 31, 2001.
Dwight E. Moore
CLERK OF THE CIRCUIT COURT

STATE OF WEST VIRGINIA
COUNTY OF DODDRIDGE, TO-WIT:

I, Dwight E. Moore, Clerk of the Circuit Court of Doddridge County, State of West Virginia, do hereby certify the foregoing to be a true copy of the order of publication issued in the above styled Civil Action on the 31st day of May, 2001.

Under and by virtue of the power of sale contained in a certain Deed of Trust made by Rosemary Knight to Alan Holt, Trustee(s), dated the 28th day of January 1989, recorded in Book 295, Page 275, Davie County Registry, North Carolina, default having been made in the payment of the note thereby secured by the said Deed of Trust and the undersigned, David B. Craig, having been substituted as Trustee in said Deed of Trust by an instrument duly recorded in the Office of the Register of Deeds of Davie County, North Carolina, and the holder of the note evidencing such indebtedness having directed that the Deed of Trust be foreclosed, the undersigned Substituted Trustee, David B. Craig, having attended a hearing and receiving an order to proceed signed by the (Asst) Clerk of the Superior Court, will offer for sale at the Courthouse Door, in the City of Mocksville, Davie County, North Carolina, at 10:00 a.m., June 14, 2001 and will sell to the highest bidder for cash the following real estate situated in Township 19 of the Subdivision of Carter Estate, Mocksville, N.C. as surveyed by S.L. Talbert, C.S., November, 1948. Recorded in Book 2, page 16 of maps recorded in Register of Deeds Office in Davie, North Carolina.

The sale will be subject to property taxes and any other outstanding liens or encumbrances of record. The highest bidder shall be required to deposit ten percent (10%) of the purchase price on the day of sale in cash or certified funds. The sale will be subject to upset bids.

This is the 31st day of May, 2001.</

Mocksville Proposes 4-Cent Tax Reduction

By Jackie Seabolt
Davie County Enterprise Record

A public hearing will be held for the proposed 2001-2002 budget for the town of Mocksville on June 25 at 8 a.m.

Highlights of the 2001-2002 budget include:

- a reduction in the local property tax from 36 cents to 32 cents per \$100.
- the construction of a new elevated water tank near I-40 with a zero interest loan.
- a three percent cost of living increase for all full-time employees.
- a five percent increase for water and sewer rates with an additional increase in the minimum bimonthly bill from \$24.20 to \$26.00 for inside the city customers, and an increase in the outside customers would apply accordingly, effective November 1, 2001.

The annual balanced budget for 2000-2001 was \$4,965,662, and the recommended budget for 2001-2002 is \$4,621,350.

The difference, according to Mocksville Town Manager Terry Bralley, is due in part to Senior Services changing hands from the town to the county.

County, Schools At Odds Over Memo Language

Davie County commissioners and members of the Davie Board of Education have the same common goal, but a "shadow-boxing" match of studying facility needs continues.

County commissioners earlier didn't like the idea of the schools appointing the majority of a committee to study those needs, and then obligate the county to pay for it.

And when Commissioner Dan Barrett made a motion to adopt a "memo of understanding" June 4, it was greeted with silence.

"We're all in favor of the best education possible," White said. "We also have a responsibility of what we can afford."

County Manager Ken Windley said the county was going to add language making it clear there would be no financial obligations and take the memo of understanding back to the school board.

Ad Director Ray Tutterow accepted the awards on behalf of the newspaper. Also attending the ceremony last Friday at the Sheraton Imperial Hotel and Convention Center in Research Triangle Park were

Couple Critical After Propane Explosion

By Jackie Seabolt
Davie County Enterprise Record

A married couple from Burlington are in Wake Forest University Baptist Medical Center in Winston-Salem suffering from second and third degree burns after a propane explosion.

Billy and Brenda Clayton were at the Thousand Trails Campground, off U.S. 64 East near the Davidson County line, on Friday June 8 when their camper exploded.

According to Fork Fire Chief Nathan Walker, a refrigerator had been removed from the camper and the gas line was not capped. The inside of the camper filled with the gas fumes and the explosion occurred after a match was struck inside the camper.

Davie EMS Director Dwayne Smith said the couple suffered burns on over 50 percent of their bodies. The couple were transported by ambulance to Baptist.

Walker, who arrived shortly after the explosion, said the couple were both conscious at that time, and there were unconfirmed reports that the blast had thrown Brenda from the camper.

Walker said several of the neighboring campers came to the aid of the couple before emergency crews arrived by fighting the fire.

The couple are still hospitalized at Baptist. Billy, 59, is reported to be in serious condition, while his wife, 43, is listed as critical.

Mocksville Recants Vote On Mobile Home Park

By Jackie Seabolt
Davie County Enterprise Record

A manufactured home park approved for U.S. 64 East and Bethel Church Road is going back to the drawing board.

Mocksville Town Board members last week recanted an April 17 vote to approve rezoning for the park because

the request didn't meet the town's ordinance requirement.

The rezoning request was by Sunrise Development for approximately 12.5 acres from open space residential to manufactured home overlay district.

The reason for withdrawing the approval was the amount of land approved for the rezoning. The ordinance that ap-

plies to the request will not allow for rezoning of more than 10 acres at one time.

"The petitioner came with more than 10, and between three and 10 is the requirement. So, that's what's wrong," said Town Attorney Hank Van Hoy.

The property is at Bethel Church Road and U.S. 64 East. Sunrise Development wants to use the land for a

manufactured home neighborhood.

Van Hoy blamed the obscurity of the ordinance on the mistake, and suggested the rezoning fee be waived to be fair.

"I think the town always wants to do the right thing," said Mayor Francis State. The board voted in favor of the retraction and that the rezoning fee be waived.

Enterprise Record Earns 8 Awards In State Best Ad Contest

The Davie County Enterprise Record brought home eight awards from the annual Best Ad Contest sponsored by the N.C. Press Association.

Ad Director Ray Tutterow accepted the awards on behalf of the newspaper. Also attending the ceremony last Friday at the Sheraton Imperial Hotel and Convention Center in Research Triangle Park were

Publisher Dwight Sparks, ad sales representative and typesetter Jeanne Trotter, and Christy Clark, ad sales representative for the Clemmons Courier.

The ads were judged among other entries in the medium size community newspaper category.

Tutterow received a first place award in the best spot color home furnishings and appliance category

for an ad for Value House Furniture.

The staff received a gold star in the best special section category for the "Davie County Welcomes Santa Claus" section.

Ranking Davie High's Best-Ever Pitchers? Add Shannon Handy

Quickly now, name the three best pitchers to grace the halls of Davie High?

John Parker would be on everyone's list. His fast ball blazed the team to the western state championship before joining the Philadelphia Phillies.

Denny Key Jr. would get many votes. He was also had a smoking fast ball that attracted pro scouts, and he had great success for Davie High and the Mocksville-Davie American Legion team.

Our third pick? Shannon Handy. Of the three, she may actually be the best.

It's hard to compare fast pitch softball to baseball. The differences go beyond girls and boys. The pitch is different. The ball is bigger. But in both sports, the batters have a split-second to swing. Softball pitchers stand 40 feet from the plate, not 60.

Shannon Handy had an amazing ability to frustrate her opponents. Her strike out numbers harken to the exploits of Nolan Ryan. This season she fanned 133 batters and posted a 15-1 record. She gave up only 51 hits and had an earned run average of 0.59. She frequently had double-digit strike outs in games. During her reign on the softball "mound," only Alexander Central stood in the path to block Davie High's girls from the state championship game in consecutive years.

She dominated the Central Piedmont Conference with her powerful throw. Fast pitch softball is relatively new to high school sports, but it is certainly suited to Shannon Handy.

Zoning District Reaches Too Far In Cooleemee

For years we have bemoaned the lack of control on Davie County's rapid housing growth. Just about everything was approved.

That has changed in recent months. The county commissioners have become more circumspect in what they approve and actually consider the impact the growth will have on schools, roads and county services.

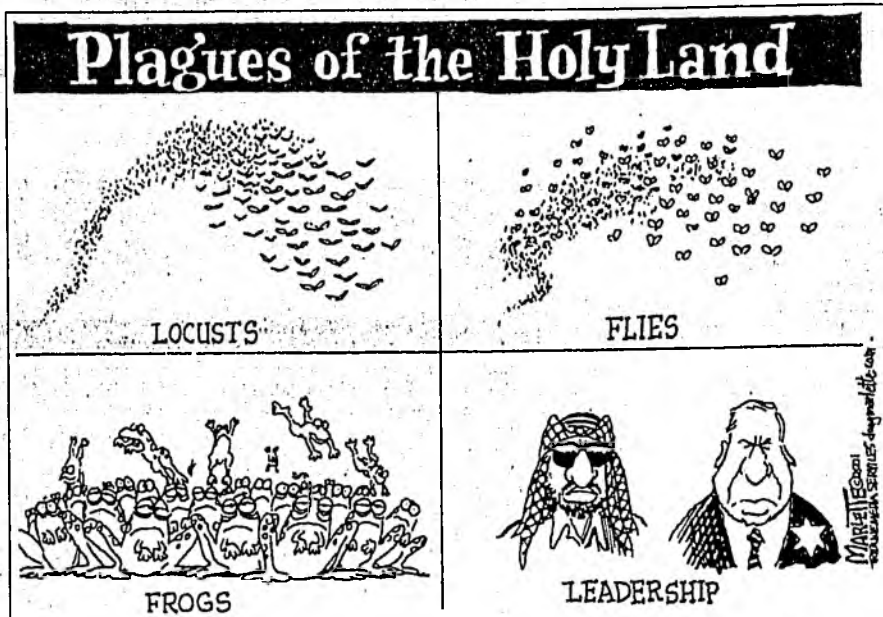

The change has caused a lot of criticism, and the commissioners may have to alter one of the new proposals for controlling growth in Cooleemee. A hearing last week drew lots of protests from people outside Cooleemee who would be affected by the proposal. It would give Cooleemee officials zoning control over a two-mile radius around the town.

The most common complaint at the public hearing was that two miles is too much. They are right. Two miles goes far beyond the natural boundaries and the impact of the Town of Cooleemee. A half-mile or one-mile line would probably make more sense. Some of those at the hearing who live in the two-mile belt said they would rather the county commissioners, not the Town of Cooleemee, decide their zoning decisions.

The commissioners need to scale back the proposal, but that shouldn't deter them from the bigger purpose of guaranteeing quality housing projects and giving more consideration to the impact on county services.

The proposal needs to be tuned, not trashed.

Subscriber Notes Problems With Delivery

To the editor:

As you know I have had problems over the last year (at least that long) receiving the Enterprise Record within a reasonable time frame after being mailed from your office. Many times I received a newspaper approximately two to three weeks after mailing. Very often I received two or three issues at the same time, approximately two to three weeks after mailing. Then in early January I received five newspapers (dating back to the week of Thanksgiving) at once. Needless to say, I was frustrated and angry. Thus, my phone call to you about the matter.

You were very understanding, as you mentioned your son (in New York) had received as many as three newspapers at one time and wondered why. I believe other out-of-state subscribers had from time to time complained to your office with the same problem. Since newspapers are mailed at the second class rate, you stated that this could be the problem. You also stated that perhaps the problem was that you would look into the situation for me. At one point you mailed a newspaper First Class to me and told me I would probably get it in two to three days. Receiving the newspaper finally after five days proved to both of us that something was wrong somewhere. You then told me you would dig a little deeper and get back to me. I informed you that I would get in touch with you if and when I had some good news to report.

I kept a record for approximately two and half months of dates that newspapers were received and the length of time it took for their arrival at my address. As days and weeks passed, I began receiving two issues on the same date approximately two weeks late. Then I began receiving one issue about every two weeks. By the

Church Theory Just A Smoke Screen

To the editor:

I would like for all the residents of this county to realize the importance of getting ready for great tribulation. The majority of the church-going world is living in a realm of fantasy that says everything is going to be all right. They base this belief on a so-called rapture that is going to happen before this calamity hits. But the truth is, the rapture is post tribulation, not pre-tribulation. We must learn to endure unto the end.

I want to educate any and all who will be interested in enduring unto the end. This so-called left behind theory is nothing more than a smoke screen to calm people's worries while leaving them unprepared for what is about to happen. Learn the truth about the rapture at the website www.howellministries.homestead.com.

Yes, Jesus is coming back. But it will be at the sound of the last trumpet.

end of March, early April I began receiving my newspaper weekly and within a week of your mailing date. Since mid April I have received every newspaper within a week from the date published on the front page of your newspaper. I am thrilled to be able to read the Enterprise weekly and stay abreast of what's happening in my hometown.

I'm very grateful for whatever you did to correct the situation; I still don't know exactly what or where the problem was. Perhaps you could respond in your paper. I've had a subscription to the Davie County Enterprise Record since 1972. It has arrived in my mailbox in Germany, Texas, Kansas, Minnesota, and now in Virginia. I find it ironic that I never had problems until Virginia, which is the closest I've ever lived to North Carolina and Davie County. I realize, though, that during my 12 years in Virginia, the U.S. Postal Service has undergone many changes and handles much more mail now than ever before.

Thank you again for your efforts and persistence at getting the job done.

Life In Mexico Creates Some Homesickness For Davie

By Professor Leslie Evona York Weatherman
Escuela de Idiomas, UABC, Mexicali

Typical Saturday morning in Mexicali - off to the tianguis, the open-air market where you can buy anything from fruit to furniture - I am in search of a shade for a light fixture, and I have tromped up and down the aisles (they call them streets) between the booths for the last three or four hours. So much to see.

And you never know what you will find - a heavy silver bracelet set with turquoise, mixed in among the pieces of junk jewelry, about 50¢ American - a handmade lace tablecloth for the equivalent of 2 or 3 dollars. Some people show their wares in covered booths. Others spread them on a sheet on the ground.

Lots of noise, lots of music playing, lots of chit-chat with vendors who have known me for years.

It's summer, and the snow-cone men have replaced the roast-corn vendors at the intersections. In fall and winter, you can buy corn-on-the-cob roasted over coals, and stuck on a stick like a popsicle, choice of toppings: salt, butter, grated white cheese, chili; choice of hardness: from tender to hard and chewy. I can never see them without thinking of my grandmother Alviria Weatherman. I can still see her bringing me an ear of roasted corn-on-the-cob; only she roasted it in the oven, and she called it a "roast nyear" instead of an "elote."

The snow cones I remember from summer at home were from picnic week. But here, instead of sugary syrups, they pour a variety of fruit juices, complete with pieces of fruit, over the shaved ice - everything from tamarind (honey locust) and watermelon, to prunes. All very sweet. Mexicans love sugar. And they will put chili on anything from corn to candy. Word of honor, I have seen them put it on ice cream.

Hungry after all the walking and scrabbling through piles of stuff, so, off to the equivalent of the food court, where a family from Campeche has a taco stand, one of the best in town. Make no mistake, this is not Taco Bell. No hard, corn-chip type shell, no ground beef. For about 70 cents, you get your choice of a fresh corn or flour tortilla, filled with diced, grilled steak (Mmmmm) or strips of flame-broiled pork; or Campeche style: mixed steak, pork, and

Chamula Indian women in San Cristobal, de las Casas, Chiapas

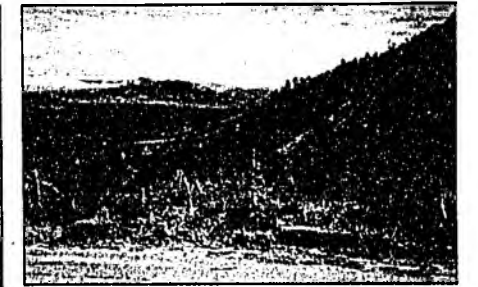

chiltilins. I ordered one of those once, and ate it. Found out later what it contained. Have not re-ordered.

Along the counter are bowls of toppings: finely chopped cabbage; roasted yellow chili peppers; various chili sauces; chopped fresh tomato with fresh coriander and onion (I'm a little disappointed there's no diced cactus shoots with onion and tomato); guacamole; and, in a special clay pot, nice and warm: pinto beans.

I laughed when I found out that Mexicans think they are the only ones who eat pintos. Also find it funny that they think hominy is a strictly Mexican dish. In the boonies, they make it at home like my grandma did, and here in Mexicali you can buy it frozen, in a plastic bag, at the supermarket. They call it pozole, and they make a vegetable beef soup with it.

So many things are so different - and so many are like home. If you look at a map, you can see that a line dropping south from Eastern NC goes right down to southern Mexico. Our beautiful state bird, the cardinal, spends its winters down there.

In Pre-Columbian times, there must have been a lot of traffic back and forth across the Caribbean. Studies of Indian religion, customs, crops, and so forth, show remarkable similarities. Many of

The mountain vistas and red clay soils in southern Mexico remind writer of her native Davie County.

those similarities remain in modern-day culture. The shape of the land also shows a shared geological formation. You ride across the highlands of Chiapas, Mexico's southernmost state, and you could think you were in the Smokies, or at least up around Boone.

When I got down there, I felt really strange, because the red dirt, the pines, and the shape of the hills looked so much like home, with suddenly a banana tree or a palm stuck in just to throw you off balance.

There were fields of tobacco, and up in the Montebello Lake area, I saw a woman selling blackberries.

And if the people were not speaking Spanish or Tzotzil or Tzeltal, you could easily take them for Cherokees.

Beautiful people.

Nobody knows who got there first; whether the Mexican Indians arrived first, and went north; or whether those of what is now the Southern United States got there earlier, and went south. It's a giddy mixture of home-like qualities with the dizzy foreign.

So anyhow, here I sit munching on steak, barbecued pork, cabbage and pinto beans. Does a lot for the homesickness.

Legislative Report: Senate Budget Actually Increases Spending

By Rep. Julia C. Howard
Special to the Enterprise

Since the proposed Senate budget bill (SB 1005) came over to the House last week, the Appropriations Subcommittees have been examining it. They are comparing the Governors version of the budget with the Senate version, and will eventually come up with their own version.

While the Appropriations Committee has the job of targeting amounts to cut, the Finance Committee has the job to find new revenue to plug the budget hole. And, of course there is the inevitable talk of raising taxes.

But I think you will be interested in knowing that with all the drastic cuts the Senate has proposed, their budget actually increases state spending by about five percent. Have you heard the anguished cries about the extreme cuts to the Department of Health and Human Services? In actuality, under the Senate proposal, the DHHS budget actually grows by 14 percent.

The difference is where the money is put. The Senate budget gets not down. The difference is where the money is put.

One excellent piece of information we received this week made some comparisons: For example, the Senate proposed closing Dorothea Dix to save \$10 million, but they slated \$9 million for the Department of Commerce Tourism, Film and Sports Office, and \$1 million in chromosome research. (Are movies and genomes more important than mentally ill people?)

It would close schools for the deaf children for a two-year savings of \$7.2 million, but appropriate \$11.5 million to subsidize the NC Biotechnology Center.

It would close one of the States mental retardation centers for a savings of \$10 million, but allot \$8.5 million to the Department of Agriculture to market Tax Heel crops, and \$2.7 million to support foreign trade offices in other countries. Where are our priorities?

The Senate budget is not to continue the Health and Human Ser-

vices and mental health programs as they are funded currently; it propose to expand, upgrade and construct new programs and facilities. In times of budget problems, is it prudent to spend more, or less, money?

And these are just a few examples. Are you, as my constituent, willing to accept a \$233 million tax increase so the politicians in Raleigh can close hospitals but pour more money into corporate subsidies? It seems that the Senate and some House members think so.

One idea that is being publicized now is a proposal being tossed around in the Senate to raise the tax on beer and wine. Already the cost of the average bottle of spirits is made up of 39% state and federal taxes, and the industry contributes \$200 million a year to the states coffers. No tax increase on anything is necessary if we would just manage your tax money properly.

Please be assured that I will do everything I possibly can to help develop a fair and accountable budget in the House.

There was just one bill introduced this week that I need to tell you about:

SB 739 Psych. Assoc./Clinical Social Worker Privilege. An act to extend privileged communications protection in domestic actions to licensed psychologists, all associated licensed clinical social workers, and licensed marriage and family therapists. Effective Oct. 1.

SB 803 Encourage Teacher Ed/Active Military. An act to direct the State University System, the Community College System, and the Department of Public Instruction to work cooperatively to expand opportunities for military personnel to take teacher education classes prior to discharge from the military. Effective May 31.

SB 942 Transporter Plates To Counties. An act to authorize the Division of Motor Vehicles to issue transporter plates to counties for use in programs of providing donated motor vehicles to low-income persons. Effective May 31.

SB 1070 ITS Dispute Resolution. An act establishing a dispute resolution procedure to assist the Office of Information Technology in the collection of fees related to information technology services provided by the office. Effective May 31.

HB 262 State Veterans Cemetery Eligibility. An act to modify the eligibility requirements for interment in a State Veterans Cemetery. Effective May 31.

HB 857 Area Mental Health Background Check. An act to clarify that an Area Mental Health Authority that has access to the Criminal Records Data Bank may obtain the required criminal history record check through the Data Bank. Effective May 31.

HB 875 Billmore Forest Deer Management. An act directing the Wildlife Resources Commission to assist the town of Billmore Forest in reducing its deer population to a manageable level. Effective May 31.

HB 958 Cost Reports Special Care Units. An act to require cost reports specific to adult care home special care units and to direct the Department of Health and Human Services to develop a designated reimbursement system for residents in special care units. Effective May 31.

HB 1083 Secure Custody of Juveniles Using Weapons. An act to allow the court to order secure custody of a juvenile pending an adjudicatory proceeding if the juvenile allegedly committed a misdemeanor offense involving a weapon. Effective Dec. 1.

The North Carolina Citizens for a Sound Economy had a huge rally here near the Legislative Building this week, and a number of folks from the 74th District were present. It was good to see each one; I appreciate your position and your input.

McVeigh's Execution Wrong

To the editor:

I am writing this letter Sunday evening, the night before Timothy McVeigh's execution, and I feel alone. I feel alone because it seems I am one of the few people that oppose McVeigh's execution. I hear it at work, in the convenience store and on television. Everyone wants McVeigh dead.

I keep asking myself why a majority of Americans feel this way. I have heard a number of reasons. One is to protect us from McVeigh. What type of threat does he pose from his supermax prison cell in Terre Haute, Ind.? His chances of escape are nil, so he cannot take any more innocent lives. His only weapons left are his words. So should we kill someone for what they might say? I think not.

Another reason I have heard is justice. This word can also be used to veil another motive, revenge. But do we have the right to exercise such a punishment? We try and elevate ourselves to God's position when we take the life of another person in the name of justice. After all, was it not God that said, "Vengeance shall be mine?"

There are others that feel this execution would deter would-be-murderers with similar plans. This reason can be shown irrational simply by looking at the state of Texas. Texas executes more people per year than any other state, yet still has one of the highest rates of murder per capita.

I am a religious and spiritual person, and I cannot believe that God condones this execution. Is there any Christian that can imagine Jesus injecting the drugs that kill Timothy McVeigh? I cannot.

What scares me the most is what society is teaching our children. If a child hits another child in school, and that child retaliates, then they are both punished. The lesson is that if someone hits you, it is not okay to hit him or her back. Why do we hold our children to a different standard than ourselves? As parents, we lead by example. Remember, violence begets violence. God have mercy on us all.

Smart Start Worth Preserving

To the editor:

As many of you know, Smart Start has been scrutinized for one reason or the other. However, no matter what the reason is, we must see that the mission is the same - we all want the best for our children, and for our future as a state.

No matter what the program is, in the state's budget this year everybody is going to have some cutbacks. With Smart Start being the new kid on the block we are still growing and will have a tough time continuing to make the impacts we need to raise the quality of childcare in our community to ensure our children are healthy and ready to succeed in school.

Our lawmakers in Raleigh wrestle with the budget shortfall and are trying to be fair but are realizing that there will have to be some sacrifices. But we do not want our children to be a sacrifice.

To justify Smart Start cuts the Senate has proposed these special provisions, which will limit Smart Start Funds to: 1. Serving programs that care for low-income children. 2. Funding programs with 1,2, or 3 stars rating.

These special provisions could effect the operation of the Davie County Partnership for Children but more importantly it could affect the quality of childcare for all children. I agree that our funds should be targeted to the lower star ratings but should also be allowed to help keep high quality care available. This defeats the purpose of wanting to achieve higher rating scales. When all these sites learn what they will lose by providing high quality care, it will make economic sense for them to reduce their quality level in order to qualify for these services or they could choose to not apply at all in which case the state will issue them a one star license. This message will clearly ruin all that we have worked for over the past years.

We have stressed the importance of high quality but providers with four and five stars will not be able to sustain that level of quality on what subsidy and parent fees alone can provide. In addition, by being unable to provide inclusive services and Child Care Health Consultant services to sites of four and five stars, children with special needs will be limited to placements in only the lower quality centers.

Here in Davie County we will continue to do the best we can with the special provisions the legislation may pass and continue to focus on the needs of our community and it's children ages 0 to five. Your local Partnership Board of Directors with the Partnership staff are committed to the children in Davie County and will continue to seek opportunities to make sure children are receiving quality and affordable childcare. We can only play with the cards we are dealt and together we can make this a winning hand.

Please talk with your local community leaders, House of Representatives and Senators to let them know we care about child care in our communities and how these provisions can harm Smart Start's ability to meet it's goal of ensuring all children enter school healthy and ready to succeed.

The new community track and field was dedicated on Sunday, June 3. Mocksville Town Manager Terry Bralley and County Manager Ken Windley, and State Rep. Julia Howard were on hand to help dedicate the new facility between the YMCA and Mocksville Elementary School, on Cemetery Street off North Main Street.

The Community Track and Field is a joint effort by the Town of Mocksville, Davie County, Davie County Schools and the Davie Family YMCA. The track is open for the community to use.

The school's plan was the field for some athletic events such as the turf builds up. The Davie Family YMCA maintains and manages the facility. The community track and field is open to the public from dawn to dusk.

The filing period for the Towns of Coolemeek and Mocksville 2001 elections will open Friday, July 6 at noon and close Friday, Aug. 3 at noon.

In Coolemeek, the seats to be filled are that of Mayor Grady Spry and two commissioner seats held by John Chandler and Frances Parker.

In Mocksville, the seats to be filled are that of three commis-

sioners held by Lee Rollins, Steve Walker and Jim Wall.

The filing period for the Bermuda Run will open Monday, July 23 and close at noon, Friday, Aug. 10.

Council seats in Districts 11 and 9 are to be filled, and only residents residing within the respective district will be eligible to file. If more than two persons file for either seat, a primary will be held on Tuesday, Oct. 9 in compliance with the town charter. The first in District 11 is held by Robert W. "Bob" Griffin, and in District V, Charles Quintana.

Filing fees for each office is \$5 and shall be paid by check made payable to the Davie County Board of Elections. All offices are non-partisan.

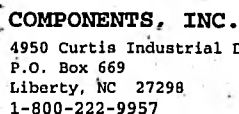

All municipal elections will be held Tuesday, Nov. 6.

A chase that began in Cleveland, N.C. Sunday afternoon ended near Cooleemee with a Cooleemee police car being damaged in a wreck and two Woodleaf teen-agers facing felony charges.

Cooleemee Police Chief Tim Wooten said that his officers heard the chase through Rowan

rocks of crack cocaine (estimated value of \$50 each) with the intent to sell and deliver, possession of a half tablet of the drug ecstasy, and possession of marijuana and drug paraphernalia. Cleveland police charged him with felony speeding to elude arrest, speeding in excess 55 mph to elude an officer, reck-

less driving and driving without a license.

Gary Dwayne Scott Jr., 17, of Givins Street, Woodleaf, faced the same drug charges as Holland. A warrant was issued for the arrest of the third subject, Wooten said.

The charges will be heard in Rowan Court.

The suspect vehicle turned a circle in the field and headed for the Coolcemee patrol car operated by Officer B.G. Phillips. Phillips attempted to swerve to avoid a collision, but was struck by the suspect's car, Wooten said.

The vehicle came to a stop and three passengers attempted to run. One made it to nearby woods, another was caught in the car and the driver jumped out before the car stopped and the tire ran over his foot, pinning him under the car, Wooten said.

Alvin Lee Holland, 17, of Oyster Road, Woodleaf, was charged by Phillips with assault on an officer with a deadly weapon, possession of nine large

A Kernersville woman was arrested last Tuesday and could be facing felony drug trafficking charges.

Stephena Hubbard Ader, 52, is being charged with one felony count of obtaining controlled substance by fraud, and three felony counts of attempting to obtain controlled substance by fraud.

According to Davie County Sheriff's Ader Department Detective Robert Trotter, on May 4 a call was received from Eckerd Drugs in Bermuda Quay Shopping Center Advance about a forged prescription. According to reports some one named Stephanie Casper had a prescription for Oxycontin from a physician in Winston-Salem filled.

The same woman then returned on May 14 with another prescription issued by the same doctor for, more, Oxycontin. However the workers at the Eckerd Drugs could not verify payment for the prescription with Medicaid until the issuing doctor confirmed writing the prescription. They were unable to contact the doctor at that time because it was late.

The woman left and returned approximately 20 minutes later with another prescription. This time for Xanax. Workers at the Eckerd Drugs were unable to fill

The woman left again and called the store back approximately 30 minutes later asking the cash price for both prescriptions. However, she never returned that evening to pay for the prescriptions.

She did return two days later, on May 16, this time with another prescription for Percocet. She wanted to pay cash for the Percocet as well as for the other two prescriptions she previously attempted to have filled. None of the prescriptions were filled.

An employee from Eckerd's contacted the Davie Sheriff's Department the next day. According to Trotter, they were given a description of the automobile the woman was driving, and part of her Medicaid card identifying her at Staphanie Carter, was left at the pharmacy.

After further investigation the woman was later identified as Stephana Ader. According to Trotter, she says the last name of

The prescription pad Ader used to write the forged prescriptions was one that still had the old area code of 910 on it, said Trotter.

The amount of Oxycotin, an opium derivative used for pain. Ader obtained through the first prescription she had filled is an amount that is considered trafficking. "Which is a very serious offense," said Trotter.

Ader is being held in Forsyth County Jail, since Davie does not house female offenders, under a secured \$30,000 bond. Her first court appearance was scheduled for June 7.

Introducing Ben, Davie's New K-9 Deputy Dog

By Jackie Seabolt
Davie County Enterprise Record

June 1 marked the first day of work for Davie County's newest law enforcement officer. He's a one year old German Shepherd named Ben and he's Deputy Vicki Fields' new partner.

Fields recently returned from Ohio with the new K-9 officer, who has been training there since February. He will resume the role of Davie's K-9 officer since the former dog, Kilo, retired at the end of May.

Fields and Ben finished up their own training locally to begin patrolling as a team for the Davie Sheriff's Department. They used various places in the county to train.

On hand to assist Fields with Ben's training was Rob Hickman, a police officer and dog trainer from Ohio. He is the president of the North American Police Work Dog Association, the organization that certifies police canines like Ben.

Hickman first met Fields back in 1997 at a workshop when she was still working with K-9 Kilo. He met Fields again last year and it was there plans were made to bring in Ben as a new K-9 officer.

According to Hickman the style of training used on Ben is known as reasonable force. It teaches the dog to apprehend suspects that are trying to run from or harm an officer. "The suspect escalates the force. If the suspect gives up he doesn't get bitten," said Hickman.

Ben is an import from Czechoslovakia, where the German Shepherd is still bred for their workability. He has learned commands in a language other

than English. The dual commands will come in handy for Fields in a situation where she would need to talk to a suspect and to Ben and be on two separate wavelengths, according to

Hickman. So the next time you see the Davie Sheriff's K-9 patrol car, Ben will be the dog seated in the back wearing his new badge around his neck.

Note: In last week's story on K-9 Kilo's retirement the statistics listed were said to have been for his seven years of service, however they were only for the 18 months of service for the Davie Sheriff's Department.

Rob Hickman is the president of the North American Police Work Dog Association.

Pictured above, Fields does some practice moves with Ben.

Rent A Teen

Job Referral Service Matches Teens With Those Who Need Work

Would you like a teen age baby-sitter that's Red Cross certified?

How about some help around the house, or with the yard?

Maybe you could use a little help with farm chores, or even pet-sitting.

The Mocksville-Davie Parks & Recreation Department, and the Davie Youth Council are sponsoring a Rent-A-Teen program, a referral service offered to the community to benefit those teens in need of work as well as those adults in need of services.

Teens interested in being a part of the program must fill out an application (for \$1) including their name, age, work interest and references. The Davie Youth Council compiles a quarterly list of teens interested in working odd jobs from the applications.

Prospective employers can obtain the Rent-A-Teen list from the Mocksville/Davie Parks & Recreation Department's office, for \$1, either by picking it up, or sending a self-addressed stamped envelope to: Rent-A-Teen, Mocksville/Davie Parks & Recreation Dept., 644 N. Main

St., Mocksville.

Prospective employers can call any one of the individuals on the list depending on the services they are in need of - baby-sitting, yard work, pet-sitting, house cleaning, assisting the elderly, farm help, moving assistance, etc.

The work to be done, hours, and rate of pay are to be negotiated between the teen and the prospective employer.

The Parks & Rec. Dept. also offers a Red Cross instructional baby-sitting course, and a notation is made for those teens who

have completed that, or another Red Cross course, and are certified.

This is an informational service only. The Mocksville/Davie Parks & Recreation Department does not guarantee the workmanship or provide liability insurance for the teens.

All of the \$1 fees benefit the Davie Youth Council's efforts for a future Teen Center and the programming of teen events for area youth.

If you have any questions regarding this program, call Vicki Robinson at 751-2325.

Don't Fall In Love With A Married Man

By Jackie Seabolt
Davie County Enterprise Record

A case accusing a woman of harassing phone calls was dismissed by Judge Jack Klass in Davie District Court June 7.

Rita Williams accused Bonnie Honeycutt of calling her house and harassing her after Honeycutt's husband, Larry, had moved in with Williams.

As Williams took the stand she was asked if she knew Bonnie Honeycutt. She replied, "No, but I'm getting to know her." Williams was making ref-

erence to the phone calls she claimed Honeycutt had made.

Honeycutt's husband Larry had left his wife and moved in with Williams after meeting her in January. According to Williams she thought the Honeycuts were separated, and had just recently found out Larry had left his wife two days after Williams had met him.

Williams said because of an earlier stroke she had suffered she was unclear of some of the dates of the phone calls, but she believed the first time she and Honeycutt spoke was around the

first of May. According to Williams, Larry had reconciled with his wife on May 2 but later returned to live with her on May 6. That was when the phone calls became a regular occurrence, Williams said.

Williams said Honeycutt had left messages on her answering machine. Some of the messages, Williams said, were of Honeycutt singing country songs the Williams had written.

Honeycutt's attorney Lynn Hicks asked Williams about the tape recording of some of the messages Honeycutt had left.

According to Williams she had recorded a copy of the digital messages on her karaoke machine for the judge to hear in court that day.

But before the evidence could be heard, Judge Klass asked if this case was over a man who goes from one house to the other. He then asked the women why they would want him.

Klass dismissed the case and told Honeycutt, "Do not call back there again. Goodbye. Let it go."

Attorney Hicks pointed out that one of the songs Williams had written was titled "Don't fall in love with a married man."

New K-9 Officer Ben Sniffs Out Drugs

By Jackie Seabolt
Davie County Enterprise Record

Two men were cited for possession of marijuana after new K-9 officer Ben alerted officers to the drugs.

Jerry Wayne Hager, 45, of 190 Casa Bella Drive, Advance and Timothy Arthur Foley, 33, of 184 Galadrum Way, Advance, were

both found to have marijuana in their vehicles.

According to reports, Deputies M.W. Crater and M. Amann of the Davie County Sheriff's Department responded to an anonymous tip that Hager had

drugs at his home. The two deputies went to the residence on Casa Bella Drive and upon arrival were given permission by Hager

to search his home and vehicle.

Deputy V. Fields and K-9 Ben from the Davie Sheriff's Department were called in to assist with the search.

Hager did admit that a small amount of marijuana might be found in the ashtray inside his house. But K-9 Ben alerted the officers instead to the trunk of Hager's vehicle. Inside the

trunk 5.9 grams of marijuana were found inside a manila envelope.

Foley was at the residence visiting Hager at that time and also gave officers permission to search his vehicle. K-9 Ben alerted officers to the ashtray of Foley's pickup truck where a small baggy of pot was found.

Davie Man Sets Own Trailer On Fire

By Jackie Seabolt
Davie County Enterprise Record

A Davie man was arrested last Monday for setting fire to his own home.

Michael Dean Foster, 38, of 3170 U.S. 601 South, Mocksville has been charged with burning an uninhabited dwelling.

According to arresting officer Detective J.D. Hartman of the Davie County Sheriff's Department, Foster denies starting the fire. However, witnesses say they saw Foster enter the trailer and that he was carrying a gas can.

The doublewide mobile home suffered \$3,000 in damages, ac-

cording to reports. According to Hartman, Foster has reportedly been staying with his mother. The trailer appeared abandoned and there was no water or electricity connected.

When Foster was arrested

June 4 around 7 p.m. he was very intoxicated, according to Hartman. After his arrest Foster claimed to have suffered a heart attack, but doctors confirmed he did not. He then threatened suicide and for this reason was

transferred to the Central Prison in Raleigh where he could be watched closely.

Foster's bond was set at \$10,000 and his first court appearance is scheduled for June 14.

Forum At Davie High

The N.C. Highway Patrol will hold a community relations forum at 7:30 p.m. on Thursday, June 21, at Davie High School in Mocksville.

The Patrol is inviting community leaders and all residents from Davie County to attend the forum to establish an exchange of ideas and information that will enable the Highway Patrol to more effectively meet the needs of the residents.

The forum is a structured meeting in which community leaders and citizens can share with the Patrol any ideas or concerns they have about how the Patrol accomplishes its mission of ensuring safe transportation on the state's highways.

The forums are being scheduled in every county in North Carolina in an effort to improve the Patrol's service to its customers. The forums will also help the Patrol meet requirements for accreditation by the Commission on Accreditation for Law Enforcement Agencies (CALEA).

Kathryn's Day Davie Pays Tribute To Women Who Brought Crosby Here

By Jackie Seabolt
Davie County Enterprise Record

On Tuesday, June 5 a luncheon was held at Samuel's Restaurant in downtown Mocksville to commemorate Kathryn Crosby and her contributions to Davie County.

The many in attendance paid tribute to Crosby by speaking about the many lives she has touched and the amount of money she has raised.

"We wanted to do something in our home style to show our appreciation," said Mocksville Town Manager Terry Bralley.

Former Davie School Superintendent Bill Steed spoke. He said he was speaking from the perspective of Davie's school children when he thanked her for all she's done for the children.

Crosby has been the key person in the establishment of the Crosby scholars program in Davie. The total of scholar holders in Davie County is currently well over 1000, according to Alan Hyland, Director of Davie Crosby Scholars.

Crosby was presented with a gift from the town of Mocksville along with the first key to the town of Bermuda Run presented by the town's mayor John Ferguson. "And you are welcome back any time you want to come," said...

Ferguson concluded.

In the 16 years the Crosby golf tournament has taken place in Davie County the amount of time and dedication of the countless volunteers was recognized by Crosby as she accepted the tokens of appreciation presented to her.

But County Manager Ken Windley's short speech was one that summed up the feelings of the day's event.

A rich man was retiring so he called his three sons and said to them I wish to leave my fortune intact so I will set each of you the same task to see which one if the most capable of managing money.

In my warehouse there are three large storerooms, all the same size. Here is a bag of silver each. Your task is to each fill one storeroom with as much as your silver will buy.

The first son bought sand with all his money and filled one-third of his room.

The second son bought soil with all his money and filled half his room.

And the third son spent only a small portion of his money, bought some candles and matches and he filled his room with light.

"I just want to say that we appreciate you coming to Davie County, and filling Davie County with light each time you come," Windley said.

Bermuda Run Mayor John Ferguson presented Crosby with the key to the town.

Lillie Mabe, Bill Steed, and Ed Vogler were just a few of those in attendance at the luncheon.

Crosby chats with Mocksville Mayor Francis Slate.

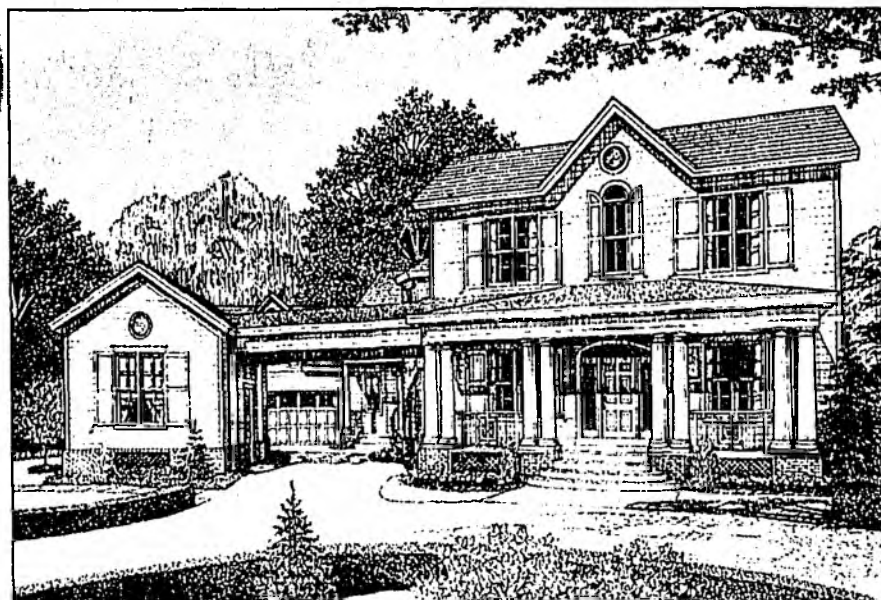

Crosby listens as well wishers pay tribute to her sixteen years of service to Davie County.

Mocksville Town Manager Terry Bralley gave Crosby a token of appreciation.

Mocksville Town Board member Buster Cleary presented Crosby with flower.

Woodleaf, a Southern Living Idea House, will be open to the public in the new Kinderton development in Bermuda Run from June 16-Sept. 30.

Southern Living Idea House To Be Open In Kinderton

A Southern Living Idea House, constructed by Adams Egloff Avant, a Winston-Salem firm specializing in building and developing custom homes, will open in Kinderton, a planned community in Bermuda Run, beginning June 16.

A portion of the \$5 admission will benefit the Hospice & Palliative CareCenter of Winston-Salem.

"We're delighted that Southern Living has chosen to donate part of the admission fee to our organization," said Emmalee Hughes, Hospice's director of development. "Thousands of people are expected to tour the house, which will not only raise funds for patient care but give us an opportunity to let people know more about Hospice and what we do in the community."

Three Hospice volunteers - Barbara Gauthreaux, Carol Seebert, and Faye Everhart - will be in charge of organizing the volunteers needed during the three months that the Idea House will be open. Anyone interested in volunteering as a greeter can contact Gauthreaux at 998-7664 or Seebert at 998-8066.

The 4,000-square-foot Idea House, which will be open to the public June 16-Sept. 30, features a traditional exterior with an open, spacious floor plan for family living and entertaining.

The house will be open to the public Tuesday-Saturday from 11 a.m.-5 p.m., and Sunday from 1-5 p.m. The admission price is \$5 per person, a portion of which will be donated to Hospice. To reach the Idea House, turn onto Yadkin Valley Road off

N.C. 801 near I-40. Kinderton is a quarter mile on the right. Follow the signs to parking for the Southern Living Idea House.

Guests of the Southern Living Idea House will receive a free copy of the Idea House Magazine and Resource Guide, which features four-color photographs of the interior and exterior of "Woodleaf," as well as complete architectural and interior design details. The house will be featured in the August issue of Southern Living (southern-living.com).

Hospice - a community non-profit organization - has broadened its focus to emphasize palliative care, which begins at the diagnosis of a life-threatening illness, where the goal is the achievement of the best possible quality of life for patients and

their families.

To better reflect the scope of services offered, the agency recently changed its name to the Hospice & Palliative Care Center. Hospice continues to be committed to providing quality medical, emotional, spiritual, and social support to patients and families who face a life-limiting illness regardless of diagnosis, prognosis, treatment, or ability to pay.

Hospice has experienced major growth in the past six years. In 2000, the agency cared for 1,300 patients and their families, making more than 33,000 visits to homes throughout the community. This year, the agency, now in its 22nd year of service, is expected to touch the lives of even more people in its seven county service area.

Lions Clubs Fund Boys Eye Surgery

The Piedmont area Lions Clubs contributed \$4,700 for the surgery for Luis Cisneros, a 5-year-old boy, who is blind and has artificial implants.

Larry Cook, president of the Oldtown Lions Club, was approached by Vanessa Rodriguez

from Family Services about the need for money for the surgery.

Rodriguez explained the situation as follows: Luis is from Mexico and is blind with implants. His mother is employed by a local company and his fa-

ther is dead. Friends and neighbors held a dance/raffle and raised \$400 - all the money available for surgery. The surgery needed was orbital implants with tuitoplast, which will be performed at N.C. Baptist Hospital. This surgery is needed periodically due to normal growth, and both eyes must be replaced with larger implants.

Eight area Lions clubs, including the Mocksville Lions Club, gave to this fund, along with the NC Lions Foundation.

Nestor Reports To Duty

Navy Petty Officer First Class Craig S. Nestor, son of Alma E. and Clyde L. Nestor of East Robin Drive, Advance, recently reported for duty at

Nestor is a 1988 graduate of Davie High School who joined the Navy in March, 1992.

Teen Retreat Camp Near

The annual Davie Youth Council Leadership Challenge Teen Retreat is a rigorous weekend of intense leadership and team building fun designed to be an inspirational, motivational, meaningful experience.

The agenda for will include icebreakers, team building and leadership development workshops, motivational speakers, a multi-level high ropes course, an evening dance and bonfire, canoeing, swimming, hiking, and of course - planning and committee development with the Davie Youth Council.

The teen retreat will be held at the YMCA Camp Hanes in King. This weekend is sponsored and organized by the Davie Youth Council, Mocksville/

Davie Parks & Recreation Dept. and the Davie Family YMCA. There is no charge, thanks to the DYC. Space is limited to 40 teenagers from Davie County that have been nominated by someone who feels they would benefit from the experience.

"Do you know a teen that is a potential leader? We are looking for teens that want to make a difference for the youth in Davie County," said Vicki Robinson, coordinator.

If you know of a Davie County teen in rising 9th-12th grade, and would like to nominate them to attend the Teen Retreat, call Robinson at 751-2325, by July 1.

Can They Still Play?

**Cooleemee Old Timer's
Game Is This Saturday**

Can Fred Pierce still field a grounder in the hole?

Can Grimes Parker still hit the long ball?

You can find out Saturday afternoon, as the second annual Cooleemee Old Timer's Game will be held at 3 p.m. at the Cooleemee Field.

Anyone age 50 and older who ever played for a Cooleemee team is eligible. The game starts at 3 p.m.

Brad Cartner will provide entertainment at the recreation center from 6-8 p.m.

Play Golf For DHS Boosters

The second-annual Davie High Boosters Kickoff Classic is set for July 20 at Oak Valley Golf Course with a 12:30 p.m. shotgun start.

The captain's-choice format is \$55 per player. Choose your own teams or singles will be placed on a team. Each four-man team will be paired with a Davie High coach, which is included in the cost.

The purpose of this event is to show a high level of support for next year's Davie High athletic teams. While this year is not yet over, it is not too soon to begin planning for next year. Davie's boys and girls teams, across the board, had strong showings this year, obviously due to super athletes, highly-prepared coaching staffs and outstanding school spirit. Additionally, the Boosters Association's efforts and the continued assistance of families and the local community have long provided the unwavering and steady hand that every athlete needs to compete at the highest level. The Kickoff Classic will give our sports programs the early boost they'll need.

But before the Boosters Association can finalize plans and establish entry fees, two things are a must. Corporate and community sponsors are needed to establish the early funds necessary to get our teams the support they need. Interested sponsors should contact Buz Moser at 940-5219 as soon as possible.

All supporters will be fully recognized. Each level of support will receive appropriate benefits at the tournament as well as throughout the academic/athletic year. Tournament committee volunteers are an absolute necessity in ensuring a quality and memorable event. Again, please contact Moser.

Weavil Helps Stop Mocksville Slide

By Brian Pitts
Davie County Enterprise Record

Ryan Weavil isn't flashy. He doesn't do anything that makes jaws drop or elicit whoops from fans or high-fives from his Mocksville teammates.

All he does is work the corners and get outs.

"A left-hander that throws strikes can get them out," said catcher Justin Paschal, a teammate from Glenn High. "He knows how to take care of them when he needs to. He doesn't seem to get nervous or get rattled on the mound."

Mocksville, caught in the throes of a three-game skid after Friday's debacle, needed Weavil at his calm-cool best Saturday night against South Rowan at Rich Park. And Weavil did his thing.

Coach Mike Lovelace summoned the surgeon with the pressure on, tying run at third in the top of the fifth inning. After South had burst for four runs and chased starter Cody Crotts, Weavil coaxed an inning-ending grounder to preserve a 5-4 lead as Mocksville (8-7, 4-5 Southern Division)

Weavil

Poplin

Golding

Ross

picked up a much-needed 8-6 division victory.

"My favorite time to come in is when we've got people on base, something real challenging," Weavil said after becoming Mocksville's first two-game winner by striking out five, walking none and giving up two runs (one earned) over the final 4 1/3. "I like a big challenge in life."

In what is turning into a marvelous season, Weavil (2-0, 1.12 ERA) has piled up 19 strikeouts to two walks and allowed two earned runs in 16 innings while appearing in eight of Mocksville's last 12 games.

"We keep calling on him, and he has

come through for us time after time," said Lovelace, a southpaw for Mocksville from 1989-91. "Something you don't see from a lot of pitchers at any level is he throws three pitches for strikes (fastball, curveball, changeup), and he'll throw it at any time in the count. His fastball probably pops 76, 77 miles per hour, and he had guys fouling them off their hands."

"He was just a tremendous lift, and we couldn't have asked for more at a better time because this was a game that we had to have."

A hugely disappointing showing the previous night (a 12-1 loss to Mooresville in which the offense

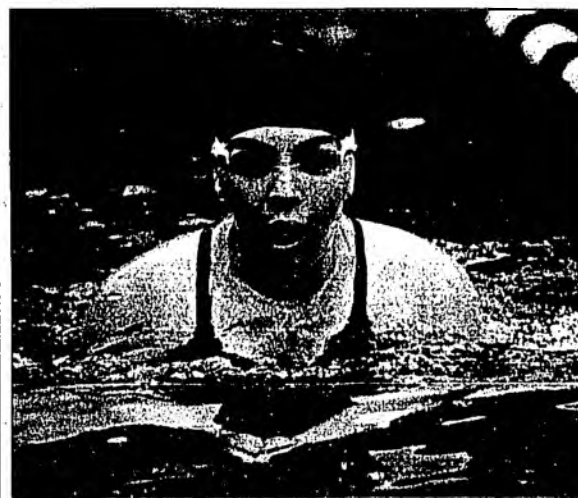

snoozed until it was all but over) goaded a pregame speech from an unlikely source, Andrew Daywalt. Mocksville responded with 13 hits, including five for extra bases, and wasted no time jumping ahead 5-0.

"(Assistant) Keith (Walker) wanted me to talk to the team, and basically all I had to say was to not hold anything back and leave everything on the field," said Daywalt, one of four Mocksville batters with multiple hits. "I usually don't have a lot to say, but that's what we needed. Once we got down (against Mooresville) we didn't really attempt a comeback. Everybody was just kind of going through the motions."

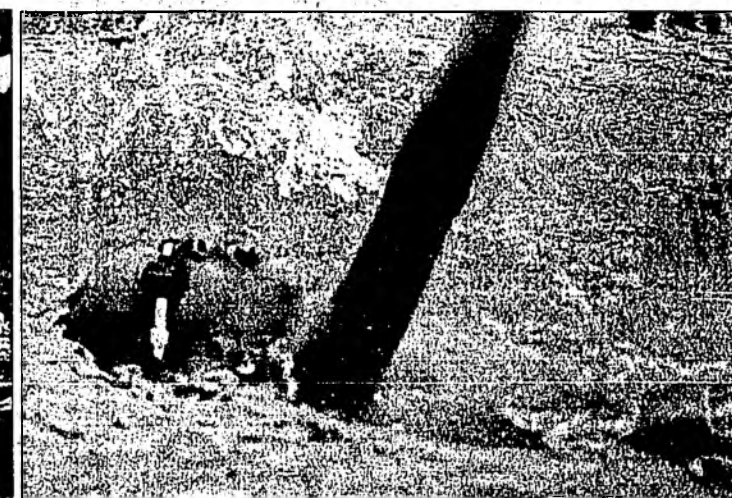

"That bomb in the first inning got us going."

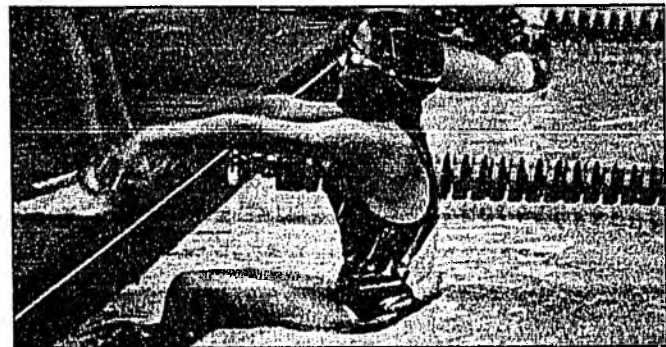

That bomb was dropped by Dave Poplin, who followed Casey Stanley's first-inning double with a two-run homer well beyond the 351-foot wall in center. "When you're a big kid in the four hole, you're not going to see the best pitches," Lovelace said. "A 2-0 fastball was his pitch, and he took care of it."

Davie County's swim teams - Oak Valley and Hickory Hill - are two matches into their season. At left, Christy Sparks swims the breast stroke for Hickory Hill; and at right, Jon-Michael Bartlett swims to a second place finish in the backstroke. For more information on the Oak Valley team, please turn to page B2, on the Hickory Hill team, page B6.

Hannah Keeney won first place in the backstroke competition.

Oak Valley Wins Four Team Relays Against Sherwood

Oak Valley swimmers took four of the final team relays to close within 303-593 against powerful Sherwood last week.

Despite dropping the second match, coach Dana Keeney saw dramatic improvement in the team's competitiveness. Oak Valley is in the second year of its swim team competition.

"They have improved a lot," she said. The team has also worked to avoid disqualifications that hurt the Orcas last year.

Oak Valley has added more swimmers to fill empty slots in

its roster, and the young swimmers have helped pile up the points.

Here are the first place winners in last week's match:

• 13-14 boys medley relay — Logan Buchanan, Zack O'Brian, Jonathan Loos, John Michael Bartlett.

• 7-8 girls distance freestyle — Costner Merrifield.

• 10 & under individual medley — Daniel Wendell.

• 11-12 girls 50-free style — Jamie Stanciliff.

• 13-14 girls freestyle — Stephanie Wendell.

• 7-8 girls back stroke — Hannah Keeney.

• 13-14 boys back stroke — Logan Buchanan.

• 7-8 boys breast stroke — Brendan Radatovich.

• 9-10 boys breast stroke —

Daniel Wendell.

• 9-10 girls butterfly — Autumn Jones.

• 9-10 boys butterfly — Daniel Wendell.

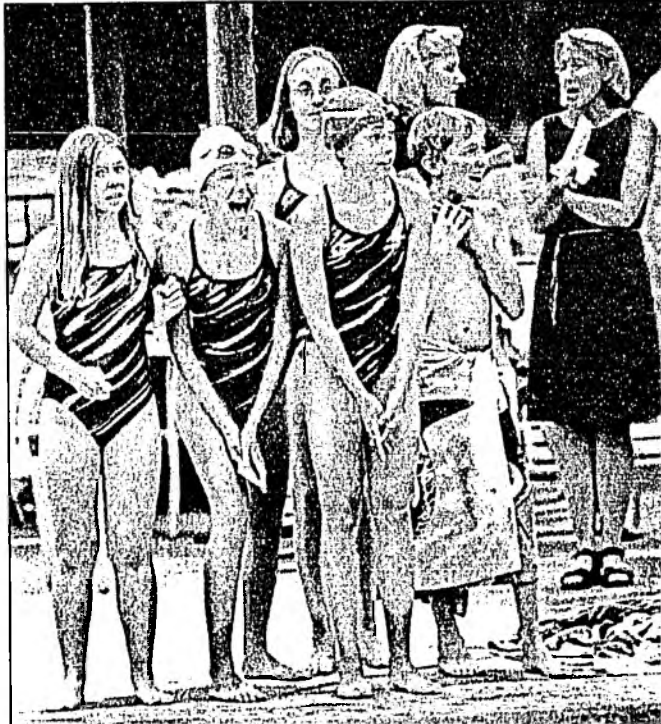

• 7-8 girls freestyle relay — Laura Shelton, Madi Pratas, Hannah Keeney, Costner Merrifield.

• 9-10 girls freestyle relay — Autumn Jones, Jennifer Booth, Carla Pratas, Kelsey Shipman.

• 9-10 boys relay — Jack Powell, Luke Bartlett, Tyler Shelton, Daniel Wendell.

• 11-12 boys relay — Bennett Shipman, Tip Powell, Roth Davidson, Dustin Frye.

"As the season goes they are improving, but more than that, they are having a good time," Keeney said. On Thursday the Orcas swim at home against Old Town.

Miranda Esposito, Katherine Schamens, Brittany Rowe, Allie Russell and Dustin cheer for Oak Valley.

Mocksville Wins 6-3 Over South Rowan

Continued From Page B1

The margin mushroomed to 4-0 in the second when Daywalt delivered a two-strike, two-out double. Paschal and Charlie Ross set the table with singles. "He came through again," Lovelace said of the 370-hitting Daywalt. "I don't know how many times this year that he's executed. It was a big turning point in the game."

The bottom of the order helped Mocksville immensely, with Ross, Brad Bullard and Josh Golding combining for seven hits. Singles by Ross and Golding made it 5-0, and after South stormed back into contention, the bunch at the bottom sucked the life out of South with three sixth-inning runs for an 8-4 lead.

Ross and Bullard laced doubles. Golding slapped one to left and leadoff man Daywalt singled for Mocksville's fourth successive hit. It was an unex-

pected boost from Golding, who supplied three hits and exceptional defense in center as a game-time addition when Chris Seaford was scratched with a pulled back muscle.

"Josh at the last second steps in there and gets three big hits and makes a nice play in center field," Lovelace said of the lefty from Davie High.

The other three-hit contributor was Ross, who has gone 9-for-23 the last six games, a scorching .391 pace. "We always bounce back, a bad defeat espe-

cially," he said. "When the coaches put fire to our butts, we run. They got us in gear and got us ready to play. We came in a little early today, did some extra work and we got the job done." Notes: Everyone Lovelace used was either 16 or 17. Jeffrey Jones, who platoons at catcher, is now the team's lone 18-year-old. ... Top guns Daywalt and Stanley had two hits each. ... The 13 hits were the most since May 27. ... Crotts threw four scoreless innings before getting knocked around in the fifth.

Mocksville Pounds 18 Hits In 14-7 Victory At Concord

CONCORD — Mocksville-Davie American Legion coach Mike Lovelace had to be wondering if his team would ever get a big hit.

Mocksville left runners all over the place in the first four innings at Concord's Webb Field, but once a trickle of hits finally began to fall in, a flood followed. Mocksville finished with 18 hits, scored its first nine runs after two were out, and won going away 14-7.

The league win boosted Mocksville, which left 15 runners on base, to 10-7 overall, 5-5 in division play.

"It was a tough win," said Lovelace. "Concord had us rolling for awhile. They were cruising."

Mocksville trailed 4-0 heading to the fifth, when David Poplin's two-out RBI single finally broke the ice. Singles by Jeffrey Jones and Charlie Ross, two errors and a bases-loaded walk to Brad Bullard got Mocksville even at 4-4.

But Mocksville starter and winner Andrew Daywalt (2-1) wasn't at his best. Concord came right back for a 7-4 lead in the top of the sixth.

Again Davie answered. Chris Seaford's RBI double made it 7-5 and Ross' double, one of his five hits on the night, closed the gap to 7-6. Then, with the bases loaded and two outs, Bullard socked a liner past a diving left fielder that rolled to the wall and cleared the bases, putting Mocksville in command at 9-7.

Mocksville kept the bats going the rest of the way and Ryan Weavil, who relieved Daywalt to start the seventh, pitched shut-out ball over the last three frames for the save.

"Weavil even batted for the first time this year and got a single," said Lovelace. "That tells you how good his night was."

It was a pretty good night for just about all the Mocksville hitters. Casey Stanley, who has batted over .400 all season, rapped

out four hits, including a triple, and swiped two bases. Ross, who has boosted his average nearly 150 points in the past week, stayed torrid. Erik Walker and Seaford chipped in with two hits each.

It was another victory keyed

by the resurgent bottom of the lineup. Ross drove in four runs, while No. 9 hitter Bullard plated five.

Mocksville, which couldn't buy a hit early in the season, has now put up an impressive 43 in its past three games — all wins.

Andrew Daywalt Home Run Sends Mocksville Over King

KING — A green light on a 3-0 pitch for Andrew Daywalt led to a lightning bolt that carried the Mocksville-Davie American Legion team to a 9-2 win at King on Sunday.

This game was a far cry from Mocksville's first battle with King at Rich Park. That one wasn't decided until Daywalt was plunked by a pitch with the bases loaded in the ninth inning for a 6-5 Mocksville win.

This time — given the 3-0 hit privilege by coach Mike Lovelace with Mocksville (9-7) clinging to a 3-2 lead — Daywalt unloaded a three-run homer to right-center to give his team a secure 6-2 cushion.

Daywalt's effort was supported by Jeffrey Jones, who had three hits, and Ricky Bentley, Brad Bullard and Charlie Ross, who picked up two each.

Mocksville, suddenly swinging the bats well after a long dry spell, banged out 13 hits.

Ross, Bullard and Jones

drove in two each, while Bullard and Daywalt scored two apiece. Jones, the backup catcher, had a big night that included a pair of doubles.

"The hitting is perking up," said Lovelace, after his team won its second straight. "We put it in play. We only had four guys strike out."

The most frustrating hit of the evening belonged to Bullard, who missed a grand slam by a foot with his long drive in the second inning. With catcher Jones running in front of him, Bullard settled for a long single.

Meanwhile, three Mocksville pitchers allowed just four hits. Starter Travis Allen stayed perfect in 2001, picking up his second Legion win after a banner spring at Davie High. Allen tossed six strong innings, yielding three hits and two earned runs.

Josh Golding shut the door in the seventh and eighth and Lonnie "Hammer" Barnes worked a 1-2-3 ninth to seal it.

Mocksville kept the bats going the rest of the way and Ryan Weavil, who relieved Daywalt to start the seventh, pitched shut-out ball over the last three frames for the save.

Brewer's Bases-Loaded Double Buries South Rowan

The dynamic duo of Casey Stanley and Andrew Daywalt starred again in a Mocksville win, but this time they shared the spotlight with Joseph Brewer.

Stanley's sore shoulder limited him to designated hitter, forced Chris Seaford from the grass to third base and created a void in left field. Coach Mike Lovelace scratched his head and settled on Brewer, who staggered to 3-for-15 but earned a shot by going 2-for-3 the previous night against King.

Brewer responded with a giant breakthrough — two hits and four RBIs, including the knock-out punch in an 11-3 Southern Division victory at South Rowan (2-8, 1-6 Southern Division) on June 5.

"Brewer didn't play outfield the whole year at West Forsyth (High), but I had to find a place for that kid to play," Lovelace, Mocksville's American Legion baseball coach, said. "He had

two hits the night before. We thought we ought to give him a chance, and it really worked out. He's only a 16-year-old and he stepped up to the challenge."

In the top of the seventh, Daywalt handed Mocksville (7-4, 3-3) the lead for good by jerking a double.

Then came Brewer's brightest moment, a two-out, three-run double that turned a tight game into a comfortable 6-2 lead for Mocksville. Brewer, who ripped the first pitch past the bag at third and into the corner, added icing with a run-scoring double in the ninth.

"I've had about 300 people messing with my swing for the past year," Brewer, a rising junior, said. "I finally started listening to one person (first-year assistant Keith Walker), and I'm just now getting my swing back."

"I wasn't doing one thing that Keith had told me to do with my swing. I fixed it my third time

up, and I was good from then on out."

Lefty Andrew Morgan, a rising junior from South Rowan High, kept Mocksville quiet for 5 1/3 innings, fanning nine for a 2-1 lead.

"He was real tough," Lovelace said. "He threw three pitches for strikes and spotted his fastball real well. We really haven't seen a lefthander this year, and I knew it could give us a problem."

Morgan, however, hit the wall in the sixth. Stanley doubled before coming around with the tying run, and Mocksville feasted on South's bullpen as Chris Seaford capped the six-run seventh with a monster homer two pitches after Brewer's crusher.

"Way out," Lovelace said of Seaford's first long ball in 106 at-bats through high school and Legion. "It was probably the farthest ball I've ever seen him hit."

Seaford, who has hit safely in eight of 11 games, also came through with the leather while anchoring third for the first time since 2000.

"He made two great plays early in the game that saved us," said Lovelace, who considers Seaford vastly underrated. "He's just been Mr. Steady. He gets a hit a night. You might as well go ahead and write it up. He's going to hit .260, .270, but he's going to put it in play about every time. He's just as steady as they get. He doesn't say anything in the dugout or on the field, he just goes out and plays hard."

The winning pitcher was Ryan Weavil, who tossed scoreless ball for 3 1/3 while taking over for Travis Allen. The deliberate lefty has allowed two runs (one earned) in 11 2/3, with 14 strikeouts to two walks. Considering he worked four innings all year for Glenn High makes his

0.77 ERA that much more impressive.

"He went through the lineup bang, bang, bang," Lovelace said. "And he's come in some tough situations."

"I didn't have a lot of practice against real-life competition (in high school), so I'm just glad I've been able to come in here and do what I'm supposed to do," Weavil said. "It's probably sheer concentration, good mechanics and knowing when to throw which pitch to what batter."

Notes: Stanley went 2-for-2 with two doubles and drew three walks. ... Charlie Ross sliced a two-run triple in the ninth as Mocksville finished with seven extra-base hits. ... Daywalt produced multiple hits for the fifth time. ... Lonnie Barnes, the third reliever in the ninth, threw his fourth consecutive scoreless inning.

Mocksville Falls Hard To Juggernaut Rowan County

Mocksville held the top of Rowan County's order to two hits in 17 tries. Cal Hayes, the superstar shortstop and leadoff man, went hitless for the first time in 20 American Legion games, and Drew Davis and Ben Hampton went 0-for-9 in the Nos. 3-4 spots.

Not that it mattered. "If you would have told me Cal Hayes wasn't going to get a hit, I would have thought we had a real good chance to win," Mocksville coach Mike Lovelace said after an 8-0 loss on June 6 at Rich Park. "Up and down the lineup they're the best team that I've seen, and I knew that coming in."

The top struggled against three Mocksville pitchers, and Rowan was still dynamite as the five, six and seven strikes responded with eight of Rowan's 10 hits, including back-to-back-to-back hits in the top of the fifth to turn a 1-0 duel between Andrew Daywalt and Rowan southpaw Spencer Steedley into a 5-0 cruise.

Jimbo Davis and Nick Lekko tattooed singles and Bobby Pardoll laced a double, and Rowan (10-1, 5-1 Southern Division) was well on its way to a seventh straight win. Mocksville, on the other hand, stumbled for the first time since May 26, slipping to 7-5 and 3-4

after winning five in a row.

"It was 8-0 but I thought it was a closer game than that," Lovelace said. "They scored those four runs in a hurry, and before we knew it, it was 5-0."

Daywalt, who entered with a 1.50 ERA, was typically tough for four innings. However, he gave up as many runs in the fifth (four) as he had given up in 12 previous innings.

"He's been as tough as anybody we've had," Lovelace said. "But he started getting behind in the count, and guys started looking fastball. They just did a great job adjusting, and good hitters are going to do that when you don't throw more than one pitch

for a strike. "He still gave us a good enough outing. But when you score no runs, you're usually not going to win the last time I looked."

Mocksville had plenty of chances to make Steedley sweat, generating noise in all nine innings and matching Rowan's hit total. But it stranded 13 runners, at least one in every inning but the sixth, and dipped into fifth place.

"In the first inning it really hurt us when we didn't capitalize (to take the lead)," Lovelace said. "We've left base runners on before, and it went back to the same old thing. We had put a

good stretch together, and it was just a bad night to (fall with men on base) against a great team like that."

"I knew we were going to have to play a near-flawless game to have an opportunity to win, and we'll have to turn up our game (to move up in the standings)."

Notes: Charlie Ross had his finest effort (3-for-4) to lift his average from .225 to .272, and Daywalt singled and doubled to approach 400. ... Steedley scattered eight hits in seven innings, and relievers Cody Crotts and Adam Richardson allowed one unearned run in four innings for Mocksville.

Mocksville No Match For Mills And Mooresville Team

Moments after the National Anthem Mooresville lost one in the trees, and that's all pitcher Chris Mills needed to beat Mocksville in Friday's Southern Division baseball game at Rich Park.

"The second batter hits a ground ball to second — a double-play ball — and we don't turn the double play. And after that they hit a home run," Mocksville American Legion coach Mike Lovelace said of the first-inning, three-run homer that followed an error and triggered a brutal 12-1 beating.

It was almost too easy for Mooresville. It punished four

pitchers with 14 hits, and Mocksville's offense was no match for Mills, who allowed three hits through six shutout innings before giving up a meaningless run in the seventh, when the game was stopped by the 10-run lead rule.

"It seemed like everything they touched were hits. It was just one of those nights," Lovelace said. "We only struck out four times, and every time we hit it, it seemed like it was right at them. And then they come up and get first base and chink hits. But hey, they all go down as singles."

Mocksville starter Erik

Walker got roughed up for six runs on six hits for five innings, falling to 1-3, and relievers Adam Richardson and Lonnie Barnes couldn't stop the bleeding as Mooresville made it 6-0 with a three-run double in the third. A six-run barrage in the sixth led to Mocksville's darkest hour.

"A good team like that, whenever they get up on you they put you away," Lovelace said. "We beat them 10-1 (on May 27), but it was an exhibition, and we've lost both of them that have mattered (including 3-2 on May 26)."

It's been an elevator experi-

ence for Mocksville, which won five straight before dropping its third in a row.

It prevented a fat goose egg in the seventh on Andrew Daywalt's second hit, an RBI single that followed hits by Joseph Brewer and Jeffrey Jones. After producing a brilliant 2.00 ERA over 45 innings during the winning streak, Mocksville has surrendered 20 earned runs in losses to Rowan County, Asheboro and Mooresville.

"Our pitching's been very good, and now it's turned around," Lovelace said. "That's when we've got to pick it up with hitting and defense, and we

haven't done that."

Despite the crash, Lovelace managed to put the debacle behind him before turning out the lights. After all, American Legion ball gives you every chance to rebound.

"We're going to come to the park tomorrow and get ready to play again," he said. "The good thing about American Legion is we're going to get a chance to redeem ourselves the next night."

"We're sitting there at 3-5 and I feel like we can still play with anybody, so it's going to be interesting to see what happens at the end of the season when we really get down to where it

counts in a 4-out-of-7 series."

Coach Pleased With Hurricane's Effort Against Willow Run Dolphins

The Hickory Hill Hurricanes traveled to Lewisville for a swim meet last Thursday with the Willow Run Dolphins.

It was a fast-paced meet highlighted by a number of hard-fought races.

Hurricane Coach Dana Call was pleased with the team's effort. "The Willow Run team includes a lot of year-round swimmers and our swimmers did a great job competing with them," she said.

The Hurricanes travel to Forsyth County Club June 14 and Clemmons West on July 21.

Doorslammers Debut At Dragway

The all new heads-up 4.70 "Doorslammers" class made its debut last Saturday night at Farmington Dragway.

Former TOP Eliminator champion Mark "the Kid" Jones of Rural Hall, captured the first ever event at the Farm. The "Kid" in his Oldsmobile ran a 4.69 ET at 144 MPH to defeat Rutherford College's Jeff Rudisill in his Pontiac Trans-Am. Ronnie Gardner of Greensboro and Robby Keziah of Charlotte, finished third and fourth in 4.70 action.

Veteran racer James Overcash of Statesville, captured his first TOP Eliminator win of the year over David McGee from Winston-Salem. Overcash in his classic 442 Oldsmobile ran a 6.41 ET at 106 MPH down the Farm's 1/8th mile drag strip to stop a quicker McGee in his Ford powered Mercury Comet. The margin of victory for Overcash was one, one thousandths of a second at the finish line. "Animal" David Rice of Winston-Salem, finished a close third in his Chevrolet Nova.

Twice Farmington "Foot Brake" champion Keith Kiger of Yadkinville, scored his first Sportsman division win of the year. Kiger in his Dodge Dart ran a 6.78 ET at 94 MPH to stop the Plymouth Barracuda of Walkertown's "Fast" Freddie Bowden. Robert Benge Sr. of Mt. Airy, came home third in his Chevrolet Monza.

Former Sportsman champion David Spauld of Advance drove his wife's Ford Wagon to a first

all street win over James Lowe from Colfax.

First time Pure Stock division racer Doug Wood of Boonville "tamed the Farm" defeating 16 year old Brian Holbrook of Lexington for the win.

Twelve year old Brian Baker of Asheboro, picked up his first Street Machines Junior Dragster division win of the season over

Cliff Green from Mooresville last week's "Main Event" winner Billy Ray Vamer III defeated Cameron Manuel from Winston-Salem, for the Junior Dragster "Second Chance" race win.

Featured this week in the Quality Oil/Doug Herbert Race Series will be Mo' Money in TOP Eliminator and Sportsman divisions. TOP Eliminator will be

racing for \$4,000 to win and Sportsman \$2,000. Along with the big money for those classes, Classic Gear Jammers will be in action with All Street, Pure Stock and Junior Dragster divisions. Gates open at 10 a.m. Time Runs start at 2 p.m. and final elimination's start at 6 p.m. For more information call the office at 998-2982.

Davie Sports News From June, 1992

Brack Beal scored the winning run in the bottom of the ninth on a Bob Scott hit, but the plate umpire called Beal out for missing third. Lexington prevailed 9-6 in the 10th. "Never in my life have I seen a more ridiculous call," Mocksville Legion baseball coach Dale Ijames said. "It was idiotic."

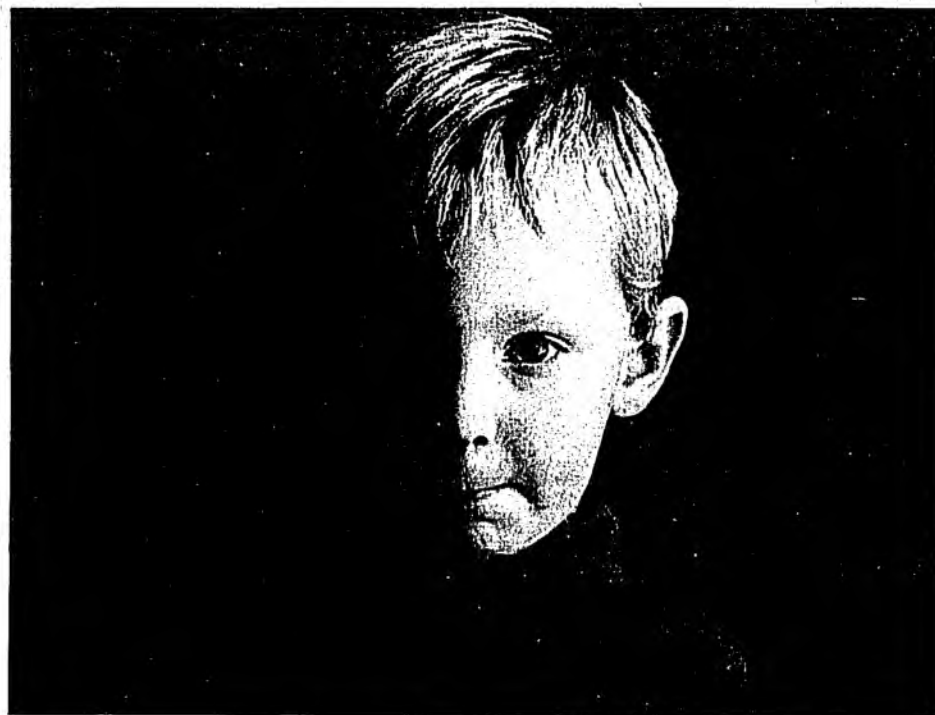

Andy Everhardt turned down Wingate, where he could have joined former Davie stars Kendall Chaffin and Dale Parrish, to play football at Lees McRae. "He's one of the best linebackers I've ever coached," Davie coach Randall Ward said of Everhardt, who posted 11 tackles a game in 1991, earning spots on the all-conference and all-Northwest teams.

Davie had five players make all-conference in baseball — Jason McCray, Eric Presnell, Randy Brewer, Steven Smith and Bubba Coleman. David Hunt was coach of the year for the fourth time in six years. Becky Cope and Denise Boyd became the first Davie female soccer players to make all-conference, and Alan Cooper was named in boys tennis.

The Cleveland Indians sent Denny Key, who starred for Davie and Mocksville in 1989, back to Watertown (N.Y.) of the New York-Penn League, where he tossed two one-hitters and was named the team's MVP the previous year. Ijames lost his Legion assistant two weeks into the year because Jack Kimmel, another former star pitcher for Mocksville, was drafted by the Texas Rangers in the 28th round.

Relay Again A Success

We've done it again. Davie County ranked second last year in per capita giving to the American Cancer Society's Relay for Life with over \$235,000.

This year, the number was nearly \$150,000 before the event started Friday night. And the fund raising - and fun - went on all night long at the Davie High School track.

State Rep. Julia C. Howard said she will support legislation to increase funding for cancer research, and services to cancer patients and their families.

"It would be a wonderful thing if in the year 2001, we could find a cure for cancer," she said.

Howard urged people to buy breast cancer stamps and to get annual medical checkups.

Members of James Baptist Church man the table with hotdogs with all the trimmings.

Alan Spry, Sonya Spry, Verlene Stainback, Tayler Cave and Patty Tutterow walked for the Davie County Clerk of Court team.

Kimbrough-Eley Engagement Announced

Reginald and Inita Galtner of Mocksville announce the engagement of their daughter Willette Rufina Kimbrough of Charlotte to Alvernon Eley Jr., the son of Mr. and Mrs. Alvernon Eley Sr., of Petersburg, Va.

The bride-elect is a 1992 graduate of Statesville Senior High School and earned a bachelor's degree with honors in sociology from Livingstone College in Salisbury. She is employed in human services with Novins, Inc. in Charlotte. In the fall she will be employed as a middle school teacher for Fredell Statesville School System.

The groom-to-be is a 1988 graduate of Petersburg High School and earned a degree in business management from Norfolk State University. He is employed with Bank of America of Charlotte and also a captain in the U.S. Army Reserves.

A 2 p.m. wedding is planned for Aug. 25 at Trinity Presbyterian Church in Salisbury.

Art Afternoons At Brock Center

Art Afternoons will continue through the summer for Davie students.

Sponsored by the Davie County Arts Council, call 751-3112 to register for any of the following classes, to be held from 1-4 p.m. at the Brock Performing Arts Center, North Main Street, Mocksville.

Drawing and Pastels will be taught on June 21 by Begonia Pena for grades 3-5. She earned a master's degree in painting and drawing from the University of North Carolina at Greensboro. Her work has been shown at the Weatherspoon Gallery, the Sawtooth Center, Waterworks Gallery and Charlotte's Arts Center. Her favorite subjects are landscape and still life.

Special Effects for Theater will be taught June 21 by Misty McGill for grades 4-8. She is a middle school art teacher at North Davie.

Drawing and Watercolor will be taught June 21 by Ann Frick for grades 5 and up. Frick is a Davie artist with a master's degree in painting and a bachelor's degree in sculpture from East Carolina University. She is the author of three books, including *Rambling and Reminiscing in Davie County*.

Basic Art & Drawing will be taught June 28 by Joe Franklin and Tarleton Walmsley for grades kindergarten-three. Franklin is a 2001 Davie High graduate who will attend Wake Forest University in the fall. He created the Art V class and designed and drew backdrops for drama and choral productions.

Improvisation will be taught June 28 by Misty McGill for grades 4-8.

Drawing and Watercolor will be taught June 28 by Ann Frick for grades 5 and up.

Drawing & Pastels will be taught July 12 by Begonia Pena for grades 3-5.

Book Arts will be taught July 12 by Ken Brownlow for grades 6-8. Brownlow has been binding books by hand for more than a decade, one of less than 1,000 people in the United States

Mrs. Daniel Todd Miller

The matron of honor was Susan Beck, all friends of the bride.

Mrs. Tony Dewayne Nichols

Bailey-Nichols Couple Wed May 26

Shanna Rae Bailey and Tony Dewayne Nichols were united in marriage on Saturday, May 26, at 5 p.m., at Omwake-Deaborn Chapel at Catawba College in Salisbury. Dr. Kenneth Clapp officiated.

The bride was escorted to the altar by her father. She wore a white matte satin a-line gown with an asymmetrical pattern of delicate white beading. The spaghetti straps were also accented by bugle beads. The train of the gown was a semi-cathedral length. Her headpiece was decorated with seed pearls and attached was an elbow-length veil trimmed in satin.

She carried a mixture of summer flowers including sunflowers, tulips and daisies tied with a white satin ribbon.

The bride was attended by her sister, Richelle Louise Bailey of Marion, who served as maid of honor. Kelly Cozart Smith of Mocksville, served as matron of honor.

Bridesmaids were Angie Hall Bailey of Advance, Christie Barker Mock of Advance, Kelly Lea Robertson of Winston-Salem, and Jessica Lynn Spillman of Mocksville.

Chelsea Leigh Weller of Mocksville served as the flower girl. She wore a halo of daisies and carried a basket of white rose petals.

Honorary bridesmaids were Kara Mariah Hall and Morgan Leah Hall, sisters of the groom, both of Harrisville, S.C.

Christopher Ryan Nichols of Advance served as his brother's best man.

Groomsman were Benji Lee Barker of Advance, Ethan Vaughn Boger of Reidsville, Michael Lynn Mock of Advance, Mallie Robert Washburn Jr. of Marion, and Dustin Ryan Smith of Mocksville.

Tyler Stephen Nichols, nephew of the groom, served as ring bearer.

Rodney Wayne Cassidy, friend of the couple of Carboro, addressed them with a poem during the ceremony.

Classical music selections were presented by Flora Lynn Abernathy, pipe organist. Erin Carter performed traditional wedding songs throughout the ceremony.

Heather Friend, friend of the couple, attended the guest register and handed out programs before the wedding ceremony.

Susan Wall of Mocksville served as wedding director. Mr. and Mrs. Michael Parker of Mocksville were videographers.

The bride is the daughter of Rickey Ray Bailey of Mocksville and Sarah Smith Bailey, also of Mocksville. She is a graduate of Catawba College with a

bachelor's degree in communications. She is employed as a marketing specialist with Novant Health in Winston-Salem.

The groom is the son of Mr. and Mrs. Ronald Stephen Nichols of Advance. He is a graduate of Davie High School and is employed by 6R Communications in Greensboro.

Following a surprise wedding trip to Walt Disney World in Orlando, Fla., the couple will make their home in Mocksville.

Reception
Following the wedding ceremony, the bride's parents entertained with a reception at the Salisbury Depot.

The guests were welcomed by Mr. and Mrs. Kiley Smith, friends of the couple, of Mocksville. Each guest received a packet of flower seeds with a special message imprinted on the back.

Barry Rentz, DJ, provided musical entertainment throughout the reception after announcing each member of the bridal party.

A selection of hors d'oeuvres were served to the guests prior to the arrival of the wedding party. A buffet dinner, prepared by Alice Barrette and Betty Jo Laymon, consisted of chicken in cream sauce, ham, meatballs, company mashed potatoes, green beans, baked apples, broccoli and cauliflower salad, and rolls.

After dinner, guests were served a chocolate wedding cake with cream cheese icing accented with fresh strawberries.

Assisting the reception were Cinda Smith, Tina Sain, both aunts of the bride, and Dana Smith, cousin of the bride.

Rehearsal Dinner
The rehearsal dinner took place at the Holiday Inn in Salisbury on May 25 at 6:30 p.m. The groom's mother and father hosted the rehearsal. A buffet dinner and groom's cake was served. The couple then presented the wedding party with gifts.

Bridesmaids Luncheon
A bridesmaids luncheon was hosted by Helen Truell, grandmother of the bride and Pauline Boston, aunt of the bride on May 19 at the home of Helen Truell.

Showers
• Mr. and Mrs. Dustin Smith hosted a shower in honor of the couple on April 14 at the home of a relative of the Smith's.

• Kelly Robertson hosted a pottery painting shower for the bridesmaids and their mothers at Originals by You in Winston-Salem on April 14.

• Tina Sain, aunt of the bride, hosted a shower for family and friends of the bride and groom. The shower was held on April 29 at the bride's home.

Discipline And Punish Are Not Synonyms

Cornatzer News

Mr. and Mrs. Paul Potts of

Jerusalem Baptist Church will host Focus On God (FOG) for Father's Day services at 8:15 and 11 a.m. this Sunday.

FOG is a drama group of five young men from the Fellowship of Christian Athletes at Davie High School. Their desire is to encourage believers to keep their focus on God - in spite of all the distractions within daily lives.

They write their own skits and usually have audiences laughing within a minute ... then pondering the message of the skit. The message of Christ is demonstrated, and they appeal to all ages.

A nursery will be provided for infants and toddlers.

For more information, call 284-2738.

Five generations shown here are Great-Great-Maw Ruby Stiller holding Whitnee Denise Wyrick, with Great-Me-Maw Annette Broadway, Me-Me Debbie Spillman and mother Stacey Spillman Wyrick.

All couples who have been married 50 years or more as of June 19, are invited to the Senior Center's first annual Golden Anniversary Luncheon Tuesday, June 19, noon, at the First Baptist Church in Mocksville.

Couples will be treated to a luncheon and musical entertainment.

There is no charge, but pre-registration is required by June 13. Call 751-0611.

The Davie County Stamp Club is open to collectors of all ages and interest levels. Upcoming meeting dates are July 12 and Sept. 13. Meetings are held the second Thursday of each month at 7 p.m. in the Nutrition Site of the Senior Center. Call the senior center at 751-0611.

The Alzheimer's Support Group holds a regular meeting, the second Thursday of each month beginning at 7 p.m. in the East Room of the Senior Center.

The group is open to all interested persons regardless of age. Caretakers and family members of Alzheimer's victims are encouraged to attend.

Who Fixed The Faucet?

Who fixed the faucet
That leaked on my floor
Who fixed the handle
That was broke on my door
Who moved my yard
While I was gone
Who fixed the lamp
To light up my home

When life has a door
That's hard to walk through
Who holds your hand
To help you get through

Who runs the race
That life always gives
With strength and endurance
And a purpose to live

I can just imagine
When Christ left exhausted
On Calvary's road
The man that I speak of humbly
Today

Would he know carry Christ's
Cross I help on that day

Christ has given love
Not to keep - but to share
Thank you for your love
You've spread everywhere

To Uncle Sam
An example for many
Love, your family and friends

A Grand Tour Davie Students And Teachers Visit England

When Nancy Miller walked into the Davie High conference room with "Bob the Builder" last week, she was immediately surrounded by excited and curious students.

How did she come back from England with one of the hottest toys on the market there?

Matt Johnson, one of the 12 graduating seniors who took the trip to England a couple of weeks ago, summed it up. "This is going to be bigger than Blues Clues."

Bob the Builder wasn't the only souvenir brought back by the students, three teachers and two Davie High graduates who took the nine-day literary and cultural tour of Great Britain.

They came back with t-shirts, teacups, towels, trinkets . . . even a couple of jousts.

But the obvious attraction when most of the group got together two days after their arrival back in Davie County was the photographs. And the memories evoked by those photographs.

They saw a dress rehearsal of the Royal Guard for the Queen's birthday celebration and a graduation at Oxford. They saw the play "12th Night" at the Shakespeare theater in Stratford. They saw the Tower of London, and the Tower Bridge. They toured the Roman Baths in Bath and Stonehenge, recently re-opened after the foot-and-mouth scare. They saw Trinity Church and Warwick Palace, Hampton Court and Canterbury. They saw the play "The King and I" by the London Theatre.

The group spent a lot of time in London, riding "the tube" (London's subway) to get from place to place.

"We saw a lot of couples snogging in the park," said one student. For those of you uninitiated in "snogging," they learned that it's public displays of affection or kissing with an attitude.

Terry Hoyle, a teacher who helped organize the trip, said they saw where Sir Walter Raleigh had been in prison. "And we saw where he was beheaded."

Students favorite parts varied

from the Tower of London for Sarah Jackson to the Crown Jewels for Tamie Potts.

Kaitlin Callahan is still waiting for King Richard to save her from the dragon at Warwick Castle. Teague Monger is still glad no one has any problems from wetting their feet in the untreated waters of the Roman Baths in Bath.

Hoyle said that the trip had been advertised in the school since last fall and was open to any student, a slight diversion from the Spain and France trips of the past.

The group watches a dress rehearsal for a parade for the Queen's birthday.

Making the England trip May 28-June 5 were, from left: front - Matt Johnson, Kaitlin Callahan, Sarah Jackson, Kelly Robertson; middle - Janet Robertson, Teague Monger, Lindsay Smith, Whitney Lutz, Kasey Robertson, Rebecca Potts, Terry Hoyle; back - Nancy Miller, Kristin Miller, Tamie Potts, Matt James, Andrew Ellis, Kate Pettorini.

Andrew Ellis gets a visit from "Fat Man" outside the torture tower and dungeons.

From bottom to top, that's Tamie Potts, Sarah Jackson, Kate Pettorini, Matt Johnson and Matt James at the Maze at Hampton Court.

Cubs From Pack 732 Celebrate Accomplishments, Graduate

On Sunday, June 3, Cub Scout Pack 732 from Bethlehem Methodist Church held an end of year picnic and graduation ceremony.

Almost 200 people gathered in Rich Park to celebrate all the boys accomplished this year.

With the help of Cubmaster David Sutter and Assistant Cubmaster Mark Roy, six boys, one from each rank in scouting, performed a short skit called "The Top of the Mountain" explaining the progression along the Cub Scout trail. The boys were: Tiger Cub Nathan Roy, Bobcat Scout Blake Boole, Wolf Scout Zachary Cranfill, Bear Scout Andrew Sutter, Webelos Scout Jacob Schluster, and Arrow of Light Scout Andrew Linhart.

Following the skit, 20 boys received their Arrow of Light Award, the highest award in Cub Scouting. The boys crossed the "bridge" from Cub Scouting to Boy Scouting and were greeted

by the Scoutmasters from Troops 732, 731, S75, and S07.

The younger scouts also "bridged" over to their new ranks in scouting.

Arrow of Light Scouts include, from left, Wylie Kuhn, Jason Cibelli, Ryan Carter, Brent Beam, Chris Heffner, Evan Fleming, Ryan Davis, William Miner and Webelos leader Aaron Beam.

Erin Grey Picked For Youth Leadership Forum On Medicine

Erin Grey of Mocksville has been accepted to attend the National Youth Leadership Forum on Medicine (NYLF/MED) in Houston-Galveston, Texas from July 24-Aug. 2.

NYLF/MED is a career development program for high school students who demonstrate academic excellence, leadership potential and an interest in medicine. Grey will join 350 other high school students from around the country.

Throughout the 10-day forum, NYLF/MED will introduce Grey to a variety of concepts in public health, medical ethics, research and general practice, including site visits to medical facilities and clinics. Students will be faced with problem-based learning, an educational method familiar to most students in medical school, where they are presented with a set of patient symptoms and must come to a diagnosis and prognosis for the symptoms.

"The forum provides an invaluable perspective for students who participate in our medical forum," said Donna Weldin, executive director. "The relationships we forge with health care facilities throughout the country provide these young people with an eye-opening experience, introducing them to the broad spectrum of medical careers."

In addition to site visits to cutting-edge medical schools and clinical facilities, Grey will hear from and have the opportunity to interact with leaders within the medical field. Students have up-close personal contact with physicians, surgeons, researchers, scientists and medical educators as they go behind the scenes to view these professionals at work.

NYLF is a nonprofit educational organization that brings various professions to life, empowering outstanding high school students with the confidence to make well-informed career choices.

In addition to forums on medicine, NYLF offers programs for students interested in law or national security. Since its inception in 1991, more than 50,000 young people have benefited from NYLF programming.

For additional information, visit www.nylf.org.

WE'VE TAKEN CARDIAC REHABILITATION TO A WHOLE NEW LEVEL.

Our cardiac rehabilitation program has a new home: a 4,100-square-foot facility on the second floor of the Kiser Medical Building, directly across the hall from Mid Carolina Cardiology.

We call it the Cardiac Rehab and Wellness Center. You'll call it the best thing to happen to your heart since you fell in love for the first time.

Because in addition to a vast array of aerobic exercise equipment, our new Center features an indoor track and expanded exercise times.

Plus, a registered nurse, exercise physiologist, dietitian and other cardiac specialists to make sure you have everything you need to get healthy and active again.

So if you've been diagnosed with a heart problem or are at risk for cardiovascular disease, ask your doctor for a referral to our cardiac rehab program.

It's the only nationally certified cardiac rehab program in the Salisbury area.

Which puts us on a whole new level, indeed. And it's a lot higher than the second floor.

Taxes Too High: Residents Plea For Help From County

By Mike Barnhardt
Davie County Enterprise Record

Davie County has a proposed budget that is \$3.1 million more than a year ago.

Recent property revaluations, even with a four-cent reduction in the tax rate, will still mean that taxpayers will pay 28 percent and higher on their bills next year.

But when county commissioners

held a public hearing on the proposed budget Monday night, just five people spoke - citing reasons why the tax rate should be lowered even further, or offering suggestions on how to save money.

Dr. Bill Steed, county school superintendent, said the six percent increase in local funding for the schools would allow the school board to "hold it's own ... and that's about it." He said that education is

the most important thing the county does.

"As we continue to grow, that means more facilities, more programs ... more expense," Steed said.

Harold Frank was a bit more frank with his comments. He said he didn't want to hurt anyone's feelings, but his feelings were hurt when he received the new tax value on his properties, which doubled in value.

"I think we've got too many

county employees," Frank said. "Everything has increased one hundred fold from what it used to be." Salaries for county employees are too high when compared to what local industries pay, he said.

The sheriff's department has too many employees, and too much money is budgeted to run the jail, Frank said. The out-of-county company that figured property values figured them too high.

"The schools are overrun with young'uns because of all the Mexicans ... and they don't pay taxes," Frank said.

"All I'm asking is that you give us old-timers who have been living here all our lives a break," Frank said.

Because of all the new rules and regulations, a homeowner has to get

Bermuda Run OKs \$1.63 Million Budget

By Beth Cassidy
Davie County Enterprise Record

Bermuda Run officials unanimously adopted their second ever budget, for the fiscal year 2001-2002, at their meeting last week.

The total budget of \$1.63 million, includes a fund balance of \$270,000 with a capital expense of \$270,000. The town will realize a property tax revenue increase of over \$59,000 due to recent property revaluations, but will also realize a decrease of

over \$69,000 due to what the census department shows as a decrease in the amount of residents.

Manager Beth Dirks said Bermuda Run's actual population is around 1,849, but the 2000 census puts the amount at 1,431. When Dirks contacted the census department, she realized there were some areas on the map they had missed in the count. She hopes once the mistake is corrected, the town will receive the revenue it is due.

Areas of the budget affected by

the incorrect count are intangible, inventory, food stamp, and sales tax.

Increases in the budget are in the areas of ground maintenance, road repairs, road engineering, water, sewer and rent.

The town's new ground maintenance contract is one reason for the increase, up to \$50,000 from \$36,000. Because the town has recently taken in roads, they have budgeted more for road repairs, and the engineer used to determine what repairs are needed will also cost the

town more.

Water and sewer budgets show an increase because of an increase in rates. While water rates have not gone up, Dirks said they still may, and sewer rates went up in November.

Last month, the council moved into a new office at Salem Center, off Yadkin Valley Road, and the amount they pay per year for rent increased from \$9,900 to \$24,500.

Teen Survey: 57 Percent Drink, A Fourth Smoke Pot

By Kim Justen
Davie County Enterprise Record

Fifty seven percent of Davie teenagers report that they have drunk alcohol, and nearly a quarter say they have smoked marijuana, according to a recently released survey.

In November 2000, all students from sixth grade through high school were given a youth health be-

havior survey to voluntarily complete. Recently, the school board met with the health department and the county commissioners to review the results.

The survey, which has been administered roughly every two years since 1991, was sponsored by the school system, the health department and the CAN-STOP (Community Action Now To Support Teen

Outreach Programs) program.

The survey data is used by the school system and the health department to identify risky behavior among students and plan health programs to meet the current needs. It covered topics ranging from drug use to self-worth assessments, sexual activity to abuse. Questions about sexual activity were asked of students beginning in the seventh

grade.

Overall, the survey results show that the 2000 students are not all that different from their earlier counterparts.

They have similar educational habits, with 90 percent of seventh and above, and 91 percent of sixth graders wanting to continue their education.

County commission chair Michael Allen said the "camaraderie in the interest of education" should include input from all areas of the county.

The commissioners appointed six members to the task force - Sissy Bingham, Judge Jimmy Myers, Jack Koonitz, Bob Rose, Mark Hancock and Dr. Roger Davis.

Those appointed by the school board were Blakley Betsy Cochran; Please See Task Force - Page 10

Schools, County Studying Facilities

By Mike Barnhardt
Davie County Enterprise Record

A school facility task force has been challenged with coming up with a plan for Davie County Schools - one that will meet the needs of students - and one the taxpayer's can afford.

Made up of residents from across the county, the task force will make nonbinding recommendations to the school board and county commissioners.

"It's an exciting thing, but it also produces challenges," said Janie Garnett, school board chair, at Monday night's county commission meeting. "We have a unique opportunity to work together to address the needs of school children in Davie County."

The task force includes parents, community leaders, school administrators and public officials. Garnett said the "fresh eyes" looking at the needs and studying available resources should be able to come up with a workable plan.

Tony Blakley will chair the task force, with school board member Marlene Shamel and county commissioner Ken White serving as co-chairs.

Odd Sight — Old Typewriter Wows The Kids

They gathered around my desk, fresh-scrubbed faces eager to learn about newspapers.

I gave my usual lecture — directing them through the pages. Birth announcements. Honor rolls. Weddings. Obituaries.

Some day it will be them. From the cradle to the grave, step-by-step, we tell their life's story.

There were a dozen of them — 10 to 12 years old or so — all students of Donna Jakob's summer writing camp.

Their eyes wandered about the room at the pictures of my boys.

One boy spotted an odd contraption behind me. "What's that?"

A typewriter.

They had never seen one. Didn't know how it worked. Didn't know anything about it.

The old manual Royal typewriter sits there mostly for sentimental reasons. It's similar to the typewriter issued to me when I went to work just out of college for the Salisbury Post.

A manual typewriter, a paste pot, and a roll of paper 100 feet long. Those were the tools of the trade in those days.

In those days? Now I am beginning to sound like a dinosaur.

For this gathering of kids, the manual typewriter was the equivalent of milking cows by hand. They have been born to the computer age. Their fingers will never struggle to pound the keys hard enough to make an impression on the paper.

I opened the typewriter, showed them the keys, showed them how they would jam if you bit two at the same time.

I'm not sure how much they heard or remembered about what I said. But they certainly liked the typewriter.

The boys and girls went back to their classroom and composed letters to me. Here are some of them:

"Thank you for showing us your typewriter. I like your newspaper. The things you told us were very neat."

Sincerely,
Shane Butcher

P.S. Maybe you could show me how you type a letter."

"Thank you for such a fun trip. I didn't know there was so many things to learn about newspapers."

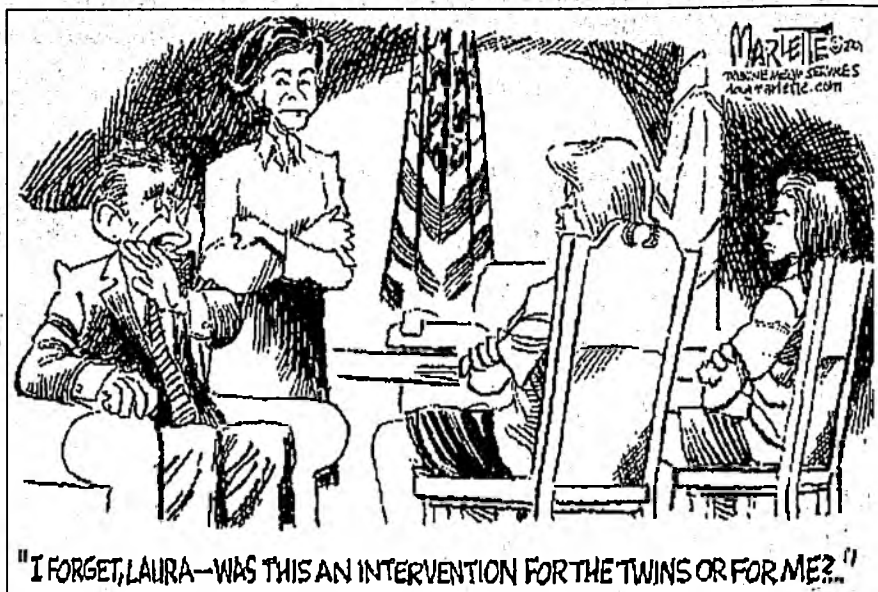

Thanks,
Brittany Shaver

Thank you for talking to us about being a writer and telling how to be a great one.

Sincerely,
Lucy Freiburger

Technology hasn't replaced all of life's essentials. Their letters were written with pencil and paper.

German Companies Shouldn't Build War Memorial

To the editor:

More than 400,000 American servicemen gave their lives in World War II to ensure America's freedom, and to secure freedom for countless other millions all over the world.

A \$56 million contract has been awarded to J.A. Jones Construction of Charlotte, and to its subsidiary, Tompkins Builders, for first-phase construction of the long-awaited World War II memorial in Washington, D.C. Both companies are wholly owned by a German firm, Philipp Holzmann. This firm, and many others in Germany, used slave labor under Hitler's rule.

As a veteran of World War II and Korea, I find this totally unacceptable. It is a slap in the face to anyone with any sense of right vs. wrong, just as was the millions in contracts to communist China to produce black berets for the U.S. Army. An outpouring of righteous indignation should be communicated to our leaders (?) in Washington to put a stop to this sort of nonsense. I firmly believe that when our elected representatives sit in those \$20,000 swivel chairs, their brains cease to function.

For the sake of 400,000 American dead, 27 million Russian dead, and 8 million Jewish dead, get real.

Cooleemee Trying To Preserve Bullhole Area

To the editor:

On Thursday, June 7, a public meeting was held at the Cooleemee VFW to provide an update on plans for the River Park Project. During this meeting, the project's master plan was reviewed and it was announced that through the combined efforts of the River Park Task Force and the Cooleemee Historical Association, the Town of Cooleemee purchased a 40-acre parcel of land on the Rowan County side of the South Yadkin River. This parcel includes the river bank property extending north from the old bridge located behind the mill, up to the dam and includes the area known as the "Bull Hole". This land was purchased as the first step of establishing a public park at the river.

We are also proud to recognize the many area residents who are supporting this project. Many of you have donated money and time. Some of you have notified police of trespassers and we thank you very much for your assistance as we attempt to keep the area free from litter, alcohol use and other inappropriate conduct.

Unfortunately, certain individuals in the community raised concerns about environmental, safety and liability issues that the town is responsible to address before opening the property to the public. Someone dumped trash, furniture, appliances and construction waste near the site rather than using proper area landfills. Four wheelers have deteriorated the roads, killed vegetation and created erosion. Issues that will also have to be addressed. After careful consideration by both town officials and the River Park Task Force, we have designated the area as off limits to all persons and vehicles. Signs have been erected posting it for no trespassing and our police are patrolling it regularly. Other property owners around the site have also posted their properties and have requested police assistance in keeping unauthorized persons off of their properties as well. Under current laws, persons should obtain written permission from the property owners before entering that property. Violators can be charged with trespassing, cited or arrested and are subject to having their vehicles impounded and removed from the property. Unfortunately, even after posting the property, false rumors have been generated and some residents are being lead to believe the area is open to the public for fishing, swimming and camping. At this time it is not.

It is our goal to protect and preserve this area for its natural beauty. We do not want this worthwhile project to experience any unnecessary problems before it can be completed. Government agencies from two counties, state and federal levels along with the other local non profit organizations are working steadily to see this project through and to insure it becomes one of the area's finest public parks. We respectfully ask for your patience as the River Park project continues to progress. We hope each of you will continue to support the park and we thank you very much for your understanding and cooperation in these matters.

The Cooleemee Town Board of Commissioners
Mayor Grady Spry, Commissioners

Legislative Report: Number Of Bills In Committee Sometimes Ridiculous

By Rep. Julia C. Howard
N.C. House of Representatives

Pressure has been building in the Appropriations Subcommittee this week as the end of the state's fiscal year rapidly approaches. Sometimes it has reached the point of ridiculous because of the number of bills being scheduled for a single committee meeting time. (For example, on Wednesday the Subcommittee on Education had 23 bills scheduled, and the Subcommittee on Natural & Economic Resources had 34. The normal number is four or five bills per meeting.) When a bill is allowed five minutes or less for debate or questions, you can believe that it is not examined thoroughly.

One of the bills on the House Floor this week received probably the most debate this year. That was Senate Bill 898, titled The Student Citizen Act of 2001. This bill provides for students in middle and high schools to receive instruction on participation in the democratic process and to give them hands-on experience. It also provides for character education, which includes courage, good judgment, integrity, kindness, perseverance, respect, responsibility, and self-discipline.

In addition to other instruction, local school boards are encouraged to include instruction on respect for school personnel, responsibility for school safety, service to others, and good citizenship. The bill allows that the Ten Commandments may be displayed on school grounds, and adopts a suitable dress code for students and school employees.

SB 898 generated a tremendous amount of debate on the Floor, with 14 amendments being offered. (Eight were adopted, five failed, and one was withdrawn.) Because the House changed a Senate bill, the bill must go back to the Senate for concurrence, and if the changes are not accepted, a conference committee will be appointed.

Here are some bills that may be of interest to you that have passed both chambers and are state law:

SB 71 Suspended Students Assigned to Alternative Programs. An act to establish a pilot program under which participating local school units place all students who are on short-term out-of-school suspension in alternative learning programs.

SB 259 Abolish Church Bond Dealer Restriction. An act to amend the Securities Dealer Registration Statutes to abolish the Church Bond Dealer Restriction.

SB 378 Education Degree Not Required/Local Superintendent. An act to permit an individual who has leadership, management, and administrative ability in a field other than education to serve as a local superintendent of schools. Effective July 1 and applies to superintendents elected after that date.

SB 716 Poll Worker Discharge. An act to give precinct election officials (chief judges, judges, and assistants) the same protection from discharge as jurors.

SB 825 State Health Plan Contract/Exempt APA. An act to exempt from the contested case provisions of the Administrative Procedure Act contract disputes between the Teachers and State Employees Comprehensive Major Medical Plan and entities under contract with the Plan; and to clarify that a state agency may seek

relief under the Declaratory Judgment Act.

SB852 Insurance for Public Works Projects. An Act to authorize the State to purchase owner-controlled or wrap-up insurance for Public Works Projects.

HB 803 Reorganize Savings Institution Division. An act to transfer the Savings Institutions Division to the State Banking Commission; to authorize additional deputy commissioners; to merge the Savings Institutions Commission with the State Banking Commission; to require the Commissioner to report to the General Assembly; and to make technical and conforming changes to the Statutes. Effective July 1.

HB 1053 Action On Construction Payment Bond. An act to shorten the time period in which a claimant may bring an action or a payment bond when the claimant has a direct contractual relationship with a subcontractor in connection with a construction contract but no contractual relationship with the contractor. Effective Oct. 1.

HB 1090 RIAA Membership. An act providing that the president of the N.C. Rural Economic Development Center shall serve as an ex officio member of the Rural Internet Access Authority.

HB 1149 School Policies on Harassment of Employees. An act authorizing local Boards of Education to adopt policies addressing the sexual harassment of school employees, and to clarify the law prohibiting retaliation against employees who report sexual harassment. Effective July 1.

HB 1160 Health Insurance/Uniform Provider Credential. An act to provide uniform provider credentialing by health insurance plans. Effective Oct. 1.

We were delighted to have Adam Sain as a page in Raleigh this week.

Please keep praying for all the legislators for wisdom in dealing with the budget decisions that need to be made. Thanks for all your input.

Camp At Rich Park A Success

To the editor:

Area scouts have recently finished a successful and fun week of Uwharrie Cub Scout Day Camp at Rich Park. Dens from Davidson County and a strong showing from Bethlehem United Methodist Pack 732 in Davie County were involved. Boys participated in BB target shooting, archery, swimming, golf, bike safety, rodeo, crafts, and nature hikes.

Each boy earned achievement belt loops when completed.

A sincere appreciation to Dave and Mary Suter, Rusty Strickland, Scott Cranfill and all the adults who take time off from their jobs to run this program. Without the Davie YMCA, local business donations, church support and dedicated adults and teenage scouts who volunteered their time and talents, scouting would not exist. A huge thank you for being positive role models as well as making lasting memories for these young scouts.

Relay Entertainment A Hit

To the editor:

I would like to express a sincere thank you to Weldon Sipe a South Davie Middle School, our entertainers, and Barry Rentz and Jennifer Slogick for helping make this year's Relay for Life's entertainment a success. The "Memory Video" Mr. Sipe spent many hours creating was a wonderful addition to the Luminary Ceremony. The crowd was touched as the faces of loved ones appeared one after another on the screen. The music Barry Rentz played to accompany it was perfect. The entertainers did a marvelous job of keeping spirits high throughout the evening and Kevin Brown was a hit with karaoke for all ages.

I would also like to extend my congratulations to the brave contestants of our first ever Dance-a-Thon. They all danced from 1 to 7:30 a.m. without one break. The winners were: Kim Cashwell, Hope Leonard, Matt Morris, Lynn Ray, Greg Simpson, and Shanna Taylor.

Thanks to all who participated to make the 2001 Fun in the Sun Relay for Life a success.

Truth About God's Word Not Found On Internet

To the editor:

We are writing in response to a letter to the editor that was published in the June 14 issue titled "Church Theory Just a Smoke Screen". First of all, we would like to point out that one does not need to go to the internet to find out the truth about God's word. We should read our Bibles (Authorized King James Version), compare scripture to scripture, and rightly divide the word of truth.

Revelations 3: 10 states "Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth." 1 Thessalonians 5:9 states "For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ." To learn more about the rapture and God's plan for this world and His church, read Matthew chapter 24 and 1 Thessalonians 4 and 5.

If you are born again (saved) the Holy Spirit dwells in you, comforting, guiding, and directing your life. 1 Corinthians 10: 13 states "There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it."

Salvation is a free gift from God. Ephesians 2:8 states "For by grace are ye saved through faith; and that not of yourselves: it is the gift of God." If you have trusted the Lord as your personal Savior there is nothing to be afraid of. He will take care of his children. Romans 3:23, Romans 10:9-10, 13.

Veterans Service Office In Davie County

One of the lesser-known offices in the Davie County government is the office of Veterans Service. This office is a part-time position authorized and funded by the Davie County Board of Commissioners.

The County Veterans Service Office is accredited by, and operates under the supervision of the NC Division of Veterans Affairs. The office functions as a point of contact; counselor; advisor and advocate for all veterans residing in Davie County.

The services provided by this one-person office are to assist the local veterans in their dealing with the Veterans Benefits Administration, The Veterans Health Administration, and the National Cemetery Service at both the Federal and State levels. Some of the services provided are: Compensation and Pension Programs; Veterans Health Care; Education and Training; Loans; Insurance and

Burial Benefits. While this list is not all-inclusive, it highlights the major functions of the office.

One of the programs generating much interest among all veterans today is the Veterans Health Care Program. This program is a congressionally funded, program that was first introduced in 1998. The program is designed for all veterans that served on "active" military duty and were discharged under other than dishonorable conditions. Active service means full-time service as a member of the Army, Navy, Air Force, Marines, Coast Guard, or as a commissioned officer of the Public Health Service, The Environmental Services Administration or the National Oceanic and Atmospheric Administration.

In order to participate in the program, the veteran must first enroll with the Veterans Health Administration. Once enrolled, the veteran will be assigned to one of seven categories ranging from category 1, which requires

that the veteran have service-connected disability rated at fifty percent (50%) or more, to category 7, which is for veterans that do not have a service-connected disability and agree to pay the co-payments. The Department of Veterans Affairs establishes the requirement for co-payments after careful consideration of all factors including the veteran's ability to pay.

One of the most frequently asked questions concerns the Outpatient Pharmacy Service. In general, this program requires that the veteran be enrolled in the Department of Veterans Affairs Health Administration Program. The only documents required for enrollment is a certified copy of the Veteran's Department of Defense Form 214 and a completed Department of Veterans Form 10-10EZ "Application for Health Benefits." Once enrolled and under treatment by one of the Veterans Affairs Health

Administration's Outpatient Clinics, Outpatient Pharmacy Services are provided. The pharmacy service is free to veterans with a service-connected disability of fifty percent (50%) or greater.

The Pharmacy Services is also free to veterans receiving medication for treatment of a service-connected condition, and is provided free to veterans whose income does not exceed the established maximum VA pension. Other veterans will be charged \$2 for each 30-day, or less, supply of medication.

This brief article is not intended to answer all of the veterans' questions concerning benefits. Answers are available at the Office located in Room 201 of the Davie County Office Building. The part-time office hours are Monday and Tuesday from 8 a.m. - 5 p.m. and Wednesdays from 8 a.m. until noon. The office telephone number is 751-2010.

If no deadly weapon had been used, the judge should at least find Smith guilty of assault because she had admitted her guilt to the officer, argued prosecutor Crystal Sain.

She said she would not call the victim to testify even though he was present in the courtroom, because he was impaired.

Judge Jack E. Klass found Smith guilty of simple affray, finding that she had been involved in a scuffle. He sentenced her to 30 days in jail suspended six months on the condition she spend one night in jail.

Assault With A Deadly Weapon Charge Is Reduced By Judge

The judge reduced the charge against a woman accused of assault with a deadly weapon after hearing the testimony of the investigating officer June 14 in Davie District Court.

Wanda Sue Smith admitted she had assaulted her boyfriend when questioned at her home June 3, Davie Sheriff's Deputy Darren Ireland testified.

She told him she was trying to get her car keys from him when they started to scuffle. She had wrestled around with him and picked up an unidentified item in the yard and attempted

to strike him with it, Ireland said.

He took photos of the injuries sustained by her boyfriend, who told him Smith had assaulted him, the deputy explained.

There is no evidence of assault with a deadly weapon, argued defense attorney Grady McClamrock. It was Smith who called the sheriff's department to retrieve her car keys for her.

Man Found Guilty Of Impersonating Officer

By Jeanne Galtner
Davie County Enterprise Record

A man received a suspended sentence for impersonating a law enforcement officer following testimony in Davie District Court June 14.

Barry Lynn Carroll had claimed to be Davie County Sheriff's Deputy Darren Ireland when he called her home late Feb. 19 asking to speak with his estranged wife, who was her stepdaughter, Carolyn Flanagan told Judge Jack E. Klass.

She said she didn't recognize his voice at first but did as his tone changed when he was getting off the phone. She is 100 percent sure it was Carroll's

voice she heard.

When she told her husband about the call and that it sounded like Carroll, he called the sheriff's office and discovered Ireland was not on duty that night.

Klass denied a motion by defense attorney Rob Ralsbeck to dismiss the charge following her testimony.

Carroll said officers had served him with a domestic violence protection order that evening but denied calling his wife that night or ever claiming to be a law enforcement officer.

Ralsbeck told the judge the Carrolls had agreed earlier to dismiss all criminal charges against each, but the witness had

'Davie Rockers' To Be Sold In Benefit For Arts Council

"Arts Will Be Rocking" is the theme of a rocking chair auction, one of many events at the Fourth Annual NC Furnishings Festival Aug. 3, 4, and 5 in High Point.

Arts councils from across the state have been invited to participate by taking unfinished wooden rockers and creating decorated theme chairs representing their county's heritage. The Davie Co. Arts Council has gladly accepted that invitation, said Sue Boggs, president.

Proceeds from the auction, minus the cost of the chairs, are to be donated to the Arts Council.

Two local artists, Phyllis Shapiro and Bonnie Williams, were selected by the Arts Council to work on this project. When completed, the chairs will be displayed in Mocksville in the Brock Performing Arts Center lobby until July 17.

The two chairs, one adult size

Dennis Palmer Retires From Jockey International

Dennis Palmer has retired from Jockey International after 39 years.

He began working for Jockey in 1962 at the age of 19 at the Cedarstown Georgia Distribution Center in the receiving department, unloading trucks. In 1964, Palmer's leadership ability enabled him to be promoted to supervisor. His wife Martha was a full-time homemaker and raised their sons Joe and Rusty.

The Palmers contributed to the Cedarstown DC. As the boys grew they helped mow the lawn and occasionally Martha filled in as clerical staff for those on leaves. When Cedarstown closed, Palmer was the only associate from there to transfer to the Jockey Distribution Center in Cooleemee 12 years ago.

When Palmer came to Cooleemee, the management staff consisted of four supervisors and the plant manager. Currently the Cooleemee Distribution Center has 17 supervisors, one plant manager and other members of the management support staff.

Terry Campbell Promoted By Betco

STATESVILLE - Terry Campbell, who has been with BETCO almost seven years, has been promoted to U.S. sales manager for all domestic products.

"I am always pleased to announce any staff promotion, but in Terry's case, I'm particularly proud because he has risen to his new position rather quickly," remarked Buddy Whitley, BETCO's board chairman.

"In the past several months he accepted the responsibility of sales & marketing director for our Statesville self-storage operation and when this new opportunity arose, he stepped right in with the energy and enthusiasm that typifies his work ethic."

Campbell will be responsible for sales in the Statesville and Bryan, Texas facilities.

The Lonesome River Band and its members have been awarded more than 10 IBMA awards - four last year. They will perform Saturday afternoon and night.

International Bluegrass Music Association 2000 Female Vocalist of the Year Rhonda Vincent will perform at the Denton In Advance festival at Thousand Trails on Saturday afternoon and night.

The Best Of Bluegrass Festival This Weekend At Thousand Trails

Some of the best pickers and biggest names in bluegrass music will be in Davie County this weekend for the annual Denton In Advance bluegrass festival.

Being held at Thousand Trails off U.S. 64 East near the Davidson County line for

the third year. Next year, according to promoter Milton Harkey, the event will be named the Davie County Bluegrass Festival.

"Festival goers can anticipate some exciting new changes at this year's event while still looking forward to

the same great bluegrass festival they've come to enjoy for the past 19 years," Harkey said.

There will be more camping sites, and another day has been added - Wednesday - when young performers such as The Cagle Family, Carolina Blue, The Carters, and TNT Explosion will take the stage beginning at 2 p.m. There will be a barbecue supper at 6.

Thursday is women's day, what Harkey called "one of the biggest hits in 1999." The music starts at 1 p.m. with Sally Jones and the Sidewinders, continuing with Ramona Church and Carolina Road, The Duntun Sisters, Dale Ann Bradley and Coon Creek, and Valerie Smith and Liberty Pike.

Friday the show starts at noon with Ramblers Choice, followed by James King Band, Lou Reid & Carolina, Mountain Heart, Laurel Canyon Ramblers and Tony Rice. On Saturday, also starting

at noon, the music will feature Rhonda Vincent and the Rage, Lonesome River Band, Blind Tyme Out, Harley Allen and Mike Lilly and Seldom Scene.

Sunday's focus is on bluegrass gospel, and will feature, starting at 10 a.m., Paul Williams and The Victory Trio, The Duntun Sisters and the James King Band.

Festival goers will get to take advantage of the Thousand Trails amenities, including swimming pool and outdoor Jacuzzi, camping (for a fee), miniature golf, trails, gameroom and other sites.

Although part of the seating area is covered, there are no permanent seats, so bring a lawn chair.

Adult tickets are \$105 for five days, \$90 for Thursday-Sunday, \$78 for Friday-Sunday and \$45 for Saturday and Sunday. Single day tickets are \$15 Wednesday, \$20 Thursday and Sunday and \$25 Friday and Saturday.

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR IMPROVEMENTS TO US 64 FROM BETHEL CHURCH ROAD TO U.S. 64 EAST OF MOCKSVILLE

Project 8.1611201 R-3111 Davie County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on Thursday, July 12, 2001 between the hours of 4:00PM and 7:00PM in the Commissioner Room on the 2nd floor of Davie County Administration Building, 123 S. Main Street, Mocksville, North Carolina.

The project proposes to improve the existing US 64 and US 601 corridors in the area of the Town of Mocksville in Davie County. The primary issues of concern are congestion, traffic flow, safety and truck traffic.

NCDOT representatives will be available to present information, answer questions and receive comments relative to the proposed project. This will be an open house meeting, and interested individuals may attend at their convenience during the above stated hours. No formal session will be held.

Any person interested in the identification and preservation of historic properties located in the vicinity of the proposed project is invited to communicate with NCDOT either by attending this meeting or by contacting the Project Manager identified below.

Anyone desiring additional information regarding the project may contact the Project Manager, Mr. Michael Penney, North Carolina Department of Transportation, 1548 Mall Service Center, Raleigh, NC 27699-1548, phone (919) 733-7844 ext. 260, e-mail mpenney@dot.state.nc.us.

NCDOT will provide auxiliary aids and services for disabled persons who wish to participate in this workshop to comply with the American Disabilities Act. To receive special services, please contact Mr. Penney at the above address or phone number or fax (919) 733-8794 to give adequate notice prior to the date of the workshop.

Guitar virtuoso Tony Rice will headline Friday's show.

15 Attend Bermuda Run's Second Budget Public Hearing

Continued From Page 1
Because of that increase and the addition of new office equipment, the total operating expenses went from \$59,000 in the last budget to \$84,200 in the new one.

The town will receive \$24,000 when they assess residents who did not pay for sewer hookups when they initially connected to the system. There are four residents who will be affected by the assessment, and they will be contacted by mail and given payment options, said Dirks.

Task Force To Study School Facility Needs

Garnett, Jim Eaton, Carol Livengood and Paula Varona. Principals from the nine schools will be on the task force, as will one student, Kellen Miller, a Davie High senior. Parents, one selected from each school district, include Shannon Pulliam, Pam Randall, Ron Bivins, Phyllis Studevent, Jane Simpson, Dr. Jerry Hauser, Darnell Faulkner, Clyde Scott Sr. and Sonja Bumgarner.

Other appointees include Don Bowles from the Davie Chamber of Commerce, Bob Griffin from Bermuda Run, Scotty Vogler from Cooleemee, and Vernon Thompson from Mocksville.

education beyond high school. A total of 98 percent of sixth grade students reported doing at least one hour on homework per week; 91 percent of seventh and above.

When looking at self-worth, 87 percent of Davie County students reported liking themselves. Having said that, the number of seventh-12th grade students who reported an actual suicide attempt in the past year, rose to eight percent (111 students), up from the previous high of five percent in 1991. Only three percent of sixth graders (7 students) made the same claim.

The number of students discussing sex with their parents has remained constant at 39 percent and 47 percent respectively, and more students say it is against their values to have sex as a teenager.

For those that are sexually active, the number of students using contraception has increased. Also, the six percent rate of pregnancy among 10-12th graders was found to be lower than the national average of 10.8 percent.

More students are wearing seatbelts, and fewer are smoking, although the number of older students using chewing tobacco has risen.

The number of students drinking is up from 1996, with 57 percent of 7th-12th graders and seven percent of 6th graders reporting drinking alcohol. A quarter of students in seventh grade or above reported smoking marijuana, with the largest segment beginning at age 13.

"I hesitate to use this term, but they kind of slipped through the cracks when the old sanitary district was dissolved and the town took over," she said. "They just were not billed. But they know about this; one of them even called us and asked when they should pay." All four have been connected for several years.

Dirks said many of the numbers on the budget are much more accurate than last year's numbers.

"Last year, we just didn't know in some areas, such as franchise tax, how much we would get. But we know now, so that number has gone up. We have more bullpup figures to go by than we did in the first budget," she said.

At the beginning of the June 12 meeting, Dirks gave a slide presentation to showcase all that had been accomplished in the gated town during the past year.

but there were few residents on hand to view it. In a room at Bermuda Run that would have easily held over 100 people, only about 15 of the town's over 1,800 residents showed up to hear the highlights of the new budget.

According to Dirks, among the achievements for the past fiscal year were installation of the barcode system, annexation of 107 acres at Kinderton and at the intersection of N.C. 801 and Yadkin Valley Road, beautification of the town, and safety measures that include the addition of reflective street signs and street lights and the identification and repair of a sewer line that was close to breaking. The town also sought and was granted permission to put in left and right hand turn lanes at the U.S. 158 entrance. Other key accomplishments, said Dirks, were receiving the deeds for the roads, beginning to repair those roads, and structural and aesthetic improvements of the post office.

Following the presentation, residents were allowed to comment on the budget. Ralph Cornwell commended the council. Mayor John Ferguson and Dirks for all they had accomplished and asked if they had any estimates on how much curb and guttering would cost the town. Dirks replied that although they have talked about that topic at length, because curb and guttering is more an aesthetic, rather than safety, issue, the town felt it was in the best interest of all if they spent money on improving the roads first.

previous list of changes at the post office, including the addition of new flags, and said, "The flags at the post office are great, except for the dinky little American flag. You better change that tonight or tomorrow, because you are in violation of the code for the display of the American flag." Council member Chuck Whitman said they would correct the violation.

Resident Joe San Filippo asked the council why, when Kinderton was annexed and one of the arguments for annexation was that the town "would be getting \$50,000 a year revenue from liquor," on the new budget the amount of revenue is only \$4,000. Mayor Ferguson replied, "We do not have a liquor store and no restaurants as of yet. What you're seeing here is the revenue only from the club; that's our only source. We would like to have the \$50,000, but you have to have an ABC store, and then you may not realize that amount until you can get your profits up."

Ferguson said the amount of \$50,000 was based on a town about the size of Bermuda Run, but that town does have an ABC store.

Following adoption of the budget, the council unanimously agreed to hire APAC to repair the town's three worst roads - Holly, Azalea and Boxwood, and other roads as needed. APAC's bid, of \$29,000, was the lowest of three, but Dirks cautioned the board not to employ them based on their price, because some of the roads could end up being worse than originally thought. In their final motion, the board set a "not to exceed" \$50,000 amount for the project. If the repairs total less than \$50,000, said Dirks, the remaining amount will be used to repair another road.

The town's next regular meeting will be July 10 at 7 p.m. at the town hall in Salem Center.

Another resident, Wally Davis, commented on Dirks'

amount until you can get your profits up."

Eighteen Year Old Arrested For Felony First Degree Sex Offense

A Mocksville teen was arrested last Tuesday for felony first degree sexual offense.

Keith Alan Barbee, 18, of 126 Gladstone Road, Mocksville was arrested around 6:40 p.m. on June 12 and remains in the Davie County Jail under a \$7500 secured bond.

According to Davie County Sheriff's Department Detective J.S. Parker a report was received from a relative of the three year old victim.

According to the relative the child told them about some things that led them to believe Barbee may have committed an

offense against the child. After a follow-up and talk with Barbee, detectives set up a polygraph. According to Parker, Barbee admitted to the offenses.

Barbee has no prior criminal record. His first court appearance is scheduled for June 28.

Teen Charged With Rape

COOLEEMEE - A Woodleaf teen has been arrested for first degree rape of a child.

Janika Lashawn Gadsen, 16, of Erwin Temple Church Road, was also charged with felony breaking and entering and contributing to the delinquency of a child, said Police Chief Tim Wooten. He was taken into custody in lieu of a \$30,000 bond.

"This resulted after an investigation by a parent who reported that this suspect allegedly broke into a vacant house and got her daughter, who is only 12 years old, to go with him and they had sex," Wooten said.

Gadsen and some of his friends are suspects in other crimes in the Cooleemee area Wooten said.

Davie Health Department Surveyed

The Davie County Health Department's Home Health Agency recently underwent an accreditation survey by the Accreditation Commission for Health Care, Inc. (ACHC) and a certification survey by the N.C. Department of Health and Human Service's Division of Facility Services (DFS).

Auditors from ACHC and DFS examined the home health agency's provision of nursing, infusion nursing, in-home aide services, physical therapy, occupational therapy, speech therapy, clinical respiratory and medical social services.

The Home Health Program was found to be in compliance with all Medicare and Medicaid guidelines; "no deficiencies" were noted by the DFS auditor. The results of the surveys were continued accreditation by ACHC and re-certification by DFS. The board of health commends the home health agency staff for the proficiency indicated in these audits.

Appalachian St. Awards Degrees

The following students from Davie County received degrees from Appalachian State University during graduation ceremonies held May 12 and 13.

Eric Ray Bracken - Bachelor of Science Computer Science; Sara Elizabeth Campbell - Master of Arts Communication Disorders; Andrew Bowden Hale - Bachelor of Arts Psychology; Tami Louise Ramsey - Bachelor of Science Physical Education (K-12); and Jason Dale Robertson - Bachelor of Science Criminal Justice Criminal Justice.

Legion Team Soaring At Perfect Time

By Brian Pitts
Davie County Enterprise Record

No wonder Mike Lovelace's grin stretched from ear to ear as he turned toward the final week of the regular season. Twice Mocksville has been left for dead, and twice it has bounced back like a champ.

A veteran team is supposed to withstand the ups and downs that define American Legion baseball. But for this young-blood team to pull off two five-game winning streaks is downright shocking.

Virtually no one could have predicted records of 12-7 overall and 7-5 in the Southern Division and a shot at upper-echelon status after losing all those studs from last year's electrifying team (24-10, 15-5).

"Nine wins is what I picked for the entire season," Lovelace, the third-year coach, said Monday. "People may have

overlooked us, but now from what I've heard around the league, they feel we're the second-best team in the league.

"We've had different guys at different times step up. They seem to get better every night, and we may be peaking right at the right time."

Andrew Daywalt, the only regular who played a starting role last year, also fretted about Mocksville's chances of reaching this point. The offense was a disaster as Mocksville started 0-3 in the division, and a three-game rut left it 3-5 in the league on June 8.

"At the beginning I didn't know how well we would do," the shortstop said. "I thought after losing all the people we did that it would be kind of a rough rebuilding year, but now we've broken out and everything is kind of falling into place for the playoffs."

First-year assistant coach Keith Walker, however, never reached for the panic button. He shrugged off the diffi-

cult times because of two factors: 15 newcomers and considerable pitching depth.

"They had never played together," he said. "I knew a bunch of them already from having coached them in AAU ball, and the more they've played together the better they've gotten. They pull for each other and there's more team unity, and that's key."

"The other reason I knew we'd be alright is because we have good pitching. I'll tell you what, without pitching you can't win. You can have the best offense in the world, but if you don't have anybody that can stand on that mound and get people out, you can forget it."

Mocksville's earned-run average is 3.78, 31 points ahead of the 1989 state runner-up squad. Seven pitchers have at least one win, including 2-0 Ryan Weavil, who at 0.90 is rolling toward the all-time ERA crown (based on one

inning pitched per game). Only two Mocksville hurlers have achieved sub-two ERAs, Jon David Crider (1.10) in 1994 and Chad Triplette (1.93) in '88.

"Weavil's ERA is unheard-of in American Legion, and he threw four innings at Glenn," Lovelace said of the reliever.

Travis Allen is also 2-0. Cody Crots and Daywalt are 2-1, closer Lonnie Barnes has three saves and Erik Walker is coming off one of the more memorable complete games in Post 174 history, a 10-inning, 16-strikeout gem in Sunday's 5-4 win over Concord. Walker handcuffed UNC Charlotte signee Brian York (0-for-4) and fanned six straight during one stretch.

"Erik was just unbelievable," Lovelace said. "He came off a five-inning outing against Mooresville where we got drilled 12-1, and then comes right back. It just shows you he's grown up a lot."

Lovelace Walker

Another weapon who is soaring to record heights is third baseman Casey Stanley, who socked homers in consecutive at-bats, a grand slam to end Saturday's 14-3 seven-inning stomping of Stanly County and Sunday's first-inning shot against Concord. At .455 he's all but assured of becoming the 10th .400 hitter ever and he's on track to displace Shane Waggoner's club

Mocksville Walks Over Stanly Co.

By Mike London
Special to the Enterprise

Mocksville literally walked all over Stanly Saturday night in an easy 14-3 American Legion win.

Stanly hurlers walked or hit a dozen Mocksville batters, keeping a Mocksville merry-go-round rolling on the bases all night.

Mocksville scored one in the first; three in the second; two in the third; four in the sixth; and four in the seventh.

It was 10-3 by the time Casey Stanley launched an icing-on-the-cake grand slam in the top of the seventh. That blast short-circuited the one-sided game after seven innings via the 10-run mercy rule.

It was the fourth straight win for Mocksville. That hot streak arrived on the heels of a three-game losing skid, which in turn, followed a five-game winning streak.

"We are streaky," said coach Mike Lovelace. "I'm not sure if that's good or bad."

Saturday it was good. Very good. Cody Crots threw six strong innings for Mocksville, allowing five hits and one earned run. Ryan Weavil finished up and was his usual dominating self, striking out the side in the seventh.

Charlie Ross went 3-for-4, scored two runs and drove in one, while Andrew Daywalt went 1-for-2 for Mocksville. Mostly, though, this one was decided by all those freebies Stanly handed out. It wasn't supposed to be like that, as Stanly pitched ace Jonathan Nichols. He was gone by the third.

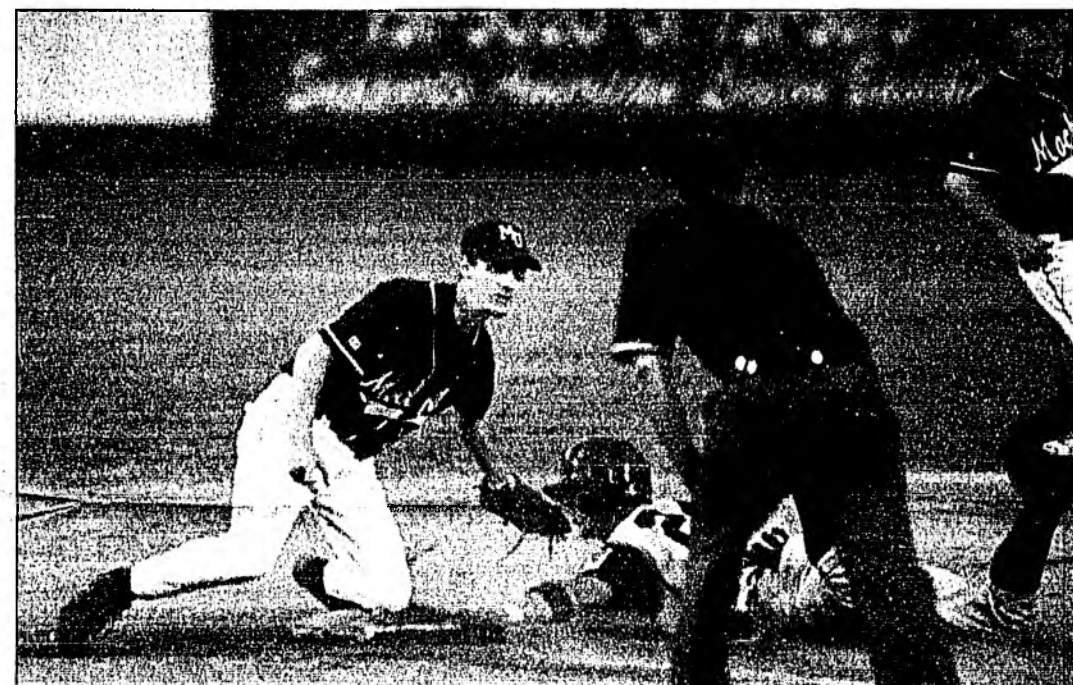

Both teams are 6-5 in the league and are tied for fourth with three games to play.

Mocksville Takes Dramatic 5-4 Win

By Mike London
Special to the Enterprise

Erik Walker started it, David Poplin finished it.

Mocksville-Davie took a dramatic 5-4, 10-inning American Legion baseball victory over Concord on Sunday, winning for the fifth straight time.

This one took five days worth of work. Sunday's action was the continuation of a contest suspended by Wednesday's storm with the scored tied at 0-0 and Mocksville preparing to bat in the fourth inning.

Walker, who pitched those four shut-out innings Wednesday, was right back on the hill. He finished with a 16-strikeout gem, scattering nine hits. At one dominating point, he fanned six straight.

"Erik's velocity was back," said Mocksville coach Mike Lovelace.

Walker was especially effective against Concord slugger Brian York, who has terrorized Area III this summer. York went 0-for-4 with one strikeout against Walker.

"Erik just tied York up all night," said Lovelace.

Casey Stanley homered seconds after play resumed, giving the .456 hitter homers in two consecutive at-bats. His seventh-inning homer on Saturday concluded a 14-3 mercy-rule win over Stanly County.

But Concord, involved in its fourth consecutive thriller, rallied for a 3-1 lead with three runs in the fifth.

Mocksville tied it with two in the eighth.

Things looked bleak when Concord scored in the top of the 10th on a two-out passed ball for a 4-3 lead.

But Stanley was plunked in the helmet by a Josh Benton curveball to open the last of the 10th. Benton, who went the distance for Concord, then jumped ahead of big Poplin with two quick strikes. But he hung a curve on the next pitch and Poplin launched it into the trees beyond the left-field fence for Mocksville's second straight walk-off win.

Smith Might Be Done After Two Big Years At WSSU

Dana Smith, a former standout for Davie High, has enjoyed two fantastic years for Winston-Salem State University's softball team.

That's the bright side of the equation. The dark side is she may hang it up with two years of eligibility left.

The Rams, who won the CIAA championship in the spring of 2000, have won 60 of 67 games in two years, and the lefty from Advance has been a huge part of that success.

Smith, a two-year starter in left field, was among the Rams' top hitters as a freshman and achieved the 24th-highest CIAA batting average as a sophomore. In 127 at-bats, she produced 56 hits for a blistering .441 mark.

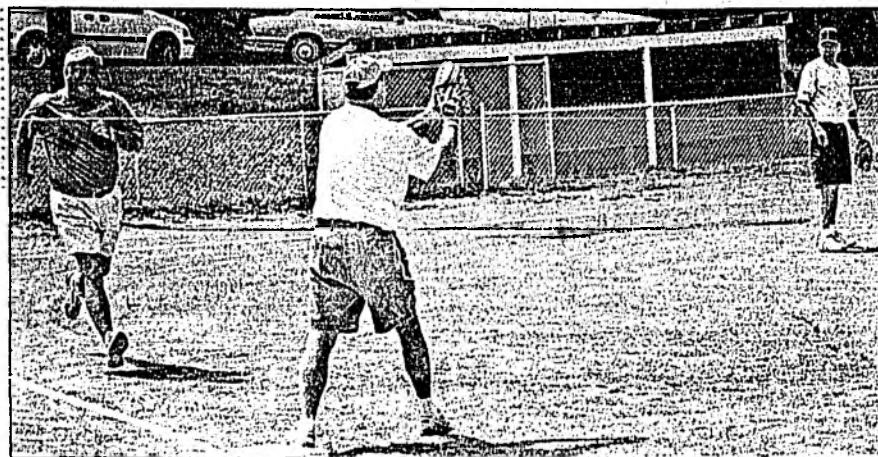

Despite all that success, the coaching situation has doused Smith's enthusiasm. Mike Winbush was fired after the 2000 season by Anne Little, who recently resigned as athletic director.

"I like Winbush because he reminds me of (the

late) Darrell Steele (who coached at Davie before a sudden death in December 1999)," said Smith, who hit .382 and helped Davie capture the Central Piedmont Conference Tournament and finish 17-7 as a senior. "Winbush was exactly like him. (Steele) would yell at you if you did something wrong, but he wouldn't hurt your feelings about it. Winbush had discipline. He'd let you know if you did something wrong, but he wouldn't call you out in front of everybody."

Winbush, who was also an assistant football coach for the Rams, recently won an appeal for his firing. Now it's up to the state board to accept or reject the judge's decision.

"If Winbush is rejected, Smith said, 'I think I'm through. If we get our old coach back, I might play again. There's a possibility but it's hard to tell. Winbush did something and got in trouble, so they wouldn't let him coach the softball team. Right now he's just doing intramurals.'"

Coolleemee Old Timers

There were lots of grunts and groans, high fives and laughs as Coolleemee held its second old-timers softball game on Saturday for players age 50 and older who had ever played for a Coolleemee team. Above, Ronnie Shoat hustles to first base while Ricky Whitley holds onto the ball for the out. Pitcher Bob Jordan watches the play.

Top Rated 'Nail Studio' Opens in Clemmons

Carolyn Cutrell began her own manicurist business seven years ago because she believes in the confidence that comes from looking your best.

"If your nails are not polished, then you are not dressed," she said. This Clemmons native has owned and operated a successful salon in Georgia since 1994 and established "The Nail Studio" in Clemmons in May 2001. She holds a manicurist's license both in Georgia and North Carolina. After obtaining her North Carolina salon license, Ms. Cutrell received a Grade A inspection rating from the State Board. Ms. Cutrell is proud of this top rating because she highly values good hygiene in her work.

"In my business, the customers always come first," she said. Pleased that North Carolina has high sanitation standards, Ms. Cutrell says that all files, buffers and brushes are soaked for ten minutes in hospital disinfectant before they are used.

"You cannot be too safe," she said of the strong disinfectant she uses. "Blood on a file can remain active for up to six weeks, but the disinfectants I use will kill hepatitis or other diseases."

With hot weather in full swing, sleeveless blouses and sandals are a fashion statement that demands beautiful hands and feet. The Nail Studio offers a wide range of manicure and pedicure services. Full sets of acrylics are available for both hands and feet. Customers love the dressy look created, and the nail polish on acrylic toenails can last up to four to five weeks.

"You can dress to a T, but if your nails are not done, something is missing," said Ms. Cutrell.

Overlays for existing nails are also a popular service, as well as fill-ins for acrylics. Pamper yourself with the hot paraffin hand and foot dip, which strips away dead cells while invigorating new ones.

Relax with a lotioned massage reaching from forearms to the hands, or a foot massage that kneads tired muscles and extends up to the knee.

The talented stylists at The Nail Studio can glue rhinestones on nails or paint small symbols, such as a shamrock. Ms. Cutrell has read extensively on all aspects of manicures and pedicures, and welcomes questions about nail care and styling. She is also a Mary Kay Independent Beauty Consultant.

Above all, she values pleasing her customers.

"Whatever they want, they get," she said.

Ms. Teri Horn of Clemmons is one of The Nail Studio's regular customers. She comes in every two to three weeks for acrylic updates on her nails.

"I am very pleased with Carolyn's manicures. I get several compliments on my nails," said this satisfied customer. "She is a wonderful person as well."

Celebrate summer with a relaxing visit to The Nail Studio, and look your best no matter what you wear. Call (336) 766-5513 for an appointment today. The shop is located off Kinnaman Road at 4400 Bridge Path in Clemmons.

Fast Rebuilding Job Puts Mocksville In Surprising Position

Continued From Page B1
record (.449 in '90). Steve Le-Faivre (.423 in '98, .400 in '99), Triplette (.423 in '90), Mike Wilcox (.420 in '82), Ansel Fowler (.419 in '88), Michael McDaniel (.415 in '89), Barry Whitlock (.409 in '82) and Charlie Wands (.405 in '96) are the others.

"Stanley and Daywalt play as hard as anybody on this team," Walker said. "Stanley has natural ability that you can not teach. He makes adjustments during games, and that's been the key to his success."

"He plays a great third base. Casey thinks shortstop is natural to him, and that's understandable since that's all he's played in his life. But to do what he can do at third without as much practice, that's unbelievable."

Lovelace said Stanley has the heart and courage that all great leaders need. Combine those elements with skills, and you've got a bona fide star.

"He leaves everything on the field," Lovelace said. "He's one of the hardest working guys that I've seen in a long time. He doesn't think he's doing what he needs to be doing at the plate. He's chasing .500. His goal is to be the leading hitter in this area that's in the Salisbury Post, between Rowan County, South Rowan, Kannapolis and Mocksville."

The offense rode the shoulders of Stanley and Daywalt, who turned a 3-2 game with King into a rout with a three-run homer, until guys like Charlie Ross and Brad Bullard erupted. Ross, who was wobbling at .218 through nine games, used a 19-for-38 binge to soar to .351.

"The things happening now that didn't happen early is we're getting some two-out hits," Walker said. "Ross' two-strike, two-out hitting over the last six, seven games has been unbelievable."

"And Ross has made two or three great diving catches in the outfield," Lovelace added. Bullard has displayed amazing resolve, recovering from a 1-for-18 funk with a 10-for-26 (.384) charge over the last 10 games. He missed a grand slam against King by a whisker, he leads the team in walks and he's one of five speedsters with five or more stolen bases.

"Knowing that he was a great leadoff hitter for West Forsyth, you knew he had the tools to get it done," Lovelace said. "It was just a matter of time before he started getting it done. He has found a way to get on."

Although the stat sheet falls to confirm their value, platooning catchers Jeffrey Jones and Justin Paschal have done an admirable job.

"We've had great, great work out of our catchers," Walker said. "Jeffrey has come through with (a fifth-best .277 average) and has done a great job behind the plate. And Paschal has thrown out like nine out of 10. When they get on, they don't try to run on us anymore."

"York tried to steal third the first time in the first inning and Jones got him. And then he tried to steal second the other night, and Paschal threw him out by five feet."

Dave Poplin, who has been an efficient .262 hitter at cleanup, delivered the most unforgettable moment, a two-run, walk-off homer in the bottom of the 10th of Sunday's 5-4 win over Concord.

Poplin erased a 4-0 deficit and sparked a 14-7 run-away. "They see this 235-pound man coming up in the four hole, and he's going to see nothing but breaking balls," Lovelace said of the brutish first baseman, who smacked an 0-2 curveball in the mouth. "He's made adjustments to be able to hit the breaking ball, and that's him becoming a more mature hitter. He's just done some great things."

Notes: Mocksville, which visited first-place Rowan on Monday, closes the regular season Thursday against visiting Kannapolis. ... Mocksville could finish third, fourth or fifth in the regular-season standings. Third or fourth would create home-field advantage for the first round of the playoffs, which start Saturday. ... The playoffs are 4-of-7 series with alternating sites. ... Only Jones will exhaust his eligibility for next year. ... Lovelace is 45-38 overall, 30-20 in the division. ... Mocksville has almost assured its 15th winning season in 20 years.

Curfew Cuts Dragway Action Short

The midnight curfew cut short the racing action in the \$30,000 Quality Oil/Doug Herbert race series 'Saturday night at Farmington Dragway.'

Left in competition for the \$4,000 TOP Eliminator pay check was Tommy Platt of Winston-Salem, David Spough of Advance, Chase Hedrick of Mocksville, Howie Adams of Pfafftown, Mark "Pork" Jones of East Bend, David Foster of Winston-Salem, Bobby Williams of

Lynchburg, Va., Stuart Smith of Lenoir, Dan Whisman of Casar, Doug Walker of Okeechobee, Gall Whisman of Concord, Wayne Bates of Reidsville, and Billy Baker from Asheboro.

There were 14 spectators. "Foot Brake" racers remaining to run for the \$2,000 pay day. They included: Jimmy Hull of Mt. Airy, Donald Thomas and son Casey from Mt. Airy, Chris Platt of Winston-Salem, Darrel Kiger of Yadkinville, Bobby Moser Jr.

of Advance, Gary Creed of Mt. Airy, Tim Rothrock of Elkin, Jackie Harrison of Yadkinville, Tim Evans of Advance, Craig Hawke of Summerfield, Terry Anderson of Advance, Alan Farmer of Walnut Cove, and Bobby Jones of Mt. Airy.

Victor, a racer from Richardson of Asheboro, was left to "Miss Brett Keesee of Lynchburg for the Classic Gear Jammer's division title.

Chadron Manuel of Winston-Salem, drove his "Fastech, Jr." to his first Street Machines Junior Dragster win of the year. The 12-year old Manuel defeated current division points leader Kevin "Bubba" Paschal of Pleasant Garden.

Second generation drag racer

Michael Williams of Kernersville, scored his second All Street division win of the season for the 10 second and slower entries. Williams' win added to his current points lead as he defeated 19 year old Brea Hicks of Mt. Airy.

This coming Saturday night, June 23, will not be a Quality Oil/Doug Herbert points race, however there will be racing in TOP Eliminator, Sportsman, All Street, Pure Stock and Junior Dragster classes. The next week, June 30, points series action returns along with the four second, 180 MPH Quick 8 PRO MODS. Gates open at 10 a.m. Time Runs start at 2 p.m. and final eliminations start at 6 p.m.

Davie ARC Camp Full Of Fun And Activities

By Jackie Seubolt
Davie County Enterprise Record

Friday, June 7 was the final day of week long activities of the ARC camp being held at Carolina Bible Campground in Mocksville.

The campground was buzzing with excitement. A grill was fired up and the aroma of grilled hotdogs and hamburgers filled the air. Campers socialized and played sports or danced.

The camp is part of the Association of Retarded Citizens summer program. It began on Monday, June 4 and offered participants from Davie County a variety of activities to choose from.

On Monday and Tuesday the adult campers arrived. Then on Wednesday and Thursday the school ages campers had their days.

But the grand finale was held on Friday. Gospel singer Erin Carter presented a concert for the campers and afterwards treated them to an autograph session.

The retreat center building was the site of most of the excitement occurring that day.

Inside a game of bingo was taking place. The hearth in front of the giant fireplace was scattered with prizes for the winners to choose from.

A table full of colorful arts and crafts that the campers made was on display. Some of the proud artists eagerly showed their works.

Music played and many of the campers enjoyed the tunes, some even enjoyed a dance or two.

According to Davie ARC volunteer Rose Ray, this is sometimes the only vacation these handicapped individuals get.

The five day camp provides meals, snacks, and transportation at no cost to participants.

After the events inside the retreat center campers made their way to one of the outside shelters.

Here they were entertained by a puppet show presented by the Sunshine Puppet Team from Redland Pentacostal Church. The players did a skit about going to camp. As part of the show campers were asked to be part of the group participation in a song. And there was no trouble finding those who were willing.

After their meal the campers had plans to take a dip at the campground pool to cool off.

When one camper was asked what was the most fun about ARC camp there wasn't a moments hesitation as they happily replied, "Everything."

Camper Mike VanNostran and counselor Colleen Kapetzky strike a happy pose.

Fathers Day was observed at the Methodist church Sunday morning. Following the children's service they presented every father in the congregation with bookmarkers. Gifts were given to the youngest father, Shawyn Beauchamp, 25, and gift to the oldest father, Ed Vogler, 80. The Sallie Sue Peebles Sunday School class gave the gifts and they were presented by our class teacher Richard Roberts.

A lovely cut flower arrangement was on the altar Sunday in memory of Randy Hackett, given

by Susan Hackett Pifer, Paul Pifer and Kristen Carpenter. Ruth Collette of Winston-Salem was among the visitors at the Methodist church Sunday.

Nell Poole is home from Forsyth Hospital where she has been for the past two weeks for observation and treatment. Best wishes go out to Nell, also to her husband Albert Poole.

Matthew Mills entered Forsyth Medical Center on Wednesday for extensive surgery on his mouth (palate) and will be there several days. Matthew is the son of Robbie and Darlene Robertson Mills. Get well wishes and prayers go out to him.

Grace Potts spent 17 days in Forsyth Medical Center where she had treatments and finally open heart surgery. First the angioplasty (balloon) procedure was done without success. Later stents were inserted, then a pig valve was put in plus repair to another valve. She is home now and recuperating satisfactorily.

Sons Charles Potts and family of Atlanta, Ga. are with her and Ray Potts and family of Lewisville are also helping, as well as daughter and son-in-law Janet and Charles Spann. We are wishing for Grace a speedy recovery after this most difficult time.

The Methodist church is searching for a nursery worker (paid) to keep the children during Sunday School and worship. Call 998-7750 or 998-4352.

son Matthew flew to the Caribbean Island St. Maarten for a weeks vacation last week. They have reported a very relaxing and fun trip.

We are encouraged that the sales of our Davie County Heritage Books are picking up. They are available at Cooleemee Historical Association and at 336-492-5234 and 336-998-4356.

Edith Zimmerman visited Annalee Myers late Saturday afternoon. The Methodist church is searching for a nursery worker (paid) to keep the children during Sunday School and worship. Call 998-7750 or 998-4352.

100 Top Hospitals for Orthopaedic Care

Forsyth Medical Center

Among thousands of hospitals in the U.S. providing orthopaedic care, only Forsyth Medical Center was identified in the Triad Region as one of the 100 best performing hospitals for orthopaedic services.

The 100 Top Orthopaedic hospitals have better patient outcomes than their peers do, which helps patients return to normal life routines after treatments and surgery.

From education and prevention to surgery and rehabilitation, we're here to perform our best for you.

Since Forsyth Medical Center is the only program in the region to be among the 100 best performing hospitals for orthopaedic services, why trust your care to anyone else?

David and Debbie Bennett Steele Jr.

Couple Celebrates 25th Wedding Anniversary

David and Debbie Bennett Steele Jr. of Mocksville celebrated their 25th wedding anniversary on Sunday, June 10 from 3-5 p.m. with a reception in the fellowship room at Jerusalem Fire Department in Coolemece.

Hosts were their two daughters and sons-in-law, Candice and Ryan Burton of Mocksville, Melissa Bjorn Kiser of Kittery, Maine, and Bobbie Hendrix and Betty Bennett of Advance.

The serving table was centered with a three-tiered cake, decorated in yellow and blue roses and carnations. Guests were served cake, nuts, mints, barbecued meatballs, pickles, fresh fruits, homemade chicken salad and pimiento cheese sandwiches and lime punch. Assisting in serving were Candice and Ryan Burton of Mocksville, Bobbie Hendrix, Megan Carter and Betty Bennett, all of Advance. Gail Bennett Jr. made a basket out of the watermelon to put fruit in, and also made photographs.

Maternal parents are Walter and Betty Bennett of Advance. Paternal parents are Betty Dameron, David and Helen Steele Sr. of Mocksville. Paternal grandparents are Sam and Lois Boger of Mocksville.

Out-of-town guests were Debbie's great uncles and aunts, Mr. and Mrs. Arther Brothers of Cary, Nannie Thacker of Yadkinville; her brother and sister-in-law, Mr. and Mrs. Walter R. Bennett Jr. of Wilson, and the Steele's youngest grandson, Rylan "Rye" Daniel Burton.

Their youngest daughter, Melissa, and son-in-law Bjorn Kiser and Dallas "Prez" Kiser and William "Curly" Robert Kiser were not able to attend because they live in Kittery, Maine, due to the fact that Bjorn is in the Navy. All three grandsons

Focus On God Sunday

On Sunday, June 24 at the 11 a.m. worship service, Concord United Methodist Church will host Focus on God (FOG).

FOG is a drama group of five young men—Josh Baisley, Matt Hudson, Taylor Kinder, Luke Koonz and Patrick Little—from the Fellowship of Christian Athletes at Davie High School. Their desire is to encourage believers to keep their focus on God.

The members of FOG will share their own skills and will share their faith through song, dance, and drama. Come and join the members of Concord United Methodist Church located on Cherry Hill road as these young men witness to their faith through their God-given talents.

Five Generations

On the weekend of June 9, Mildred V. "Granny" Oliver of Bluefield, W.Va. celebrated her 83rd birthday at the home of her grandson, Charles F. Cardwell of Mocksville. While visiting, she had a birthday celebration dinner at Pier 601 in Mocksville where she was surrounded by five generations of family members. At her grandson's home, photos were taken. Present with Ms. Oliver, seated, were: her daughter, Gail A. Cardwell of Bluefield; grandson, Charles F. Cardwell of Mocksville; great-granddaughter and spouse, Charles E. Cardwell and Crystal Myers Cardwell of Salisbury; great-granddaughter, Jennifer C. Hamm of Bluefield; Nicole Hamm, spouse of great-grandson Michael R. Hamm II of Bluefield; great-great-grandson, Alexander Cole Cardwell; her great-great-granddaughters, Sarah Elizabeth Leigh Church, Allean Ann Marie Church, and Lisa Kaylonne Hamm; and her grandson's spouse, Joyce A. Cardwell (photographer).

Woman's Dedication Remembers Husband

By Jackie Senbolt
Davie County Enterprise Record

The recent Memorial Day holiday also marked a very special dedication in Cooleemee. New horseshoe pits at the Cooleemee Rec. Center were dedicated in memory of a former resident, Troy Brittain. Brittain died five years ago and his wife, Judy, had the pits built in his honor.

Despite the rainy weather that day, several residents were in attendance for the dedication.

Judy recalled attending a Cooleemee Town Meeting back in 1998 when she suggested that they needed some horseshoe pits. Although it took her three years to get them done, she did it.

J&K Services, Ken Snow, and Jerry Melton are responsible for building the pits.

It costs Judy approximately

\$7,500 to have the five pits constructed and she then donated them to the town. A plaque under a tree beside the pits bears Troy's name and his love of horseshoes.

Judy hopes to start a horseshoe league in Cooleemee. The team will meet on Tuesdays at 6:30 p.m. if all goes as planned.

Judy is a member of the HSPA, National Horseshoe Pitcher's Association and has pitched horseshoes in places like Greenville and Canada.

She believes horseshoes is a family sport and hopes that others in the area will take an interest. She recalled a world tournament where over 1500 participants pitched until midnight.

As Judy knelt under the large tree that shades the dedication plaque she smiled as she read. A fitting honor for a man Judy says "loved horseshoes."

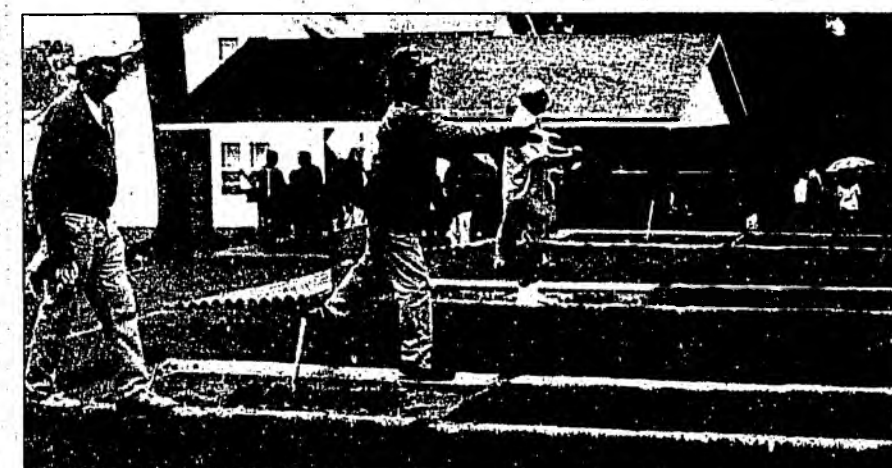

Despite the rain that day, avid horseshoe pitchers tossed. Judy Brittain reads the dedication plaque honoring her husband, Troy, and his love of the game of horseshoes.

Mayor Grady Spry led those in attendance in prayers before the dedication.

L to R: John Patzsch, Judy Brittain, Jerry Brittain, and Todd Brittain get ready to toss.

Judy hopes to rekindle an interest in the sport of horseshoes with the new pits at Cooleemee.

Jerry Brittain takes aim before pitching, while John Patzsch looks on.

Davie Senior Citizen Of The Year

Helping Hands And A Caring Heart

By Jackie Seabolt
Davie County Enterprise Record

Seventy-nine year old Marie Miller is this year's Senior Citizen of the Year for Davie County. A well deserved honor for someone who has been a full time volunteer since her own retirement.

"Don't worry about your age..."

— Marie Miller

Being one of a family of 10 children she was always helping others in her neighborhood. She recalled a neighbor once telling her she should be a nurse. Apparently that advice stuck with Miller and she went on to become a registered nurse and one of the first nurse practitioners in Davie, working at the Farmington Medical Center.

After her retirement as an R.N., Miller said she literally had to have something to do. So she began her work as a full-time volunteer.

And Miller's calendar is definitely full. "There are not many days that I don't go to do something, if it's only visiting a neighbor and taking them some food."

Miller has a scrapbook full of pictures and clippings of her past volunteer work. And she's been honored in the past as outstanding citizen of the year in 1970 for volunteer services.

Miller's list of volunteer contributions is a mile long. She is the county council president of the Davie Co. Extension and Community Association, president of the Pino gardening club, a volunteer with the Senior Center, a member of the Davie Adult Care Homes Community Advisory Committee, a member of the council on aging and the Davie County aging planning committee, treasurer of the Farmington Medical Center, and a member of the Davie County master gardeners.

She also won first place as the health and nutrition leader in the Davie County Extension for district, state, and national. "That was quite an honor," said Miller. But all those honors are for a woman who has been strongly supported by her family. Miller's husband, Gene, has always been a good support person for her. And in spite of her busy schedule she raised three sons and is now a grandmother of four.

So what is Miller's goal at this point in her life? "To keep on, keeping on," she said, "I enjoy every day."

A self-proclaimed health nut, Miller believes in eating right, sleeping right, exercising, not smoking, not drinking, and not

Lewis Bradshaw of Autumn Care is one of the many Miller visits regularly.

sitting in a chair all day.

She loves gardening and sewing. "I love to sew, but I hardly have time for it anymore."

Miller spends a majority of her days involved in visiting area nursing homes. "I'm interested in

the nursing homes, I'm interested in improving them, and I'm interested in the good care the people need when they get there."

So it's easy to see why Marie Miller has been named Davie's Senior Citizen of the year. Her

caring attitude and willingness to help are overwhelming. "People are so nice when you volunteer. I think people do appreciate it."

And she has some words of wisdom to share. "Don't worry about your age. It doesn't make

a lot of difference how old you are after you're 65. You're not going to get any more money. You're not going to get any more coffee. You're not going to get anything else. You've got it," she smiles.

Children Honor Father With Book

Jessie G. Hendricks was honored by his children on Sun., June 17, 2001, at Pier 601, Mocksville. He was presented with "My Daddy, My Hero," a book which includes letters written by his children in his honor. The book was compiled by a daughter.

Fifteen were present for the celebration on Sunday.

Following are excerpts from the letters:

My memories of Daddy include me singing, "I Want My Daddy to Hold Me Tight" (a popular song at the time) and not being able to wait until he got home in the afternoons so I could ride around on his shoulders as he did his chores. Then I got too big so I would follow as fast as I could behind him, trying to walk in his footsteps, leaping as far as I could, turning my toes just a little outward to mimic his slight duck walk.

I remember Dad working hard everyday from before sunup till past sundown: from getting in stove wood, lighting the fire, cutting the wood, milking the cows, plowing, raking hay, feeding the cows, building houses, building canners, leaving at 6:30 every morning to get to work on time (except for the days when it was snowing he would need to leave early to pick up neighboring ladies who were insecure about driving in the bad weather).

I was in awe that he worked so hard but still played basketball with us every afternoon on the old dirt court and goal hung from the oak tree. He would play 30 of us and still beat us. I enjoyed the basketball stories and his stories of Cool Springs School. I actually saw him shoot from center court and sink a basket, dressed in street clothes with 4

Buster Hendricks

children hanging on his side. I thought he was amazing.

Sunday afternoon brought...a game of baseball in whatever friend we could find. When the neighborhood children weren't around Dad would casually hit pop-ups for us to marvel at and try to catch but they always went too far. He could stand in our front yard and land a baseball almost to his mother's front yard. Yes, I thought he was amazing.

I remember when he coached a basketball team with Drexel Heritage. I was too little to say his name but his friends called him Buster. So I ran around at about 3 years old calling him "Butter." I thought I was so cute and of course hoped everyone else would. Naturally, Dad thought I was cute and I loved him.

I remember the many times he came for me when I called. I remember when I was in nursing school and thought I had to get home on Friday even though it had started to snow. I drove less than a mile from the nursing

school dorm and became afraid to drive, so stopped at the Family Dollar and called him at work to come for me. I waited in the store for an hour and a half for Dad to come in the heavy snow all the way from Mocksville, having to leave work to do that. I could have just parked that yellow Vega and walked back to the dorm for the night because by the next morning I could have driven home because the snow had melted before noon. But I didn't and Daddy came.

I remember in 1990 when Dad was in the hospital with pancreatitis. Dad had never really been sick. But he was sick and very sick. I knew he would die. I cried and I prayed. I made promises to God. He lived and I hoped I had fulfilled the promise to be sure he knew that I loved him. I remember wondering why Daddy cried so much while he was in the hospital. I thought he might have had a stroke. Finally, when I got the courage to ask, his answer was, "I just didn't know everyone loved me so much." I knew then I had kept the promise. I remember being touched by his sensitivity; I had no idea he was that way. I suppose it had been difficult to be the rock and also let a sensitive side show. Today, I can relate.

I remember the first time I asked Dad's permission to do something (instead of Mom's)...It was the night before I needed an answer and Dad had already gone to bed. I stood in the hallway with the light off so he could barely see me and quietly said, "Daddy, can I ask you something?" "Do you think I might could go?" The silence seemed forever and he spoke in exactly these words with what sounded like a tear in his eye and a cracking voice: "You know now you are 18 years old and you really didn't have to ask but I appreciate you doing it. I think it would be okay. You can tell your Mama I said it would be okay. I trust you to make the right decisions." From that moment on I felt something different about my Daddy. Suddenly, he became my father and today I can relate.

I remember Dad's diligence, perseverance and stability. He was like a rock to me. I couldn't understand what gave him the strength to carry on. Now I know he is a man of faith and trust in the Lord.

Dear Daddy, ...As I begin to put together my thoughts...I reflected on certain qualities that I have most admired, like your physical strength. I guess it's true what they say about "daddy" being a little girl's hero. When I was ten we moved into our new house. It was pouring down rain, and we moved things from one house to the other in the rain. You had spent years building that house for us, and we could hardly wait to finally get into it. Later a school teacher gave me an assignment to write my favorite true story, and I wrote about that day. You were definitely the "hero" of my story, as I told about your carrying the dining room table over your head from the old house to the new. It was a good ways through the field, and as a little girl, I marveled at your ability to perform such a feat.

[Daddy] I like to tell another story that took place in that intensive care hospital setting after your head injury. (Last year) Wanting to determine your level of orientation, I asked you to state my name. When I did not get the desired response, I restated my question, "Daddy, do you know who I am?" The words you spoke, although seemingly not the appropriate ones, were clear and distinct: "I am, Giver and Sustainer of Life." It would be another two weeks before you were able to call your family by name...During that time, Daddy, I held onto those words I had heard you speak...that moment when you could speak no other name, you spoke His Name, and that was a great comfort to me.

Dad could be described in so many ways, in so many words. When I think of my Dad, my Father, I think he was just always there keeping it all together. And today, I can relate.

I most want my Dad, Daddy, and my Father to remember my promise to God and never forget that "I love him more than words can express."

Area Youth Do Well In Beef Roundup Contest

When the 2001 NC Junior Beef Round-Up came to a close, Davie County participants had a lot of reasons to be proud.

Davie and Yadkin county youth joined forces to compete in educational events related to the beef industry. The combination proved to be a winning one. Having enough members to organize two teams, this group of hard working youth, came away with numerous awards, said Phil Rucker, Cooperative Extension agent.

On Saturday afternoon these youth combined to compete in the Skillathon Contest - a combination of judging skills, identification skills (cuts of meat, cattle breeds, feedstuffs and cattle equipment) and overall beef knowledge (includes a written test). The Davie/Yadkin Jr.

Teams placed first, third and fifth overall with Zack Yokley placing first in the individual competition. Heather Hoover placed fifth, Wade Gough placed eighth and Heath Hoover, in his first competition, made a strong showing.

The Round-Up is an annual event that brings youth together, from all over the state, for fellowship, education and friendly competition. The event was held May 19-20 at the Dixie Classic Fairgrounds, in Winston-Salem.

"Look for these youth to be participating in other livestock shows, judging contests and livestock events in the future," Rucker said. "The hard work these youth put into their projects is paying off. Congratulations to all the local participants."

Jeff Foster Accepts Job As Agent For Veterans Affairs

Jeff Foster, a former deputy with the Davie County Sheriff's Department, recently completed the 10-week criminal investigator training program at the Federal Law Enforcement Training Center near Brunswick, Ga.

Some of the class materials covered included vehicle operation, firearms, federal court procedures, case investigation, and search warrant application. He will begin his new career as a special agent with the Department of Veterans Affairs, Office of the Inspector General. He will work out of the Denver, Colo., field office.

His wife, Lisa, has accepted a position as security specialist, working out of the Department of Veterans Affairs Headquarters Office.

Foster is the son of "Bow" and Mary Lou Foster of Mocksville. His wife is the daughter of Sharon Mills of Pine River, Minn.

Pet Food Shortage At Davie Humane Society

The recent loss of J.P. Milling Company in Mocksville due to a devastating fire, and the decision by PetSmart in Winston-Salem to stop food donations has put the Humane Society of Davie County in a desperate situation.

The food supply to feed foster animals is dwindling and donations are desperately needed. According to Davie Humane Society President Jamie Smith, "Over 90% of our food was supplied through donations."

The cost of feeding a pet can be an expensive one, especially if the animal is a large breed or there are several animals being fostered in the same home.

If you are interested in making a donation to help with this situation you can write the Humane Society at P.O. Box 153, Mocksville, N.C., 27028, or call 751-5214.

WE'VE TAKEN CARDIAC REHABILITATION TO A WHOLE NEW LEVEL.

Our cardiac rehabilitation program has a new home: a 4,100-square-foot facility on the second floor of the Kiser Medical Building, directly across the hall from Mid Carolina Cardiology.

We call it the Cardiac Rehab and Wellness Center. You'll call it the best thing to happen to your heart since you fell in love for the first time.

Because in addition to a vast array of aerobic exercise equipment, our new Center features an indoor track and expanded exercise times.

July 4th In Davie

Tractors, Lawnmowers Music And Fireworks On Tap For Holiday

By Mike Barnhardt
Davie County Enterprise Record

Get ready to show your patriotism as Davie County celebrates the Fourth of July with activities from morning to night.

From antique tractors to decorated lawnmowers, from old-timey games to watermelon, from bluegrass to Top 40 music, there will be plenty to do as area residents celebrate their nation's independence.

The activities get under way on Tuesday night, July 3, when the Piedmont Antique Power Association sponsors a tractor show at the Masonic Picnic Grounds, off North Main Street in downtown Mocksville. Live music will be performed that night, and concessions will be sold.

At 9 a.m. on July 4th, the antique tractor parade will be held. Starting at the picnic grounds, the route will go on Railroad Street to Depot Street, up Depot to the square, and down North Main Street back to the picnic grounds.

All day, the tractors will be displayed at the picnic grounds, along with hit-and-miss engines, a tractor rodeo and a kiddie tractor pull at 11 a.m.

At 10 a.m. in Cooleemee, the annual lawnmower parade will be held. Everyone is invited to enter, the only requirement being that the entry can cut grass. And, of course, decorate it in red, white and blue.

After the parade, free watermelon will be served in the town park, and the town pool will be open for \$2 per person.

That night, the activities switch to Mocksville's Rich Park, where old-timey games start at 6:30, followed by a concert by Tin Pan Alley, playing beach and Top 40 music, at 7:30. Bring your blanket or lawn chair and a picnic, or enjoy refreshments to be sold on site. Parking at Rich Park is available at \$5 per vehicle.

Fireworks will light up Mocksville's sky beginning at approximately 9:30.

The tractor display and parade is expected to draw as many as 100 participants. Last year's inaugural event had 60 tractors. It's open to anyone who has a tractor that is 30 years old or older, said Benny Dyson of Harmony, president of the Piedmont Antique Power Association.

"We're going to try to do this every year,"

Mocksville Approves Budget

By Mike Barnhardt
Davie County Enterprise Record

Mocksville residents get a bargain when it comes to services provided with their tax money.

Town board members approved a \$4.6 million 2001-2002 budget Monday morning, nearly \$300,000 less than last year.

Town residents, despite the 4 cent reduction in the property tax rate, will likely pay more on their tax bills next year because of higher property valuations, said Town Manager Terry Bralley.

Bralley presented the board with charts comparing Mocksville's tax rate with other North Carolina cities. He pointed out that:

- 73 percent of city residents pay more local taxes than Mocksville residents, and a large percentage of those are not "full service" cities with police, water and sewer and recreation departments.

- Mocksville's tax rate has dropped 18 cents in the last 14 years because of economic growth;

No new jobs are included in the budget, and employees will receive a 3 percent pay increase.

Water and sewer rates will be increased by 5 percent beginning Nov. 1, with the minimum bimonthly bill going from \$24.20 to \$26.

"It is important due to the weakened economy and the uncertainty of the state budget shortfalls that Mocksville maintain a strong economic tax base," Bralley said. "Managing the local economy in a responsible manner should continue to be our goal. The creation of new jobs and tax base developed to higher standards has been a winning combination for our community."

The budget includes state reimbursements, which were withheld last fiscal year when the state faced a financial crisis. The state has not yet adopted its budget, but those reimbursements appear to be in it, Bralley said.

Newspaper To Publish Early

The Davie County Enterprise Record will be printed on Tuesday, July 2, and will be distributed in newsracks that day. Local mail subscribers should receive their newspaper on Thursday, July 5.

Any advertisement or news item for that week's issue should be in the newspaper office no later than noon on Friday.

Cooleemee Serious About Stopping Trespassers

By Mike Barnhardt
Davie County Enterprise Record

COOLEEMEE - Believe it. Police here are serious with their claim to keep the Bullhole, RiverPark and private property along the South Yadkin River free of trespassers.

Last week, more than two people were taken into custody and an all-terrain vehicle was confiscated.

"We have been given instructions to keep people off the property," said Police Chief Tim Wooten. "The town board and the RiverPark task force doesn't want four wheelers down there."

While making routine patrols recently, officers heard ATVs in the area and caught one man and woman. The four wheelers they were riding was confiscated, and when the

serial number was sent through a state computer, it turned out that it had been stolen in 1998 in Rockingham County. Local officers think the theft was part of a ring that operated in several counties.

The suspects caught on the four wheelers are cooperating, and an arrest is possible, Wooten said.

Officers caught another man and his children at the Bullhole area. He

had a concealed handgun, and is cooperating by telling information about other trespassers in the area.

On yet another day, Breck Bullock, owner of South Yadkin power, reported that when he investigated shots being fired in the area, people fired a shotgun blast in his direction from atop the dam.

Wooten said police are close to finding the suspects, and think that

at least two of them live in a mobile home park off Erwin Temple Church Road in Rowan County.

"We are going to step up our enforcement actions down there just as much as we have with other hot spots in town," Wooten said. "Trespassers will be subjected to criminal charges and having their vehicles impounded and removed from the property."

The Declaration of Independence

July 4, 1776

When in the Course of Human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal Station, the Laws of Nature requires that they should declare the causes which impel them to the Separation.

We hold these Truths to be self-evident that all men are created equal, that they are endowed by the Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness — that to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such principles, and organizing its Powers in such Form, as to these shall seem most likely to effect their safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly all Experience has shewn, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long train of Abuses and Usurpations, pursuing, invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their right, it is their Duty to throw off such Government and to provide new guards for their future Security. Such has been the patient Sufferance of these Colonies and such is now the Necessity which constrains them to alter their former Systems of Government.

The History of the present King of Great-Britain is a History of repeated Injuries and Usurpations, all having direct Object, the Establishment of an absolute Tyranny over these States. To prove this, let facts be submitted to a candid World ...

In every state of these Oppressions we have Petitioned for Redress in the most humble Terms: our repeated Petitions have been answered only by repeated Injury. A Prince, whose Character is thus marked by every act which may define a tyrant, is unfit to be the Ruler of a free People ...

We, therefore, the Representatives of the UNITED STATES OF AMERICA, in General Congress, Assembled, appealing to the Supreme Judge of the World for the Rectitude of our Intentions, do, in the Name, and by Authority of the good People of these Colonies, Solemnly Publish and Declare, That these Colonies are, and of Right ought to be, Free and Independent States; that they are absolved from all Allegiance to the British Crown, and that all political Connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and things which Independent States may of right do. And for the support of this Declaration, with a firm Reliance on the Protection, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

In The Mail ... Pastor Enjoyed His Stay In 'L.A.'

To the editor:

Since I may not have been able to say thank you to each one personally, please indulge me this space in the Enterprise. To all those, it has been my joy and pleasure to live and work among since September 1989 in "L.A." (Lower Advance), may I say a heartfelt "thanks for the memories."

First and foremost, I say thank you to Advance First Baptist Church for allowing me to serve as your pastor almost 12 years. You permitted me to share your joys and sorrows. You were there for my family when my parents died during my time with you. My love and prayers will remain with you.

Next, I say thank you to the Advance Fire Department. I remember the first time I got to fulfill a 6 year old's wish. In the first grade my teacher asked me what I wanted to be when I grew up. I told her I wanted to be a fireman. Not for 37 years did I realize this dream, but it happened when I got to ride 1209 to a brush fire with Ronnie Robertson. He gave me the hose reel line and supplied me with water. Then I found out what hard and dirty work a firefighter has to do. It looks and sounds exciting seeing the flashing lights and hearing the siren, but cleaning up after a fire, the smoky odor clinging to the clothing, the soot and ashes smeared on the hoses and protective clothing that has to be cleaned before its necessary to be used again is an arduous task. Thanks to all the men and women who get out of bed to give time and energy to train for the time when their neighbor may be in need. Some memories would best be forgotten. Standing by the scene of a terrible accident, knowing a family will be grief stricken when they receive the news that someone they love has been killed strikes deeply at the emotions of these volunteers. For all you do volunteer firefighters, once again thanks. To the "official" unofficial Advance Christmas parade committee, thanks for all the work you have done.

Memories Made At Old Timers Game

To the editor:

On Saturday, June 16, I had a unique experience. I was invited to play in the second annual Coolcemees Old Timers game. Although I'm not quite 50, Grimes Parker said I was close enough. Not only did I get to play ball beside people that I played with years ago, the same feelings were there. We exchanged stories, hand shakes and many fond memories.

Then it happened. I got to pitch to a man who played ball with Babe Ruth. Yes, Roy "Skin" Alexander stood in the box and I got to pitch to him. My only regret was that my father's health would not allow me to play beside him once again.

My deepest thanks to Grimes Parker and the many people who gave me a memory that I will have with me always. It's people like Grimes who make me proud to be from Coolcemees.

tee, thanks for all the work you have done.

To Enterprise editor, Dwight Sparks, thanks for being a good sport. I confess that the idea for your unusual limousine that year you were Advance Christmas parade's grand marshal was mine.

Thanks to WTQR's Aunt Eloise for the challenge to have an Advance Christmas Parade.

A special thanks to all those churches who came together each year for a community revival. What a happy and great time we have had. May I continue in great spirit and joy.

To all those whose paths crossed with mine, thanks for the banter and "preacher jokes." I now have a wealth of them.

As I take my leave to serve another congregation in Surry County, please accept my love and thanks for the memories.

Case Contained Sentimental Items

To the editor:

On Tuesday, June 19, I lost a cigarette case that contained jewelry belonging to my daughter, who is 4 months pregnant. She had to have brain surgery, and gave me the jewelry when she went into surgery. She still has one more surgery to go.

The jewelry has a sentimental value that can't be replaced. It had her wedding rings, a tennis bracelet (missing a stone), another ring and a diamond pendant her father gave her (he's deceased).

I lost this in the Wal-Mart parking area. I realize that whoever found it would not know who it belongs to. There was no identification in the cigarette case. This would mean so much to my daughter if it could be returned.

A reward is offered.

Government Shouldn't Dictate How Parents Raise Their Kids

To the editor:

According to WXII, the N.C. Senate is getting ready to vote on a law to require children to wear helmets when riding bicycles. When I called State Sen. Stan Bingham's office to protest, Judy Chrisco, his secretary, said I was one of the only ones to ever call his office asking him to vote against the law. Everyone I know is against this type of invasive law, so we have got to stand up and be heard.

Bicycle helmets are probably a good idea. However, having any branch of our government mandate to parents how to raise their children is a bad idea.

Call Stan Bingham, your state senator (919 733 5665) and tell him, or Judy, that you are opposed to any law that tells parents how to raise their children; including this one.

If any parent wants to put a helmet on his kid, he is free to do it. And, that parent should be free to beat his kid's butt if the kid takes it off without the parent's permission.

At first, they are going to fine the parent \$10. Who is this "they" that is going to give you this ticket? Who do you pay the fine to? Who gets the money? You can't hold court for \$10. Will court costs be involved? If a crime has been committed, there has to be a day in court. When does the attorney get involved? What court system will handle these cases? When an activity becomes "illegal," everything changes.

When the \$10 fine does not fix the problem, and it will not, I predict that next they will put the ticket on the parent's drivers license record with points. Next, Social Services will be taking kids from parents that let their kids ride with no helmet. Next they will want to raise the minimum riding age to 18. Next they will want to outlaw bicycles entirely because they have done all this and kids' and adults continue to get hurt and killed on bicycles. Don't believe it?

Less than 40 years ago, seatbelts became an option in automo-

biles; this was a great idea. A little more than 10 years ago, we got our first seat belt law; this was a bad idea. Now, after a series of more and more repressive seatbelt laws, the Supreme Court of the USA now says that the police can arrest you, handcuff you, and take you to jail for not wearing a seat belt; this is a horrible idea. Thomas Jefferson and his friends that dared suggest freedom for Americans must be rolling over in their graves. Friends, the liberal do-gooders of America will not leave well enough alone, they will press for more and more repressive laws until everything in life that they perceive to have danger is eliminated.

Just say no to all laws telling parents how to raise their kids. Children don't come with instruction books. They should not come with a bunch of laws attached either.

Don't forget to call your Senator, Stan Bingham.

There's Nothing Wrong With Putting God's Word On The Internet

To the editor:

The following article is not intended to degrade anyone for what they believe. It is not written as an act of aggression toward anyone who has been outspoken of my June 11 article to the editor of the paper titled Church Theory Just A Smoke Screen. The only reason I am responding to the June 2 article that was written to the editor titled God's Word Not Found On The Internet is to set the truth that a lot of my critics are not aware of.

Everyone knows the Word of God is found in the Bible, and the Bible must be an authorized King James Version. I have never felt that anything should replace the true word of God. But what is wrong with putting God's word on the Internet? Had I written something that was candy coated backed by traditional doctrines of man then I would have received praise for having done so. But since what I wrote was the truth, backed by God's holy word, then not only was the truth attacked by unlearned people but the method in which the truth was delivered was also attacked.

Friend, it doesn't matter if you go out into the forest and find the Word carved into a tree. It is still the Word. It doesn't matter if you go to the barbershop and get your head shaved with a Bible verse left on top of it. It is still God's Word. The only reason the method in which I delivered the truth was attacked was because the truth was rejected. There was a time when the word of God was written on stones. Who rejected the Ten Commandments? It wasn't the real

Stick To Good Dialogue

To the editor:

Not All Hobson St. Residents Bad

To the editor:

My friend was arrested the other day. The officer that arrested her said if she lived on Hobson Street, she was on drugs or sold drugs. This is not true.

Just because some do it doesn't mean we all do it. I don't think we all should be tackled with that, so I hope that all the county officers should be a little concerned. Not all the people there take or sell drugs.

Please think about this and reconsider before you call everyone on Hobson a drug addict.

Rotary Club Helps Organization

To the editor:

Davie Domestic Violence Services and Rape Crisis Center thank the Rotary Club of Mocksville for the exceptionally generous gift of \$6,300 to be used for direct services for the victims of domestic crime in Davie County.

These funds are the result of the 8th Annual Rotary Golf Tournament at Hickory Hill on May 15. DDVS/RCC was chosen as the recipient of the funds collected for this tournament.

Mr. Scott Ganti presented the check to Martha McQueen, director of DDVS/RCC at the May 29 meeting of the Rotary Club.

Direct services for victims will include, but are not limited to, start-up housing needs such as light, water, and rent deposits, legal representation in civil court, food, automobile fuel, and transportation.

The board of directors, staff, and volunteers of Davie Domestic Violence Services and Rape Crisis Center thank the Rotarians for their concern for the victims of domestic violence and sexual assault and for this wonderful gift that will give victims a chance to begin a life free of abuse.

Bible Theory Has False Information

To the editor:

Concerning the gentleman's Bible Theory letter; and I may have misinterpreted some of what he wrote, but I want to set all records straight for anyone who has been given false information as to when the "great ratching away is."

I Thess. 4:14-18, especially vs. 16-17: "... for the Lord himself shall descend from heaven with a shout, with the voice (trumpet). I Cor. 15:51-52: "Behold I show you a mystery. We shall not all sleep, but we shall be changed. In the twinkling of an eye at the last trumpet (voice). Rev. 1: 10: "... and heard behind me a great voice as of a trumpet." II Thess. 2:1-9, especially vs. 5-8: "Remember ye not, that, when I was yet with you, I told you these things. And now ye know what withholdeth that he (anti-Christ) might be revealed in his time for the mystery of iniquity doth already work, only he who now leeth will let, until he be taken out of the way."

God is still in command, heaven help us if He's not. When he (the church or holy spirit) be taken out of the way, then the anti-Christ, Hitler was the forerunner, will appear. The church is not mentioned after the first two chapters of Revelation. He appears in the 13th chapter and from then on, all hell breaks loose. The tribulations spoken of as "Jacob's Trouble" in Daniel will begin. The 144,000 Jewish converts to Christianity will go through this.

sinners. It was God's own people. There was another time when the Word was made flesh and walked among us, and the Word (Jesus) was rejected by his own people. Why?

It was because of the same thing that negates the power of God today. It was because of the same thing that binds and fetters God's people today. Cold formal dead Denominational Bondage. This bondage denies the power of God and says that miracles are not for today. This bondage rejects the gifts of the spirit and says that what happened at Pentecost is not for today. This form of unscriptural church doctrine allows man to drift into sin without sin being exposed as sin. Then it covers up the truth and says that everything is going to be all right. We are saved, so there fore we can go to our fellowship halls and feast while the lost are dying and slipping out into eternity lost. We can have a church softball league for entertainment. We can bring so-called Christian comes into the church to entertain us. We can have our little groups to sing to people and call them concerts. We can set back and put on a face of righteousness then we can deny him in our works. But still we will escape the wrath of God. Not so friend.

The Bible says that judgment begins at the house of God. We must learn that when the Bible said that we are not appointed unto wrath, God was talking to those whom are led by his spirit. How can the church be led by his spirit when they have rejected Pentecost? Now you can see how that denominationalism got started. The body of Christ is divided because that there is no spirit there. The Bible says that where the gifts of the spirit are there is the perfecting of the saints. And Jesus will not come back for a bride that is not perfect. The Bible says so.

My critics said to read Matthew 24 to learn about the plans for God's church. Well Matthew 24:29, says immediately after the tribulation shall they see the son of man coming. Many people also be-

Legislative Report: Budget Work Continues

By Rep. Julia C. Howard
N.C. House of Representatives

The House Appropriations Subcommittees have been working diligently on their sections of the budget bill (SB 1005) all this week, and the proposed House budget will be printed over the weekend. The full Appropriations Committee is to see the whole thing on Monday afternoon at 1 for the first time. Needless to say, there is much tension around the Legislative Building, and great anticipation about seeing what changes the House has proposed to SB 1005.

After the bill is debated in Appropriations, it will then go to the House Floor, where the members who are not on that committee will get their first input on it. It is a lengthy, and often grueling, process, and we all appreciate your prayers for wisdom. No budget that is approved will make everyone happy, of course, because it is impossible to please everybody.

Here are some new state laws for you to be aware of this week, especially if the changes affect you directly:

HB 78 Grandparents As Supervising Drivers. An act to provide that grandparents may act as supervising drivers for drivers holding Limited Learners Permits.

HB 114 American Ex-Prisoners of War Highway. An act to designate U.S. 70 in North Carolina as the Blue Star Memorial and American Ex-Prisoners of War Highway.

HB 235 Sanitary District Economic Development. An act to allow Sanitary Districts to enter into agreements with other municipal corporations or sanitary districts to develop and implement an economic development plan.

HB 344 Domestic Employer Wage Reports. An act relating to the annual filing of wage reports by domestic service employers and to the late filing and payment penalties under the Employment Security Laws of North Carolina.

HB 350 Gramm-Leach-Bliley Act Requirements. An act to authorize the Commissioner of Insurance to share with the Federal and State Financial Institution Regulators information about insurance companies that are affiliates of depository institutions or of financial holding companies; to amend the Insurance Holding Company Act and an Insurance Company Investment Statute to comply with federal law, in accordance with the federal Gramm-Leach-Bliley Act.

HB 620 Records of School Suspension May Be Retained. An act to give school superintendents flexibility regarding the expunction of records of a student suspension or expulsion from school.

HB 1045 Restore Workers Compensation Stability. An act to restore stability under the Workers Compensation Act by overturning the case decided by the 2000 Court of Appeals of North Carolina titled Hansen v. Crystal Ford-Mercury, Inc., by providing that insurers that provide health benefit plans, disability income plans, or any other health insurance are not real parties in interest in any proceeding or settlement under the Workers Compensation Act and prohibiting insurers that provide health benefit plans from offsetting against provider reimbursement any charge for medical services unless the specific medical charges were found to be compensable according to a final adjudication under the Workers Compensation Act or a settlement agreement under the Act approved by the N.C. Industrial Commission.

HB 1341 Amend Auctions/Auctioneers Laws. An act amending the laws relating to auctions and auctioneers and authorizing the N.C. Auctioneers Commission to adopt rules relating to continuing education requirements; to acquire real property, and to purchase equipment and liability insurance.

SB 7 Add Juvenile Members. An act to add 2 juvenile members to the Juvenile Local Crime Prevention Councils and to the State Advisory Council on Juvenile Justice and Delinquency Prevention, and by adding the Attorney General to the State Advisory Council.

SB 91 Dealer Plate Changes. An act to authorize the issuance of additional dealer plates to businesses engaged in the alteration and sale of specialty vehicles.

SB 220 Define Time Stock Abandoned For Escheats. An act to amend the law defining the time stock and other equity interests in business associations are presumed abandoned for purposes of the N.C. Unclaimed Property Act as recommended by the General Statutes Commission. Effective Oct. 1.

SB 318 Insurance Producer Licensing. An act to revise the laws on licensing of insurance agents and brokers to make them conform to a model Uniform Insurance Producer Licensing Act of the National Association of Insurance Commissioners and thereby, along with the other states, achieve national uniformity in licensing insurance producers, as provided by the federal Gramm-Leach-Bliley Act. Different parts of the law are effective different dates in 2001.

SB 342 County Building Code Revisions. An act authorizing counties to adopt ordinances regarding the number of toilets to be placed in certain buildings.

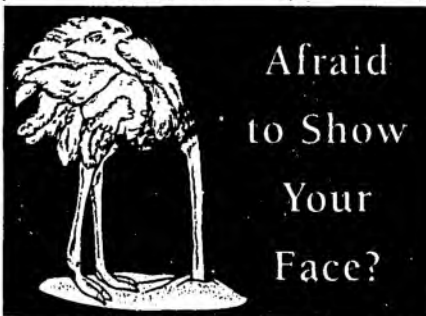

SB 432 Water and Sewer Authorities. An act to allow nonprofit water corporations and the state to join certain water and sewer authorities and concerning the right of subsequently joining municipalities to have voting membership.

SB 854 State nature and Historic Preserve. An act to codify the Joint Resolution accepting properties as part of the State Nature and Historic Preserve, to remove certain lands from the State Nature and Historic Preserve, to codify these removals, to delete certain lands from the State Parks System, and to provide that a technical amendment to the State Constitution relating to acceptance and dedication of property into the State Nature and Historic Preserve shall be submitted to a vote of the people at the next statewide Primary Election.

SB 397 G.E.D. And Other Credit For Inmates. An act to authorize credit to misdemeanors in local confinement facilities for attending G.E.D. classes and other programs.

There is another bill I need to mention, that my office has been getting many, many phone calls and emails about. This is Senate Bill 824, which was just passed by the Senate yesterday. Its title is Teachers and State Employees Benefits, and it is an act pertaining to benefits under the Teachers and State Employees Comprehensive Major Medical Plan; and to hospital rates under Workers Compensation.

This bill has been referred to the House Committee on Health, of which I am a member. As of this writing, it has not yet been scheduled for debate in that committee. I will be watching this bill closely and will do my best to keep changes to the Plan as few as possible.

Braces for children and adults.

Tractors, Lawnmowers And Fireworks Highlight Activities

Dyson said. "This is our only fund raiser. The money we make goes back into the club for putting this thing on."

It doesn't take long to see what kind of tractor Dyson prefers. It's John Deere green. His favorites are the "Little L's." He's been collecting John Deere's for about 15 years, and even has a complete set of John Deere bicycles. "They're sort of rare, now."

Dyson recently purchased the tractor he rode as a child, and hopes to restore it.

The club boasts more than 60 members from three counties.

"One reason we started this, Davie County is getting away from the way it used to be," Dyson said. "There's still a lot of people who like to piddle with these things."

Everyone who brings a tractor or engine to the display and parade will receive a plaque, button and "goodie bag."

And if all that is just too exciting, you can always stay at home for a cookout with family, or take a leisurely stroll down Mocksville's Main Street, which will be lined with American flags, compliments of the Town of Mocksville.

Death Ruled A Suicide

The death of a teen-ager Saturday morning has been ruled a suicide.

The body of Stephen Wayne Sims, 17, a rising senior at Davie High School, was found Saturday morning near his home on Gladstone Road, according to a report by Davie Sheriff's Officer Gary Williams.

Detective Robert Trotter and the medical examiner's office ruled that Sims had hung himself with a belt.

Woman Faces Drug, Child Abuse Charges

A Mocksville woman was arrested June 21 for possession of drugs and for child abuse.

Jennifer Phillip Smith, 29, of 293 Junction Road, was charged by Davie Sheriff's Sgt. W.L. Whitesides with felony possession of cocaine, misdemeanor possession of drug paraphernalia, and misdemeanor child abuse. The Davie County Commissioners Hope To Cut Your Tax Rate By 4 Cents

The County Commissioners would like to cut it more but Davie County faces the following:

- **25% Growth in Population over past Ten Years**
(If we don't manage growth, growth will manage us!)
- **Nearly \$1,000,000 (One Million Dollars) withheld from the County by Governor Easley because of the State Budget Shortfall**
- **Potential Loss of \$2.6 million per year in Promised State Reimbursements due to the State Budget Crisis**
- **Unfunded Mandates (examples – \$400,000 per year increase in Medicaid, and \$360,000 per year to staff new jail)**
- **Overdue Infrastructure Repairs (examples – Fire & Rescue Departments, Law Enforcement, EMS, Wastewater Treatment Plant)**
- **Pay off Year 2000 Deficit (\$1.7 million)**

We believe the proposed interim budget will keep the County financially sound and meets the needs of our citizens. The commissioners have made significant cuts in County spending. If we cut the tax rate further, essential services will have to be cut.

Which County services are YOU willing to cut?

Schools?
Fire Protection?
EMS?
Hospital?
Law Enforcement?

We feel these services are **ESSENTIAL** and don't believe they should be cut. If YOU don't want these services cut, please make your voices heard.

Mocksville Legion Wins First Two Playoff Games

Paschal, Seaford Ignite Fast Start

By Brian Pitts
Davie County Enterprise Record

Mocksville's playoff drive is off to a fast start. Justin Paschal is sitting comfortably behind the wheel, and Chris Seaford is riding shotgun.

That tandem was evaporating from the radar screen at the end of the regular season, but they've broken out when it matters most, fueling fifth-seeded Mocksville's 2-0 series lead against No. 4 Stanly County.

Paschal, who was batting a distressful .166 before going 4-for-4 in Game One, continued his amazing turnaround with four more hits, and Seaford socked a crucial home run to set in motion 11 unanswered runs as Mocksville romped 16-6 in seven game-shortened innings in Sunday's Game Two at Rich Park.

Paschal's average has ballooned 128 points in two games, all the way to .294. And Seaford, who had slipped to .178, is 4-for-8 with six RBIs in the series, tying the game at 3-all with a three-run shot in the second inning.

"Paschal has gained a lot of confidence," Coach Mike Lovelace said. "He is starting to come around at the right time, and it's been a very big lift for us."

"Our best hitter, Casey Stanley, hasn't had a hit in either game, but other guys around him have stepped up. Seaford has been big, too, and the bottom of our order has been a big plus."

Jeffrey Jones was equally impressive, rapping three hits, driving in two runs and jumping to .302 as Mocksville easily overcame Stanley's drought.

Bad Luck Ends As Hitter Goes 4-4

With Andrew Daywalt missing and Casey Stanley looking human, the fifth-seeded Mocksville American Legion baseball team needed someone to rise up in Saturday's Southern Division playoff opener at No. 4 Stanly County.

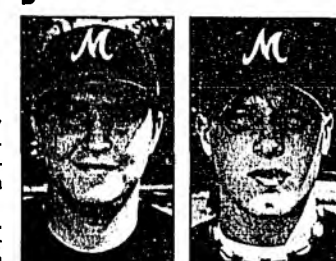

Few expected that player to be Justin Paschal. Although Paschal's batting average sagged for 21 games, assistant coach Keith Walker insisted the catcher was a victim of bad luck and promised that the grounders would eventually find holes. While it seemed to take forever – Paschal was hitting .166 (7-for-42) heading into the best-of-7 first-round series – Walker was right.

Paschal tuned out the sickening average and redeemed himself with a 4-for-4 explosion to lead an 8-6 victory.

"I knew I could (produce big numbers), but it was just a matter of time," Paschal said. "I was hitting it hard, but just to people. The coaches helped. Walker kept me with a positive attitude and everything. I'm glad I finally got out of it, and hopefully it will continue."

Paschal doubled off the top of the fence to trigger a three-run second inning, singled over short during a four-run third and singled and scored on Willie Infante's two-out hit for an 8-1 lead in the fifth, when drizzle turned into heavy rain. Another player who had faded below the Mendoza Line, Chris Seaford, came through with two hits as the bottom four in the order produced eight of Mocksville's 13 hits.

"Paschal's been a lot like Seaford," Coach Mike Lovelace said. "Both of them have put a lot of balls in play, and their average doesn't show what

Seaford

Paschal

they can do. They've had some tough breaks against them.

"For us to do what we did with Stanley (a .454 hitter coming in) not getting a hit, that's a big plus being able to win with some other guys stepping up."

Cody Wright pitched 5 1/3 to square his record at 2-2, and Ryan Weavil earned his second save by working the final 3 2/3. The workhorse reliever preserved an 8-5 lead in the sixth, getting an infield popup and a strikeout after Stanley put a runner at third with one out.

"It seemed like whenever Wright needed to get out, he did a good job," Lovelace said. "He got in a little trouble in the sixth, but it was pouring down rain by that time. When the rain started coming, we kind of put it on cruise control."

The biggest defensive play came from third baseman Infante, who made his second straight start with star Daywalt participating in the State Games. The tying run stepped to the plate when Stanley got the leadoff man aboard in the bottom

Trying To Start Davie Team

By Brian Pitts
Davie County Enterprise Record

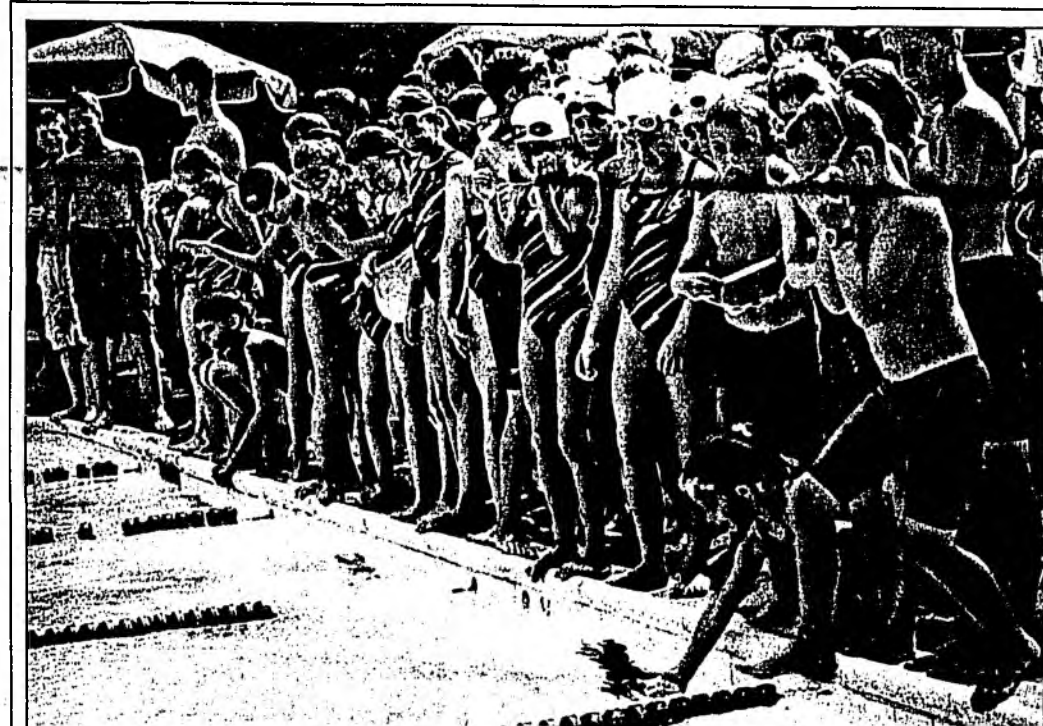

There's an ingredient missing on Davie's sports menu, says lacrosse lover Chad Courtemanche, and high-school athletes don't know what they're missing.

"It's such an addictive sport that you'll do anything to play," said Courtemanche, a rising senior who is pushing for Davie to add boys lacrosse to the spring lineup. "It's so fun. I think it's the best thing in the world. That's all I ever think of."

"I've considered transferring to West Forsyth next year just so I can play, but I've completed three years at Davie and I'm kind of loyal to them. I really, really, really would like to see Davie get a team, because I think this thing would take off like a rocket."

Courtemanche got hooked in Williamsburg, Va. "I had a best friend who started playing," he said. "It's huge just about everywhere in the Northeast. It's a fast-paced, full-contact sport. It's kind of like hockey in the air. You're

Ms. Fits Win State Tennis Championship

By Brian Pitts
Davie County Enterprise Record

The Mocksville Ms. Fits' legacy as a tennis power extends to the Martina Navratilova-Chris Evert heyday.

They've been around so long that they were winning matches back when the Rubik's Cube was cool.

They joined forces at Hickory Hill Country Club in 1979 and joined the Winston-Salem USTA league in 1984, piling up nine league championships and three state titles and qualifying for their third Southern Sectional championship.

But as much as they savor the mile-long list of victories and mantle-full collection of trophies, the friendships they've established through the years mean infinitely more. All the Ms. Fits take a

decided backseat to the secret of their success: Incredible camaraderie.

If the Ms. Fits had any more fun traveling, shopping and vacationing together on tennis trips, it would be against the law.

"They're like a family to me," Gigi Marion said. "We're like sisters. We've been together a really, really long time through a lot of good times and bad times, and it's more than just a tennis team. We're real friends, true friends, and we enjoy competing together."

"Some have left our team and gone to play with other teams, and they always come back," Kathy Junker said. "It's not the same. I wouldn't play if it was not playing with this group."

Allison Waypa Wins Balance Beam Title

Allison Waypa, of the Level 8 senior age group, captured the balance beam championship at the USA Gymnastics Southeast Region 8 meet in Winston-Salem recently.

Her score of 9.375 was the highest among 56 gymnasts from eight states. Waypa qualified for the regional meet with a first-place finish on the balance

beam and a 10th-place finish all-around at the state championship meet in Charlotte earlier in the year.

Waypa is a member of the competition team for Salem Gymnastics in Winston-Salem. She is the daughter of Ken and Shirley Waypa on Country Lane in Mocksville. She will be a sophomore at Davie High.

Ms. Fits Win Third State Tennis Title

Mobile, Ala., for the Southern Sectional after capturing state titles in 1987 and 2000, added another chapter to their compelling history by repeating as state champions in Wilmington and earning a berth to the Southern Sectional on July 25-29 in Louisville, Ky. Nancy Griffin's beach house in Ocean Isle is quite convenient for the Wilmington tournaments.

"That's why we had to win this year, so we could go somewhere new," deadpanned Vicki Fleming.

"It depends on where we're going whether we win or not," Betty Marklin said in all seriousness.

Not even defeat can spoil the Ms. Fits' appetite for fun.

"Just like our New York trip, that year we lost and we just said we went to New York," Marion said.

"It's a three-day pajama party," Fleming said.

"Yeah, you're afraid to go to sleep," Patsy Crenshaw added, evoking more laughter.

Unfortunately for readers, the Ms. Fits aren't about to reveal the best out-of-town stories.

"If your husband says, 'Where are you really going?' you're going for psychological counseling," Fleming said. "You never have to hire anybody because you get down there, you tell it all and it all stays there."

"We feel like we've all been there and done that, so we can all give advice to each other," Marion said.

Marion and Fleming developed efficient strokes unconventionally, ignoring the experts. Every time the pro turned his back, they promptly went back to doing things the "wrong" way.

Mocksville Gains Moral Victory Against Rowan

Mike Lovelace didn't sound like a losing coach.

Oh, sure, it would have been awesome to beat Rowan County's home field after trailing 6-0. But the main thing was Mocksville didn't fold. Although every gambler would have bet on a 10-run rule game in the second inning, Mocksville showed some guts, tying it at 6-all before falling short 8-6 on June 18.

"It was a step for us," Lovelace, the local American Legion baseball coach, said. "Our guys realized that we can be on the same field with them, and we're going to need that confidence because that's (almost certainly) the team we're going to run into if we get past the first round of the playoffs."

Ryan Weavil's reward for going 2-0 with a .90 ERA in 10 relief appearances was his first start. But he proved to be moral against a 20-2 steamroller. Before Weavil knew what hit him, it was 4-0. A third double and two more second-inning runs sent Weavil to the dugout.

Wright Stanley

They had seen a lot of left-handers and Weavil hadn't had a start, so that was a different role," Lovelace said. "He's going to come right back and still be a key in relief for us."

Reliever Cody Wright and slugger Casey Stanley rescued Mocksville when it was seemingly down and out. In a four-run fourth, Andrew Daywalt shaved the gap to 6-2 and Stanley pulled Mocksville within one with a three-run homer, his third dinger in as many games.

Stanley capped the unlikely comeback in the sixth, his two-out single scoring Brad Bullard, who walked and moved up on Ricky Bentley's sacrifice bunt. Stanley, who paces the club in hits (34), RBIs (25), average

(.465), triples (two), homers (five) and stolen bases (two) at Bentley at eight), blasted a foul ball well beyond the wall before short-hopping the fence with a first-inning double.

He and Daywalt, who have been the offensive pillars essentially all year, were responsible for all five Mocksville hits.

"They were still upset because of what had happened up here and remembered that," Lovelace said of the 8-0 home loss to Rowan on June 6. "They showed a lot of character in a tough place to play. And for as young as we are, they really battled back."

You had to feel sorry for Wright, who took the loss despite throwing five scoreless in-

nings. Cal Hayes, a possible pro draft pick next year, opened the eighth with a double and scored the decisive run on a passed ball. A bases-loaded walk from Lonnie Barnes, Mocksville's third pitcher, made it 8-6.

"I was very impressed with what Wright did, holding them as long as he did," Lovelace said. "He was just going right at them. His velocity was back to where it was before he was injured (in last year's final game). He looked as good as I'd seen him this year, including high school."

Notes: For the second time Rowan stopped a five-game winning streak for Mocksville, which faded from the scramble for third place. ... Dave Poplin reached three times with two

walks and a hit by pitch, and Bentley walked twice.

Kannapolis Torments Streaky Mocksville

Mocksville's roller-coaster season is swinging down again.

Although Mocksville was seeking fourth place and home-field advantage for the first round of the Southern Division playoffs and there was nothing on the line for third-place Kannapolis, the visitors exploded in the third inning and laid waste to seascaw Mockville at a 14-3 bloodbath on June 21 at Rich Park.

"It felt like the Mooresville night (a 12-1 loss on June 8)," Mockville American Legion baseball coach Mike Lovelace said. "They took control early and we never had a chance to get back in it. It was just another one of those nights."

While Kannapolis shelled Travis Allen and relievers Ryan

Weavil and Lonnie Barnes with 16 hits and 11 earned runs, Mocksville's offense was stunted by three pitchers that looked rather vulnerable.

"When we see a guy with a little bit of velocity, I think we do a little bit better," Lovelace said. "We just can't seem to pound on the guys that just throw it up there and say: 'Here it is, hit it.' We just didn't look very comfortable tonight."

Mocksville (12-9, 7-7 SD) avoided further embarrassment by breaking the shutout in the seventh on Charlie Ross' RBI single, and Cody Crofts came out of nowhere in the eighth and final inning with a pinch-hit, two-run homer in the pitcher's second at-bat of the year.

Lovelace remained philo-

sophical in the face of ugly defeat because Mocksville has always found a way to rebound. After starting 0-3 in the division, it won five straight. After dropping three in a row, it responded with another five-game blitz. Now it carries a two-game skid into the first round of the playoffs against Stanley County, which tied Mockville for fourth but won home-field advantage by splitting with league runner-up Mooresville.

"The good thing about it is we're getting ready to play our second season," Lovelace said. "That was an opportunity for

home-field advantage for the first round, but I think the guys are going to respond well for the playoffs."

Notes: Casey Stanley's infield hit extended his hitting streak to 11 games. ... Kannapolis drubbed Mockville 23-5 in two games. ... A capitulating 11-game run came to an end for Allen, who went 9-0 for Davie High and started 2-0 in Legion. ... Leadoff Brad Bullard was the only Mockville player with multiple hits. ... Kannapolis sent 12 to the dish in the eighth, a six-hit inning that included a grand slam.

Mocksville Beats Stanly 16-6

Continued From Page B1

specialist, drove home the dagger, robbing Stanley in the top of the seventh and sealing it with a single in the bottom half as Mockville dispatched Stanley for the third time in four games.

"He misjudged it at first and took one step back," Lovelace said of Golding's brilliant recovery toward the left-field line. "Then he came sprinting in, laid out and made a diving catch to get us out of that jam. Late in the game you want your best defensive guys in there."

"Another plus was he hasn't swung the bat a lot, but he came in and got a hit to win the game

in seven innings."

Notes: Mocksville has outscored Stanley 38-15 since losing 4-2 on May 18. "It was early and our guys hadn't played together a lot," Lovelace said. "We weren't playing very well then, and now they expect to win."

Travis Allen, a pitcher who didn't bat for 20 games, is 3-for-6 the past three games. ... Stanley has one hit in his last 11 ABs, but he walked three times, stole his team-high 10th base and scored three runs. "That's a big contribution," Lovelace said. "Everybody knows him now. The bright thing is we've still won the first two games."

Zack O'Brien placed in four events for the Oak Valley swim team in a meet last week against Brookwood.

Orcas: Oak Valley Takes On Brookwood

Alan Goad dives into the pool.

Oak Valley swimmers massed at the end of the pool chanting "Orca water, Orca water."

Assistant coach Ben Styllings ceremonially poured a gallon of red-tinted water into the Clemmons pool and claimed it as Oak Valley's own domain before its contest began with the Brookwood swimmers.

When it was over, Brookwood had easily defended its home pool.

Brookwood emerged 607-292. Their swimmers — the Barracudas — also massed when it was over and chanted, "Thank you, Oak Valley."

If had seemed like a feast in the water, Orca coach Dana Keeney had expected it.

"Brookwood is an extremely strong team," she said. "Our parents came up to me and said, 'Good grief, these guys are great.'"

Brookwood has a lot of competitive year-round swimmers.

Keeney said she was missing some of her strong swimmers, and some of her swimmers had the jitters because it was their first away-from-home match of the season.

"They looked good. We did really well," she said.

Last year, Oak Valley lost by 400 points. The moral victory was that the gap was closed to 300.

The results include:

Medley relay, second place 7-8 girls — Hannah Keeney, Katie Davis, Laura Shelton, Kelly Walton; second place 9-10 girls — Kelsey Shipman, Molly Graham, Carly Pratapas, Alyssa Corne; second place, 11-12 boys — John Michael Bartlett, Nick O'Brien, Bennett Shipman, Tip Powell; second place, 15-18 boys — Jonathan Loos, Logan Buchanan, Alan Goad, Zack O'Brien.

Distance free style, first and second place finishers — Kelly Walton, Jay Stancliff, Zack O'Brien, Kaylyn Smith, Alan

Goad.

Individual medley, first and second places — Autumn Jones, Nick O'Brien, Logan Buchanan, Bennett Shipman.

Freestyle, 25 yards, first and second finishers — Ali Russell, Ross Davidson, Jonathan Loos, Alan Goad.

Back stroke, first and second finishers — Hannah Keeney, Jennifer Russell, Ali Russell, Tip Powell, Logan Buchanan, Kaylyn Smith, Alan Goad.

Breast stroke, first and second — Tyler Shelton, Nick O'Brien, Logan Buchanan, Kaylyn Smith, Ross Davidson, Dustin Frye.

Butterfly, first and second — Taylor Wheat, Jack Powell, Erica Corne, Bennett Shipman, Zack O'Brien.

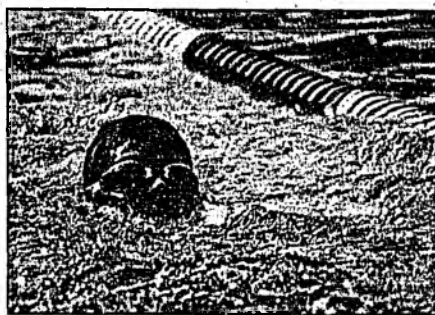

Free relay, second, 7-8 girls — Hannah Keeney, Katie Davis, Alex Smithdeal, Laura Shelton.

Relay, second, 9-10 girls — Autumn Jones, Jennifer Booth, Elizabeth Davis, Taylor Wheat, Relay, second, 11-12 girls — Ali Russell, Amanda Russell, Kim Baugh, Miranda Esposito. Relay, second, 11-12 boys — Nick O'Brien, Tip Powell, John Michael Bartlett, Bennett Shipman.

Relay, second, 15-18 girls — Clare Moser, Kelsey Shipman, Carly Pratapas, Megan Russell.

Relay, second, 15-18 boys — Logan Buchanan, Alan Goad, Zack O'Brien, Jonathan Loos.

Relay, first, 13-14 boys — William Goad, Dustin Frye, Ross Davidson, Zack Potter. This week, Oak Valley travels to Forsyth Country Club.

Jonathan Loos swims the backstroke for Oak Valley.

Molly Graham is all smiles as she gets ready for meet.

Hurricanes Swim In Two Meets

The Hickory Hill Hurricanes had two swim meets last week.

They finished the last part of a meet against Forsyth Country Club, which had been delayed due to a storm. "Our swimmers really held their own," Coach Dana Call said. "We were only behind by 50 points, which is a close score in a swim meet."

Later in the week the Hurricanes traveled to Clemmons West, scoring over 300 points. "It is amazing to see how far our swimmers have come in the past few years," Call said. "There were a lot of very close races this week. I am so proud of how hard our swimmers are working."

This week the team will have special practice sessions for the older swimmers to swim with the younger swimmers. "This will give the younger kids some one-on-one time with the more experienced swimmers, and allow them an opportunity to improve their strokes," said Call.

Allison Mackintosh swims the butterfly stroke for the Hickory Hill Hurricanes in the 13-14-year-old girls division.

Jonathon Creekmur, 10, swims the backstroke.

Student Trying To Start Lacrosse Team At DHS

Continued From Page B1
trying to get the ball down the field and score the goal."

Courtemanche's heart was torn in two when he moved to Mocksville in the fall of 1998 and discovered that lacrosse wasn't on the roster.

"Right when I was getting ready to go into ninth grade in Virginia at a brand new high school, one of the sports offered was men's lacrosse — and I was ecstatic. ... Then I moved here and we didn't have that. I had been into it so big and so long that it kind of disappointed me. But then I found out there was a rec league in Winston. I just made the age cut off so I could play as a freshman, so my freshman year I wasn't too bad off about it."

Since exhausting his eligibility from the Winston-Salem league, Courtemanche has been on a furious mission, pleading with coaches and administrators to establish a lacrosse program (West Forsyth, Reynolds and Mount Tabor fielded their first squads last spring). He said the sport would infect unsuspecting athletes with lacrosse fever, perhaps overnight.

"It picks up real, real fast," he said. "Maybe not the skills but the people's interest in it. Because I have my own little goal out here, and before long one of my best friends bought a stick and was budgeting to buy a helmet and some gloves."

Courtemanche is so determined that, last school year, he wrote Principal Dr. Linda Bost a letter and held a meeting to assess interest level. Over 70 classmates showed up.

"I asked Dr. Bost to consider a team," he said. "Her response was we're going to see what's in the budget. I asked her could I fundraise, and they said no because you have to do it through the school. That's what West Forsyth did. Their parents had huge fundraisers and pulled in all this money."

"One coach said they have to have like 50 percent of the schools in North Carolina get this sport before Davie County

Chad Courtemanche shows off the equipment for lacrosse, a sport he would like to see at Davie High.

will accept it. That doesn't make any sense to me. Do you want to be behind everybody before you'll take a sport up?"

"It's the fastest growing sport in America. It's spreading like wildfire."

Although lacrosse will likely become the school's 20th varsity sport, it seems like the longest of long shots to emerge in time for Courtemanche's senior season. Buddy Lowery, Davie's longtime athletic director, cites cost (roughly \$13,000 to start a program and \$200-250 for each player's equipment), practice and game space, qualified coaches, transportation and a sufficient number of players among the high hurdles that must be cleared.

"It's coming but there's a lot of unanswered questions," Lowery said. "I don't want it to end up being like it was with soccer. People in Forsyth County started and then we got such a late start. They're in their learning time (with lacrosse in Forsyth) and we need to be in our learning time, but is there enough demand?"

"When you're trying to make mommas and daddies or somebody that wants it happy, it's hard to say no. You get in a state of limbo. I don't know what we're going to do."

Notes: Another sport trying to gather steam is field hockey, a female sport played in the fall. Lacrosse is a 10-player game: three attackers, three midfielders, three defenders and a goalie.

Autumn Jones, Hannah Jones and Jay Stancliff practice their entries for the meet against Brookwood.

Assistant Coach Ben Stilling shouts instructions.

Jones Nursery Hosts Hosta Convention Event

ADVANCE - The North Carolina Hosta Society was host to the American Hosta Society national convention June 12-16.

The society membership is open to gardeners with an interest in growing hosta in their shade gardens.

Wednesday was a special day for the folks at Jones Nursery in Advance. More than 300 members from across the United States, Canada and England toured the gardens and nursery

and had lunch under a big tent. Alec Summers, 87, founder and first president of the society, was a guest, along with many hosta hybridizers.

The gardens have expanded over the years and contain more than 600 varieties of hosta and a vast collection of perennials.

Leonard Jones has hybridized and introduced five hosta that are listed in the International Hosta Registry. He is evaluating more plants and will be registering

some of them in the future.

At the awards banquet, Leonard and Mary Nell Jones were presented a plaque for being a 2001 AHS Convention Tour Garden.

"Squire Rich," one of the

hostas growing in their garden, was chosen as the best gold hosta grown in a national convention garden. Four of their new introductions received blue ribbons in the cut-leaf show and the fifth placed second.

Salem Fence Does High Quality Residential & Commercial Fencing

Summer is the season for outdoor barbecues and kids playing on swing sets and in sand boxes. For security, privacy, or just personal enjoyment, consider the added value of installing attractive fencing around your property from Salem Fence.

Salem Fence is an authorized dealer for Bufttech, national manufacturers who makes CertainTeed vinyl. As a distributor, owner George Sorensen oversees Bufttech's lifetime warranty on its products; and backs that up with his own one-year workmanship warranty on all fences installed.

Homeowners love many decorative selections in Bufttech's sturdy vinyl.

Choose a quaint Cape Cod picket fence, or a Colonial concave picket in the traditional styles. Cluster homes may prefer the Imperial semi-private style that comes in three, four, five or six-foot heights. More private homes may desire the classic lines of the Norfolk, with a Victorian or Lattice accent across the top.

Sorensen says that many homeowners have gravitated to the popular vinyl fencing, because of its versatile beauty as well as easy care.

"In ten years that vinyl fence will pay for itself, since you will not have upkeep or water repellent to buy," he said.

Salem Fence also is an authorized distributor of Jerith, who manufactures ornamental metal fencing. These aluminum alloy products have the look of wrought iron; and also have a lifetime warranty on all materials. Their beauty is enhanced by the maintenance-free metal, which guards against rust or corrosion. Jerith also offers vinyl-coated chain link fencing, in attractive black, green or brown.

George Sorensen, who has more than 17 years' experience in the fencing industry, often recommends placing the more expensive aluminum alloy in front of a yard, and the ornamental black chain link at the rear, to conserve cost. This picturesque fencing also provides the very practical advantages of containing pets (either within the property, or outside it) and protecting children from dangerous traffic areas near the home. Busy mothers can allow their young children to play safely in their backyard, and enjoy all the benefits of outdoor living.

The high quality fencing expertly installed by Salem Fence adds property value as well. Bufttech and Jerith's superior products can accent your unique architecture, whether it is classic, traditional or contemporary.

Salem Fence can mount fencing for swimming pools, tennis courts, athletic fields, baseball backstops or playgrounds. They also perform light commercial work to fortify security around a business pe-

rimeter, protecting vehicles or other inventory.

Salem Fence can build treated lumber fences for pastures, split rail fences or deck areas. "We use all treated lumber in wood picket or privacy fences," said Sorensen. The treated lumber also comes in a myriad of designs, with scalloped heights in a draping or arched style.

Salem Fence sells portable dog lots, in 10' x 10' sizes. The fence can be four feet or six feet tall; and can be picked up, or delivered and installed.

George Sorensen strives to pass his discounts along to his customers. He offers quantity discounts when larger amounts of fencing are ordered.

"We want to supply an affordable quality product with total customer satisfaction," Sorensen said.

Mrs. Brian Heath Stevens

Woman Honored On 70th Birthday

A surprise birthday celebration was held for Margaret Bowens Diggins on Saturday, June 9 at the Cornatzer United Methodist Church fellowship hall. She turned 70 on June 7.

The fellowship hall was decorated with a purple scheme and each table had red and white carnation vases. Happy Birthday decor complemented the setting. A display of "70 Years of Aunt Ma" presented pictures depicting her in all phases of her life.

A prayer was delivered by Tim Allen, nephew, remembering people in her life who have died - Albert and Leona Bowens, parents; Garland Bowens, brother; and Stella Beck, friend.

Guests were served barbecue, chicken, potato salad, baked beans, slaw and rolls. Birthday cake, decorated with red roses, completed the meal.

Approximately 68 guests attended - family, church family, classmates, co-workers from her 36 years at Sara Lee and friends. She received numerous gifts.

The event was hosted by her daughter and son-in-law, Patricia and Doug Beck of Cary, assisted by Betty Bowens, sister, Garlene Kurfrees and LuVada Howell, nieces, and Brenda Allen, niece-in-law.

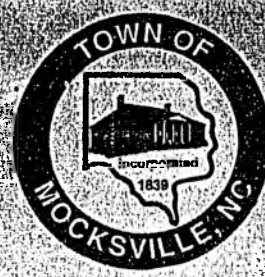

Five Generations

On the weekend of June 9, Mildred V. "Granny" Oliver of Bluefield, W. Va. celebrated her 83rd birthday at the home of her grandson, Charles F. Cardwell of Mocksville. While visiting, she had a birthday celebration dinner at Pier 601 in Mocksville where she was surrounded by five generations of family members. At her grandson's home, photos were taken. Present with Ms. Oliver, seated, were: her daughter, Gail A. Cardwell of Bluefield; grandson, Charles F. Cardwell of Mocksville; great-granddaughter and spouse, Melissa Lyn Church and Timothy Church of Woodleaf; great-grandson and spouse, Charles E. Mrs. Christopher Leigh Way

Brown-Wey Couple United In Marriage

Deborah Jeanette Brown and Christopher Leigh Wey were married at 3 p.m. on Saturday, June 23 at University City United Methodist Church in Charlotte. The Rev. Paul Craig Jr. officiated.

A reception followed at the Skybrook Golf Club.

The bride is the daughter of Mr. and Mrs. Amos Calloway Brown Jr. of Granite Falls. She is the granddaughter of Annabell Brown and the late Mr. Amos Brown Sr. and the late Mr. and Mrs. Ambra Seagraves. The bride is a graduate of the University of North Carolina at Chapel Hill. She is the subscriber services manager of the Carolina Multiple Listing Services, Inc.

The groom is the son of Marilyn Wey and Roger Wey of Oak Bluffs, Mass. He is the grandson of George Wey and the late Mrs. Jean Wey and Betty Lohmes and the late Mr. Floyd Lohmes. The groom is a graduate of Syracuse University and is a licensed certified public accountant. He is a vice president

at Bank of America in Charlotte. Maid of honor was Rachel Wey, sister of the groom, of New York, N.Y. Bridesmaids were Jennifer Howard of Chapel Hill and Abby Thwaites of Edison, N.J.

Flower children were Chloe Taylor, second cousin of the bride, and Mary Cloyce Collins. Ring bearer was Calladine Fiore, nephew of the groom.

Best man was Kenneth DeBettencourt Jr. of Edgartown, Mass. Groomsmen were Eric Wey, brother of the groom, of Sugarland, Texas, and Alan Brown, brother of the bride, of Mocksville.

The program attendant was Heather Wey, sister of the groom, of Boston, Mass. Guest book attendant was Rebecca Wey, sister of the groom, of Oak Bluffs, Mass.

The groom's parents hosted a rehearsal dinner at the University City United Methodist Church on Friday evening.

Following a honeymoon at Disney World, the couple will reside in Charlotte.

Benjamin and Hannah are the children of John and Tammy Phillips of Mocksville.

Advance News

By Edith Zimmerman

Advance Correspondent
VBS at the Methodist church was very successful last week with average attendance of 30-40 children. We appreciate the many helpers and for the refreshments every night furnished by "Jitter" Cornatzer and the Cornatzer boys. The Bible School children had charge of the opening of the worship service Sunday morning. The group also sang during the offertory. Bible School was under the direction of Susan Carpenter Pifer.

We welcomed new members to the Methodist church Sunday. They were Alan and Susan Nelson and their son Thomas. Thomas was baptized. Alan and Susan have been very active in the church for quite a while.

Mrs. Paulina Barney celebrated her 103rd birthday Sunday June 24. She attended the worship service at her church (Methodist) Sunday. She was accomplished by her children, grandchildren, great grands and great, great grandchildren. Mrs. Paulina was her usual smiling and alert self, sitting in her wheel chair after service shaking hands with friends and thanking all people for the many cards she had received. She was given a

corsage by her niece Pat Chaffin and enjoyed wearing it on Saturday and Sunday. Mrs. Paulina and her family enjoyed Sunday lunch at Dockside Restaurant in Clemmons. Monday morning she was none the worse from the weekend excitement. A remarkable lady!

Adrian Farley of Arlington, Va. spent last Thursday, Friday and part of Saturday with her mother Edith Zimmerman. Janie Hendrix joined her mother Edith and sister Adrian for Thursday night supper. On Friday all of them enjoyed a supper at Dockside in Clemmons.

Scott and Michelle McDowell and son Andrew Scott announce the birth of a son and brother Dylan Gray McDowell born June 19 at Forsyth Medical Center weighing 8 lbs. and 9 ozs. Michelle's mother from South Carolina and her grandmother from Florida are spending several days with them.

Altar flowers at church Sunday included an arrangement in memory of "Granny" the late Mary Lethia Robertson, given by Brent, Carolyn and Katie Shoaf. An arrangement of roses in honor of Mrs. Paulina Barney's 103rd birthday given by Lucy Barney. A rose bud was on the altar as a

birth announcement June 19 in honor of Dylan Gray McDowell son of Scott and Michelle McDowell and brother Andrew McDowell.

Kazie Smiley celebrated her 80th birthday Sunday June 24 with her children and grandchildren.

Ruth Collette and friend Louise Vovenger of Winston-Salem were Sunday afternoon visitors of Edith Zimmerman.

Pastor Lanny Atkins of the First Baptist Church preached his final sermon Sunday June 24th. After 12 years in the community he is going to be greatly missed by everyone. Lanny was a community oriented person, visiting the sick and shut-ins regardless of church affiliation, an associating with the community at large. He was an active member of the Advance Volunteer Fire Dept., also of the Masonic Lodge. He spent time weekly at the L&S Convenience store where he encouraged and influenced many young people. Lanny had a great part in the community Relief Fund and supplies sent to the Tarboro flood victims in 1999, which was an

overwhelming success. He and Rennie Barney personally delivered the trailer load of supplies. When there was a need, community or otherwise, Lanny was always there. After the worship service Sunday morning the Baptist congregation met in the fellowship hall for a meal honoring Lanny. A card was signed by everyone, plus a love offering was received for him. Lanny is leaving his church and community on good terms. He feels God has called him to pastor a church in the Mt. Airy area. Our very best wishes go out to Lanny and his family as they continue to do God's work. God Bless and keep you in His care. We are going to miss you.

Eugene and Eleanor Faulkner celebrated their 45 wedding anniversary on June 16. They were given special recognition at their Piney Grove church last Sunday. Matthew Mills is at home and recovering satisfactorily from recent surgery at Forsyth Medical Center where bone marrow was taken from his back and put in the palate of his mouth. Get well wishes go out to little Matthew.

Report Acreage Before July 2

July 2 is the final date for farmers to report spring planted crops to the Farm Service Agency.

Corn, grain, sorghum, soybeans, tobacco and other spring planted crops must be reported by the deadline to be eligible for certain USDA benefits. If the crop has not been planted by July 2, producers have 15 calendar days after the crop is planted to report the crop.

Land enrolled in the 10-year Conservation Reserve Program must also be reported by this date in order for the landowner to receive the yearly contract payments.

Davie producers may file the crop report at the Davidson-Davie Farm Service Agency at 301 E. Center St., in Lexington, 248-2687.

Peaches A Delightful Summer Taste Treat

Blushed by the sun with a sweet aromatic fragrance, peaches are elegant to see, wonderful to smell and delightful to taste.

Peaches are savored all around the world; and the United States produces almost half of the world's supply.

In North Carolina, most of the time we rank 8th in the U.S. production with the weather playing a larger part of this factor.

North Carolina peaches are usually ready to harvest by late June and last through the middle

of August. When picking out a fresh peach to take home with you, the red color is referred as the blush. The blush often helps one to identify the variety. To check for ripeness, look at the background color. It should be creamy to gold. If the peach's background color is green, it suggests a sign of immaturity.

An immature, picked peach will become shriveled or flabby and have a tough, poorly flavored flesh. Peaches that have large, flattened bruises will not ripen well

either. This type of fruit will soften and shrivel and will not store well.

Once a peach is picked, it will not develop any more in flavor, but it will continue to ripen, making the fruit softer and juicier.

A medium size fresh peach is chucked full of nutrients. As well as being low in calories, (about 40 calories) a fresh peach contains a fair amount of calcium not common in most fruit, some Vitamin C, and a small amount of Vitamin A.

To determine your needs for canning or freezing, 3-4 medium-sized peaches are equal to one pound, 2 cups of sliced peaches, or 1 1/2 cups of pulp. One bushel of peaches will generally yield 18 to 24 quarts.

Today's peaches are a good buy compared to the past. During first-century Rome a peach cost the equivalent of \$4.50; and in Victorian England, a peach would have cost you about \$5.

Creamy Peach Pie
1 deep dish graham cracker pie crust
3-4 cups frozen whipped topping
1 (7 ounce) jar marshmallow cream
2 cups chopped fresh peaches
1/2 cup chopped maraschino cherries
1/2 cup toasted chopped almonds

Fold marshmallow cream into whipped topping. Add peach chunks, cherry pieces, and almonds. Spoon mixture into piecrust and freeze for 3 hours. Garnish with slices of peaches and cherries if desired. Yield: 1

Peaches With Blueberries
1 cup frozen whipped topping
1/2 teaspoon almond extract
4 large fresh peaches
orange juice
1/4 cup sliced almonds
1 cup fresh blueberries
Peel, halve, and pit peaches, toss in a little orange juice. Place peach halves, hollow side up, in small individual bowls. Fill each hollow with 1 teaspoon of the almonds. Evenly distribute blueberries over almond-filled peach halves. Blend whipped topping and almond extract. Top each peach with whipped topping.

Cool Peach Salad
1 (3 1/2 ounce) box peach gelatin
2 cups cottage cheese
1 cup peach yogurt
1 (9 ounce) carton frozen whipped topping
1 cup crushed pineapple drained
2 cups sliced fresh peaches
1 cup strawberries sliced
Sprinkle gelatin over cottage cheese and yogurt and mix well. Add remaining ingredients and mix gently. Serve as salad or dessert. Makes 8 to 10 servings

Sprinkle peaches with remaining almonds. Yield: 8 servings.

Three Boy Scouts Tapped Into Order Of Arrow

Three members of Boy Scout Troop 505, chartered to Center United Methodist Church, were tapped into the Order of the Arrow at the traditional Family Night ceremony Thursday, June 21, at Cherokee Scout Reservation.

These honorees were JJ Byerly, Joseph Phillips, and Kyle Wooten.

JJ is the son of Jerry and Lynne Byerly of Mocksville. Kyle is the son of Thomas and Pam Wooten of Mocksville. They are rising eighth graders at South Davie Middle School. Joseph is the son of Edford and Patty Phillips of Mocksville, and is a rising 9th grader at Davie High School.

These boys have a combined

total of more than 12 years in scouting. All three hold the rank of "Life" in Scouting and are working on their Eagle rank.

The Order of the Arrow is Scouting's honor society, and recognized as an official program activity of the Boy Scouts of America. It is intended to recognize those scouts who best exemplify the scout virtues of cheerful service, camping, and leadership.

Even though Robert Baden-Powell, a renowned British army officer founded Scouting, the Order of the Arrow is the uniquely American "honor society of scouting". The "OA's" origin and development are intertwined with scouting in the United States.

OA focuses on the development of methods to teach the scouts attending camp that skill proficiency in Scouting is not enough; rather, the principles embodied in the Scout Oath and Law should become realities in the lives of Scouts.

As a means of accomplishing this without preaching and within a boy's interest and understanding, "OA" was launched as a program based on peer recognition and the appeal of Indian lore. Scout Troops would choose those boys from among their number best exemplifying these traits. These chosen boys would be honored as members of an Indian "Lodge". Boys so acknowledged in the eyes of their fellow scouts would

form a fraternal bond joined together in a richly symbolic brotherhood.

To be inducted, a Scout must be at least First Class rank, have at least 15 nights of camping, including a 6-day long-term camp, participate in the "Ordeal" and induction ceremony, after election by his Boy Scout troop or Varsity unit. Following 10 months as an "Ordeal" member, the Arrowman may participate in the "Brotherhood" ceremony, which signifies the sealing of his membership and an additional emphasis on OA ideals and purposes.

After an additional 2 years have elapsed, exceptional OA leaders may be recognized by conferring of the "Vigil Honor".

Tigers, Bears & Wolves: Cub Scouts Learn Skills At Camp

Tigers, bears, and wolves. No, it's not a trip to the zoo. It's the Uwharrie Cub Scout Day Camp that concluded its activities on Friday, June 15 at Rich Park.

On Thursday, June 14, the campers from Davie County and Lexington were participating in a variety of activities to earn badges and belt loops.

Biker Bears Den 6 arrived at the archery range. Zachary Cranfill, of Advance, proudly carried his den's flag. An appropriate act, considering that day was Flag Day. The students commemorated the holiday by studying the United States flag's history and meaning.

It was then onward to other events happening throughout the camp.

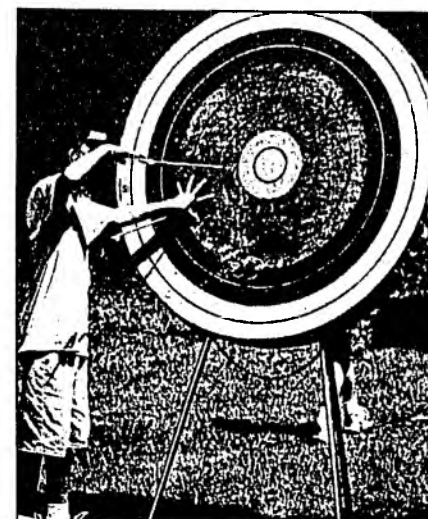

Across the street from the school there was an abundance of activities to choose from. Under each shelter a different badge could be earned. Nature, scout skills, field sports, crafts, BB's, and den time were some of the choices.

Camp began each morning at 9 a.m. and concluded around 4 p.m. The day consisted of 45 minutes activities arranged to fill the day and keep each camper busy working on earning badges.

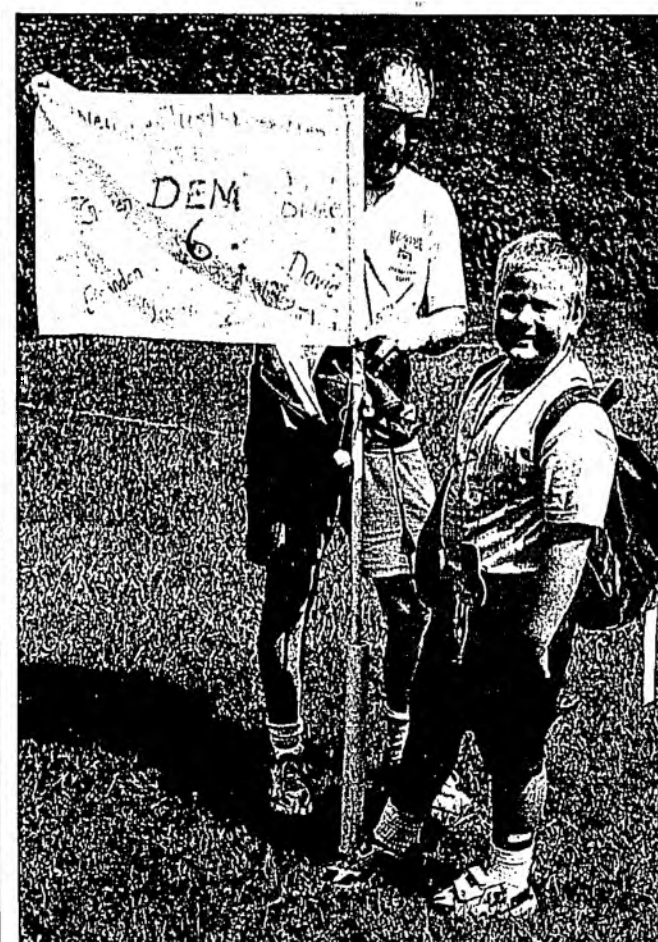

Director Rusty Strickland is in his ninth year as a camp director. Volunteers serve as counselors, some take time off of work to do this, said Strickland.

Without the help of Davie YMCA, Mocksville Elementary, and Davie Park and Recreation the camp couldn't take place.

"Another wonderful great year for the Uwharrie District day camp, with 110 boys out, everybody's had fun."

Campers practice archery (above). A prize was given to the den who made the most bulls-eyes.

Campers earning their nature badges made animal bird feeders. They also explored nature trails.

Directors Rusty Strickland and Cliff Edwards, along with a slew of volunteers, are key people in organizing the camp.

Campers have five minutes to put up a tent, and four minutes to take it down. These campers successfully completed the task. Pictured directly above left to right: Den leader Cassandra Hicks, Nathan Schambach of Mocksville, Stephen Kight of Clammons, Andrew Sutter and Will Sugge, both of Advance.

Methodists Honor Three Local Scouting Units

Three local scouting units were recognized at the Western North Carolina Annual Conference of the United Methodist Church in June.

Boy Scout Troop 505, Cub Scout Pack 503, and Cub Scout Pack 574, were three of the 18 scout units out of the Western North Carolina conference area that were honored.

The Bishop's Award of Excellence is authorized for the purpose of recognizing outstanding United Methodist Church units which have met the established criteria. Upon nomination by the Scouting Coordinator, and approval by a proper committee or representative of the annual conference, the award is presented by the presiding bishop to the pastor, the unit leader, and at least one member of the unit at the next regular session of the annual conference. The award is good for one year and may be earned again.

In order to receive this award, within the past 12 months (since the last regular session of the annual conference) the unit shall have qualified on all of the following:

• 50 percent or more of the registered and eligible youth members of the unit are working toward or have completed the appropriate religious em-

blems study program for their corresponding age level.

• 50 percent or more of the registered adult leaders (including committee and unit leaders) hold membership in The United Methodist Church.

The unit must participate in the Annual Scouting Ministries Sunday observance "in the local church."

The unit has planned and completed: a. One service project in the local church—e.g. grounds work day; b. One project in the community, e.g. litter pickup; c. One service project related to national or world missions program

of The United Methodist Church, e.g. UMCOR, UNICEF.

The unit has observed regular worship services when away from church on Sundays for camping experiences or trips.

If the unit is a Troop, it must have a registered Chaplain and Chaplain Aide.

The Unit Leader, Committee Chairman, and Scouting Coordinator must review the unit charter and program plans for the unit with the pastor.

Boy Scout Troop 505, chartered to Center United Methodist Church, received the award for the first time in its history. The troop was represented by the Rev. William Wombough, Com-

mittee Chairman Thomas Wooten, Committee members Pam Wooten, Lynne Byerly, Stephanie Nagel, and Robert Nagel, as well as by Tyler Wooten, Kyle Wooten, Will Byerly, and Jack Wombough, members of the troop.

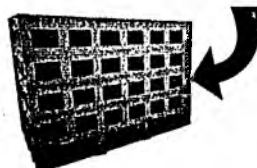

Cub Scout Pack 503, chartered to Union Chapel United Methodist Church, also received the award. This pack has only been in existence for a year. The pack was represented by the Rev. Brad Holliman, Cubmaster

Bobby Nagel, leaders Stephanie Nagel and Lynne Byerly, and Will Byerly, former cub scout in the pack.

Cub Scout Pack 574, chartered to First United Methodist Church of Mocksville, also received the award. This was the third consecutive year for Pack 574. Former Cubmaster Cliff Edwards represented the pack.

After the recognition ceremony, members of Pack 503 and Troop 505 attended the Bishop's Luncheon.

WE'VE TAKEN CARDIAC REHABILITATION TO A WHOLE NEW LEVEL.

Our cardiac rehabilitation program has a new home: a 4,100-square-foot facility on the second floor of the Kiser Medical Building, directly across the hall from Mid Carolina Cardiology.

We call it the Cardiac Rehab and Wellness Center.

You'll call it the best thing to happen to your heart since you fell in love for the first time.

Because in addition to a vast array of aerobic exercise equipment, our new Center features an indoor track and expanded exercise times.

Plus, a registered nurse, exercise physiologist, dietitian and other cardiac specialists to make sure you have everything you need to get healthy and active again.

So if you've been diagnosed with a heart problem or are at risk for cardiovascular disease, ask your doctor for a referral to our cardiac rehab program. It's the only nationally certified cardiac

rehab program in the Salisbury area. Which puts us on a whole new level. Indeed. And it's a lot higher than the second floor.

2 Earn 4-H Scholarships

Jacquelyn Paige Naylor of Mocksville and Christina Carole Mischinski of Advance were recently named winners of state 4-H scholarships.

Naylor, who has participated in Davie County 4-H activities for 10 years, won the \$1,000 Reece and Jesse Crouse Scholarship. A recent graduate of Davie High School, she plans to study English and secondary education at a North Carolina university. She is the daughter of Gary and Delphia Naylor.

Mischinski won the \$700 4-

H Horse Program Scholarship. A home-school student, she has participated in 4-H for six years.

The 4-H youth development program is conducted by N.C. Cooperative Extension, based at N.C. State University's College of Agriculture and Life Sciences and N.C. A&T State University's School of Agriculture and Environmental and Allied Sciences.

More than 220,000 young people age 5-19 participate in North Carolina 4-H activities each year with the help of 25,000 adult and youth volunteers.

Amiee Barnette Receives Award

The University of North Carolina at Wilmington recently awarded the Senior Medallion Award to its top 21 seniors, the most prestigious award presented to seniors on behalf of the Division of Student Affairs. Faculty, staff, students, and members of the community nominated students. They were selected based on the following criteria: a minimum grade point average of 3.0, record of significant campus involvement, commitment to leadership and service, and evidence of personal character noted for integrity.

Amiee Alicia Barnette, a 1997 graduate of Davie High School, was one of the 21

awarded. While at UNCW she has been involved in numerous organizations and activities, including the NC Teaching Fellows Program, Phi Mu Sorority, Cheerleadig team, Order of Omega, Panhellenic Executive Council, Greek Judicial Board, Rho Chi Team, and the Student Council for Exceptional Children. She has also been very active in the Wilmington community volunteering for the United Cerebral Palsy Center, UNCW Kids tutoring program for foster children and the Children's Miracle Network Dance Marathon.

She is a dancer for the Wilmington Hammerheads professional soccer team.

Barnette plans to graduate in December with degrees in special education and psychology. She is the daughter of Ronnie and Linda Barnette of Bracken Road, Mocksville.

Check Evergreens For Bagworms

Now is the time to check your evergreens for bagworms. The bagworm is present in great numbers this year and will cause considerable damage to many yard trees. Although the bagworm normally is found on evergreens, it will eat on some hardwoods.

The best control for the bagworm is to remove the bag with the worm inside and burn them. It may take a pair of scissors to

remove the bag. If chemical control is needed, there are several good chemicals available for home use. Follow directions on the label carefully to avoid accidents to the tree as well as yourself.

Time is an important factor in getting rid of the bagworm. It can cause tree mortality if left too long. Check your trees carefully because the bag can only

a quarter of an inch long and hard to see in the spring, but will be large by August.

If you have any questions about bagworms, contact the N.C. Forest Service at 751-5315 between 8 and 9 a.m., Monday-Friday or the Cooperative Extension Service at 751-6297.

Both offices are located in the Davie County Office Building, 180 South Main Street, Mocksville.

PUBLIC NOTICE OF INTENT TO ISSUE AN AIR QUALITY PERMIT

STATE OF NORTH CAROLINA

DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

DIVISION OF AIR QUALITY

RALEIGH, NORTH CAROLINA

The North Carolina Division of Air Quality (DAQ) hereby gives notice of its intent to issue an Air Quality Permit to Thomas Crown Wood Products Co., located at 390 Bethel Church Road, Mocksville, Davie County. This facility has applied for an Air Quality Title V Operation Permit which meets the requirements specified in 15A North Carolina Administrative Code [20.0500].

The DAQ has sent the PROPOSED Air Quality Permit to the Environmental Protection Agency (EPA) Region 4 for a review period ending August 20, 2001. The Air Quality Permit will be issued unless a response received in accordance with the following procedures results in a different decision or significant change in terms of conditions.

Persons wishing to submit written comments or request a public hearing regarding the Air Quality Title V Operation Permit are invited to do so. Requests for public hearing must be in writing and include a statement supporting the need for such a hearing, an indication of your interest in the facility, and a brief summary of the information intended to be offered at such hearing.

Written comments or requests for public hearing should be submitted no later than July 28, 2001 and addressed to Charlie Yirka, Division of Air Quality, 1641 Mall Service Center, Raleigh, North Carolina, 27609-1641. All comments received prior to that date will be considered in the final determination regarding the Air Quality Permit. A public hearing may be held if the Director of the DAQ determines that significant public interest exists or that the public interest will be served.

Interested persons may obtain additional information, including copies of the permit, application, and all other materials available to DAQ that are relevant to the permit decision by writing to the above address or calling Charlie Yirka at 919-715-8250. Interested persons are encouraged to review these materials during normal business hours at either of the following locations: Division of Air Quality, 2728 Capital Boulevard, Raleigh, or 585 Wroughton Street, Winston-Salem, NC.

Albarty To Pinebrook; Campbell To Cooleemee

Principal, Asst. Left At Shady Grove, SD

Retirements and new jobs have brought new faces in some of the top administrative jobs in Davie Schools.

After a closed door meeting Friday morning, members of the Davie Board of Education made several administrative changes.

The moves were made necessary after the retirement of Shady Grove assistant principal Charles Markland, the move of Pinebrook Principal Melvin Fogg to Kannapolis schools, and the promotion of Shady Grove Principal Barbara Owens to the Davie Central Office.

Cooleemee Elementary Principal Jeff Albarty, formerly the Mocksville Elementary principal, has been named the new top administrator at Pinebrook Elementary.

Bill Campbell, a Davie Schools veteran serving as co-principal of South Davie Middle School, becomes the new principal at Cooleemee Elementary.

Cary Powers, who served as assistant principal at William R. Davie last year, is the new assistant principal at Shady Grove. A principal for that school has yet to be named. Owens replaces Carolyn Beaver, who retired from the Central Office as director of exceptional children and student services.

An assistant principal for South Davie Middle is also yet to be named.

Superintendent Dub Potts said that Fogg left Pinebrook to be nearer his homeplace in Kannapolis, and a better financial situation.

The school board also approved a six-month contract with Nelson Jessup as director of operations, a job held by Potts before he was named six-month interim superintendent last month. Jessup has 37 years in the education field, 27 of which were as associate superintendent in Forsyth County. He has served as interim superintendent in Forsyth and Stokes counties. "He'll be able to hit the ground running," Potts said.

Blackberry Time

It's been a good year for the blackberry crop in Davie County.

Augusta Galtner went out early one morning last week, to beat the heat, to gather some of the succulent wild berries. She plans to freeze them to make cobbles. She prefers the wild berries over the cultivated ones, because the seeds are smaller.

Of course, she wore long pants, long sleeves and a hat to help ward off the bugs that love the berry vines.

"I brought me a hoe to knock down the briars and kill a snake if I see one," she said.

Cooleemee Overlay Zoning Delayed

Commissioners Debate Another Public Hearing

The proposed Cooleemee Overlay Zoning District is on hold - again.

Taking into account what people said a public hearing last month, commissioners on June 27 made several changes to the proposal.

The only question now is whether the changes warrant another public hearing. County Attorney Bob Price thinks they do.

Because proposals would require paved streets and methods for garbage collection in mobile home parks, both of which are more restrictive, another public hearing should be held so the public can have input on those ideas, Price said.

On July 9, commissioners will review both documents and make a decision on whether another public hearing is necessary. If held, it would likely be on Aug. 6.

Commissioners met in a workshop last week to discuss potential

Filing For Town Offices Opens Friday

The filing period for elected offices in Cooleemee and Mocksville opens at noon on Friday, July 6 and closes at noon on Friday, Aug. 3.

Both elections are nonpartisan and decided by simple plurality with the election on Tuesday, Nov. 6.

Cooleemee seats to be filled are that of mayor, now held by Grady Spry, and two commissioner seats, held by John Chandler and Fran Parker.

Mocksville seats available are of three commissioners, seats now held by Lee Rollins, Steve Walker and James "Jim" W. Wall.

All filing fees are \$5, and must be paid by check payable to the Davie County Board of Elections.

For more information, call the elections office at 751-2027.

Mocksville Attorney New President Of N.C. Bar Association

Surrounded by family, co-workers and friends, Mocksville attorney Henry "Hank" Van Hoy II was sworn in as new president of the North Carolina Bar Association June 23 in Asheville.

Van Hoy, the first Bar president from Davie County, was sworn in by Judge Lester P. Martin Jr. (retired) of Mocksville.

Van Hoy becomes the 107th president of the state's largest voluntary legal or professional organization, with 12,500 members.

"I'm proud to be a member of a professional association that has held the pursuit of justice through the rule of law as a fundamental precept from the date of its beginning in 1899 through the present," he said.

He plans to concentrate on a number of issues facing the profession and the legal system, including the need to provide quality affordable legal service to the average person.

A native of Union Grove, Van Hoy, 51, is a general practitioner with the firm Martin, Van Hoy, Smith & Raisbeck in Mocksville. He is the Davie County coordinator for the Bar's "Lawyers in the Schools" initiative.

An undergraduate and law alumnus of the University of North Carolina at Chapel Hill, Van Hoy has served on the Bar's board of governors and as chair of its general practice section. He has been involved with the association's law practice management and estate planning sections and its general curriculum.

long-range planning and nominations committees.

The Mocksville town attorney,

Van Hoy is also a member of the Mocksville Rotary Club, the Davie Family YMCA, the Davie County Board of Elections. He is active in Boy Scouting and in local schools, sports teams and Mocksville First Presbyterian Church.

Van Hoy and wife Polly, have three sons: Bradley Todd, 26; Christopher Scott, 24; and Matthew Alexander, 11. All were present for the ceremony.
